Chapter 711

The cruise ship is marching in the deep ocean.

Xing Yinuo stood on the deck, looking at the spectacular sea in the distance, and watching the bow breaking wind and riding on the waves. She felt that the whole heart was wide and completely forgot all the troubles of locking.

Behind her, a pair of arms supported the railings on both sides of her and surrounded her in the middle. Xing Yinuo immediately turned around and looked up at him with a small face. The two eyes touched each other, and the deep feeling of the bottom of the eyes was self-evident.

Wen Liangyao can't help bending down and kissing her red lips. Xing Yinuo puts his hand around him, sticks his face on his chest, listens to his heartbeat and enjoys the moment.

Xing Yinuo goes to a shop that grabs dolls. She excitedly pulls Wen Liangyao in. "I want to play."

"Play!" Wen Liangyao dotes on saying, play with her.

This time, they were lucky. On the way back, Xing Yinuo was very happy with two dolls.

Arriving at the floor where they lived, Xing Yinuo said to him, "I'll go and ask for a glass of juice and go back to the room. You take the doll for me."

"Don't you want me with you?" Asked Wen Liangyao.

"You've been with me all day. Don't you still have a job? You're in the room. I'll be right here and get you a cup of coffee. "

Wen Liangyao did have some work to finish. He nodded, "OK, then come back quickly."

"Well!" Xing Yinuo nodded.

Wen Liangyao watched her go to a senior coffee shop. The room was in the corridor next to her. He went back first.

Xing Yinuo is waiting for packing. She stands beside her and reads the news with her mobile phone. She watches her new play coming soon. She can't help but pay close attention to the comments. Fortunately, 80% of them say they are looking forward to watching the movie.

"Your drink is packed, miss." Said the attendant.

"OK, thank you." After Xing Yinuo finished, she saw the two packed cups. She reached for them. At this time, the waiter picked up a fresh rose and said, "Miss, this is the attached flower in our shop. Do you need it?"

Xing Yinuo is very fond of flowers. When she saw flowers, she naturally asked for them. She reached out and put her mobile phone on the counter beside her. She took the drink in her hand and took the flowers again. She smelled the fragrance of the flowers, turned around and left.

But she didn't find out. Her cell phone was on the counter next to her. The waiter was too busy to remind her.

Xing Yinuo, looking at the flowers, bumped into a man who came in.

"I'm sorry." The man turned his head at once, and she looked up with an apology in her eyes.

Men are very young, about twenty-four or twenty-five years old, ink hair has shape, and there is a dazzling hegemony in the beauty.

When he saw Xing Yinuo, his eyes lit up immediately. He wanted to talk to Xing Yinuo again.

Xing Yinuo turned his head and left. The man stood at the door for a few seconds, and a smile like that of finding charming prey came up from the corner of his mouth.

This world really needs a kind of feeling, and there is a kind of feeling, just like the current, running in the bottom of my heart. The so-called love at first sight is not a legend.

It's something that happens all the time in this world.

The young man squinted his eyes, covered his beating heart for a while, and his mind was full of Xing YINUO's clean and beautiful face with calm and calm.

When the young man came to the bar, he looked back at the door and looked forward to the girl coming back.

At this time, the attendant next to him pushed a mobile phone in front of him, "Sir, please keep your mobile phone, don't lose it."

The man twisted his eyebrows, picked up his mobile phone and raised his head. The function of head up frequency display appeared immediately, and he just wanted to see the girl again.

However, a beautiful picture appears on the screen, which is the mobile phone that Xing YINUO left behind.

Men's eyes can't help but stare a little bit bigger. What's the fate? And left her cell phone in his hand?

It seems that even heaven is helping him. With a smile, he carefully looks at the girl in the picture. Xing YINUO holds a picture of her ancient costume, which is exquisite and elegant.

The young man picked up his mobile phone, took a picture of it and took the unlocked picture.

The attendant nearby saw that he had a mobile phone in his hand and immediately asked, "is this your mobile phone, sir?"

"Yes, it's my friend's. I'll give it back to her later." The young man replied very naturally.

Xing YINUO went back to the room and looked at the man sitting on the balcony. He was very kind to him, a clean white T-shirt, even the blazing sunshine outside the window. The soft halo shrouded him, making his side face perfect and three-dimensional, and his straight nose tip showed a glossy

silhouette. If there was a camera, Xing YINUO would definitely take a picture of him.

Because this picture must be beautiful.

Xing YINUO immediately wants to get her mobile phone and take a picture of it, but she touches the bag in her hand. Eh!

Where's her cell phone? Such a small bag, at a glance, her mobile phone is not here, she took another look at the one in her hand, except for two drinks, which is a rose. She's got a head bang, my God! Did she leave her cell phone in the coffee shop?

Oh no, it's full of pictures of her and Wen Liangyao! That's priceless!

"Yes, I'm back." Wen Liangyao looked up at her and asked with a smile.

Xing YINUO pretended to walk to him calmly and put his coffee in front of him. "Your coffee, I suddenly want to eat a small cake, I'll go out again, you work!"

"I'll go with you." Wen Liangyao will stop his work.

"No, it's in that cafe. It's very close. I'll be right back." Xing YINUO is eager to get back her mobile phone. She thinks to herself, will the staff see it and put it away.

This is a high-end coffee shop, and there will certainly be no appearance of petty theft. Therefore, there is still a great possibility for her mobile phone to be found.

Xing YINUO immediately pushes the door out after thinking about it. She rushes to the coffee shop. She goes to the counter and asks the waiter who just made her drink, "Hi, handsome man, do you see my mobile phone? I may be left here. "

The waiter immediately remembered, and he said, "Oh! Just now your friend came. I gave him my cell phone. "

Xing YINUO frowned. "My friend? Which friend of mine? "

"He left his phone number and room number. You can go to him." The waiter took out a card with the English mobile number and room number written on it.

Xing YINUO thought that it was most important to get back her mobile phone. She picked up the small card and said, "OK, thank you."

Chapter 712

After a look at the floor, it happened to be her floor. Xing YINUO doubted the man. When she came to the cruise ship, she listened to Wen Liangyao and her friends?

Xing YINUO bit her lip and bravely found the door. She reached out and rang the doorbell.

In the room, the man is wearing a blue suit with long legs overlapping. He is enjoying the photos in his mobile phone. Because he is a computer genius, Xing YINUO's mobile phone password means nothing to him.

At this time, he naturally enjoyed the photos in Xing YINUO's mobile phone. He thought Xing YINUO was just a single girl, but unexpectedly, she had a boyfriend.

Besides, he is a domestic actor.

At this moment, there is a doorbell outside the door. Don't think about it. He also knows it must be this girl.

He put her cell phone in the key state, he got up and came to the door, a black tight shirt, wrapped his slender body, making his identity a mystery.

He reached out and opened the door. It was Xing YINUO. When Xing YINUO saw him, he was shocked. Isn't this the man she ran into at the entrance of the coffee shop?

"Hello, sir. Did you find a mobile phone in the coffee shop?" Xing YINUO asked politely.

"Yes, it's yours." Men hook lips a smile, eyes interesting stare at her.

Xing Yinuo thought that the head up display frequency of her mobile phone was her photo, and he would know, no wonder.

"Can you give it back to me, please?" Xing Yinuo asked again, with the meaning of request.

"Sure, but I have a request for your name." Asked the man, squinting his eyes.

"Why do you want my name?" Xing Yinuo asked.

"I want to make a friend with you." The man said seriously.

Xing Yinuo was stunned, but he replied generously, "Hello, my name is Xing Yinuo."

"My name is Ji yeze." Men are very straightforward self introduction.

"Hello, my cell phone..." The purpose of Xing Yinuo's visit is just to ask for her mobile phone.

Jiyeze turned back to the desktop, reached for the phone and handed it to her, "be careful next time, don't lose it."

"Thank you." Xing Yinuo took over, raised his hand to him and turned to leave.

Ji Ye Ze squints her eyes, steps out of the room, and looks at her back. Xing Yinuo is turning on her mobile phone, looking at the photos inside, she is relieved.

Behind her, Ji yeze's eyes watched her disappear behind the corridor. He squinted his eyes and murmured, "I hope we can see each other again."

Xing Yinuo bought a small cake and went back to the room. She sat opposite to Wen Liangyao. She took a small spoon and scooped it into his mouth. "Take a bite."

Wen Liangyao's long fingers were tapping on the keyboard, and he looked up and ate.

Xing Yinuo cuts a small spoon sweetly and sends it to his mouth. He gently sips it and turns it sweet.

"I won't bother you. First, I'll watch the news."

After Xing Yinuo finished, he got up and sat down on the sofa with her cake. Wen Liangyao looked at her comfortable appearance and chuckled. He accompanied her out to relax, hoping that she could live the life she wanted.

Not disturbed by any pressure. @@novelbin@@

Ji yeze's back to the desk, he opened his computer, the long fingers immediately began to search, according to Xing Yinuo's name, he quickly collected the auspicious information about her.

Looking at her identity background, as well as the background of Wen Liangyao around her, he was slightly stunned. He did not expect that both of them had such a strong background.

He also saw Xing Yinuo's new play on the Internet. He ordered a flower and watched Xing Yinuo's perfect acting in the TV play. He was even more surprised.

Unexpectedly, the girl's excellence was beyond her expectation.

Ji yeze was also boring enough. He immediately used his own means to blackout the computer of Xing Yinuo's producer. So, in the room, he began to be one of the first viewers to enjoy the TV play besides the crew.

Moreover, I watched it with relish and indulged in Xing Yinuo's Fairy like face from time to time.

It's evening.

Xing Yinuo still remembers the dance in the evening. Wen Liangyao also puts down his work, decides the place for dinner, and accompanies her to play on the dance floor on the roof.

Xing Yinuo dare not tell him that the mobile phone was almost lost, that is to say, now that the mobile phone has been found, this matter can also be skimmed.

Xing Yinuo wore a slightly sexy black dress. At her age, she wore a kind of young and unrestrained sexuality, with a girl's shyness, very charming.

"Pretty?" Xing Yinuo is in front of him, turning around, and her skirt is flying.

Turning around, Xing Yinuo chuckles and pours into his arms. Wen Liangyao immediately holds her in his arms nervously to prevent her falling.

"Nice." Wen Liangyao praised her. She looks good in everything. Xing Yinuo takes his hand and looks forward to saying, "let's go!"

Wen Liangyao's light blue suit, casual style, makes his handsome face look like this. He seems to be particularly lazy. His black hair has also been treated. His clean sideburns, three-dimensional facial features, flow a kind of noble childlike atmosphere.

Xing Yinuo leads him and looks back at him step by step. His eyes are like a coquettish daughter-in-law with strong love.

The bottom of Wen Liangyao's eyes is also full of laughter. The favor in his eyes is particularly charming.

Two people sit in the elevator, straight to the big dance floor on the roof.

Xing Yinuo is excited by the atmosphere. He is still young. He has an inexplicable expectation for such a passionate night.

Wen Liangyao holds her and stands aside. Xing Yinuo looks at the dancing inside. "It's samba, you can dance!"

Wen Liangyao doesn't need to answer her, but takes her hand and walks around the pool. Xing Yinuo bends his mouth and jumps with his steps. Here, he can laugh loudly and jump boldly. Because the whole atmosphere is so popular, it seems that there is an inexplicable guide, which makes all participants feel a passion of dancing.

Xing Yinuo is happy because she can put herself into Wen Liangyao's arms, feel the power in his arms, and feel the deep and thick eyes that he holds in his arms every time.

Here, there is also a small world belonging to them, where passion is everywhere, full of wonderful expectations.

Beside, there are also a group of admirers standing, one of whom is a man standing in front of the railing. His eyes look at a couple dancing in the pool, inexplicably depressed.

He reached out to light a cigarette, but found that he didn't bring a lighter. He looked left and right. There was a man nearby who was lighting a fire. He immediately went to borrow a fire.

Chapter 713

He took a smoke, his eyes continued to look, looking at this pair of sweet people, he felt a never had a sense of loneliness, originally, he was nothing.

Today, when he met Xing Yinuo, he suddenly hit him hard. He felt the heart in his heart beating so rhythmically for a woman for the first time. However, it was a girl he could not have.

What else is more depressing than this?

Just then, he saw two men in black suddenly crowded in the crowd, with a murderous look on them. Their eyes were looking around, as if they were looking for someone.

Ji night Ze immediately turned a body, the sword eyebrow twisted into a line, did not expect that his enemy even followed here, he sneered, put out the smoke, and threw it into the sea.

With a glance at the direction of the dance floor, he turned away.

On the dance floor, Xing Yinuo felt Wen Liangyao's enthusiasm. Her heart had never been so happy.

Finally, Xing Yinuo was tired. They stepped out of the dance floor. At this time, there was a commotion in the crowd. Xing Yinuo and Wen Liangyao looked at each other, and heard a gunshot burst into the night sky.

Wen Liangyao almost instinctively wants to hold Xing Yinuo in his arms for protection. However, in the middle of them, a few flustered men and women suddenly rush over and directly disperse them.

"A promise." Wen Liangyao cries out.

Under the impact of the crowd, Xing Yinuo had to avoid. She called Wen Liangyao, "brother Liangyao! Brother Liang Yao @@novelbin@@

However, there are too many people standing on the rooftop tonight, so the crowd scattered and flustered to rush down the stairs and avoid the unknown danger. The sound of the gun made them think that there was a killer hidden here.

Life could be in danger at any time.

Xing Yinuo has to hurry to return to wenliangyao. Even if the exit is behind her, she also wants to find wenliangyao.

However, the crowd is too dense. If she doesn't follow the crowd, she will be in danger of trampling.

At this time, an arm suddenly reached out and pulled the figure that she wanted to rush back.

"Don't you want to die?" A deep male voice sounded in her ear.

Xing Yinuo looks back and sees Ji yeze. He is still in black.

"I'm separated from my boyfriend. I want to find him. You let me go." Xing Yinuo wants to break her hand.

However, Ji yeze was still thinking about her safety, and forced her aside to hide from the crowd. "You are going to die, your boyfriend is going to die!" Stand still. "

"But there was a shot just now." Xing Yinuo's pretty face is a little white. He looks up at the place where she and Wen Liangyao are separated by the flow of people on both sides.

It's just that he's going that way, and she's going that way.

"Don't worry, these gunmen don't need to cause trouble. They probably took the opportunity to escape after their identity was found."

"You How do you know? " Xing Yinuo frowned.

"If I say, these killers are coming for me, can you believe it?" Ji Ye Ze murmured to her, and said, with a sudden wry smile, how could he tell her so easily!

Xing Yinuo was even more shocked. "Are you their target?"

"Shhh Keep it secret for me. I don't want to die yet. " Ji yeze said, and said to her, "go down! I'll find your boyfriend for you. "

"You Do you know my boyfriend? " Xing Yinuo asked pleasantly.

"I saw you just now. I should recognize you. Wait for me on the next floor." Finish saying, Ji night Ze follows crowd, toward inside gush.

At this time, in the crowd, a man wearing a hat saw Xing Yinuo and Ji yeze talking. Ji yeze just held Xing Yinuo's impulse by holding her shoulder with his hands.

In the eyes of outsiders, they must be friends, or more intimate relationships.

At this time, Wen Liangyao tried his best to come here in the crowd. Unfortunately, there were thousands of people here. The crowd was too large. He could not see Xing Yinuo's figure by virtue of his height. He was so anxious that his heart would burst out.

At this time, he was worried about the danger of Xing Yinuo in the crowd. If she was desperate to find him, it would be very dangerous.

Ji yeze sees Wen Liangyao struggling out of the crowd. His handsome face is full of anxieties and worries. He looks around.

He went over and said, "Mr. Wen, I know where your girlfriend is. Please follow me."

Wen Liangyao hears this sentence suddenly, his eyes are shocked to see a man in black. He asks anxiously, "where is she!"

"I asked her to wait for you on the next floor." Ji yeze pushes the crowd away and brings Wen Liangyao.

Wen Liangyao's eyes looked at the man in black with a trace of vigilance. Xing Yinuo, who was worried at the bottom of his heart, could only press the silk guard at the bottom of his heart.

Wen Liangyao saw that there was no Xing Yinuo in the crowd around him. He had to go downstairs. He thought Xing Yinuo would be waiting for him in the nearest place. However, Xing Yinuo was not there. At this time, a young girl came anxiously, "excuse me, are you Mr. Ji yeze?"

Jiyeze was shocked. No one knows him here. His eyes are cold and ferocious, staring at the girl. "Who are you? What's the matter? "

"A gentleman in a hat, let me tell you here that your female friend took it first. If you want to save her, you know what to do."

Wen Liangyao changes at junyandun's side. He anxiously asks, "is that girl wearing a black skirt? So high? "

"Yes, that girl is very young and beautiful. She has been arrested. Is there anything wrong with her?"

Wen Liangyao's handsome face changes color, gritting his teeth and grabbing Ji yeze's collar, "who is the one who grabs Yinuo? Why was she arrested? Tell me. "

Ji yeze didn't expect that his help to let Xing Yinuo leave would make her be stared at by those who arrested him, and there was a flash of worry in his eyes. He said to Wen Liangyao, who was angry at the bottom of his eyes, "Xing Yinuo won't be in danger for the moment, because I have something they want."

"You'd better tell me everything, tell me how to find a promise and save her." Wen Liangyao's heart is going crazy. His warm eyes, at this moment, are full of cold frost and anger, as well as full of worry and fear.

He can't imagine that Xing Yinuo is in someone's hands at the moment and what kind of treatment he has received.

Ji night Ze sighed, "I tell you."

After that, Ji Yaze bit his teeth and said, "I'm a hacker. I have a list in my hand, which is related to some people with status. They want my life and the list in my hand. I may have talked with Xing Yinuo, so they stare at me and think that Xing Yinuo and I are friends and want to catch her and threaten me."

Chapter 714

Wen Liangyao is so anxious that his reason will disappear, but he is still awake. Ji yeze says to him, "come with me and go to my room. I can find out where they hid Xing Yinuo."

"How do you find it?" Wen Liangyao asked.

"I'm a hacker. I can hack all the cameras here." At the moment, Ji shows his professional confidence. @@novelbin@@

Wen Liangyao takes a deep breath and calms himself down. "Find someone quickly."

Ji yeze and Wen Liangyao rush to his room. He quickly turns on his computer. Ji yeze's fingers are long, and he taps on the computer quickly. He enters the video room of the whole cruise ship and invades the storage disk in the security room. He distributes all the camera lenses to look up. Wen Liangyao tightens his eyebrows and looks for them in the camera.

Finally, in one shot, I saw the whole process of Xing Yinuo's binding. Xing Yinuo was looking down the stairs. Behind her, a man in black took out a wet cloth with overpowering medicine from his pocket, which made Xing Yinuo dizzy. He took Xing Yinuo and left.

At this moment, the crowd is too flustered, who can only care about themselves, where to care so much! But the man threatened a girl with his eyes, the girl who had just sent them a letter.

"Find their hiding place, I want to know if there is anything wrong with Yinuo."

"You can rest assured that they will never deal with your girlfriend until they get what I have. This is the best condition for them to deal with me." Ji yeze calmly analyzed. As he tracked the figure of the man in black, he finally locked an ordinary room, and Xing Yinuo was taken into the room by them.

"Yes, your girlfriend is in there." Ji yeze looks up at Wen Liangyao.

Wen Liangyao clenched his fist and stared at him. "Give them what they want, and give them a promise of safety."

"No, I know you are worried about your girlfriend, but what I have in my hand is also very important and involves a lot. I can't give it to these people, otherwise, it will cause great disaster." Ji yeze said, squinting his eyes and asking, "how are you doing?"

Wen Liangyao's eyes narrowed tightly. "I've practiced before, but I don't know the strength of each other."

"Of course, the strength of the other side is not small, but there is still a chance for you and me to join hands." Jiyeze's eyes twinkled with tension. "Don't worry, I blame myself."

Wen Liangyao went out to play with Xing Yinuo this time. He didn't take bodyguards with him. He didn't expect this kind of thing to happen. So at the moment, they are the only ones who can save Xing Yinuo.

Wen Liangyao's eyes stared at him sharply, showing the color of examination. Wen Liangyao didn't believe him completely.

Ji yeze smiled helplessly, "do you doubt me?"

"What's your plan?"

"I can ring the fire alarm of the whole ship. By then, all the people in the room, I think this group of people should also come out. Now your girlfriend should still be dizzy." They'll come out with them.

"Are you so sure they will come out?"

"I'm sure, because there are police officers on board who will go room by room to urge a visit and make sure that all the trapped people stay in a safe place, and then we will go." Ji said, "I have good news. There are only two killers here."

Wen Liangyao thought for a moment, nodded, "OK! Immediately. "

Jiyeze picked up a nearby iPad and put on a hat. "Let's go! When we get close to this door, they have guns, so it's necessary for us to take defensive preparations. "

"No lethal weapons on board." Wen Liangyao said in a deep voice.

"Yes! However, there are security personnel on board. I can crack the warehouse where they put their weapons. "

"You are a dangerous man." Wen Liangyao clenches his teeth and makes a sound.

"Professional."

The two set out immediately. At this moment, even though they were strangers to each other, for the sake of Xing Yinuo's safety, both of them were united and did not dare to be distracted.

They took two electric shock sticks from the weapon warehouse, which made people numb immediately. Even if Wen Liangyao was in a hurry, worried and impulsive manner, Xing Yinuo would only be in danger.

He and Ji Yaze are close to the door. Ji Yaze is cracking the security alarm with his iPad in his hand. Wen Liangyao stares at the door and clenches his teeth. He wants to rush in to check Xing Yinuo's safety.

At this time, Ji yeze said in a low voice, "I'm going to start. Keep an eye on the door."

All of a sudden, the alarm of the whole cabin sounded sharply. It was a fire alarm. It was the most taboo to be trapped in the room. All the guests were in a panic. They pushed the door and ran out at the first time and fled to a nearby open space. They looked around in panic. They didn't know what happened.

The room where Xing Yinuo was kidnapped was also pushed away, and a man with a tense face looked around.

But not far away appeared the ship police, this man saw the ship police immediately closed the door to enter, obviously was discussing the plan with his companion.

Ship police began to knock on each door, urging the people in the room to come out quickly. Wen Liangyao's line of sight looked directly at the door and waited for Xing Yinuo to come out. Sure enough, the two men pushed the door, and in their hands, Xing Yinuo was wrapped in a thin blanket, and she was still in a daze.

Wen Liangyao's heart was seized severely. At this time, Ji yeze nearby whispered to him, "I'll guide them, and you can take your girlfriend away while you live in the other room."

Wen Liangyao glanced at him and nodded his head calmly.

Ji yeze immediately hung his hat and went to the two men. The two men were watching right and left at the moment. Xing Yinuo was put aside by them and fell asleep in the chair. Ji Ye Ze and Wen Liangyao approach each other. Ji Ye Ze comes to them and immediately takes off his hat and challenges them with a smile. "Do you look for me?"

The two killers looked at each other and reached a consensus immediately. One of them went after Ji yeze and the other kept Xing Yinuo. They believed that Xing Yinuo was also a very useful chess piece, which could force Ji yeze to hand over what they wanted. At the time when Ji yeze led the killer to run away, Wen Liangyao was close to the killer at the moment, and the electric rod in his hand hit the man's heart quickly and accurately.

The assassin immediately opened his eyes wide, reached out to beat him, and Wen Liangyao hid on his side. The electric rod was still on the side of the assassin's waist. The strong current made the assassin tremble, turn his eyes straight and sit on the ground.

Seeing this, Wen Liangyao immediately grabbed Xing Yinuo on the chair and left.

Wen Liangyao holds Xing Yinuo to one of the rooms, pushes her away, puts her on the sofa and lifts the blanket. Xing Yinuo shakes his eyes and wakes up. When she opened her eyes and saw a worried handsome face, she was immediately surprised and reached out and hugged Wen Liangyao. "Brother Liangyao, it's great that you're OK."

Chapter 715

Wen Liangyao hugged her tightly, but there was fear in her eyes, but more of it was her exultation in safety. He said in a hoarse voice, "I'm ok, come back to the room with me."

"Where is this? Why do I seem to be asleep? What's wrong with me? " Xing Yinuo has no middle memory at all. Her last memory is to breathe a kind of fragrance, and then she has no consciousness.

"Go back to your room and explain." Wen Liangyao thought that the electric shock was not enough to seriously hurt the killer. He might still be looking for them.

Xing Yinuo immediately said, "follow me." Wen Liangyao took a holiday girl's lace hat and put it on Xing Yinuo's head

Xing Yinuo blinked, and found the tension in his voice line. She immediately followed his footsteps. At this time, the alarm outside the door has been lifted, and everyone is back to the room relaxed.

Wen Liangyao takes Xing Yinuo into the elevator. His slender body blocks her and hides her in his chest. At the moment, Wen Liangyao is most worried about her safety.

Wen Liangyao took her back to the room and locked the door. He immediately held Xing Yinuo's shoulder and said, "do you feel uncomfortable?"

Xing Yinuo felt it carefully and shook his head. "No."

Wen Liangyao looks at her, but there is no external injury. The time for the killer to kidnap her is only about 15 minutes, and it should not hurt her. "Have you met a man named Ji yeze?" Wen Liangyao asked, gazing at her earnestly.

Xing Yinuo was dumb and nodded his head honestly. "I know. I left my cell phone in the coffee shop this afternoon. He found it. How do you know?"

"Because you were just dizzy and kidnapped by his captors. They thought you were his friend and wanted to threaten him with something. We rescued you from those people before you woke up." Wen Liangyao's calm explanation.

Xing Yinuo was stunned and looked at him up and down, "are you ok! Did they hurt you? "

Wen Liangyao shook his head. "I'm ok, but now Ji yeze is being chased by a killer. I don't know if he got rid of it."

Xing Yinuo covered his chest lightly. "I didn't expect to meet this kind of thing."

"Don't worry. I'm here. I won't let anyone hurt you." Wen Liangyao soothes him.

The cruise ship has three days to arrive at the next ferry terminal to stop. In these three days, the two killers may continue to catch up, so it's not safe to stay here.

At this time, Wen Liangyao's mobile phone rang, he picked up a look, it was a strange number, he had a sense of who.

"Hello!"

"Did your girlfriend save it?" That's the voice of jiyeze.

"Saved, how are you?"

"I'm hiding. Now, be careful. I'm afraid these two killers will find you again."

"Don't worry about us, take care of yourself!" Wen Liangyao answered and hung up.

After hanging up the phone, Wen Liangyao dials up the shipping team and provides information about two killers on board. That end immediately attracts attention and decides to check it immediately.

The gunshot an hour ago must have attracted the ship police's attention.

Xing YINUO also calmed down. Although she was afraid, she didn't want to let her mood worry Wen Liangyao.

All that Wen Liangyao thinks about at the moment is Xing YINUO's safety. Even if he is in such a danger, he is not so nervous.

"Yes, I'll have a helicopter come in line, and then we'll leave early." Wen Liangyao dare not block her life safety.

"Good." Xing YINUO nodded.

Wen Liangyao immediately called and arranged. There was a group company cooperated by Wen family nearby. The company immediately accepted the order. In the morning, it would take about three hours to send a helicopter.

Tonight, it will be a more difficult night to sleep.

In the room, Wen Liangyao brings a cup of warm water to Xing YINUO. Xing YINUO looks at him. Suddenly, the fear in his heart disappears. He can stay with him and be with him. It's just experience.

What is it? Along the way, what she longed for most was to be with him? Even after the wind, frost, rain and snow, it is a test for them. Wen Liangyao hugged her tightly. The mood that she disappeared suddenly just now, he never wanted to experience again in his life.

So, he believed that in the period of coma, how hard she waited.

"YINUO, do you want to go to bed? I'm watching you. " When Wen Liangyao saw her eyebrows, he was a little tired.

Xing Yinuo shook his head and leaned on his shoulder. "Just stay by your side."

At this time, Ji yeze's number called in again, and Wen Liangyao picked up, "Hello, how are you?"

"I just intruded into the login background of the ship and broke up all your room numbers, so even if the killers want to check you, it should be more difficult. Hiss. The sound of Jiyeze's pain came from that end." "What's the matter with you?" Wen Liangyao cares.

"Nothing. It's a shot in the shoulder. It's OK." Ji yeze pretended to be relaxed.

Although Wen Liangyao didn't like the trouble he caused them, he was injured, but he still couldn't ignore it.

"Can you come to my room and I'll bandage you." @@novelbin@@

"Is that ok? Will you help me?" Jiyeze felt a bit warm.

"Come here! Just don't bring those two killers in." Wen Liangyao reminds me.

"Good!" That end Ji night Ze some weak answer.

Wen Liangyao hangs up and Xing Yinuo says, "what's wrong with him?"

"Injured, as he is, he can't go to the infirmary, so I'm afraid he's in danger of life." Wen Liangyao has not reached the heart of stone.

Ten minutes later, Wen Liangyao's door was pressed. He immediately asked Xing Yinuo to hide. When he came to the door, he saw Ji yeze leaning against the door wall.

He opened the door. As soon as Ji yeze came in, he fell down.

Wen Liangyao closed the door tightly and saw that his whole shoulder was stained with blood. It seems that he fainted because of excessive blood loss.

Wen Liangyao drags him onto the sofa and asks Xing Yinuo to bring the medicine box. Here, there is only a simple bandage. I hope Ji yeze can survive.

Xing Yinuo is a little blood sick. She stands aside and looks at Wen Liangyao's skillful bandaging. Fortunately, the blood mouth stops.

"Fortunately, his bullet didn't hit the blood vessel, otherwise, I'm afraid it will be difficult to save." After Wen Liangyao's bandaging, he picked up the computer he had entered. Ji yeze was still in the state of intruding into the ship's internal network.

Chapter 716

Wen Liangyao squinted his eyes and began to use his computer to monitor the whole six story corridor and pay attention to pedestrians' access at any time.

Wen Liangyao is also a genius of learning bully. He got his double bachelor's degree at the age of 22. At this moment, he can control Ji yeze's computer and master the whole ship's trend.

Xing Yinuo looks at Ji yeze and sighs. It seems that a proper vacation is coming to an early end.

Wen Liangyao finally found the figures of the two killers on the third floor. They didn't give up. They were avoiding the ship police and searching for them.

Wen Liangyao squints his eyes. His long fingers control them quickly. He gives the police mailbox the screenshots of their hiding places and the pictures of guns in their hands.

The police immediately sent out the police to rush. No matter who sent the information at the moment, as long as these two killers have heavy lethal weapons, they are all dangerous elements.

Ji yeze opens his eyes and sees Wen Liangyao on the sofa next to him, controlling his iPad. He is shocked for a few seconds. Then he immediately smiles. @@novelbin@@

He had looked up Wen Liangyao's education background before, only looked at it a few times, and knew that he was very comparable.

"You're awake." Xing yinuocha realized that he was concerned about it.

Wen Liangyao put down his iPad and walked over. "I've found the assassin and gave their position to the ship police. The ship police are chasing them. Should they find here for a while?"

"With you, I have nothing to do with you!" Ji yeze coughs. He is weaker.

"You have a good rest. Don't lose your life." Wen Liangyao speaks.

Ji yeze looks at Xing Yinuo beside him. His thoughts at noon have stopped completely. He apologizes, "I'm sorry, I didn't know it would bring you such trouble."

"Nothing." Xing Yinuo shook his head.

Ji yeze looked at Wen Liangyao and Xing Yinuo, and smiled with envy, "you are really a pair of lovers who are right."

Xing Yinuo smiles and looks at Wen Liangyao.

Wen Liangyao also stared at her and said to her, "Yinuo, go and pour him a glass of water."

Xing Yinuo poured a glass of water, and Ji yeze thanked him. Looking at the time, it was three o'clock in the morning.

Wen Liangyao didn't say that he would leave tomorrow, because he hadn't considered whether to take him away. He must be jiyeze and dangerous.

Wen Liangyao is guarding. He is always keeping track of the two killers. They have been hiding in the storage bin. Now the whole ship police are searching for them. They should not appear again for the time being.

Early morning.

Xing Yinuo wakes up in Wen Liangyao's arms. Last night, she didn't stay up. She was still tired and fell asleep. She opened her eyes and saw Wen Liangyao's gaze. A trace of tiredness appeared in his eyebrows.

"You haven't had a rest?" Xing Yinuo sat up in a hurry and looked at him.

"Nothing!"

Xing Yinuo takes a look at Ji yeze, who is sleeping on the sofa beside him. He hasn't woke up yet.

"The helicopter will be here in half an hour. We'll get on the plane and leave in a moment."

"Well!" Xing Yinuo nodded, then took a look at Ji yeze beside him. "What about him?"

"If he doesn't go to the hospital, he will die. I decide to take him away." There is still a bullet in jiyeze's wound.

Ji yeze just woke up. He was glad to hear that he could leave. The three of them boarded the helicopter and flew to the nearby city.

Arriving at a parking apron in the center of the city, Wen Liangyao led Xing Yinuo into the elevator, while the reserved medical personnel directly took Ji yeze away.

In the elevator, Xing Yinuo relies on Wen Liangyao's arms. There are still some lingering fears about this experience.

Wen Liangyao lowered his head and gently combed her long hair. He kissed her on the forehead. "We'll go back home in the afternoon."

"Don't tell your parents about this incident, lest they worry about it." Xingyinuo opens the road.

"Good." In this trip, Wen Liangyao deeply stimulated his care for her.

At the moment when she was kidnapped, his blood flowed all over his head, and he had a feeling of suffocation.

In the afternoon, the flight back home, on the Internet, Xing YINUO's new play is also getting closer and closer, premiered three days later, in the most golden TV.

Ji YEZE is sitting in the hospital, his bullet is taken out, and he is about to set sail on his journey. He will never disturb the two lovers again.

Domestic and international airports.

Wenzhai's bodyguards arrived on time to pick up the plane. Wenliangyao led Xing YINUO to get on the bus and went straight to his villa to have a rest, because wenliangyao hasn't had a rest for 24 consecutive hours.

On the balcony, Wen Liangyao took a bath and recovered his warm and moist breath. Xing YINUO said to him, "go to sleep! It's my turn to be with you. "

"Sleep with me." Wen Liangyao opens her mouth in a hoarse voice and holds her hand.

Xing YINUO blushed slightly, but nodded. On the gray bed, Wen Liangyao holds Xing YINUO. Now, he really needs a good rest.

Xing YINUO gently holds his fingers to depict the outline of his five senses. Wen Liangyao bends his lips and buries them in her soft palms, with a gentle smile on the corner of her mouth.

Xing YINUO stopped disturbing him and coaxed, "go to sleep!"

Wen Liangyao holds her, extraordinarily reassured, and her sleepiness gradually intensifies. She sleeps in the faint fragrance of her body.

Xing YINUO also felt sleepy, so he went to sleep with him.

Three days later, Xing YINUO's new play started broadcasting, which had a very good response. The next morning, Xing YINUO was promoted to the first place in the ratings. The second senior of Xing family always objected to it, but he was glad to see his daughter's acting skills.

It seems that their daughter really has to grow up, mature and have her own career.

Although Xing Yinuo is happy and has achieved good results in one stroke, it is just the beginning of her life.

As a new actress, she has a long way to go, and more to go.

Wen Liangyao has been preparing for her second film and television. Just this time, her encounter on the cruise ship has become his second theme. As the planner of the script, Wen Liangyao has a very amazing editing power. His script has been presented perfectly in only one month.

In Wen Liangyao's heart, all he has done is to push Xing Yinuo to the height she wants to achieve her dream of becoming a first-line actress. He is willing to be the man behind her and pay for her silently.

Two months later, Xing Yinuo will be involved in the shooting of the play. On the way, Wen Liangyao has been accompanying her to grow up and mature.

Accompanied by her dazzling charming, but unfortunately, Wen Liangyao lost the memory, has not.

Chapter 717

Two years later.

A city, a star shining award ceremony is being held.

As the most valuable award ceremony for the achievement of artists, there are a lot of stars, beautiful shadows on the temples, all the female stars compete for splendor, and all the male stars are charming.

At this moment, the best actress award will be presented on stage, which is the most important part of the award process.

If anyone wins this award, he or she will be on the throne of the movie queen. For any artist, this is a very personal value award.

At the moment, the one who is opening the envelope on the stage is a very famous elder in the entertainment circle. All the stars under the stage are waiting for the answer.

Xing Yinuo, who has just passed her 23rd birthday, is in the first row. Her long hair is scattered behind her head in a nude pink evening dress. Her elegant makeup can't hide her charming charm.

Her eyes looked at the stage, but also showed expectations. This year, many of her works have been released and achieved good results, and one of her films has achieved the highest box office this year.

Now, two of her works are on the best actress list.

Xing Yinuo's eyes twinkled with glaze color. She looked at her side subconsciously, and her heart showed a little loss. Tonight's award dinner party, he was not with her.

When she was in the entrance, when she received his call and said he would not come, she was really disappointed. Before, he would accompany all the big and small parties and awards ceremony.

Today is her most important day, but he is not there, and she always subconsciously looks around, because she is too used to the day when he sits around.

When Xing Yinuo lost her mind, she heard thunderous applause from all around her. Xing Yinuo was shocked. She even missed the answer. Who is it?

Who won the best actress award? Xing Yinuo blinked, looked at the stage and waited for the lucky one to come to the stage.

At this time, a female star beside her could not help clapping at her, "a promise, congratulations."

At this time, the hostess on the stage continued to speak enthusiastically, "now, let's invite Miss Xing Yinuo, the winner of our best actress today, to come on stage to receive the award."

Xing Yinuo's brain hummed a little. It's her!

She has won this award. In the past two years, she has received many awards. However, this award is the first time.

Xing Yinuo stood up naturally and gracefully, and the soft probe light hit her, which made her covered with a layer of glittering white luster. The super high beauty value and the slim and charming figure made her look like a stream, glittering and bright moon even when all the female stars were elaborately dressed up.

Her leisurely and elegant steps, step by step on the podium to receive the award, the skirt of her evening dress, light and down.

On the big screen, her face is mapped on it with the latest lens, and every expression of her is like a picture.

Xing Yinuo has not entered the film and television circle two years ago. She has grown into a dazzling new star. Her actions are all in one's stride, and she exudes calm elegance.

Standing on the stage, holding the heavy cup, Xing Yinuo smiles at the Awardee. @@novelbin@@

"Yinuo, come here, please have a few words with the star friends, the family in front of the screen and your fans!"

Xing Yinuo walks to the microphone with a smile, her eyes are suddenly slightly wet. On the huge screen, her big, smart and beautiful eyes are shining with water, showing her excited mood.

"Thank you very much for this award. I want to say thank you to my team and my family and fans who support me. You are here to have me today."

With that, Xing Yinuo pursed his lips and smiled sweetly. "At the same time, I have a word to say to someone, I want to say, I'm really happy with you in my life."

"Wow! It's a confession to my boyfriend! " The host said excitedly.

Xing Yinuo chuckled, "yes."

"Can your boyfriend hear you? He's in front of the screen! "

"He will be there." Xing Yinuo looks at the camera lens confidently and hands out a kiss.

In an apartment in the center of the city, in the open kitchen, a leisurely and elegant figure is cutting vegetables. Right opposite him, there is a huge TV screen. At this moment, he puts down everything in his hand, props up the counter, and looks at the girl on the screen who kisses him playfully.

With a doting smile on his lips, he said to the girl on the screen, "I'll wait for you to come back for dinner."

Even though he knew that she couldn't hear him, he knew that she would come to him as soon as she got the prize.

Looking at the confident and charming girl on the stage, she has been independent, she can calmly deal with all occasions, she is dazzling, just like a bright and charming star.

Watching her step down from the stage, every step was so confident, so leisurely, his heart also gave birth to a sense of pride. He reached out and picked up the fresh shrimp beside him. He picked up the shrimp line very skillfully and made her favorite dish.

In the parking lot of the award ceremony, Xing Yinuo has his drivers and assistants ready. She is leaving now.

As soon as she appeared, two of her assistants rushed up and took the heavy trophy for her.

"I'm going to find Liang Yao." Xing Yinuo said urgently.

When she came here to attend the award ceremony, she was a little late, so she didn't find the chance to leave until now. She wanted to ask why he didn't come to accompany her to receive the award.

Xing Yinuo sits in the car, and the light outside the window hits her jade like perfect face, which is breathtaking.

She was biting her red lips and looking out of the window at Ni Hong's twinkling. In such a beautiful night, without him around, she felt a kind of loneliness. She had thought that whether she

was a young star or now, she would win the honor of movie queen at one stroke, and she hoped that he would accompany her.

Instead of letting her stand alone in this position and enjoy all the prosperity and glory. This is his credit. She can't enjoy it alone.

When the car arrived downstairs, it was about 8 p.m., Xing Yinuo picked up the trophy and said to the assistants, "go back first!"

"We'll take you up." Assistants are afraid to let her in and out alone now.

Xing Yinuo nodded and sent them to Wen Liangyao's house. She took a deep breath and rang the doorbell.

The man behind the door is arranging the table top. The delicious dinner on the table has just been put on the table, with red wine and pink roses. Everything is romantic and full of emotion.

Chapter 718

With a low smile, he guessed who was standing outside the door at this time. After calculating the time, it was a 20 minute drive from the venue to here.

Wen Liangyao reached out and opened it. The girl outside the door was staring at him with a pair of angry eyes.

"Come in for dinner." Wen Liangyao greets her gently.

Xing Yinuo's complaint immediately became invisible after hearing this sentence. She came in and closed the door. She put the cup on the shoe cabinet and put on the comfortable slippers that fit her feet. At last, she jumped and hugged the man's neck and hung the whole person on him.

Wen Liangyao's hands firmly and powerfully held her, and Xing Yinuo's delicate and charming eyes came close to him. "Why don't you accompany me to this award?"

"Because it's your glory." Wen Liangyao holds her and holds her directly to the direction of the sofa.

Xing Yinuo blinked, "it's not mine, it's ours."

"Mine is yours. Is there any difference?" Wen Liangyao asked with a deep smile.

Xing Yinuo blinked at once, as if he was right.

Wen Liangyao put her on the sofa, hands on both sides of her, looking at the girl tonight, dazzling people can not move their eyes.

Xing Yinuo, under his eyes, met boldly, and made a hint of lip biting. "Do you hear my confession?"

"I hear you!"

"How do you feel?" Xing Yinuo asked with a smile.

"It's a pleasure."

"And what do you mean?"

"What do you want?" Asked Wen Liangyao.

Xing Yinuo narrowed his eyes and raised his eyebrows. "Tonight, I will stay here. I will not go home."

In the past two years, she has been a good girl. Tonight, she decided to sleep in his house.

Wen Liangyao's eyes are surprised and restrained. In the past two years, he is still waiting for her, waiting for her to mature. Unexpectedly, two years have passed.

"Are you sure you want to sleep here?"

"Very sure." After Xing Yinuo finished, she felt that her evening dress was a little tiring. She turned around, closed her long hair, and said to the man beside her, "zip it down for me, and I'll change my clothes for dinner."

Wen Liangyao reaches for the zipper on her back and slowly pulls down her zipper, revealing her perfect waist line.

Xing Yinuo just walked into his master bedroom in his tuxedo.

Xing Yinuo has clothes to spare here, but she didn't want to wear her own tonight.

She opened Wen Liangyao's wardrobe, which was full of neat white silk shirts, just like his people, seriously wanted to tear apart his appearance and stir up his inner fanaticism.

Xing Yinuo picked up a white shirt of his and put it on her body. It was a little wide, and the hem just covered her pretty hips. She pulled up her sleeves, and closed one end of it. It was black and straight. She pushed the door out naturally.

Wen Liangyao is waiting for her to change clothes and come out to eat at the dining table. Lengbu can't help but see the woman in his white shirt.

Under the dim yellow light, the girl in her white shirt is simply sending out a fatal temptation.
@@novelbin@@

Just like a woman to a man in a white shirt, it shows the male hormone of a man extremely.

While women wear men's white shirts, they also have the charm to pick out the most original ideas in men's hearts.

Xing Yinuo's top button is unbuttoned. She was wearing his white shirt and looked very broad. At this moment, her perfect clavicle appeared.

The skin is like jade. When you meet a white shirt, it interweaves with a different aesthetic feeling.

Xing Yinuo pretends that she doesn't know what happened. She blinks innocently. "I didn't find my clothes just now, so I'll wear yours."

Wen Liangyao thought that she was intentional. Now, the girl's mind can always give him a surprise.

"If you like it, wear it!" Wen Liangyao makes a sound, and finds that there is a trace of hoarseness in the sound line.

Xing YINUO sat on the table, on the golden table, all her favorite dishes. She bent her lips and smiled, "so you prepare these for me at home!"

"Well! I expected you to come to me. " Wen Liangyao nodded and sat opposite her.

"Xing Yi Nuo Du once red lip," that person also can expect me to award this award? "

"I didn't participate in this matter, even my big brother's company didn't participate at all, so you can rest assured that you won your trophy by yourself." Wen Liangyao opens his mouth carefully.

Xing YINUO chuckled, "really? Without water? "

"No trace of water!" Wen Liangyao nodded.

Xing YINUO believed him, of course. She cut the tenderloin on the plate and looked at the man opposite. "Next time you are not allowed to do this, you should accompany me."

"YINUO, it's time for you to learn to enjoy your achievements. This is another kind of scenery." Wen Liangyao looks up and gently persuades."Without you in the scenery, for me, very lonely." Xing YINUO told him about his mood in the car just now.

Wen Liangyao's heart suddenly clenched. Is it wrong for him to let go of this matter? "Don't worry, I will always be behind you."

"No, I want you to be by my side, not behind me." Xing YINUO answered him firmly.

Wen Liangyao chuckled and raised his glass to her. "Congratulations on winning the grand prize tonight."

Xing Yinuo raised his glass, touched it and drank it all.

"Drink slowly. No one is going to rob you."

"I'm so thirsty." Xing Yinuo continues to be innocent, OK! She's actually a little nervous tonight.

When she came here, she had always decided on one thing, and she wanted to deliver it to him.

In the past two years, when she didn't take the initiative, he never took the initiative. She knew that it wasn't because he didn't love her, but because he loved her too much.

It seems that she has to take the initiative in this matter.

She has already achieved the highest achievement. Then, she will rest for a period of time, maybe a year or two, because she wants to do a more important thing in life and marry herself.

Wen Liangyao poured a full glass of red wine for himself, eating dinner while drinking red wine as a drink.

Wen Liangyao was worried about whether she would be really drunk if she drank like this.

"Don't drink so fast." Wen Liangyao advised.

"I'm thirsty." Xing Yinuo replied with a smile.

"I'll allow you to sleep here tonight." Wen Liangyao sees through her ideas. She wants to get drunk and rely on him.

"I want to sleep in your bed."

"Yes."

"And the one who sleeps with you?" Xing Yinuo blinked and said boldly.

Wen Liangyao put down his knife and fork and looked at her. "Are you sure you want to sleep with me?"

Xing Yinuo nodded, very honest expression of their mood, "think, tonight, the day do not want to pick."Chapter 719

Wen Liangyao thought about it and urged her, "eat first."

"Why?"

"I'm afraid you'll be tired."

Xing Yinuo's pretty face is reddened. She swallows and doesn't say anything. She eats seriously.

There's something blank in the head, and there's some confusion in the mind. Think about how to do it.

She secretly looked at the man in the opposite direction, he was naturally calm, and her blushing charm was profound.

Xing Yinuo finished his plate and took another sip of red wine. "I'll take a bath first."

"Sit down and have a rest. Just have enough. Don't take a bath." Wen Liangyao persuades.

Xing Yinuo had to sit on his sofa and watch him clean up the table. She got up and wanted to help.

"Sit down." Warm, cool and Yao speak softly.

Xing Yinuo had to sit down, a pair of water eyes focused on his figure, Wen Liangyao in the back of washing dishes, the light poured out on him, as if dyed with halo.

Xing Yinuo supported his side face and stared out of his mind.

At this time, Wen Liangyao turned around, his soft black hair covered his bright and clean forehead, he looked up, a pair of gentle eyes, elegant face, as if to freeze the time.

Xing YINUO couldn't help but stare at him. He recalled what he had seen for the first time in his mind.

Time favors him, even if he seems more mature, but his original intention remains unchanged, his temperament is not contaminated by the secular world, he is still so clean.

It's so clean that people want to paint some of their own colors on his body. Xing YINUO thought of her action tonight. She could not help being ashamed. Just then, she saw Wen Liangyao coming to her.

She felt that her abdomen was wet and warm.

Wait, no!

Xing YINUO was shocked immediately. Then, she felt the constant heat source. She looked up at the man who came and dared not move.

"What's the matter?" Wen Liangyao squints at her face.

"I'm here." Xing YINUO just wanted to break down.

Why tonight? Dammit, even the body against her?

After hearing this, Wen Liangyao said with a smile, "it's OK. I can wait."

"I didn't bring that..."

"I'll buy it for you." Wen Liangyao said, picked up his cell phone and key, and said to her, "don't run around in the room, wait for me to come back."

Xing YINUO nodded at once, "OK." @@novelbin@@

As soon as Wen Liangyao left, she went into the bathroom and put some paper on it first. It's so sad.

Wen Liangyao's figure appeared in the supermarket downstairs of the community. When he came to the women's articles, a waiter came and said, "Sir, can I buy it for my girlfriend? What brand do you want? I can introduce you. "

Wen Liangyao went to the most commonly used brand of Xing Yinuo and smiled, "I'll choose it myself!"

He picked up some skillfully, and the waiter beside him was surprised. It seems that this handsome man often buys for his girlfriend!

Otherwise, how can you even sleep with a box?

It's really happy to have such a boyfriend!

Xing Yinuo was waiting at home. When she heard the key, she looked up and saw the man who had bought something for her.

Wen Liangyao took it apart for her and handed her a piece of it

Xing Yinuo took over with a smile. In fact, she and Wen Liangyao are really close to each other, like this kind of personal goods! He would always buy it for her.

Xing Yinuo changed out and looked at him a little depressed. Wen Liangyao looked at her small expression, "what are you depressed about?"

Xing Yinuo breathed, "my wish is lost."

"What wish?"

"Sleep you!"

Wen Liangyao chuckled, "Why are you so active all of a sudden?"

Xing Yinuo can only say this in front of him now, of course, only to him. "Anyway, you are my life. Do I keep you for the new year?"

Wen Liangyao took a cup of warm water and sat down beside her. "Drink some water."

Xing Yinuo drank happily and looked up at his handsome face in front of him. "I want to have a rest. I won't take the play for the time being. Tomorrow, I'll bring something to your house. Later, we'll live together!"

"Come if you want!"

"I thought, when did you get married?"

"OK, let's plan next." Wen Liangyao agrees unconditionally.

Xing Yinuo likes him to depend on her feelings. She can't help leaning into his arms and holding his hand. "I'm thinking, when can I have another child? You don't know how lovely my little niece is. My whole family loves it. I want a daughter, too."

Wen Liangyao replied with a smile, "if you want it, you need it!"

"When we get married, we'll have one." Xing Yinuo then denied, "no, let's talk about the two people's world after a period of time when we get married! We travel all over the world. We go to all the romantic places once. When we finish these things, we will have a child at ease. How about that?" Wen Liangyao combed her long hair and listened to her plan their future. He also yearned for it very much.

"Well! Good. "

Xing Yinuo is full of future plans. Now she knows what she wants.

After today's award, she found that what she wanted was very simple.

But that's the man.

So, her next wish in life is also very simple, that is to spend every day romantically with this man and enjoy the next life.

In the past two years, he has built a smooth star path for her. She won't be a female artist. She probably won't accomplish her dream in her whole life. She finished it at the age of 24 ahead of time. She stood at the top of the industry and enjoyed the scenery. What she wanted was a simple and happy life.

"Ouch! Abdominal pain. " Xing Yinuo put out his hand and covered it. It really hurt. Moreover, it was the kind of life and death.

Warm and cool palm is naturally pasted on her cold abdomen, gently massaging on the smooth and delicate skin to transmit his temperature.

Xing Yinuo's eyesight was hard, which immediately relieved her. With him, she was relieved.

Wen Liangyao's palm, over and over again burned her abdomen, the whole abdomen warm and harmonious, there is no pain.

Xing Yinuo was so tired that he narrowed his eyes in his arms. Out of the window, the sky was bright and the night was prosperous. In this warm apartment, their backs were also very warm.

Wen Liangyao leaned over Xing Yinuo's forehead, gently burned a kiss, and watched her sleeping comfortably, like a child, without any defense.

In his heart, always like to protect their own children, in love with her.

Chapter 720

This evening, Xing Yinuo still sleeps in Wen Liangyao's home, his bed.

Besides, he didn't sleep well. He rubbed her stomach all night when her stomach hurt.

In the morning, Xing Yinuo wakes up and looks at the tired man around her. She immediately feels extremely distressed. She quietly looks at him at this moment, and her mouth is curved with a touch of sweetness.

Wen Liangyao was still awakened by her. He opened a pair of bloodshot eyes, looked at the fairy girl in his arms, and put out his hand to cover her eyes. "Don't look, do you want to sleep again?"

"I'm not going to sleep. Go to sleep! I'll take care of it. " Xing Yinuo felt very embarrassed. He was afraid that he would dirty his bedspread if he was on one side.

So she got up and went to the bathroom.

When Xing Yinuo got up to go to the bathroom for a bath, Wen Liangyao got up.

Although he didn't sleep well, he still wanted to get up and make breakfast for her.

In cooking, Xing Yinuo really has no talent. Although she tried hard to learn cooking skills, she almost burned the kitchen after several bad experiences and cutting vegetables to fingers.

Wen Liangyao would never allow her to touch things in the kitchen again, so, like three meals a day, let him do it!

Moreover, he is very willing to do it for her. Even though the lost five-year memory has not been found back, he has loved her enough since he woke up.

Wen Liangyao takes the milk out of the refrigerator, puts it on the milk pot and heats it. At the same time, he takes two eggs, bread, cream and several slices of roast meat.

This is a nutritious and fast western breakfast. The kitchen is busy.

Xing Yinuo, who is taking a bath, thinks secretly while taking a bath. In a moment, she will go to make breakfast and make a love breakfast. When he wakes up, she can have her own breakfast.

He will be very happy. Xing Yinuo is still trying to think about how to make breakfast.

After taking a bath, Xing Yinuo picked up his bathrobe, tied a belt around his waist, and went to the cloakroom to change into casual clothes.

She pushed open the bathroom and smelled the smell of breakfast in the air.

She looked at the bed again, where is the figure of Wen Liangyao? Xing Yinuo's heart immediately jumped. Did he go to make breakfast for her?

Xing Yinuo immediately stepped out of the main bedroom. Looking at the kitchen, the man who just wore pajamas was making breakfast for her. His tall figure stood like a landscape.

Xing Yinuo's heart was immediately moved to speechless. He would always rush to do what she wanted to do for her.

As soon as Xing Yinuo's nose was sour, he rushed to him, tightly encircled his waist, and a small face was tightly attached to his back. "You should sleep for a while, and let me make breakfast."

Wen Liangyao side head, hook lips a smile, "to change clothes, you can eat immediately, hot milk on the table."

Xing Yinuo's eyes were immediately moist with emotion. She let go of the hand that encircled him, fixed her toes, and kissed him under his side face, "thank you, husband."

Wen Liangyao's heart vibrated for a moment. Xing Yinuo didn't know when he would use the name.

Every time she called him, he had an inexplicable satisfaction.

Xing Yinuo went to change clothes, picked up the hot milk on the table and drank it. The sweet milk fragrance infused the man's full love for her.

Two plates of nutritious and delicious breakfast were served. Wen Liangyao said to her, "hungry! Eat! "

Xing Yinuo sat down for breakfast, at the same time, he looked up and asked, "are you free today?"

"What do you want to do?" Asked Wen Liangyao.

"Move things for me. I've decided to move in with you today." Xing YINUO said cautiously.

"Don't you talk to your parents?" Wen Liangyao said

"Good." Wen Liangyao's eyes sparkled with a smile.

Xing YINUO looked at him. "I'm your man anyway."

Wen Liangyao shook his head. "Not yet."

"It will be soon. I'll have a good time this time." Xing YINUO said playfully.

Wen Liangyao swallowed his saliva and his eyes were deep. "Don't you want to wait for marriage?"

Perhaps he had been thinking of not wanting to hurt her, so that now he loves her, even if he didn't want her, he has entered the marrow.

"No, I have only one thing right now, that is to finish it." Xing YINUO is biting her lips and her face is hot.

"After breakfast, I'll go home with you and pack up." Wen Liangyao speaks.

It's as if her father would not want her as soon as he went out.

"Tian Tian, will daddy go to work and play games with Mommy?" Tang Siyu leaned down and was about to lose patience.

"Don't I want Daddy! " As he refused, the little guy pressed his face against his father and sniveled on Xing liehan's expensive hand-made trousers.

"No!" The little guy is very persistent.

"Grandma takes you to the park?"

"No!"

"Siyu, accompany me to the company. I'll take her with me." Xing liehan couldn't bear to separate from his daughter.

"Get used to her!" Tang Siyu doesn't speak well. As a mother, she likes to be dignified.

Chapter 720

This evening, Xing Yinuo still sleeps in Wen Liangyao's home, his bed.

Besides, he didn't sleep well. He rubbed her stomach all night when her stomach hurt.

In the morning, Xing Yinuo wakes up and looks at the tired man around her. She immediately feels extremely distressed. She quietly looks at him at this moment, and her mouth is curved with a touch of sweetness.

Wen Liangyao was still awakened by her. He opened a pair of bloodshot eyes, looked at the fairy girl in his arms, and put out his hand to cover her eyes. "Don't look, do you want to sleep again?"

"I'm not going to sleep. Go to sleep! I'll take care of it. " Xing Yinuo felt very embarrassed. He was afraid that he would dirty his bedspread if he was on one side.

So she got up and went to the bathroom.

When Xing Yinuo got up to go to the bathroom for a bath, Wen Liangyao got up.

Although he didn't sleep well, he still wanted to get up and make breakfast for her.

In cooking, Xing Yinuo really has no talent. Although she tried hard to learn cooking skills, she almost burned the kitchen after several bad experiences and cutting vegetables to fingers.

Wen Liangyao would never allow her to touch things in the kitchen again, so, like three meals a day, let him do it!

Moreover, he is very willing to do it for her. Even though the lost five-year memory has not been found back, he has loved her enough since he woke up.

Wen Liangyao takes the milk out of the refrigerator, puts it on the milk pot and heats it. At the same time, he takes two eggs, bread, cream and several slices of roast meat.

This is a nutritious and fast western breakfast. The kitchen is busy.

Xing Yinuo, who is taking a bath, thinks secretly while taking a bath. In a moment, she will go to make breakfast and make a love breakfast. When he wakes up, she can have her own breakfast.

He will be very happy. Xing Yinuo is still trying to think about how to make breakfast.

After taking a bath, Xing Yinuo picked up his bathrobe, tied a belt around his waist, and went to the cloakroom to change into casual clothes.

She pushed open the bathroom and smelled the smell of breakfast in the air.

She looked at the bed again, where is the figure of Wen Liangyao? Xing Yinuo's heart immediately jumped. Did he go to make breakfast for her?

Xing Yinuo immediately stepped out of the main bedroom. Looking at the kitchen, the man who just wore pajamas was making breakfast for her. His tall figure stood like a landscape.

Xing Yinuo's heart was immediately moved to speechless. He would always rush to do what she wanted to do for her.

As soon as Xing Yinuo's nose was sour, he rushed to him, tightly encircled his waist, and a small face was tightly attached to his back. "You should sleep for a while, and let me make breakfast."

Wen Liangyao side head, hook lips a smile, "to change clothes, you can eat immediately, hot milk on the table."

Xing YINUO's eyes were immediately moist with emotion. She let go of the hand that encircled him, fixed her toes, and kissed him under his side face, "thank you, husband."

Wen Liangyao's heart vibrated for a moment. Xing YINUO didn't know when he would use the name.

Every time she called him, he had an inexplicable satisfaction.

Xing YINUO went to change clothes, picked up the hot milk on the table and drank it. The sweet milk fragrance infused the man's full love for her.

Two plates of nutritious and delicious breakfast were served. Wen Liangyao said to her, "hungry! Eat! "

Xing YINUO sat down for breakfast, at the same time, he looked up and asked, "are you free today?"

"What do you want to do?" Asked Wen Liangyao.

"Move things for me. I've decided to move in with you today." Xing YINUO said cautiously.

"Don't you talk to your parents?" Wen Liangyao said

"Needless to say, my parents have already betrothed me to you." @@novelbin@@
