

U. CEO Daddy 721

Chapter 721

Tang Siyu had to go to the company with her. After giving birth to her daughter, she knew that she had given birth to a little trouble elite who robbed her husband.

With her daughter, the husband's arms are occupied by her all day long. She is not allowed to hold her when sleeping at night, but only occupied by her.

A little bully.

Little guy has a very nice name, Xing Yutian. Maybe he took a rain word when he named it!

The little guy is a little crying bag.

In the car.

The little guy was sitting in her child chair, sucking a milk bottle in his mouth, and his long hair was scattered behind his shoulder because he didn't want to prick his hair in the morning.

Soft and pure black hair, with a delicate white and tender facial features, the little guy is a natural beauty Pizi, like her mother.

Arriving at the company, Tang Siyu went to a children's cabin specially built for her, which was full of her toys and a specially built play castle.

This is Xing liehan's idea. He vacates an office in the company to create a playground for the little guy.

Little guy is in the playground. Finally Xing liehan can go to the meeting.

Xingzhai.

Wen Liangyao's car stopped in the yard, and Xing Yinuo got off with him.

Jiang LAN watched them enter the room and was very happy. "Liang Yao, here we are. I'll buy some dishes and eat here at noon."

"Yes, aunt." Wen Liangyao nodded.

Xing Yinuo said to his mother with some shame, "Mom, I have a script next. I need to stay with Liang Yao every day, so I decided to move to his house."

How can Jiang LAN not hear it? This is the excuse of her daughter? Of course, she would not tear it down. She replied with great cooperation, "that is to say, you can move there! It also saves Liang Yao the trouble of coming here to pick you up every day. "

Then he said to Wen Liangyao, "Liangyao, please take care of it."

"No trouble, it's my duty to take care of her." Wen Liangyao said with a smile.

Xing Yinuo immediately took his hand and said, "go upstairs and tidy up my salute."

"Mom, where is Tiantian?" Xing Yinuo wants to play with his niece again.

"I was taken to the company by your elder brother and sister-in-law. I cried in the morning that I would not let your elder brother go to the company." There is no way for Jiang LAN.

Now, the little guy is sensible. In this family, but the most favored one, even Xing Yixi has joined the ranks of favorite girls. Therefore, it's not easy to deal with the little guy who is favored by his family.

Xing Yinuo has no choice but to take Wen Liangyao's hand and go back to her room to clean up her clothes.

Xing Yinuo took two boxes, and she began to pack them in the wardrobe. Wen Liangyao folded them for her.

All of a sudden, what Wen Liangyao had in her hand was her underwear and panties. Xing Yinuo came to him with some bad things. "Let's get these together!"

Wen Liangyao smiled helplessly and found that Xing Yinuo now likes to play tricks on him more and more. Xing Yinuo sat beside him and folded his clothes with him. He found that Wen Liangyao was tidy, but she couldn't even fold a piece of clothes. She was so depressed.

"Go and get rid of it. Let me take care of it." Wen Liangyao said to her.

Xing Yinuo held up his chin. "It seems that I have to study hard to clean up my house."

Wen Liangyao just smiles and doesn't talk. Even if she can't do housework, he won't dislike her.

At noon, Wen Liangyao had a meal in Xing's house. After eating, Xing Yinuo's salute was moved into his car. Xing Yinuo officially moved into Wen Liangyao's home from today and became a cohabitation relationship.

At this time, the Xing family and the Wen family have long recognized their family relationship.

When she came to Wen Liangyao's home, Xing Yinuo hung her clothes in his wardrobe and put them in front of his neat row of white shirts, she felt extremely satisfied.

She closed the door of the cupboard and stepped out with light steps. Wen Liangyao was writing his script on the balcony.

Xing Yinuo leaned down, put his arms around his neck, leaned down and kissed him on the face, "don't work, accompany me!"

Wen Liangyao immediately put down his work and pulled her into his arms. "Are you really going to stop filming?"

"Not for at least two years. I'm going to give us the rest." Xing Yinuo has decided that she has finished her hobby in two years.

Now, she will give him the best years of her life.

"Well, listen to you." Wen Liangyao put the computer together, and all his talents were only hers. All the heroines in all the scripts he wrote were based on her. He would not take any scripts except for writing them for her.

Even if many companies pay high prices to hire him to write scripts, they are rejected by him.

The heroine in Wen Liangyao's play is Xing YINUO.

Xing YINUO is in the afternoon sunshine, lazily relying on his arms, enjoying the quiet afternoon. Wen Liangyao combs her long hair and stares at her gradually mature delicate face.

Tender and tender.

Xing YINUO took a nap in his arms, and Wen Liangyao was also languidly leaning on the pillow, watching the girl in his arms sleeping peacefully, with a sense of time.

In this dry world, it's lucky to get such a kind of peace and satisfaction in mind.

In the evening, Xing YINUO opened his eyes and saw that Wen Liangyao was also keeping her eyes closed. She was like a sleeping lazy cat, curled up in his arms.

Wen Liangyao wakes up, his thick eyelashes open, and his bright eyes lock on the girl's face who is staring at his smile.

"Enough sleep?"

"Well! Enough sleep. Shall we go shopping together in the evening? I'd like to have your steak tonight. " Xing YINUO asked with a smile.

The time with him, she just want to be quiet.

She can't go shopping at will now. She is afraid of being recognized when she goes out of one door. So, this formed the idea that she would like to stay at home once she took a vacation.

"Good!"

"I'll get dressed." Xing Yinuo immediately got up from his arms, and then she took off her coat before she came to the room.

Wearing a sports black vest, she is slim and graceful, leaving a man's back for leisure.

However, Wen Liangyao's first thing is to quickly pick up the curtain and remote control.

Close the curtains.

Even if his room has a wide view, it won't be peeked at at all.

However, out of an idea of protecting her, he still did instinctive defense. Xing Yinuo enters the cloakroom. It's the weather in May now. Early summer has arrived.

Xing Yinuo wore a white Hoodie, a long hair shawl, a sun hat, and a pair of gray masks, dressed up as an overseas Chinese.

Chapter 722

"You can go." Xing Yinuo blinked, "can I do this? Will it be recognized? "

"Probably not." Wen Liangyao comforted her.

Two people go out, Xing Yinuo is holding his arm, very natural!

In the car, I went to a big shopping mall nearby. In the supermarket, it became a happy thing to buy vegetables together.

Wen Liangyao pushes the car. Xing Yinuo picks up Lang Lin's goods. She can take whatever she wants.

In addition to buying vegetables, Xing Yinuo did not take less snacks. She must be a foodie.

All of a sudden, Xing YINUO came to a container, she stopped and looked at Wen LIANGYAO.

Wen LIANGYAO received her hint, looking at the goods on the container, he was bored with a smile.

At this time, Xing YINUO reached out and put a box on the cart.

Xing YINUO asked with a squint of eyes, "don't you look at the number of yards?"

"Isn't this a one size fits all?" Xing YINUO asked with a red face and a red ear. She didn't understand this.

With a smile, Wen LIANGYAO shook his head. "There are sizes."

"Er!" Xing YINUO was embarrassed. Then she bit her lip and approached him and asked, "what size are you?"

Wen LIANGYAO's white face was slightly red. He took one of the boxes and looked at it. He put it on the cart and put Xing YINUO back. There was no answer.

Xing YINUO blinked and stayed in place for a few seconds. His head was buzzing.

Did she ask wrong? Hurt his self-esteem?

Why didn't he tell her? After Xing YINUO thought about it, when Wen LIANGYAO didn't pay attention, she immediately bent down to look at it. When she saw 1 yard, Xing YINUO's head hummed again.

Large?

When Wen LIANGYAO checked out, Xing YINUO stood aside and saw that the waiter was very calm in checking out. Her pretty face was a little hot.

What a feeling of embarrassment.

After the account was closed, Xing YINUO took a cup of milk tea and hid beside Wen LIANGYAO. From time to time, he untied his mask, took a few drinks and took it back.

Xing YINUO has never had a scandal since she started her career. She is as clean as a pure white lotus. In this VAT, there is no dust.

She is well protected by Wen LIANGYAO, and the media know that Xing YINUO can't be offended.

Because the two families behind her are absolutely not easy to mess with.

Sitting in the car, Xing YINUO took a sigh of relief, untied her mask, and began to drink her favorite milk tea.

Xing YINUO sends the straw to the man beside him. Wen LIANGYAO takes two sips. Xing YINUO continues to drink contentedly.

Back in the apartment, Xing YINUO stands beside Wen LIANGYAO, watching how he cooks steak and makes dinner.

From time to time holding his waist, like a studious baby, ask this and that.

Wen LIANGYAO taught her patiently, at the same time, he didn't want her to really touch things in the kitchen.

Today is the first day of cohabitation. It's also the day Xing YINUO makes great efforts to send himself to him.

Dinner is very romantic. Xing YINUO is wearing a suspender Pajama to sit on the sofa and watch the iPad. Wen LIANGYAO is stepping out of the study and sees the dim yellow crystal chandelier.

That perfect silhouette, Wen LIANGYAO's many materials are from Xing YINUO.

Because she is a lovely spirit, her body is full of aura, her every move, are affecting him, so that his heart always for her intense tremor.

Xing Yinuo knew that he had come out of the study, and her lips were red.

Her pajamas were especially for him this time. Suddenly, a coat came over Wen Liangyao.

"You're in a physiological period. Be careful of catching a cold."

Xing Yinuo looks up at the concern in his eyes and a kind of thought that she can read at a glance. She knows that her temptation is successful.

But now there is nothing between them to do.

Xingzhai.

At eleven o'clock in the evening, in the spacious bed, the little guy lies on the pillow, full of food and drink, full of energy.

Xing liehan went to bed in a conservative and tidy pajama. Since he had a daughter, he has changed all his sleeping habits.

Watching daddy go to bed, the little guy immediately came over and began to make a fuss in his arms.

Tang Siyu also came from the dresser. She liked to tease her daughter.

Looking at her daughter lying in Xing liehan's arms, she walked over, picked up the little guy and put him aside. Then, she naturally lay in Xing liehan's arms and held his waist tightly.

The little guy blinks his big eyes, then immediately climbs over. The little guy tries hard to squeeze in from the middle of Tang Siyu and Xing liehan, and shouts, "I want Daddy I want Daddy

In Xing liehan's eyes, there was incomparable happiness and satisfaction, with thin lips rising all the time.

Tang Siyu immediately pretended to be jealous and said, "he's mine.""Mine!"

"Mine!"

"It's mine!" The little guy argued very loudly.

Tang Siyu was defeated and lay aside. The little guy held daddy in one hand, and some dog legs came to touch her face. "Mommy..."

Every time Tang Siyu hears his daughter's soft, waxy voice, where can he get angry? She immediately hugs her and buries her in the little guy's tender neck to tease her.

After a while, he made the little guy giggle again and again.

Xing liehan is almost abstinent now. With his daughter, both husband and wife have become secretive.

The little guy was a little sleepy after a while. He wiped her little face, blinked his big eyes and put his arms around him. After a while, he went to sleep.

Tang Siyu was a little tired, squinting and going to sleep.

When the little guy falls asleep, her world will be quiet. Now, her son has grown up, and the eight year old child is very sensible. Besides, she doesn't need to worry about it. Learning is the best in school.

In addition, this semester, they also received the notice of their son's step-down. Finally, they decided to let his son not step-down for the time being, but it must be too small, or let him finish his studies normally. If he does, he will talk about it later.

Tang Siyu was about to sleep when she heard a sound coming from the edge of the bed beside her. She turned her head and saw Xing liehan get off the bed easily. When the little guy turned over, he immediately went to kiss the little guy's face again. The little guy felt his father and went to sleep sweetly.

She blinked and didn't know what he was going to do. At this time, Xing liehan came to her.

Tang Siyu finally knew what he was going to do. She couldn't help but look at her sleeping daughter with shame.

The next second, she was beaten by the man to hold up, directly to the next door.

This is the life of Xing liehan's husband and wife now, after having a daughter.

Chapter 723

early morning.

Xing Yinuo is still used to getting up to practice aerobic exercise, which is also a required course to maintain a perfect figure.

As an artist, life is not as free as ordinary people, that is to say, she is a foodie, so her sports can not be less.

Xing Yinuo likes pilates. There is a very large wooden floor beside the floor to ceiling window of Wen Liangyao. The decoration style is like an exercise room.

Xing Yinuo is on it. He can practice yoga or something.

Today, she has a magazine cover shooting. It's a first-class mainstream magazine, which is also a way for artists to promote and create.

In the morning, after breakfast, Xing Yinuo casually put on a loose T-shirt and went out.

Have a body and wear it willfully.

Wen Liangyao accompanied her in a suit of casual clothes, and her car drove to the direction of the studio.

In the studio, the magazine has prepared the shooting clothes for Xing Yinuo in advance, some of which are fresh and lovely, some of which are fashionable, and some of which are quite different.

Xing Yinuo is going to shoot six sets of clothes this time. He is sitting in the dressing room of the studio. Xing Yinuo's makeup artist also arrives. He makes up according to the requirements of the editor in chief of the magazine.

Wen Liangyao sat aside with his long fingers on his side head. He looked into the mirror of make-up and stared at the girl who was making up.

Xing Yinuo closed her eyes for a while, and opened them smartly. She was like an ancient demon. At this time, her eyes had become an extremely charming fox style, with the action of blinking her eyes.

It can't help but think of the fox spirit that met in the deep forest of the mountains in ancient times. Wen Liangyao's eyes are thick. In the past two years, Xing Yinuo has also accumulated many different roles.

She's very nimble. She doesn't play any role.

When she wears makeup, she becomes a fresh record of herself.

Finally, Xing Yinuo put on his first suit and walked into the background wall of the studio.

This is a relatively rebellious style of clothing. Xing Yinuo's eyes are full of enchanting flowers, dotted with fine diamonds, and set off her starry eyes. They are very beautiful.

Wen Liangyao stood aside, his eyes did not leave her body, those eyes, as if gazing at the millennium, seem to be so affectionate.

Xing Yinuo is lovely and eccentric in front of Wen Liangyao. Many of her movements are random and colorful.

When Xing Yinuo was shooting the fourth suit, Wen Liangyao's sword eyebrow immediately twisted.

Because this is a relatively naked skirt, the back is only intertwined with ribbons, and Xing Yinuo's whole waistline is exposed, and a butterfly is pasted on the snow-white skin, which is very tempting.

"It's not going to work." Wen Liangyao showed his jealousy directly.

The editor on one side can't offend him naturally. He will choose this suit and want to be bold. Xing Yinuo hasn't worn this kind of dress to be on the camera since he started. If he has this set of photos, it will be very popular.

Wen Liangyao takes a coat from the side and puts it on Xing Yinuo's changed body. Her back is not allowed to be appreciated by more people.

Xing Yinuo looks at the jealous man. She can't help but feel extremely cute. She doesn't express her opinion on the side.

"How about that! How about we use a thin scarf to cover Miss Yinuo's back? " The director thought of the idea immediately.

After hearing this, Wen Liangyao nodded and agreed, "OK! You choose one. "

The director asked the assistant to select a few. At last, he chose a very suitable shoulder to cover Xing Yinuo's back. The effect of the shot was pretty, with a hazy beauty.

At the same time, Xing Yinuo's eyes twinkled with charm, which made Wen Liangyao drunk.

Finally, the whole set of shooting is finished, and the time of the day is gone.

Xing Yinuo changes back her clothes and comes out with a plain face. At this time, she is clean and beautiful, just like a girl who has just walked into the world.

She took Wen Liangyao's arm and asked with a smile, "why can't I wear that dress?"

"I'm jealous." Wen Liangyao answers her directly.

Xing Yinuo smiled happily, "OK, I will not wear the clothes that will be exposed to the shoulder in the future."

Wen Liangyao saw that she was so conscious and joyful, and reached for her. "Hungry? Where do you want to eat? "

"I want to have a seafood dinner." Xing Yinuo began to slander.

"Good." Wen Liangyao knows that there is a family that she likes best.

Wen Liangyao takes her straight to the direction of seafood.

XingNu does not take the script for the time being. However, as an entertainer, her life is still lined up. There are still several advertisements in her hand that need to be filmed. They are all high-end products, including perfume, skin care products, and name list. Xing Yinuo's resources can be said to be soft. She is very powerful. In addition, she has a very good reputation in the public fans circle. She thinks she has almost no gossip.

Even if any star has cooperated with her and wants to hype the news with her, it must be considered. Wen Liangyao is famous for protecting his girlfriend. Who dares to provoke Wen's family?

And the media, there are often some positive reports about Xing Yinuo, which set up her very good reputation.

This is probably the so-called darling in the entertainment circle!

This is not only Xing Yinuo, but also Suxi. In the past two years, Suxi's mind has been on her children. Fortunately, she has a second child. This is not the case. She is going to have a baby soon. She wants a daughter for thousands of times, and God has met her wish.

How other people think of giving birth to a son, but she is looking for various ways to give birth to a daughter.

For this reason, there is no less struggling wenlichen. She is eager for a daughter. She has done many things that make wenlichen laugh and laugh. For example, she is sure to share a room at any

time, or go to a hot spring, eat or drink anything. With her efforts, this baby is pregnant with a daughter.

Wen lichen is a famous beloved wife. He often sees a daughter sitting in Xing liehan's arms, which is called a real envy and jealousy. Now, he doesn't need to be jealous. A clingy daughter is born soon.

After eating, Xing Yinuo, accompanied by Wen Liangyao, went for a ride until about 10 p.m. when the two returned home.

At home, Xing Yinuo is a little tired. She is still in her physiological period. If she plays like this, she will be tired.

Chapter 724

Xing Yinuo is sitting on the sofa, lying down. Wen Liangyao comes over, leans down carefully and reaches for her forehead.

"No fever, just tired." Xing Yinuo opens her eyes. She took photos under the spotlight for so long today. Her eyes are sore.

"Take a bath and then go to sleep." Wen Liangyao said to her.

Xing Yinuo naturally wants to wash and sleep in her physiological period. She reaches out to him and "pulls me."

Wen Liangyao reached out and pulled her. Xing Yinuo immediately jumped into his arms and hugged him.

When she is with him, she often wants to be close to him. She usually holds, cuddles and kisses him. This kind of kissing behavior happens at any time.

"Go! Do you want a shampoo? "

"Well! Yes. "

"Wash it out, I'll blow it for you." Wen Liangyao said in a low voice.

Xing Yinuo nodded and went into the bathroom to take a bath.

After a bath, he came wearing a nightgown, with long wet hair behind him. Xing Yinuo gave him a towel in his hand.

Wen Liangyao cleans her hair, straightens her hair with a comb, then gently closes her long hair and blows it dry.

This is what Wen Liangyao loves to do very much. Her long hair is soft and glossy. She holds it in her hand and feels very comfortable, just like the first-class silk.

Xing Yinuo blows her long hair every time. She puts it over her shoulder, and sets off her small face, which is more white and delicate.

Xing Yinuo comfortably put on pajamas and pajamas and went to bed. Wen Liangyao entered the bath. Xing Yinuo lies on the bed and begins to count the days. She is now the third day. Next, she has four days.

Xing Yinuo calculated and thought that he couldn't do anything anyway, so he was so tired that he fell asleep.

When Wen Liangyao came out, he saw her sleeping with her hands on her back. He couldn't help chuckling.

It's still like a child.

Wen Liangyao sat on the sofa and read a book, waiting for his hair to dry naturally.

Until 11:30, Wen Liangyao didn't go to bed, and the side of the bed sank. Xing Yinuo, who was sleeping alone, was attracted. Her hand extended vaguely. When she touched Wen Liangyao's arm, it was tightly tied, and her body kept coming up, and she was sleeping close to him.

Wen Liangyao looks at this dependent girl tenderly every time, and her mood turns.

A strong sense of responsibility and mission came to him. He wanted to protect her all his life.

There is a two-year-old at home, which is definitely enough for parents to have a headache.

Because the two-year-old has the right power of action, and at the same time, has a smart enough IQ, but she is not sensible.

It is extremely destructive and has excellent action power.

Early morning.

Xing liehan is just the time to change clothes. Tang Siyu is still washing in the bathroom.

The little guy who was still sleeping in the bed got out of the bed very numbly. She ran to Tang Siyu's dressing table, pulled out a cabinet and grabbed some lipstick from it.

Learning from the way Mommy usually draws lipstick, she picks up her calf and starts to draw it seriously towards her small face.

Learn to have a model, but also pretended to take a picture of a small face, a lipstick on the whole face, even eyebrows have not let go.

Xing liehan is going to go out to the company quietly today. As soon as he comes out, he sees a little guy with a red face. He is scared.

It can be said that the rhythm of the heart stops. When he saw that the little guy was holding a lipstick in his hand, he just gasped for a moment. He squatted down quickly to see if his daughter really hit anywhere or whether it was all lipstick color.

As soon as I saw daddy's expression, I knew that I had done something wrong. I quickly hid my hand behind my back. Before I was scolded, I had already flattened my mouth and looked at daddy pitifully.

Xing liehan, angry and funny, rubbed the lipstick on her little mouth and asked, "is this your own painting?"

Little guy nodded.

"It's for your mommy, not for children." Xing liehan reached out to her and said, "give me the lipstick."

The little guy blinked his big, watery eyes and put a lipstick with a completely deformed paste on his big palm.

Xing put the lipstick back on the dresser and reached out to pick up her little daughter and walked to the bathroom.

Tang Siyu is wiping his hands. Seeing the little guy in Xing lie's arms, she immediately stares at him, "what's on her face?"

"It's your lipstick." Xing liehan replies with a smile.

Tang Siyu immediately depressed and heart blocked, looking at her daughter, it's really sad.

Washed clean for the little guy, a white and tender little face, like a shell of eggs.

Xing lie bent down and whispered in Tang Siyu's ear, "coax her, I'll go to the company first."

Tang Siyu nods, Xing liehan kisses her face, and then sees the little guy squatting on the washing table to wash his hands. He can't help kissing her little head. Every time he goes out, he is very reluctant to give up. Xing Lihan can leave easily when the little guy doesn't find out, but he must be ready, because the little guy will call him at any time.

Tang Siyu takes his daughter to the piano room after breakfast, and plans to teach her piano since childhood.

Little guy has this talent. Although she can't play music or tune, she likes to stay here very much and can sit patiently for more than an hour.

Xing YINUO went to the studio at noon. She promised to record a new song for a star friend's new play. Although singing brother is not good at her, she has cells in this field. In the past two years, she has made great efforts to enrich herself, so that she has made some achievements in music.

Xing YINUO has also met many friends who love acting, some of whom are sincere friends, some of whom are just cooperative relationships. In this industry, there are also many random images.

Many people, because of their interests, will become very ambitious and want to succeed.

We must have a great mind. If we don't see clearly, it's easy to have a stab in the back.

As a result, some people hide deeply. Xing YINUO has a very close artist friend, because she once rolled down from the desert when filming, and this girl was in front of her. She hugged her so much that both of them rolled down. Finally, Xing YINUO is OK, and her hand is broken.

Xing YINUO and she have become good friends. The girl now lives in the second tier and usually takes on some roles as No. 1 girl.

Just because the script is not good enough, often hard to perform, but no big fire.

She is not as lucky as Xing YINUO. She has such an excellent screenplay producer as Wen Liangyao. The girl's name is Qiao Nan.

Chapter 725

She has all the perfect conditions to enter the performing arts circle, a good family background, a beautiful appearance, and a very excellent academic background.

She is two years older than Xing YINUO. She has cooperated with Xing YINUO in several plays. She takes good care of Xing YINUO in the play. After two years of relationship, she has become a good sister.

This is Xing YINUO's only good friend in this circle.

Today, Qiao Nan is also in the music studio, recording theme songs for her new songs.

She finished recording first. I heard that Xing YINUO was also there. She came here to see her.

Xing Yinuo is still in the studio. Her tutor taught her how to hold a more accurate voice.

Qiao Nan's eyes saw Wen Liangyao on the sofa next to her. She smiled and said, "Mr. Wen."

Wen Liangyao gives her a little nod. Because of Qiao Nan's feelings for Xing Yinuo's friends, and because he also saw Qiao Nan's care for Xing Yinuo in the drama group, let Wen Liangyao treat her as a friend.

Half an hour later, Xing Yinuo finally finished the recording. When she came out, Qiao Nan greeted her. "Yinuo, you sing so well."

Xing Yinuo shakes his head. "Not very satisfied."

"It's good already." Qiao Nan encouraged her and said to her, "last time you won the prize, I haven't had time to congratulate you! You're amazing. "

"Just luck."

"How can it be luck? This is your strength. You are the best and the best actress of our generation. " Jonan praised her.

"Have lunch together!" Xing Yinuo asked.

"Good! It's just that I'm free. " Joanan nodded.

Three people went to the nearby restaurant together. Qiao Nan heard that she would have a rest recently, and also heard that she would have a rest for at least two years. She was shocked and envied. In this circle, Xing Yinuo is the only one who has such willfulness!

Don't have actresses trying to climb up, and she's seen the top landscape.

She doesn't even have to worry about fame because she has one of the best screenwriters.

There is no script in Wen Liangyao's hand that is not red.

After dinner, wenliangyao and Xing Yinuo are going back to Wenzhai for dinner. Some of them haven't gone back.

Qiao Nan went back to her agent's car and looked at the distant grey sports car. She sighed and her eyes were full of envy.

"What's the matter?"

"I just heard that Yinuo is going to have a rest for two years. She's very kind. If she wants to have a rest, she'll have a rest. If she wants to make a film, she'll make a film. She doesn't have to worry about resources and scripts at all." Qiao Nan closed her eyes. She was still entertaining a new play last night. Now she was a little tired.

"What? Xing Yinuo is going to have a rest? Who did Wen Liangyao's play play female one? "

"Does he still have a play?"

"Last time I had dinner with Li Dao, I heard that Wen Liangyao had finished a new play in his hand. It's very good. If anyone can play his play, it will be immediately popular."

Qiao Nan's eyes immediately filled with expectation and desire.

"If only I could play a play in his hand." Joanan spoke out her deep desire.

The agent next to her immediately replied, "you have such a good relationship with Xing Yinuo, you will have a chance to fight for it, Qiao Nan. It took you two years to establish a friendly relationship with Xing Yinuo. You should take advantage of it."

Qiao Nan turns to agent Liu Yan, with a deep look in her eyes.

Liu Yan immediately smiled, "you are the one I brought out, what are you thinking in your heart, I will not know?" It's just that you haven't shown your ambition and desire. In front of Xing Yinuo, you are acting like a simple big sister, so it's not difficult for you to play such a role. "

Qiao Nan is a little upset. No matter what she thinks in her heart, she is still embarrassed when she is said so directly.

Qiao Nan looks at the front and doesn't speak.

Liu Yan continued, "now, Xing Yinuo has a rest. That's your great opportunity. You don't need to be her supporting role anymore. You can try to be the leading role. With your qualifications, you can be no worse than Xing Yinuo."

"However, Wen Liangyao's play will only let Yinuo play the leading role, so that no woman can pick up his play at all." In the two years since Qiao Nan and Xing Yinuo made friends, she knows this better.

"In this world, nothing is absolute. Wen Liangyao is a creative genius. At the same time, he is a man, a normal man."

Qiao Nan's eyes turned to Liu Yan. "What do you mean?"

"I mean you understand that you should seize every opportunity to play Wen Liangyao's plays. No matter what means you use, you should go up. Only in this way, you don't have to take some bad plays all the time, work hard, and don't get angry."

Qiao Nan's eyes gave birth to a desire. Who doesn't want to stand on the podium and become the best actress? Who doesn't want to be chased by fans everyday and regarded as the high goddess in the entertainment circle? She also wants to have endless advertisements, endless magazines and as an actor, which is their ultimate dream.

"Do I have a chance?" Qiao Nan murmured to herself.

"Yes, you do. Xing Yinuo won't act. This is your chance. Besides, you have more chance to approach Wen Liangyao than others."

In Qiao Nan's mind, there appeared the figure of Wen Liangyao. He was a gentleman and polite. She was very handsome. He was a warm man.

In the circle of performance and music, many men have lost this temperament. For the sake of interests, they have a good Pixiang, but a restless heart.

"Wen Liangyao is the best man I have ever met." Qiao Nan chuckled.

In Liu Yan's eyes, she immediately digs out her ambition.

"Such a man, if he becomes yours, you will have no worries in your life."

Xing Yinuo sits on the seat, Wen Liangyao hands the milk to her, "drink a little to moisten your throat, you are singing hoarse today."

Xing Yinuo took over, "fortunately, at least the victory has been completed."

"If you want less work, I can arrange it for you." Wen Liangyao also loves her, saying that he is still working.

"Just a few advertisements! That is to say, I promised to do it before. I'd better finish it! " Xing Yinuo is still responsible for his work.

"Come back to your house tonight, let's go and buy some presents! You can't go there empty handed. " Xing Yinuo said.

"It's a family, and my parents won't care." Wen Liangyao said with a deep smile.

Xing Yinuo's mouth curved sweetly. "Yes, my family."

"Well, go and buy a present for my little nephew." Wen Liangyao also wants to buy a gift for his little nephew.

Chapter 726

It's about 10 o'clock in the evening when he comes back from Wenzhai. Xing Yinuo is so tired that he lies down on the sofa and stretches out.

Wen Liangyao sat next to her, reached out and stroked her long hair. "Take a bath."

"I'll play a game first." Xing Yinuo holds the mobile phone and wants to relax.

Wen Liangyao said from her, "OK! I'll go to my study and call me when I've finished my bath. "

"Wait a minute. I'm stuck here. I can't get through. Can you help me?" Xing Yinuo hands him the mobile phone.

Wen Liangyao reaches out to take over and earnestly passes for her. Xing Yinuo immediately sits aside and snuggles up to him. Having a boyfriend with high intelligence has such advantages.

Even playing games can ask him for help, and every time, it's just one time.

Wen Liangyao played this pass for her easily and handed it to her.

Xing Yinuo leaned over his side face and kissed him, "my husband is so wonderful."

Wen Liangyao blinked, "of course."

Xing Yinuo was immediately amused and pushed him, "go to work! Have you written a new play yet? "

"I've finished two plays. I'll shoot them when you have time." Wen Liangyao said to her.

Xing Yinuo nodded, "OK! When I want to do it, I'll do it! oh Can you write something about magic? I like to wear an ancient dress and feel like a fairy. "

"In that case, it's hard for you to hang Weiya." Wen Liangyao bent down and flicked her finger on her forehead.

Xing Yinuo bent his eyebrows and smiled, "although I was very tired in the early stage of shooting, the pictures I made are really beautiful! I love it. "

Wen Liangyao looked at her expectant look, he nodded, "OK, I'll think about it for you recently, and try to write one."

"I'm sure my husband will be able to write the script for the fire." Xing YINUO said happily.

Wen Liangyao said, "try not to let you down."

Seeing Wen Liangyao enter the direction of the study, Xing YINUO immediately plays the game.

Xing YINUO was playing, and saw her message ring.

She opened it and saw it was sent by Qiao Nan. Qiao Nan asked if she had slept.

"Not yet, playing a game." Xing YINUO replied.

"YINUO, do you really have to decide not to do the film these two years? It's a pity that you are so popular. I think you should keep shooting. " In Qiao Nan's tone, a tone of exhortation.

Xing YINUO went back and said, "I'm a little tired. I want to rest and relax for two years. Come on!"

"Isn't Mr. Wen's play always for you? What if he wrote a new play? "

"He's written two, and he hasn't started making plans yet."

"Wow! He's a real genius. It's good for you. "

"It's late. Go to bed early! I'll play some games. "

"Well, play! I went to bed first. " Qiao Nan went offline.

Xing YINUO continues to play games, and she is not addicted to them. Just playing small games can relax her mood.

In a small apartment, Qiao Nan lies on the bed and looks at the chat record just now. She stares at Xing YINUO's words. Wen Liangyao has two plays waiting to be made.

These two plays, no matter what the subject matter, if she can really play the heroine, then she will be popular.

Qiao Nan opened a script that had just been sent to her. She couldn't see the small subjects in her eyes. I don't know what the meaning of the script is.

But it's just that there's another one in the bad movies.

Unlike Xing YINUO, every play she made is a masterpiece, a classic, guaranteed by the box office, and also won her a very good reputation.

Now, as long as Xing YINUO's plays, they can guarantee high box office.

Qiao Nan is biting her lips. Thinking of what the agent said to her today, she has no less capital than Xing YINUO, and she also works hard enough.

She just didn't meet a good script, didn't make her a hit.

Now, there are people who write good scripts, but where can I get such a second line? Even if she went to submit her resume, she would be no more than an n-mate for a more important role.

She didn't want to play any more. After a long time, she didn't even have the aura of the heroine.

She's not young anymore. She's twenty-six. If she doesn't take on a good play, she'll turn thirty. She can't even play the heroine.

Qiao Nan's eyes flashed a bit of ambition, and she murmured, "Yi Nuo, don't blame me, don't blame me for using you, I really want to be as red as you, I want to play Wen Liangyao."

Qiao Nan finished, she sat up and went to the dresser, looking at her face for a while.

She really felt that she was born with the heroine's life. She could not consume her youth like this. She wanted to gamble.

No matter how bad it is, it will be a stranger to Xing Yinuo, but if she wins the bet, she will be the winner."Wen Liangyao..." Qiao Nan's mind flashed all the knowledge of him in the past two years.

As well as Wen Liangyao's character and hobbies, he likes to sit still, listen to Xing Yinuo, he also likes riding, like to go to some places that can bring inspiration to him.

As far as she knows, there are several cafes in the city center that he likes very much. If only she could meet him.

There will always be times when Xing Yinuo is not there.

As long as Xing Yinuo is away, she can take the opportunity to exchange feelings with Wen Liangyao. At this moment, Qiao Nan, in addition to wanting to play with Wen Liangyao, also really hopes to get his heart.

It's really lucky and lucky to be loved by such a warm and handsome man.

For actresses, money may not be so important, but name is the most important.

Wen Liangyao's play can make an actress red.

Early morning.

Xing Yinuo looked at it in the bathroom, looking at the mirror shamefully, and had already spent the fourth day.

There are two days left.

In the morning, Xing Yinuo received a call from Jiang LAN. Their family was going to a very famous ancient temple in the neighboring city to offer incense, which is said to be very effective.

Jiang LAN wants her to go, too.

Xing Yinuo naturally wants to invite Wen Liangyao. After listening, Wen Liangyao knows that this is their family's activity. He often goes to Xing house recently. This kind of activity is suitable for their family to participate in.

"Yinuo, you accompany your parents and they go! I'll finish the work first. " Wen Liangyao coaxed her.

"Don't you come with me?" Xing Yinuo blinked.

"Well! You accompany your family to have a good time. In the past two years, I have accompanied you to come here, but you have less time to accompany your family alone. Just in time, you accompany them this time. "

Xing Yinuo thinks about it. When she and Wen Liangyao were filming, they were almost inseparable. They didn't have their own parents.

"Well then! Maybe just two days. I'll be back in two days. " Xing Yinuo thought, anyway, she still has two days to finish. When she comes back, she can sleep with him.

Chapter 727

I'm so happy. I'm just going to spend time with my family and distract her. Two days will pass in a flash.

"All right! Then I'll go to them in a moment. "

"I'll take you home." Wen Liangyao said to her.

"Good." Xing Yinuo promised to leave at about 10 o'clock.

Wen Liangyao sent Xing Yinuo to Xing's house. He didn't go in, so he left.

Behind Wen Liangyao's car, a gray car followed him when he went out.

At this time, it is still closely followed.

Wen Liangyao takes his computer with him. He likes a place of creation. It's a garden tea restaurant in the center of the city. Here, you can relax, eat, and it's very quiet.

At the moment, Wen Liangyao went up with his computer. Behind him, a man in black lowered his hat and called Qiao Nan.

"Sister Qiao, I tracked Wen Liangyao to the garden restaurant. He was alone with the computer."

"Are you sure? Are you sure he's alone? " That end Qiao Nan really asks a way.

"I'm sure it's a man. After sending Xing YINUO home, he came here alone."

"Very good. I'll put the money on your account. You can watch it for me first. I'll come right away."

Qiao Nan didn't expect that God would give her a chance so soon. Last night, after discussing with the agent, he thought it would be better to send someone to stare at the chance.

I didn't expect the chance to come.

Qiao Nan immediately focused on dressing up at home. However, she didn't wear heavy make-up. Instead, she learned Xing YINUO's ordinary daily dress, dressed in exquisite nude makeup, and went out like a pure student.

Qiao Nan is also carrying a laptop, pretending to come here to drink tea and write lyrics. She usually writes songs.

Qiao Nan arrived in less than half an hour. It was about ten in the morning.

When Qiao Nan entered the restaurant, she looked around and saw Wen Liangyao in the corner. He just wanted a simple coffee.

At this moment, the sun shines on him, full of warmth, with the mood of autumn, the man is the prince in the fairy tale.

There is no warmer man than him.

Qiao Nan looked at him for a few seconds. She pretended to see him immediately. She walked towards Wen Liangyao with her computer.

"Mr. Wen, what a coincidence! You're here, too. " Qiao Nan said hello with a smile.

Wen Liangyao raised his eyes, saw that it was her, but also slightly surprised, "how is Miss Qiao here?"

"I've received a new play recently. The director wants me to write lyrics. I'll come here for inspiration."

"Then you are busy!" In Wen Liangyao's tone, he had the idea of being alone.

Qiao Nan chose the position next to him. She asked with a smile, "I'm sitting here. I won't disturb you!"

Even if they disturb, Wen Liangyao can't drive her away. This is a public place.

"No." He replied.

Qiao Nan then sat in the opposite position of Wen Liangyao, so as long as they looked up, they could easily look at each other.

Qiao Nan asked for coffee and dessert. At the same time, she ordered a dessert for Wen Liangyao.

When the waiter sent it, he sent another copy of wenliangyao. Wenliangyao was slightly shocked and looked up to Qiao Nan and said, "thank you."

"You're welcome." Qiao Nan naturally smiled, "I'm a good friend with Yi Nuo!"

She knows that it's impossible to approach Wen Liangyao in her own identity. She can only take out Xing YINUO's relationship, and Wen Liangyao will not refuse her approach.

Wen Liangyao continues to stare at the screen, his long fingers gently touching the sexy lemon chin.

This scene, already charming.

Qiao Nan's eyes peeped at him several times, and it was hard to hide their adoration.

Qiao Nan pretended to write and asked him, "Mr. Wen, can you ask me a historical question? Because I've made an ancient script this time, there are more poems in the lyrics, which will better match the script. "

"You ask!" Wen Liangyao nodded.

Qiao Nan immediately picked up her notebook and went to Wen Liangyao's side. She directly showed him half of the lyrics she had written. "Do you think I have any problems with these lyrics?"

Wen Liangyao squints her eyes, looks at it once, and points her out to modify two words. Qiao Nan finishes the modification. As expected, the whole lyric feels better.

"Mr. Wen, you are really good. I heard that you still have a script in your hand. Who are you going to choose as the heroine? Yesterday YINUO said "rest!" Jonan asked tentatively.

Wen Liangyao thought for a moment and said, "I'm not going to shoot for the moment."

"Your script is so good that everyone can shoot it. Are you going to spare your script? That's a pity. " Qiao Nan pretends to be merciful.

Wen Liangyao glanced at her. "Is there anything else for Miss Qiao to ask?"

Qiao Nan immediately smiled, "no more." With that, she moved her computer back to her place. She just tested it out, and Wen Liangyao didn't plan to shoot it. Did he really want to shoot all the scripts for Xing Yinuo?

This man is also persistent enough. The most important thing in the entertainment circle is the beauty. Xing Yinuo is beautiful, but she is not bad. Wen Liangyao doesn't really feel anything?

Qiao Nan thinks that there is only one way to win Wen Liangyao, that is, to let him owe her love, or to feel guilty for her.

But what can I do to make him feel guilty? Or owe her? Wen Liangyao is not short of money, resources and contacts. He doesn't need women.

Qiao Nan is biting her lip, looking at the news, she sees a news that someone has been assassinated on the street.

She immediately flashed a flash of light in her head. If Wen Liangyao was saved by her in the event of an innocent disaster, then it would be a human relationship!

Qiao Nan bit her lip. She wanted to design the plan immediately, because if Xing Yinuo was with him, she would have no chance.

Jonan got up and said, "shall I make a phone call and check the computer for me?"

Wen Liangyao nodded his head, and there would be no thief in such a place.

Qiao Nan came to the corridor outside the door and called up the man she had not left to follow and negotiated the price, which was a great success.

Just at the same time, this man knows the people who can do the case and plays a play with her.

After Qiao nanphene went down, she waited for Wen Liangyao to leave the restaurant, and met the assassin on the way, but she only had to get a little hurt to stop him. This human feeling should be enough to make Wen Liangyao grateful!

Qiao Nan sits back and finds that Wen Liangyao is serious. He ignores all the people around him. Even if she is here, he can't feel it.

I didn't even look down.

Is it true that in this world, only Xing Yinuo is a woman in his eyes and heart?

Qiao Nan didn't believe in such a firm love all the time. Now, she believes.

Chapter 728

In the dining room, Qiao Nan kept looking at the time, pretending to be busy all the time, knocking on the keyboard, but only she knew that she was just typing at random.

Her mind is not in this aspect at all. She is waiting for Wen Liangyao to leave.

Finally, after three o'clock or so, she glanced at Wen Liangyao for a moment, and his mobile phone also sounded a message.

Qiao Nan thought, does he have something to leave?

Wen Liangyao is going to leave. He is invited by a good friend and is going to get together.

Qiao Nan knows that there is an underground parking lot near here, and she's also asked. Wen Liangyao's car is in the underground parking lot.

When Qiao Nan saw the way he was going, she immediately looked at her wristwatch and got up in a hurry.

"Are you leaving, Mr. Wen?" Qiao Nan asked immediately.

"Well!"

"I almost forgot just now. I think I have another appointment around 4 o'clock. Could you take me to the gate of the nearby shopping mall? I didn't drive today." Qiao Nan put forward an excuse that Wen Liangyao could not refuse, and would never bother him too much.

As a friend of Xing Yinuo, she felt that Wen Liangyao should not refuse such a request.

It's not so simple to be Xing Yinuo's friend. After Qiao Nan saved Xing Yinuo for the first time, she knew that she had to make use of this relationship. She spent two years, caring for Xing Yinuo in the group drama without asking for return.

She did it and made Xing Yinuo believe that she was such a straightforward and kind sister.

Now, it's the fruit of management. It's harvest time.

Wen Liangyao thought for a moment and said, "OK, my car is in the underground parking lot."

"Yes, thank you." Qiao Nan immediately picked up the computer and followed him.

Qiao Nan saw his own people at the entrance of the elevator to see them, and then went down first.

She knew that the plan had been carried out and that she would soon be able to play a play to save people.

In fact, she doesn't need to do anything, she just needs to block a knife for Wen Liangyao. At this time, she doesn't care that she will get hurt at all. Compared with the physical injury, the mental injury is the most important.

"Why don't you see a promise, Mr. Wen?" Qiao Nan is chatting with the topic.

"She went on a short trip with her family." Wen Liangyao replied.

"Then why didn't you go with her! You know what? You're the sweetest couple I've ever met. She really loves you Qiao Nan is trying to say what Wen Liangyao likes to hear.

This sentence is really what Wen Liangyao loves to hear.

"Everyone in our previous crew envied you!

"Is it?" Wen Liangyao replied.

"Of course, one of you is talented, one of you has acting skills, and you are a perfect match."

Just then, I saw three men step down suddenly in the black business car, one of whom was holding a knife and said to them, "rob, take out all your valuable things."

Qiao Nan was shocked. Looking at the presence of her servant Huo, she was relieved. But she pretended to be scared and panic, and went to Wen Liangyao's side.

Wen Liangyao's eyes sank and said coldly, "in broad daylight, you are too bold."

"Hurry up, or I will give you some blood."

"What are you doing? Please don't hurt us. " Qiao Nan immediately bravely shouted at them.

"What? Hand over your wallet and watch. Hurry up, even your computer. "

Wen Liangyao's hand tightly holds his computer bag, which is the new script he just conceived today. He hasn't had time to archive it yet, so it can't be stolen.

This happened to be noticed by Qiao Nan. She felt that Wen Liangyao's body was a little tense when she was carrying the computer.

Her eyes beckoned to her servant Huo's hands, and her fingers secretly pointed to Wen Liangyao's computer.

At this time, these three men really began to grab Wen Liangyao's computer bag.

Wen Liangyao pushes them open, clasps Qiao Nan's wrist, "hurry up."

"It's not so easy to go," said the three men. Wen Liangyao pushed the computer bag into Qiao Nan's arms. "Take care of it for me and run forward."

"No, I can't leave you." How can Qiao Nan leave? She will let Wen Liangyao owe her.

At this time, her subordinates immediately cut Wen Liangyao with a knife as soon as they looked at her, and Qiao Nan immediately reached for a block, and the subordinates made a stroke on her arm.

Qiao Nan immediately hugged the computer bag and said to Wen Liangyao, "go quickly."

At this time, someone's car happened to pass by, and the actors left the stage quickly, pretended to be scared and got into the business car, and immediately rushed out.

Wen Liangyao reaches out and holds Qiao Nan, watching the blood flow out of her covered arm. He frowned. "You're hurt. I'll take you to the hospital." "Mr. Wen, your computer! I know it's very important for you. You can rest assured that I will protect her even if I die hard. " Qiao Nan finished, pretending that the whole person was a little dizzy.

Wen Liangyao immediately supported her. "I'll take you to the hospital."

He helped Qiao Nan into his back seat. Wen Liangyao took her and immediately went to the nearby hospital.

Qiao Nan's arm cut a long knife edge. The doctor sewed seven stitches for her. Qiao Nan looked at the wound that may leave a scar. She only hoped that the knife would be worth it.

Wen Liangyao is sitting in the corridor, making a phone call to call the police to deal with the matter just now. For him, even if they didn't hurt him, they would certainly make trouble, hoping to let the police deal with it.

Wen Liangyao looked at Qiao Nan, who was bandaging his arms, and went to thank him. "Thank you for coming forward to save me just now."

That knife was originally scratched on Wen Liangyao's body. She blocked it.

"It's a subconscious instinct. I didn't think much about it when I saw that knife was going to scratch you."

"Don't be such a fool in the future. In such a case, you just need to ensure your own safety." Wen Liangyao said to her.

Jonan shook his head. "You are one of Enoch's favorite people. I can't watch you hurt!"

When Wen Liangyao saw that something had happened, he said in a voice, "go back and have a good rest. For the moment, don't take any more activities. Keep the injury well."

"Thank you, Mr. Wen." Qiao Nan finish saying, turn around to let oneself radiate a kind of lonely shadow all over intentionally.

"I'll take you back." Wen Liangyao is behind her. According to the fact that she was injured this time because of saving him, he can't let her go back alone.

"Thank you." Qiao Nan is still happy.

On the way to send her back, Qiao Nan asked again. When she heard that Wen Liangyao was writing a new script, her heart beat twice.

Chapter 729

Now, a very good script, really hard to find, if she can shoot the script of Wen Liangyao, it will really be popular.

Qiao Nan is not in a hurry now. She knows that she can't make excessive demands. She must accumulate these human feelings first, and then she can be more confident when she opens her mouth.

When Qiao Nan returned home, she immediately called her subordinates to let them go as far as they could. At the same time, she also transferred the settlement salary to them.

Although it cost a million dollars, Qiao Nan believes that he can earn ten times and a hundred times more.

Although Wen Liangyao asked the police to come forward, the car was a suit car, and the perpetrators were very cunning. It may take some time to find it.

But through face recognition, they found that one of them was at large, so this case will be closely followed.

The next morning.

In the neighboring city, in an ancient temple with strong fragrance and fire, people from Xing family came here to burn incense and worship Buddha early in the morning. Now Jiang LAN is also old, so he is very faithful to the god Buddha and seeks peace of mind.

This kind of thing, women do better, so, Jiang LAN with Tang Siyu and Xing Yinuo went in.

Beside the temple there is an antique garden. At this moment, Xing lie and his little daughter and son are here to see the goldfish.

Little guy usually has this kind of activity. At this moment, he is so happy that he can jump and walk around all the time.

Xing Yixi's Avatar looks at the baby's little expert. Wherever his sister goes, he goes quickly. He thinks of anything dangerous at the first time.

Xing liehan's eyes can't leave her daughter for a moment. She looks at her daughter, who is wearing a small pink sports suit, wearing a ponytail and running around. She is very cute.

"Don't get close, it's dangerous here." Xing Yixi stopped her from looking at the fish too close.

The little guy is smart. He's drilling here and there, which makes her brother sweat.

"Dad, what to do!" When Xing Yixi grew up, he stopped calling daddy, and changed his name to Daddy.

Xing lie steps forward, grabs the little guy and holds him in his arms. "Daddy is holding you."

Little guy in daddy's arms and restless, two short hands lying on the stone fence, looking at the goldfish, happy.

Xing Yixi is carrying a kettle on his back. He poured a cup of lukewarm boiled water and gave it to the little guy to drink.

The father and son walked along and saw a little dog coming out. The little guy wanted to catch up with him excitedly. The little dog was scared and quickly turned back and stared.

Xing liehan's heart strings tightened immediately. Almost immediately, he fished up his daughter. The little guy didn't know how to be afraid. He shouted, "dog..."

The father and son take the baby, not lose at all careful woman, the little guy looked closely.

However, they also underestimated the energy of a little guy. She can move, walk and run all the time.

As if he had ADHD, Xing Yixi didn't have his sister's physical strength. He was often tired and wiped sweat on the side.

However, when the little guy was tired of playing, he asked his father to hold her. Xing liehan just picked her up, and the little guy slept in his arms for a second. His face was red and he slept hard.

Xing lie lowers his head, kisses his daughter's little face and hugs them to find Tang Siyu.

Jiang LAN comes out with Tang Siyu. Xing Zhengting is under a banyan tree. He looks at some old people playing chess. He is also very serious.

As soon as Tang Siyu came out, he saw Xing lie holding the sleeping boy in his arms in the corridor next to him. She smiled to meet him. "How can I fall asleep?"

"Mom, you don't know how much my sister can run. My legs are almost broken." Although Xing Yixi is complaining, he looks at his sister in the eyes and dotes on her.

Tang Siyu fondled his little head, "son, it's hard."

Tang Siyu said to Xing liehan, "do you want me to hold it? Will you be tired? "

"How can such a small guy get tired?" Xing liehan said, and gently wiped her daughter's sweaty forehead. "

Tang Siyu carefully wiped it with a tissue.

Xing Yinuo walked over with his mother. The family came out and walked around like this. The atmosphere was very good.

Now here, Xing Yifan is the only one missing. Xing Yifan is now abroad, busy with his affairs, and will not return to China in a short time.

The family took a walk on the mountain and then came back. They could go home later.

Xing Yinuo and Wen Liangyao have been separated for a day, but her mind is already tight. She wants to go back to him immediately.

Moreover, she also asked for marriage this time and signed it, which was very smooth.

Even Jiang LAN is happy for her. My daughter's marriage is really good!

Xing Yinuo's hand also asked for a string of open light men's hand strings, which she wanted to give him.

In the luxury business car, Xing liehan's baby in his arms has woken up. He is making a noise and refuses to make a children's seat. Xing liehan is gently coaxing, so he reaches out and hugs him in his arms. He asked the team to slow down, to absolutely ensure the safety of their families.

Back to a city, it was about 8 p.m., Xing Yinuo took a special car to Wen Liangyao's home.

Jiang LAN doesn't care about her now. She can't control her daughter when she is older!

Xing Yinuo arrives at wenliangyao's apartment downstairs and looks at his house with the light on. She is secretly pleased. On the way, she doesn't tell him that she wants to come back. So, she can give him a little surprise.

Xing YINUO's elevator went all the way up to Wen LIANGYAO's door. She reached out and rang the doorbell.

The door soon opened. Xing YINUO, with a smile like the first quarter moon, looked at the surprised man. "I'm back."

Wen LIANGYAO is really surprised. He reaches out and leads her in.

"Why don't you tell me in advance?"

"I want to give you a surprise!" Xing YINUO said, and put his hand around his neck. "Miss me?"

"What do you say?" Wen LIANGYAO gently covers her pretty face.

"I asked for our marriage and signed. I also asked for an open hand string. Although it's not expensive, you have to accept it!"

"OK, here you are." Wen LIANGYAO asked with a smile.

Xing YINUO took out red sandalwood bracelet and put it on his wrist, which is very suitable for him.

Wen LIANGYAO looked down and said, "later, I will take it everyday."

Xing YINUO put a smile around his neck and put it on his chest

Wen LIANGYAO's eyes showed expectation, "what's the surprise? "

" me! I am the second surprise. " Xing YINUO was afraid that he didn't understand. He immediately said shyly, "my physiological period has passed."

The eyes of Wen LIANGYAO are thick and dark.

Chapter 730

"A few days?" Wen Liangyao asked in a low voice.

"Six days." Xing Yinuo is honest.

"No, it's easy to get hurt like this." In Wen Liangyao's eyes, there are more worries and heartaches for her.

Xing Yinuo's pretty face is red, and he is bashfully biting his red lips. "Are you rejecting me?"

Wen Liangyao sighed. He endured more than she did. He believed that even if she lost her memory, he would have endured it before she understood.

"I'm just thinking about your body." Wen Liangyao said, and gently took her, "take a bath and have a good rest."

Xing Yinuo also felt that he was really caring for her. Indeed, she was very nervous now. She felt a little uncomfortable and more scared when she just left.

"Well!" Xing Yinuo nodded obediently and went to the direction of the sofa.

Wen Liangyao didn't plan to tell her about yesterday's near accident with Qiao Nan. Qiao Nan's injury is not serious. It's good to have a rest for a while.

However, if Wen Liangyao doesn't say it, it doesn't mean Qiao Nan doesn't.

Xing Yinuo took a bath and sat on the sofa in comfortable pajamas to surf the Internet. At this time, Qiao Nan sent a message to her on her chat software.

"Yinuo, what are you doing? Are you back? "

Xing Yinuo is stunned. How does Qiao Nan know that she is out of the market?

"Come back, how do you know I went out to play?" Xing Yinuo asked curiously.

"At noon yesterday, I went to the garden restaurant to write lyrics. It was nice to meet Mr. Wen before I knew that you had a good time with your family."

Xing YINUO understood this. She replied, "have a good time."

"That's good. Did Mr. Wen tell you that we were almost in danger?"

"What? Are you in danger? " Xing YINUO quickly sent a message, "what's the matter?"

"We were robbed in the garage. Those people almost robbed Mr. Wen's computer. I was accidentally scratched on my arm. Fortunately, Mr. Wen is OK."

"You got a scratch? Is it serious? " Xing YINUO couldn't help worrying about her.

Qiao Nan sent a smiling face, "it's not serious, it's already bandaged."

Just then, Xing YINUO looks at Wen LIANGYAO coming out of the bathroom. She turns her head and asks, "did you and Qiao Nan run into danger yesterday? Why don't you tell me. "

Wen LIANGYAO is slightly shocked. Did Qiao Nan tell her?

"When I met several robbers asking for money, Qiao Nan stopped me and hurt my arm." Wen LIANGYAO said to her.

"Is Qiao Nan hurt to save you? Who hurt you? " Xing YINUO is surprised and grateful to Qiao Nan.

Wen LIANGYAO came to her and sat down. "These people are all fugitives. They are probably short of money. They want to grab some money in the garage."

"I'm going to see Qiao Nan tomorrow. She just said in the message that the injury is not serious."

"You can leave scars!" Wen LIANGYAO replied, frowning.

"I have to thank her tomorrow. If it wasn't for her, it might be you." Xing YINUO reached for him, his heart filled with worry.

"Well, go and see her tomorrow!" Wen LIANGYAO knows that she has a good relationship with Qiao Nan.

Early morning.

Xing YINUO decides to go to see Qiao Nan. Wen LIANGYAO doesn't go with her, but lets her two assistants go with her.

Xing YINUO came to Qiao Nan's residence. Qiao Nan also received Xing YINUO's phone call in the morning. She would come to see her. Qiao Nan has prepared fruit snacks for her.

Xing YINUO brought a gift and the best scar removing medicine.

Looking at the gauze wrapped on Qiao Nan's wrist, she couldn't help worrying for her. "If you leave scars in the future, wearing a dress and skirt may have an impact."

"It's OK. I don't have any important occasion to go anyway." Qiao Nan made a look of indifference.

This is the character she played in Xing YINUO for two years, like a person who doesn't care about fame and wealth.

Xing YINUO immediately retorted, "who said, if you win the prize later, you must wear a tuxedo!"

"What can I win? I'll do it now! You don't make a movie again. If you do a movie, I can play a supporting role in your movie. Now, if you don't make a movie, I have no resources. " Qiao Nan pretends to be pitiful in front of her. She thinks, will Xing YINUO be kind enough to shoot Wen LIANGYAO's play for her?

However, Xing YINUO did not think of this layer, she comforted, "you can rest assured! Although I don't make any more films, if I have good resources, I will pay attention to them for you. "

Qiao Nan's heart can't help laughing at himself. Xing Yinuo certainly won't give up. Let's shoot Wen Liangyao's script for others!

"OK, thank you for your promise. It's very kind of you. "

"I should thank you. You saved Liang Yao. If it wasn't for you, he would be hurt."

"It's all right! She's your boyfriend and I'm your friend. I'm sure I'll do it in such an emergency. " Qiao Nan said, and asked her, "are you really not going to make a movie?" "Well! I'm going to get married first. " Xing Yinuo chuckled. "I can't let him wait for me anymore. He has been waiting for me for a long time."

"I envy you." Qiao Nan said with a blessing on her face,

Xing Yinuo also felt happy. They talked for a while. Xing Yinuo received a call from her family and asked her to go home for lunch. Xing Yinuo left first. After Qiao Nan sent Xing Yinuo away, she breathed a sigh. Now, Wen Liangyao and Xing Yinuo owe her for this injury.

However, she felt that no matter how hard she sold, Xing Yinuo would not shoot Wen Liangyao's play for her.

So, she has to continue to think of a way, which is the last way for her to bet.

That is to have a one night stand with Wen Liangyao. At that time, she can play Wen Liangyao's script as long as she catches hold of it.

She will be red and purple, when the time comes, she can have everything she wants, money, there will be her love.

Her only ambition now is not to get Wen Liangyao. She knows that even if the world is destroyed, Wen Liangyao still loves Xing Yinuo.

She only needs chance, only the script of Wen Liangyao.

Now, as long as she finds an opportunity to get close to Wen Liangyao, she will definitely find this opportunity.

When Xing Yinuo hurried home, he found that all the people of Wen family had come and the whole family was very busy.

Wen Liangyao is playing football with a few children. Xing Yixi, Wen Yimo and Xing Yutian are three young people separated by each other. They have a good time.

Wen Liangyao kicked the ball to Xing Yixi and walked towards Xing Yinuo.

At this time, Xing Yinuo was very happy to call people, "uncle, aunt."

Xing Yinuo's pretty face turned red. Wen Yimo even called her aunt.
