### Chapter 461

"I don't have to lie to you." Wen Liangyao replied earnestly.

Xing YINUO's mouth could not cover a faint smile. She sat back and thought of something. She got out of bed quickly. "You wait, I bought you a gift. I'll show it to you and give it to you tomorrow."

After a while, she came to the video and had a very delicate pen in her hand. She shook it in front of the screen. "Dangdang, this is for you. I chose it carefully. You can sign with this pen later."

Wen Liangyao looked at the pen and nodded, "OK! Use it later. "

"Mm-hmm!" Xing YINUO immediately felt a sense of achievement.

"Go to bed early, come to school early tomorrow, you have a lot of classes left, I will make up for you again."

Xing YINUO nodded. This man is omnipotent. He can give her all the lessons, including Chinese, digital English, physics, history and so on.

In the villa on the hillside, at about 10 o'clock, SUSHI sat on the balcony of the master bedroom to do a hairdryer. She didn't feel sleepy at all. She was probably too smart and tired every day. She had nothing to do but eat, drink and play. So at night, the more energetic she was.

Wen LICHEN was still working in his study, and Susie was waiting for him to come up to bed.

She shook the rest of the red wine in the glass and took a sip of it on her red lips. She heard a door push behind her. She turned her head slightly, and the familiar footsteps approached. She bent her mouth and did not look back at him.

The glass in her hand was reached for by the man, and the rest of the red wine was drunk by him. SUSHI had a little opinion. However, the man suddenly handed over a script to her and said, "guess what?"

Sushi snatched it and then looked at him in surprise. "My mythical script, have you revised it?"

Looking at the smile in her eyes, Wen lichen felt that the decision he made was worth it. He let her reconnect with her favorite job and not interfere with her dream.

Wen lichen nodded, "it has been revised, but I want to explain that as long as there are intimate plays, there must be doubles and dangerous plays."

Sushi stood up from the sofa with a smile, jumped into his arms, held his side face, and actively kissed his thin lips for a few seconds, "thank you, honey, I'm very happy."

Wen lichen put his arms around her waist, let her sit on her legs, reached out and stroked her soft long hair naturally. "Just tell me what you want to do, and I will arrange it."

"Well!" Susie nodded. "I'll read the script tomorrow."

"In terms of actors, it's up to you to choose which actors you like to use as partners. You can draw up a list for me tomorrow."

"Can I decide on this?" Susie blinked. Some couldn't believe that she had the right to be a director?

Wen lichen nodded. "Yes."

Sushi smiled and put his arms around his neck. "You're very kind, husband."

Wen lichen looked at her beautiful little face, unable to resist a palpitation in his heart. His big palm clasped the back of her head, immediately sealed her red lips with a fiery kiss, and murmured, "even if I am so good, reward me with yourself!"

Susie, "..."

All right! What he said is what, sushi thought like a dog's legs, but her husband is still her boss!

Tang Siyu waited until 12 o'clock in the villa. Xing liehan came back. Tang Siyu leaned on the bed to read a book and waited for him. As soon as he came back, she was so anxious that she forgot to wear slippers.

Stepping on the cold floor, I saw a man walking up the stairs with a suit in his hand and a loose tie. The crystal light reflected on him seemed to cross a layer of light.

Xing liehan raises his head and looks at the woman standing at the stairs. A trace of softness strikes his heart. It's a happy feeling that someone is waiting for him to return late.

Xing liehan came up and saw her white and jade feet bared. Standing on the cold floor, he slightly twisted his eyebrows. "Why don't you even wear shoes?"

"I forgot to hear you coming back." Tang Siyu finished saying that he was going to go back to the room and put on his shoes lightly. The man behind him reached out and picked her up.

Tang Siyu hurriedly put his arms around his neck, smiled and patted them on his shoulders, kissed him on his side face continuously, and the soft touch made the man's mind wander. As soon as he was put on the bed, he smiled and pressed over, "isn't the afternoon enough? Miss me again? "

Tang Siyu panicked and pushed him gently, "no, hurry to take a bath and go to bed!"

Xing liehan laughs. The laughter is clear and charming.

In the evening, Xing liehan was really tired. He went to the company after only two hours' sleep at noon. He didn't come back until now. He didn't tease her anymore. He hugged her and fell asleep.

This made Tang Siyu can't sleep. She gently raised her elbow, looked at the man's face in the dim yellow light, covered his forehead with fluffy and glossy hair, aged him a lot, gathered a ray of light at the tip of his nose, making his whole face soft and charming.

Tang Siyu leaned down and kissed on his forehead gently. Then, he thought his long eyelashes were lovely and kissed again. At this time, although the man was sleeping, his arm still held her in his arms accurately, pressed her face on his chest, and his thin lips uttered a dreamlike voice, "sleep." Tang Siyu snuggled up to him and slept in the afternoon, but now he can still sleep.

Probably with this man around, with a different kind of peace of mind.

Early morning.

The little guy sent to school, but he couldn't play all the time. He had to return to campus life. Tang Siyu and Xing liehan personally sent him to the door. The little guy turned around and waved, "goodbye, daddy and Mommy."

The little guy jumped in with his schoolbag on his back.

Tang Siyu and Xing Lihan stood for a while before getting on the bus. What did Tang Siyu think of? She asked Xing Lihan for instructions. "I want to see someone."

Xing liehan immediately guessed, "mufei?"

"Yes, it's just a visit, no other ideas." Tang Siyu nodded.

Xing liehan used to regard mufei as an enemy. Now, he has confidence. No man in the world can rob his woman. Tang Siyu will want to see him. It's also because mufei is seriously injured and may be in a wheelchair for half a year. It's really pitiful.

"Well, I'll take you to the hospital and pick you up at noon." Xing liehan agrees generously. Tang Siyu smiles and looks at him for a while. Xing liehan turns his head and looks at her helplessly. "Look again, I will be jealous."

"You don't have to be jealous. I love you the most in my heart. I love you the most in my life. Except you, I will never fall in love with anyone in my heart. Since I met you, no man can enter my eyes." Tang Siyu said a lot of good things on his face.

Let the corner of the man's mouth finally rise, happily send her to visit mufei.

Chapter 462

First, I went to the hospital before mufei to ask. It turned out that mufei had transferred to a private convalescent institution. Xing liehan sent Tang Siyu to the door of the private hospital. When I got off, Xing liehan was uneasy and accompanied her in.

After finishing a series of registration, Tang Siyu looked at the man behind him, "come to pick me up at noon."

"Good! I'll be here at 11 o'clock on time. Remember to come out to find me at the door. " Xing liehan finished and turned to leave.

Tang Siyu, accompanied by the nurse, came to a spacious rehabilitation training room. The nurse made an action to her, "Mr. Mu is in it."

"OK, you can do it!" Don Siyu whispered to her, and she walked step by step to the window.

There was only Murphy in the wheelchair, as if he was thinking about something. Then, he lifted a blanket on his leg, drew the wheelchair into the front of two low parallel bars, and tried to support himself with his arms.

Tang Siyu's heart tightened for a moment. Murphy tried hard to get himself up again, but after the operation, his body was weak and his hands were not as strong as before because of the loss of satin training. He just stood up and tried to walk two steps forward. Suddenly, his leg was weak and he almost knelt down. Murphy's body was shaking. He forced himself to let go He had returned to his wheelchair, and made a low, unwilling voice, as if he had lost the value of his life.

He was eager to stand up, but his body did not allow him.

Tang Siyu stood in front of the window, her eyes slightly moist. At the moment, she really didn't know how to face mufei.

Murphy's hearing was good. He felt someone outside the window. He immediately stared angrily, "who is it?"

Tang Siyu didn't expect to be found by him. She sighed softly and walked in the direction of the door.

Murphy's anger suddenly turned into consternation. He didn't expect Tang Siyu to come to see him. No, in fact, he didn't want her to come. He didn't want to leave his weak side in her heart.

"Murphy, are you ok?" Tang Siyu asked softly.

Murphy hid his unwillingness and all his emotions. He smiled and said, "OK, how are you back? Didn't you go to cross the secret moon? "

"I just came back two days ago." After that, Tang Siyu sat down on the chair beside him, "I believe you will get better."

Murphy's eyes flashed, as if her words were a kind of faith for him. If she said yes, he would.

"How is life after marriage? Did Xing liehan bully you? If he bullies you, I can stand up and threaten him Murphy said with a wry smile.

Tang Siyu couldn't help but be teased to smile, "fortunately, he dare not bully me."

Mufei looks at her beautiful goose face and chuckles, "who owns you and is willing to bully you?"

Tang Siyu raised his head, Murphy immediately returned to God and smiled, "I wish you happiness. I believe that you will be very happy around him."

Tang Siyu nodded softly, "you're better, try to cooperate with the treatment, you'll be the same as before."

"With you, I will try my best to make myself better." Murphy nodded and looked at her. Suddenly, he didn't know what to say.

"Want to go out for a walk?" Asked Tang Siyu.

"Good! Can you push me? "

"Of course." Tang Siyu stood up, walked behind him and pushed him out.

Murphy's heart gradually calmed down. During this period of time, he abandoned himself. He gave up himself and took a lot of ideas. He felt that it was meaningless to live.

However, I don't know why, when Tang Siyu came to visit him, his heart suddenly became peaceful, which means that everything he had sorry for her before, she had completely lifted it, put it down, and this feeling was very peaceful.

When she came out of the grassland, there was no communication between the two people. Tang Siyu pushed her along an artificial lake. The leaves were sprouting, and the sun reflected on the water. There was a charming halo, a clear bird call, and the fragrance of Gardenia in the air.

Murphy took a breath and asked curiously, "he doesn't mind you coming to see me!"

"He sent me." Tang Siyu replied.

"When I'm ready, I'll go to see Yiyi. I didn't take care of her." Murphy's tone was filled with a trace of guilt.

"No one expected such a thing to happen. It can't be all your fault. You have done a good job to protect her."

Murphy suddenly smiled bitterly, "maybe you don't know, when she found me with that video, I was really surprised by her experience, but she still thought, let me threaten Xing Yan to take his company, and then Then against Xing liehan, she still resents you. "

Tang Siyu's face was slightly shocked. It was inevitable that Tang Yiyi hated her.

She sighed, "let her hate it! Anyway, I have a clear conscience when it comes to this. "Murphy looked back at her calm expression and said, "from the beginning to the end, you did a good job."

Walking around the lake, she came to a nearby leisure hall. The nurse brought water and fruit. Tang Siyu took an apple and peeled it for Murphy.

Murphy looked at her, his eyes were more like an old friend. At Tang Siyu's wedding, he put all his feelings on her flat and turned them into a kind of family and sister like blessing.

"Siyu, don't come to see me again. I'm afraid he will be jealous."

"He won't." Tang Siyu looks up and smiles.

"All right! Actually, I don't want you to see me I look like this. " Then Murphy clenched his fist weakly.

Tang Siyu reached over and gently held his hand. "Mufei, no matter what you look like, I will treat you as my friend. I won't have any opinion on you. I just hope you can get better."

Murphy's heart crossed a warm current. At this time, he could not listen to others' advice. If he was allowed to live like this, he would not find the direction of the future. He would feel inferior. How confident he used to be, but now, everything is broken. He must start from scratch.

He wants to accept other people's different eyes, he wants to set up his own dignity again, he wants to resist others' look down on him, and he has a lot to do.

"Well, I'll try to stand up and invite you to dinner one day." Murphy laughed.

Tang Siyu also laughed, "OK, I'll wait patiently."

At eleven o'clock, Tang Siyu came out of the hospital. Xing liehan's car had been waiting there. The black smooth sports car, like a sleeping cheetah, was silent.

Chapter 463

At this time, a nurse nearby said to her, "Miss Tang, is that your husband's car? He's been waiting for you! "

Tang Siyu looked at her in consternation. "Hasn't he left since I came in?"

"It seems that I left for a while and then came back soon, because this sports car is so cool and dazzling, I can't help but watch it all the time!"

Tang Siyu's heart surged with heartache. Didn't he want to go back to the company? Why are you waiting outside? Tang Siyu goes to the front passenger's door. When she opens the door, the door is unlocked instantly.

Tang Siyu sat in and looked at the man with his mobile phone moving. She pretended not to know that he had been waiting for a long time. "Let's go! Where to eat? "

"I've chosen the restaurant. It's your favorite." Xing liehan immediately laughed, and then complained in a low voice, "how can it take so long to come out? I've been around the company

Tang Siyu's heart didn't have the impulse to laugh. Instead, it only had the heartache, the constant heartache for this man.

"Is it? You've been working so hard. "

"It's worth working hard for you." Xing liehan turns to see her hook lips and smiles. Tang Siyu only feels that her eyes are astringent. She turns to look out of the window.

"How is he? Is there any possibility of recovery? " Xing asked.

"He is doing rehabilitation training. It may take some time! He's trying. "

Xing liehan didn't ask more questions. He took her to the restaurant.

Tang Siyu left for a while. Mufei's bodyguard and driver drove him out.

"Master mu, where shall we go?"

"Turn around!" Murphy looked out of the window, not interested. In a word, he didn't want to stay in the hospital today.

"We'll have lunch soon, or let's find a restaurant first!"

"Yes! You can choose! " Murphy has no problem.

The driver knew that there was a good restaurant environment, so he had to take him there on his own.

This is a place with elegant environment and a very adjustable style. Moreover, in the middle of the restaurant, there is a very artistic small stage. There is a piano on the stage. When you eat, you will hire a famous pianist to play.

The bodyguard pushed the wheelchair into the room. Murphy immediately felt the look around him. His fist was still uncontrollable and he pinched it gently. He had to bear the look. It also needed some courage. How high he stood and how painful he fell.

He was also brilliant.

He heard whispers from people around him, as if they recognized him and were talking about him in a low voice. Murphy's bodyguards swept over several times. Those people raised a smile of disapproval at the corners of their mouths, and the guests who would come here were all well-off.

Mufei chose a window position. When the bodyguard came to help him, he refused. He sat on the position with the strength of his hands. His eyes looked out of the window, indifferent and colorless.

The waiter came to order. He just asked for a few dishes at will. He just wanted to see different scenery here.

Suddenly, a string of piano sounds came from the air, which attracted him and his eyes. He looked up at the small stage in the middle, and saw a girl sitting with her back to him. She was wearing a clean white dress and her long hair was half tied behind her head. She was soft and bright. A single back gave a fresh taste.

And her piano sound, also played well, I don't know why, her piano sound let Murphy's heart that upset quiet down, he slightly supported his chin, looking at the back.

He didn't expect what she looked like, he just wanted her to give him such a quiet look.

At this time, a waiter came to the girl's side and handed her a note. The girl looked up a little flustered and shook her head at the waiter, as if she could not play.

However, the waiter went back to the male guest and said, "let her play. It's a tip."

The waiter had to go back to the girl's side, put the money to her side, and beckoned her to play.

At this time, the manager also came over, he leaned down to the girl and said, "even if it's specially ordered by the guests, you can play it! We can't introduce our guests. "

"But But I'm not familiar with this tune I'm afraid I can't play well. " The girl replied in a low voice.

With a hint of threat, the manager said, "if you don't play well, don't come tomorrow."

The girl suddenly trembled, as if she was very afraid of losing the job, so she nodded her head and agreed.

Mufei has been looking at this scene, his sword eyebrows slightly twisted, although I don't know what they are doing, but I can see that the girl is threatened.

The girl began to play. At the beginning of the falling sound, it was pretty, but then she made a few wrong syllables. It seemed that the more she played, the more panic she felt. Even the layman could hear that the syllables were wrong. Murphy knew this line well. He knew all about the wrong places she played.

Because he is familiar with the song."Well, stop playing. Where can I find such an unprofessional person? I'm running out of food playing. " The guest immediately raised his voice angrily, as if he was very angry, "what tips do I give back! Take it back, no more. "

The girl on the stage stood up quickly, her face was pale with fear. She made an apologetic move towards the guest. When she bent down, her long hair covered her face.

And when she stood up, a young, white and delicate face was reflected in the visitor's eyes. She bit her lips and resisted the rotating tears in her eyes. She said to the visitor, "I'm sorry, I can't play this music."

"I love to listen to this tune, but I can't play it. Come here, give me a drink and apologize!" At first sight, that man is a type of rich man with no quality.

The girl took a step back in fright, shook her head, and waved her hands I don't drink I'm sorry, I'm really sorry

The guest is rich and a regular here. Naturally, the manager dare not offend him. He said to the girl, "if you want to drink, you can drink! It's only your incompetence to let the guests get rid of their anger. "

Murphy's eyes were fixed on the girl's face. She was like a frightened bird. She wanted to find help, but these guests were too lazy to help her.

Finally, the girl saw mufei, saw his eyes looking at her all the time, she seemed to find straw, she looked at him, full of begging, hoping that he could help.

The man, who was already full of wine, was looking at the girl with a hostile look. "Come here Drink with me. "

Girl saw Murphy only looking at her, but did not want to help, her tears brush down her cheek

There is no doubt that she has a pair of beautiful eyes. The moment when tears fall, she is so pitiful that she wants to protect

#### Chapter 464

In the hotel, although other guests thought the man was very arrogant and insolent, they were all thinking about whether to make trouble or not. Moreover, the man seemed not to be the main one to make trouble. Even the restaurant manager put on a cold sweat secretly.

The girl was forced to do nothing. She stepped down step by step from the rostrum. She was clearly moving forward, but every step she took, she was scared and trembled.

In the middle of the girl's walk, a low male voice suddenly sounded, "wait a moment."

The girl stood still in astonishment. She turned her head and looked at the man at the next table. Just now, she asked for help, but he didn't. at the moment, his eyes still looked at her.

"What can I do for you, sir?" The pleading in the girl's eyes is still strong.

"I need someone to eat with me. Come and accompany me!" Murphy said casually.

The girl's heart suddenly rejoiced. She would rather eat with the elegant gentleman than drink with the rude man. She looked at the rude man. As soon as the man's face changed, she immediately patted the table, "who dares to rob me?"

The girl plucked up her courage, and she came to Mufei. Mufei's bodyguard was nearby. The bodyguard immediately made a sign for the girl.

The girl walked into the position timidly, she sat down gently, her eyes did not dare to look directly at the opposite man, because this man was for her, some fear.

He is very young and handsome, but unfortunately, he is a man who lives in a wheelchair. The girl looks at the wheelchair beside her. Her heartstrings are

at this time, a middle-aged man with a thick gold necklace around his neck and a flat head stands up, ready to see who dares to rob people in his hand. Because there are elegant boards across the table, this man Only a young voice was heard, but no one was seen.

At this moment, as soon as he stepped down from his desk, he saw Murphy, the wheelchair and bodyguard beside him. He was stunned for a moment, and couldn't help chuckling, "it was a lame man! I thought there were many kinds of them! "

"You'd better shut up." The bodyguard gave a warning.

"You think I'm afraid of you! Little girl, hurry up and toast me. Otherwise, I can't spare you. " At the beginning, the man looked at the beautiful girl, so he thought about how to make trouble for her. Now, this kind of good thing is interfered by someone?

The girl curled up in the position, not to mention what to eat. She was shaking like a chicken. She was around her arms, trying to make herself not too nervous and afraid, but she could not.

Look at the opposite Mufei again. He sticks to a cup of green tea in his hand. His eyes don't even look at the man who calls the instrument. He just says to his bodyguard, "let them all come up."

The bodyguard pressed the headset and said to the opposite end, "all of you, the boss needs people here."

"Oh! How dare you call people! " When the man saw that they had been called, he immediately stood up to the two strong men who had dinner with him. "I have people, too."

This man just had a few strong drinks here, and now he has the courage to drink alcohol, so he is not afraid of anyone at all.

"Sir, you'd better not make trouble." The bodyguard calmly reminded.

"What's wrong with me? Give this girl over, and I'll let it go. "

"Sir, sir, please calm down..." When the manager saw something bad, he wanted to come up and persuade him. He was pushed away by the man. "Go, there's nothing for you."

Some of the guests nearby have been tired, even if they don't want to eat, they get up to check out and leave. I'm afraid that there will really be a fight here. Gradually, all the guests around are very tacit to pay for the bill and leave.

Suddenly, four bodyguards stepped forward quickly outside the door, and even the driver followed them. When he saw the impulse of three strong men around mufei, rolling their sleeves to prepare for the fight, several bodyguards immediately railed in front of him and made protective actions.

The faces of the three strong men changed. Just now, the man was scared to wake up. He pointed to mufei and said, "who the fuck are you?"

Murphy was very gloomy recently because he was in the hospital. Now, his face was even more gloomy and cold. He squinted and tasted tea ceremony. "No matter who I am, you can't provoke me."

"Big brother Let's not make trouble. He's not easy to make trouble at first sight. " One of the men advised.

Another one also felt that these bodyguards were not vegetarian, and felt the pressure was great. Since mufei's accident, Mujia had carefully selected a dozen bodyguards to take turns around mufei, and could not let him do anything.

And these bodyguards are extraordinary. Ordinary people are definitely not rivals.

The man also felt that the situation was not good, and Murphy smelled like a rich man. Although he was rich, he was not a serious man of a big family. Money was just a lucky catch-up with the big boss in mining. This kind of money was quick and risky.

Of course, the man is going to find a place to go. He reaches for the girl and says, "hum! I'll find out where you live! You'll see. We'll see each other again. "It's like he's going to make her look good as long as he's out of Murphy's protection.

The girl shivered all over with fear. Her head was tightly buried in her chest. Until the man left the restaurant angrily, she covered her face with fear and tears overflowed from her fingers.

"It's all right." Mu Fei comforts her.

"No I was scared! I'm afraid that this person will repay me The girl shook her head and cried in horror.

"Who else is in your family?"

"I I am an orphan! " The girl said, looking out of the window sadly, "I grew up in the orphanage. I'm afraid that person will look for me in the orphanage. I'm afraid that he will take other people's breath."

Murphy's eyebrow twisted, and he said to the hotel manager beside him, "don't disclose the address of this girl to anyone, otherwise, I'll find you."

"Yes! I know. I'm absolutely afraid to reveal it. " The manager was terrified too. Unexpectedly, in order to please a guest, he attracted more difficult people to offend.

"Settle her salary. She won't come back to work." Murphy went on.

The manager was so eager that she didn't want to come. He quickly asked the waiter to take the money and paid the girl 500 yuan a day on the spot. The manager said to the girl, "Shu Chun, this is your salary. Don't come here to work in the future."

"Thank you manager." The girl held the five hundred dollars tightly in her hand, as if the money was very important to her.

Chapter 465

"Why do you come here to work?" Murphy asked. She played the piano well, but she could play only a few pieces. It seems that she was not formally trained.

"I need money." The girl bit her lower lip.

"What do you need money for?" Mufei has been in the hospital for a long time. He seldom chats with people. Most of the time, he is immersed in his own thoughts. Today, he talks a lot.

"Our dean has cancer and needs a lot of money to treat it." The girl said, and looked at mufei with gratitude. "Thank you for your help. I will repay you if I have a chance."

"Forget it, you can leave." Murphy said to her.

Shu Chun stood up like a burning butt. "I'm sorry, I'm sorry to disturb you. I'll go first."

Shu Chun leaves, and mufei has no appetite. He says to the bodyguard, "go back!"

Murphy got on the car and the bodyguard went on. When he came to a street, he saw Shu Chun walking on the street. A taxi came to her, asking if she wanted a ride. Shu Chun shook her head firmly.

Murphy can't help smiling. Is she going to walk back? From childhood, he was also a figure who lived like a gold tower. He didn't worry about food and clothing, but he couldn't understand the girl's current situation.

Murphy thought for a moment and said to the driver, "connect her."

The driver immediately listened to the order, drove the car to Shu Chun's front, Shu Chun saw a black tall business car, immediately scared, thought it was some kind of kidnapping vehicle.

At this time, the glass window in the middle fell down and Murphy's face appeared. He looked at her and said, "get in the car and I'll give you a ride."

"No more Thank you. " Shu Chun blushed and waved. This man helped her once today. She can't receive his second help.

"What? Are you worried that I'm a bad person? " Murphy squints her eyes and helps others, but it's hard to be rejected.

"No! I just I'm sorry to trouble you. " Shu Chun blinks and is a little nervous.

"Do you need a lucrative job?"

"Yes! As long as I can make money, I can do anything. " Shuchun immediately surprised, thinking, can you get a better job?

Murphy said to her, "give me your mobile phone and I will send you an address. You can come here tomorrow and apply for the job. The salary is 100000 yuan per month."

This amount exceeds the treatment that Shu Chun can imagine, and she stares, "so much?"

"How much is not good?"

"Then what shall I do?"

"Wait on me!" Murphy opens his mouth directly.

This made Shu Chun's face red. She even thought of other directions.

Murphy was a little speechless and funny. He seriously corrected her idea, "it's not that kind of service you want, but that my legs and feet are inconvenient. I need someone to serve me. If you don't want to get the job..."

"I will serve you! I want this job. " No matter how stupid Shu Chun is, she will not lose this opportunity and hand over her mobile phone as soon as possible.

Murphy took over, typed in his number, dialed it up, handed back her cell phone, and said, "I'll send you the address later."

"OK, thank you." Shu Chun's face is as pure as her name. Her smile has a healing function.

Murphy takes back her eyes and lets the driver leave. Behind her, Shuchun looks at the far away business car. She covers her chest and sighs with relief. There are still many good people in the world.

A middle school in a city, Xing YINUO returned to her class and gave all the gifts he should have given. There was still a pen in his hand that was not sent out. It was for Wen Liangyao, but he went to a meeting in the morning and she never found a chance.

At this time, it's only 15 minutes from class. She thought that she must take this opportunity to give him the piano earlier and let him use her pen when correcting his homework this afternoon.

In this way, Xing YINUO walked along the corridor of the office and walked briskly towards Wen Liangyao's office.

As she is usually taught much by the teacher here, Xing YINUO instinctively wants to fight a duel as soon as she arrives at the office. She secretly looks inside the window.

She saw Wen Liangyao in the position, as if she was reading some books. Xing YINUO's mouth was hooked. Hey, he was there.

However, at the moment, he and Tang Sisi are the only people in the office. What's the matter? No other teachers?

At this time, she heard a sweet female voice coming from inside, "teacher Wen, tomorrow is your birthday. I have prepared a birthday present for you. I hope you like it."

Xing YINUO's heart tip trembled for a moment, Wen Liangyao's birthday? Why didn't he mention it to her? Too much to tell her.

"Thank you."

"I didn't send anything, so I went to choose a pen, because we usually use pens in our work! I hope you don't dislike it. " With that, Tang Sisi put the beautiful golden box in front of him. "I'll go to the classroom first."When Tang Sisi went out, Xing Yinuo hurriedly hid behind the pillar on one side, and his face was still a little confused. It turned out that Mr. Tang also gave him a pen!

She looked down at her pen, and suddenly felt that it was a little superfluous. He already had a pen!

What about the delivery?

Send it! Anyway, I bought it. Xing Yinuo puffed his cheeks and hurriedly opened the door and walked into the office.

Wen Liangyao looked up and saw that it was her. He was shocked for a few seconds. "Why haven't you returned to the classroom? There will be a class soon. "

"I don't want to come here and send you pens! Who told you not to be in the morning? " With that, Xing Yinuo put the pen on his desk. "Nuo, here you are." With that, she glanced at Tang Sisi's gift again, which was well packaged.

"I went to class." With that, Xing Yinuo walked to the door.

Behind her, a voice line with a smile called her, "Yinuo."

"Well?" Xing Yinuo turned to look at him. "What's the matter?"

"Thank you! I will cherish it. " Wen Liangyao said to her seriously.

Xing Yinuo's heart is still a little sweet. She raises an unshakable smile, "really?"

"It's time to go to class."

Xing Yinuo immediately thought, "Hey, it's your class anyway. You won't blame me if I'm late!"

"Who said that? I'll give you a lecture." Wen Liangyao takes out the side of Yan Shi again.

Xing YINUO was so scared that he rushed out of the door and dared not stay any longer.

Behind him, Wen Liangyao smiled again. Tang Sisi's pen beside him hasn't been read yet. However, he carefully took out the pen in his hand and wrote Xing YINUO's name on the paper. The handwriting is strong and powerful.

Chapter 466

In class.

Standing on the platform, Wen Liangyao's slender and elegant body, even if it's just a back, can make a group of female students under the platform look dazed with their chin propped up.

Wen Liangyao finished several questions on the blackboard. He turned around and glanced at the students under the stage. Obviously, he was going to ask someone to solve the questions on the stage. Suddenly, the girls' eyes dodged his eyes for fear of being called.

Only those who are confident will be expected to be named.

Xing YINUO blinks big eyes and looks at one of the questions. She thinks she is familiar with it! It seems to be a question that Wen Liangyao gave her two days ago. Is it just a formula to solve the problem?

Xing YINUO bit his lip, trying to think about what it was, a low voice rang out, "Xing YINUO, solve the first problem on stage."

Xing YINUO was shocked immediately. She looked at Wen Liangyao in a panic, then reached out and pointed at herself. She asked me with her eyes, am I?

Wen Liangyao has a different dignity in the classroom, which is different from his usual gentle side in private. As long as his eyes are more than two, the students will have to shiver in their hearts. That's why he is so handsome and doesn't dare to be bothered by his female classmates.

"Come on stage!" Wen Liangyao looks at her with a little encouragement.

Xing YINUO has a deep heart, but I can't do it I forgot which formula I remember. It's over. I'm going to lose face.

However, Xing YINUO couldn't escape. She stood up and walked to the stage step by step. Wen LIANGYAO ordered the names of three students to come to the stage in turn. He stood around his arm and waited for them to solve the problem.

There is also a female classmate who looks at the problem with a blank face. Standing next to Xing YINUO is the top male classmate in the class. While solving his own problem, he peeks at Xing YINUO's problem. He really wants to remind her of the name of the formula.

Xing YINUO clenched his lips, closed his eyes and thought hard, what formula did Wen LIANGYAO make for her that night? What formula?

She turned her head to look at Wen LIANGYAO. His expression was merciless at the moment, and he didn't give her any hint. His eyes looked at her calmly and brightly, waiting for her to think.

Xing YINUO closed his eyes and thought about it carefully for a few seconds. Suddenly, a fine light flashed across her mind. When she took a sip at the corner of her mouth, she knew.

When Xing YINUO was solving the problem, Wen LIANGYAO's eyes crossed a smile that was not easy to check. Did she finally remember?

Xing YINUO has finally finished writing, and it's still the correct algorithm. Back to the position, Xing YINUO looks up and sees what Wen LIANGYAO is writing in his textbook with a pen. Her heart suddenly rejoices. That's the pen she sent.

Wen LIANGYAO finished writing, put the pen away, put it in his shirt pocket, looked up and praised, "today several students are doing well, especially Xing YINUO, very good."

Xing YINUO's pretty face is red. She She didn't do well at all! But this praise, or make her chest sweet Zizi.

After class in the evening, Xing YINUO's mobile phone sends Wen LIANGYAO's message, and he will take her home.

Xing Yinuo goes to his office door with her schoolbag on her back and waits for him. She secretly looks at the window and sees Tang Sisi holding her arm and asking Wen Liangyao for advice. Her long hair is hanging down, almost to Wen Liangyao's cheek.

After asking a question, Tang Sisi suddenly saw that he had a new pen in his hand, but it was not the one she sent. She asked in surprise, "Mr. Wen, are you still useless when I send you the pen?"

"Later." Wen Liangyao smiled back.

"It looks new. Who sent it?" Tang Sisi's heart was a little jealous. Obviously, she was also new, but he didn't use her.

"From a friend." Wen Liangyao replied, put the cap on it and put it in his pen holder.

Tang Sisi bit her lip, summoned up her courage and asked, "Mr. Wen, tomorrow is your birthday. Excuse me, can I go to your house to celebrate it with you?"

Wen Liangyao was slightly shocked. He shook his head and said, "I'm sorry, I don't like birthdays very much, so maybe not."

"Then Did that happen to you? Shall I order a restaurant and a cake? " Tang Sisi would like to take this opportunity to accompany him for his birthday, so as to enhance her feelings. No, thank you Wen Liangyao politely refused. Then he saw a small head at the window. He walked out with long legs.

Behind her, Tang Sisi sighed and lost.

As soon as Wen Liangyao came out, he caught the girl who was going to hide. He didn't have a good airway. "Stealing the corner is not a good thing."

"I didn't eavesdrop! I overheard it. " Xing Yinuo put his mouth down, then blinked and asked him, "did you not have a birthday yesterday?"

"No way."

"Then I can't eat birthday cake." Xing Yinuo's face was disappointed and he tooted his mouth.

Wen Liangyao squints her eyes, looks at her bitter face, and asks, "would you like a birthday cake?" "Yes! But you're not a birthday. "

"That's it!" Wen Liangyao said as he stepped forward.

Behind him, Xing Yinuo stared happily and followed his steps, "really? Do you really have a birthday? Where to live! With whom? "

"At home."

"Yes! Then I can have your birthday cake. "

"Then you have to prepare another birthday present to eat."

"Ah! You have to give presents! Isn't that my pen a gift? "

"That's what you gave me on vacation, and a birthday present." Wen Liangyao didn't reply to her.

Xing Yinuo had no choice but to nod his head and say, "OK then! I'll give you another present! What gift do you want to receive? "

Wen Liangyao stopped and turned to look back at her. "Give it as you like, as long as you want to give it to me."

"Er?" Xing Yinuo didn't understand this sentence. She thought about the meaning of this sentence all the way back to the bus. What's the meaning?

When Wen Liangyao sent her home, he was warmly invited by Jiang LAN to have dinner here tonight. Wen Liangyao did not refuse.

"Uncle Wen..." Xing Yixi: next, I changed my family name! His father's last name. » The children ran to him, "Uncle Wen, can you play games with me?"

"What game to play?" Wen Liangyao asked with a smile.

"Shall we play flying chess?"

"Good! I want to play, too. " Xing Yinuo also joined the team.

"Well, come on!" Wen Liangyao would like to play with the two children.

Although young, I played well. Xing Yinuo was a little unlucky. He walked in the back and Wen Liangyao was the first.

Chapter 467

This evening, Wen Liangyao played with the little guy. Xing liehan and Tang Siyu had dinner outside. Xing's house was also very busy tonight.

In the high-end restaurant, Xing liehan arranged a romantic dinner to create a private space for them.

Tang Siyu sticks to the red wine cup, holding his chin in one hand, and sighs with his face, "I feel a little guilty when I come out to eat with you."

"What's the matter? Didn't take your son? " Xing lie looks at her with a low smile.

"Yes!" In Tang Siyu's heart, his son's position is still in the first place.

Xing liehan shook his head. "Don't worry, my parents will take care of him. Even if I leave you for a while, he won't be very pitiful."

Tang Siyu chuckled and relaxed a lot. He touched his glass with him and gazed at each other's eyes affectionately to drink red wine.

Xing liehan can't help but get up. Tang Siyu is puzzled. The man has come to his side.

"What's the matter?" Tang Siyu looks up at him.

The man reached for the glass of red wine she had drunk, took a sip into his mouth, leaned over and pinched her red lips, then leaned over and kissed it, and fed the red wine in his mouth.

"Well..." Tang Siyu's face turned red, and there was a red glow.

Does this man want this?

A candlelight dinner. I didn't leave until later. When I got back to Xing's house, I was tired of playing. I fell asleep first.

Early morning.

Xing Zhengting and his wife received a call from Wen's family. Tonight, they will hold a birthday party to celebrate their second son. He invited the Xing family to come and visit.

Of course, they won't miss this time.

At the gate of a private hospital, I just got off the bus and walked to Shuchun. I couldn't believe it. I took a left and right look. This is a very advanced hospital. It's not like a regular hospital, but the appearance of panoramic glass. It's equipped with a very scientific and technological design. Is this a hospital? Shu Chun thought to herself, thinking of the man who helped her last night, she summoned up her courage and went to open the glass door to ask.

"Hello, who can I ask for?" The nurse at the front desk is very conscientious.

"Hello, I'm looking for Mr. Murphy." Shu Chunchao said that when mufei sent her the address yesterday, he also wrote his name.

"What's your name, please?"

"My name is Shu Chun."

"Miss Shu, please show me your ID card. We'll make a registration record."

"OK!" Shu Chun hurriedly took out her ID card and gave it to her. When the nurse registered, she couldn't help looking up at her. The 20-year-old girl was envious of her age.

Shu Chun takes back her ID card, and then the nurse leads her to a VIP ward. The rooms here are suites, which are very spacious, and the decoration style is comparable to five-star hotels.

The nurse knocked on the door and opened her mouth inside. "Mr. mu, you have guests."

"Invite her in." Murphy's voice came from inside.

The nurse pushed the door in and made a gesture to Shu Chun. Shu Chun immediately stepped into the ward nervously. Murphy was sitting in a wheelchair, looking into the distance in front of the floor to ceiling window.

"Hello, Mr. mu. I'm Shu Chun I'm here... "

"Here you are." Murphy controlled the wheelchair and turned around. His face was so pale that he looked very thin. This was not consistent with his past elegant demeanor, but it was not damaged by his handsome three-dimensional facial features.

"Excuse me, what can I do?" Shu Chun didn't do the job. She didn't know what to do.

"You're good at playing the piano. Play one for me!" Murphy said, looking at another window with a piano.

Shuchun is shocked, let her play the piano? She just looked at the piano and knew that it was the top one. She liked the piano. When she saw such a piano, her heart was happy and yearning.

"Play the last one you did yesterday!"

Shu Chun's face was a little red, "but I'm not very good at playing..."

"I can teach you." Murphy's deep eyes turned to her.

Shu Chun's heart throbbed and jumped up. She looked at him in amazement, "you Can you play? "

"Yes!" Murphy finished, hooked his mouth, "I like playing the piano very much."

Shu Chun is more uncomfortable. She is embarrassed to think that she made a fool of herself yesterday.

"Don't be afraid. Just play. I'll tell you the wrong place by your side." Murphy finished, the wheelchair controlled the direction of the piano.

Behind him, Shu Chun walked to the piano and looked at the milky white Qin Jian. It was full of white and smooth colors. The whole body of the piano was made of high-grade materials. It was a wonderful piano.

"May I use it?" She asked Murphy for instructions.

"Yes." Murphy has a head.

Shu Chun can't help sitting down. She stretches out her hands. A pair of thin and slender fingers are very suitable for playing the piano. This reminds Murphy of Tang Siyu's hands in his mind, which is also full of artistic atmosphere. Murphy's heart was very calm. Looking at the girl, he gave birth to a rare peace of mind.

Shu Chun began to play. Her hands were obviously unskilled, but she played surprisingly well. Except for the wrong sound, it was because of the unskilled music score.

"Where did you learn your piano from?"

"Our dean taught it." Shu Chun's eyes are full of adoration.

Murphy was shocked. He thought for a few seconds and said, "when you leave today, I will pay you half a year's salary in advance."

"Half Half a year? " Shu Chun's eyes gaped, and she couldn't believe looking at him.

"A year will do."

"No No I haven't done anything for you yet. I can't ask for your money. " Shu Chun dare not accept it.

"I need a person to accompany me. As long as you accompany me, it's your job." After that, Murphy's wheelchair came to her side. Shu Chun stood up and pulled the chair away. Murphy was sitting in the wheelchair. He stretched out his long, articulate hand and fell on the key. A series of melodious and beautiful music flowed in the room. Shu Chun beside listened stupidly, which was very nice.

It's almost comparable to the master level. Shu Chun looks at the man immersed in the piano sound with a strong admiration in his eyes. The sunlight outside the window reflects on the piano sound and sends out a soft halo. Mufei is shrouded in this light. His posture is elegant and it makes people forget that he is a wheelchair man.

Shu pure quiet sit beside, looking at his hand, looking at his calm side face, her heart, never had the washing.

His piano sound, too perfect, but with a trace of sadness, Shu pure can not help but think of the heartache, what did he experience? Where does his sorrow come from?

From the sound of his piano, she could hear his lonely heart. Suddenly, she had an impulse to hug him, but she dared not. She could only quietly let her heart resonate with his piano.

Chapter 468

Today, there is one thing that is more important and cannot be absent.

That's the event that the Wens are going to celebrate wenliangyao's birthday. To be honest, wenliangyao has been abroad before, and his birthday has been put off every year, which makes the Wens very unhappy.

It's hard to come back last night. Wen Liangyao made a very serious decision. He wanted to have a birthday. No, the Wen family paid attention to it.

However, he also stipulated that no more relatives and friends should be invited, as long as their own people and Xing family come together.

Although it's better to be lively, they did as their son asked.

Tang Siyu and Suxi haven't seen each other for some time. They both spent a honeymoon. After coming back, they didn't see each other because of such things. Tonight, they can finally meet together at the Wen family. Hearing that there is a birthday cake to eat, the little guy is also very happy, but he is holding his finger to count when he can eat mommy's cake and when he can eat daddy's cake. This count shows that uncle Wen's cake is the fastest, and he can eat it tonight.

Today, the school is still in class as usual. After lunch at noon, Xing YINUO's mobile phone rings a message.

She can't help but take a look at it. It's from Wen Liangyao, with a simple sentence: "what kind of cake do you like?"

Xing YINUO blinked, and the joy surged up in an instant. It seemed that it was sweeter than eating a cake!

"Well, I like fruit."

"Fruit? What kind of fruit? "

"Strawberry!"

"Good! I'll order strawberry cake in the evening. "

"It's your birthday! What kind of cake do you like? What kind of cake do you like? "

"I don't like cakes."

"Is it specially ordered for me to eat? Hee hee. " Xing YINUO has a feeling of being loved.

At that time, a good sister beside her couldn't help staring at her. "Oh, Xing Yinuo, you can do it. Which handsome guy are you in love with?"

This one asks, Xing Yi Nuo's face brushed to make a big red face, she is anxious to support Wu to refute, "just not! Don't talk about it. "

"Then you blush!"

"I I don't have one. " Xing Yinuo quickly hides his mobile phone for fear that it will be robbed by his classmates. Then he sees Wen Liangyao's chat record with her.

At this time, there is a good play next to the female students can not help looking at her teasingly, "I heard someone secretly love you!"

"Who?" Xing Yinuo was immediately shocked.

The schoolgirl blinked at once, "new school grass."

Xing Yinuo is even more frightened. Since Xing Yifan left the school, the throne of school grass has been very impressive. The new school grass, it is said, is also a handsome man with good family background and high appearance. However, Xing Yinuo is not a type of narcissism. He lives in a daze every day. He can't even catch up with his study. Where can he pay attention to the new school grass!

Besides, there has been a school grass in her family for a long time! Achievements! It's all against the weather. No new school grass has any attraction for her.

"Where did you hear that? What did the school grass secretly love me for?" Xing Yinuo's cheeks are bulging, and there is no happiness of being secretly loved by the school grass.

"I heard from the class next door. I heard that the school grass asked others about you!"

"Yes! The school grass is transferred to another school. He doesn't know you yet! "

Xing YINUO heard a message at this time. She immediately dodged the group of female students and ran aside to see it. She thought Wen Liangyao would return her words!

How do you know that it's a spam message? She stamped her foot secretly. What do you mean? Talk and ignore people?

Xing YINUO was biting his lips angrily. When he turned around, he bumped the boy who came face to face with a cup of coke. It was a small thing to bump into. He also knocked over the cup in his hand. Most of the coke poured into the boy's clean and tidy white shirt.

Xing YINUO's eyes saw that the white shirt was dyed with a coke. The picture was so beautiful that she dared not see it. She still had a sentence to finish and didn't say it in her mouth.

The boy was very tall, but he didn't get angry. He quickly dusted the water stains on his shirt with his hand, and a girl nearby quickly handed him the paper, which made his face red.

Because Xing YINUO happened to bump into the new school grass Gu Jing. Because of his high appearance and good performance, he has become the adoration of girls in the whole school and is regarded as a god of men.

"Ah! Sorry, sorry Xing YINUO snatched the tissue in his hand and wiped it on his chest!

"Not in the way." Gu Jing looks at her and laughs at her rash behavior just now.

Xing YINUO is surrounded by a group of rich and handsome people. Both of her brothers are in the entertainment circle. In addition, the two Wens are totally immune to the handsome man. She doesn't recognize him as a new school grass.

"I'm really sorry, this student! I didn't mean to bump into you. I can compensate you for this shirt. " Xing YINUO said with guilt on his face that whoever was poured half a cup of ice coke like this would be furious!"No need to compensate, but we can meet each other. My name is Gu Jing."

"My name is Xing YINUO."

"I know you, Xing Yifan's sister."

"Ah! Do you know my brother? "

"We met and knew each other in several math competitions." Gu Jing said with a smile.

When it comes to this kind of competition, only the top students in every school can understand the topic. She chuckled, "Hello, old classmate, I'm sorry! Or I'll give you a coke! "

This time Gu Jing did not refuse, he nodded, "this is OK."

The female students on one side are almost envious and jealous. Is Xing YINUO's collision with the school grass predestined? Why can't they get such treatment in front of the school grass!

However, xingyINUO people are beautiful, because she doesn't earn any school flower throne, so another girl dressed in fashion sits on it, otherwise, xingyINUO is also school flower level, plus her family has a place that people forget, that is, super money.

So, even if how to complain at this time, there is a kind of convinced feeling.

Not far away, another girl looks at what happened at this end with cold face around her arm. She is wearing a very personalized ponytail and painting a delicate shape. She looks mature and beautiful than other girls. She is Tan Xiaoxiao, the school flower of a city noble high school.

Coincidentally, she is currently pursuing school grass and paying attention to every girl Gu Jing contacts. Up to now, only one girl Gu Jing is close to is Xing YINUO.

"It seems that Xing YINUO is quicker than you." There is a girl beside gloating.

Chapter 469

"Shut up! Do you think I'm not as good as Xing YINUO? " Tan Xiaoxiao doesn't like Xing YINUO very much. Because of her existence, her school flower throne is in danger and will be taken away by her at any time.

Moreover, Xing YINUO makes her feel that her beauty is threatened.

"But to be honest, Xing YINUO is not bad." There is a girl's bold answer.

Tan Xiaoxiao is more and more unhappy. She stares at Xing YINUO and Gu JING who are going to buy Coke together. Suddenly, she has a plan. She follows them quickly, picks up her mobile phone and takes photos of the two people.

Gu JING's eyes have been looking at Xing YINUO tenderly. They are full of interest. He has a good relationship with Xing YIFAN. However, from time to time, he can hear his comments on this sister from Xing YIFAN's mouth.

Every time Gu JING wants to ask him to play basketball or something, Xing YIFAN refuses most of them, because his reason is very strange. He wants to go home and tutor his sister.

Xing YIFAN has said a lot and Gu JING has heard a lot, so he is very curious about Xing YINUO. When he transferred to this school, he wanted to get to know her.

Now, the opportunity has come.

At this time, there were several male students making a lot of noise, pushing and shoving from the side, and a male student pushed his companion to hit Xing YINUO maliciously.

Xing YINUO felt that he couldn't avoid it, and was frightened. Gu JING held her by his hand and protected her. He gave a cold warning to the male students. They knew that they couldn't provoke the school grass and ran away. Xing YINUO chased their figure angrily and stamped his foot. "It's necrotic."

This lovely look makes Gu JING laugh. As expected, Xing YIFAN's sister is really cute!

Behind her, Tan Xiaoxiao captured Gu JING's grasp of Xing YINUO in a timely manner. She smiled bitterly from the corner of her mouth and turned to the other side. She posted the photo she had just captured on the school forum and wrote a sentence, "new love of school grass." Don't forget to send a positive picture of Xing YINUO.

This forum is not only for the students' Union of the whole school to watch, but also for the teachers to pay close attention to the students' dynamics. If you find something wrong, you need to jump out in time to warn.

After Xing Yinuo asked Gu Jing for a coke, it was almost time to enter the classroom. She said to Gu Jing, "I'll go back to the classroom first."

"Good! See you next time. " Gu Jing waved at her.

As soon as Xing Yinuo took a few steps, her classmates came around, "yo! School grass! "

"Ah! He is the school grass! " Xing Yinuo said that this was a slow response.

"Tut Tut, what are you thinking in your mind! I remember that I told you last time that he was the school grass. Why don't you remember that! So handsome a person, you can't have no influence

"Is Mr. Wen handsome?" Xing Yinuo raised his eyebrows to express that he was not satisfied with Wen Liangyao.

Now, a few female students immediately thought about it and nodded, "it seems that Mr. Wen has more flavor."

"Well, what do you think!" Xing Yinuo scolded them a few more words, and several people went back to the classroom in a brawl.

When she just entered the classroom, she suddenly became silent in the roaring classroom. All the students' eyes were fixed on Xing Yinuo's face. All kinds of expressions were nothing but envy and jealousy.

Xing Yinuo was stared at a little. Did she do anything bad? Why is she so stared at? She went back to her position with a face in a daze. At this time, a girl next to her came up and asked, "Hey, Yinuo, you really have to be openly with the school grass!"

"Ah? What do you say? " Xing Yinuo was stunned directly.

"Didn't you watch the forum? Your photos have been published. You and the school grass are still hugging each other Are you not afraid that the teacher will ask you for tea? "

Xing YINUO finally understood the reason why she was stared at. She hurriedly took her mobile phone and hurriedly entered the forum. The post floating on the top was the new love title of school grass. She clicked in.

It's petrified. Who sent the picture? In the photo, Gu Jing holds two of her photos. When others look at them, they will misunderstand each other.

It's disgusting. Mingming Gujing just helps her avoid that male student. Why should she be so wronged? Besides, they just know each other!

"It's not true. Someone set me up on purpose." Xing YINUO explained with a face.

At this time, the door of the classroom was pushed open, and Wen Liangyao's figure stepped in. His face was not as dignified as usual, which was very ugly.

His eyes were fixed on Xing YINUO in his position, and he said in a deep voice, "Xing YINUO, come out for me!"

Xing YINUO wants to cry now. It's over. Does he even know? Besides, he's still angry!

She hung her head down and walked out of the classroom door like a child doing something wrong.

Wen Liangyao stood under a tree not far from the classroom and waited for her.

Xing YINUO bit his lip, walked to his side, and Wen Liangyao stared at him angrily. "Is that why you are poor at learning? Young age, what don't learn, learn adult to fall in love?" Xing YINUO's little head was shaking very hard, and his hands were swinging with him. "No, no, I didn't fall in love. The things on the forum are not true. I can guarantee that I didn't."

"What's the matter with that picture?" Wen Liangyao is biting her teeth, approaching her step, "photos can't be deceiving!"

"That's because there are a few male students near me who want to bump into me. Gu Jing just pulled me and was caught by someone else. I really just met him." With that, Xing YINUO had to ask the plate out again. "I ran into his coke in the restaurant today and threw him all over. I'm sorry. I wanted to compensate him for a coke, so I went to the store together."

Wen Liangyao's eyes narrowed tightly, as if to see if she was talking about panic.

"Do you believe me! I can be misunderstood. You can't misunderstand me. " Xing Yinuo stares at him.

"Why do I have to believe you?" Wen Liangyao snorted, "I haven't forgotten. You wrote love letters to others last time!"

Xing Yinuo is really aggrieved and wronged. She puffed up her cheeks and said, "what do you want me to do to believe me?"

"From now on, it's better not to say a word about how far away it is from this ancient respect. If I see you together again, I will punish you." Wen Liangyao warned.

"Not a word?" Does Xing Yinuo think this regulation will be too impersonal.

"Not even close." Wen Liangyao added another sentence.

"Er! What if I didn't notice him around! " Xing Yinuo can't help contradicting.

Wen Liangyao glared at her angrily, "is that right? Go back to class. "

#### Chapter 470

The event of Xing Yinuo and Gu Jing soon disappeared in the forum. However, this event has reached the ears of teachers and students of the whole school. Even Gu Jing was called to the office by his head teacher and had a good ideological education lesson.

Xing Yinuo was even more depressed. After two classes, she was so confused that she was so depressed.

After class, thinking of going back to Wenzhai to eat cake tonight, her mood was a little more excited. She stood at the school gate, a special place waiting for wenliangyao, waiting for his car to come.

At this time, she did not wait for Wen Liangyao to come, but saw Gu Jing's figure coming towards her from the students.

Thinking of Wen Liangyao's reminder, she immediately watched Gu Jing's approach nervously.

"Do you have anything to do?" Xing YINUO looks around, as if he is afraid of being hit by someone.

"YINUO, I'm sorry. I'm responsible. Have you been educated by the head teacher?" Gu Jingyi looks at her worried.

Xing YINUO nodded. "I was educated by my math teacher."

Gu Jingyizheng, how is a teaching teacher? Isn't it the head teacher? He immediately thought that the math teacher in her class was a handsome young man. He frowned, "he didn't scold you!"

Xing YINUO was thinking about what to say. A black car slipped silently in front of her, with the windows closed tightly, making the people sitting inside invisible.

But how can Xing YINUO not know who is such a familiar car? As expected, she was like a hairy kitten, looking at Gu Jing in front of her in a panic, "you go! I'm going home. "

Because she was so scared, Gu Jing was worried. She clasped her arm and said, "what's the matter? What happened? "

Xing YINUO's hand was pulled out of his palm. She shook her head and said, "nothing, I just want to go home."

"Is this your driver's car?"

"Well Yes. " Xing YINUO finished, opened the front passenger's door and sat in, closing the door.

In the driver's seat, the figure of Wen Liangyao is sitting quietly, and the slender right hand is holding on the steering wheel. His posture is languid and a little gloomy.

As soon as Xing YINUO sat down and looked up at him, she ran into a pair of deep and unhappy eyes. She immediately looked down like a child who did something wrong, with her cheeks bulging. "I didn't mean to talk to him, he came to me."

"If he wants you, you'll have to deal with him?" Warm, cool and bright.

"It's impolite to ignore people!" After that, Xing YINUO asked, "is your cake home?" "I'm so hungry. I really want to eat strawberry cake! I'm almost spitting! "

Wen LIANGYAO said as he started the car and left the spot, "no strawberry, it's mango."

Xing YINUO's eyes flashed a flash of loss, "ah! You didn't order strawberries! "

Then why does he ask her what she likes in the morning! She said it was strawberry, but he didn't order what she liked?

Along the way, Xing YINUO has some complaints, but she knows that she is also in fault today, so she doesn't argue with him. Mango is Mango!

Wenzhai, wenlichen and sushi have arrived. Sushi is wearing a flower apron and cutting fruit in the fruit room. That technique still has the flavor of a woman at home. It's gentle and virtuous.

At this time, the Xing family hasn't come. Wen lichen looks at his wife like this. He can't help but encircle her waist and hug her.

Sushi took a washed grape and handed it to his mouth. Wenlichen enjoyed it very much. He bit her ear and said, "it's sweet."

This sentence has a double meaning, as if she is also praised.

Susie immediately pushed him with a smile. "Out! How bad to let my parents see it. "

"How can our love be bad?" Wen lichen put a smile on her shoulder.

Susie is naturally embarrassed, but this man has a thick skin and likes to stick to her like this. She has no way. Who says he is her husband now? What he wants to do is right.

"I called my parents, but they seldom go out in the evening. My sister has to work overtime, and they understand."

"Well! Next time you have a birthday, we'll go back to your house. "

"Good!" Suzy raised her eyebrows with a smile. "Three months to go!"

Wen lichen came out of the fruit room and went into the kitchen. She took his mother's arm and came out. Mrs. Wen took a look at the direction of the fruit room. She gently pulled the sleeves of her eldest son and asked in a low voice, "are you ready?"

This problem, Wen lichen a listen to understand, he puckered lips and nodded, "well, in the plan."

"I stewed chicken soup tonight. You must persuade heathy to drink more later. She's still a little thin."

"Well, I will." Wen lichen nodded seriously.

After Mrs. Wen finished, she took a look at the time. "It's time for Liang Yao to come back." Just then, there was a sound of cars coming from the direction of the yard. It was Wen Liangyao's car that came in. Mrs. Wen knew that Xing Yinuo must have been brought back to his car. She smiled and welcomed him out.

At this moment, Wen Liangyao pushes the door to get off, while Xing Yinuo pushes the door on the passenger seat, and Mrs. Wen's eyes cannot help but stare.

I really didn't expect that this young lady of Xing family has grown up. It's a natural feeling to see her come out from her son's copilot.

It seems that the second son also brought her a daughter-in-law. But soon, she put down this idea. The Xing family girl is still young, and she has just turned seventeen this year!

"Aunt Wen." Xing Yinuo calls her sweet.

"Ah! Here comes a promise. Come in quickly. Your sister-in-law has prepared fruit for you! "

"Sister Susie?" Xing Yinuo exclaimed excitedly, Suxi is her idol!

When Xing Yinuo came in, she saw a cake on the table next to her that had not yet been opened. She whooped, what a big cake!

"Aunt Wen, is this a mango cake?"

"No! This is Liangyao's special order for strawberry. How about it? Do you like mango? "

Xing Yinuo looks back with some consternation and looks at the man coming in behind her. Her smile immediately fills her eyes.

It's deceitful. It's mango flavor. It's strawberry flavor.

However, Wen Liangyao didn't care much about her, but he gave her an unidentified look and went upstairs. "Liang Yao, where are you going?"

"Take a bath."

Mrs. Wen immediately greeted Xing Yinuo enthusiastically. "Come on, Yinuo, there are a lot of snacks here. Which do you like?"

"Wow! Much better! " Xing Yinuo is so happy. There are her favorite chocolates, as well as her notes.
