

U. CEO Daddy 441

Chapter 441

Tang Siyu's make-up turned into a pure white wedding dress with natural and elegant make-up. She was about to turn into the most beautiful bride. On one side, Suqin and Yanmeng also changed into water blue Bridesmaid clothes. Fortunately, Jiang Shan asked people to quickly change a bridesmaid dress to a smaller size and wear it on Xing YINUO's body. Xing YINUO was very happy.

Taking advantage of Suqin to answer the phone, Suxi hurriedly pulls Tang Siyu aside and whispers.

"Siyu, are you throwing flowers or sending them today?"

"I use what I throw, and whoever I throw it into will count." Tang Siyu doesn't want to fake like her!

"Then you can see it! It must be put into my sister's hands. The next one to get married is her. I asked Yan Meng. She said that she had not planned to get married yet. And YINUO is so small, you should give it to my sister. " Suzy said to her.

Tang Siyu smiled and nodded, "OK, give it to sister Qin! How about I just leave it to her? "

"Yes, give it to her." Suxi finished, Suqin picked up the phone and came in. Suxi hurriedly pretended to reach out and tidy up Tang Siyu's headdress, as if he didn't whisper.

Sushi asked curiously, "sister, who is calling you?"

"Nothing at work. I may have to go to training again in a few days." Suqin said in some distress.

"Sister, when do you want to take a vacation? When will I come back from my honeymoon, where will we go for a vacation?"

"How can I have such a time." Suqin is a workaholic.

"No, I have to squeeze. Anyway, I don't care. I'll rush you later." Su Xi said, then think of her husband, "I'll go to the man's side."

"Susie, help to get those men over. I'm going to dress them up." Jiang Shan said to her.

"Right now." Susie went out laughing.

After a while, Xing liehan's handsome and forceful figure stepped in, followed by men of the same color and formal clothes. Su Xi walked in the end with Wen lichen in his arm.

As soon as Xing liehan entered the door, he was amazed by his bride. For a while, in addition to her, there was no room for others in his eyes.

Tang Siyu is letting the assistant fiddle with his headdress. Hearing the sound of pushing the door behind him, he immediately looks back and directly touches the deep and charming eyes of the man. They look at each other in some busy hall.

Affectionate and affectionate.

"Daddy." The little guy immediately came forward, holding the handsome daddy's long legs to show his sense of existence.

Xing liehan lowers his head with a smile, holds his son in his arms, and looks at a small black hair, which is well shaped. The pure black butterfly knot is tied. He is very dignified. He immediately kisses his little face twice.

"It's my son, follow me." Xing liehan said proudly.

Everyone on the side gave him a look, you're right.

Tang Siyu thinks that he is a little over the top. He used to show off his wife and son now. Isn't he afraid to arouse the common indignation of the whole room?

Wen Liangyao's eyes also fell on Xing Yinuo. Xing Yinuo was dressed in a fairy bridesmaid dress, and immediately turned into a forest elf, with a kind of beautiful ancient spirit.

Being watched by Wen Liangyao, she turned around shamefully and didn't want to be watched by him.

Han Yang's eyes also noticed the Yan Meng standing beside Suqin. Yan Meng's eyes just touched him. Han Yang '.

Standing in this room, except for Jiang Shan and some married assistants, there is only a push of young people. Among the young people, the most easy thing is sparks. Therefore, the sparks in this room are dark and sizzling.

"Lie Han, come here. I'll make up for you myself."

"Auntie, it's easy. I'm so handsome." Xing liehan immediately sat down.

One side, Tang Siyu a few girls to make a chuckle, next to a few men dare not have strange words, who let him really handsome? There's no place to pick shortcomings!

"You will be poor." Jiang Shan was also amused, put him on the seat, still don't forget to laugh and scold.

The room is busy, and the guests outside are also coming. Jiang LAN and Xing Zhengting, as well as the two old Wens, accompanied by the reception, and a group of former xingzhengting subordinates, all came to help. This banquet will open a hundred seats, with a large number of guests and a large amount of work.

Murphy lost sleep last night. He just fell asleep on the sofa in the morning. However, before he had slept for an hour, his assistant called him and told him that after tracking Xingyan, he asked another lawyer to come home today. Besides, his close subordinates also went to his home today. They didn't know what he was going to do. They asked him if he wanted to do something 。

Mufei's face was a little tired. He rubbed his eyebrows and said, "forget it, let him! I'm going to a wedding today. "

"Mr. mu, are you really not going to find Xing Yan? If he really has something behind his back, your plan for the acquisition is in danger. ""Don't worry, don't disturb me today." After that, Murphy hung up the phone. He went to a nearby cabinet and opened the present he had given today. It was a

very delicate diamond piano. It was just a display, but every diamond on it was real. So, although it was just a display, it was worth a lot.

This is the wedding gift he gave to Tang Siyu. Although he was reluctant, when he saw the invitation card written by Tang Siyu himself, all the unwilling became powerless. Sometimes, to love someone is not what you want to love, but whether you have the qualification.

In fact, he knew the past and just watched her become someone else's woman. He could refuse or send a gift to her.

However, how could he refuse to go when she invited him? The only thing he can do now is to listen to her, go to her wedding and witness her happiness.

Murphy decided not to do anything today. He only went to Tang Siyu's wedding. Murphy went out. On his copilot's seat, there was a small diamond piano, shining in the sun.

His car arrived in front of the most luxurious manor villa on the coastline. There was a large parking lot. There were many luxury cars. Murphy's car stopped in a parking lot under the guidance of children. He pushed the door to get off, gently picked up the piano and walked towards the door.

Here, the invitation cards submitted are all scanned in, and there are identity checks. Mufei stands at the door, submits the card, and enters after scanning.

Looking at the happy words pasted on a sculpture in the center, Murphy's eyes flashed a dull.

Chapter 443

Han Yang couldn't help but look at Yan Meng. Under his eyes, Yan Meng lowered his eyes shyly, but his face was happy.

Suqin's eyes looked at the new couple's body, and the envy color of her eyes was quietly surging up. Her eyes were slightly wet. About a week in a row, she witnessed the happiness of the two new couples, but her own, but she didn't know where, naturally, she felt something.

Xing Yinuo is still young. She only thinks today's brother is handsome and her sister-in-law is beautiful. Then, she is more determined and yearning. When can she wear such a beautiful wedding dress?

Just thinking about it, a pair of big eyes don't know how to match Wen Liangyao's eyes. She thought about wearing the wedding dress originally. Suddenly, she was very shy. She hung down her small face, looked at her nose, looked at her heart, and dared not glance at it.

Wen Liangyao smiles slightly, and there is a touch of favor on the bottom of his eyes.

The pastor's voice was very loud. I only heard two voices I would like to ring. There was warm applause from the audience.

Tang Siyu's ring finger is covered with the ring that belongs to her alone, while Xing liehan's nameless ring is the same pair of rings.

"Now, the bridegroom, please kiss the bride." The priest smiled.

Tang Siyu is a little shy, Xing liehan gently opens her veil, and Tang Siyu looks up. His eyes collide with each other. Tang Siyu blinks his eyelashes slightly, and bends his mouth slightly to meet the man's kiss.

After kissing, Xing liehan chuckled and announced, "you are my man."

"I have already been, haven't I?"

"I want to prove it over and over again." Xing lie's hoarse voice.

Tang Siyu is speechless, but his eyes are full of smiles. "Welcome to prove it."

"Daddy, I want to kiss Mommy." At this time, Xing liehan's long trouser legs were caught and shaken by the little guy.

Xing liehan immediately stooped down and picked up his son. Tang Siyu also slightly turned his face to let the little guy kiss him.

"Well, next, I'm going to throw the flowers!" Tang Siyu said to the two girls behind him.

As soon as Xing Yinuo's eyes brightened, he suddenly thought that he had her share. At this time, Wen Liangyao's hand suddenly reached out and pulled her to his side.

Tang Siyu threw a bouquet behind him, which was originally thrown to Suqin.

Suqin didn't think of it for a moment. In her astonishment, she held a flower in her hand. She looked at the flower and couldn't help crying and laughing. At this time, she turned to Yanmeng's arms and handed it to her, "here you are!"

"Sister Qin, this is yours!" Yan Meng smiles.

"But I don't need it." Suqin still thinks it's suitable for her.

"I don't have a boyfriend yet!" Yan MengWu mouth a smile, and then, at the foot of the skirt, scared her body to the side of a lean, Han Yang will hold her.

Yan Meng is suddenly ashamed, and Han Yang has a smile in his eyes, "is it OK?"

"I'm fine, thank you." Yan Meng's heart is not happy. She has no boyfriend, so this one around should have heard it!

Han Yang did hear that, and at the same time, he was delighted.

"Sister Qin, come on! The next hope is to attend your wedding. " Tang Siyu said to Suqin with a smile.

Suqin had to hold the bouquet in her arms and smell it

Under the stage, mufei's eyes have already had the color of blessing. He really has no way not to wish a happy Tang Siyu.

At this time, his mobile phone rings, he picks up a look, it's Tang Yiyi calling, he takes the mobile phone to get up and leave the position, come out of the side hall next to answer.

"Hello."

"Murphy, I'm so scared. I don't know why. I have a bad feeling. When will Xingyan give you the company?" The voice of Tang Yiyi was worried.

"Don't worry, it will take some time. I'll see you later."

"Well, you must come. I need you." Tang Yiyi whispered.

"Well, I'll be late. I can't leave now."

"Where are you?"

"I'm at Siyu's wedding."

"What? Did you go to her wedding? How did you get there? " Tang Yiyi was shocked.

"I let her go."

"Murphy, are you willing? Don't you hate that you love her so much and she marries another man? " Tang Yiyi did not forget to arouse his hatred for Xing liehan.

Murphy immediately stopped her. "Dependence, people live, not necessarily hate what talent is good, sometimes, put down better than hate."

"In a word, I will hate Tang Siyu all my life."

"I'll come later." Murphy said, hung up the phone, he was ready to go back to the hall, suddenly thought, he turned to the direction of the door.

He didn't have to stay here any more. Just as he got into the car, Murphy got a call from his assistant.

"Mr. mu, you really should go to find Xing Yan. I feel that he is planning something. His family has always had lawyers and confidants in and out."

"You watch first, and I'll be back in a minute." Murphy said, thinking, maybe there is no way for Tang Yiyi to go. He needs to deal with this first. Xing Zhai and Xing Yan are soliciting lawyers to discuss at the moment, but his people are waiting for a person in a nearby hotel, a person who can help him completely.

When the door rang, Xing Yan walked to the door and saw a middle-aged man standing outside and looking at him, "Mr. Xing, I have been waiting for a long time!"

"It's OK. I have to wait for you patiently. I'm afraid you won't come. I'm ready for the money you want. Now, when will you give me the information I want?"

"I'm very lucky to have the news. It's worth your money."

"I have made a lot of offers this time. A billion yuan is not so lucrative. How can I give up without the best news?"

"As long as my card has information, I will give you the information you want immediately."

Xingyan picked up his mobile phone and immediately operated it. The man's mobile phone rang a message sound. He opened it and was about to be blindfolded by the zero shake on it. He was satisfied with a smile. At the same time, he edited a message with his mobile phone and sent it to Xingyan's hand.

"This is the address of Tang Yiyi's apartment. She's in her room now, and she hasn't gone anywhere. As for mufei, he went to Xing liehan's wedding as expected. I'm sure Xing will send someone to ambush him!"

"I can't lose this game, so I'm ready for everything. Mufei has a strategy, but he's young and he's not as tough as me. He'll lose." Xing Yan laughs coldly. Looking at the address, he picks up his mobile phone and can't wait to dial up a number. "The address has been sent to you. Hurry to find someone for me and tie him to the place I designated. Never miss, or you will be responsible for the consequences."

"Yes! It's bound to bring people here. " People at that end answered.

Chapter 444

After that, he was busy dialing through another string of numbers. "You all stare at me. As soon as Murphy comes out, you should do something for me immediately. Remember, be clean and tidy. Don't let him have a chance to talk again."

One side of the middle-aged man immediately broke up a layer of sweat, Xing Yan's ruthless, but also made him have lingering fear.

"President Xing, if there's nothing wrong, I'll go first." The middle-aged man turned and pushed away.

Xingyan's eyes flashed gloomily. He spent 100 million yuan to deal with Tang Yiyi and Mufei. Although it was a loss, it was the best solution he could think of.

Murphy came out from the seaside manor. He saw that it was almost 12 o'clock. He thought about it and took out his mobile phone to get through Tang Yiyi's phone. Hello, Murphy, are you here Tang Yiyi's mood was very low.

"Yi Yi, I'll come to see you later. Besides, you should be careful. Xing Yan may send someone to look for you. You can rest assured that no one knows your position except me."

"Murphy, I'm afraid. Can I send you my video? You keep it. Don't show it to anyone except you." Tang Yiyi pleaded.

"Why send it to me?" Murphy asked.

"I don't know. I always feel uneasy. Even if I die, I will pay for Xing Yan. Murphy, you promise me that if I get something, you must send him to prison for me."

"Yiyi, don't do stupid things." In Murphy's voice line, there are several threads of concern. Tang Yiyi's mood has been unstable recently. He calls him every day.

"I won't do anything stupid. I'm just in case." However, Tang Yiyi's voice has a kind of loveless meaning.

Murphy also understood her. Before, a girl who was so coquettish and proud, now she has come to this point. What's more, she is the man her mother once married. This experience, even if Tang Yiyi wants to forget, can't forget the shame.

"Yi, I want to drive a little bit. I have something to do. I'll see you later." There was reassurance in Murphy's voice.

"Good." Tang Yiyi hangs up.

After a while, Murphy received an encrypted video from her in her email. Murphy saved it in the secret file of her mobile phone.

Murphy's car drove to a flower shop. He wanted to order a bunch of flowers for Tang Yiyi, because the phone call just now made him worried about Tang Yiyi's mental state. Although he could not go to see her in person, it was better for him to send a bunch of flowers to comfort her.

After ordering a bunch of flowers, Murphy walked out to his car and pulled through Tang Yiyi's number.

"Hello, Murphy."

"Yiyi, I ordered a bunch of flowers in the florist's shop and they will be sent to you in a moment. Don't worry about opening the door to collect them. I specially asked a girl to give them to you You... "

Murphy heard a particularly sharp and harsh sound of accelerator. He looked up and saw a runaway truck coming towards the position where he was standing. The speed made him avoid. However, Murphy made the fastest move to avoid.

But even so, a corner of the car has hit him, and his body suddenly hit him a few meters away. It seems that the out of control truck body is still in the posture of trying to continue to hit. Only two passers-by saw it, and immediately rushed to mufei's face, quickly lifted him away from the faint, and the truck ran over mufei's position and ran away.

Murphy woke up briefly in a sharp pain. His mouth brimmed with blood, and he bit his teeth and said, "take me Give me my cell phone... "

A passerby picked up his mobile phone and gave it to him quickly, "Sir, your leg is bleeding, are you ok! Take you to the hospital. "

Murphy closed his eyes tightly, but held the mobile phone tightly in his hand. He knew that Xingyan had arranged all these things, so at this time, he had only one idea to pay Xingyan.

Tang Yiyi was on the other end of the phone. She used to keep talking with mufei. However, she heard a loud vibration of her mobile phone and the roar of cars and iron, like the sound of out of control trucks.

"Mufei Murphy... " Tang Yiyi hissed at the end of the phone to call the name of mufei.

, however, soon the phone was switched off. Tang Yi realized what was going on. She was about to collapse. What was Mu Fei Kwai Fei? Is something wrong with him?

What happened to him? Tang Yiyi walked back and forth in the room, biting her fingers. She didn't know what she could do. Just then, her doorbell rang, and she was shocked.

Is it Murphy's flower giver? She did not walk quickly to the door, but only saw a man in a hat, not a girl, and she did not see any flowers in his hand.

A sense of danger enveloped Tang Yiyi's heart. Did Xing Yan's people come to him?

She thought of the crash and the car noise from Murphy's cell phone just now. She stared, and the whole person gasped.

Did Xingyan start to move to mufei? Mufei killed?

"No Murphy, did I harm him? I killed him? " Tang Yiyi shrinks on the sofa, and at this time, the door knocks louder and louder, as if the person outside is going to grab the door and enter. Tang Yiyi's face turned white and trembled with fear. After Xing Yan's incident, she was already frightened and uneasy about the outside world.

"Don't Don't come in, don't come in. " Tang Yiyi shakes his head in fright, retreats like a person whose spirit is ready to collapse at any time.

However, there was a sound of keys outside the door, as if someone was trying to open the door with some key.

"Ah..." Tang Yiyi screamed in fright. She covered her ears and didn't know what to do except scream.

Plus the voice of Murphy's accident on the phone just now, she is sure that Murphy must have had an accident. Murphy is all she depends on. She has Xing Yan's evidence in her hand. If she falls into his hand, she will die miserably.

No, Tang Yiyi's eyes flashed a strong fear. She would rather jump off the balcony than be caught by Xing Yan, which would make her life worse than death.

At this time, people outside the door seemed to use some tools to pry the door lock. Tang Yiyi's eyes flashed a flash of despair. During this period, she had many thoughts of death, and now, it has reached the strongest.

She suddenly rushed to the balcony. She looked at the twenty story high-rise building. Although she was afraid, there was also a desire for relief. At this time, there was a rude door pushing sound on the other side of the door. She heard the footsteps of several men, and the sound of searching. "How about people?"

At this time, a man quickly stepped out of the balcony. Tang Yiyi was at the edge of the railing at the moment. The man was ready to come and grab her at once. However, he threw himself into an empty space, because Tang Yiyi's body was like a leaf, flying straight to the ground from the 28th floor.

Tang Yiyi's life ended like this. She left the world faster than her mother, because she had no face to live any longer.

Chapter 445

In Tang Yiyi's room, several men hurriedly withdraw from the door. They stride out of the apartment. When they pass by the door, they just see a police officer coming by and covering the girl on the ground with a piece of clothes.

Don't guess, that must be Tang Yiyi who just jumped from the building. A man picked up the phone and dialed Xing Yan's number.

"How are things going? Did she get her cell phone and computer back? "

"Boss, don Yiyi is dead."

"What? I didn't ask you to kill her, I just asked you to tie her back. " Xingyan immediately said angrily.

"Boss, we didn't kill her. She jumped from the building and killed herself. When we rushed in, I tried to pull her, but it was still a little late. What about her mobile phone? What about her computer? "

"When she was jumping off the building, her cell phone was in her hand. She should have fallen down together. It must have been broken."

"Bastard, she was forced to die. This is not over yet. You should leave the scene quickly." Xing Yan angrily orders.

The sound of a police car and ambulance came from far and near, but everyone knew it was too late.

Tang Yiyi, once such a proud miss of the Tang family, finally fell to this point, only one exclamation.

In the hospital, Murphy was falling into a coma. The collision almost killed him, but fortunately he picked up a life, but his leg was seriously broken. At least half of the wheelchair needs to be made. At this moment, Murphy's family has arrived. They never thought that their son would be hit by a car in the street.

Moreover, listening to the two passers-by at that time, they said that after the first collision, the car didn't seem to give up and wanted to crash again, so this was a murder, and this was a purposeful murder.

"Son, don't be busy, don't be busy!" Madame Mu's tears were streaming down her face. From the moment she received the news, she had no way to calm down.

"Don't worry, my son will die." Master Mu hugged her. Even if he was worried about his son's injury, he could only bear it.

Murphy woke up for a while during the operation. He was conscious for a short time. He said to the doctor, "contact Tang Siyu Go to find Tang Yiyi She's in danger, my cell phone With their numbers In Jiafu apartment District... "

The doctor asked a nurse to come out and put Murphy's words into Murphy's ear. After hearing Murphy's words, he thought that his son was seriously injured and remembered this matter. It must be very important.

He can't let his son worry at this time. He finds Tang Siyu's number from Murphy's mobile phone and dials it up.

At the moment, Tang Siyu is resting in her wedding room. Xing liehan has not come back with her guests. She first comes back to rest. At this moment, her mobile phone rings. She takes a look at it. The number on it makes her stunned. It's mufei's.

He came today, she saw it, she thought, it's time to make everything clear to him, she took it without hesitation for a few seconds.

"Hello."

"Hello, Siyu, I'm mufei's father..."

Tang Siyu was stunned and twisted his eyebrows. "Uncle mu? What's the matter? "

"Siyu, mufeigang has just had a serious car accident. Now he is dizzy, but he just woke up for a short time, saying that Tang Yiyi is in danger. Let you find her. Siyu, please find Tang Yiyi! Murphy's car accident is man-made. I believe that those who hurt Murphy are on their way to harm Tang Yiyi. "

Tang Siyu's heart tightened. "Where is Tang Yiyi?"

"I just called Tang Yiyi and her cell phone turned off, but Murphy said a community address, which is called Jiafu apartment community..."

Tang Siyu didn't expect that he would get the dangerous news of Tang Yiyi on the day of the big marriage. All the past gratitude and resentment flashed in his mind, but at the moment, she didn't hesitate for a second. She said to that end, "OK, I'll go to find her right away."

"OK, you go! I have to keep mufei. He is not out of danger..." His voice was heavy and sad.

Tang Siyu calls Xing liehan in the next second.

"Hello, miss me? I'll be right up." The charming voice of Xing liehan sounded.

"Lie Han, come back quickly. I need you to accompany me to a place." Tang Siyu's voice was a trace of urgency.

"Where?"

"I'll tell you when you get back. Drive to our door. Hurry up." Tang Siyu finished, she reached out to pick the princess corolla on her head, and also took off a happy dress. She took a skirt in the wardrobe, and hurriedly took the exquisite pearl bag and went downstairs.

Xing liehan's car had just stopped. He watched Tang Siyu rush out of the door and open the front passenger's seat and sit in.

Xing liehan saw that she had changed a suit of clothes and her hair was tied up at will. He could not help worrying, "what's the matter? Is something wrong? "

"Let's go to a place. I'll tell you on the way to Jiafu apartment district. Hurry up."

Xing liehan immediately set up the navigation, the sports car drove out of the gate of the manor, and Tang Siyu just told him all that the master Mu had just called. Xing liehan hears that Tang Yiyi is the one who is going to rescue now. Although he is unhappy in his heart, he is willing to do so for the sake of Tang Siyu.

He also knew that the past gratitude and resentment had passed for her, and now Qiu Lin paid the price, and Tang Yiyi and her still had the blood of Tang family.

Tang Siyu is wringing his eyebrows. There is a trace of worry in his eyes. It's about mufei. How was he hurt when he had a car accident?

No one's heart can be so hard that he will know each other once if he doesn't worry about the other's serious injury.

Arriving at the gate of Jiafu community, Xing liehan's car stopped and asked her, "is it here?"

"It should be right here, but Murphy didn't tell me how many floors it was." Tang Siyu finished, push the door to get out of the car. When she was going to find someone to ask, two aunts with a loud voice were talking politely.

"It's said that it's the 28th floor. Where can I live! It's so miserable. I heard that the girls in that family are so young! It's a pity. "

"The blood has flowed all over the place. Our aunt has swept it several times. There is still blood on the ground!"

"It's too sad. How sad her family should be!"

Tang Siyu listened, inexplicably there was a kind of fear and uneasiness. She asked the two aunts in a hoarse way, "did you just say that someone jumped this morning? Is this the only community? What kind of girl? "

"Oh, you don't know! That girl is about your age! Just two hours ago, when I jumped down from the 28th floor, the police came several times to investigate the matter. It seems that I heard about the girl's surname? I just heard the police asking about the property. The property said a name Call... "

Chapter 446

"I remember that girl's name is very pleasant. It's Tang Yiyi."

Tang Siyu's footsteps clang back, behind her a solid arm around her waist, Tang Siyu can't rely on his arms, murmured, "no How could she jump? No... "

"Girl, do you know Tang Yiyi? You can go to the police station. It seems that the body has been transported to the hospital. "

Tang Siyu's face was pale. He looked up at the man behind him and said, "go to the hospital with me. I'm going to see if it's her."

"Good!" Xing liehan had a premonition that Tang Yiyi should be the one who had an accident.

However, for Tang Siyu, the blow is too big, so he must accompany her to confirm this. She is the only person in the world who can collect her body.

Tang Siyu is sitting in the car. She gasps and covers her chest. Now, she still has a feeling of disbelief. Tang Yiyi just left the world?

At this moment, Tang Siyu still feels the heartache and sadness.

In front of the heavy topic of life and death, all the enmity and resentment seemed to disappear. When I arrived at the nearby hospital, I found out that Tang Yiyi's body was indeed collected in this hospital. It was said that some relatives came to make an application. The doctor immediately went through the formalities and took them to the morgue.

Tang Siyu's steps have been a little weak. If Xing liehan hadn't walked beside her, she would have no courage to step into this place.

"If you're afraid, I'll see it!" Xing liehan couldn't bear to see some bad pictures.

"I can." Tang Siyu firmly said that maybe this is the last side of seeing Tang Yiyi.

When the doctor opened an ice chest, Tang Yiyi's pale face appeared in the fog in the cold. Tang Siyu had been prepared for it. However, after seeing Tang Yiyi's death, she still covered her lips and couldn't restrain the color of heartache. Xing liehan helped her out. The doctor said that the police were still investigating the matter, so Tang Yiyi still hasn't It can be cremated. We need to wait.

Tang Siyu also hopes that the police can find out something and return Tang Yiyi to justice. However, she feels that it must be not simple. Maybe some things can not be found out or interfered by the police, and mufei must be involved.

"It's Tang Yiyi indeed. It seems that she was killed when we were late."

"I want to find out. I want to know who did it and who killed her." Tang Siyu looks up at the man around him and asks for help.

How can Xing liehan refuse her request! He nodded. "OK, I'll check this."

"Murphy also had an accident. I think the most clear person is Murphy. Can we go to the hospital to see him?" Tang Siyu's eyes were full of entreaties.

She knew that Xing liehan did not like mufei from beginning to end, so she was not sure whether he would like to visit him at this time.

However, Xing liehan's answer surprised her, "well, I'll accompany you to see him, and he's very miserable."

Tang Siyu nods. At this time, Xing liehan's cell phone rings. It's his parents who call. They are told to arrive at the banquet hall before five o'clock. We need to greet the guests tonight.

Xing liehan, responding to the delay, took Tang Siyu to another hospital.

When Tang Siyu and Xing liehan arrived, mufei had finished the operation and sent it to the exclusive ward.

One of his legs was plastered and tied with bandages, and his forehead and arm were bruised. What's more, he suffered from internal injury. After the operation, he was also severely injured. Now, he is waiting for him to wake up again.

Tang Siyu and Xing liehan came to visit mufei. Tang Siyu didn't think about it. So a gentle and elegant man, at the moment, was hurt all over and almost passed death. At the moment, her heart was hurt.

"Uncle, do you know who is to pay Murphy?" Asked Tang Siyu.

"I don't know much about the company. Murphy seldom mentions it to me. It's probably the company's enemy who came to visit." Finish saying, Mu master's eyes looked at Xing liehan next to him. The eyes were complicated.

Xing liehan can see what he is thinking at a glance. He hooks his lips and says, "don't look at me like this, master mu. I haven't thought about fighting your son yet."

"Uncle, it's not him at all. Please believe me." Tang Siyu also named Xing liehan.

"In a word, whoever killed my son, I must make him pay the price I Cough... " As soon as the old man was excited, he coughed, and his momentum was weakened.

"You! Don't think about anything else. Wait until your son wakes up! " Madame Mu supports her husband, worried and upset.

Tang Siyu sighed and looked at the comatose mufei. She hoped that mufei would wake up and tell her who killed them and who did it.

At this time, Murphy's hand gently shook, along with, he also opened his eyes, he woke up."Mufei, you wake up." Tang Siyu exclaimed in surprise.

Madame Mu rushed to her son's bed and got excited. "Son, you're awake. Please call the doctor to check..."

"Mom, I'm fine. Don't call a doctor first." Mufei shakes his head and makes a hoarse voice. However, he looks at Tang Siyu and his wife. When she looks at Tang Siyu without Tang Yiyi, and her face is not good, he has an ominous premonition.

"And Yiyi? Where is she? " Looking for Tang Siyu.

Tang Siyu's eyes fell painfully, "when I went, she had already jumped from the building. We were late..."

"What? Did she jump off the building? " Mufei's face was also heavily attacked. He didn't expect that he could not protect Tang Yiyi. Xing Yan was a devil.

In the fierce mood of Murphy, he suddenly vomited a mouthful of blood. Tang Siyu's face changed with fear. Murphy said, "I'll go to the doctor."

"Miss Tang, please don't be angry with my son. He just had a serious injury operation. You Come and see him another day! He can't stand the thrill. " Mrs. Mu pleaded.

Tang Siyu is also very guilty. Telling him the news of Tang Yiyi at this time is really not conducive to his wound recovery.

"Well, let's come back another day." Don Siyu doesn't want to close up.

Mufei covers his chest and looks at Tang Siyu weakly. "Wait a minute, Siyu. Wait a minute. I need your help..."

Tang Siyu looked back at him. "What's the matter, you say it!"

"Mom, get my cell phone." Murphy gritted his teeth, saying that he really couldn't do anything like this.

Madame Mu handed him his mobile phone. After mufei clicked on it several times, he said to Tang Siyu, "I sent a video to your mobile phone. This is a video left by Tang Yiyi before her death. This video is very important. It's a matter of her humiliation. I can't do anything for her now. Siyu, can you help her finish it?"

Chapter 447

Then Murphy's eyes begged to look at Xing liehan, "I hope you can help her."

"As long as it's a matter of thinking about rain, I won't stand by." Xing lie's voice line is firm.

Murphy's mouth was hooked. "I wish you both the best of luck."

"Mufei, I want to know who killed Tang Yiyi." Tang Siyu asked earnestly.

Murphy sneered, "the answer is in the video. You will soon know that this video can ruin the old bastard and make him go to hell..."

Xing liehan's eyes narrowed, as if he had guessed something, but he was not sure.

"Well, then take good care of yourself. Let's go first." Tang Siyu looks at Xing liehan and they leave first.

Tang Siyu didn't dare to watch the video in his hand. Xing liehan knew she wanted to watch it. He said to her, "get in the car first and watch the video. I won't watch it. After watching it, tell me what happened."

"Good." Tang Siyu nodded. She got into the car and the windows around her closed tightly.

Tang Siyu lights up the video and turns down the volume. However, just as she pulls it open, she sees a shocking and angry picture. She covers her mouth and stares at her eyes. Even if she turns down her voice, she can feel Tang Yiyi's desperate and tragic scream from the screen.

The bastard in the picture is Xing Yan.

Tang Siyu just watched the beginning, she turned off the video, she held her forehead and sat in the car for a while before getting off.

Xing liehan waited patiently for her to come out. Seeing Tang Siyu's angry face, he guessed what he thought.

"Xingyan is a bastard Scum..." Tang Siyu clenched his fists and teeth.

"He did animal things to Tang Yiyi?" Although Xing liehan has already guessed it, he still wants to make sure.

Tang Siyu's eyes were tinged with tears, and she bit her teeth and nodded.

"I will make him pay the price, whether it is for Tang Yiyi or not, I will let him spend the rest of his life in prison." Xing lie's cold eyes light out a bit of ice edge.

Tang Siyu looked at him worried. "If mufei and Tang Yiyi did all the things Xing Yan did, it means that this man is too cruel. You should be careful. I won't allow you to do anything."

Murphy's appearance in the ward just now reminds her of the last time he was reported negative by Ni Yan. She absolutely doesn't want that kind of thing to happen again, and doesn't want him to get hurt again.

"Don't worry, I will never be soft and give him any chance to hurt people." Xing liehan has long since denied such a relative. In his eyes, Xing Yan is a social scum, who has survived.

"What shall we do now?" Tang Siyu asked him.

"Siyu, can you promise me to go back to finish our wedding today? You don't have to worry too much about it. I'll take care of it. " Xing liehan asked.

Tang Siyu almost forgot that it was their wedding day because of anger. She nodded and thought that what she can do for Tang Yiyi now is to send Xing Yan to prison and let him be severely punished by law.

She also thought of Qiu Lin, who was still in prison. Did she know what kind of harm she did to her daughter when she chose to marry Xing Yan recklessly?

To be honest, Tang Siyu really wanted to tell her about it. She saw her remorse with her own eyes, and let her repent for her father and her daughter.

If Qiu Lin didn't hurt her father, her daughter would be hurt at least, and there would never be a chance for such a thing.

But now, Tang Siyu doesn't want to stimulate Qiu Lin any more. She is half mad. She has so many sins to redeem for the rest of her life. Let her not know the bad news first!

In the seaside manor where the wedding is held, the guests drink, talk and laugh in the beautiful seaside villa, enjoy the gorgeous sunset in the evening, and taste the champagne, which is also a wonderful thing.

In such a wonderful day, those lovers will not let go of such opportunities. At this moment, sushi and wenlichen take a car and drive to a nearby Bay, where there are clean white sand beaches, clear bottom water, light night wind and sea waves. At this moment, it is a good place for walking and talking.

Susie was wearing a knee length red dress, gorgeous and kitsch, only sexy and charming. Her long curly hair was raised by the sea wind. She was playing in the sand and waves, and her thin jade feet were raising the sand and picking up shells from time to time. There were only two of them in the whole bay.

"Here comes the wave." Sushi pointed to a pushed wave, like a child, and walked forward in the water. Waiting for the wave to kiss, she immediately giggled and retreated.

Around him, Wen lichen's mature and charming figure stood around his arm, with his eyes focused and doting on her, as if at this moment, the scenery of the sunset was not in his eyes, only her in his eyes.

This woman is his most beautiful scenery.

Sushi looked at the waves coming in, smiled, backed away, backed away, and she ran into someone. She was in a panic and could not stand stably. The whole person was directly held in the chest by the man. Susie raised her eyes, and the man hung his head. His two faces were so close that he could hardly breathe.

In the sunset, Su Xi's red dress has already pulled out the man's heart. Her laughter, sweet as a song, her figure, dreamlike. In short, this woman is going to bewilder him.

At this moment, she is on her own initiative to retreat into his arms and bump into him, so how can he miss this opportunity?

Just played a circle of waves girl, red lips slightly panting, Xidong appearance more attractive, so that men have a desire to crime impulse.

Without a trace of hesitation, a hand clasps the back of her head, and the man overburdens her red lips, seizing her sweetness.

Sushi did not refuse, bear his bullying, at the same time, also love this moment's kiss, take the initiative to hook his neck, let this kiss, lingering deeply.

It's five o'clock, and Susie pushes him, "it's time for us to go back. It's not good if we're late."

"Well!" Wenlichen's eyes were dark, and there was a strong desire for her in them.

He took her hand. "Go back to make up for you in the evening."

Sue blushed immediately. "What's the compensation? I didn't ask you to make it up. "

"Then change it and make it up to me." Said Wen lichen, his face unchanged.

Of course, sushi knew his belly, but he pretended to be stupid. "What do I make up for you? Do I owe you anything? "

Wen lichen chuckled. "You seduced me, and you want to leave?"

"No, I don't!" Susie immediately died and refused to admit it, laughing, a little complacent.

Chapter 448

Wen lichen groaned a little, put his hand around her waist, and pressed her into his arms. "Haven't you said no, don't you know that you are attracting me all the time?"

Sushi's heart was sweet, but he continued to deny it. "I didn't do anything, I didn't do anything, I didn't admit it!"

Wen lichen flicked her bright and clean forehead a little angrily, "hard mouth, let you have a good night."

This sentence made Susie immediately shudder. The man in the evening is totally different from the man now. It is clear that he has a trace of warmth in his beauty. However, why did she die in the evening?

"What? Scared? "

"Who's afraid! I'm not afraid. "

"Well, I didn't know the result until evening."

Susie immediately wanted to cry. She could always get into his trap. Now, he seems to have more reason to bully her.

On the wedding site, Suqin left, but Hanyang and Yanmeng unconsciously spent an afternoon together, chatting about each other's experiences, and they were very happy. A kind of emotion unconsciously pestered two people, which made them feel good for each other.

Love is so sudden and unexpected, but the palpitation of this heartbeat must be the most moving color in the lonely heart.

As if in life, there is a goal, a direction and an expectation in an instant.

However, in this wedding, the most difficult thing is one person, that is Xing YINUO. There are several exercise books in her bag. As Monday is coming, she really has no time to do her homework, so she can only carry them to the wedding. When everyone is resting, she lies in the study of a villa and works hard.

The most painful thing is that the subject knows her. She doesn't know the subject. So she has no choice but to turn to Wen Liangyao for help. So these two people are teaching and learning one by one, spending the whole afternoon here.

Xing Yifan is relaxed and comfortable, but he also has a lot of homework. He takes his notebook to do his work.

Around five o'clock, Xing liehan came back with Tang Siyu. Tang Yiyi's death made Tang Siyu still suffer a strong influence. She went back to the room when she attended the toast at night. She sat alone in the room, although she saw Tang Yiyi's death.

But she didn't feel fear at all. She had only one strong idea in her heart, that is, to avenge her and let her victims pay the price.

The result of the police is that Tang Yiyi may have jumped from the building by herself, because when she jumped from the building, someone saw this scene on the opposite side, but before she jumped from the building, it seems that someone in her room, she should be forced to die, chose the road of Qingsheng.

It's no need to guess that it must be Xing Yan's people. Only when Xing Yan's people come to catch her, will she choose to jump from the building and don't want to face this abnormal man.

Later, Tang Siyu hears the sound of pushing the door behind her. She turns around and Xing liehan steps in gently.

"And the son?"

"I asked my parents to take him to bed. Are you ok?"

"I was confused and thought a lot about the past." Tang Siyu didn't want to hide from him. She didn't want to pretend nothing in front of him, and she didn't want to pretend to be strong.

Xing liehan sat next to her and held her hand. "Don't think about the past, but it's irreparable. We can only do what we can, and we can afford ourselves and them."

Tang Siyu nodded softly, "you are right. I used to hate Qiu Lin and Tang Yiyi, but now when I see their fate, all the past is gone."

"I've asked Han Yang to investigate and follow up this matter. In the morning tomorrow, I'll meet with the best lawyer and directly take Xing Yan to court as you are. You have no problem!"

"I wish I had killed this man. I'm going to charge him with prison." Tang Siyu's firm answer.

"Well, let's have a rest early and come back to think about it tomorrow morning. You're tired enough today."

Tonight, although it's their wedding night, Xing liehan just sleeps with her for one night, and Tang Siyu can sleep safely only in his arms.

Early morning.

Xing liehan's mobile phone rings. He looks at Tang Siyu, who is still sleeping. He picks up the phone and goes out of the room. He goes to the balcony next to him and picks up, "Hello!"

"I just went to the police station to find out some information. Tang Yiyi's death was not an accident. She was forced to die. The police found the three men who were looking for her at that time, but the three men had fled the country and could not find them for the time being."

"The lawyer is ready. I'll meet him with Siyu at once."

"They have come to the company."

"Good!"

"Boss, I have seen the video of mufei's accident. It's man-made. Xing Yan wants to kill him and destroy the evidence in his hand."

"I know."

, "boss, you'd better be careful. Xing Yan has a large number of eyeliner. If you let him know that you are accepting this, he will never stop." "I know." After Xing liehan finished speaking, he turned around and saw Tang Siyu standing behind him. He immediately made a decision. "I decided to send my parents and sons abroad for vacation first. During this period, they should not stay in China."

"Good."

"Xingyan knows my family very well. I don't want anything to happen to them at this time."

Tang Siyu agrees with him very much. Just in time, their honeymoon is an island. As long as their whereabouts are well done, Xingyan will never find them for a while.

"I'll talk to my dad about it. You prepare for it. I'll pick you up and meet the lawyer later."

"You go! Look at the son, too. "

As soon as Xing liehan left, Tang Siyu went back to the room and chose a suit of clothes to put on. When she chose the color, she chose a grey dress. She thought that Tang Yiyi was still lying in a cold place. She hoped that this matter would end quickly and let her rest.

Xing liehan didn't hide his father. When he finished, Xing Zhengting told them to be careful. He would take his family abroad first and avoid their worries.

At the same time, as a member of Xing family, he felt sad and angry for Xing family like Xingyan and lost the face of his ancestors.

When Tang Siyu came downstairs, Xing liehan was waiting for her. They went to the company together.

Xingyan has many eyes and ears, but he has been paying attention to the situation of mufei in the hospital. He thought to himself, mufei has been injured like this, and he has no energy to deal with him. However, mufei is still alive, which means that his crisis has not been over, so he must be careful.

But now mufei has a lot of bodyguards around him, and he can't get close.

Chapter 449

In a meeting hall of Xingshi group, Tang Siyu and Xing liehan gave the video to the lawyer. They all chose to avoid and let the lawyer read the video. After the lawyer read it all, they continued to come in and talk about the specific matters of prosecution with him.

After reading it, the lawyer looked very dignified and defined the bad nature of the matter. It has strong evidence effect for the prosecution of Xingyan and absolutely conforms to the criminal facts.

"Lawyer, you have the materials ready. I can go to court at any time." Tang Siyu said calmly.

"Well, I'll hand in the materials tomorrow and be ready to sue."

"We are waiting for your news." Xing liehan speaks.

The lawyer immediately nodded to him respectfully, "don't worry! Mr. Xing, I'm sure I can win this case. "

When the lawyer left, Tang Siyu sat silently and said nothing. She looked up and said, "we must be careful. If Xing Yan knows we are suing him, he will do his best to stop it."

"Mom and Dad, I've sent ten bodyguards to accompany the plane tonight. They won't have any problems. As for us, I'll take measures." Xing liehan comforted her.

Tang Siyu nodded, later. She went back to Xing's house. The little guy was reluctant to leave first. He wanted to go on vacation with his father and mother. Tang Siyu made a good persuasion. The little guy reluctantly agreed to go first. At nine o'clock in the evening, a private plane took off from the airport, sat in a car and watched the plane fly to the sky. She was relieved. She was beside her "Well, next, let's start to do our business."

Tang Siyu smiled bitterly, snuggled up in his arms, looked up and asked, "do you regret being with me?"

"Why?"

"Because I always seem to have a lot of things around me, let you accompany me to bear them." Tang Siyu feels sorry for this.

Xing liehan gently branded a kiss on her forehead, "no regrets, I will never regret it in my life. No matter what happens in the future, I will bear it with you and face it together." Hearing this sentence, Tang Siyu was content and moved in his heart. He had such a man to spend his life with, no regrets.

When he returned to the villa, Tang Siyu received a call from sushi. Sushi said sweetly, "Siyu, we may not be able to meet for a while!"

"Are you ready for your honeymoon?" Tang Siyu asked with a smile.

"Yes! Our plane in an hour may go for a month. When will you leave? "

Seeing that she was in such a good mood, Tang Siyu didn't want to talk more about Tang Yiyi's affairs. She said with a smile, "go first and have a good time."

"Well, keep in touch. Maybe we can play together."

"Good! Keep in touch and you'll be safe. "

"You too. Goodbye." Susie hung up at that end.

Tang Siyu put away his mobile phone, and around his waist, he had a pair of arms around him. Tang Siyu felt sorry. Last night was their wedding night, but she didn't do her duty as a wife. Even though she had a sadness in her heart, she didn't want to refuse him tonight.

Tang Siyu turned around, snuggled into his arms, hugged his neck and gave him a little response.

The man's deep eyes fell on her face, as if he was carefully guessing her meaning. Tang Siyu was more distressed. She padded her toes, kissed him on his side face, and gave him a BOLD response in her eyes.

There was a bright light in the man's eyes. He picked her up with a light hook on the corner of his mouth. He walked to their newly arranged bed. The man gently put down, repressed his inner desire, made him lower his head and kiss his bride, and started the treatment that belongs to his bridegroom tonight.

This night, the night lights stay on till midnight.

But at such a moment, someone couldn't sleep. Xing Yan was eager to know Murphy's mind. He couldn't help but buy a nurse from the hospital and let her tell the person who came to see Murphy.

The nurse knew Xing liehan, and Xing liehan was also a famous person in the business world. Murphy's identity was discussed by the nurses. Naturally, the people who visited him also paid attention.

When Xing Yan got the news, his heart strings shook violently, and one of the things he was most afraid of happened.

Murphy found Tang Siyu. Tang Yiyi said that she and Tang Siyu were also his half sister. She died miserably. In terms of the relationship between Tang Siyu and her, she would definitely fight.

As long as Tang Siyu wants to help her, it must be Xing liehan.

Xingyan's biggest headache and fear is xingliehan. Xingliehan is stronger than him and knows him well. It's like pinching Xingyan's seven inches, which makes him panic.

At the moment, he got the news and walked back and forth in the room, thinking about the solution. If Tang Siyu is willing to help Tang Yiyi, then mufei must give the video to her. Once the lawsuit is filed, he will be finished.

Xing Yan walked around, clearly with the air-conditioner on, but he was sweating. From time to time, he took a paper to wipe his sweat. His eyes were cloudy and clear for a while, and showed murderous intent. He didn't care what means he used. That is to say, he forced him to this dead end. He only wanted to save himself and clear all obstacles. He only wanted to kill those who wanted to kill him first.

"Xing liehan, Tang Siyu, you'd better not ask for trouble, otherwise, I will never let you go." Xingyan's eyes were full of murderous thoughts.

Xing Yan unplugs a string of numbers, "check for me. Check whether Xing liehan has met a lawyer from yesterday to today. I want to know all his whereabouts."

Finish saying, Xing Yan has a kind of oppressive feeling that he can hardly breathe, he has a kind of feeling that he wants to finish.

Fortunately, he had foresight before and sent his family to a safe place abroad. Now, as long as he also plays and disappears, even if the company doesn't want him, as long as he doesn't go to prison, then everything will be in time.

As soon as Xing Yan bit his teeth, he didn't want to take the company to do business with Murphy before. But now, he found that money is outside the body and life preservation is the best. Even if the company gave away people, he didn't want to go to jail next life. What's more, he still had Tang Yiyi's life in his hand and Murphy's car accident.

As soon as it is checked, it is absolutely possible to count it in his hand. Xing Yan trembles and picks up his mobile phone and dials up his assistant's number. "Book me the fastest flight to h country, I want the fastest."

"OK." The assistant answered immediately and checked, "the fastest one will take off at seven tomorrow morning."

Chapter 450

"No, please look for me. What other flight can reach country h, and it's OK to transfer."

"Yes, there will be a transfer in two hours. Would you like to make a reservation, boss?"

"Book it, book it for me right away, I'm going on a business trip."

"OK."

At 4:30 p.m., Xing Yan's car arrived at the airport. He walked quickly in the airport hall with simple gifts. He looked at the time and was only 20 minutes away from boarding. He couldn't help thinking.

As long as he goes abroad, he can hide his whereabouts and never come back in his life.

He printed out the ticket in the cabinet, took it to the airport checkpoint, and straightened his tie to make him look like a successful elite, even though his back was wet with cold sweat.

When he arrived, Xing Yan still smiled politely and handed the ticket and Passport ID card to the inspector.

I saw the middle-aged woman looking at him expressionless. After confirming again, she handed him his things back. "I'm sorry, sir, you've been restricted from leaving the country."

Xing Yan's brain went into a flash. He pretended to be calm and said, "are you mistaken? How can I be restricted from leaving the country? Do you know who I am? I'm the group boss of a listed company. You can check it for me again. "

"Sir, I have received an order from the public security organ. You are indeed restricted from leaving the country. Please let me pass!"

With that, the middle-aged ticket inspector asked the next one to come, and a man quickly stepped forward.

Xing Yan stood aside with a grimy face and watched the man leave successfully. He never envied an ordinary man so much.

He knew that there would never be a second person who would dare to restrict his exit except Xing liehan.

Damn it, Xing liehan moves faster than him.

It turned out that Xing liehan had asked her lawyer to contact the Ministry of public security before, and restricted her stepfather from leaving the country temporarily with the case of Tang Yiyi. Fortunately, he started quickly, otherwise, Xing Yan would really have to escape.

Xing Yan sat back in his car with a grimace. He hit the steering wheel hard and scolded, "Xing liehan, you stinky boy, you will regret it. I must pay for it."

The news of Xingyan's exit immediately reflected to the Ministry of public security, which also attached great importance to it, and more and more determined that Tang Yiyi's death was related to Xingyan, otherwise, he would not leave the country suddenly in the middle of the night.

Early in the morning, I received the news from the lawyer that his case materials have been written, submitted to the court, and filed with the public security organ, and submitted the evidence on hand. Because the evidence is clear, and the nature of the incident is bad.

The public security organs immediately launched an investigation, and at the same time, they also targeted Xing Yan as the main criminal.

Xing Yan rushed out of the airport last night. He didn't dare to go home or stay in the hotel. He had to use his assistant's house for a while. He thought that he could hide for a while. However, he had been wandering in the shopping mall for so long and was always looked up to. He forgot the efficiency of the police.

At 10 noon, Xing Yan was detained by two police officers at his assistant's house.

At this moment, Xingyan's face turned pale. He knew something. He could not turn over again. Sitting in the police car, he looked at the people passing by and saw the ordinary office workers talking and laughing. He finally understood that the law could not be violated, or there would be no day.

Xing Yan is detained by Xing. It will be severely punished by the law to wait for him. On his back, he carries Tang Yiyi's life, mufei's serious car accident and that heinous violation.

Xingyan's company, Jiji, is in danger. Of course, at this time, Xing liehan secretly reached out his tentacle. The fertile water does not flow into the field of outsiders. Xingyan is doomed, but his company must not fall into the hands of outsiders.

In particular, many foreign companies have been targeting his company, Xing liehan can only start first.

Tang Siyu's prosecution of Xing Yan is still waiting for trial, and the police are making more progress, including the case of Tang Yiyi's jumping off a building, and the car accident of mufei. Xing Yan is not going to explain for the time being. The police can only find more evidence in front of him, forcing him to admit all the crimes he has committed.

Tang Siyu is waiting for the end of this matter. He is still following Tang's justice. At the same time, he can bury her in the earth.

She received a phone call from the Ministry of public security in the villa. "Miss Tang, we have received a message. Your stepmother Qiu Lin has been in prison demanding to see her daughter. We haven't told her yet. We think it will be more appropriate for you to talk about the news of Tang Yiyi's death. Can you go to see her?"

Tang Siyu also Zheng for a few seconds, she firmly replied, "I don't want to see her."

A woman who killed her father, she didn't want to see more.

"Does Tang Yiyi need to tell her the truth about it?"

"Tell her a thousand times! Anyway, the facts are already the facts. You just need to tell her the facts. " Tang Siyu replied calmly.

"OK! Miss Tang is interrupting. " The girl at that end hung up. Tang Siyu took a cup of tea, sat on the chair and looked out of the window at the beautiful city scene. For a while, his heart turned violently. A year later, it was Qiu Lin's execution time. The people of the Tang family, in the end, would only leave her. What a sad thing.

In the reception room of the prison, a middle-aged policewoman sat opposite Qiu Lin, who was dressed in prison clothes and with her hair tied, but also saw her white hair sandwiched in it. She just came in less than two months, but she was twenty years old in an instant. The wrinkles on her face were twining. She could not be seen from her face any more. She used to be a person who maintained all the year round.

"And my daughter? who are you? Why don't you bring my daughter here? " Qiu Lin looks at the woman angrily.

"Hello, I'm a police officer. I'm here to tell you something. Please be prepared."

"What is it?" Qiu Lin's eyes looked at her uneasily.

"Your daughter, don Yiyi, jumped off the building and died a week ago. She died."

"What? How is that possible? How can my Yiyi jump? Someone must have forced her. Tang Siyu must have done it. She must have hurt my daughter Yiyi My Yiyi died miserably! " Qiu Lin had some abnormal nerves, sometimes good or bad, at this moment, she hugged her head and cried.

She looked at the policewoman with a grim and twisted face. "Tang Siyu did it. I'm sorry. Did she kill my daughter Don't let her go for a moment, my dependence... "

"Qiu Lin, don't wrong people. It's not Tang Siyu who did harm to your daughter. However, it's her who did the justice for your daughter."

"Not her? Who is that? Who killed my daughter? " Qiu Lin was shivering all over, and her red eyes were covered with pain.

"It's your second husband Xing Yan."

Qiu Lin's eyes were extremely gaping, and her handcuffs and foot cuffs restricted her, but her whole body was still trembling, "what did he do to my daughter?"
