

U. CEO Daddy 411

Chapter 411

In a five-star hotel, a woman stands in front of the floor to floor window, her eyes are not on the beautiful scenery outside the window, but her long fingers are gently placed on her chin, and she looks at the advertisement on the nearby TV. In the advertisement, Sushi's perfect figure comes out from the light and shadow, which is full of high-end images with texture, making her beautiful and breathtaking. What this advertisement does is A top brand of lipstick in the world.

When the woman finished appreciating the advertisement, a complex and disdainful smile appeared on the corner of her mouth, which made her think of Suzy she met in the shop last time. Although she was beautiful, her character was not good.

Should she remind Wen lichen of what kind of woman he married?

As a predecessor, she felt that she had such an obligation.

She picked up her mobile phone from the table, found Wen lichen's number and dialed through the long lost number.

At the moment, Wen lichen is accompanying Suxi to eat out in the dining room. His mobile phone at the table rings. He looks at the strange number. He doesn't notice it, but presses it directly.

Sushi looked up in surprise. "Why not take it!"

"I don't answer strangers." Wen lichen raised his eyes and replied.

Susie pushed the soup in front of her. "I'm full."

"Why are you full? You didn't take two. " Wen lichen said, twisting his eyebrows.

Susie immediately raised her eyebrows and asked with a smile on her side. "How do you know I only had two bites?"

"Because I've been watching you eat." Wen lichen said, he pulled the chair beside her and sat down, and moved the bowl of soup she pushed away to himself, "I'll feed you and drink more."

Susie was a little embarrassed. She took a look around. At the moment, there were not many guests here. She came closer to him. "OK!"

Wen lichen took the soup bowl, took the spoon in one hand, scooped it into her mouth, and sushi ate it, with a pair of smiling eyes, staring at him so foolishly.

"What are you laughing at?" Wen lichen was attracted by her smile, and the corners of her mouth could not help flying.

"I'm happy! I'm happy to have such a good husband for me. " Sushi looked at him without blinking, his eyes affectionate.

Wen lichen took advantage of her happiness, fed all the soup, and sushi finished eating. She was really full. Before she could wipe her mouth with paper, the man's hand had reached out and gently swayed her mouth. Sushi's heart was instantly soft to the extreme.

She has a kind of happiness that he has become a little girl.

In the hotel, a tall and beautiful woman looks at the phone that has been cut off. There is a flash of sadness in her eyes. She suddenly thinks that her mobile phone is a new number, and it is a strange number displayed on his mobile phone. She knows that this man has a habit of never receiving a strange number.

She bit her lips, edited a message and sent it again. There was only one sentence on the message: "I'm Wendai, I'm back. Let's meet!"

When Wen lichen was checking out, his mobile phone suddenly slipped down a message, and his eyes glanced at it. His eyes flashed away, as if he didn't see it. He took Sushi's hand and walked towards the door.

In the hotel, Wendai held her mobile phone. Because she sent a message, her heart would have expectations. However, what she didn't expect was that wenlichen didn't even give her a word back.

This strangeness made her a little worried and crazy. Even though they said they would not disturb each other for three years, they were still friends after three years. Why did Wen lichen ignore her after three years?

At the moment, a series of melodious advertisement music suddenly appeared on the TV, which was Susie's advertisement. Wendai's eyes were not as indifferent as before, but some resentful glances swept over. In the video, Susie's magnified delicate face, her eyes muscles twitched slightly for several times, which was the expression of jealousy.

When she saw Wen lichen propose to sushi in the video, she felt a kind of unintelligible blockage, like her favorite things were suddenly robbed by others, and she didn't say hello.

Last time on the phone, she calmly said that it was actually a kind of unwillingness to go back to China to attend his wedding. Now, when she came back, she found that the feeling of unwillingness was magnified little by little.

Especially knowing that the woman he married was not perfect, the more unbalanced she was.

"Li Chen, it seems that it's time for us to meet. "Her eyes are full of firmness.

Airport.

Xing lie is so eager that his parents finally come back from abroad. At this moment, he is greeting them with Tang Siyu and his son and Xing Yinuo.

"Grandpa, grandma." I miss you so much that I run out of the hall towards a steady couple.

Xing Zhengting was still talking to the bodyguards one second ago. The next second, when he heard the call of his grandson, he showed his most kind and loving side. After a few steps, he held the little guy in his arms and held him up. Jiang Lan also smiled and touched the little guy, as if to make sure whether he was thin or not these days when they left."Mom and Dad, you are back! I miss you so much. " Xing Yinuo, with a small mouth, immediately went to take her mother's arm, with childish attachment, and her face was close to her mother's arm, with a special look of grievance.

"What's the matter? Didn't you stay well at Wen's? " Jiang LAN fondly pinches her little face.

Xing Yinuo really can't speak ill of the Wen family, because her uncle and aunt are so nice to her that they are more comfortable and comfortable than at home, but what she wants to complain about is that she really doesn't want to be stared at by Wen Liangyao for more than ten hours a day to do her homework!

She is not free at all.

Xing liehan wants to take the little guy back from his father's arms with a smile. He's afraid that his son is too heavy, which makes him tired.

Xing Zhengting refused to give it to him, holding the little guy's hand, while Tang Siyu called out with a smile, "uncle, aunt, you are back."

"Siyu, we'll come back in time to prepare the wedding for you. No, we'll come back ahead of time." Jiang LAN laughs. She will get a daughter-in-law soon. What's more important than this!

In addition to Tang Siyu's family background and experience, they will never be ambiguous in this wedding. They must hold a grand wedding for their son and daughter-in-law, and never wronged Tang Siyu.

Tang Siyu's pretty face is slightly shy. He looks up at Xing liehan. Xing liehan's eyes are also looking at her. There is a look of expectation in those eyes.

When the parents return home, the little guy has a commitment. Then, he has a lot of time to communicate with her.

Chapter 412

Tang Siyu touched his eyes and read his mind. The blush on his face was more obvious. Fortunately, we didn't find it. The focus was on the little guy!

As soon as he got on the bus, Xing liehan received a phone call. His face was slightly solemn and tense. "OK, I'll be right here."

Tang Siyu looked at him worried. "What's the matter?"

"There's something wrong with one business. I have to go back to the company. Please accompany my parents and son back to wait for me." Xing liehan said to her.

Tang Siyu knew that she could not help him in this respect. She nodded, "OK, you can do it at ease! I'll take care of my son. "

Xing liehan's father said a word, and he drove away alone. Tang Siyu looked at the car he was rushing away from. He was worried. Did he have a big problem in his hurry to leave?

Tang Siyu goes back to Xing's house and talks with her about the details of the wedding carefully. She doesn't have any requirements, but Jiang LAN hopes that everything will be the best. Tang Siyu can feel the importance they attach to the wedding, which makes her very moved.

For dinner, Xing liehan called back. He didn't need to come back for dinner at night. He asked them to eat first. Tang Siyu felt a little uneasy. Moreover, she also saw that Xing Zhengzheng also made some phone calls. It should be the company's business.

At 9:30 in the evening, the little guy went to bed with Xing Yinuo. Xing Yinuo took him with him and fell asleep at 9:30. Jiang Lan said to her, "let's go! You also go back to rest. Don't worry too much. Liehan should come back soon. "

"Well! OK, I'll go back first. " Tang Siyu nodded.

She drove out of the door. She wanted to go back to the company, but thought of Xing liehan. She was still worried. There was a phone call from Han Yang on her mobile phone. She got through directly.

"Hello, Miss Tang?" Han Yang asks.

"Han Yang, where are you now? Is there anything wrong with the company? "

"There is an order with serious batch leakage, and Mr. Xing is now negotiating with the customer about it."

"Where are you?"

"On the side of Century Hotel, Miss Tang, would you like to come here?" Han Yang asked.

Tang Siyu was not at ease. Now she knows Xing liehan is there. Of course, she wants to go there. She should say, "I'll come here! But don't tell liehan that I'm here. "

"Miss Tang, it's late. Do you really want to come here?" Han Yang was worried.

"I'll come here." Tang Siyu firmly replied that after hanging up her mobile phone, her car turned around and headed for the city center.

Tang Siyu arrived at the hotel at 10:30. Han Yang was worried about her, so he met her at the door of the hotel. Tang Siyu asked him to go up and watch Xing liehan. She was waiting in the lobby.

"Do you know how they are talking?"

"I'm not sure. Only Xing and the two customer executives are talking about it. However, they have sent in drinks several times. I think those customers can drink. Maybe Xing is accompanying them to drink."

When Tang Siyu heard this, her heart strings tightened. She didn't know Xing liehan's alcohol consumption. She worried, "how about his alcohol consumption?"

"Do you mean Mr. Xing? His drinking capacity is very good, but he has been drinking less recently, and he is not very clear. " Han Yang is also worried.

Tang Siyu looks at the time on the wristwatch. It's nearly eleven o'clock. He doesn't know when he will accompany the two customers. She is waiting in the lobby, worried.

"Miss Tang, I'll go up and have a look first. If you have any news, I'll call you."

"Good! You go! " Tang Siyu hurriedly urged him to go up, and Han Yang went to the direction of the elevator.

When Han Yang came up, he saw two customers with Xing liehan coming out. They were sitting on the sofa next to them. They were obviously drunk. Their assistant was helping them to leave. Han Yang and them gestured, and he pushed the door into their dining room.

I saw Xing liehan sitting alone in the room, his hands on his forehead, as if he was very tired.

"How are you, Mr. Xing?" Han Yang smelled the strong wine smell coming out of him.

Xing lie breathed a sigh and raised his head. His long and narrow eyes were full of blood. He pulled his tie and hooked his lips. "It's finally solved."

"Mr. Xing, let me help you up! It's time we went back. " Han Yang finished and reached out to help him.

Xing liehan stands up with his hands on the table top and his figure shakes. Han Yang holds him up. Xing liehan carries him out because he is really drunk.

"These people are so good at drinking. Next time, we need to call those who can drink in our company." Xing liehan said with some chagrin.

Han Yang is now only looking at the drunk Xing liehan, but he forgot to inform Tang Siyu.

Tang Siyu is waiting for the elevator in the hall. She first sees the elevator coming down. Two foreign men in their early 40s are supported by two men. They are both drunk. Tang Siyu's heart is directly held in his throat. Are they Xing liehan's customers? They are all drunk like this. What about him?

Tang Siyu's heart ached to the extreme, and just then, she saw the number of the elevator changing, from the eighth floor to the first floor, watching the number 1 stop, she stared at the elevator door tightly.

The door opened.

Inside, Han Yang stands a man, who is not Xing liehan? His tie was loose around his neck and slightly drooped, as if he was drunk.

When Han Yang saw Tang Siyu at the elevator entrance, he suddenly called out, "Miss Tang..."

When Xing liehan heard his voice, he immediately raised his head. His red eyes collided with Tang Siyu's worried eyes.

Tang Siyu's eyes were red. What did the man drink like? Xing liehan saw that it was Tang Siyu. He immediately pushed away Han Yang, stood upright, raised a smile, and said, "Why are you here?"

With that, Xing Lihan stepped forward and wanted to walk towards her, but he just walked two steps, shaking his body. He clattered to Tang Siyu's face. Tang Siyu quickly reached out and hugged his waist, and Xing Lihan also hugged her tightly.

"Let's go home." Tang Siyu holds his waist, the voice line is a little hoarse, the ridge in her throat is a little uncomfortable, and she wants to cry with heartache.

She had always seen him look magnificent and extraordinary. She had seen his confident and calm side, but rarely had he been so tired.

Although Xing liehan is tired and drunk, at the moment, his mood is surprisingly good. He smiles as simple as a child, "OK! Go home! "

Chapter 413

There was a charming smile in his voice. Tang Siyu helped him to go out. He tried to stand up as straight as he could and didn't burden her. Han Yang on one side followed him carefully for fear that he would fall down.

Fortunately, Xing liehan's steps are still steady, and his sense is online. He said to Hanyang, "you drive us back."

"OK!" Han Yang nodded.

The security guard has driven their car to the door of the hotel. It's a black car. Tang Siyu helps Xing liehan to sit in the back seat. Han Yang drives the car towards their villa.

Tang Siyu holds Xing liehan's head and lets him rest on her shoulder. Xing liehan reaches for her shoulder and puts his forehead on her shoulder. He asks stiffly, "when did you come? Why don't you tell me? "

"I'm afraid you're coming, only for a while." Tang Siyu answered him seriously. He could smell strong wine in his breath.

"How much did you drink?" Tang Siyu asked softly.

"A lot." Xing liehan also told the truth.

This sentence made Tang Siyu's heart ache for a while. She combed his hair lightly and scolded him, "why drink so much wine?"

"They are too good to drink." Xing liehan raises her eyes, a pair of eyes full of intoxicating light. The stars are shining, more brilliant and charming.

"Take a rest and you'll be home soon." Tang Siyu said that he wanted to rest on his shoulder. Unexpectedly, a breath of heat came from his ear, and Xing liehan's thin lips nibbled under her earlobe.

Tang Siyu's heart strings immediately tightened. Han Yang is still driving ahead!

However, Xing liehan's long arm suddenly stretched forward and pulled down the isolation baffle, turning the back seat into a private space. Tang Siyu's face was reddened. The man made it so obvious that Han Yang knew more about what they were doing?

Han Yang in front of him is driving more dangerous than before. Besides staring at the front, he dare not look in the rearview mirror more.

In the rear compartment behind him, this just pulled down the baffle. Xing liehan was very good. The later it was, the less traffic on the road. Han Yang took a shorter time than usual to arrive at the villa community. Next, he drove all the way back to Xing liehan's villa and felt the light coming on again.

In an instant, the lights of the whole villa were dazzling. Tang Siyu made the hair and clothes disordered by Xing liehan. She gently coaxed the man who was arching around in her arms, "liehan, home, let's get off!"

Han Yang, sitting in the driver's seat, dare not drive around. As a man, he certainly knows what's going on in the back seat. For the first time, he knows that Xing is such a crazy man!

Xing lie's mouth curled. "Are you home?"

"Here you are, I'll help you out." Tang Siyu helps him get out of the car. Xing liehan seems to wake up a little bit drunk. He stops and says to Hanyang in the driver's seat, "don't disturb me if you have nothing to do tomorrow morning."

"OK! President Xing. " Han Yang hurriedly responded and turned around and drove out of the door, like running away.

As soon as Han Yang's car left, Xing liehan turned around and hugged the woman beside him, burying his face in her neck, and praised, "you are so sweet."

Tang Siyu has no choice but to drink. He didn't do much wrong in the car just now. Now what he wants to do, she can figure out with her hair.

Tang Siyu held him by the waist. "Go home, take a bath and have a good rest!"

"I'm not drunk. I'm in good spirits!" Xing lie and Han Mingming are protesting with drunk voice.

"Well, I know you're not drunk. Shall we go into the hall?" Tang Siyu coaxes him, a drunk man, more like a child.

"Well! Obey my wife's orders, "Xing liehan raised his mouth and laughed a little badly.

Tang Siyu walks into the hall with him, and the voice control lamp lights up immediately. Xing liehan's eyes are slightly narrowed, and the light stabs his eyes.

Tang Siyu found the remote control, dimmed the light, and said to him, "do you want to go back to the room?"

"Well, go to my room." Xing liehan said, looking at her with burning eyes, "tonight, sleep in my bed."

Tang Siyu was flustered by his eyes, and the drunk man was still so terrible. She swallowed her saliva and nodded, "OK!"

Xing strong cold from her to support the upstairs, all the way to his room, Tang Siyu smelled the wine on his body is very strong, she advised, "to take a bath, OK? Wash the smell of your wine. "

"Don't you like it? OK, I'll wash it off. " Although Xing liehan is drunk, she cares about her feelings for the first time.

"Can you do it? Will you fall down? " Tang Siyu is not sure to let him go into the bathroom alone, but he can't stand stably, and there is water and slippery in the bathroom. What if he falls?

"Yes! You come in and wash with me. " Xing liehan can rely on her at this time, and he wants her to do it with him.

Tang Siyu is a little shy. To be honest, she is ready tonight, but she still can't be so natural."Good." She replied in a low voice.

Xing liehan reached for her and went into the bathroom. He sat on the edge of the bathtub with a smile on his lips. His long fingers picked out the buttons and looked at Tang Siyu with charming eyes.

Don Siyu said to him, "wash the bathtub?"

"Well!" Xing lie nodded.

Tang Siyu came to him and opened the water tap to let the water go. Xing liehan suddenly did not take off. He looked up and said to her, "help me."

Tang Siyu bit his lips, but didn't refuse. Her thin jade fingers gently touched the third button on his chest and squatted down to untie it for him.

Chapter 414

Xing liehan's eyes have been staring at her deeply and ardently. It seems that some kind of fire light is burning in his eyes, which is too hot to touch.

Tang Siyu 's delicate fingertips are all suffused with a trace of pink. She has never had the feeling that her heart beats so fast that she wants to jump out of the heart. In this world, only this man can make her feel like this.

After undoing the last button, the man's strong upper body was so close to his eyes. She bit her lips, but she didn't wake up. The man's command came again, "go on."

What are you going to do? Naturally, he has the rest of his clothes. Tang Siyu is extremely ashamed. Now the water in the bathtub is half filled, so she has to help him. Anyway, he's not very stable at the moment. It's not good if he falls!

When Tang Siyu was trying to untie his belt buckle, she ran into a problem. She didn't know how to untie the man's belt, so she fumbled for a long time and didn't find a place. The man's deep laughter came from her head. There was a trace of satisfaction in the laughter.

She doesn't know! Prove that she never untied the belt for another man.

"Stop laughing and tell me how to untie it." Don Siyu looks up at him.

Xing liehan listened to this sentence, and suddenly some of them broke, "so want to untie?"

Don Siyu looked at him speechlessly. "Do you want me to untie it?"

"Yes!" Xing liehan answers very simply. He just presses it lightly and unlocks it. Tang Siyu is allowed to complete the next action. Tang Siyu just peels him clean.

Tang Siyu, with his back on his back, listened to the man sitting in the bathtub behind him. She continued, "wash first! I'll be back in a minute. "

After that, she wanted to leave. However, she stood close to the bathtub. The man suddenly grabbed her wrist and pulled it slightly. Tang Siyu's body was so unbalanced. She fell into the bathtub in a moment.

Full of water, over her chest, directly wet her clothes, and her whole body is also firmly seated on the man, he has nothing to wear.

Tang Siyu did not shout out a cry, pretty face has been red, what kind of man is this going to make?

"Wash with me." With that, it's his turn to take off. Tang Siyu grabs his clothes and refuses to let him do it.

Xing liehan, however, is stubborn in holding her. He is very skilled in his work. After a while, Tang Siyu can't stop him. He is so calm.

In this bath, Tang Siyu would be crazy to wash, but fortunately, nothing happened in the bathtub. If something had to happen, it must be the man who had to bathe her.

It's embarrassing.

Tang Siyu, the two people who have bathed, is ready to come out around the bath towel, but she can't leave him when she thinks of a drunk man around her. Xing liehan also surrounds her symbolically with the bath towel, but it's obvious that there is no need to surround.

"That Go to sleep! " Tang Siyu reaches out to help him.

"Well, sleep!" Xing liehan answers.

As soon as Tang Siyu heard this, he was willing to go to bed, which was too much for her. She was secretly happy that she could spend the night safely.

Just before she got to bed, the smile of the man's eyes was full-bodied. Tang Siyu didn't react. The next second, the heaven and the earth overlapped. She said hurriedly, "didn't you say you were asleep?"

"Yes, I'll sleep with you tonight You are mine... " This sentence, the man said very firmly.

She's not allowed to run away. Tonight, she's his.

The man with half consciousness dominated by alcohol can't count on how rational he is. That's something that hasn't been broken through all the time. Tonight, men are bound to get it.

Tang Siyu's brain is blank for a few seconds. The intense pain almost makes her faint, makes her tear in the corner of her eyes, and the memory buried in the bottom of her heart is strongly aroused. Although the man's reason is out of control, the subsequent kiss has been gentle as water, as if it is still under strong restraint

In the end, the man is still crazy. Tang Siyu's head is blank. At last, it seems that he burst a brilliant light

The air is filled with a layer of feimi breath, with a wave of upsurge, long lasting.

Tang Siyu's sweaty body is pulled into the man's strong chest by the bully, and his breath is sprinkled on her ear, clinging to sleep.

Tang Siyu was so tired that she didn't even bother to open her eyes. She smelled the familiar masculinity around her and went to sleep safely.

Xing liehan has never had satisfaction and peace of mind, his handsome face is also scattered with a flush. At the moment, he is not sleepy, but sober, and his wine also evaporated in the just sprinkling. His heart at the moment is only the woman in his arms, and he loves everything she just suffered.

He kissed her gently on the side of her sleeping face, and arranged her sweaty sideburns and fine hair. A small white and pitiful face was full of intense tiredness. Xing liehan's mouth made a smile and lowered his head. He touched her red lips twice.

Although he was drunk just now, he felt how sweet she was. Must have a violent exercise, Xing liehan infected with the sleepiness of Tang Siyu, half an hour later, also slowly sleep.

Early in the morning, the sun kissed from the window. The sunshine in early spring and March is warm and joyful.

Tang Siyu's black hair spread out behind her head, which made the strawberry marks on her neck row out in a shocking way. It was smashed tightly, as if she had contracted some disease. However, only the man knew that this was the result of last night's war.

Tang Siyu's long eyelashes blinked slightly, and he opened them quietly. Beside him, the man's elbow supported his face on one side. He did not know how long he had been awake or how long he had seen her. Tang Siyu did not panic and touched his smiling and affectionate eyes. She blinked shamefully, then raised his neck and buried it in his chest.

Under the quilt, there was no body. Xing liehan couldn't help making a groan, and his eyes suddenly caught a dark light. But he knew that she couldn't stand it. He could only forbear, and said in a hoarse voice, "do you want to get up and take a bath together?"

Tang Siyu nodded in his arms, Xing liehan stroked her back and asked, "did it hurt last night?"

Of course, it hurts! Although not for the first time, but also after six years, but she did not want to give him pressure, she is still buried in his arms, "not too painful."

Xing liehan seemed to hear that she was lying to him. He kissed her in her hair. "My husband's fault."

Tang Siyu had a sweet heart. Last night, he was drunk and called her a wife. She liked him to call each other that way.

Chapter 415

After taking a bath, Tang Siyu sits on the sofa. Her long hair has just been blown dry. Her amorous feelings are scattered behind her head. Her white and soft linen dress makes her sit under the sun. She is as beautiful as a fairy who does not eat fireworks or a holy saint.

Xing liehan stepped out of the cloakroom in a suit and shoes. Looking at her at the moment, she stayed for a few seconds. There was a gentle tenderness in her eyes.

Tang Siyu saw him coming and dressed in formal clothes. She knew that he was going to the company.

"Come back early in the evening." Tang Siyu stood up, knowing that his dress was very neat, but he was still like a little daughter-in-law. He straightened his tie, smoothed his suit, looked at him for a few seconds, and his eyes showed some sense of pride.

Xing liehan holds her face in his hands, and snatches it in a hot morning and night. Tang Siyu caters to him obediently and pushes him away with a faint blush. "Go to the company!"

Xing liehan is reluctant to leave. If it's not for the company's business, he really wants to stay at home and accompany her for a day. He doesn't go anywhere.

"I'll take you to my parents' house for breakfast." Xing liehan leads her downstairs.

"No, I'll cook some at home today! No way. " Tang Siyu said shyly.

"What's the matter?" Xing liehan turns to look at her for fear that she and her family may have some disagreements.

Where is Tang Siyu responsible for this? She couldn't help but cover her neck and say, "I dare not see you."

Xing liehan found that the kissing mark on her neck was too conspicuous. He painfully grabbed her hand and looked at her delicate skin, which was full of his rude marks. He blamed himself.

"I'm sorry..."

"No pain, just It's not easy to meet people. " Don Siyu can't blame himself.

Tang Siyu asked Suxi to come out to get together. When Suxi had time, the two sisters could get together. Xing liehan saw her company, so he sent her directly to Wen lichen's home. He went directly to the company to deal with the work.

Tang Siyu's neck was covered with a silk scarf. He went out with Suxi. Maybe it was near the eve of marriage! Susie's heart was a little restless, a little bit of premarital panic.

"At noon, we'll go out to eat. I'll treat you to a big meal."

"Good." Tang Siyu agreed that he would like to go if he had a meal.

Tianmu Entertainment International is very majestic and spectacular in the center of the city. Wen lichen is taking care of his later work. He will spare two months to stay away from work and only accompany his bride.

At ten o'clock in the morning, the staff came and went, and there were many elegant and tall artists walking among them. At the front door, a striking white figure stepped in. She was wearing a long milk white dress, sunglasses, thick long curly hair scattered behind her head. With the step of high-heeled shoes under her feet, it was a breath A woman of high quality.

She seemed to be no stranger here. She walked to the front desk and said to a woman, "Hello, please take me to President Wen."

"Hello, miss. Do you have an appointment?"

"I'm with his friend and don't need an appointment."

"What's your name, then." The front desk lady dare not neglect, because the woman in front of her is not an ordinary entertainer.

"My name is Wendy."

"OK, I'll let you know later." The receptionist pulled the inside line aside and asked Wen lichen for help.

The receptionist's face was smiling. After hearing the reply, she was stunned with a smile. Then she replied, "OK!"

With that, she said to the elegant woman ahead, "I'm sorry, Miss Wen, we are always very busy, he may not have time to see you, oh! Your surname is Wen. Are you a relative of President Wen? "

Wendy's face suddenly changed, and she said firmly, "No."

The receptionist, startled at once, apologized, "I'm sorry, I said something wrong."

Wendai's eyes flashed a touch of loss and frustration. He didn't answer the phone or see her. Did he forget her when he had a new love? As expected, most men are merciless.

Wendy didn't want to leave. She looked at the next elevator. She said to the front desk lady, "please take me to his office building."

"Excuse me, Miss Wen This is not in line with the rules of the company. " The receptionist was in a quandary at once.

Wendy smiled. "Didn't you just ask me if I was always related to you? Yes, we are relatives. I'm his cousin. Take me up and I'll bear the consequences. "

"You Are you really Mr. Wen's relative? "

"Yes!" Wendy nodded, very naturally.

The front desk lady dare not neglect. She can't afford to offend the people of Wen family. She swipes her card into the elevator and takes Wendai upstairs.

Wen lichen was communicating with several senior executives about the development direction in the second half of the year, when Wang Rui, his assistant, knocked at the door and said, "President Wen, you have guests to look for."

Wenlichen's eyes narrowed slightly. Behind him, someone pushed the door directly in and saw the person coming. Wenlichen said to some of his subordinates, "continue in the afternoon. Go back to work first!" Several high-level look back to see Wen lichen has a charming guest to come, then get up and leave wisely, Wen Dai's eyes smile to look over, "long time no see."

Wen lichen stood up. "Why are you here?"

"You are busy! I'll come myself. " Wendai said as she walked over and looked at his office. Suddenly, she saw something. She went to his desk with a smile and stroked a jasper pencil holder. "What I sent you is still in use!"

Wen lichen was slightly shocked. He seldom worked here before, and as long as the things on the desk were not broken, they were not thrown away, which was meaningless.

"What do you want?" Wen lichen went to his position and asked in a low voice.

"My dad got your father's wedding invitation card. I'll come to your wedding instead of him." Wendy's eyes looked at him quietly. "Congratulations, cousin."

Wen lichen sat down. "Even if you come to my wedding, I'm very welcome."

"Otherwise? What do you think I'm here for? Did I make trouble? If we are not separated, your bride will not be her. " Wendai looked at him regretfully and sadly, and said firmly, "it's me."

Wen lichen's eyes calmly looked at her and responded to her words, "I don't need to talk about the past, and it's meaningless to talk about it."

Wendai bit her lips, some bitterness of resentment came out, "why am I named Wen? We have no blood relationship at all. Why can't we be together again? "

"If you're going to my wedding in this mood, I hope you'll go back!" Wen lichen opened his mouth coldly, which meant to leave.

Wendai looked up at him and gave a smile. "What are you afraid of? I'm afraid I'll ruin your wedding? I'm afraid that I can't get on the stage, and my shameless ex girlfriend will make trouble for you? "

"Wendy." Wen lichen drinks lightly.

Chapter 416

Wen and Dai, shouting out from Wen lichen's mouth, already had a warning meaning.

Wendai's face changed a little, and she raised her lips and smiled, "I've seen your fiancée, but she's a little more beautiful. Except for her beauty, her character is not so good."

"You don't know her at all. Don't judge her in vain."

Wendai picked up the white jade pen holder, stroked it tenderly and said, "how do you know her? As far as I know, you don't seem to have been in touch for more than a year! Are you bewildered by her looks? "

Wen lichen frowned. "If you want to come to my wedding, I welcome you. If you come to destroy my beloved woman, please leave."

Wendai heard him say that she loved a woman, and her heart tightened for a while. "Li Chen, I didn't hinder your happiness. I just hope you can recognize her as a person. She is an artist, and how chaotic her private life is. You should know better than me. You said before that you would never find a woman in your company to marry and have children. Now you even..."

"She's different." Wen Li Chen's voice firmly interrupted her.

Wendai looked at him in a daze, and she said softly, "it seems that you can't hear what I'm talking about now! Because she's in your heart. "

Wendai put down the jade tube, looked up at the handsome and excellent man on the boss's chair, and crossed a line of imperceptible obsession and unwillingness.

"Then tell her, you and my past? Does she know that I exist? "

Wen lichen's face changed slightly and he didn't speak.

"Also, it's better that we don't talk about our past. Our cousins have been in love, and they just make people laugh, don't they?" With that, Wendai retorted a little unwillingly.

Wenlichen didn't want to listen any more. He stood up and looked at Wendai with deep eyes. "If you just come here and say that, you can leave now."

Wendai bit her lip, picked up the bag, and she turned around a little unwillingly. "I think you should consider marrying her. You are suitable for a better woman."

"I will never marry another woman except her in this life." Behind him, Wen lichen's voice was loud.

Wendy's eyes flashed a little annoyance. "Well, don't worry, I won't make your wedding. I'm just your guest."

But, finish saying this words, Wendai extremely unwilling to leave.

Wen Li Chen's eyes darkened for a few seconds, and he pressed the internal phone, "after that, don't let her come up to me again."

"OK! I'll give it to the front desk. " Wang Rui's voice answered.

Wendai is wenlichen's ex girlfriend. It happened four years ago. It was quite dramatic. When Wendai and wenlichen went home to see their parents, they were very surprised when they heard her father's name. In fact, Wendai's father was their cousin who had been separated for many years. It is close to three generations of consanguinity, but Wendai has not recognized their relationship. The consanguinity is very far away. Wendai's grandfather and wenlichen's grandfather are cousins. However, in their twenties, the business of the family is different, they set up their own families and lost their ties for a long time.

It wasn't until Wendai's appearance that she said her father's name that the two brothers met again nearly 30 years later. With this relationship, the two old Wens naturally opposed their being together. At that moment, wenlichen stopped feeling for Wendai and changed his identity into her cousin.

Wendai was sad for a long time. At last, under the pressure of her father, she had to give up her love for wenlichen. The elders of the two families were preventing this relationship. After suffering for a while, Wendai went around the world and forgot wenlichen. After Wendai came back, she broke up peacefully with wenlichen.

In the past three years, wenlichen and she have not been in touch until he proposed to sushi. She saw in the video that the devout one knelt down and wenlichen proposed to a woman appeared in her eyes.

When she returned home, she came to see the girl wenlichen married. Maybe she was not willing to give up her feelings. Naturally, Wendai had no good feelings for sushi.

Last time, with the bag snatching incident, she felt that Wen lichen deserved better than a girl like sushi.

Maybe Wendai didn't find out that no matter which woman wenlichen finally married, she would not like it, because if that woman was not her, she would have complaints.

But she couldn't find it and couldn't think of it at all.

Wen lichen was sitting alone in the office, rubbing his eyebrows lightly with his big hands. He saw the white jade pen holder. He reached out and pressed the inner line. "Come in for a moment."

Wang Rui came in. "Mr. Wen, would you like to see me?"

Wen lichen hands the pen holder to him, "here you are, take it to use!"

Wang Rui looks at him in surprise. "Here Isn't that what Mr. Wen has been using? "

"No need now. Give me your pen holder." There was no emotion in Wen lichen's eyes. He was so indifferent that he could not see through. "OK." Wang Rui didn't dare to ask more, but he thought, is it related to the lady who came in to find him just now?

Suxi and don Siyu are walking in a park in the center of the city. Suxi's wedding dress has been determined. It's being made by dozens of people by hand. It's a manuscript that hasn't been finished yet. But in order to catch up with her wedding, the wedding dress is already being made.

Tang Siyu and the wedding dress were given to Jiang Shan, Xing liehan's little aunt. She didn't have to worry about it. She also believed that the wedding dress would be brilliant.

"There are twenty days left. It's fast. It's almost there in a flash. I have to remember the time." Susie's face was wistful.

"Be your happy bride at ease! See how much wenlichen loves you! " Tang Siyu said with a smile.

"As if Xing liehan didn't love you." Susie hit back and made fun of her.

The two sisters are similar with a smile and the happiness in their eyes.

"We all want happiness." Tang Siyu looks at sushi and gets serious.

Suzy didn't joke either. She replied earnestly, "yes, we will be happy."

A news spread in the financial sector, Xingyan's company once again put out a merger intention to a company, and that company is also considering a response, this matter spread to Murphy's ear, which worried him.

It seems that he can't wait for that matter. Now Xing Yan holds 80% of his company's equity. This is the best time to acquire. If his company is bound to another company, it will be more troublesome.

Chapter 417

Xing Yan is divorced at the moment. He is light. Besides, recently, he has led his most relaxed and free single life. The women around him have never stopped. But what makes him the most successful is playing with Tang Yiyi, Qiu Lin's favorite daughter, probably as a man, who has some idea of changing his status.

Even though he would make the women pretend to struggle, there was no stimulation from Tang Yiyi. Xing Yan later wanted to threaten Tang Yiyi again and play for him several times.

However, Tang Yiyi can't be found. He doesn't know where to hide. When Xing Yan sees Qiu Lin's end, he doesn't worry about playing with Tang Yiyi at all. What else will happen.

It's just a helpless, stupid and stupid girl. He likes the way Tang Yiyi used to approach him when he had nothing to do and call his father. Xing Yan was called crisp by Tang Yiyi's cries at that time.

Now that he finally got his hand, he was happy enough.

However, Xingyan did not know how, there is a big trouble waiting for him.

Murphy soon came to the door. He still found Xingyan's company. Xingyan heard that Murphy had made an appointment to see him. He was not surprised. He and Murphy only knew each other at some wine parties. Apart from greeting each other, he was still very strange to Murphy.

However, mufei is definitely a young man worth knowing and making friends with.

Xing Yan then let the assistant say, "let him come up."

After a while, Murphy appeared in his office. Looking at Xing Yan's face, Murphy thought of what he had done to Tang Yiyi. He was still very angry and angry. Tang Yiyi was his ex girlfriend. When he saw those pictures, he felt pity even if he didn't feel hurt.

"Mr. mu, how can you come to me when you have time? What a pleasure! " Xing Yan comes up and talks.

Murphy chuckled, "if you don't want to go to the three treasures hall, I'll find Mr. Xing."

Xing Yan laughs, "I welcome Mu to come to me. No matter what it is, it's not a bad thing."

"Not necessarily." Murphy smiled a little complicated.

Xingyan immediately sensed that there were some interesting things in Murphy's words. "Murphy, let's talk straight! And let me know what you mean. "

With that, Xing Yan points to his sofa and asks mufei to sit down.

Mufei looks at Xingyan's face and suddenly punches it. Xingyan doesn't expect this move. He immediately covers the beaten face and looks at him angrily. "Mufei, what do you want to do?"

"Then ask what you did to my girlfriend first!" Murphy laughed angrily. In order to achieve his goal, he had to introduce Tang Yiyi as his girlfriend.

"You Your girlfriend? " Xing Yan is stunned. When did he play with mufei's girlfriend?

Mufei has several photos in his hand. He takes them out of his pocket and throws them in front of him. "Xingyan, take a good look at them. Are you still human? You are a beast at all. No, you are not as good as a beast. "

Xing yandingqing takes a look at the photo, and in a moment, her soul flies out. How can it be? Are these pictures of him?

"You Where did you get this? What do you want to do? " Xing Yan's face is white and red, which is very ugly.

Murphy sneered, "what don't you want to do? I just want to conduct justice for my girlfriend. Xing Yan and Qiu Lin marry you anyway. You even try to force J's daughter. Can you bear the charge?"

"I I don't have it. It's Tang Yiyi's voluntary. She's voluntary. " If ordinary people come to him to count this kind of thing, he must settle it immediately. But now Tang Yi depends on mufei. Mufei has more money than him, and he is not satisfied.

So he felt a fear.

"It's just a picture. I have a complete version of what you have done to her. Do you think the pictures in it will be her voluntary?" Murphy said coldly, "it's enough for you to stay in jail until you die."

Xing Yan hurriedly put away the photos and tore them nervously and threw them into the garbage can. He said calmly, "that is to say, Mr. Mu came to see me. He certainly didn't plan to do that, right! Why don't you come up with a way? How about we solve it peacefully? "

Murphy didn't want to talk to him. He said directly, "cancel the merger intention of your company, and voluntarily let our company purchase and let me hold 60% of your company's shares. There is no way to solve this problem."

Xing Yan immediately Yan, he knew that Murphy's request is not simple, and now, it is his company to give way.

"You It's impossible. I founded the company. How can I give it to you? " Xing Yan is biting his teeth, but he doesn't agree. Besides, he still has a son, and he wants his son to inherit the company.

"Yes! You can disagree, then you must spend the rest of your life in prison. You can rest assured that I have the ability. Maybe you have a bad plot, even the death penalty is possible. " Murphy gritted his teeth and threatened him.

Xingyan was already terrified when he had committed such a thing. When he heard the threat from mufei, Xingyan immediately collapsed. He was busy comforting him. "No, no, no, Mr. mufei, we still have to talk about this matter. We have to talk about it. I know it's my fault. I was drunk and painted the lake at that time." "You are awake! In the video, everything you do to Tang Yiyi is a crime committed when you are awake. You can't deny it. " Murphy sneers.

Xing Yan is miserable. At that time, Tang Yiyi was smart enough to record the video. Damn it, he actually committed the crime.

"I'll think about it. I'll think about it." Xingyan still refuses to let the company go.

"You have no room to think about it. If you don't give me an answer tomorrow morning, we'll see you in court tomorrow afternoon. I'll find the best lawyer to wait for you." Then Murphy got up and left.

Behind him, Xing Yan was so angry that he shook everything off the table and let out a roar. At this time, he was mad and exploded.

Mufei threatens him. Xingyan has never experienced such a threat in his life. Moreover, his life is about to be destroyed. The company he fortunately founded needs to be offered to others? Or someone who has nothing to do with him?

Of course he didn't like it.

"Tang Yiyi, this dead bitch! How dare you do this to me. " Xing Yan roared. His assistant dared not come in outside the door. He was shocked.

Xingyan's position is all disordered, and his mind is full of fear and uneasiness about this matter. You should know that at that time, he and Qiu Lin had not finished their divorce. Under such circumstances, his accusation is even worse. Then, in the case of trial, it must be the most serious.

Chapter 418

In the evening, in a dark room, the door was pressed. Tang Yiyi, who was stupefied sitting on the sofa, was immediately frightened. Now any sound outside the door could make her tremble. She walked to the door step by step, looked at the cat's eyes, and saw that it was mufei.

She just breathed a sigh of relief and opened the door happily. Murphy stood at the door with fruit and her dinner. Tang Yiyi had been afraid for several days, and immediately jumped into his arms recklessly and hugged his waist.

"Murphy, you have come to see me at last." Tang Yiyi's happy tears came up.

Mufei's body was stiff, and he reached out and pushed her away. "I'll stop by and see you."

Tang Yiyi immediately realized that she was not qualified to love him. She hurriedly backed up a few steps to let Murphy in.

Murphy put her dinner and fruit on the table and looked at Tang Yiyi, who was becoming thinner and thinner. He was still worried about it. Before it was implemented, Tang Yiyi couldn't do anything.

Now, one of mufei's assistants is taking care of Tang Yiyi very patiently and carefully. However, Tang Yiyi is in a bad mood. She often sleeps at night and has nightmares. Therefore, her health is not very good.

Murphy put the dinner opposite her and said, "eat it!"

"Have you eaten?" Tang Yiyi asked him.

"I have." Murphy stood up and went to the balcony, where he would wait for her to finish.

Tang Yiyi looks at Murphy's tall and steady back in the sunset. Before, she felt that Murphy was surging up like a spring. Before, she had the qualification and identity to pursue him. Now, she has no qualification and identity.

Tang Yiyi really broke a good hand of cards. What happened recently forced her to grow up, mature and sensible. At the same time, she was full of resentment.

Tang Yiyi didn't have any appetite either. She opened the rice and saw that it was packed by five-star hotels, but she didn't have any appetite. She got up and walked out of the balcony and stood side by side with mufei. She looked into the distance and asked in a hoarse voice, "have you found Xing Yan?"

Murphy nodded. "Yes, his company is going to merge with others. I have to start first. I want him to give me an answer tomorrow morning."

Tang Yiyi's eyes flashed a hint of hate. "You must not let him get better. You take his company and leave him with nothing. I hate him."

Murphy looked at her thin yellow face. His eyes narrowed and he replied, "I won't let him get along."

"When will Tang Siyu and Xing liehan get married?" Tang Yiyi asked, staring at him.

"Soon, it's said that the Xing family is already making arrangements for the wedding in April." Murphy's eyes flashed a gloom.

Looking at the sunset in the distance, Tang Yiyi said in a very vicious voice, "I curse them for not dying well, for their marriage is broken, and they are not happy all their lives. It is better to have a mishap and go to hell."

Murphy's face sank slightly. He corrected coldly. "You can curse Xing liehan, but don't curse Tang Siyu."

Tang Yiyi's face changed. She looked up at mufei with resentment. "Do you think Tang Siyu will come back to you? She is going to marry Xing liehan. She has forgotten you for a long time. "

Murphy looked at the distance as if he was immersed in memories. His eyes were cold. "I promised her that I would make her happy all her life. Even if I could not live with her forever, I would protect her for life."

Tang Yiyi's eyes gushed out of unhappiness and jealousy, and resentment. She was silent, but in her heart, she continued her curse and added another one. She cursed that mufei would never get Tang Siyu, and Tang Siyu would never fall in love with mufei again.

Xing Lihan rushes home as early as possible to catch up with the steaming and rich dinner. Tang Siyu is accompanying his son to clean up his toys on the second floor. Because there are so many toys, Tang Siyu is teaching him how to sort them out and form a good habit of cherishing things.

"Daddy..." The little guy was the first to see the man coming in outside the door. He threw down his fear and ran over.

Tang Siyu after last night and his negative distance contact, in the face of this man, always let her think of last night's memories, face dark hair hot.

She looked up at the man behind her. She was handsome and straight. Even after working all day, she was still in high spirits and sexy.

At the moment, the man's eyes are sending out a kind of hook people's taste to look over, make Tang Siyu lightly touch an eye, then the shame of drooping eyes.

Xing liehan reached out and stroked the little guy's head, and said to him, "son, go wash your hands and eat."

"Well!" The little guy obeyed and went out. Tang Siyu got along with him in a hurry. Xing liehan's arm came back to him. Tang Siyu's face turned red, and he cried, "don't do this..."

Xing liehan opens his hand, and a small and delicate box is in his hand. Tang Siyu can't help but stay for a few seconds, and then he holds her after himself.

"A little present for you." Xing liehan leaned in her ear and said.

Tang Siyu picked up the small box and opened it, only to see a pair of exquisite diamond earrings inside, which were sparkling and charming, making people happy. Xing liehan looks at the smile on the corner of her mouth, and then he knows that she has given something to her. He reaches her ear and says, "if you like it, I will give you a gift every day."

"Good! No matter how small, I like them, and I don't have to send diamonds every day. " Tang Siyu is also willing to accept, as long as he has the will, she is willing to accept.

Xing liehan laughed, "what? Afraid to send poor me? "

Tang Siyu looked back at him and said, "I don't need expensive things as long as they are meaningful."

"Good! What will you send me back today? " Xing liehan immediately asked for it. Courtesy goes hand in hand!

Don Siyu shook his head. "I didn't prepare a gift."

"Then give me a kiss." Xing liehan reaches to her lips and asks for it before she agrees.

A kiss turned Tang Siyu's pretty face pink and pretty. The voice of the little guy sounded in the corridor. She immediately stepped back and opened the distance.

She didn't want the little guy to see their overly intimate side. The little guy put a little head in, "Daddy, mommy has dinner."

"Good! Let's go downstairs at once. " Tang Siyu finished saying, he went downstairs with the little guy first.

Xing liehan goes to Xing Yinuo's room and sees her holding a small face, facing Gao Gao's problem-solving problem.

"What's the matter? Can't do it? " Xing liehan enters with a smile.

"Brother, please help me! I really want to have a big head. " Xing Yinuo asked for help.

"Well, first, I'll teach you." Xinglie cold and warm judo.

Chapter 419

"Well!" Xing Yinuo nods happily.

After dinner, Xing liehan stayed to instruct Xing Yinuo until ten o'clock. Tang Siyu was waiting for him in the side hall. The little guy went to sleep with his grandparents.

At about 10 o'clock in the evening, the whole villa was quiet. Xing liehan took Tang Siyu's hand, sat in the car and drove to their villa.

Entering the hall, there were only two people. Tang Siyu felt a little tense. She said to Xing lie, "I took the medicine."

"Well?" Xing liehan immediately looked at her in surprise.

"Last night." Said Tang Siyu.

Xing liehan immediately understood. He looked at him with some remorse and heartache. "I can't take more of this medicine. I will prepare something."

Tang Siyu chuckled. "It doesn't matter if you eat it once. You should pay attention later."

Xing liehan looks down at the time. It's already half past ten. He is thinking about something.

Tang Siyu saw through him. She covered her mouth and laughed, "you don't want to buy now!"

Xing liehan really had such an idea, but he thought that he had just touched her last night. He was afraid that she could not stand it, so he sighed, "forget it, tomorrow!"

Tang Siyu is reasonable to say, "you go! I'll wait for you. "

Xing lie's eyes flashed with surprise. He bent down and hugged Tang Siyu. He was excited and turned around. Tang Siyu was also amused by his childish excitement.

Xing liehan gently put her on the sofa and kissed her on her red lips. "OK, I'll be back right away."

Tang Siyu let out a sound, then he saw his figure in a hurry.

This evening, as expected, it didn't disappoint the man. After such a long time of prohibition, he just fainted, how could he be suppressed?

However, in this sober state, everything becomes gentle without losing its proper measure, which makes Tang Siyu greatly improve this matter

In wenlichen's master bedroom, it's natural to be tender and affectionate.

After the rain stopped, Wen lichen looked at sushi, who was sleeping in his arms, and sighed softly. He still lied to her about something. Today, the appearance of Wendai worried him a little. Sushi's temperament is straight. She will be very angry once she thinks that he cheated her.

As before he conceals his identity, Wen lichen kisses her gently and calls out, "Hi, are you sleepy?"

"Well Sleepy, what's the matter? " Sushi's eyes were not open, but her lips were bent, and she replied coyly.

Wen lichen also knew how tired she was. He wanted to tell her, but seeing her so tired, he couldn't bear to disturb her to sleep. He smiled and said, "nothing, go to sleep! Tomorrow. "

Sushi listened to him. Instead, she opened a pair of butterfly like eyes and reflected the light clearly. She looked at him, "what can I insist on? Tell me! I'm listening! "

Wen lichen saw that she blinked a pair of bleary eyes, he painfully closed her forehead hair, deep tearing dumb way, "heathy, there is something I lied to you."

Susie's eyes slightly gaped, then narrowed, and she raised her chin lovingly to look at him. "What's the trick?"

"I had a girlfriend." Wenlichen still told the truth, saying that he was like a prisoner waiting for the trial, waiting for sushi to attack.

"Is it? What's the point? " Sushi asked with a smile askew, because she was so surprised that she did not know how to cross question, so she asked in a joking tone.

Wen lichen looked at her with astonishment and answered honestly, "not deep, just hand in hand."

"Really? You didn't cheat me this time! " Susie's heart was relieved. Fortunately, she didn't think so. Otherwise, she really didn't know what it was like.

"No." Wen replied earnestly, "aren't you angry?"

Susie lay down, went into his arms, and muttered, "I won't be angry to hit a million dollars in my card tomorrow morning."

Such a lovely way of coping, let Wen lichen slightly silly, with, he chuckled, "I'll give you 100 million."

Sushi stubbornly said, "no, just a million dollars. If you lie to me later, I'll ask you to increase the price."

Wen lichen stopped her red lips with a smile. "People are yours, everything about me is yours. You are the master."

Sushi hugged him. In fact, just now she was in a state of panic and jealousy. However, when she fell in love with someone, she would bow her head, and she also learned to bow her head.

"You are mine, all my life." Sushi hugged him, buried himself in his chest, the order of tyranny.

Wen was not angry to see her just now, but when he heard her, he found out that she was really jealous. He seriously attached her ear and said, "I am yours."

This night, sushi still slept very peacefully, but in her dream, she did a thing that she and a woman robbed Wen lichen. Finally, she snatched him as she wished, and the dream was also beautiful.

There are more than ten days left in the divorce period. In the countdown, after Wen lichen gets up, he goes to the company first. In the afternoon, he accompanies her to go to the wedding villa area for a stampede. Their wedding ceremony is held in a five-star Villa Hotel. The whole hotel is all inclusive at the same time. The banquet lasts for three days, which is very grand. Sushi also invited several well played sisters to be bridesmaids. She has six bridesmaids, and the other five invited female artists are very honored to come to her wedding.

At about ten o'clock, Suxi was turning over the sofa to look at the pattern of the hand salute. She heard footsteps outside the door. Suxi was stunned for a moment. Was wenlichen back?

Sushi put down the pamphlet and came out. As soon as he got to the gate, he saw a tall woman walking up the steps. Both women were shocked for a few seconds when their eyes touched.

Sushi was even more shocked, because the woman who came up was the one who met in the bag shop last time. How could it be so skillful? And why does she have the door code here?

Who is she?

Wendy was not surprised to see Susie here. She came to see her today. Just downstairs, she wanted to ring the doorbell, but she tried wenlichen's password. It hasn't changed in three years. It's the same string as before.

In fact, Wen lichen did not change the password, but had already let go of his previous feelings with her. Therefore, he didn't have anything to be prepared for, but he was calm. But in Wendai's eyes, does Wen lichen's practice mean that he still has old feelings for her?

Three years ago, nothing changed? Like the pen holder she sent, and the key of the villa, he kept it for her!

"Who are you? Why are you here? " Sushi took the lead in asking and looked at the woman again.

Wendy chuckled. "What? Didn't Li Chen mention me to you? "

Chapter 420

Sushi's heart suddenly tightened. She had an ominous premonition. Was the old post that Wen lichen said last night the woman in front of her eyes?

"No! You'd better introduce yourself! Otherwise, I might call the police. " Susie's tone was not very friendly either.

Wendai seemed to hear something funny. She snorted, "call the police? Get me? Miss Su is making a fuss! "

"I don't know you. This is my home. Is it wrong for me to call the police?" Suzy said seriously.

"All right! Let me introduce myself. My name is Wendai. It's Li Chen Ex girlfriend. " Wendai thought about it, but she still used this identity.

Sushi's heartstrings stretched, as expected, she guessed right. Although she was disappointed, Wen lichen's predecessor really existed, but her face did not show any jealousy.

"Even if it's your predecessor, I don't know what you're doing here." Susie said generously that she didn't mind.

Wendai was shocked, which was different from what she expected. She thought that her appearance would make sushi hostile, but unexpectedly, sushi was this calm expression.

"I'll talk to you."

"Oh! How do you like it? "

"What?" Wendai's eyes narrowed and some didn't respond.

"Well, I've been studying which one I've used for my companion's gift. I'm not sure about raising the flag. Li Chen is not at home. Just show me which one I'll use better." Sue smiled.

Wendai was stunned for a few seconds. She said with a stiff smile, "Miss Su's own business, make up her mind!"

Suzy nodded, as if agreeing with the sentence, "yes, it must be my wedding, I should make my own decision." With that, Susie blinked and laughed.

Wendy continued to ask the question, "don't you really know that I exist? Has Li Chen never told you about me? "

"Oh! He said it last night, but I didn't care. "

"You don't care?" Wendai thinks it's incredible, but it's also true that she is a little artist who can climb up to wenlichen's identity. How can she not bear such grievances?

"I don't care, as long as I'm his first woman, and he also made up for me!" Susie shrugged her shoulders.

Wendy was not guided by her words and asked curiously, "what does he compensate you for?"

"He just told me about your existence last night. I'm not very happy. I asked him to call me 100 million yuan for my card. He gave me money in the morning. I was also depressed." Susie answered her easily and naturally.

Wendai's eyes widened a little, "you You asked him for money? Is that how you let him compensate you? How could he like a woman like you? "

In Wendy's eyes, Susie has completely become a bad girl she can't identify with. She has poor moral character and is greedy for money and profit, which makes her worry about wenlichen's future.

Suzy got the secret of the woman before her eyes. She said confidently, "no matter what kind of person I am, he likes me!"

Wendai directly choked for a while. She had never seen such a shameless person before. She sneered, "are you too confident? With Li Chen I know, he can never like you like this. "

"Maybe you don't know him very well! So you don't know him enough. " When Susie knew last night that he and wenlichen had nothing to do with each other, the barrier passed.

Windy and unreasonable gas, sneer way, "I and his friendship is not deep? He and I also met their parents and almost got married. "

Su Xi's heart was strained. She was a little upset that she didn't ask Wen lichen for more information last night. She had to ask, "then why didn't you get married?"

Wendy choked again. For this reason, she really didn't want to tell Susie, so that she wouldn't be proud. She looked at Susie. "I didn't beat you. To be honest, I don't think you are worthy of Li Chen."

"Oh! Has the final say, he has the final say, he said I deserve it, do you think I am climbing him? No, he's after me. " Susie said confidently, and then she took a look at the time. "I'm not going to greet you. I've got to choose a companion."

Wendai stood at the door of the hall in embarrassment. "Isn't Li Chen at home?"

"He went out and came back this afternoon. Do you want to wait for him?" Sushi raised his head and then asked curiously, "did you ask Herman to redo that bag last time? I like that bag very much. I won't give it to you a hundred times. "

Wendy could not help sneering. "A hundred times you don't let it?"

"That's not what I said, it's what Li Chen said. He told me not to let me go a hundred times." Susie wants the temperature.

As expected, Wendai's heart was blocked again. She even told wenlichen about it? She said, "you don't need to show off in front of me. I don't care."

"Even if you don't care, why do you appear in front of me to block my heart? Your purpose is very obvious. You want me to be angry with Li Chen because of your existence. Fortunately, I love him so much that I won't be jealous of an ex who didn't know him well! " Suzy's face was open-minded and open-minded. Wendy's face looked ugly. Susie's words were so blocked that she had nothing to say. She didn't want to fight for anything, but now, she really didn't want Susie to be better. "Do you know what the password of this door means? It's the birthday combination of Li Chen and I, which shows that he didn't forget me in his heart. "

"Oh! Thanks for the reminder. It will be changed to my birthday combination and his birthday combination in a moment. I want him to change all his passwords. " Suzy said domineering.

"There was a pen holder I gave him on his desk, and he didn't throw it." Wendy continued.

"Is there anything else? Say it together! I'll let him change everything in the afternoon and change everything you've had before. " Asked sushi.

Wendai bit her lips, narrowed her eyes and said with a sneer, "I chose the villa's location. Do you want to change the villa?"

When sushi heard this, her face turned a little white. The villa she liked so much turned out to be her chosen place. Sushi bit her teeth and said, "as long as I want to live anywhere, he will follow me."

"You are too confident." Wendaixin thought that if sushi had to go to wenlichen, all she said would only show her pettiness and willfulness. Would this damage their feelings?

Susie chuckled. "I'm just confident."

Wendai smiled a little deliberately. She couldn't help but excite, "when I first chose the address of this villa, I said I like it here, because it's better to see the sunrise here, and finally he settled down here."

Sushi thought for a moment. Tang Siyu lived on the other side of the mountain. Why did she change? She said with a smile, "this place is really good! I also like sunrise. Every morning when I open my eyes, I can see the beautiful morning light. Thank you for your foresight and choosing such a good place to live for me. "
