

U. CEO Daddy 431

Chapter 431

The wedding was grand and luxurious. Suxi and wenlichen finished drinking. When they got back to the table, Suxi was a little tired. Wenlichen held her hand painfully. "After dinner, I'll take you to have a rest."

"Well, good." Susie raised her head and smiled.

Xing liehan also came back to Tang Siyu from his elder's table, but when he came back, his handsome face had been dyed a little red, and he exuded a touch of masculinity. Even if he knew that he had a girlfriend, he also attracted a lot of women's attention.

Tang Siyu handed him a cup of tea, "have some, and get rid of the wine."

Xing liehan saw that she had drunk this cup, so he took it naturally and finished it. Tang Siyu poured another cup for him and went to his side and asked, "I'm not drunk!"

"No!" Xing liehan's eyes are smiling, obviously still sober.

"After dinner, let's go to the hotel to have a rest and have dinner here in the evening."

"Good."

Wen Liangyao has returned to his parents' table. Xing Yinuo holds his chin and looks around with big eyes. All of a sudden, Xu Yang sits across her seat. She sticks to a glass of red wine in her hand, but she doesn't drink it. Because her mind is not on the red wine at all, her eyes are looking at the direction of Wen Liangyao, staring for a long time.

Wen Liangyao is embarrassed by the way other best men persuade him to drink. She can't help but smile. Xing Yinuo is like a spectator. She looks at Xu Yang and Wen Liangyao's arm. She is held by another man. He is not allowed to go. She also forces the wine cup into his hand.

And wenliangyao didn't refuse either. He directly dried a glass of wine. Then, the best man gave him a glass of wine, as if he was joking about something. Wenliangyao was forced to drink several cups in a row.

Xu Yang's face showed a touch of worry. She didn't expect Wen Liangyao to be drunk. She was worried that he would be drunk.

Just then, there were several bridesmaids there. Xu Yang immediately got up and went there. Xing Yinuo's big clear eyes were slightly gaping. He saw Xu Yang passing by. When a guest came to hand over the wine to Wen Liangyao, Xu Yang smiled and took it. "I'll drink for him. You don't need to drink his wine anymore."

Everyone was slightly shocked. Xu Yang took the glass of wine and drank it. Even Wen Liangyao looked at her stupidly. Unexpectedly, she would come to relieve him.

Other bridesmaids and male guests are also clear, that is to say, Xu Yang stops the wine for Wen Liangyao, so there is no need to fill the groom's brother.

Wen Liangyao was still intoxicated. His slender body retreated a little, and Xu Yang immediately reached out to hold him. "Are you drunk, young master Wen? Shall I take you back to rest? "

Wen Liangyao shook his head. "No, I'm not drunk."

"But I think you're drunk!" Xu Yang can smell a smell of wine on him.

Xing Yinuo, who is sitting in the seat, also stands up worried. She looks at Wen Liangyao's glasses of wine. It seems that he doesn't touch wine! However, she is only a 15-6-year-old girl. Of course, she is embarrassed to participate in the adult's wine market. She can only watch anxiously from one side, watching Xu Yang's worried picture of supporting Wen Liangyao. Her heart is inexplicably blocked.

Wen Liangyao is really drunk. He is sitting there at the moment. He doesn't know what he's thinking. Xu Yang is sitting beside him, asking him in a low voice.

The little guy is a person who can't sit. Xing Zhengting is still drinking and chatting with Mr. Wen and a group of guests of the same age. Jiang LAN says to Tang Siyu, "Siyu, you will send liehan

back to the hotel for a rest. I will take Xiaoxi out to play." Then he called Xing Yinuo, "xiaonuo, follow us."

"Oh! OK. " Xing Yinuo had to take a quick look at Wen Liangyao's direction. She bit her lip and thought about it. She said to Jiang LAN, "Mom, wait for me for a while."

Finish saying, she strided toward the direction of Wen Liangyao, she summoned the courage to care for him.

Wen Liangyao is quietly drinking a cup of tea, and Xu Yang, who is not good enough to disturb him all the time, chats with other bridesmaids and pays attention to his situation from time to time.

At this time, a crisp girl behind the sound, "brother Liangyao, are you ok?"

Wen Liangyao's eyes were suddenly confused. As he was busy, he turned around and saw Xing Yinuo staring at him. He chuckled, "it's OK."

Xing Yinuo looks at these tall best men. She raises her head and warns seriously, "my brother Liangyao won't drink. Don't drink any more!"

This makes a few best men all a awe inspiring, was warned directly by a little girl.

Wen Liangyao's heart was also touched instantly. The little girl's courage in the film is really great. However, her little expression is so cute.

The best men can't get to know her! It must be that she is the miss of Xing family and the sister of Xing liehan. I dare not make fun of her and Wen Liangyao, because some of the best men's expressions are stiff and stunned.

"Don't worry, Xiao Nuo. These brothers are just kidding me." Wen Liangyao said, even reached out and stroked her head.Xing Yinuo stared at a pretty face dyed with red, and his heart beat fast. Then he turned around and ran away.

Wen Liangyao's white skin, which had been dyed with alcohol, became more and more tender as jade, like the feeling of an ancient beautiful man.

Xing Yinuo ran very fast, ran out and almost ran into a man. Jiang Lan was shocked. When she ran to her side, she said in a low voice, "what are you running for?"

Xing Yinuo blushed, and could not say anything, right! What is she running for! However, just now she really seemed to have something chasing her behind her, which made her panic like something.

Xing liehan said he didn't drink too much, but he still drank too much. At least, he was a little drunk.

Chairman, Wen lichen and sushi are ready to go back to rest. Tang Siyu and sushi make a sign to go first, and sushi nods to her.

Tang Siyu said to the man beside him, "let's go back to the hotel!"

"Good!" Xing Lihan stands up. When he leaves the lobby of the hotel, his tall body directly presses on Tang Siyu. Tang Siyu hugs him quickly. When she goes to see him worried, she just sees some bad smile in his eyes. Tang Siyu knows that he is intentional.

"Walk well."

"I'm drunk. Help me." How can Xing liehan not pretend to be drunk while drinking!

Tang Siyu looks at the door card in her hand. It seems that it's not too far away. She has to support him halfway to the villa where they rest.

Chapter 432

Entering the villa hall, the door behind her was instantly closed. Tang Siyu was lowering his head and putting the card into his bag. He turned around and ran into a strong hug. Next second, she was also held horizontally.

Tang Siyu's eyes are slightly gaping. How can the man who just pretended to be drunk have the strength to hold her now?

"You You're going to let me down! I don't want to fall with you. " Tang Siyu thought that the drunken man must have unsteady steps. However, the man held her, but he walked steadily upstairs without a flicker at all.

"You You're not drunk... " Tang Siyu slapped him on the shoulder.

Xing liehan looks down at her, "do you know how beautiful you are today? Do you know I'm crazy about you? "

Tang Siyu gasped in her throat. Under his burning eyes, she swallowed her saliva and realized what he was going to take her to do. She couldn't help blushing. "Not now."

"Why not?" Xing liehan is also stepping to the door of the main bedroom on the second floor.

"No, no!" Tang Siyu's face is still very thin. There are still people coming and going outside. She can't accept this place.

When the door opened, Tang Siyu continued to protest pointlessly, "let me down, I'm going to find my son..."

"Look, mom and son."

"I want to I want to Well Before Tang Siyu finished speaking, the man stopped her mouth and sighed in a mute voice, "you want me."

Now, Tang Siyu says that she doesn't mean that at all!

This man is just a man of reason.

In a beautiful garden, the little guy squatted on a grass again, picking up the beautiful and smooth stones beside, and was piling up a small stone house. Xing Yinuo was looking at it glumly. Her heart couldn't help floating to the banquet hall.

She knows that, in the eyes of all people, she is still a child, a child who can't even squeeze into the adult world, so in such occasions, she doesn't even have the qualification to care about him.

Yeah! Only a beautiful sister like Xu Yang has the right to care about him and stop drinking for him.

"What's wrong with you, Xiao Nuo? Is there anything on your mind? " Jiang LAN finds out her daughter's silence and asks with worry.

"No." Xing Yinuo puffed his cheeks and shook his head.

"Without that, how unhappy you look, who has provoked you?" Jiang LAN continued.

Xing Yinuo thought carefully and didn't want to be found by her mother. She quickly laughed, "no! Mom, let's stay here or go back tonight! "

"Just stay here for one night! It's rare that everyone is here. Your father can't get away for a while. "

"Well! I also want to live here. In the evening, there is a fountain music performance. I want to watch it! "

With that, Xing Yinuo looked up and saw Wen Liangyao coming out from the direction of the banquet hall holding his forehead. He was not followed by others.

"Mom, I'll go and say hello to brother Liangyao." After that, Xing Yinuo hurriedly ran to the direction of Wen Liangyao.

Wen Liangyao only felt some pain in his head, but he had to drink less wine. Just now, he had been continuously infused with several cups of strong liquor.

"Brother Liang Yao....." The voice of the young girl was clear, and Wen Liangyao's action of stroking his forehead was taken back immediately. He pretended to face the young girl with a calm expression.

"Are you drunk?" On Xing Yinuo's pretty face, the worried expression is very clear. A girl as small as her doesn't know what hidden emotions are.

Wen Liangyao smiled. "It's OK. Just go back for a while."

"Did sister Xu Yang not come out with you?" After Xing Yinuo finished, she took a look behind him, and then, like a child doing something wrong, she said to him, "I'm sorry, I didn't mean to say the wrong number just now I'll tell sister Xu Yang later, correct your number! So you can get in touch. "

Wen Liangyao's handsome face is slightly tense. "Forget it, don't change it."

"However, in this case, sister Xu Yang will not be able to get your number in the future." Xing Yinuo is still very guilty.

Wen Liangyao shook his head. "I don't have time to organize the script now. I need to teach you math! So she has my number and I don't have time. "

Listen to this sentence, Xing Yinuo's heart was inexplicably happy. She said, "then go back to rest! Drink more boiled water. "

"Little girl began to care about people." Wen Liangyao laughed, reached out and stroked her head again. Her soft hair was really touching.

Xing Yinuo's pretty face is a little red. He stands still and touches her head with his hand. Wen Liangyao sees that her face is red again. I don't know if it's caused by alcohol. His hand touches her head and reaches her face directly. He pinches it gently.

Xing Yinuo also stayed for a few seconds. Wen Liangyao immediately took his finger back and said to her, "go to your mother! I'm back for a rest. " With that, he left with some speed. Xing Yinuo looked at his back. When she saw that his footsteps were a little jangling, she was shocked. She thought he was going to fall! Fortunately, Wen Liangyao left smoothly.

In the banquet hall, in addition to some guests still drinking and chatting, some of the guests have come out. They walk around the villa, have a rest, have a beautiful scenery, and there is a lake, where the spring breeze blows, which is unspeakable.

After a chat between Suqin and Suxi for a while, Suxi got up too early in the morning and went back and forth with a toast, which made her face a little sleepy.

"Li Chen, take Xi Xi to have a rest! There's another meal in the evening, and it may be busy. " Said Mrs. Wen to her son.

Wen lichen nodded, "OK!" He went to Sushi's side. "I'll take you back to rest."

"Well!" Suxi didn't refuse either. She said to Suqin, "sister, you accompany my parents. I'll go lie down first."

"Go!" Suqin nodded. Suxi and wenlichen went to suboyan and Liqian. Suxi didn't speak yet. Wenlichen had already said, "Dad, mom, Xi Xi is tired. I'll take her back to have a rest first."

Su Boyan and Li Qian were shocked for a few seconds by his shouts. From now on, they have a handsome son-in-law. Their parents are about to die of joy.

"OK, go! Have a good rest. " Li Qian stood up with joy.

Wenlichen nodded with a smile and led Susie to the door of the banquet hall. Along the way, he waved to the guests.

Along the way, received the blessing of the guests, Wen lichen courteous, unhurried, Su Xi's eyes, full of love and worship.

Chapter 433

With the company of Wen lichen, Su Xi went to the wedding room they arranged today. It was a single villa. The whole villa was full of a kind of jubilant red color and looked at other jubilant spirits.

"Ouch..." Susie's high-heeled shoe root suddenly tilted for a while. In addition, she walked in high-heeled shoes for a day today. She really felt that her foot hurt. She just didn't want to say it all the time, so she endured it until now. At this moment, it tilted again, which was quite choking.

"What's the matter? Let me see. " Wen lichen immediately squatted down and went to see her slender feet carefully because of some redness and swelling.

"It's OK. It's just that I've worn it too long, and my feet are a little swollen." Sushi shook his head and reached out to help him up.

Wenlichen got up, but Susie had felt the light of the whole person and was beaten by him. She blushed immediately and looked around as if she was afraid of being seen.

Wen lichen saw through her mind and jokingly said, "what are you worried about? I hold my wife. Who has any problem? "

Susie immediately chuckled. "By the way, I forgot. I'm your wife."

Wen lichen did not look down angrily, and kissed her face a little angrily. "It can also be forgotten."

Sushi was also calm in his heart, so he enjoyed the comfort of being carried back to the villa. At this moment, he forgot the pain in his feet, and only this man was in his eyes.

When she arrived at the villa hall, Wen lichen gently put her on the sofa. Then he knelt at her feet again, and reached out to take off her shoes. Sushi's pretty face was still hot, but she was not used to being taken off.

"Don't take it off. It's dirty!" Susie was also worried about dirtying his hands.

Wen lichen looked up at her with a smile. "In my heart, you are the cleanest."

Suximing knew that he knew what she was saying, but he wanted to make her happy by saying it back, but her heart was still extremely used.

Wen lichen took off her high-heeled shoes very carefully, and found that there was a red and swollen mark on her bare back, which should have been scratched out by wearing shoes. He suddenly felt hurt, "why don't you tell me if the shoes are not suitable?"

"It's not inappropriate, but high-heeled shoes are just like this. They can't be worn for a long time. If they are worn for a long time, the instep will be worn like this. I'm used to it. It's really OK." Suzie didn't want to be so delicate. Before she did a film, she would wear high-heeled shoes all the way to the stage. At that time, her feet were red and swollen every day.

"Don't wear high shoes that night. Wear flat shoes that you think are the best fit."

"How can I do that? I have to wear a beautiful evening dress at night. If I don't wear high shoes, I will not look good." Sushi is also a beauty lover. In order to be beautiful, you can sacrifice your feet.

Wen lichen looked at her in a funny and angry way. "I think it's ok if you look good. Who else thinks you look good?"

"That can't do. I have to leave the most beautiful side of my wedding. Don't worry. I will be OK after a rest."

"I'll bring you a basin of hot water to soak your feet. Don't run around while you sit." After Wen lichen finished, he went upstairs to look for the basin. After a while, he took a basin of water with just the right temperature downstairs and caught her with a pair of jade feet. As expected, she was soaked in warm water. Su Xi was very comfortable.

She was so comfortable that she let out a sigh. Looking at the man who drenched her with water and kneaded her at the same time, she felt very happy.

"Husband..." Susie blinked and murmured these two words, a little astringent and a little tongue bending, because she seldom called them that.

Wen lichen raised his eyes and looked at her as if she were trying to shout. He raised his lips and encouraged her, "let's hear it again."

Sushi looked at him with some shame, "husband."

Her voice is sweet, sweet and soft. It's called crisp man's heart.

After hearing this, Wen continued to ask for "another call."

"I love you, husband." Susie immediately spoke out, holding her face and shouting shyly.

Wen lichen listened comfortably and was also amused by her lovely expression. He picked up the towel beside him and dried her feet. Then he leaned over again and picked her up.

"Well, I can walk by myself." Susie doesn't want to bother him any more. In this way, he will be tired.

"It's OK, I like to hold you." Wen lichen chuckled. He was so light in weight anyway. He didn't feel tired holding it.

Susie put her face on his chest and put her hand around his neck. She was as good as a little daughter-in-law.

Wenlichen carried her into the wedding room. She saw a huge red bed with rose petals in the shape of love. There was also a pair of married bear puppets in the middle. Suxi fell in love with them as soon as she saw them. She sat on the quilt and held them in her arms. "So cute, so beautiful, I really like them."

Wen lichen looked at her childish mind and said, "I like to buy you more and put them in the room later."

"Well!" Sukhi replied happily, looking at the pile of rose petals. She was slightly distressed, and said to the man who was taking off his suit, "how beautiful the petals are! I can't bear to destroy them." Wen lichen sat on the edge of the bed. No matter how beautiful the rose was, it couldn't compare with the woman in front of him. He reached out his hand and gently folded it into the long hair beside her ear. "If it's not damaged, how can we sleep? Do you want to sleep on the sofa with me? "

"Why can't you sleep on the sofa! That sofa is also very big! " Susie immediately felt good.

"Are you sure you want to sleep on the sofa?" Wen lichen's eyes flashed an inexplicable smile, but also some complex meaning.

Sushi didn't think much about it at first, but when she heard his words, her face immediately turned red, "no, don't sleep on the sofa. In that case, my back hurts!"

Wen lichen chuckled. She even understood! "Well, if we don't sleep on the sofa, we'll go to bed, so these roses have to be taken away," he said softly

Su Xi immediately had to step back. Wen lichen's hand swept gently. The rose suddenly fell on the ground like rain. A little bit of heart fell. Instead, it formed a more beautiful pattern. It was sprinkled on the white and dust-free carpet, as if it was dyed red. It made people think that they want to destroy it again.

Just like this woman around us, beautiful so clean, so beautiful, so that men want to dye her black.

"How beautiful!" Sue sighed. She liked roses.

"In my eyes, nothing is more beautiful than you." Wen lichen said, raising her chin gently with long fingers, and looking at her delicate red lips, his body immediately tightened.

Chapter 434

Although it's not the first time, every time I think about her, I have a strong feeling as before.

Sushi saw what was in his eyes and tried to hide, but the man's other hand had already clasped her back and the hot kiss came down.

The man can't wait to tear off her evening dress, which has dyed her into a goblin like red dress.

Around three o'clock, the guests left the banquet hall and went to their hotel room to have a rest, waiting for another one in the evening.

At the moment, Jiang LAN and Xing Yinuo are resting in the room with the little guy who has already taken a nap. Xing Zhengting hasn't come back yet. Xing Yinuo is playing with her mobile phone. Her classmates are calling to see the pictures of Wen Liangyao.

Xing Yinuo just took a few photos secretly, but she didn't send them to the group for everyone to enjoy. Instead, she was secretly looking at them with her own hands. Although some photos were vague, who let Wen Liangyao be handsome!

It's good to shoot.

At this time, a phone call came in. Xing Yinuo thought that she was the best student. She was embarrassed and answered, "Hello, Xiaoman."

"Xing YINUO, have you seen the news in our group! Everyone is going crazy. You are going to send! Send us some photos of Mr. Wen! "

"Excuse me! I've been eating, I haven't photographed it. " Xing YINUO had to say he was flustered.

"What? You didn't get such a good chance? Then you say, Mr. Wen is not handsome today! Is it the handsome one? "

"Er! I didn't notice! " Xing YINUO continued to respond vaguely.

"Xing YINUO, can you think about our sisters? You don't like him, but we like him!"

"Who says I don't like him?" Xing YINUO immediately refuted.

"What do you like about him! Isn't he your distant cousin? Can you like him, too? "

Xingyi Norton was blocked. At school, she was Wen Liangyao's cousin. Unexpectedly, at the moment, she wanted to say that she liked him and would be attacked.

"Xing YINUO, you won't really like your distant cousin!"

"Don't talk nonsense. I mean, he is my cousin. Do I like him! Do I hate him? " Xing YINUO had to retort again.

"Well, I'll give you another chance, and I'll take a picture of him in the evening. Don't lose your tongue!" Then Xiaoman hung up.

Xing YINUO bit her lips, but didn't send photos. She just picked them up and picked them out. Suddenly, she found that there was a kind of warm and cool recent photo that was very suitable for making mobile phone screen. She immediately set it as screen wallpaper.

The clear and clean face, the warm and smiling eyes, made Xing YINUO look stunned for a while. When she came back, she quickly turned off her mobile phone and held her small face in confusion.

What's wrong with her? How can she always think of Wen Liangyao? In fact, as a 16-year-old girl, she also has an ignorant idea of love, but it is still very vague.

In the other villa, Xing liehan's drunkenness has been awakened. Tang Siyu in his arms is sleeping heavily. There are several very clear marks on the half exposed shoulder, which make her white skin like snow. She feels sad.

Xing lie lowers his head and kisses her on the imprint gently. Just now, with the strength of wine, he knows that he has lost weight, otherwise, she will not be so tired.

Tang Siyu gently turned over, turned his back to him and fell asleep. Xing liehan smiled and patted it on himself, pulling her slender body back into his arms again.

At 5:30 in the evening, the lights of the whole Villa Hotel began to light up. The neon red color reflected the beautiful glow in the distance. The whole villa group was covered with a layer of golden dazzling, beautiful.

Many guests began to take a walk around and enjoy the wonderful time. Xing Yinuo also came down. She took her mobile phone and clapped it. She heard footsteps behind her.

She looked back and was shocked. Wen Liangyao was standing behind her when she didn't know. She quickly hid her mobile phone behind her, as if he was afraid that he would find the secret of her screen wallpaper.

"What's the matter? That will scare you, too? " Wen Liangyao looks at her funny.

Xing Yinuo looked at him in silence. The blush on his face had disappeared. Instead, it was a beautiful white face.

"You're not allowed to drink at night. You won't even drink." Xing Yinuo suddenly took care of him.

Wen Liangyao was slightly shocked, and his smile deepened, "OK, listen to you, don't drink."

Xing Yinuo flashed a smile at the bottom of his eyes. "You know a lot of female students in my group are saying they want to see your photos! Do you think I should send it to them? "

Wen Liangyao's face was serious. "You're all students. You don't do anything else except study."

"I won't give it to them! I don't even shoot. " Xing Yinuo's long, butterfly like lashes sparkle with a sense of stubbornness. Wen Liangyao squints her eyes slightly and looks at her delicate side face. He can't help but murmur a little bit, "did you take my picture?"

Xing Yinuo immediately blushed with embarrassment, and said, "I When I took a picture of my eldest brother, I accidentally took a few of yours. I didn't mean to take a picture of you. "

Wen Liangyao laughed. "I'll take pictures for you. You can do whatever you want."

Xing Yinuo listened and immediately said happily, "I'll take a picture for you now! What a beautiful sunset

"Let's take some pictures together." Proposed by Wen Liangyao.

Xing Yinuo immediately happily picked up the mobile phone, unlocked it, and A picture of Wen Liangyao's face appears.

Wen Liangyao was standing by her side, and her eyes were only glanced at her. Xing Yinuo's face was extremely flustered and embarrassed. She bit her lips and explained, "I am I think this picture of you is pretty, a bit like my favorite star, so I I'll make wallpaper It doesn't mean anything else. "

Wen Liangyao also pretended to be calm, but when he saw that her wallpaper was his, at that moment, his heart string was still pulled heavily.

"Just like it." Wen Liangyao smiled for a while, then he narrowed his eyes, "I'm a bit like your favorite star?"

Xing Yinuo just said that she was flustered. Now, naturally, it must be round. She had to bite her lips and nod her head, "Er, yes!"

Wen Liangyao's eyes flashed a faint gloom.

"Could you take me two pictures?" Xing Yinuo pleads, she doesn't want to take selfie, such beautiful scenery, he takes is just more beautiful.

Chapter 435

"Good!" Wen Liangyao nods, takes her cell phone, opens the camera

"Er! Remember the beauty Xing Yinuo laughs and Mimi admonishes.

However, even if she is not beautiful in the camera, she is also very beautiful and lovely. Wen Liangyao smiles, "not beautiful is also good-looking."

"Well then! Don't shoot me too short. " Xing Yinuo also thought that if a man takes a picture, it must be a mess. She does not expect Wen Liangyao to take a picture of her.

However, Wen Liangyao's shooting technology is super first-class. He used to like travelling and photography. At this moment, even if a fruit machine is in his hand, it can take a big picture. Only because Xing Yinuo has a super cute face in the lens, can the effect and breath of shooting be more lovely.

"Are you ready? Let me see. " Xing Yinuo hurriedly came to check the photos, and then he said, "it's beautiful. How did you take it?"

"Some features are available." Wen Liangyao laughed.

Xing Yinuo immediately excitedly tugged at his sleeve and said, "teach me, teach me..."

Wen Liangyao immediately teaches her how to color. After teaching, Xing Yinuo will try her hand. She steps back and aims at Wen Liangyao. "I'll take some pictures for you to try. Stand up!"

Wen Liangyao looks around her arm, languidly and naturally at her lens. Xing Yinuo stares at the lens for a few minutes. The warm luster under the setting sun reflects on him, as if kneading a feeling of fashion blockbuster.

And he is the top model, charming, warm and exciting.

Xing Yinuo took several pictures in a row. Like greedy kitten, she always didn't take enough pictures of him. Finally, she finished taking pictures, and Wen Liangyao didn't look at the pictures.

"I'll send you the picture later."

"Send me yours, too." Wen Liangyao said a word.

Xing Yinuo blinked, "do you want mine, too?"

"Well! Leave a memory. "

"Well, I'll send it to you later." After Xing Yinuo finished, she saw Xu Yang's figure coming this way not far away. She said to Wen Liangyao, "sister Xu has come to see you. I'll go first."

With that, she walked to one side. Wen Liangyao looked at her back and slightly gathered her eyebrows. What was she running for? He didn't let her go either.

"Young master Wen, are you ok?" Asked Xu Yang, who was concerned.

"I'm fine! Thank you for your concern. " Wen Liangyao replied politely.

Xu Yang smiles and flirts with her long hair. Xu Yang is able to take Suxi's class. Naturally, Annie has a very good eye. She has beautiful appearance and clean temperament. Recently, a movie has been released, which is also a good female star.

When Xu Yang finished these actions and looked at the man beside him, he found that his eyes were not on her at all. She could not help being disappointed. Isn't she worthy of his attention in his eyes?

At this time, Wen Liangyao's mobile phone sent a message sound, which was sent in series. He hooked up his lips and smiled. He knew that Xing Yinuo had sent a picture. He pretended to use the message sound and said to Xu, "Miss Xu, excuse me."

After that, Wen Liangyao went on for a while, turned on his mobile phone, checked the photos he sent, looked at his photos for a few times, then carefully stared at Xing Yinuo's photos, and then chose a wallpaper that was directly set up as his wallpaper.

With the coming of the night, the street lights around began to become more and more bright. Wen lichen led Suxi out of the villa. Because there was a fireworks show next, everyone could enjoy it at the moment.

Tang Siyu also found his son. On an open-air banquet platform, there were melon and fruit snacks, drinks and drinks. A music fountain show started on the nearby lake. It was very wonderful. Su Xi nestled in Wen lichen's arms, looked at the string of English love on the fountain, reflected in her eyes and illuminated her heart.

Tang Siyu and Xing liehan are sitting on the seats, and the little guys around are also fascinated. At this moment, they are very busy.

After the fountain show, there was a fireworks show on the open ground opposite the lake. The noise was cut off, so it would not be noisy. Only the fireworks in the sky reflected the stars in the sky, which was breathtaking.

A string of fireworks kept going out, bursting out meteor like raindrops in the sky, flaming trees and silver flowers, dazzled by the beauty.

After the fireworks show, dinner began. Tang Siyu accompanied his son to wait for the little guy's meal. Sushi also took the opportunity to play with the little guy for a while. Everyone was more casual at dinner. After dinner, there was a banquet hall for the guests to have fun and dance.

Only Tang Siyu and Xing liehan have no interest. Only those young men and women who want to find some love affairs will go to the party.

Sushi has always advised her sister to go and play. In this way, maybe she will have an encounter. But Suqin doesn't go. She goes back to her room to have a rest.

The next day, the guests left one after another, and the wedding also became the front page headlines of major newspapers and media, dominating the Internet, all of which were the love of the new couple. On the afternoon of the next day, Susie and Wen lichen returned to their love nest and started their first day of married life, which was a wonderful life with their wives.

After their wedding, Xingzhai and Tang Siyu began to be busy about the wedding one week later. Tang Siyu was more calm to welcome the wedding, but there was one more thing that he and Xing Lihan had not taken the time to do.

That is to register for marriage, so they made an appointment to register with the Civil Affairs Bureau early tomorrow morning.

Tang Siyu's household registration book was listed separately. In the morning, Xing Lihan drove with her to the Civil Affairs Bureau and made an appointment for registration, which was very fast. In a short time, Tang Siyu came out with two fresh red copies.

Sitting in the car, Tang Siyu repeatedly holds two red copies in his hand, which is an ineffable satisfaction.

Tang Siyu can't help flirting in Xing Lihan's eyes, "see clearly? From now on, you are my person, only belong to me. "

Xing Lihan turned his head and looked at her deeply. "I will not belong to anyone except you."

Tang Siyu's heart was sweet, his head was slightly raised, and he replied, "likewise, I will not belong to anyone except you."

Xing Lihan's eyes stared at her deeply and gently for a few seconds, affectionate and determined, "I have been waiting for this day for a long time."

Tang Siyu can't help thinking about the time when she first met him. She thought it funny. "Why did you live next door to me in order to serve me?"

Chapter 436

However, the man's answer is more direct, "I want your people."

"I didn't like you at that time," said Tang Siyu, a little red

"I know you'll be mine one day, so I'm going to stay by your side first. Don't let men get close to you." Thinking of other people, Xing Lihan naturally thought of a person, that is, Mufei who never gave up.

Although he no longer appears in front of Tang Siyu recently, he is still not sure, because the ambition of this man has been immortal and the feeling of Tang Siyu has been lingering.

Tang Siyu listened to his words, and also thought of mufei. She looked at him seriously. "Don't think about it. At that time, all my thoughts were on my son, and I wouldn't care about anyone at all."

Xing liehan also shook off mufei, raised his eyebrows and said, "maybe I really hated you at that time, didn't I?"

"Not so annoying! It's just too domineering. " Tang Siyu replied, and then turned to look at him, "you didn't like me at that time! You came for your son. "

Xing liehan could not refute, "yes, I went to my son at the beginning, but I was attracted by you very soon. I thought, I want my son, you and me."

Tang Siyu curled his lips and smiled, "you are so domineering."

"Do you want to celebrate that we got the certificate?" Xing liehan asked her.

Tang Siyu nodded, "OK! Where to celebrate? "

"Restaurant you choose."

"Well." Don Siyu sat lazily in his seat and began to think about it. Then she thought of a restaurant she liked very much.

There is a live piano performance, the atmosphere is very good.

Xing liehan has no opinion. They go straight to the restaurant. The environment is elegant. At 11:30 at the moment, there are not many guests, and it's quiet. The girl sitting in front of the piano is very young, and the beautiful piano sound comes from her fingertips.

Tang Siyu can't help falling in love with her. At the same time, she begins to miss her old career. Tang Siyu has also decided that she will continue her piano career after marriage. She doesn't want to be a housewife either. She also needs to have her own career, which is her favorite piano career.

After ordering the meal, Tang Siyu twisted his mind to listen to the piano sound. Xing liehan, on the opposite side, held his chin in one hand and gazed at her affectionately. His perfect side face attracted the eyes of young girls around him.

Some people recognize his identity, but dare not to approach him. He has a special temperament. There is a kind of aura that strangers don't want. Only for his own women, can the aura of his whole body converge and show the most gentle light.

During the meal, the atmosphere was also very good. Tang Siyu went to the bathroom to wash one hand and came back to sit down. She liked the scenery here and didn't worry about leaving.

At this time, only heard the piano next to the stage, the young girl smiled and said, "excuse me, Miss Tang Siyu?"

Tang Siyu was suddenly named, she immediately looked up in amazement, and the girl recognized her.

She smiled and said, "just now a gentleman wrote a note and told me, would you like to play a piece of music on the stage, please?"

Tang Siyu is surprised and surprised. Then he looks up at the man opposite. Xing liehan makes an irrefutable expression. Yes, he wrote the note.

Tang Siyu smiled and nodded. Because of her temperament and elegance, the guests on the side were looking forward to her live performance.

The young girl sat aside and Tang Siyu said thank you to her. Then she sat in front of the piano. She was born with a pair of piano players. She was white, slender and jade like. The girl would envy her.

Tang Siyu gently pressed a note and tried the piano sound. With her red lips gently bent and her long fingers skillfully jumped, a string of natural notes leaped out and flowed in the corner of the restaurant. It made people hold their breath and immersed in her piano sound.

Xing liehan's eyes flashed a color of pride. This was his woman, and he felt very proud.

The girl beside showed her amazing eyes. She thought she played the piano well. However, at the moment, the song in Tang Siyu's hand was as perfect as Beethoven.

The sound of the zither dropped, and the applause continued. Tang Siyu made a thank-you with a smile and went back to her position. On the opposite side, Xing liehan's eyes appreciated, "well played."

"It's born by hand. I have to practice more when I go back." Tang Siyu felt that he had to refuel.

Coming out of the restaurant, Tang Siyu accompanied him to the company. Xing liehan worked in the company, and she was quietly beside him.

Xingyan's company, after waiting for mu Feijing for a few days, suddenly put pressure again, which made Xingyan feel scared. That afternoon, he made a press conference, saying that he was suddenly seriously ill, and the company was about to be acquired by Mu group.

As soon as the news came out, the whole business community was shocked. Xingyan's company was acquired by Mu group.

A lot of people know that Mu's group has not swallowed his company at all. However, even Xing Yan himself has come to the fore. No matter how shocked the outside world is, they all know that this is a fact. Han Yang is so anxious that he has not even knocked at the door. He just saw the video and rushed in after receiving the news.

"Xing Shao, there is a message you must read."

Xing liehan reaches for his iPad. It's a video released by Xing Yan himself. In the video, his face is very ugly. It can be seen that his mental state is not very good. In the video, he is very sorry and tired to announce that his company will be acquired by Mu's group. He wants to rest and get sick.

Xing liehan watched the video, and Junyan was directly gloomy and complicated. It happened so suddenly that he had no idea what would happen.

With his understanding of Xingyan, he is full of ambition and constantly wants to expand his company's business. How could he suddenly agree to purchase? He also speculated that the news of Xing Yan's illness should be false, and there was another mystery.

Tang Siyu also heard the news in the video. She just didn't make a sound and was shocked. Mufei was able to buy Xingyan company.

"Xing Shao, do you need to check it?"

"Look, I want to know the specific reason why Xingyan did it." Xing liehan does not believe that Xing Yan will do so.

Either he had something to do with Murphy and had to hand over the company, or he had some kind of cooperation with Murphy.

At the same time, there is a sense of crisis in Xing liehan's heart. He has a premonition that Murphy's acquisition of Xingyan's company seems to have some implications for him.

Chapter 437

Xing liehan comforted her and said, "don't worry, I'll find out about it."

Tang Siyu also had a kind of indistinct uneasiness. What mufei said on the phone last time made her think that he didn't seem to give up on himself.

For the first time, Tang Siyu hated that she was liked by others. She really hoped that she could not attract mufei any more.

Mufei also received Xing Yan's video in his office, which he had threatened him an hour before. If Xing Yan didn't make a statement again, he would be very impolite.

Unexpectedly, Xing Yan, who was in a hurry, still bowed his head and promised to give the company to mufei.

Murphy sat in the office satisfied. After watching this video, he received many congratulatory messages from customers.

Mufei calls Tang Yiyi and shows her the video. Tang Yiyi doesn't even want to see anyone recently. She is like a person living in the shadow. She sits on the sofa and looks at Xing Yan's disgusting face. She is not very happy. This is not Xing Yan's final end.

But in any case, Tang Yiyi was happier, at least Xing Yan paid part of the price.

Recently, Tang Yiyi also went to see her mother. Qiu Lin was in it. She was in a bad mental state. She often screamed wildly, as if she was having a nightmare.

However, Qiu Lin suffered all this from herself. Her nightmares naturally came from those who killed her, including Tang Xiong and Li De. Everything in the past was pestering her, which made her very painful.

Every time Tang Yiyi goes to see Qiu Lin, she has more hatred for Tang Siyu. She hopes to see the end of Tang Siyu. She hopes that Murphy will one day defeat Xing liehan's company and make Tang Siyu miserable.

In mufei's office, Xing Yan's phone call came in later.

"Murphy, I've done what you said. You'd better promise not to tell me again. There will be no more changes in our agreement."

"You can rest assured that if I promised you something, it will certainly count. As long as you are low-key and invisible from the business circle from now on, this matter will not be made public again." Murphy replied.

"Well, I'll leave here and take my family overseas. You'd better do what you say." Xing Yan angrily hangs up.

Murphy's eyes flashed a cold killing opportunity. However, he will not fight Xingyan now. As long as Tang Yiyi doesn't force him, he is too lazy to pay attention to Xingyan's fate.

He is only focusing on his company now, because this is the basis of his fight against Xing liehan in the future.

On the third day after marriage, Suxi and Wen lichen returned to the Sujia house and returned to the door.

Su Qin is also at home. Su Xi and Wen lichen have brought many gifts back home. Su Boyan and Li Qian are very happy, especially listening to Wen lichen's call. Don't mention how reassured they are.

It's like they have a good son.

At the dinner table, Su Boyan heard that Su Xi wanted to work again. He couldn't help but disapprove. He wanted his daughter to live a stable wife's life.

However, this is not Sushi's style. She is not a person who enjoys herself. Even if her husband is extremely rich and can be a woman, never stop and have an independent ability to make money, which can greatly reflect her value.

"Dad, don't interfere with her. I won't stop her if she wants to do anything." Said Wen lichen fondly.

"Old Su, what are you worried about? With Li Chen in, who can bully your daughter? " Li Qian is very relieved.

I used to think that there was chaos in the entertainment circle. Now, my daughter's husband is the boss of the whole entertainment circle. Even if she wants to work, she just likes to spend time and enrich her life. What's the sin?

Su Boyan thought it was true, so he stopped talking about it.

Sushi's eyes looked at her husband gratefully. Now, there is another one who loves her.

"Xiaoqin! Your sister is married. Should you think about your future? " Li Qian, taking advantage of this incident, also knocks on her eldest daughter and reminds her of a wake-up call.

"Mom, you're here again. I've said that work is important. I don't plan to get married for the time being." Suqin is helpless. Now, she has become the focus of the family.

One side of sushi some proud and sympathetic look at Suqin.

Suqin also gave her a white look and signaled that she would stop interrupting. Before Suqin finished eating, she was urged to leave by a phone.

"Ah! Since he entered the presidential palace, he has been in a hurry to have a meal. " Li Qian sighed.

"Sister, it's workaholic."

"What's the good about that? I'd rather she did the same job as before, and didn't expect her to work in the presidential palace."

"Mom, maybe sister will be the future president's wife. Do you believe it?" Suzy prophesied very seriously.

Su Boyan was drinking tea, almost about to spout it out. He raised his head, stared at her, and said angrily, "what are you guessing? You can guess this kind of thing?" "Dad, I'm just guessing! Is it necessary for you to be so surprised? " Su Xi covers her mouth and smiles. Wen lichen smiles and shakes his head at her. She is spoiled and helpless.

"You can't just guess. We have to have some facts. How could Mr. President like your sister?"

"Sister is not bad either!"

Su Boyan thought to himself, the eldest daughter has always been his pride. However, he still thinks that the little daughter's guess is too bold, too far fetched. Besides, he already feels very lucky to recruit a son-in-law like Wen lichen. Is it impossible to recruit another president as his son-in-law? He can't think.

"It seems that Mr. President is only in his early thirties this year." Li Qian asked curiously.

"Thirty one." Su Boyan on one side replied.

"Elder sister is 27 this year. Isn't that just right for her?" Susie added another remark.

Su Boyan stares at her again. Su Xi spits out her tongue and quickly holds her palm to block her face. Wen lichen on one side only laughs and can't cut in to save her. He must be right for her father-in-law!

When she came out of Su's house, Su Xi was still muttering, "why does my father have no confidence in my sister? Li Chen, what do you think of my prediction? "

"It's hard to say that fate is always hard to guess." Wen lichen actually agreed.

Suzy immediately felt that the three views were similar. It was such a rare thing that he could recognize her even if she spoke in a disorderly way.

"Yes! Fate is hard to say, for example, you and I! A year ago, how could I have known that I would marry you. "

Chapter 438

It's just that there are no photos of him and Tang Siyu on the page, just a few majestic photos of Xing liehan company building as the picture, which shows the strength of this man more and more.

At the moment, Murphy is reading this newspaper in Murphy group's office. His eyes see several words of the wedding ceremony held three days later. His face is covered with a flash of pain. He thought about the wedding with Tang Siyu and selected various places. He thought about the appearance of her wedding dress and the place where they traveled on their honeymoon, but he couldn't imagine it. Finally, she Married man, not him.

Murphy's hand was pinched involuntarily, and the newspaper broke in his palm. This jealousy from his heart didn't even make him feel it.

It was only when he came back that he found that the newspaper was broken. He took a deep breath. He wanted to deal with the work in the company, but at the moment, he couldn't do anything. He just wanted to find a place to drink quietly.

"Siyu, what should I do? May I wish you happiness? I find that I'm not so generous. I can't watch you become someone else's wife. " Murmuring murmured murmur, but his eyes were slightly wet.

Tang Siyu is trying to wear her wedding dress in Jiang Shan's shop at the moment. It's Jiang Shan's painstaking work. It's beautiful and elegant. It's elegant and elegant. Layers of light gauze are displayed on the ground. It shows a beautiful arc shape. Tang Siyu's waist is slender, like the beautiful back of snow, and the lines are like the painter's pen end, full of moving.

This set of wedding dress, showing her beauty and nobility, also embellished with sacred colors.

Tang Siyu is standing in front of the mirror at the moment. Jiang Shan gently arranges some details for her. In her eyes, she looks like her daughter-in-law.

"Thank you, auntie. Thank you so much." Tang Siyu knew that the wedding dress had not been completed when she chose it. Now, in a very short time, Jiang Shan and her staff have been completing the wedding dress day and night. Her heart is very touched.

"Fool, you are my niece and daughter-in-law. What's the hard work? It's worth the hard work for your wedding with liehan." Jiang Shan looked at her with a smile. "Yes, it's beautiful. My nephew is really lucky! Marry a beauty like you. "

Tang Siyu smiled shamefully. He was more than the only one with good fortune? She's lucky to marry him!

It's only two days since the divorce, but Tang Siyu's heart has calmed down. Tomorrow, he will go to see the venue of the wedding. Later, Xing lie comes here. He has dinner outside with Jiang Shan.

Back home from the outside, the little guy came running excitedly and said, uncle is back.

Then, I saw Xing Yifan coming back from abroad with a smile, "brother, sister-in-law, you are back."

"Yifan." Tang Siyu called him with a smile.

Xing liehan patted him on the shoulder, "waiting for you to come back."

Xing Yinuo is also very happy. He hasn't had a fight with his brother for a long time. The little guy is also very happy. Xing Yifan is their child leader. He listens to whatever he says and is very obedient.

Jiang LAN and Xing Zhengting also went downstairs to talk with them about the details of the wedding. Jiang Lan said to Tang Siyu, "Siyu, your parents are gone. We decided to let Zheng Zheng Zheng take you to the stage. Are you optimistic?"

Tang Siyu's eyes slightly red, she nodded, "OK! Let dad take me to the stage! "

This dad, let Xing Zhengting and Jiang LAN look at each other, also moved and warm hearted, Xing lie looked at her heartily, he swore in the bottom of his heart, he would never let her suffer any grievance in this life.

In the evening, Tang Siyu stood in front of the floor to ceiling window, looking at the dim night in the distance, but he lost sleep. Behind him, Xing liehan hugged her tightly, put her in his arms, gently put his chin on her shoulder, and accompanied her to watch the dim night outside the window.

"Are you nervous?" Xing liehan asked with a light smile.

"A little." Tang Siyu nodded.

"Don't be nervous, marry me, you won't regret it."

"Of course I don't regret it. I'm just thinking about what our future life will be like."

"Very simple, I love you, you love me, we add a sister to Xiaoxi, simple and happy every day."

Tang Siyu's corner of the mouth could not help lifting up, "yes, I want such a life, flat light, do not happen any more accidents."

"We'll be happy old." A deep, firm voice sounded.

Tang Siyu has been thinking about a problem. At this moment, she looks back at Xing liehan's eyes and whispers, "I want to invite another person to our wedding."

"Who is it?" Xing liehan is slightly shocked.

"Murphy." Tang Siyu looked at his expression and said the name.

Xing liehan's eyes narrowed, "why invite him?"

"All the past of Murphy and I should have ended long ago, but his obsession is too deep. I'm afraid that he will do something else. So, I want him to come to my wedding. I want him to see for himself how happy I am to marry you." Tang Siyu said earnestly. Xing liehan was really surprised. He could hear that she was thinking of him in addition to what she said.

"Are you worried that Murphy will deal with me if he buys Xingyan's company?" Asked Xing lie in a hoarse voice.

Tang Siyu's eyes were full of confidence in him. "I believe you won't be afraid of him, and I don't worry about this. I just think it's necessary to let him know that I'm very happy. Let him let go!"

When Xing liehan heard her reason, he didn't insist any more. He nodded softly, "OK, I'll send him the wedding invitation card in the morning tomorrow. If he comes, I'll treat him as a guest. If he doesn't come, don't put it in your heart."

Tang Siyu is uncertain whether mufei will come, but she hopes he will.

Xing liehan stroked her long hair and kissed her on the side of her face. "It's late. It's time to sleep."

Tang Siyu hugs him, clings to his chest, listens to his heartbeat, she really has some sleepiness.

Xing liehan hugged her. He didn't want to let go of the chance tonight. However, seeing how tired she was, he had better bear it first and wait for their wedding night to ask for it!

The next day, Tang Siyu and Xing liehan went to the villa by the sea. Everything about the wedding was ready to continue. In a low-key way, the wedding was full of luxury. Tang Siyu didn't like the high-profile wedding of the big boss. So the Xing family tried to be low-key, but the things they used were the best.

In the morning, Han Yang, Xing liehan's assistant, personally sent a wedding invitation to mufei's company and gave it to him.

Chapter 439

Murphy came here for Xing liehan's assistant. At first, he didn't know what he wanted. Until Han Yang smiled and took out an invitation from his briefcase, Murphy was stunned for a few seconds.

"Mr. mu, this is our general marriage invitation. Please accept it. Our Mrs. Xing sincerely invites you to her wedding." Han Yang conscientiously brought Tang Siyu's meaning.

Murphy was shocked. "What do you say? Is this what Siyu asked you to give me? "

"Yes, Mrs. Xing means it." Han Yang naturally called Tang Siyu Mrs. Xing.

Mufei's handsome face is complex and unpredictable. Looking at the invitation, he doesn't know what to do.

He reached for it, opened it, and there was a card. On the card, Juanli's handwriting was written by Tang Siyu himself. There was only a kind invitation, "Murphy, I hope you can come to my wedding. I want you to witness my happy moment."

This sentence, to Murphy, really hurt from the head to the feet, he took the invitation Han's hand slightly shake, breathing slightly fierce.

"Mr. mu, do you want me to bring something to Mrs. Xing?" Han Yang asked.

Murphy's hands were on the table, and he bit his teeth, but finally he squeezed out a sentence: "you tell Siyu that I will go tomorrow."

"OK, I will tell Mrs. Xing." Han Yang finished, turned to leave.

Mufei looked at the golden invitation Han and then at the beautiful words. He didn't expect that Tang Siyu would invite her to his wedding.

But in any case, Murphy's heart is still weak, because he has never refused Tang Siyu anything, so even if her wedding, even though she asked, he will not refuse.

"Siyu, you are so cruel. You know I can't help you." Mufei sighed and looked at the wristwatch at about nine o'clock. It seems that he has to choose a gift today and give it to Tang Siyu tomorrow as a wedding gift.

In the afternoon, outside Xing liehan's villa, there was a black SUV parked in the shade of the trees. It was covered tightly. The windows were closed. Mufei sat in the car and looked at the direction of Xing liehan's villa. He had a flash of expectation.

Since Tang Siyu became Xing liehan's woman, he didn't even have the right to look at her from afar. Today, he doesn't know why, and suddenly comes.

Because he will not come again, tomorrow, Tang Siyu will marry.

However, after waiting for nearly half an hour, Murphy was not disappointed. Tang Siyu and Xing liehan came back, but they came back from a family of three.

After lunch in Xing's house at noon, Tang Siyu and Xing liehan didn't drive, but took the little guy back to the villa. In the afternoon, the little guy had to practice piano.

Murphy's heart stabbed and hurt fiercely. They watched Tang Siyu standing beside Xing liehan like a bird, and their eyes were always on the little guy who jumped in front of them. His eyes were like Tang Siyu's, but his facial features were just like Xing liehan's.

Murphy clenched the steering wheel, and at this time, he felt a pair of sharp eyes staring at him. It was Xing liehan who found his car, and his eyes were startling.

Xing liehan probably guessed who was in the car. He just narrowed his eyes like a warning and led Tang Siyu to accompany his son into the villa.

Tang Siyu's eyes are focused on the little guy. His mouth and eyes are full of smiles. He doesn't find mufei's car at all. Xing liehan doesn't plan to tell her.

Murphy sat in the car and bit his teeth. Just then, his cell phone rang. He reached for it and said, "Hello!"

"Mr. mu, it's not good. I just received some news. Xing Yan seems to have a sense of regret. He doesn't seem willing to buy it."

"What?" The handsome face of mufei changes.

"Xing Yan seems to be ready to fight with you. He has transferred most of his company's property overseas, and he has given the executive power of the company to his vice president."

"Damn it." Mufei angrily drinks, Xing Yan even dare to repent.

Murphy's car left at once.

In Xing Yan's villa, he is also restless at the moment. He said to the three gold lawyers sitting next to him, "are you sure you can win this lawsuit? I don't have to do it? You'd better be sure, or I'll be finished. "

"President Xing, you can rest assured that we have investigated the background of Tang Yiyi. Her previous private life has been bad, so we can deduce that she took the initiative in your event."

"But what about the video?"

"So, Mr. Xing, before we fight this lawsuit, we must find a way to get that video back. I believe this is the evidence of Tang Yiyi's privacy. Except in her hands, it is absolutely impossible to copy it to others, so as long as we find Tang Yiyi, we will find that evidence."

"Yes, yes, Tang Yiyi didn't dare to give such a thing to anyone at all, so the video was in her hands, absolutely not wrong." Xingyan's mouth raised a cold smile. He didn't expect that things would change. Besides, his company didn't have to be handed over to Murphy."Mr. Xing, Murphy's phone number." His assistant handed over his cell phone at once.

Xing Yan snorted coldly, picked up the phone and looked at him. At this time, he had some confidence. However, he dare not let mufei know his intention of repentance now.

He went to the side hall. "Hello, Mr. Mu!"

"Xing Yan, what the hell are you doing? Our contract should be signed three days in advance. We must sign it the day after tomorrow." Murphy's voice came.

Xingyan hurriedly said, "Mr. mu, didn't I tell you? My company's accounts are disorderly, and there are many things that haven't been dealt with properly. How about I sort them out for you first, and then talk about the acquisition? "

"No, I'll take over your company in three days." Murphy said coldly.

"Three days. It's too short. Give me a week and another week. I will sign a contract with you."

"Three days, no more time, and you'd better not give me tricks, otherwise, even if I don't want your company, I will let you go to jail." Murphy finished warning and hung up.

At this end, Xing Yan was scared to death. This time, he dared not really bet that he would win. However, he would never give the company to Murphy.

As soon as Xing Yan came out, he said in a loud voice, "you'd better find the video for me immediately."

"Is it possible that the video is on Murphy?"

"It's also possible that Murphy and Tang Yiyi used to be a couple. Tang Yiyi trusted him the most. Now Tang Yiyi may be ashamed and angry and want to die. The video may also be in Murphy's hands."

"Hum! If it's in his hands, then I'll kill him. " Xing Yan said fiercely.

Chapter 440

Xing Yan went to a newspaper and saw Xing liehan's wedding. He said angrily, "Xing liehan didn't even call me marriage. He really didn't pay attention to me."

However, Xing Yan has no face to go now. Originally, if he didn't quarrel with Xing liehan, he can ask for help if such a thing happened. At least Xing liehan can help the company.

However, Xing Yan killed himself and gave up the affection. If he didn't marry Qiu Lin, Xing liehan would not be at least against him, but he married Qiu Lin, who was the most hated person of Tang Siyu. Then Xing liehan would stop thinking about affection and directly turn him into an enemy.

Tomorrow is Tang Siyu's wedding, and Suxi is not idle. She has prepared a gift for Tang Siyu. Xing Lihan and Tang Siyu's bridesmaid and best man invite a proud disciple of Jiang Shan. At the same time, after Suxi's wedding, Tang Siyu invites Suqin to worry about the role of the bridesmaid. Although she wants Suxi to join her, she is married. The bridesmaid's life is natural. There are only two bridesmaids left, so the best man only invited two, one is Han Yang, the chief assistant of Xing liehan, the other is Wen Liangyao. The two families are family with good relationship. At the same time, Xing liehan also called a pair of handsome and lovely younger brothers and sisters to be their best man. At the same time, Tang Yixi decided to join his father. From wearing a suit, standing on the flower table, waiting for his mother, because Tang Siyu is the two most important women in their lives.

Because of the relationship between Tang Siyu and his side, we don't have to abide by too much etiquette, as long as we are happy.

Before Jiang Lan was not ready to make Xing YINUO and Xing YIFAN count together, but now, Xing liehan promised, but Xing YINUO was ruined by music, and she was still with Wen Liangyao!

Fortunately, the dresses prepared by the two brothers and sisters are also high-end customized ones, which are just suitable for tomorrow's wear.

At the end of the deep sea, the sky is breaking, a crack is torn, and the belly of the fish is white. With about six o'clock, the golden sun covers the world, and a beautiful day comes.

This day, for some people, is the most important moment, not ordinary at all.

When Tang Siyu woke up, she looked up and saw that this was not the right time for the alarm clock she set last night. She clearly set three alarm types, seven, seven twenty and seven fifty. But why did she wake up at seven fifty?

So who turned off the first two alarm clocks? Guess who else?

When she was sleeping last night, she told him that she had set the alarm clock there in a murmur, afraid that she could not get up. However, the man turned off the first two for her.

Although I think it's a little hateful, but I still feel sweet and Zizi. With the alarm clock, her sleep will be good. So she slept another half an hour in vain.

"Awake?" Xing liehan came in from the door dressed neatly.

"What time did you get up, and why did you turn off my alarm clock?" Tang Siyu asked very puzzled.

Xing liehan looks at her with a low smile. "It's enough to get up at half past eight. Let you sleep more."

"Well, I'm the bride today. I have to get up early to make up."

"My aunt and her team are still on their way. Don't worry. You can go to sleep."

"No more. I have to get up. I can't sleep."

"Good." Xing liehan answered, pressing the switch to open the curtain, only to see a blue ocean coming into view outside the automatically opened curtain.

Tang Siyu's anxious mood immediately calmed down after seeing this sea area of Wei Lan.

"Beautiful." Tang Siyu praised her, but now she is not enjoying the sea view. She has to get up.

As soon as Tang Siyu turned around, he was held by a man. Tang Siyu looked up at him with a smile. "What's the matter?"

"I really want to hide you from anyone, the male guests, especially Murphy." Xing liehan gnashed his teeth and said that a handsome face was full of jealousy.

Can be jealous to this extent, Tang Siyu can only say speechless, she hug him, coax him, "I'm all your people, what are you not satisfied with?"

Yes, what is Xing liehan unsatisfied with? Sure enough, he lowered his head and kissed her on the face. "OK, I love to hear that."

Tang Siyu let go of his hand and went to the bathroom to wash. Xing lie was biting his thin lips. A handsome face was facing the golden morning light, just like a jade carving, impeccable. Today, he will become the most handsome groom.

Later, Tang Siyu and Xing Lihan go to a special dressing room nearby. Jiang Shan arrives with her favorite disciple Yan Meng and her team. Jiang Shan is also involved in the wedding. So, she does things in a proper way.

"Auntie, Siyu will ask you." Xing liehan said, holding her shoulder.

Jiang Shan laughed, "don't worry! I will certainly give you a beautiful bride today. "

"Of course I do, and my bride is beautiful. Finish saying, still don't forget to pass a glance to Tang Siyu, Tang Siyu only feels his face is slightly hot, how can this man become a crazy wife? Jiang Shan also agreed with her, "yes! Did you know you were so blessed? "

"Siyu, I'm here." Behind them, Suxi and Suqin came in arm in arm. Tang Siyu said to them, "Xixi, sister Qin."

Su Qin smiles and nods to her. Xing Lihan is a man, so he is not easy to participate in the circle of women. He says to Su Xi, "Li Chen!"

"He's in the next lounge. You can go to him!"

"Good."

"Half an hour later, remember to come over and make up and put on the bridegroom's clothes." Jiang Shan reminded him.

When Xing liehan left, Jiang Shan's men began to make up for Tang Siyu. Next to him, Su Qin, as the bridesmaid, was also made up by the make-up artist and Yan Meng. Soon Xing Yinuo arrived, and Jiang LAN came in with the little guy.

"as like as two peas, my nephew is like a real dad." Jiang Shan loves to hold the little guy in her arms.

"Auntie." The little guy is very polite.

"Look how sweet this mouth is. Today, my aunt gave you a big red bag." Jiang shangua included his little pink face, "it's really a little cute."

"Auntie, you'll have to make up for me later." Xing Yinuo came forward and said that she also wanted to be beautiful.

"Don't worry! My aunt will make up for you in person in a moment. However, if you are a child, just make up a light one! "

"Well! As long as it's beautiful. "

"You are beautiful enough." Jiang Shan praised.

The little guy sat on the sofa behind him and began to enjoy mommy's make-up curiously. After a while, he went up to have a look. After a while, he sat aside quietly. Sushi peeled a piece of sugar for him to eat and looked at his son for Tang Siyu.
