

U. CEO Daddy 151

Chapter 151

Five years ago that night, she had a deep memory of his animal appearance.

Xing liehan looks at her like a little wild cat, which makes his mind itch even more. There is a kind of criminal heart that wants to cut off all her sharp claws and make her commit it obediently.

"What did your father say?"

"No."

"That mother and daughter are a threat to you?" Xing liehan cares.

Tang Siyu continued to stoop down to mop the floor. "No!"

"Tang Siyu, don't waste my good resources. If Tang family dare to bully you and report my name, I will support you." Xing liehan suggested.

"My father is in charge of the Tang family. If you bully the Tang family, you are the bully! No, thank you. " Tang Siyu is diligent in mopping the ground.

Xing liehan is speechless. After putting down the plate, she does not affect to mop the floor and go back to his room.

Tang Siyu is tired after working. She takes a bath and finds that it's ten o'clock. It's Friday tonight and Saturday tomorrow. Her son doesn't have to go to school. She doesn't have strict control over his rest time.

She went to bed first.

Xing liehan consciously takes his son to sleep, but doesn't come to quarrel with her.

, and this evening, he was lying in bed, and there was nothing to sleep. He had been too busy lately. He thought of what was called Susie's girl.

In Wenzhai's room, Xing Yinuo finished her homework and chatted with Xing Yifan in the video. She looked at his parents' faces enviously, and she even bothered others to tutor her.

Today, it's good. It's over at nine o'clock. She also found that Wen Liangyao is much better than her second brother. He speaks softly and doesn't scold her if he does something wrong. He doesn't make tension for her spirit. She likes the teaching method of Wen Liangyao very much.

She seems to grasp the method even when she doesn't like math problems. It seems that it's not so difficult.

"When the summer vacation comes, let brother bring you here to play."

"Really? Were they still there? "

"Yes! They mean to let you and Xiaoxi come here together. They call for big brother and Siyu sister. Our family are playing here. "

"Well! Great, I will go. " Xing Yinuo shows his expectation.

"OK, you can review it quickly! The exam is coming. Don 't let it end this time. "

"Don't worry, brother Liang Yao teaches better than you. I'm sure I can get good grades in the exam."

"Hope!" Xing Yifan also has expectations for her.

After closing the video, Xing Yinuo secretly cheers on. She doesn't want everyone to look down on her. She has to study hard.

But tomorrow seems to be Saturday

Yeah!

You can play!

Before Xing Yinuo goes to bed, where will he want to learn? All I want to do is play.

Early morning.

Xing liehan is the first to wake up. The little guy went to bed late last night. Now he is still sleeping in bed. Xing liehan washes it out. He takes up his cell phone and looks at it. There is an unanswered call from assistant Han Yang.

"Hello!"

"Xing Shao, didn't you want to have a talk with Oakes last time? I understand that he arrived at home today. "

"Oh! Ask him out for me. "

"I asked his assistant. He doesn't have time today, but he will attend the mayor's business dinner in the evening. You can meet him at the dinner."

"Good! Line me up! " Xing liehan has no opinion.

"He came here with his wife this time. Xing Shao, should you also find a female partner to go there?" Han Yang built Yidao at that end.

Xing liehan squints his eyes and flashes a candidate in his mind. He smiles at the corner of his mouth, "OK! I'll bring my partner. "

When Tang Siyu woke up, he was on the phone with sushi. He was going to invite Wen lichen to dinner at noon. Sushi was not sure where to eat.

"Just find a fancy restaurant." Tang Siyu sat on the balcony casually with a casual T, chatting with her.

"It's OK. Anyway, it's my treat. He should have no problem with what restaurant I go to!" Susie figured it out there.

"Dress up well! Maybe we can attract this handsome man. " Tang Siyu said with a smile.

Suzy was obviously a little coquettish, and said softly, "I don't want it! He's not my favorite dish. Besides, I'm so busy that I don't have time to fall in love. I'll go to see him in clear soup and noodles! "

Tang Siyu said with a smile, "when you don't make up, you are more beautiful."

"Well, it's time for me to get up. I have to book the restaurant earlier."

"Good! Go! I'll see if Xiao Xi gets up. " Tang Siyu said that, she just turned around, could not see Xing strong cold figure walk in through that door, Tang Siyu slightly one Zheng, "son?"

Xing liehan listened to her natural inquiry. He chuckled and called her, "wife, our son is still sleeping."

Tang Siyu immediately sweated and bristled, and her whole body was hard. His wife excited her goose bumps. She frowned and stared at him regretfully, "don't scream, who is your wife?" Xing liehan is not sullen or angry. She goes to her balcony and pushes the door. She looks at the woman in the early morning around her arms. Under the golden morning sun, she has a light halo. Her skin is more delicate than that of a girl. His body is slightly tight.

I just looked at her and thought.

"Did Xiao Xi wake up?" Tang Siyu has some dislikes for his eyes.

"Not yet! I didn't go to bed until eleven last night. " Xing liehan responds to her, and then he nibbles on his sexy thin lips. "Please help me."

"You will have a day to beg me?" Tang Siyu immediately flashed a smug look in his eyes.

Xing liehan looks at her small satisfied expression, and he hooks his lips and smiles, "yes, please."

"Say it! What's up? " Tang Siyu looks at the distant scenery, waiting to listen.

"I have a party tonight. I want to invite you to be my partner." Xing liehan said directly.

Don Siyu blinked, "why do you want me to be your girlfriend? Are you short of women? "

Xing lie's chest was slightly blocked. "Are you willing or not?"

"What about Xiaoxi?" Of course, Tang Siyu is not very happy, because she doesn't like this kind of occasion. It seems lively, but it's all fake. She pretends to be insincere and plays on occasion.

"I will take him to Wen's house and have a night with Xiao Nuo. We will pick him up after the dinner." Xing liehan has made up his mind.

Tang Siyu thought about it with his red lips, then looked up at him and said, "is it good?"

"What do you want?" Xing liehan finds out that this woman likes to learn from him, so she has to take advantage of others.

Tang Siyu suddenly felt very happy. She squinted her eyes, a pair of clear and clean eyes squinting slightly. "I want to..."

Xing lie's cold, deep and hoarse voice, sexy and seductive, "you can ask me anything."

Chapter 152

Tang Siyu immediately turned his head and looked at him strangely, and then cleverly opened a blank check, "I owe you this favor first, and then I think of what I want, you just promise."

Xing liehan really doesn't like such things, which gives him a feeling of being constrained. He always likes to support and control everything, but doesn't like to be controlled by any support.

"Well, I owe you first." Xing liehan agreed.

"I don't know if Xiaoxi would like to go to Wenjia! I don't know. I asked him first! If he doesn't want to go, I won't go tonight. " Tang Siyu said casually.

Xing lie's heart was cold, and he immediately assured him, "don't worry, I'll let my son go."

"You must not threaten him!" Tang Siyu looks back at him.

"No." Xing lie's way is to let his son go to Wen's house. He looks at the time. "I'll call him up for breakfast."

"At home or out?"

"Eat out!" After Xing liehan finished, he took a step and didn't forget to say, "look how considerate I am to you."

Don Siyu choked for a while. What kind of consideration!

Xing liehan goes to wake up his son, and Tang Siyu goes back to his room to change clothes. For tonight's dinner party, she just plays! Besides, the buffet there should be good.

When Xing liehan dressed the little guy, he asked him about going to Wen's house. The little guy blinked his big, watery eyes, "Daddy, why go to Wen's house?"

"Because I have a date with your mommy, do you want me to catch up with your mommy quickly?"

"Yes!"

"That's right. Today you'll play with your aunt at Wen's house. Grandma Wen, Grandpa Wen and uncle Wen like you very much."

"But I want to go to the playground with Mommy!"

"My father will take you tomorrow."

"But when I go to Grandpa Wen's house, I don't have any toys I want to play with!" The kid's eyes flashed smart.

Xing liehan snorted, "just say what you want me to buy."

As expected, it's his breed. It's so dark inside.

"I want a remote control plane." The purpose of the little guy is very clear.

Xing liehan patted his little ass lightly, "OK, daddy will take you to buy it later."

"Daddy..." The little guy looks at him.

Xing liehan thought he wanted something. He immediately stared at him. "What else?"

"I don't want to, I just want to say, you can't bully Mommy!"

"Now who bullies whom, not necessarily, do you worry that I will be bullied by your mommy?" Xing liehan asked.

"If Mommy bullies you, it must be you who offended her."

"Oh! As you say, I can't bully your mommy. If your mommy bullys me, it's ok? "

"Daddy, how clever you are!" The little guy smiled and kissed him.

Xing liehan just wants to spank his little ass again, but his little face is so cute that he gets close and kisses his little head.

"Well, hurry to find your mommy, and daddy will change his clothes."

"Well!"

The little guy came running through the side door.

Tang Siyu also changed her clothes to go out, watching her handsome son come over, her eyes flashed a touch of love.

"Mommy, don't worry. I'll stay with Grandpa Wen and play with my aunt today. You and daddy will have a good relationship!" The little guy said to her.

Tang Siyu's face stiffened. What did Xing liehan tell him?

"Who said I went in love with your father? We're just going to a party in the evening. " It's necessary for Tang Siyu to tell his son the truth.

"Can you dance?" The little guy asked curiously.

"I don't know!" Tang Siyu shakes his head.

"Mommy, I told daddy he couldn't bully you."

"What if he bullies me?"

"You're welcome, Mommy. Just hit him." Little guy haha smiles. Xing liehan's majesty is in his eyes, not at all.

Tang Siyu snorted and was amused by his son! Listen to you. I'll beat him up. "

After a while, Xing liehan came here. He was wearing a casual dress, a dark t-shirt on the upper part and dark casual pants on the lower part. This man was handsome in appearance and gave people the noble spirit of a rich young man.

"Daddy, let's go!" I'm so happy to think that I can have a remote control plane in a moment.

Xing liehan also decided to take him to buy after breakfast. His son usually didn't ask him for anything, but he gave it to him automatically. Now, it's hard for him to ask for it, and he will certainly meet it.

Because this woman will accompany him to the party tonight, as if his mood has been happy since the morning, looking forward to something happened with her at the party tonight.

He thought it would be fun tonight. At half past nine this morning, Susie put on a mask at home, searched the restaurant in the center of the city, searched several, eventually chose an air garden style restaurant, although it was a little expensive, she would bring the card with her.

She can't live without a meal.

At about 10 o'clock, she changed her clothes and went out. Her usual clothes are also casual. Her upper body is an irregular white T-shirt, her lower body is a pair of jeans and leggings, with small white shoes. It's fresh and simple, like a college student just leaving the campus.

Her long hair was too lazy to tie up. She put it on the back of her head. Her hair was soft and thin. It was dyed with chestnut color, which made her whole face look sweet and lovely.

Susie put a layer of lipstick on her lips and set up a silver toad mirror on the bridge of her nose, which is fashionable and beautiful.

But she has a kind of star appearance, advanced face, so even if the whole face is only painted with a lipstick, it's enough to shoot fashion movies.

Susie looked at the time. At half past ten, she should take the initiative to call Wen lichen and tell him the address of the restaurant.

She picked up her mobile phone and found Wen lichen's number. I don't know why, it's just a simple matter of making a phone call, which makes her need courage.

It can only be said that the feeling of this man is too oppressive.

She took a deep breath and dialed his phone.

Wait ten seconds.

"Hello!" said the man

"Hello, Mr. Wen? I'm sushi. "

"I know."

"Didn't I invite you to dinner this noon yesterday? I've chosen the restaurant. When will you come?"

"Send the address to my mobile phone."

"Er! well! I'll send it to you right away. I'm out now. I'll wait for you in the restaurant. " Susie said, hung up and copied the address and sent it to him.

She went out.

When Susie left home, she was followed by a paparazzi team. She secretly photographed her clothes behind her. For a star, going out of the street and wearing a dress can become a hot headline, with countless hits.

Chapter 153

So, Susie's dress today was snapped by a paparazzi behind her. At the same time, seeing her driving out alone, his car quickly followed.

Suxi arrives at the restaurant. At 11 o'clock, she orders a drink and waits for Wen lichen. Unexpectedly, she also takes a look at the eight hang of entertainment to understand her position in the hearts of fans. She is a female artist who values her reputation very much.

Except for those things that try to step on her for the sake of blacking her, she can turn a blind eye to her, and usually she must keep her private life clean.

Because on the family side, I don't want her to get involved in such gossip.

At that time, sushi chose to be an artist, and her parents opposed her because her family was a political family and didn't like the children in her family to appear in the public, especially her father. Because of this, he didn't pay attention to her for a long time. Even now, his father is too busy to pay attention to her.

She is also used to it, because at home, she is just a little daughter, and she also has a very good sister in politics. Her sister is three years older than her. Now she is the second in charge of the Ministry of foreign affairs, and people at home prefer her sister.

Her family is also very big, and she is the only one who has jumped out of the family and worked in the career she likes. All the other young people are following the path of the previous generation and have a solid foothold in the political arena.

At work, sushi never talks about her family, so her family background in the entertainment circle has always been confidential. Some good people have dug into her background, but they have stopped digging some eyebrows.

Because Sushi's background, not ordinary people can inquire, at the same time, also dare not wantonly take her identity background to win the eye.

Smart people will get around this, otherwise, it's not fun to offend people in politics.

Sushi took the opportunity to make a phone call to her mother. Her voice was still very gentle, so she had time to go home.

"How about sister? I haven't seen her for a long time. "

"She's very busy. She's on a business trip abroad recently. She may come back in a few days. Your sisters usually contact each other more."

"Well, I see."

She also talked about some family affairs. Susie hung up. In the family, even if she made a lot of money, she was despised compared with other young people who really played a real political role.

She must have been a playwright in her family.

Sushi was distractedly stirring up the tea in front of her, and then she sat down across the street with a beautiful and charming figure.

Susie looked up and was startled. Wen lichen came.

"Here you are." Susie said hello in a flurry.

Wen lichen gazed at her with cold and profound eyes. "Have you ordered yet?"

"No! Wait for you! I don't know your taste. " Susie was a little embarrassed, and her mind was restrained.

Wen lichen looked at the menu, asked the waiter for some of his favorite dishes, and didn't deliberately pick expensive ones. After he ordered them, he looked at sushi on the opposite side. Sushi also ordered the two selected dishes. The waiter put away the menu and left.

Susie held the delicate teacup and looked out of the window, but she felt a sharp gaze on her.

She turned her head and glanced at her. Wen Li Chen sat there, but his eyes, deep as the cold pool, stared at her directly.

Susie's chest tightened, blinked, and jokingly asked, "what are you looking at me for? Is there anything dirty on my face? "

Finish saying, she still really think is this reason, hurriedly will go to her bag to look for small mirror.

However, the opposite man squints and asks, "did you socialize last night?"

As soon as Susie heard it, she had an opinion on her refusal to invite him yesterday! She nodded at once, "yes! I have an investor's dinner. I can't push it. "

"What time is the party?" Wen lichen continued.

Suzy's heart was in a flash, but she said, "go home at about 10 o'clock in the evening!"

Wen lichen reached out and held up the teacup gracefully, handed it to the thin lip, asked again in a low voice, "how many people have gone?"

"A dozen! I don't remember much. There are more people. "

"If you are an investor, you should be a rich boss."

"Yes! Very rich. " Susie had to continue to panic, but she hoped to end the topic as soon as possible.

"I've always wondered what you do!" Susie wanted to cross the subject.

"Invest in this!" Wen lichen responded lightly.

"Oh! It must be very profitable! "

"Not only do I make money, but I also know a lot of rich people." Wen Li Chen's eyes were shining on her.

Su Xi immediately puzzled him, but Wen continued, "so I should know the investor you met last night! What's his name? "

Sushi was shocked and her chest was trembling. Wen lichen's eyes on the opposite side were clear and peaceful. However, she felt very oppressed by him holding a knife against her chest.

"Last night You may not know! He's not too rich either. " Sushi thought it was over, but he came back. Wen lichen put down his teacup and looked at her coldly. "You told me you were flustered yesterday."

"Er I didn't! " Sushi refused to admit it, but he cried to death. Did he know that she was flustered yesterday?

Wen lichen said softly, "then tell me the name of the investor you ate with last night. I'll check if you really ate."

Susie was forced to this point, where could she make it up again? She blushed and her brain was in a mess. It was clear that the man had only used three words and two words, which forced her to the most embarrassing situation.

She had to puff up her cheeks and admit, "OK! I'm really flustered. "

"Why do you lie to me?" Wen lichen's eyes narrowed, displeased.

"Because Because I had a business last night. " Susie was biting her lips, thinking of the duck feet she had been sitting on the sofa all night and a pile of snacks. It was really important for a foodie.

"I don't like people who are flustered, and I don't like people lying to me." Wen lichen's eyes flashed the stern breath.

Sushi inadvertently bumped into his eyes, and suddenly there was a kind of common people's soft legs in front of the emperor. The man clearly didn't know what he was doing, but there was a strong sense of superior in him.

What on earth does he do? Ordinary people can't practice such sharp eyes and aura.

"I'm sorry." Susie apologized like a child who did something wrong.

"Let you go this time, no exception next time! You have to pay some price for your flurry. " Wen lichen's voice was low and peaceful.

Sushi immediately subconsciously made a chest ring movement, "what's the price!"

Wen lichen looked at her action, slightly disdained to raise the corner of his mouth, "please me for ten more meals."

Chapter 154

"Ah Ten times? " Susie is going to faint because she refused him once. Now she wants to invite him ten times more?

What's the reason! There's no reason at all okay!

"It's the price of your deceiving me." Wen lichen hummed softly.

"But Ten times too much! Besides, we were strangers, and I didn't cheat you! I have my business to be busy, although I lied to you wrong, but... " Susie felt unfair.

Wen lichen stared at her to explain, and his eyes were indifferent. "If you think it's just a small thing to cheat me, then you are wrong. In front of me, cheating is a very serious thing."

Susie was confused. She bit her lips and said, "but I have nothing to do with you! What are you really doing? "

Wen lichen listened to this sentence, and Junyan was inexplicably gloomy, "or do you think the cost is too small? Do you want me to give you more punishment? "

Suzy swallowed immediately, "what's the bigger punishment..."

Wen lichen snorted, "I can kill you directly! Get you out of the entertainment business. "

Sushi was stunned. Although she didn't know what the real identity of the man was, she had a strong sense that he was capable of it.

"Don't, don't, don't Ten times, right! Please Can't I please? " Susie is going crazy. How can she rise to the point of killing her?

This man is terrible.

When Wen lichen saw her panicked expression, it seemed that it was quite interesting, "scared?"

"Afraid! Of course I'm afraid! " Susie had no guts to admit it.

Wen lichen was satisfied. He picked up the cup for tea. At this time, the waiter also pushed the dining car to serve their dishes.

In Sushi's eyes, she seems to have lost the temptation in the dishes with all colors and flavors. She looks at the man in the opposite side carefully, as if she wants to see through him. Where is this man so powerful?

The man who has the right to kill her must be a man of extraordinary status, but he is so young.

"Have you seen enough?" Wen lichen looks at her with elegant dishes.

Susie hurriedly blushed and looked back. Where did he think? Do you think she looks at him because he looks good?

All right! He's good-looking, but now Susie feels more like a devil in an angel's coat. His essence is too bad.

At the end of the topic, the atmosphere was a little dull, and Sushi's heart was more like a dog's feeling!

He was invited ten times without any reason. Did the man really want to eat poor her?

Wen lichen looked at the girl with rich expression, sometimes annoyed, sometimes biting his lips, sometimes secretly staring at him. His eyes were full of interest. This girl was more interesting than he imagined.

"Has the jewel returned?" Wen lichen asked curiously.

Suzy replied, "that night I will pay it back! If not, I will be a thief. "

"As an artist, do you have enough restraint?" Wen asked again.

Susie blinked. "What do you mean?"

"The temptation of fame and wealth, you make fast money. In addition to acting, you have many ways to make money! Have you ever been contaminated? " Wen lichen asked.

There was an instant indignation at Susie that she had been insulted. The man doubted that she would sell herself to make money besides acting?

"This gentleman, would you please not guess others in vain? I'm a performer, but I'm clean, like a lotus, out of the mud and not stained. " Susie is dying of anger.

Wen lichen's lips began to smile, "right? Is there any proof for me? "

Sushi immediately put down his chopsticks and stared at him. "I don't have to prove it to you. Besides, what kind of woman I am has nothing to do with you! But it's immoral of you to doubt my character. "

Wen lichen's eyes light slightly astringent, "really has nothing to do with me."

"Isn't that right? Last time I saw all of you, I didn't mean to! You don't have to hate me for this. " Sushi felt that his words just now were just for revenge. She saw all his things last time.

Wen lichen's handsome face is slightly heavy. "What else do you mention about this? Don't you remember all the time? "

"I I don't remember! I've forgotten what I saw. " In other words, the more clearly Susie saw what she saw in her mind, it made her pretty face more pink.

Looking at her expression, Wen lichen knew that she not only remembered it, but also remembered it very clearly.

"You'd better forget about it and never mention it to anyone." Wen lichen warned.

Susie turned her red lips. "I want to forget too! Besides, there's nothing to see! "

Wen lichen's hand was frozen, and her eyes were sharp to lock her. "You've seen many men, haven't you?"

Sushi realized later that she had said something wrong, and her tongue was tied. "I I Where I've seen it, I've seen yours. "She wanted to die.

Wen lichen is still calm, as if talking about something that has nothing to do with him. But he is talking about a part of his body!

"It's your pleasure." Wen lichen snorted.

Suzi immediately cried and laughed, "can I not have such an honor?"

Seeing that she had nothing to eat, Wen lichen ordered, "eat."

Sushi looked at the vegetables, and suddenly she had no appetite. Instead, she stopped eating meat and chose vegetables!

After more than ten minutes, Susie really couldn't eat, and wenlichen didn't want to.

"I checked out." Susie got up and went to the counter. Although the waiter would come to settle, she wanted to escape from the man.

When Susie had settled her account, she went back to her seat and said to the man opposite, "I have something else to do this afternoon. I'll go first."

"Let's go together." Wen lichen's low voice line behind her stopped her.

His tall body stood up, and Susie was not short, but standing beside him, she only reached his neck, and he was a head taller than her.

Downstairs, the paparazzi team of friends such as avatar had been lurking here for a long time. As soon as the elevator door was opened, Suxi and Wen lichen were photographed coming out together.

He presses the camera and looks at this tall and handsome man. Is it Sushi's boyfriend outside the circle?

At this time, a group of foreign guests swarmed into the door. They laughed loudly and walked crazily. Sushi was almost hit by one of them. At this time, on her slender shoulder, she leaned close to the man beside her and avoided the consequences of the collision.

When she responds, she has stood close to Wen lichen. She lowers her head and walks away alone.

Chapter 155

This scene, of course, was also photographed by paparazzi. It's a rare scene of Sushi's intimate relationship with men, so it's time to make a big story.

Suzy got to the side of the car, which happened to be wenlichen's car. She said to him, "goodbye." Then she got in the car and drove away.

Later, Wen lichen followed the car out.

A lunch was a victory.

At the other end, Xing liehan comes out of the restaurant with the little guy and Tang Siyu. In Xing liehan's car, the little guy's remote control plane has been bought.

In the car, Xing liehan said to him, "now, I'll take you to Wen's house! Be obedient. "

"Well! I will. "

"I won't go! Where can I wait for you. " Don Siyu is not very interesting in the past.

Xing liehan points to a coffee shop beside him. "You'll wait for me here!"

"Good!" Tang Siyu nodded and watched Xing liehan take the little guy's car away.

She was bored by herself. It was more than two o'clock. She couldn't help wondering what happened to Susie. She reached for her cell phone and dialed her sister's phone.

Susie is driving at the moment. She presses the car phone.

"Heathy, have you finished lunch with wenlichen? Have a good time! "

"Don't mention it! I'm not happy at all. I'm almost out of depression. " From Susie's voice.

Tang Siyu couldn't help chuckling, "what's the matter? What happened? "

"He broke through what I said last night on the spot, and he also used his strength to suppress me."

"No! Then is he very angry! "

"I'm not angry, but he said, punish me, punish me and invite him to eat ten more meals. It's disgusting." Susie complained loudly at that end.

Tang Siyu is listening here, but she thinks it's funny. She laughs and jokes, "does he mean it? He asked you to invite him to eat ten meals. Is this a way of deliberately looking for opportunities to get close to you and chat with you? "

Su Xi thought of the atmosphere at that time, which was not what Tang Siyu said at all. She took a breath and said, "no! He just punished me on purpose! "

"And where are you going in the afternoon?"

"I'll be at home this afternoon! Do you offer at night? "

"I may not have time in the evening. I will accompany Xing liehan to a party!"

"Wow, good progress! He's going to be his partner at the party. " Susie teased her.

"It's good! I asked him to write me a blank human relationship check, and I can use this universal card at will in the future. " Tang Siyu is to get this benefit, will agree, otherwise, she will not agree!

"All right! Let's make an appointment two days after tomorrow! I'm so tired today. Maybe I have to go home tomorrow and meet my grandfather and my parents. "

"Well! The day after tomorrow. "

The two sisters hang up. Tang Siyu is waiting for Xing liehan to come to pick her up in the coffee shop. As for the evening dress for the party, she will have to choose later.

Tonight's dinner is a big event for many political and business celebrities. The invited guests are also very strict and sensitive. Ordinary businessmen are not qualified to attend at all.

Tang Xiong and his wife have always been inseparable representatives of Tang's group, so they have a share in the banquet tonight. Qiu Lin has got an invitation card for Tang Yiyi, and let her join in tonight.

Tang Yiyi is very excited to wait for the party tonight. She has run through several high-end dress shops and selected the most beautiful dress she thinks, which makes her win the favor of Xing liehan at the party tonight. Although she can't let go of mufei, she wants to find the dignity she was thrown away by mufei. She used to love mufei very much and love Yue very much Deep, hate deeper, resentment deeper, she dreamed of finding a better man than him, holding in front of mufei, let her find the lost face.

And Xing liehan is her goal.

Although I don't know this man well, everything about him is better than Murphy, which is enough to be seduced by her.

It's still early, but Tang Yiyi can't wait to change into the evening dress she's going to wear tonight. She walks gracefully in front of the mirror and looks at her perfect self. Tang Yiyi flashes a confident smile at the bottom of her eyes.

Tonight, Xing liehan will be fascinated by her.

As long as she has Xing liehan, even if mufei is returned to Tang Siyu, Tang Yiyi can still step on her feet. The Mu group can't compare with the Xing family.

Tang Yiyi has a dream. Outside, Qiu Lin comes in and looks at her daughter's sexy and beautiful appearance. She is also proud of her. She arranges her hair for her ears. "My Yiyi is so beautiful!"

"I just want to attract Xing liehan a man tonight."

"Yes, he will notice you."

Tang Siyu is around four o'clock. He receives Xing liehan's call and asks her to come out. He is waiting for her at the entrance of the coffee shop. Tang Siyu comes out of the coffee shop. Xing liehan's car is parked by the side with the window half exposed. It can be seen that his deep eyes under the eyebrows of his sword are staring at her. Tang Siyu's heart is suddenly pulled.

She calmly opened the front passenger's door and sat in, Xing liehan's deep eyes still fell on her.

"What are you looking at?" Tang Siyu turned to ask him.

"How do you look?"

"And with you!" Tang Siyu's heart is used, but his mouth is proud.

"Xing lie cold thin lips a lift," really give some sunshine, you will be brilliant

Tang Siyu frowned and didn't want to pay attention to him. She seldom lingered in the high-level places in the city center. She asked him, "I don't know where to choose the dress. Do you have a suitable place to recommend it?"

"Of course." Xing liehan responds with a low voice.

Tang Siyu naturally said nothing more. Anyway, she was not interested in what she would wear at the dinner party tonight.

Xing liehan's sports car is parked at the door of a very tall luxury private customized brand store. Tang Siyu follows him to get off the bus, and sees Xing liehan putting his hands in his pockets and entering with a lazy atmosphere.

This feeling is like entering his own hall. Tang Siyu frowns a little. Is it his acquaintance's driving here?

Tang Siyu followed him into the room, only to see luxurious decoration. In the delicate cabinet, there were evening dresses and men's dinner dresses that made the design perfect. It was amazing.

Tang Siyu made a quiet cry. At this time, a respectful female voice came, "master Xing, you are here."

As soon as Tang Siyu heard that the waiter was warm and congratulatory to her, he was obviously an acquaintance here.

"My little aunt!" Xing liehan asked the young waiter.

Chapter 156

"The landlady is upstairs."

Tang Siyu on one side is speechless. Is this the shop opened by Xing liehan's little aunt? No wonder he'll be as casual as entering his own home.

Xing liehan looks at Tang Siyu beside him, "follow me upstairs."

Tang Siyu nodded and followed him upstairs, walking on the European ivory white rotating stairs, as if giving people an invisible sense of dignity.

Tang Siyu follows Xing liehan to a round hall, her eyes are directly gaping, only to see the whole round hall's delicate cabinet, full of complete sets of perfect evening dress, each piece can be called a boutique.

And a slim figure was measuring the fabric on a model, with an assistant memorizing the numbers.

Although she was old, the woman with gold glasses gave a delicate and luxurious atmosphere. When she saw Xing liehan coming in, she immediately smiled happily.

"My nephew, you haven't come to see me for some time." She smiled as she put her ruler on the table.

"Didn't I come here?" Xing liehan comes forward, takes her shoulder affectionately, and turns around. Both of them look at Tang Siyu who comes in from behind.

The woman who is held by Xing liehan is Jiang Shan, the sister of Xing liehan's mother, and the owner of a high-end customized brand store. She has 40 years of experience.

"This is?" Jiang Shan Tang Siyu looked at it with a smile.

"He is my son's mother! Her name is Tang Siyu. She and I are going to a dinner party tonight. " Xing liehan explains his intention.

"Oh! My nephew's grandson's mother! What a beauty! " Jiang Shan smiles with admiration.

This made Tang Siyu feel embarrassed. She said politely, "Hello, Madame!"

"Don't call me such an outsider, you and liehan call me little aunt together!" Jiang Shan corrected her with a smile.

Tang Siyu was really embarrassed. She was thinking, did this lady misunderstand something in front of her?

Xing liehan laughed happily, "yes, it's called Xiaoyi."

Tang Siyu glared at him.

Xing liehan ignored her chagrin and said to Jiang Shan, "little aunt, I want her to be the most beautiful woman at the party. You know what to do!"

"Don't worry! Give it to me. " With that, Jiang Shan habitually looks at Tang Siyu's figure, analyzes her temperament, and finds out her shining point, so as to choose the most suitable evening dress for her.

Tang Siyu is not at ease in her eyes. However, this emotion is hidden in the bottom of her heart. On the surface, she is graceful and has a light smile.

Jiang Shan is good at finding the beauty of women, and Tang Siyu is undoubtedly a perfect model.

"Miss Tang, take a seat here first. I'll ask someone to pick out some evening dresses for you first." Jiang Shan said warmly to her, then turned to her nephew and said, "you can also choose a suit you wear tonight!"

"The point tonight is that she looks good on me anyway." Xing liehan said with a narcissistic face. Tang Siyu used to have a tight heart string. Because of his words, she almost burst into laughter. She didn't look at her face, but she couldn't help smiling at the corner of her mouth.

Xing liehan suddenly came to take her. "Go to the rest room and wait."

Tang Siyu was stunned, so he led him to the next lounge, where a waiter came to deliver water and fruit. The service was considerate.

Tang Siyu picked up the evening dress magazine beside him and Xing liehan said, "this is my aunt's shop. You can come here to make your own clothes later."

"Where can I make it to order?" Tang Siyu's clothes here are very expensive. She doesn't have the money.

Xing liehan squints his eyes and says, "I can charge your expenses to my account."

Tang Siyu looked at him in astonishment, then she shook her head rationally, "no need."

Xing liehan bit his lips. The woman was very clear about him. He had never seen such a woman who didn't like to take advantage.

However, he had a plan in mind. In a moment, he asked his aunt to record her size and let her choose a batch of clothes for her in a few days.

After a while, Jiang Shan came here. Beside her, the waiter sent ten sets of evening gowns with exquisite carts. Each of them was covered with transparent paper bags with different colors and styles.

"Miss Tang, these are all new models of this year. Come and choose them." Said Tang Siyu of the Jiang Shan Dynasty.

Tang Siyu hasn't got up yet, but the man around him gets up first. His long fingers are scratched in the dress. After a glance, Xing lie shakes his head. "It's too common, not eye-catching."

However, Jiang Shan knew that his nephew had a sense of challenge. Unexpectedly, the first batch of evening dresses were all denied by him. Tang Siyu was a little funny on the side. She hadn't seen them yet!

"Auntie, you have to take out the treasures. I want her to wear the best tonight!"

Jiang Shan reaches out and taps Xing liehan on the shoulder. "You're a bad boy, you're more and more selective. My evening dresses are also worth a lot. However, I really have to press the bottom of the box. If I wear them to Miss Tang, I may need to change them." "Don't bother. I'll pick one here." Tang Siyu got up with a smile and didn't want to bother Jiang Shan. She had an evening dress to go to the party.

When Jiang Shan saw that her nephew valued this girl so much, she knew that. It seemed that he wanted to pursue Miss Tang.

Even then, she will not be stingy, she said with a smile, "Miss Tang, no trouble. I'll take your measurements and change them for half an hour."

Tang Siyu really didn't want to bother people, but Jiang Shan came here with the size. She stood in the same place and asked her to measure her shoulders, arms, waist circumference. Jiang Shan said, "Miss Tang, you have a good proportion of body!"

Xing liehan on one side also carefully looks after her figure, and secretly likes it, as if her good figure had something to do with him.

"Thank you." Tang Siyu cooperates with him to measure the size. Jiang Shan is busy. In Xing lie's cold Dynasty, Tang Siyu says, "wait for me here."

After that, he caught up with Jiang Shan and said to her, "aunt, the size of Tang Siyu just now, you save it first, and then customize several sets of clothes for her every month. The account is here."

Jiang Shan turned around and reached out to him to tidy up his front. "Liehan, this girl is not bad, but also your child's mother. You have to work harder."

Xing liehan smiles confidently, "don't worry! Sooner or later she will be my man. "

Jiang Shan doesn't see it. Tang Siyu is not a material girl at first sight. Her nephew has the right to be powerful and attractive. Otherwise, he doesn't have to secretly send her clothes to please her.

Chapter 157

"Don't worry! I'll write down her size. In half a month, I'll tailor some new clothes for her. I'll give them to you and you can change your clothes, too! "

"Thank you, aunt." After Xing liehan finished, he went to his wardrobe with Jiang Shan's assistant.

There is Jiangshan's tailored dinner suit for him every year.

Tang Siyu is also bored in the lounge. She can't help stepping out of the hall and looking at all kinds of evening gowns in the cupboard. She's just strolling around a super fashion show. Although it's only worn by static fake models, every evening dress has its unique charm.

As a woman, Tang Siyu has an irresistible charm to the beautiful evening dress. In her heart, she once lived a designer's dream, just because too many things make it difficult for her to complete.

Now, she really admired Jiang Shan's ability to make clothes so appreciative. She was so fascinated that she didn't find that a man with a straight suit stepped in from a door, Xing liehan stepped out in a tailored gray suit, a dark lined shirt, and a simple Pinstripe tie. This man is definitely a top-grade man out of the box model.

Behind him, Xing liehan sat down on the golden sofa in the middle, with his long legs raised, like a still beautiful sculpture, staring at Tang Siyu in front of the dress.

Tang Siyu finds the stare behind her. She turns her head and opens her pupils slightly. When did the man change his clothes?

It has to be said that the golden sofa, coupled with his noble temperament, makes him have a king like aura.

Tang Siyu took back her eyes at a glance, covered up her jumping heart and continued to look at the evening dress.

At this time, a door opened, only four waiters carefully pushed a model out, and the evening dress on the model was too close to move at a glance.

The light apricot shading and luxurious texture make the whole evening dress radiate light luster. The design of half sleeve and the front of chest is also a very elegant shoulder, which is elegant and fashionable.

On the other hand, it's amazing to see that each piece of light pearl flower is inlaid with sequins and diamonds. Under the light, the whole evening dress gives people a luxury and not too much publicity of beauty, but it's absolutely hard to ignore the existence.

Tang Siyu's eyes widened slightly. Can she wear this evening dress to attend? It's too luxurious and dazzling.

Xing liehan knew that the collection of Xiaoyi was definitely not ordinary. As expected, this evening dress was very popular with him.

Miss Tang, please change it first! I'll give you a little change at the neckline. Your shoulders are lighter and slimmer. "

As a woman, in the face of such a luxurious and dazzling evening dress, there is an absolute impulse to try it on. Tang Siyu really has a feeling of great honor.

She nodded, that is to say, Jiang Shan chose it for her. Why don't she try it on?

Tang Siyu put on the evening dress with the help of the waiter. When she stepped out in a pair of seven centimeter high shoes and evening dress.

People who are waiting to see the effect are stunned. Tang Siyu's skin is like snow, while the light apricot evening dress makes her whole person gorgeous.

Jiang Shan was also very pleased. This evening dress, especially the lady in the boudoir, has been waiting for the owner to wear it. Undoubtedly, it has waited for a suitable hostess.

Xing liehan's eyes are hard to move away from the woman who has stepped over. This woman proved her last time on the stage. She is radiant and full of beauty in her dress. Originally, she can be more beautiful.

Tang Siyu nibbles his lips and walks to Jiang Shan's face. Jiang Shan smiles with satisfaction. "It's really good for you." Finish saying, she picked up the needle and thread and began to mend the shoulder gap for her. With her technique, it only takes ten minutes to mend her shoulder perfectly.

Tang Siyu felt comfortable and light, at the same time, there was a kind of proper massiness. She lowered her head and looked at the three-dimensional embroidery picture of apricot flowers at the cuff, which was simply distributed on the arm, left shoulder and waist, forming a comfortable pattern.

The inner lining is comfortable silk slip fabric, and the outer layer is light lace, which is all the way down to the barefoot. The perfect waist, plus the graceful Mermaid like hip line, the evening dress is combined with Tang Siyu's figure, which is perfect to be irresistible.

Xing lie's eyes flashed with astonishment. Suddenly, he wanted to cancel the idea of going to the party tonight. He didn't want any man to appreciate the beauty of this woman. He wanted to monopolize and hide her.

Tang Siyu looks at herself in the mirror. As expected, people rely on clothes, makeup, horses and saddles. Against the backdrop of this evening dress, even she can't believe herself in the mirror.

"Miss Tang, are you satisfied with this evening dress?" Jiang shanxun asked her for advice.

Tang Siyu laughed. "It's too beautiful for me to wear."

"This evening dress is one of my treasures, but no matter how good it is, it needs to be used to show its value." With that, Jiang Shan turned to look at his nephew. "Now, are you satisfied?" How satisfied was Xing liehan? He just thought that the collection of my aunt was so wonderful.

"Very good." He gave a four word evaluation.

At the same time, it also comments on the woman in evening dress.

Tang Siyu heard that her pretty face was slightly hot. She had only promised him to attend a dinner party. Unexpectedly, the man asked her to wear such an expensive evening dress.

"Well, Miss Tang, let my assistant get your hair! I also have a lot of jewelry here. I'll match it with you later. You'll be very charming tonight. " Jiang shanphene charged the assistant.

"Miss Tang, this way, please." The middle-aged woman politely invited her to a dressing room.

Tang Siyu nodded and followed her.

Jiang Shan went to his nephew and put out his hand to tidy up the details of the suit. He totally pampered him as if he were his own child.

Jiang Shan had a unhappy marriage. Since then, she has never been married. Of course, she has no children. She is 48 years old this year, and she will not plan to have children. So, for her sister, her three children are like her own.

"Miss Tang is good. Take good care of her!" Jiang Shan encouraged his nephew.

Xing liehan in front of the little aunt, has been carrying the arrogance, but it is natural to resist, he does not deny that he likes this woman, he hook lips a smile, "rest assured! I'll come on! "

Jiang Shan really envies young people! You can freely chase your lover, and she devoted her whole life to this shop and every piece of cloth.

Chapter 158

Because Tang Siyu is young, the assistant didn't pull her hair, but braided her long hair, fastened it with a simple diamond hair clasp at the back of her head, and arranged her hair tail into a beautiful

arc. In terms of diamonds, the assistant also selected simple and expensive diamond necklaces, earrings and bracelets for her, because they all know the relationship between the girl and Xing liehan.

And Xing liehan is Jiang Shan's favorite nephew. His girlfriend may become her in the future.

Therefore, she became the hostess here, and was respected by these waiters.

But Tang Siyu doesn't know what these waiters think. She just wants to accompany Xing liehan to the party tonight, and then get a favor from him. It will be easier to get along with this man in the future.

At this moment, she is remembering her son! I don't know how he is at Wen's.

Little guy is sitting on the ground with him in Wen Liangyao's study now, playing video games. I don't know how excited he is!

Tang Siyu came out of the dressing room. She had some light make-up on her face and a little lipstick on her red lips, which seemed more gorgeous.

Xing liehan, like a prince, stood at the door waiting for her. When Tang Siyu came to wait, he subconsciously extended his hand.

It's like a perfect hand between a princess and a prince.

However

Tang Siyu glanced at him strangely, looked down at his group and walked past him. He was afraid that he stepped on it and totally ignored the man's hand.

Xing lie's face is slightly stiff, and he takes back the embarrassed clenched fist.

Fortunately, no one noticed, otherwise, Xing liehan would be embarrassed.

Tang Siyu seldom stands in this kind of evening dress, which is just barefoot, so she has been worried that she will step on the back skirt.

She doesn't have to worry at all.

The dinner party entered at half past six. Xing and Tang Siyu said to Jiang Shan in the hall. When they went out, Xing also ignored Tang Siyu's refusal. He took her hand and went out.

Tang Siyu didn't shake off because she didn't wear high-heeled shoes. With him, she seemed to have a protector.

And in the Tang house.

Tang Yiyi has never been so eager to go to a party, because in the past five years, all her thoughts have been on mufei. She is lazy to look at other men more than once, but now, she has a hatred and wants to revenge him.

Captivating Xing liehan is her best means of revenge.

Today, Tang Yiyi is wearing a white high order evening dress, which is specially airlifted back from abroad. It is of great value. With a complete set of famous brand jewelry, her own beauty and exquisite and perfect makeup, she is very confident tonight.

"Mom, it's almost six o'clock. Let's ask dad to start!" Tang went downstairs with his exquisite pearl bag.

Qiu Lin is also dressed as a lady, looking at the perfect daughter downstairs. She seems to see her daughter's bright future.

"Well, I'll hurry him up!" Qiu Lin went to her husband's study with a smile. Tang Xiong was dressed in a medium mountain suit, mature and dignified, but he showed some dignity.

"Honey, hurry up. We're going. We can't be late."

"Good! That's it. " Tang Xiong answered and picked up his mobile phone.

Tang Xiong looked at Tang Yiyi dressed in costumes and was also satisfied. He also hoped that his second daughter would step out of the emotional shadow of mufei and start a new emotional life.

Tang Yiyi goes out with her parents, and her lips are full of smiles. She thinks of Tang Siyu. She is very happy. Her father takes her into the upper class society and introduces her to his partners and friends in the business circle. Tang Siyu has no treatment!

Isn't this just a reflection of her unique identity in the Tang family?

Tang Siyu has not appeared in front of his father and friends for a long time, so everyone will think of her when they mention Miss Tang.

Tang Yiyi also thought that when she appeared in front of her as Xing liehan's girlfriend, her identity was as high as the clouds, and Tang Siyu led an ordinary life with her illegitimate son. At that time, she could step on her as she wanted.

But before that slap of hatred, she still remember!

Sooner or later she'll give her double.

Sitting in the car, Tang Yiyi asked his father, "Dad, will mufei go to the party?"

"He should be on the invitation list. I don't know whether he will go or not. What's the matter? Don't you want to see him? "

"It doesn't matter whether he's here or not. Anyway, I didn't go to the party for him." Tang Yiyi said with a thin face.

Qiu Lin comforted, "you can do well yourself. Mufei has nothing to do with you."

"Of course." Tang Yiyi picked up Xiumei and turned a white eye.

Tang Xiong also didn't say much. His children's feelings are also a headache to him. Now he has business relations with Mojia. If he gets stiff, it's not good. So, he only hopes that his children's

feelings will not affect their company's interests. At this moment, Murphy is still in his office. His assistant comes to inform him, "Murphy, do you really want to send Mr. Liu to attend?"

Murphy was a little annoyed, but he turned the pen in his hand. Finally, he decided, "I'll go myself!"

"Do you need to invite your last female partner?"

"No! I'm just looking for a few clients to chat with, and I won't stay for long. " Murphy shook his head, got up, took his suit from the hanger, and walked straight out of the office door.

The banquet venue is held in a very large hotel. The guests are all domestic tycoons, business and political tycoons. In order to develop the city's business circle, the government department specially held this grand dinner.

As the city's dignitaries, they all showed up.

Xing liehan's car is caught in the car group at the moment. The road ahead is blocked. He is leisurely and calm, and doesn't show the anxious breath. He looks at the girls around him from time to time, as if he can't see enough.

Tang Siyu touched his unique eyes several times, but her heart became more and more dry. She took out her mobile phone and looked through some friends' circles and news. In a word, she tried to ignore the men around her.

Xing liehan presses to open the music channel. A love song upgrades the atmosphere at the moment in a timely manner. In the love song, the voice of a man is affectionate, expressing his thoughts on love very strongly. The voice line is lingering, which is very pleasant to listen to.

If it's normal, Tang Siyu will surely fall in love with this song, but the atmosphere at the moment, listening to this song, will only make her scalp numb.

Xing liehan wants to find something to talk about, but he is not good at active chat, especially flirting with women. In general, he doesn't need to flirt, and women automatically throw themselves into arms. He is busy refusing.

He bit his sexy thin lips and opened his mouth in a low voice. "Don't hook me three or four tonight, OK? Remember, you are my partner. "

As expected, a man who is not good at chatting is a warning when he makes a sound.

Tang Siyu gave him a white eye, "if you don't think you need me tonight, please send me home now. I'm too lazy to go."

Xing lie, Han Junyan, flashed a fluster across his face and hurriedly turned to him. "I don't mean that. Of course I need you."

Tang Siyu ignores him and continues to turn his cell phone to read her news. Xing liehan's eyebrows twist unhappily. Doesn't he have such a sense of existence in front of this woman?

At this time, Tang Siyu saw the recommendation and promotion of a new film of praying for coolness. Tang Siyu naturally cared about it. A very large face of praying for coolness occupied the screen. Tang Siyu carefully looked at the following, a plot about his new play.

Xing liehan looks at the blocked long dragon in front of him, takes back his eyes to see what the woman is looking at so seriously. He leans over slightly, and sees Tang Siyu staring at a large picture of praying for coolness. At that moment, the man's face is almost gloomy for a moment. His long arm stretches out and directly takes Tang Siyu's mobile phone.

"Hello What are you doing! " Tang Siyu looks at the robbed cell phone in astonishment.

"It seems that you haven't forgotten this man, and you are also concerned about his new play." Xing liehan gnaws his teeth and looks at her with cold eyes.

Tang Siyu blinked. She only felt that the man was ridiculous. She just looked at the entertainment news. What's the matter with him? From the very beginning, she was just a friend to pray for coolness. How could she think about it?

"Give me my cell phone back." Tang Siyu asked.

"Unless you promise me, you won't read all his news in the future." The order of Xing liehan.

Tang Siyu didn't want to compromise. "What do I think is my own business? Why should I be controlled by you?"

Xing liehan throws her mobile phone, "OK! After that, you won't see him in these front page headlines. I decided to block him again. "

Tang Siyu holds his mobile phone and gets angry when he hears this. "Xing liehan, you can't do anything with money and power."

Xing liehan narrowed his eyes, and looked at her with evil eyes. "You are right, I can do whatever I want with money and power."

Tang Siyu choked directly, only to find that there was no reason to talk with this man.

She stuffed her mobile phone into the exquisite Sequin bag and stopped looking directly, but the atmosphere in the car was more rigid. Xing liehan breathed a little. How could this woman be so difficult to get along with?

At this time, the long dragon in front moves, and it is unobstructed. The roadside lamps suddenly turn on, just like a feast of lights. Tang Siyu's pupils are lit up. At this moment, there is a light song in the carriage, and her remaining light is slightly glancing at the man beside her.

Xing liehan's heart was also affected by the atmosphere at the moment. His eyes turned to the girl around him, and he found that the street lamp was shining on her face.

He had a kind of imagination, an open stage, she dressed like this, the beauty of walking towards him, but the imagination of her, a bright smile, full of love for him.

Just, at the moment, this kind of thing, just stop at imagination.

But it's good to have a dream. What if it comes true? His dream of Xing liehan will come true one by one.

Tang Siyu's heartstrings are also very soft. This feeling is very dreamy for girls. If you are not sitting with a man who is domineering, powerful and unreasonable, but a man, it's romantic.

In the VIP parking lot next to the banquet, Tang Xiong's black car was led to stop, and there were all luxury cars beside, as if driving a grand luxury car exhibition stand.

Tang Yiyi got out of the car, took his mother's arm and slightly raised his haughty neck. Things like going to a dinner party make people experience a kind of elegance of upper class people and a kind of honor of being a master of nobility in their heart.

Tang family entered, and soon Murphy's car drove in. He was alone, in a gray suit, with his extraordinary appearance and elegant temperament, he was definitely one of the few young rich tonight.

It's already six fifty at the moment. All the guests have arrived, and only a few are still on their way.

However, Xing liehan was blocked for some time, so he became a few people present.

At this moment, the last light of the setting sun has sunk, and the whole hotel seems to be dazzling, like a giant star shining under the night.

Tang Siyu's mood can't help being nervous. Although she is the eldest miss of Tang family, her life is very ordinary. In addition, her father seldom took her to such an occasion. After Qiu Lin married in, she hindered her from attending in all kinds of ways. She was the first to pull up her daughter and send her to some tutoring classes Class.

Xing liehan got out of the car. He wanted a gentleman to open the door for her. Unexpectedly, Tang Siyu pushed out the door by himself. Xing liehan bent his lips to her side, stretched his long arm towards her, and demanded, "hold me." Tang Siyu didn't refuse. She reached for his arm and walked with him to the bright hall.

The invitation card of the hall, Xing liehan handed two, Tang Siyu took him, walked in the relatively open hall, there were uniformed waiters standing at the door of the elevator, and actively opened the elevator for them.

In the elevator, there is only one pair of them, and the waiter presses the large banquet hall on the 10th floor for them.

Tang Siyu suddenly felt married to him. He was dressed so formally, and she was dressed in evening dress, as if she was going to pay homage to guests. Damn it, how could she have such a funny idea?

Xing liehan looks down at the woman standing beside her. She is so beautiful that she can't be choosy. A wisp of mischievous hair hangs on her earrings. He naturally reaches out to open it for her. The warm fingers touch her delicate earlobes. Xing liehan's body suddenly tightens.

Tang Siyu also turned to look at him, Xing liehan said with a low smile, "you have earrings in your hair."

Tang Siyu blinked. At this time, the elevator jingled open. Two handsome male waiters met them and walked to the closed door. The clean red carpet gave people a VIP like treatment.

At the same time, there is a feeling of wedding going on.

The thought that Tang Siyu had just had in the elevator came up again, which made her speechless.

Two uniformed waiters are standing at both ends of the gate. When a VIP arrives, they will open the gate one by one and greet them.

Chapter 160

When Xing liehan and Tang Siyu were only three or four meters away from the door, the two waiters immediately pushed the door open. Behind the door, another magnificent world appeared in their eyes. Tang Siyu held Xing liehan's arm tightly.

Xing liehan felt that he did not look at the guests inside, but turned his head and fell on her face gently, with a trace of comfort in his eyes.

The appearance of this pair of handsome men and beautiful women made the soldiers and guests who had already arrived turn around one after another and want to see who was there.

At the golden gate, the handsome and upright man walked in holding an elegant and noble girl.

Xing liehan's identity is self-evident naturally. However, the girls around him, with their unique temperament and pure appearance, are simply amazing.

All the men in the room are full of eyes for a few seconds at the first time, while the girls are envious and jealous. The girls around Xing liehan are so beautiful!

She is just a light make-up, but in the bright light, the skin can be broken by blowing, a pair of big eyes are powerful, beautiful, real, natural and heart shaking.

Who is she?

Who is she?

Some of the guests here recognize this problem at a glance. Murphy, who is chatting with his business partner, and the three members of the Tang family, are looking at the two men and women who come in incredulously.

Murphy was shocked. At the first sight of Tang Siyu tonight, his eyes couldn't be moved any more. At the same time, his heart was tightening fiercely, as if a barbed wire was tearing his heart hard. The crazy jealousy really showed in his eyes.

However, Tang Yiyi, who is chatting with his mother beside a group of expensive ladies, has a jaw drop. The glass in her hand almost can't hold it. She has been looking for Xing liehan, but he hasn't come yet. She thinks he's just late.

However, he was late, and at the same time, he was surrounded by a woman she hated the most.

Why? Why is Xing liehan's partner Tang Siyu tonight? Did Tang Siyu know Xing liehan? Qiu Lin is also worried about her daughter. How could Xing liehan know Tang Siyu?

Tang Xiong is the only one in the Tang family who is happy and happy. He looks at the pair who come in right and right. His eyes flash with joy.

He is also his daughter. She is beautiful and generous. She also becomes Xing liehan's partner. It's a pride to be a father!

"Mom How could it be Tang Siyu... " Tang Yiyi's clenched hand crushed the thin glass glass, and the resentment and unwillingness in her eyes were revealed.

Qiu Lin immediately patted her on the shoulder. "Yiyi, calm down. Maybe Tang Siyu and Xing liehan are neighbors and know each other."

"But Where did she come from in her evening dress tonight? Why is it so beautiful? Why didn't I find such a tuxedo? " Tang Yiyi's second jealousy and unwillingness is the evening dress that Tang Siyu wore tonight, which is definitely the girls' dream.

Qiu Lin also had to admit that Tang Siyu was so beautiful tonight that she was more than happy?

"It should be Xing liehan who gave it to her. She has no ability to wear such an evening dress." Qiu Lin's tone was full of bitterness.

Tang Siyu steps in, her eyes are in this group of guests, and she quickly finds mufei. Her heart is slightly shocked, and he also comes. Then she sees her father, Qiu Lin and Tang Yiyi from the crowd.

She was shocked again. Later, she realized that her father was also a famous entrepreneur, but he also took Qiu Lin and Tang Yiyi to attend this evening.

This time, she appeared as Xing liehan's female companion and was directly hit by them.

However, she didn't mean to conceal Xing liehan's identity with the her child, so she ran into it on such an occasion! If father asks later, she will explain again!

Tang Siyu calmed down in a rush of tension. Xing liehan saw mufei as soon as he swept the guests. His heartstrings were directly pulled. He was also there!

He really didn't want him to enjoy Tang Siyu tonight. He didn't let him have an eye for dressing her up so beautifully.

Of course, he also saw Tang Xiong's family. He looked at Tang Siyu. Tang Siyu had a gentle smile on his lips, apparently not bothered by the presence of his mother and daughter.

"Mr. Xing, here you are! I thought you were too busy to come! " A director came up to greet him.

"You are sincerely invited to come here if you are busy." Xing liehan said the scene words with a smile.

"Mr. Xing's partner is so beautiful tonight!" The chairman of the board praised it.

Tang Siyu smiled and said, "hello."

"The dinner is about to begin. I've put you in the front row. This way, please."

Tang Siyu found that there were two long tables in the middle. On the golden table, there were exquisite tableware. It was not buffet style, but imitated the characteristics of Western dinner party. Everyone went to the table to enjoy dinner.

There is also a very large multi-functional hall next to it. After dinner, the guests move to the hall next to them to continue the dinner ceremony in the second half. Tang Siyu said to Xing lie, "I'll go and say hello to my father."

Xing liehan squinted. "Do you need me to accompany you?"

Tang Siyu shakes his head and loosens his arm. She walks to Tang Xiong with a smile. The elegant temperament emanates from her gestures and feet. Every frown and smile will fall into the city.

Tang Siyu is a few steps away from Tang Xiong. She calls out, "Dad." Finish saying, she lightly skimmed the side of Qiu Lin's mother and daughter.

"Siyu, I didn't expect you to come, and it's so beautiful." Tang Xiong really praised and looked at his daughter.

Qiu Lin also said, "your father is right, Siyu, where can you find such a beautiful evening dress?"

Tang Xiong asked more curiously, "Siyu, how did you come to join with the Xing family! Do you know each other? "

"Yes! Yes. " Tang Siyu doesn't want to tell his father Xing liehan about his relationship with his son here.

Tang Yiyi bit her lips and stared at her resentfully. "What other man can't you seduce?"

Tang Xiong immediately turned to stare at her. "Yiyi, what are you talking about?"

"Am I wrong?" Tang Yiyi knows nothing wrong. She would like to pour a glass of red wine on Tang Siyu to make her look ugly tonight.

Tang Siyu hears the jealousy in Tang Yiyi's tone. She suddenly thinks of Xing liehan's identity, which is really attractive. It can be said that among the guests here, he is one of the best. Does Tang Yiyi have any idea about him?

"Dad, I'll go first." After Tang Siyu finished, she turned around and took a look at the place where Xing liehan was, and she walked towards him.

She walked carefully with her eyes down, for fear that she would step on the skirt, and soon a pair of shiny leather shoes stood in front of her. She went up along the shoes, with a long body and a warm temperament, which was just in front of her.
