

U. CEO Daddy 631

Chapter 631

Xing Yinuo ran out of the house and found that she had no driver's license and could not drive on the road. Looking at the four cars in the garage, she could only stare. Xing Yinuo ran up to the third floor again. She was so anxious that she pushed open Xing Yifan's door directly. Xing Yifan in the door was playing a game and was scared directly.

"What are you doing!" Xing Yifan turned to stare at her.

"Second brother, can you take me to a place? Hurry." Xing Yinuo asked for help.

"Say." Xing Yifan continues to focus on the game in his hand. Recently, he is learning the software of game development.

Xing Yinuo is a little embarrassed, but he still tells the truth, "would you like to send me to Wenzhai?"

"Didn't you just go the other day? Still going? " Xing Yifan looks at her strangely.

"Please, second brother, my good second brother..." Xing Yinuo immediately pesters him. Xing Yifan can't stand this kind of Xing Yinuo. He quickly says, "wait until I finish this game."

"How long will it take!"

"A few minutes."

Xing Yinuo's heart was so anxious that he could only bear it and gathered together in Xing Yifan's game. He hoped that the second brother would lose quickly and get out.

Xing Yifan won very easily. He turned off the computer, picked up the car key and went downstairs.

Behind him, Xing Yinuo hurriedly followed him out of the house. Xing Yifan started a cool sports car that his eldest brother gave him, which was very suitable for a boy of his age. He has a smooth

back feeling. Xing Yifan is sitting in it, showing a kind of handsome young man. His hair is black, his skin is bright and white, and his facial features are three-dimensional. He is a typical good-looking young man, with a bit of unruly temperament in the sun.

Xing Yinu sits in the car and quietly takes out his mobile phone to have a look. He is sure that it is the message sent by Wen Liangyao.

Xingyifan's car drove out of the gate of xingzhai and straight to the direction of the street. At this moment, it was October weather. It was very refreshing and pleasant. The windows fell down. Xingyifan's sports car drove through the busy street, which attracted many young girls' looking back and heart. Even the old aunt had to pay more attention to it. She thought, which rich young man is this.

Wenzhai is not far away. Xing Yinu doesn't stop thinking. He says to Xing Yifan, "brother, I'll go in by myself. Do you want to go back?"

Xing Yifan turned around and asked curiously, "what are you going to Wen's house for?"

"Brother Liang Yao has come back from the North Pole. I'll see if he has brought me any gifts."

"It's very interesting of you to ask people for gifts!" Xing Yifan made fun of her.

Xing Yinu ignored, pushed the door to get out of the car and waved at him, "second brother, you go first! "

Xing Yifan, the driver, had to go home immediately.

Xing Yinu is standing at the door of Wenzhai. She takes a deep breath. Her heart is pounding. She holds her mobile phone. She feels it's rude to go in suddenly.

Xing Yinu bit the lip biter, picked up the mobile phone, opened the message, and said to Wen Liangyao, "are you at home?"

"In." That end will come back soon.

Xing YINUO couldn't stop being sweet. He continued to ask, "now you come out, I'm at your door."

When the information was sent, Xing YINUO still wanted to wait for Wen LIANGYAO to return the information, but he didn't.

Xing YINUO went to a tree next to WENZHAI and waited.

Suddenly, the small door on the left side of the WENZHAI gate heard the sound of pushing the door.

Xing YINUO turned to see it in a hurry. He saw a long and slender figure coming out. He was still a man in a simple white shirt, with a gentle and charming face and a hint of urgency. When he saw the girl under the tree, he let out a sigh of disbelief.

"How did you come?" Wen LIANGYAO looks at her lonely figure at the door of the house, and his heart is tightly clenched.

Xing YINUO looked at him. His eyes were sour, as if they were full of grievances. Suddenly, they rushed up and made her sniff and walk towards him. Wen LIANGYAO looked at the girl who came. He couldn't help but smile, "it's getting taller again."

At the same time, he also noticed that she had grown up and got rid of the green astringency of the flower girl. In her eyes and expression, there were some shadows of mature girls.

"I asked you why you didn't return my information in the past six months." Xing YINUO immediately looked up at him and questioned.

In her eyes, Wen LIANGYAO is apologetic and helpless. "The place we shoot often can't receive the signal, so I can only receive your email in a fixed time. I have read all the emails you sent, but I can't often return them to you."

Xing YINUO's heart is still a little sweet. Did he watch it? Did he read even some unreasonable remarks she wrote to him? At that time, I thought that he could not receive it anyway, so I said something in the mail at will, and there were many spitting and reading. Unexpectedly, he saw it!

Wen LIANGYAO's deep vision suppresses a strong yearning, locks the girl in front of her, and dare not reveal it easily.

"Did you bring me a present?" Xing Yinuo's mind was blank for a few seconds, so he asked this question. Wen Liangyao looked at her lovely appearance and reached out to touch the back of her head. "Sure, come in with me and take it!"

"Come out and give it to me! I'm sorry to go in. " Xing Yinuo was teased by Xing Yifan. He was really a bit shy.

"Don't come in and sit in my house?" Asked Wen Liangyao, squinting his eyes.

"Otherwise, let's go out for dinner tonight!" Xing Yinuo suggested that she didn't want to go home, but she wanted to be with him.

"Well, I'll treat you to dinner. "Wen Liangyao also wants to get along with her alone.

"I'll wait for you outside! You drive out! " With that, Xing Yinuo ran to the next tree and waited for him.

Wen Liangyao is a little funny. She finds that she is more mature than she used to be.

Wen Liangyao enters the house quickly and drives out with her present.

Xing Yinuo got into his car, and her heart was as sweet as honey, and a kind of happiness never existed enveloped her.

Wen Liangyao took out a small box of gift box and handed it to her, "a gift for you."

Xing Yinuo looks at the small and exquisite box, but he is happy. Is it a diamond ring for her? Or a necklace? Anyway, she's looking forward to it.

"May I open it now?" Xing Yinuo can't wait.

"Open it!" Wen Liangyao nodded.

Xing Yinuo immediately reached out and opened his eyes. His eyes were bright. Inside was a heart-shaped crystal, pink and beautiful.

"How beautiful!" Xing Yinuo picked it up and spread it in his hand. The pink crystal is natural and transparent, and it's so beautiful that it's fascinating.

"This is a rare crystal I found in an ice cave in the Arctic. It's made into a necklace for you. It has your name on it."

Chapter 632

"My name?" Xing Yinuo can't help picking up the crystal, and carefully found that there are three characters of Xing Yinuo on one edge.

This gift is so precious that it's the crystal he's looking for himself. This idea can't be compared with the crystal in the market.

"Is the place where you work dangerous?" Xing Yinuo looks at him with concern.

"Fortunately, a very professional examination team followed us." Wen Liangyao comforted, "we are safe."

"You have to be careful. You have to be careful." Xing Yinuo is still nervous.

Wen Liangyao stops at the traffic light at the moment. He smiles and reaches out to touch her back brain. Her long hair is silky and silky, which makes her a pretty face. Her skin is white and soft. He can't help reaching out and pinching it.

Xing Yinuo was pinched by him. Her eyes twinkled with a lovely smile. "In a moment, you can tell me what happened to you in this half year. Don't leave out one thing." Xing Yinuo said that he was domineering.

"Good." Wen Liangyao purses his lips and smiles.

Xing Yinuo buckles the crystal to her neck. She wants to wear it, but her hands are rather stupid, so she has to give up.

"I'll put it on for you later." Wen Liangyao opens his mouth.

Xing Yinuo didn't try and waited for him to wear it.

Wen Liangyao took her to a comfortable restaurant in the air. There are few people and the price is expensive, but it's better to be quiet.

After ordering, Xing Yinuo, with a small face, looks at the man opposite. Under the light, Wen Liangyao is more mature with age.

Moreover, he works in the wild, which makes his skin color show a healthy luster. Under a pair of bushy and moderate eyebrows, his eyes are as gentle and deep as ever, and his facial features are put together, just like the artworks of heaven.

"What are you looking at?" Wen Liangyao was actually seen by her, and she was a little upset and nervous.

"How do you look!" Xing Yinuo said with a smile.

After hearing this, Wen Liangyao just smiled, "do I have any other advantages besides being good-looking?"

"Yes!" Xing Yinuo nodded at once, afraid that he would slow down.

"Then, what are my advantages?" Wen Liangyao really wants to hear it.

"Er! You He is handsome, talented, gentle, has a good voice and is good to me. " Xing Yinuo said that in the end, he smiled like a flower maniac.

Wen Liangyao was chuckled. "Is this me in your eyes?"

Xing Yinuo wanted to hear about his work very much. She smiled and asked, "tell me about your work quickly!"

"I participated in a large-scale documentary production team, as one of them, under the leadership of the examination team, to record the actual reports of the melting of Arctic glaciers, and called on the global human beings to participate in the action of environmental protection."

"What a meaningful job." Xing Yinuo thought that he was wonderful and did such a meaningful thing.

"Of course, there are many interesting stories at work. I can't tell them all tonight. What's the matter with your study another day?"

"I I'm fine! " Xing Yinuo was a little guilty about learning in front of him.

However, Wen Liangyao has heard something about her study from her mother. It seems that she has made great progress.

Xing Yinuo shook his fist, summoned up his courage and looked up at the man opposite, "I ask you something."

"What?" Wen Liangyao's heart strings are slightly tightened by her serious look.

"Did you miss me after so long." Xing Yinuo stared at him seriously and asked.

"Of course." Wen Liangyao purses his lips and smiles. If he can tell the truth, he thinks every day.

"Really? Think of me? " Xing Yinuo wants to make sure.

"Well!" Wen Liangyao nods and confirms the answer.

Xing Yinuo's eyes flashed a happy color. She turned her head and saw two sexy women sitting at a far place from the restaurant.

Wen Liangyao saw that she did not speak, as if there were some sullen looks, he squinted and asked, "what's the matter with you?"

"Nothing." Xing YINUO is puffing his cheeks.

"I'll go to the bathroom. You stay here and don't run around." Wen Liangyao said to her.

Xing YINUO nodded.

Wen Liangyao gets up and heads for the bathroom. Just then, one of the women at the side table stands up and comes to sit at Wen Liangyao's place with a smile.

"Little sister, was that your brother just now! Can you do me a favor and give me his contact number? " The girl asked eagerly.

Xing YINUO blinked, but did not speak.

The girl immediately said again, "I'm very interested in your brother, OK! I'll give you a present. Can you give me your brother's information? "

Xing YINUO said, "who said he was my brother! He's not my brother! "

"What? He's not your brother! What kind of person is he? ""He is He's my boyfriend. " Xing YINUO is not only guilty, but also answers her loudly.

The girl immediately surprised, "you You look a little different in age! Little sister, you are not lying to me! "

"No, he's my boyfriend." Xing YINUO said confidently.

In the girl's eyes, there was a sense of loss, and at the same time, there was a shrewd shrewdness. Although the girl was as beautiful as a doll, how could a man like her little green plum?

I must like her plump shape!

And just then, she saw Wen Liangyao coming from there, she immediately smiled and left.

As soon as Wen Liangyao came out of the corridor, he saw a woman sitting in his seat chatting with Xing YINUO. He twisted his brow and walked quickly.

Wen Liangyao glanced at the woman at the side table, sat back to her seat, and said to Xing YINUO, "what's the matter?"

"Oh! There's a beautiful woman coming for your phone. " Xing YINUO replied with a smile.

Wen Liangyao asked with a smile, "you didn't tell them my phone number!"

Xing YINUO looked at the direction of the woman, only to see that the woman with long hair, is also smiling to this side.

Xing YINUO held up his chin and said to Wen Liangyao, "I told them that you have a master of the famous grass."

Wen Liangyao holds up his cup and drinks tea. At this time, he hears the beautiful girl on the opposite side saying, "I said, I am your girlfriend."

Wen Liangyao almost choked a mouthful of tea. He raised his eyes. "Do you really say that?"

Chapter 633

Xing YINUO nodded, looked at him with a guilty heart, and asked, "are you angry?"

Wen Liangyao couldn't help but feel funny, he shook his head, "not angry."

Xing YINUO doesn't stop puckering his lips and secretly chuckling. He's not angry!

When the dishes came, Xing YINUO felt that the meal was also fragrant. She would look at the two women from time to time, and found that they still looked at Wen Liangyao from time to time, but Wen Liangyao did not look at them at all.

"I have also brought gifts to your brother and Xiao Xi. In a moment, you will give them for me."
Wen Liangyao opens his mouth.

"Good!" Xing Yinuo nodded, peeled the shrimp and put it on his plate.

Wen Liangyao looks at her with a smile, and reaches out to put the dish in the bowl. "Don't worry about shelling shrimp, have a meal!"

Xing Yinuo bent her eyebrows and smiled. She felt that the woman opposite was looking at this side. She thought to herself, she and Wen Liangyao should look like lovers!

During the meal, Wen Liangyao still wanted to know about her. Xing Yinuo also said about her daily life. Generally speaking, she had a very substantial life abroad.

Wen Liangyao's eyes are filled with a touch of comfort.

"Full, let's go!" Xing Yinuo said to him.

Wen Liangyao settles the account, and the two go toward the door.

Just out of the door, behind me came a sound of footsteps, like chasing them.

I saw the woman who came to talk to Xing Yinuo just now. She came to Wen Liangyao with a business card. "Can you do me a favor, sir?"

"What's the matter?" The voice line of Wen Liangyao is cold.

"Well, I bet with my friend that you will send me a message, sir. Can you do me a favor and let me win my friend! As long as you send me a message, any message is OK. " After that, the woman was very soft and pleaded, "please!"

Xing Yinuo on the other side was annoyed. This woman changed her way to ask for Wen Liangyao's phone. It's disgusting.

"Sorry, I have a girlfriend. It's not convenient to help you." Wen Liangyao finished, reaching for Xing Yinuo beside him, "let's go."

"Your girlfriend seems to be under age!" The girl was a little annoyed and refused. She asked immediately.

After hearing this, Xing Yinuo turned around and replied, "I'm nineteen years old."

The girl immediately choked. Unexpectedly, her charm was not as good as that of a little girl, which was really annoying.

Wen Liangyao had been holding Xing Yinuo into the elevator, and his hand was pulled back from her slender waist.

Xing Yinuo's mouth curved with a happy smile, but also a little shy.

"Do you often meet girls talking to you! How do you usually deal with it? " Xing Yinuo asked curiously.

"Very few, even if there are, I will actively refuse." Wen Liangyao answers this question seriously.

Of course, there are many things Wen Liangyao encountered, but they are all cold and polite refusal.

"Oh!" After Xing Yinuo heard it, his mouth turned up a little.

As long as he is willing to refuse.

"I'll take you back. If it's too late, your parents will worry." Wen Liangyao said to her.

Even he can't cross the line.

"Well! All right! " Xing Yinuo nodded.

In Wen Liangyao's car, he drove towards the direction of xingzhai villa.

Suddenly, there was a phone call in the quiet carriage. It turned out that Wen Liangyao's mobile phone was automatically connected to the car phone. At this moment, there was a connected phone on the central control screen.

Wen Liangyao takes a look at the name above, which shows that it's a woman's name, ye Ning.

Xing Yinuo's eyes are fixed on the name on the central control screen, her heart strings suddenly tighten, the woman's phone? She suddenly wanted to hear what the girl said.

She immediately said, "it's not convenient for you to connect. I'll help you." Finish saying, her slender finger, clicked to connect the key.

"Hello, Liang Yao, are you at home? I have a question for you. " That end, is a sweet female voice, and, tone, still with a hint of joy.

"I'm outside, driving." Wen Liangyao replied.

"Oh! You're driving! I'll ask you when you get home! "

"Good!"

"Then drive carefully." At that end, the voice of the girl came to care about her. With that, she quipped, "I'll hang up first!"

With that, he hung up.

The carriage immediately returned to silence. Xing Yinuo looked at the girl's name disappeared on the screen. Her pretty face was stiff. She blinked and her mind was filled with many question marks.

Who is this girl? What is the relationship with Wen Liangyao? Why is Liang Yao so familiar with him?

Wen Liangyao also felt the quiet and silence of the girl around him. He could not help looking at her worried.

At this time, Xing Yinuo has asked with a smile, "who is she!""Colleagues." Wen Liangyao answers her.

"The woman you worked with this time? It seems that you have a good relationship! " Xing Yinuo smiled, but his heart was inexplicably upset.

It turns out that in his workplace, there are female colleagues who have such a good relationship with him.

"Yinuo, we are just ordinary friends. Occasionally she asks me some questions about her work." Wen Liangyao explained carefully, for fear that she might misunderstand something.

"Oh! Is it? " Xing Yinuo chuckles.

Once again, the atmosphere is a little solidified, and Xing Yinuo is even more silent, quiet as if a bottle of lifeless dolls.

Wen Liangyao's heart strings were tighter and tighter, which made his breath a little shorter.

"Yinuo, why don't you talk?" Wen Liangyao asked softly.

"I'm a little tired." Xing Yinuo felt suddenly tired. In fact, he was not only tired, but also a feeling of being too stuffy to speak.

She didn't even feel jealous or qualified to investigate the girl.

"Well, I'll take you back." Warm, cool and Yao, gentle.

Soon, Xing's house was in front of him. Wen Liangyao's car stopped at the door. Xing Yinuo said, "send it here! I'll go in myself. "

It's almost nine o'clock at the moment, and Wen Liangyao is not suitable to go in. He takes the gift from the back seat and hands it to her, "take the gift from your brother and Xiao Xi back."

"Well!" Xing Yinuo reaches out and takes it. There is a gift in her bag.

"Then I'll go back. Goodbye." Xing Yinuo takes the gift, turns around and presses the fingerprint to enter the door.

Behind her, Wen Liangyao twisted her eyebrows and watched anxiously as she disappeared behind the door.

Inexplicably, he would like to call her again, but, in the end, he still put down the idea.

She is still young. She can't understand many things after explaining them.

Indeed, Xing Yinuo has no way to understand. At this moment, her heart is like being caught by someone, and it hurts.

Chapter 634

Xing Yinuo is walking in the yard. The whole person is in a trance. In his mind, there is the voice of the woman named Ye Ning, just like how close the girl is to Wen Liangyao.

Xing Yinuo's heart still felt hurt. When she entered the hall, she saw the little guy still playing in the hall, and Xing Yifan, who was watching TV, was sitting next to her.

"Come back, what's in your hand?" Xing Yifan asked.

Xing Yinuo put things on the table and said, "take a look at your gifts!"

"Who sent it?"

"Brother Liang Yao." Xing Yinuo finished, turned and went upstairs.

Xing Yifan looks at her back strangely, and comes to open the gift. What he pulls out is a meteorite bracelet of his. The little guy is a miniature dinosaur made of it.

Xing Yifan picked up the bracelet and put it on. He hooked his lips and smiled. He liked it very much. The little guy was shocked and immediately held it in his hand. He was very happy.

Xing YINUO went back to the room and sat on the bed, as if her strength had been taken away and she was listless.

She lies on her back on the bed, looking at the ceiling, and there is a sense of sadness in her heart. Is it because each other has their own lives?

She has no way to know who will appear in Wen Liangyao's life, the women who work with him and have a good relationship with him.

Looking forward to the meeting for half a year, she thought that when we met again, the two were still as they were before. She never changed her mind about him.

Even if there are many boys abroad who want to chase her, her heart can't hold any figure of a man, but she can only control her heart! Can't control other people to get close to Wen Liangyao!

The president's marriage, has been hot, full of blessings on the Internet.

Suqin's salutes have all moved into the presidential palace, and she has become the real president's wife.

Just married, she and Xuanyuanchen live a sweet and warm daily life. Unlike other newlyweds, she can go on a honeymoon trip immediately after marriage.

Xuanyuanchen's time can't be arranged, plus his identity, and he can't leave the country at will.

Suqin didn't care about it at all. Even their wedding photos were scheduled to be taken in the spring of next year, and she readily agreed.

It's new year's Eve, and there are many things in the presidential palace. Xuanyuanchen deals with the work, and she takes care of the lock affairs in the palace.

New year's Eve, in the expectation of all.

Every family is in the atmosphere of reunion. Xingzhai has a very rich new year's Eve dinner. There are many people and children in the family. The atmosphere is very lively.

After dinner, there are many fireworks in the sky, but Xing liehan doesn't include them. He bought back many fireworks and put them in the yard.

A cluster of fireworks, exploded in the night sky, and the stars set off, very beautiful.

Tang Siyu with his son, standing on the roof, Xing Yifan is responsible for the ignition downstairs. Tang Siyu put out his hand to cover his son's ears. At the same time, she was afraid of the noise. Just when she didn't know how to do it, a big hand reached over and covered her ears.

Tang Siyu's heart was sweet. Next to him, Xing Yinuo also covered his ears and his eyes flashed with excitement.

At this time, Xing Yifan lit the fireworks and stood on the rooftop, enjoying the fireworks a hundred meters away, which was particularly beautiful.

Xing Yinuo looked at the fireworks and thought of Wen Liangyao. After that night, two days later, she didn't contact him actively, and he sent a message of blessing around eight o'clock, and she didn't return him.

It's not that she doesn't want to go back, but that she doesn't know what to go back and return the blessing words?

Isn't that the relationship between them, the kind of politeness between friends?

So, she didn't go back. She planned to go back later. At this time, her mood was still infected by her family and she temporarily forgot to return the information.

Wenzhai, this year is also more festive, because more a daughter-in-law, and soon to add grandchildren.

Wen lichen was afraid that the fireworks outside would be too loud and frighten Suxi, but Suxi wanted to feel the atmosphere of the new year, so Wen lichen drove her out to relax.

In the busy streets, there is a strong atmosphere of the new year.

Wen Liangyao has always been a quiet person in his family. At this moment, he stands on the roof of the building, with one hand in his pocket, and looks into the distance. He reaches for his mobile phone and slides it away.

He received the blessing message from his colleagues, friends and classmates, but Xing Yinuo was the only one.

He opened the message he had sent. It was over an hour ago.

She didn't return the information, which made his heart inevitably guess, she didn't see, or didn't want to return to him?

At this moment, it's hard for the beautiful fireworks in the distance to enter his eyes, because at this moment, all his emotions are occupied by the message that Xing Yinuo hasn't returned. He even had an impulse to rush in front of her and ask her why he didn't return his message.

That night, ye Ning did ask him a question about his work. Of course, Wen Liangyao also knew that ye Ning did have a good impression on him at work, and he could feel Ye Ning's intentional closeness. However, he had no response to her except for his work. That is to say, colleagues often need to be contacted in daily work. In addition to maintaining the proper distance, Wen Liangyao cannot refuse to ignore.

However, he didn't know how to explain it to Xing Yinuo.

In the presidential palace, Cheng Xuelan and his wife had a new year's Eve dinner here, but they were older and had no idea of the young people's cheering and bustling. They went back after the reunion dinner.

Xuanyuanchen also vacated all the time tonight. For him, the time to accompany Suqin is always luxurious.

At dinner, Suqin also enjoyed the picture of xuanyuanchen greeting the new year to the whole nation, showing the demeanor of a country's leader.

Two people walk hand in hand in the garden of the presidential palace. Because it is far away from the city, and fireworks are forbidden nearby, it is still as quiet as usual.

It is because of this quiet moment that xuanyuanchen feels a little guilty. He can bear this loneliness. Now, he wants Suqin to spend such a time with him.

Xuanyuanchen suddenly had an idea. When he was young, he often couldn't bear the quiet time of the presidential palace, so he would sneak out and let the driver take him to see the fireworks.

And there is a place that is most suitable for watching fireworks in the whole city.

There is a hilltop where the military base is blocked. There is a base there. However, there are no troops in it, only an empty one.

It's also a very safe place. It's only half an hour's drive from here.

"Is it boring?" Xuanyuanchen asked Suqin.

Chapter 635

"If you're there, it's not boring." Su Qin chuckled and nestled in his arms.

"I want to take you to a place."

"Now?"

"Well!"

"Where to?" Suqin's heart is still full of expectation.

"If you don't tell me first, I'll arrange for you to change a thicker coat."

"Good!" Suqin walked into the hall laughing and went to change his heavy coat.

Xuanyuanchen asked his motorcade to stand by outside the door. When Suqin went downstairs, he took a long windbreaker for him. Xuanyuanchen pulled her arm in the corner and led her hand out of the door.

In the car, the team in the dark, mysterious and low-key out.

At this time, it's about nine o'clock, when xuanyuanchen is going out.

There is also a motorcade starting from the direction of the city center, which is xuanyuanchen's fireworks line. Just under the mountain of the base, there is a huge open space which is very suitable for setting off fireworks.

Xuanyuanchen is about to make a fireworks show for his wife.

Although Suqin could not guess what he was going to do, she was moved and expected in her heart. He was so willing to arrange, no matter what it was, she was moved in her heart.

In the dark, the car drove smoothly and orderly into a road up the mountain. Because there are sentry boxes nearby, the road in this area is very spacious and smooth.

Half an hour later, the team drove up to the top of the mountain base and stopped in front of an open flat ground.

Tonight, there's no wind. There's even some spring in it.

Standing under the night, the starry sky over her head made Suqin feel very comfortable immediately. She led xuanyuanchen's hand and walked to the front.

Behind them, the bodyguards are a little far away, only they stand side by side.

The fireworks in the distant city are brilliant and charming. Su Qin takes a deep breath and asks with a smile, "how do you think of coming here?"

"I'm afraid you're bored. It's new year's day. You can't be bored at home any more. Take you out for a walk and enjoy the fireworks."

Then he unfolded the windbreaker in his arm and draped it on Suqin's body, holding her tightly in his arms.

At this time, Suqin saw the open valley below, suddenly out of charming fireworks.

It's just in her eyes.

She surprised and put out her hand to cover her lips. Did he arrange it?

The distance is far enough, so it won't be deafened by the noise. However, when you are at the top of the mountain, you can see the fireworks blooming in your eyes. This is the first time for Suqin.

"Beautiful." Suqin sighed.

Xuanyuanchen lowers his head and kisses her hair gently. "Let's enjoy it for a while."

Suqin's eyes, one after another into different fireworks, her heart, but also with these fireworks, calm and beautiful.

She hoped that this life, so quiet with him, looking at the world of flowers, do not leave.

"Tomorrow evening, I'll take you to a party. It's arranged." Xuanyuanchen said to her.

"Well! Good. " Suqin smiled.

In such a night, there are still some people who get annoyed.

Wen Liangyao holds his mobile phone and stands on the platform for a long time. He reaches for Xing Yinuo's mobile phone and wants to talk with her.

However, her mobile phone shows no answer status.

He thought, at this time, she must not be around!

There is an indescribable sense of dryness in Wen Liangyao's heart.

In Xing's house, after setting off the fireworks, Xing Yinuo came downstairs first. She heard her parents were still watching the party. She went back to the room and looked at the cell phone she had left on the bed. She reached out and picked it up. She saw her cell phone was bombed by a pile of blessing messages. At the same time, there were more than a dozen phones that were not answered.

She opened the phone, but the top one was Wen Liangyao.

Xing Yinuo's head thumping. He called?

She thought about it and pulled it back.

Wen Liangyao is about to go down from the rooftop. Suddenly, on the quiet rooftop, his mobile phone is singing.

He took a look, his heart trembled, it was Xing Yinuo's, he slightly relieved, smiled, picked up.

"Hello!"

"Did you call me?" Xing Yinuo asked curiously at that end.

"Well, I want to say to you, happy new year." Replied Wen Liangyao in a low voice.

"Happy new year." Xing Yinuo also replied.

"I remember when you used to celebrate the new year, you would ask me for red envelopes."

"I'm nineteen. I can't have a red envelope." Xing Yinuo said with some helplessness, "my parents won't give me a red envelope."

"Yes, I have something to tell you."

"I have something to tell you, too." Xing Yinuo said.

"First of all." Wen Liangyao doesn't argue with her.

Xing Yinuo thought about many things these two days. Of course, she didn't give up her love for him, but she also knew that everyone had their own choice and she couldn't interfere. "I want to say that Miss Ye is very good. Do you want to associate with her?" Xing Yinuo asked boldly.

"Who said I was going to be with her?" Wen Liangyao is a little embarrassed. Is that what she wants to say?

"She must be a very beautiful girl! Does she like you? If you like her, you can go after her! " Xing Yinuo looks at himself in the mirror and laughs like a fool.

"Yinuo, what are you talking about? Ye Ning is just my colleague, working partner, not my favorite girl. " The voice line of Wen Liangyao is deep and serious.

Xing Yinuo listened, and suddenly a smile came into his eyes, "really?"

"Don't think about it. It's not every woman I meet. I like it."

"Do you have anyone you like?" Xing Yinuo swallowed and asked nervously.

"Yes." Wen Liangyao answers her.

"Who is it!" Xing Yinuo's heart was going to the throat, nervous and scared.

"Not for the moment." Wen Liangyao remains mysterious.

Xing Yinuo suddenly has the confidence of mystery. It seems that it's her! But she said to him deliberately, "it's definitely not me."

"Why?" Wen Liangyao asked funny questions.

"You didn't say you liked me."

"I didn't say I didn't like you." Wen Liangyao asked with a smile.

At the bottom of Xing Yinuo's heart, suddenly there was a feeling of flowering.

"A promise, I give you a gift, keep it well."

"Why?"

"No reason, I hope you keep it." The voice line of Wen Liangyao is low and gentle, and it also has the meaning of domineering.

"Well! I will. " Xing Yinuo's heart was suddenly not depressed.

"Did you see the fireworks?"

"Look, my big brother bought a lot."

"OK, then you should go to bed early and not stay up late.

"Let me ask you a question! When you come back this time, apart from giving a gift to one of my girls, do you have any other gifts for other girls? "

"No." That end, Wen Liangyao answers her seriously.

Xing Yinuo sat in front of the dresser, in the mirror, laughing her teeth out of sight. She said to the end of the phone, "good night."

With that, I hung up.

On the platform, Wen Liangyao also breathed a sigh of relief. However, his mind was soon tested by the girl?

Chapter 636

It wasn't long before Xing Yinuo hung up Wen Liangyao's phone. Suddenly, Xing Yinuo received the lucky money sent to her by someone by way of transfer, 50000 yuan only.

Xing Yinuo was so happy that he couldn't close his mouth immediately after watching it. This man thought she was a child! Give her lucky money back.

This evening, the whole city has become a city without night. After the early morning, it is still full of lights. On the street, there are many busy young men and women who are unwilling to end today's jubilation.

Susie is pregnant, so she is more tired than usual. Tonight, there are fireworks outside from time to time, which makes it difficult for her to sleep.

Wen lichen closed the doors and windows of the room. He hugged her and coaxed her to sleep.

Susie was in his arms, so sleepy. She was buried in his chest. Suddenly, she thought of something, looked up and pleaded, "I'm going to the cinema tomorrow."

"Remember your premiere?" Wen lichen kissed her forehead with a low smile.

"Of course! This is the result of my efforts. I must know what is the result. "

"The box office booking has exceeded expectations a lot. It won't be bad." Wen lichen comforted.

"Well!" Susie smiled and fell asleep.

Xingzhai, the family also made it very late, more than 12 o'clock, Xing liehan and Tang Siyu just came back to the villa, two people who have already bathed, because they need to stay at night, Tang Siyu has been accompanying him through 12 o'clock.

It's a very relaxed feeling that the little guy is not around and belongs to their private space. At the same time, Xing liehan's eyes are always staring at the women around him.

It was like a wild animal staring at its prey.

Tang Siyu changed her pajamas, washed her face in the bathroom, and after that, the man put her on the washstand.

In the mirror, Tang Siyu's pretty face was red, and he said with shame, "what are you doing?"

"My wife, I feel sick." The man's low voice line spat in her ear.

As for where it's hard, don't ask auspiciously. Tang Siyu's breath is slightly smothering. The man behind lifts her long hair and kisses her with thin lips.

Tang Siyu always has no way to take this man. In many cases, she doesn't refuse him.

Who says this man is always not easy to satisfy?

New year's day, new year, new weather.

In order to support Su Xi's new play, Tang Siyu booked five tickets last night. Their husband and wife, Xing Yixi, Xing Yinuo and Xing Yifan, went all out to the cinema to support it.

However, on the first day of the new year, in the afternoon of the theater, Xing had an urgent video conference to be held.

Xing Yinuo immediately calls Wen Liangyao and pulls him on. Wen Liangyao also comes from home soon.

In the cinema, Susie's films are full.

It's a positive film with deep meaning. In addition, it's a big production, full of special effects and easy ingredients. The audience is very wide and well received.

They are at the gate of the cinema, waiting for Wen Liangyao.

Wen Liangyao's khaki color windbreaker is very handsome and charming.

Xing Yinuo held popcorn and immediately handed it to Xing Yifan. Then, he secretly gathered his long hair and wanted to give Wen Liangyao the image of a very lady.

Naturally, Wen Liangyao saw her small movements. With a hook on the corner of his mouth, he said to Tang Siyu, "sister in law, I haven't seen you for a long time."

"Long time no see, Liang Yao."

"Uncle Liang Yao, thank you for your gift. I like it very much." Xing Yixi looks at him very lovingly.

Wen Liangyao reached out and stroked his little head. "You like it."

"Let's go! It's about to start. " Xing Yifan makes a sound.

He followed the ticket check-in, and bought a very good position. The position was in a row. Xing Yifan went in first, and led the little guy to the past. Tang Siyu sat down with the little guy. Xing Yinuo sat next to Tang Siyu, and Wen Liangyao sat beside her.

"Brother, pass me the popcorn." Xing Yinuo doesn't forget her popcorn.

Xing Yifan hands it to her, and he doesn't like to eat it. The little guy reaches out and grabs some of them in his hand. Tang Siyu doesn't eat them. Xing Yinuo holds the popcorn and hands it to Wen Liangyao, "do you want to eat it?"

Wen Liangyao reaches for a grain and eats it. Xing Yinuo chuckles. In the dark cinema, the atmosphere is very good.

Wen Liangyao's hand is on the handrail, and Xing YINUO's arm is also in the past.

The arms of the two men are close together, and Wen Liangyao's heart is filled with a touch of complexity and a sense of longing.

His eyes were in the dim light, looking at the girl around him. Xing yinuo felt that he was looking at her, and she also slowly looked up, two pairs of eyes, just stared at her.

Xing YINUO squints her eyes and smiles at him. She feels a little girl's heart.

The movie is very wonderful. After the movie, Xing YINUO says he wants to find friends to play with. He just drives another car out. Tang Siyu asks Wen Liangyao to send her off. And the three of them go home first.

Naturally, Wen Liangyao would like to send her.

Tang Siyu and Xing Yifan leave. Xing YINUO follows Wen Liangyao to his car.

"Where are you going?" Wen Liangyao got in the car and asked her.

Xing YINUO sat in the car, and then he smiled happily, "I have no friends! I just want you to accompany me. "

Wen Liangyao's handsome face is slightly Zheng. She is kind and helpless. She has too much ghost mind now.

"Well, I'll accompany you. Where do you want to go now?" Wen Liangyao asked with a sigh.

"I don't know. Why don't you just walk around?" Xing YINUO thought.

"This is a big shopping mall. Do you want to go in and have a look?" Wen Liangyao suggested.

"Good! Let's go! "

Two people open the door and come out again. There are many people in the shopping mall of the first day of junior high school. Even in the high-level shopping mall, there are also many guests.

The elevator that had just come up from the parking lot was still a little empty, but as soon as it got to the first floor, there were a crowd of guests waiting to come in. They were crowded with people.

In a corner of the elevator, Xing Yinuo occupies a place safely. At the same time, in front of her, Wen Liangyao's tall figure separates him from the crowd.

However, their breath is also very close. Xing Yinuo's face is close to his chest and coat, and she can feel that the man's breath is at the sideburns.

They are going to the third floor. Now they have arrived, but there are still many people. Wen Liangyao reaches for Xing Yinuo and guards her out.

Xing Yinuo's heart is sweet. She has a sweet feeling that is well protected by this man.

Chapter 637

Just thinking about it, Xing Yinuo is still in a trance when a couple rush to the elevator.

At this time, Wen Liangyao's eyes were in a hurry. He reached out and took her into his arms, avoiding the impact of the couple.

Xing Yinuo suddenly reached out boldly. Not only did he hold her, but her delicate hands were also tightly around his waist.

Obviously, I feel the man's handsome body is tight. Xing Yinuo doesn't care!

Wen Liangyao lowered his head, looked at the girl only on his shoulder and held him tightly. He smiled and said, "one promise, let go."

Xing Yinuo let go of his hand. However, in order to prevent her from being hit on the road, Wen Liangyao reached out and led her forward.

When walking to an amusement park, Xing Yinuo's eyes brightened and said to him, "shall we go in and play? I want to catch the doll. "

"Good." Where can Wen Liangyao refuse her big eyes of entreaties.

Wen Liangyao bought her enough coins, half a basket, to play to her heart's content.

"Wow! So many. " Xing Yinuo was really happy.

"Take your time." Wen Liangyao stood beside her, waiting for her very patiently.

"You too." Xing Yinuo said to him.

Wen Liangyao shook his head. "I'll take the basket for you, and you'll catch it."

A couple passing by, the girl can't help admiring Xing Yinuo.

Xing Yinuo's technology is not very good. After a while, he didn't catch one. However, it's all by luck.

After catching it for a while, she finally caught one. She was very happy in her arms.

Wen Liangyao looks at the little girl's heart and nature that hasn't gone away. He feels cherished. He hopes that she will never grow up, so that she can live a carefree and trouble free life.

Xing Yinuo has good luck behind her. She caught four of them and held them in her arms. It's like she found treasure.

Xing Yinuo has queued up to buy milk tea. Wen Liangyao was going to queue up, but Xing Yinuo also loves him, so he sat there and waited.

"Mr. Wen, Mr. Wen." Suddenly a girl's clear voice came.

Wen Liangyao is slightly shocked, and Xing Yinuo's eyes also quickly sweep past. Suddenly, he sees that it is a female student in their class before. This female student has been dressed very mature now, even the sweater inside is wearing some low-minded.

"It's really you! Miss Wen, what a coincidence! I haven't seen you for a long time. " The girl didn't see Xing Yinuo, and her eyes kept turning on Wen Liangyao.

Wen Liangyao's memory is still there, greeting her, "classmate Wu."

"Mr. Wen, don't you teach now? What are you doing now! " The schoolgirl sat opposite him, chin up, eyes full of interest looking at him.

In school, Wen Liangyao became the girl's dream lover. At this moment, he is not teaching, and the female students do not treat him as a teacher.

Xing Yinuo suddenly didn't want to drink milk tea. She came over with a smile. "Wu Jiao, long time no see!"

"Xing Yinuo, you are here, too! Long time no see. " When Wu Jiao saw Xing Yinuo, she immediately saw jealousy in her eyes.

"Liang yaoge, I suddenly don't want to drink milk tea. Let's go!"

Wen Liangyao gets up, and Xing Yinuo suddenly holds his arm carefully.

At a glance, Wu Jiao was stunned and asked, "aren't you cousins from afar?"

"Who told you we were cousins from afar! Liang yaoge's mother and my mother are good sisters. We have no blood relationship! " Xing Yinuo explained this very carefully.

Wen Liangyao doesn't speak, just looks at her with a quiet smile.

"Then you and Mr. Wen? "Wu Jiao blinked, feeling good.

Xing Yinuo chuckled, "what's the matter with us? "

" you shouldn't be dating! "

Xing Yinuo immediately asked Wen Liangyao with a smile, "are we communicating?"

"One promise, stop it." Wen Liangyao finished, but naturally took her shoulder. "Let's go!"

Behind her, in Wu Jiao's eyes, there was a rush of envy and jealousy. At school, Wen Liangyao was good at Xing Yinuo and liked it all. Now that he has quit teaching, they are dating each other?

Wen Liangyao glanced at the time and said to Xing Yinuo, "it's late. I'll take you home."

"I don't want to go home yet." Xing Yinuo shakes his head with his cheeks bulging.

"On the first day of the new year, you'd better stop running around and go home obediently!" Wen Liangyao advised.

He knew that he could not stay with this little guy any longer, otherwise, he was really afraid that his mind would be seen through by her, and he would be unable to help protecting her, as well as some physical contact.

"Well then!" Xing Yinuo had to be obedient.

Wen Liangyao sent Xing Yinuo to the door. He didn't go in. Xing Yinuo turned to him and waved, "when can we see each other?" "I'll make another appointment in the next two days." Wen Liangyao replied.

"Well, it's settled! You're coming to me. "

"Well." Wen Liangyao has no way to refuse her request.

On his way home, Wen Liangyao received a call from the editor in chief. They decided to return in three days and let him prepare.

Wen Liangyao agreed, this time shooting, is a rigorous, also has the test work very much.

After answering the phone, Wen Liangyao sighed. He didn't tell Xing Yinuo about it for the time being, otherwise, she would be sad.

Moreover, his departure may be another year and a half.

Even if he didn't give up, he had to give up her. Originally, he would not participate in her life for three years. Now, he found that three years was too cruel for each other.

Two days later, Xing Yinuo didn't wait for Wen Liangyao to come to find her.

Until the afternoon of the third day, when she heard the phone ring, she picked it up to see it was him. She picked it up happily. "Hello, are you here? Is it at my door? "

"Yes, I'm at the airport." The voice of Wen Liangyao was low.

The smile on Xing Yinuo's face immediately turned into panic, "Why are you at the airport? Are you leaving? "

"Well! I'm going back to work. "

"No, I don't want you to go." Xing Yinuo suddenly cried out, "I don't want you to go."

"Yes, I'll see you again."

"It will take a long time to see you, I don't want to." Xing Yinuo set off like a child.

"Yinuo, you should learn to grow up, be sensible, mature, and live a life of parting, parting, just for the next reunion." Wen Liangyao's deep consolation.

However, in his heart, it was painful, hoping that she would never grow up, but at the same time had to let her learn to grow up.

At this time, Wen Liangyao was called by someone, and knew that he was being urged to board the plane through the microphone.

"Yes, I'm boarding now. I'll see you next time."

Xing YINUO holds the mobile phone and shouts, "then you promise to return my information and never ignore me."

"Well, I'll try to get in touch with you." Warm and cool guarantee.

Chapter 638

Wen LIANGYAO left. At a corner of the airport where Wen LIANGYAO left, a young girl repeatedly looked at the ticket, and looked at it. Her heart was full of intense and complex emotions.

She is Shu Chun. She finally got up the courage and bought a ticket to go abroad to find MUFEI.

Sometimes, there is only a glimmer of hope in some hearts. If it is not nipped out, it will not be so easy to give up.

Even if she hadn't thought of what she would say to him after meeting him, she would never be reconciled in her life if she didn't go there.

Although MUFEI left the country, he had no less money every month. With his support, the children in the orphanage were no longer so restrained, and the Dean was no longer worried about the lack of funds. Now, the orphanage is like a big family, and all people live better.

All this was given by MUFEI, so Shu Chun thought that if she saw him again, she would say thanks to him.

Thank him for his selfless dedication, so that these lonely children have a more warm home.

Shu Chun is a little distressed that she only has a very vague address in her hand. This is the address she obtained from a senior of MUFEI company, but the senior doesn't know the specific address.

Just tell him that Murphy has set up a branch office in a city of his country. He will appear at the meeting once a month, and the senior manager will attend the meeting.

Besides, the address of mufei's residence and his treatment hospital were not even available to the senior manager.

Shu Chun doesn't have more channels to get Murphy's news. However, even if she only has a vague address, she doesn't defeat her determination to find him. "Murphy, I've come to see you." Shuchun looked out of the window and murmured at the bottom of his heart.

At this time, her boarding broadcast came from the radio. Shu Chun picked up her backpack and walked into the queue.

Shu Chun's beautiful face, simple and elegant as chrysanthemum, stood in front of her, two girls of the same age, wearing delicate makeup, Shu Chun stood beside them, actually relying on a plain face, they compared their beauty.

Shu Chun sits in her position, her heart is a little nervous and full of expectation.

Xing house, dinner time.

Xing Yinuo's eyes are still red and swollen. When they appear on the table, Jiang LAN immediately worries and asks, "what's wrong with you?"

"I'm fine! I didn't sleep well. " Xing Yinuo said he was flustered.

"Then you should have a rest earlier this evening. Don't think about staying up all the time." Jiang LAN asked.

After dinner, Xing Yinuo went upstairs and shut herself in the room. The whole person was buried in the quilt, and she couldn't help crying. Anyway, from now on, she didn't have to go out to meet people, so she cried as she wanted.

At nine o'clock in the presidential palace, Suqin felt sleepy, but she didn't show it.

She sat on the sofa with the man who was reading documents at the desk.

She also held a book in her hand. At the moment, she felt sleepy and couldn't read it.

Xuanyuanchen is looking at a document carefully and attentively. Suqin doesn't disturb him, so he quietly falls asleep on the back of the sofa.

Xuanyuanchen didn't hear the sound of turning pages all the time, he just raised his head, and then he saw his wife lying on the sofa, even sleeping.

He put down the document in his hand and stepped to sit next to her. Suqin had just gone to sleep. When she heard his figure rising, she woke up again.

Open a pair of blurred eyes, looking at the man sitting beside, chuckle, "is the work done?"

"Well! After that, I'm going to sleep upstairs. "

"Good." Su Qin said, want to get up, the man then pitifully put out his hand to hold her, Su Qin smiled to embrace his neck, "you are not tired?"

"Not tired." Xuanyuan Chen low smile kisses her red lip, "hold own wife, how can be tired?"

Suqin was carried upstairs all the time. They had taken this bath for a long time and went to bed after washing.

Suqin was immediately shivered by the cold quilt. Xuanyuanchen reached out to hold her and passed the temperature to her.

Suqin squinted, closed her eyes safely in his arms, closed her eyes, suddenly her brain was a little dim, and thought of another thing, was she supposed to come there? That's why you're so tired?

Thinking about it, she carefully calculated the days again. Suddenly, she opened her eyes. Recently, she was so comfortable that she forgot that her period had been postponed to a week.

Xuanyuanchen is startled by her sudden look up movement, reaching out to rub her long hair and asking, "what's the matter? Have a nightmare so soon? "

Suqin wanted to tell him, but she thought, don't let him worry about it.

He has enough things to worry about, and her kind of things, maybe it's just a delay caused by too tired recently!

"No!" Suqin immediately buried himself in his chest again, "I want to sleep.""Sleep!" Xuanyuanchen gently coaxes out the sound.

When Suqin closed his eyes, he was really fast asleep.

Xuanyuanchen kisses her forehead lightly, at this moment, also put aside the work, just want to look at her sleeping face so, the mood is calm.

The next morning, the first thing Suqin woke up to was curious about the postponement of her menstruation. Last night, she only felt tired and delayed. Now, when she is sober, she checks the date carefully again. For the first time, she and xuanyuanchen have been for more than 20 days, nearly a month.

Is it true that

I don't think so. I won the first prize!

There is an indescribable excitement, joy and helplessness in Suqin's heart. She just got married! She's really not ready for her baby yet! But if she does, she will be happy to look forward to it.

In the presidential palace, as the president's wife, Suqin realized one thing. Before, she wanted to go on the street, drive a car and go out, wherever she wanted to go.

Now, it's not that she's allowed to go in and out. She's watched all over the country!

Moreover, she showed up at the party on the first day of the new year, and gave several close-ups of Xuanyuan Chen and her. Her appearance, even though it was deeply rooted in the hearts of the people, was eager to determine this matter, so she had to discuss it with Xuanyuan Chen. Suqin goes to Xuanyuan Chen's study. In the morning, Li Sen comes to report things. Li Sen has just left. Only Xuanyuan Chen is in the study.

Suqin went to the door and knocked.

"Come in." Xuanyuanchen's voice sounded low.

Suqin pushes the door to enter, xuanyuanchen stops the work in hand immediately, looks at her gently, "what's the matter?"

Chapter 639

"I have something to tell you." Suqin could not hide a trace of excitement and went to him.

Xuanyuanchen looked up slightly. When she came near, she reached out and held her hand, pulled her to her leg and sat down.

"What is it?" Xuanyuanchen asked curiously.

"I found that my period was postponed for a week." Said Suqin, looking into his eyes.

Xuanyuanchen's expression immediately showed concern, "what's wrong with your body? Is there anything uncomfortable? "

Su Qin chuckles, and can't expect him, a man of great opportunities in the day, to think of pregnancy as soon as possible.

"It's nearly twenty days since we first arrived! I think I might be pregnant. " Suqin told him what he thought.

Xuanyuanchen deep eyes, gaped round a circle, excited, excited, Qi Qi rushed up.

"What did you say? You may be pregnant? Really? " Xuanyuanchen's surprise was real, as if with a sense of pride, "we are going to have a child?"

"I just said maybe, now, I need a pregnancy test stick. Can you ask someone to bring me one?" Suqin smiled at him.

"I'll ask Zhang Jing to bring it right away." Xuanyuanchen thought of his exclusive doctor. He reached for his mobile phone and excitedly dialed Zhang Jing's number.

At that point, he said very seriously, "bring me a pregnancy test stick to the presidential palace. Now, right now."

Zhang Jing was stunned for a few seconds at that end. "I see. I'll come right away."

After hanging up the phone, xuanyuanchen swallowed his saliva. The joy of being a father covered his face. He reached out his hand and held Suqin on his leg gently and steadily. All of a sudden, everything became more careful.

"If it's true, then the child came too soon." Xuanyuanchen also sighed.

"Then don't you want it?" Suqin asked him with a smile.

"Yes, of course, it's just that it hurts you." Xuanyuanchen thought that if she was pregnant, she would go through a period of childbirth, he would be very distressed.

"Nothing! I'm willing to work hard. " Suqin rested on his broad shoulders.

Zhang Jing drove to the presidential palace in a hurry. This time, he brought more than one but ten pregnancy test sticks. He was afraid that they would not be enough.

Suqin takes over one, some shamefully went to the direction of the restroom, xuanyuanchen immediately followed, guarding at the door of the restroom.

Suqin followed the instructions and began to test. She quietly watched the appearance of the first red bar. With the tension in her heart, she saw a light red first reflected.

Then, the light red line became the same dark red.

Suqin was overjoyed. He guessed it and was pregnant.

When Suqin opened the door, she saw her man standing at the door. She was shocked.

"How is it?" Xuanyuanchen asked her nervously.

Suqin looked at him, chuckled and nodded. "I'm pregnant."

Xuanyuanchen was relieved and reached out for a light grasp. His heart was a little complicated. He was both happy and worried.

"It's OK. It's the only way for a woman. What's more, if you think about how lovely the child is?" Suqin comforted him.

This news quickly told Cheng Xuelan and his wife that they could feel their surprise on the phone. This is their long-awaited grandson!

Then, he told the Su family and Su Xi's side.

Zhang Jing has been paying attention to Suqin's birth since now.

Susie is probably the happiest! Her sister's children are only three months apart. After that, the two kids must be very company.

Sushi is in a very good mood recently, because her films have been sold well, and her evaluation is very high. It can be said that she has proved her strength and position in the acting industry.

However, Sushi's movie fire has also attracted the envy of many people. In this chaotic circle, many women are very unscrupulous in order to be famous.

Plus in this circle, there has never been a shortage of beautiful women, especially confident and powerful women.

Under the name of Tianmu entertainment group, there are many such scheming female stars. They are willing to pay everything for their position and resources.

The participation of Wen lichen, the big boss, is a very important part of Sushi's fire. As Wen lichen's wife, sushi is even more blessed.

However, I don't know who sent a message. Susie is pregnant. So, for at least a year or two, sushi won't be in the entertainment industry, and won't rob resources.

Of course, for some long-term women, what they think is far from the problem of resources.

Instead, the man who has a wife during pregnancy, his physiological needs, to whom to solve the problem.

In the entertainment circle, many men steal food while their wives are pregnant, which is an endless list.

Wen lichen is also a man, he will not guard a pregnant woman, and a year does not open dizzy! In Tianmu group, there is a female star who rises very fast. After a big fire with an ancient costume play, she quickly received several traffic plays and immediately rose to the position of first sister.

However, to be an ambitious woman, she wants to get to a place, not only here, but also to climb higher. Best of all, she needs to stand at the top of the entertainment circle. In the future, she doesn't need to rob resources.

In this circle, only one person can do it, that is Wen lichen.

As long as you get this man, you will have all the resources in this circle, and you can respect all the female stars of the same level.

This actress is called Lu Yishan. She has not only strength but also skill. But because she is a new comer, her position is not very stable. In addition, she has been excluded and ridiculed all the way.

This makes her bear all the pressure, but also want to hit these people's faces.

Therefore, she put her goal on Wen lichen, who has a pregnant wife.

Wen lichen is the president of Tianmu group. However, he seldom participates in the following activities. Artists can hardly see him.

Even Lu Yishan, who was also on the stage, saw Wen lichen as a presenter and presented the award to a male movie emperor.

The man on the stage is beautiful and charming. Even the Movie Masters around him are dimmed by him. He is the most dazzling existence.

However, what is more attractive to women is the kind on him. Even if he is married, he still wears the label of abstinence and exudes invisible charm and sexuality.

Lu Yishan knows that there will be a very important award ceremony soon. She must let Wen lichen realize her at that award ceremony.

This opportunity must not be taken by other actresses. She wants to seize the opportunity.

Chapter 640

S country.

The street was rainy. Shu Chun got down from a taxi. She took the suitcase and bag. In the rain, she went to the door of the shop to hide from the rain.

She has been here for two days. She drove all the way from the airport, stayed in a hotel for one night, and then came to the city where mufei is.

Standing in this strange city, even though there is no problem in her communication, her heart is still very lonely and even a little nervous.

In particular, when she saw those people and looked at her with a strange look, her heart was hairy.

There were also a few black people who passed in front of her, directly facing the black people who made the act of eyebrow raising and seduction.

She immediately tightens her heart, hugs her bag and leaves at once.

Shu Chun found a cheaper hotel to stay first. The weather here is not good, and even this month may be rainy.

Shu Chun stayed in the room, stood at the window, and looked at the country. She looked at the gray city scenery.

Where will mufei be?

How can she find him? However, what Shu Chun has to overcome is the tension and uneasiness in her heart.

In such a place where there is no dependence, everything must depend on herself.

In a manor in this city, the rain beat on the rose outside the window, making the fragile and pitiful flower feel vulnerable.

In the window, mufei's legs were covered with a thin blanket. He saw the flowers that were wet by the rain, but could not resist.

Suddenly there was a bit of self mockery, which seemed to be his own, in the face of irresistible huge pressure, and he could do nothing.

His leg still hasn't improved. He has been abroad for nearly a year.

The hospital ran all over the place. At last, he didn't want to try again. He was afraid to hear the blow again and again. He heard the doctor shaking his head at him and his parents' disappointment again and again.

And in his heart, how could he not hope again and again, and be strangled more mercilessly?

He can stand ten such things, but he can't stand more.

His life can only be spent in a wheelchair, however, what can support him now is not only his parents, but also his responsibility to the company, as well as an orphanage in China that needs his support.

His company has always had good results, even if he is in a wheelchair, the company's performance is still rising steadily.

However, nothing can make him look forward to now, as if the world has lost color to him.

At this time, mufei's housekeeper came over with a phone, "young master, there is your domestic phone."

Murphy heard that it was domestic. It must be about the company. He reached for it and said, "hello."

"Hello! Hello, is this Mr. mufei? I'm Dean Chen of the orphanage. "

Murphy could not help being surprised. He said politely, "Hello, Aunt Chen. What's the matter?"

Because listening to Aunt Chen's tone, she was in a hurry.

"Mr. mu, I want to ask, have you seen Shu Chun? Did she find you? "

"What did you say? Shu Chun has come to me? " Murphy was shocked.

"Yes! She has been abroad for a few days. I couldn't get her number. She didn't contact me. I was worried about her, so I went to ask the dean to give me your contact number. "

Murphy's head was blank for a few seconds. Shu Chun came to look for him alone?

"Aunt Chen, don't worry. Tell me the date when Shu Chun came here."

"She went on the fourth day of junior high. Now it's the seventh day of junior high. She has no news at all."

"Does she have my address?"

"I don't know. When she left, she said nothing but that she would go abroad. I don't think so. Where can she get your address?"

Murphy's heart strings tighten immediately after listening. Shu Chun is very dangerous here without his exact address, as a girl.

"Aunt Chen, I'll give you my address now. Please remember. If Shu Chun calls back, you will give her my address." Murphy confessed.

With that, he said the address of the mountain villa where he lived carefully. After Aunt Chen had memorized it, he comforted and hung up the phone.

Sitting in the wheelchair, mu Feijun's pale face flickered with strong worries.

In my mind, I always suppress the face that I don't want to think about. At this moment, it comes up like the tide, with a pure smile, her voice, her gentle eyes, and her tears when I leave.

Everything makes mufei's heart ache. He looks out of the window, like the pouring rain. Which corner of the country will Shuchun be in this weather? Is there anything wrong with her?

Did she get wet?

At the moment, all he knows is what Aunt Chen said about her time abroad. Then she should have been here for two days. "Steward, can you check the check-in list of each hotel for me? I want to know if there is any information about Shu Chun's check-in." Murphy asked the housekeeper.

"If you want to know, I'll try to find out." The housekeeper is a native, so he has some channels.

"Please go and inquire for me at once." Murphy said to him.

This is not home. His network here is not large. Moreover, in a foreign country, many rights are restricted.

But at the moment, Murphy's heart seems to be covered by a barbed wire net. The whole heart is tense.

The housekeeper immediately contacted and inquired, but mufei felt that there was no hope. Shu Chun was a very thrifty person, and she would definitely not spend money to stay in those expensive hotels.

However, the more ordinary hotels she stayed in, the more dangerous she was. Murphy could hardly imagine what would happen to her.

Shu Chun's number can't be used here. I don't know if she will call back to China to contact Aunt Chen.

Murphy immediately made a phone call to his company. If a girl named Shu Chun came to the door, he would be informed immediately.

Mufei's hand on the wheelchair is clenched into a fist. At the moment, if his legs are in good condition, he can find her by himself, but at the moment, he can only be trapped here.

Murphy was in a hurry. He suddenly wanted to stand up and get out of here.

He felt as if he was trapped in a burnt beast. He reached for the armrest of the wheelchair.

Use your arms to stand up first, and then, he needs to let go and let his legs work.

He let go, he stood up, with a strong will, he even stood up.

At this time, a servant passed by and saw mufei standing up suddenly. He was surprised. "Young master, you stand up."

Mufei's forehead gushed a layer of sweat, he only stood for more than ten seconds, he knelt down, his hands supported the ground.

However, that ten seconds of standing, for him, it is so long lost feeling.
