

U. CEO Daddy 731

Chapter 731

"Ah! Be good. " Xing Yinuo reached out and stroked his little head.

Wen Liangyao chuckled, "I taught him."

"Not yet!" Xing Yinuo laughed.

"Soon." Wen Liangyao said confidently.

"Auntie..." Xing Yutian's little hand came over, and her tender voice was very cute.

Xing Yinuo reaches for her niece and looks at her beautiful face. She can't help kissing again. "Tian Tian, come on, I'll tell you! This is called the uncle. "

Xiaotiantian blinked her eyes immediately. Some of her mispronounced words made wenliangyao smile. Xing Yinuo also giggled and continued to guide her niece to call him.

The garden is full of laughter. On the balcony on the second floor, Tang Siyu and Suxi are chatting. Suxi, who is about to give birth, looks very good and has a delicate and ruddy face.

Before, two people were still talking about the topic of girls. Now, together, there is only the topic of children. Moreover, the eyes are full of pride and joy as mothers.

"My sister said that she didn't see you for a long time when she had time to get together."

"Sister Qin should be very busy recently!"

"She's on vacation with my brother-in-law now, and the whole family has gone." Suzy envied, "I can't go anywhere now. I want to go too!" Su Xi finished, sighed, "my brother-in-law was busy, but now he's relaxed."

Tang Siyu smiled, "yes! When a vice president is promoted, he should share some of his responsibilities. "

"I heard my sister say that because my brother-in-law was married to my sister and my parents' family background was not big enough, some people took the opportunity to elect a vice president. My brother-in-law, under pressure, relaxed and agreed to come down."

"I read the news report of the past year. This vice president is also a very capable person. It's not bad that he is so young and has such ability."

"I'm only twenty-eight. I'm a little younger." Suxi nodded, put away the thought of talking about this topic, and looked at the white, white, tender, Princess Dress little guy on the grass. She envied, "I really want to give birth to this in my stomach soon. I can't wait to buy her a beautiful princess dress."

Tang Siyu couldn't help laughing, "that's right! The happiest thing for me now is to go shopping and buy clothes for Tian Tian. Looking at those pink and tender clothes, my heart will melt. "

"Fortunately, I'm going to have a daughter." Susie was immediately overjoyed.

"However, the little guy is still too tossable, especially sticky and cold. He sticks to him all day long, so it's called intimacy."

"Really? It's great that my daughter sticks to her father. My family can enjoy this treatment in the future. " Suzy finished, and began to snort.

At lunchtime, the two elders began to discuss their marriage to Xing Yinuo.

Since Xing Yinuo has decided to take a two-year break, they can also take the opportunity to get married.

"If we don't hurry, let's make it in two months! In this way, we can be busy with the wedding now, and we won't be too busy. " Jiang LAN suggested.

This proposal, everyone agrees, must have their wedding can be more leisurely.

Xing Yinuo and Wen Liangyao have no opinions. Now their life style is no different from their married life.

"Mom, give me the Hukou book. We'll choose a good day recently and get the marriage certificate." Xing Yinuo said to his mother.

Jiang LAN smiled and nodded, "OK, I'll give it to you when you leave."

Wen Liangyao's eyes gazed at her tenderly, and the man next to her said, "Liang Yao, I'll go home and get it later."

"Good." Wen Liangyao nodded.

After dinner, the two families get together again. Wen Liangyao and Xing Yinuo watch the children for them.

In addition to a Yiya is still learning language Xing Yutian, has been making a fuss to hold, the other two little boys can play together.

They had dinner at xingzhai all the time before leaving. Wen Liangyao accompanied xingyinuo home.

Xing Yinuo is checking the auspicious day with his mobile phone and is ready to go to get the certificate with him.

"This Friday is a good day, let's choose it!" Xing Yinuo said to the man driving.

Wen Liangyao nodded his head without any comments. "Well."

"All of a sudden, I want to drink milk tea and have some baked sweet potatoes." Xing Yinuo suddenly slandered.

"The one at the school gate?" Wen Liangyao knows that her favorite food is that one.

"Well! Go there! " Xing YINUO squints and smiles.

Wen Liangyao's car immediately turned to a baked potato shop next to her high school.

The car stopped nearby, Xing YINUO glanced at it, only to see that there were so many people in the store waiting in line.

She looked at the line and frowned, "line up! Otherwise, don't buy it. "Wen Liangyao knew that she really wanted to eat, and he said to her, "you listen to nursery rhymes in the car, play games, and I'll line up."

Xing YINUO immediately looked at him with emotion. Wen Liangyao pushed the door out and went to line up.

Xing YINUO looks at the man standing in the crowd through the window. He is slender and handsome. He doesn't seem to appear in such a small shop at all.

But now he is willing to wait patiently in the line for her.

Xing YINUO didn't want to play any games at all. She wanted to look at him like this, and her heart was filled with emotion.

It took nearly 15 minutes for Wen Liangyao to come back and buy milk tea she liked.

At home, Xing YINUO starts eating at home. Wen Liangyao sits beside her and is still working.

From time to time, he looks at her with a smile in his eyes, and Xing YINUO hands her to him again to give him a bite.

"I think we will have a boy or a girl for the first time in the future!" Xing YINUO has thought about the future.

"I hope it's a daughter." Replied Wen Liangyao.

"Why?"

"My daughter is lovely, clingy and sweet."

Xing Yinuo thinks it's good to think about it, but she turns to think about it, props up her chin, looks at him seriously and asks, "when do we start?"

Wen Liangyao's eyes looked over, and Xing Yinuo immediately raised his eyebrows and said, "it's been seven days, can't wait?"

Wen Liangyao really has an impulse to sulk, "no, wait another two days."

"Wait!" Xing Yinuo is so depressed!

"Well! Wait another two days, you're finished. You haven't recovered. " Wen Liangyao's serious persuasion is really for her body's sake.

Xing Yinuo puffed his cheeks, then he smoked milk tea and looked at him.

Wen Liangyao is writing a script. Looking at a pure face opposite and Xing Yinuo's sucking straw, he can't help the plot in his mind.

There was no thought at all. His eyes were all on the girl.

If he can, he really can't bear it tonight.

Chapter 732

Xing Yinuo has set a date for the shooting of an advertisement, which is about to start shooting in these two days.

is an advertisement of perfume, and the route that the advertisement takes is the high-end atmosphere and the luxurious direction of quality.

So, Xing Yinuo is so young that he can get this advertisement, which is also very good.

Two days later, Wen Liangyao accompanied her to the advertising studio.

The very atmospheric background shed, Xing YINUO needs to wear a gold long dress this time, which is full of luxury and dazzling atmosphere. Moreover, her back design is very charming and sexy.

Xing YINUO has no idea. She must be an actress. She is ready for this.

It's just that Wen Liangyao is not very happy. However, Xing YINUO likes this evening dress very much. With her long hair covering half of her back, Wen Liangyao can bear it.

Xing YINUO, as an angel, is attracted by the fragrance of the world and shows a pair of angel like white wings. Therefore, Xing YINUO is going to shoot in Weiya this time.

However, it was no longer difficult for her.

When Xing YINUO put on a pair of real feathers that are very lifelike and light, as well as a picture of flying off in a sexy and charming golden silk evening dress, it was really beautiful and atmospheric.

Her make-up this time, is also very with a three-dimensional European and American style, a change of the ordinary pure wind, gorgeous show.

Wen Liangyao stood by and watched. His eyes had not moved away from her for a long time.

Xing YINUO is communicating with the director. The director is a very well-known foreign director. Xing YINUO confidently communicates with him and shows her excellent coping ability.

Wen Liangyao is on the side, only feeling a kind of pride. Xing YINUO can deal with these calmly. He has made great contributions.

Xing YINUO finally finished all the shots in the early stage smoothly. Next, he waited for the editing to see the final advertising effect.

After leaving the studio, Xing Yinuo went back to her studio. Today, a makeup artist who worked for her celebrated her birthday.

Xing Yinuo specially ordered a big cake and prepared a birthday present for him.

On both sides of Xing Yinuo, there is a very excellent team around her. As the boss, Xing Yinuo takes good care of her subordinates and makes them work for her wholeheartedly.

After attending the employee's birthday party, it's evening again when I get home.

Xing Yinuo said that although she had a rest, she didn't come so soon because of the nature of her work and wanted to have a real rest.

But tomorrow is the time for them to get the certificate.

In the evening, Qiao Nan sends a message and Xing Yinuo talks about her injury.

Qiao Nan sent a picture after removing the thread. The knife was really deep. Xing Yinuo looked at the picture and felt pain.

"Sister Nan, you must have a good rest."

"Yinuo, can you come to see me tomorrow? I'm bored recently. I want to talk to a friend. "

"Tomorrow? OK, I'll see you this afternoon. " Xing Yinuo agreed.

"Tomorrow afternoon, I may go to see sister Nan. Her wound has been removed. It's very serious." Xing Yinuo said to Wen Liangyao.

"Good! Go and see her! I'll have dinner with the director tomorrow night. I'll ask sister yang to pick you up tomorrow. "

"Well!" Xing Yinuo nodded. She didn't like to participate in his social activities.

Wen Liangyao also knew that she didn't like to participate in these things, so she didn't invite her to go with her.

Xing Yinuo looks at his white shirt today. The white shirt is a little obvious, which highlights the chest muscles of his upper body. She immediately bites her red lips and smiles vaguely.

"You said, in two days! Now, it's two days. " Xing Yinuo holds his chin and looks at him with the expression of a little slander cat.

Wen Liangyao smiled silently, showing a neat row of teeth. Under the light, his smile was dazzling.

"What are you laughing at?" Xing Yinuo looks at him with some shame.

Wen Liangyao seriously thought for a while, his eyes were deep and charming. "Tomorrow is our first night to get the license."

Xing Yinuo could not help but be seen blushing and heartbeat by him, she swallowed saliva, "OK! Tomorrow, no more delay. "

Wen Liangyao sighed at the bottom of his heart. What's wrong with him? Obviously he can have her at any time, but the girl in his heart has become sacred.

He didn't want to waste a good night on these ordinary days.

So, tomorrow, tomorrow, he will be able to withdraw the bottom of her, so that his patience in these years, draw a perfect end.

Wen Liangyao reached for her arms, bent down, kissed her in her hair. Tomorrow, they will be the other half of each other.

In the morning, Xing Yinuo didn't sleep at all. She opened her eyes and looked at the time. It was only 7:30!

Xing Yinuo immediately lifts the quilt and gets out of bed. Wearing only one set of underwear, she runs into Wen Liangyao's room. She immediately mischievously lifts the quilt and gets into it. Wen Liangyao woke up immediately. He put his arm around her and pressed her tightly in his arms.

"Can't sleep?"

Xing Yinuo raised a small face from his arms. "Today is the day to get the certificate. I'm too excited to sleep."

Wen Liangyao gently wrapped her face. "OK, then go to the Civil Affairs Bureau early."

"Well, get up!" With that, Xing Yinuo lifted his quilt.

Wen Liangyao immediately wants to take back the quilt, but Xing Yinuo's big eyes still see it, and she immediately covers her face with shame.

"How can that be?" With that, she got out of bed and went out.

Wen Liangyao is helpless and funny.

After changing clothes and going out, Xing Yinuo and he put on a couple's shirt. In this way, when taking photos, they will look very well matched.

Xing Yinuo's two assistants also arrived. Xing Yinuo wore a mask and showed a pair of clear water eyes. Even if he only looked at these eyes, he was very surprised. The Civil Affairs Bureau is also very crowded in the morning. Xing Yinuo and Wen Liangyao are very low-key.

Just when taking photos, Xing Yinuo took off her mask, which made her little sister crazy. She was so excited that she immediately took a piece of paper and asked for Xing Yinuo's signature.

She took very beautiful pictures for them. Sure enough, she couldn't help but hold a piece of paper excitedly and said to Xing Yinuo, "Miss Xing, can you sign for me? I love you so much. "

"Yes!" Xing Yinuo laughed.

When filling in the information, the talents of the whole Civil Affairs Bureau spread to each other. Everyone came to see her while working. Xing YINUO and Wen LIANGYAO cooperated very much to complete all the signatures and waited beside.

Chapter 733

An excited employee is very honored to send a pair of red books to them.

"Congratulations, Mr. Wen and miss Xing. I wish you a long and happy life."

"Thank you." Xing YINUO took over the red book, picked it up and smiled at the man beside him.
"OK."

"Then let's go!" Wen LIANGYAO led her out, and several female employees came to see her.

Xing YINUO is a goddess now.

Xing YINUO and Wen LIANGYAO had lunch. Xing YINUO was going to see QIAO NAN.

The baomu car sent her downstairs to QIAO NAN, and Xing YINUO went up with the fruit. Wen LIANGYAO left two assistants, and he asked a familiar director to talk about things.

QIAO NAN opened the door and saw Xing YINUO coming. She was very happy immediately.

"Yes, you have come at last." JOANAN took her hand.

Xing YINUO looked at the bandaged wound on her arm and said, "when can the doctor say it will be ok?"

"The doctor said it would take about half a year! Half a year later, we can use scar medicine." QIAO NAN said, pretending to be nothing. "It's OK, I'm not worried at all."

"Eh! Is Mr. Wen not with you? "

"He went to talk with Director LIU." Xing YINUO said something casually.

Qiao Nan's eyes flashed with joy. Did Wen Liangyao's script plan to guide Liu?

So, even if Xing Yinuo is not the heroine, his script will start shooting? Qiao Nan's heart was filled with anxiety, so she had to get the chance quickly.

"Then when will you and Mr. Wen get married? Have you fixed the date yet? I can't wait to have your wedding wine. "

"We went to get the license today. The date of marriage is set to be two months later." Xing Yinuo has nothing to hide from her.

"Really, you got it? Then you are husband and wife. "

Xing Yinuo listened to the two words of husband and wife, with a sweet smile on his lips! Yes, I'm married. "

"I'm so happy. I'm going to be jealous." Half of Qiao Nan's tone really shows her inner thoughts.

She was really jealous.

Xing Yinuo comforted her and said, "don't be jealous of me, you are so excellent, and you will soon meet your partner."

"I really don't have this plan. I'm not like you. I've got a childhood sweetheart. What kind of true love do we have in this business?" Qiao Nan said and sighed.

What did Xing Yinuo think of? He immediately took out a ointment from his bag and gave it to her. "This is what I found specially for you. It's said that it has a miraculous effect. When your injury gets better, you will fade the spots."

"Thank you for your promise." Qiao Nan chuckled.

At this time, Xing Yinuo's mobile phone came with information. She took a look at it. It was some advertising messages. She put the mobile phone beside her and stood up and said, "I'll go to the bathroom."

"Good! Go! " Joanan nodded.

When Xing Yinuo got up, Qiao Nan's eyes flashed over the plan. If Wen Liangyao meets director Liu today, she will decide the role. She has no time to hesitate, and she must fight for it immediately.

What can we do? Qiao Nan's eyes immediately looked at Xing Yinuo's mobile phone, turned to the bathroom, Qiao Nan's hands trembled, and quickly picked up Xing Yinuo's mobile phone.

The mobile phone has a password. Qiao Nan knows Xing Yinuo very well. She tried Xing Yinuo's birthday again. It didn't work. She immediately thought of Wen Liangyao's, and she tried again.

It did.

Qiao Nan finds Wen Liangyao's message. In a hurry, she immediately edits a message.

"Honey, I'd like to meet you at Peninsula Hotel at 3pm."

After the hair, Qiao Nan only felt that she was very short of breath.

"What's the matter?" That end will be back soon.

Qiao Nan felt that her hands were shaking, and hurriedly replied, "I miss you, I want to come!"

Back to the end.

Xing Yinuo comes out from the bathroom. Qiao Nan presses her cell phone into mute mode and quickly puts it on the desktop.

"Yinuo, I'd like to ask you to help me. I've written some songs. Can you read them for me?"

Xing Yinuo nodded, "OK!"

"In the computer in the room, you must show it to me. I think it's very bad." Qiao Nan pleaded and led Xing Yinuo into her room.

She turned on the computer, turned out the lyrics she had written, and said to Xing Yinuo, "look for me, I'll make you a cup of tea."

"I will! You hurt your hand. "

"It's OK. This is my home. How could you make tea?" Qiao Nan smiled and pressed her to sit down, and she came out.

As soon as she came out, she went straight to Xing Yinuo's mobile phone and opened it. As expected, Wen Liangyao's phone came in.

Qiao Nan gnawed her teeth, deleted the call record and the information. As long as she was holding Xing Yinuo's mobile phone, Wen Liangyao would surely arrive at the hotel at three o'clock. Because Xing Yinuo doesn't answer his phone, he will be very worried.

Qiao Nan makes a cup of tea and Xing Yinuo has checked it and thinks that she writes very well.

But Qiao Nan still pesters her, saying it's not good here and it's not good there. I hope Xing Yinuo will think for her again, and Xing Yinuo will naturally help to think for her.

Time unconsciously arrived at 2:30, Qiao Nan could not help but a little anxious way, "a promise, I think there is a film about 3:00, I have to rush past."

"Really? Then I won't disturb you. Go quickly! " Xing Yinuo said to her, for the artists, it is a very important thing.

"I'm sorry, then I won't keep you." With Qiao Nan finished, he handed Xing Yinuo's bag to her. "Is your babysitter nearby?"

"Well! Yes, don't worry. Where are you going? Do you want to take you there? "

"No, I'll drive out too. Where are you going in a moment?"

"Well! Maybe go to the shopping mall nearby and buy some flowers! " Xing YINUO wants to be warm when she thinks about the evening.

"Well, then you go! Goodbye. " When Qiao Nan finished, he waved to her.

Xing YINUO walks to her baobab car.

Qiao Nan immediately takes out Xing YINUO's mobile phone and sends her room number just reserved to Wen Liangyao's mobile phone.

After the delivery, she immediately got into the car and rushed to the peninsula hotel. She couldn't wait for a moment.

Although she also wants to wait, Wen Liangyao meets a director, which means that his script is about to start shooting, and she must strive for the role as soon as possible.

She's a little out of her mind at the moment. She just wants this role.

She ignored all other consequences. Even if she offended Wen Liangyao and hurt Xing YINUO, she would be red.

After receiving the information from Xing YINUO, Wen Liangyao called Xing YINUO but didn't answer it. He was worried. Just in time, he was drinking afternoon tea near the hotel. Looking at the room number, he couldn't help thinking, did the girl decide to make the first reservation in the hotel?

Chapter 734

Wen Liangyao was still very worried because he couldn't get through to Xing YINUO's phone.

He made a speech with Director Liu. He came out of the tea restaurant first. He went to the garage and drove towards the hotel.

At the moment, Qiao Nan is also coming towards the direction of the hotel. While waiting for a traffic light, her mobile phone rings. She takes a look and immediately picks up, "Hello, Li Chao, what's up?"

"Sister Nan, I'm a little nervous. Can you lend me some money?" The tone of the man at that end is a bit fluid.

"Qiao Nan is angry immediately way," I didn't give you a million last time? You don't have enough?"

"How many of us can spend that one million? Moreover, in order to see off those people, they take the big head, I just take a small head. I have no money to use! "

"Come on, I don't have time for you now."

"Sister Nan, it's not good! Don't forget, I played that play with you. I've inquired about it. That man's name is Wen Liangyao! "

Qiao Nan's face changed. Unexpectedly, Li Chao threatened her with this incident.

"Well, how much do you want?"

"Not much, half a million!"

"How can I have so much money?"

"You must have."

"Where are you now?"

"I'll be right behind your car!" Li Chao's voice came.

Qiao Nan immediately took a look in the rearview mirror. It was Li Chao's business car, and she stared angrily.

Now she just wants to get rid of this Li Chao in a hurry. Don't spoil her today's business. She has managed to plan this business. There must be no mistake.

At this time, it's about a kilometer away from the hotel. Qiao Nan immediately drives into the hotel, and Li Chao stops behind and walks towards her car.

In Qiao Nan's bag, there was a half million card, some of which were put into Li Chao's hands with extreme reluctance. "I warn you, this is the last time. In the future, don't appear in front of me again."

Li Chao took the card. "What about the password?"

"I'll send it to your cell phone later."

"Don't play with me, sister Nan! I will always think of you. "

Qiao Nan just feels sick. Don't open her face.

In a black car nearby, the windows are tightly closed. Sitting in the driver's seat, Wen Liangyao is staring at the opposite pair of talking men and women.

Qiao Nan was the female, which surprised him a little. But the man, Wen Liangyao, looked at it more than once, and felt as if he had seen the face somewhere.

Wen Liangyao was originally a man with strong memory. His eyes sank slightly. Isn't this man one of the robbers in the underground garage last time?

Moreover, it was the man who took out a knife and cut Qiao Nan's arm.

At the moment, how can joanan be with him? Besides, she just gave this man a card?

Wen Liangyao's eyes sank. At this time, Qiao Nan handed in the card and hurried into the hotel hall.

Wen Liangyao picked up his mobile phone and photographed the man and his license plate number.

In his heart, some things have been understood, but what puzzled him is that Qiao Nan's real side, she is like a big sister in front of Yinuo, and behind her, she even uses such a plan.

What is her real purpose? Wen Liangyao squints his eyes. At the moment, he doesn't think so much.

He urgently needs to find Xing Yinuo.

Qiao Nan appears in this hotel, which also surprises Wen Liangyao. What is she doing here?

Qiao Nan got the room card at the front desk, and then came to the room she booked nervously. After she swiped the card in, she immediately took the bag and went to the bathroom. She carefully fixed her makeup in the mirror. At the same time, she replaced the sexy wine red Pajama she brought with her long hair. She was very sexy in the mirror.

Even if she is herself, she has absolute self-confidence. Her body is white and slim. At the same time, the big place is not small.

Qiao Nan takes a deep breath. She doesn't know when Wen Liangyao will come back.

She took out Xing Yinuo's mobile phone and continued to send a message, "brother Liang Yao, are you here?"

As soon as Wen Liangyao stepped down the elevator, he received a message from Xing Yinuo. He couldn't help but stride towards the room in the message.

Standing at the door of the room, Wen Liangyao rang the doorbell.

Qiao Nan hears the doorbell and breathes. Is he here? Is it Wen Liangyao?

Qiao Nan hurried to the door and looked out of the door with cat's eyes. Who is Wen Liangyao?

He did come. Qiao Nan was so excited that she bit her lip. She took a deep breath and reached out to open the door.

But she was hiding behind the door.

Wen Liangyao has no doubt at all. He steps in.

As soon as he entered the room, the door behind him was closed by a force. Wen Liangyao turns his head and sees Qiao Nan standing behind him in a sexy pajama. His eyes are eager and charming.

"Mr. Wen, here you are."

Wen Liangyao was immediately shocked and asked, "how are you? What about a promise? "

Qiao Nan immediately appeased him and said, "don't worry, I just borrowed Yinuo's mobile phone to send messages. Now she is going home in her mother's car."

Wen Liangyao squints his eyes and immediately sees through all her thoughts. His face is cold and his breath is cold.

"What are you doing, joanan?"

Qiao Nan bit her red lips. "Mr. Wen, I want to play with you, so I'll do whatever you want me to do."
"

The disgust of Wen Liangyao's eyes was clear. He said in a cold voice, "Miss Qiao, please put on your clothes. I'm not interested in you."

Qiao Nan boldly comes forward and wants to hug her. Wen Liangyao turns to hide. Qiao Nan pours on an empty space. She can't help but be in a hurry. "Mr. Wen, as long as I go to your play, I'm willing to pay for myself. You can treat me as you like."

Wen Liangyao only felt disgusted to the extreme. He suddenly regretted himself. How could he not find that there was such a sinister woman lurking in Yinuo's side?

Wen Liangyao goes to the door, opens the door and wants to leave.

At this time, Qiao Nan suddenly reached out and stopped the door. "Mr. Wen, don't go. I don't think it's worse than Xing Yinuo. I won't pester you. I just play your part. Please let me wait on you!"

Wen Liangyao said, "what qualifications do you have to compare with a promise? I promise to treat you as a friend, and you even use her. "

Qiao Nan's face turned red. "I promise she's luckier than me. She's only red because she plays your script. As for acting skills, I'm not bad at all. She can get angry because of your credit. You're the best."

When Wen Liangyao listened to these words, he was even more angry. What he didn't like to listen to most was other people's comments on Xing Yinuo.

Chapter 735

"Shut up."

Qiao Nan looked down at her body and pleaded, "Wen Liangyao, where am I? I love myself very much and I'm very clean. You don't have to worry about me being dirty. I have only one boyfriend. Please accept me. "

Finish saying, Qiao Nan is clutching this arm that hurts, "look at me to be hurt for you, you also shouldn't be so merciless to me, isn't it?"

When it comes to this matter, Wen Liangyao only feels angry. He clenches his fist. "Qiao Nan, don't pretend any more. The robbery that day was clearly you who acted through others. Don't think I don't know." Wen Liangyao breaks her down directly.

Qiao Nan's face suddenly turned white? No, I didn't. "

"Just now I saw you and a man at the door of the hotel. You gave the man a card, and the man was the one who scratched you last time. You dare to deny it." Wen Liangyao clenched his teeth and stared at her coldly.

Qiao Nan takes a step back. She really hasn't counted. Wen Liangyao will see her and Li Chao's transaction so coincidentally. Her whole eyes are down.

"You know, I didn't mean it. I just wanted to play your part."

Wen Liangyao didn't want to get involved with her any more. He snorted coldly, "don't waste your time. My script will not be given to anyone except one promise."

Then he reached out to her and asked, "give me Enoch's cell phone."

"I..." Qiao Nan clenched her fist and didn't plan to give it.

Wen Liangyao goes to the bag on her sofa, picks up Xing YINUO's mobile phone from inside and holds it in his hand. He steps towards the door, pushes Qiao Nan out of the door, ready to open the door and leave.

As soon as Qiao Nan breathed, he thought that he was going to leave. After he left, she was sure that she would be finished.

When Wen Liangyao pulls the door, Qiao Nan has almost no room for thinking. She picks up a steel ornament beside the door, which is a long thing. When she picks it up, she hits Wen Liangyao's back brain hard.

Wen Liangyao is opening the door. Suddenly, there is a sharp pain in his back brain. His whole body clangs out of the door.

Behind her, Qiao Nan fell on the floor with the steel products in her hands. She immediately panicked. She didn't know what she had done. She picked up a coat and put it on her body, grabbed the bag and ran out of the hotel.

In the corridor, Wen Liangyao was half kneeling on the ground. His head was bursting with pain. At the same time, he felt a sharp pain in his mind, and a clear picture came up. His mind was full of Xing YINUO's laughter, sweet voice and bright face in her teenage years.

Wen Liangyao is trying to bear the pain. He holds the wall and looks at the surprise. Even the pain is suppressed.

At this time, a guest came out, saw him, and immediately concerned, "Sir, are you ok?"

"Could you take me to the hospital, please?" Wen Liangyao is forced to bear the pain.

"OK!" The man immediately held him in the direction of the elevator.

Xing Yinuo bought a bouquet. On her way home, she thought of asking Wen Liangyao when she would come back.

She reached for her mobile phone, but found that it was not in her bag. She thought that when she went out from Qiao Nan, her mobile phone seemed to be on her desk.

Did her cell phone leave Qiao Nan's home?

Xing Yinuo borrowed the assistant's mobile phone and dialed Wen Liangyao's number.

"Hello!" There was a hoarse voice from that end.

"What's the matter with you? Why are you so hoarse? " Xing Yinuo is in a hurry.

"I'm in the hospital!"

"What? Are you okay? Don't scare me. What's wrong with you? Which hospital? " Xing Yinuo's heart is all tightened.

The hospital where Wen Liangyao is located is not far from Xing Yinuo. She immediately asked the driver to drive by.

Xing Yinuo pushes open the door of the ward and sees Wen Liangyao's brain wrapped with a circle of gauze. She is frightened.

The eyes immediately red, "what's the matter with you? Who hurt you? "

There was a smile in Wen Liangyao's eyes, but he didn't expect that Qiao Nan's attack made him completely recover the five years he had forgotten.

The congestion in his back brain has now been cleared, and his memory nerve has returned to normal. Now, he is the complete one who has all the memories.

"You laugh! Tell me, what's going on? " After Xing Yinuo finished, she saw her cell phone on the cabinet next to her.

She said in amazement, "how can my cell phone be in your hands? I fell in Qiao Nan's house. "

When Wen Liangyao received Xing Yinuo's call, he had already made a decision. He didn't tell her about it.

He would rather let Qiao Nan stay away from Xing Yinuo in the future than let her know that a friend she really knew would stab her in the back and use her to defeat her villain.

Xing Yinuo's world has him in it. In the future, he will never let such a person have the opportunity to reuse her and hurt her.

Wen Liangyao narrowed his eyes and said, "it's Qiao Nan who gave it to me. I promise you a good news. I have recovered the memory of those five years." "How did you get hurt?" This is what Xing Yinuo is most concerned about.

Wen Liangyao reached out to hold her hand. "It's OK. I fell down accidentally."

"Have you really recovered your memory?" Xing Yinuo is still very surprised. Those five years are their common memories. She really hopes he can remember them.

"Well! I remember. " Wen Liangyao remembered how he loved her, how he restrained his feelings and silently guarded her.

In the past seven years, she has been consistent, sunny and reluctant to pour a little hurt. Even if the outside world hurt her, he wanted to drive her away.

Xing YINUO held him tightly. "How could you fall down?"

"I just fell down by accident." Wen LIANGYAO gently stroked her back and comforted her, "I'm ok, don't worry."

Qiao Nan just got home. Suddenly, her door was knocked. Qiao Nan saw two men in suits standing at the door as soon as she saw the cat's eye. She couldn't help opening half the door curiously, "who are you looking for?"

At this time, the man pushed the door a little harder, and Qiao Nan immediately stepped back, "who are you?"

"We are the bodyguards of the Wen family. We gave the order of the second young master to warn you a few words. First, in the future, there is no place for you in the entertainment circle. You can't take the play again. Second, you can never appear in front of Miss Xing again. Otherwise, you will be responsible for the consequences."

Qiao Nan gasped, pale as paper. "What do you say? How is this possible? "

"Miss Joe, you'd better remember that if you do any of these things, we'll keep an eye on you." Finish saying, suit man turns to leave coldly.

The cold and merciless warning made Qiao Nan sit on the sofa.

Chapter 736

In the quiet room, Qiao Nan sat in the dead room with her arms around her. Her eyes were full of fear, and Wen LIANGYAO even gave her a warrant.

At the moment, she is also sober. All those desires and ambitions have disappeared in her current situation. She knows that she has gone too far.

Even to have something that would never belong to her, she felt endless shame, which was the most shameful thing she had ever done since she was a child.

She also wants to lure Wen LIANGYAO with herself. She can't help thinking bitterly. Even if she stands in front of Wen LIANGYAO naked, this man won't look at her more!

Qiao Nan calls Liu Yan, her agent. After hearing what she has done, Liu Yan directly hangs up her phone.

This made Qiao Nan's heart hurt severely again. She knew that the agent would not hold her anymore. She regarded her as an abandoned son. Now, I'm afraid she won't get another play.

The influence of the Wen family covers the resources in the whole entertainment circle. As long as the Wen family orders, where can she receive the play?

Wen Liangyao has disgusted her to the extreme. What's her face to see Xing YINUO when she makes such a mistake?

However, she knew that if she wanted to get the chance of acting again, she had to admit her mistake to Xing YINUO and Wen Liangyao. No matter how they hated her and hated her, she had to apologize.

In the hospital, Wen Liangyao left the hospital that night. Fortunately, although Qiao Nan gave him a blow, he didn't leave a wound, but his back brain was swollen.

Xing YINUO stroked his injured position and was about to die of heartache. She couldn't imagine how he walked and felt like this.

"Next time you walk, be careful." Xing YINUO ordered.

"It's OK. It's a blessing in disguise. I've got my memory back." Wen Liangyao also hated Qiao Nan's vicious way this time. Even if he hurt him, he could bear it. But she stabbed him in the back like this, which had a very bad influence on Xing YINUO's heart, so he couldn't bear it.

Therefore, he only hoped that the woman would not appear in front of Xing YINUO. Although such punishment is lighter for her, it is more ambitious for a woman like Qiao Nan.

It's enough for her to lose her career.

"A promise, in the future, don't see Qiao Nan again." Wen Liangyao told the girl in her arms.

"Why?" Xing Yinuo blinked.

"In a word, Qiao Nan is a very thoughtful person. I don't want you to communicate with her." Wen Liangyao is not going to say it in detail.

"What happened to her?" Xing Yinuo was surprised.

"I heard that she is a man of two sides and three knives. In a word, promise me not to see her again."

"But she has been hurt for you. Is that ok?" Xing Yinuo also read Qiao Nan's kindness to save him.

Although Wen Liangyao tried to hide her idea, he had to tell her some truth if he wanted Xing Yinuo not to see Qiao Nan again.

Wen Liangyao stroked her long hair and squinted her eyes. "She was a very deep-seated person. She directed and acted by herself and hurt herself. She wanted to arouse my sympathy and let her play my script."

"What? She's acting? " Xing Yinuo is shocked. How can Qiao Nan do such a thing?

"Today, I came across her talking with a man. She even took a card out of her bag and handed it to him. That man was one of the robbers who robbed me in the parking lot that afternoon. At the same time, he was the robber who scratched her."

Xing Yinuo was shocked and couldn't believe it. Qiao Nan erected the image of a big sister Wen Xin in front of her. Now, her image was suddenly torn up, which she really couldn't accept.

"Does she really have to do that?" Xing Yinuo asked again in amazement.

"Yinuo, you should know that in this world, except my family and your family, they are sincere for you. Other people, you can't wholeheartedly invest in trust, because you don't know when, they will take your trust and stab you severely." Wen Liangyao said to her.

At the moment, Xing Yinuo really felt stabbed. Is human nature really so gloomy?

"Have you met her this afternoon?" Xing Yinuo asked curiously.

At this point, Wen Liangyao can't tell her any more. If she knows that Qiao Nan still wants to seduce him, I'm afraid she will suffer more.

"She said your cell phone was in her hand and she gave it to me."

Xing Yinuo lies in his arms, heads up, and thinks about something. In his mind, did Qiao Nan really have a purpose for her care?

Xing Yinuo sighed, "OK, I don't see her in the future."

"It's better not to see her. She's not worthy to be your friend at all." In Wen Liangyao's tone, there are several anger.

Xing Yinuo knew that he would be angry because he cared for her. She pacified her and said, "OK, don't be angry, I will remember, don't see her again."

"I have warned her to stay away from you. I don't trust you to see her, such a woman." Wen Liangyao clenches her hand and admonishes her. Xing Yinuo nodded, "OK, no see, you have a good rest tonight." Xing Yinuo lies in his arms. Tonight was a beautiful night they had arranged.

Because the doctor said that Wen Liangyao had just recovered his memory, focusing on rest and no more tiredness, Xing Yinuo could not make him tired at this time. Wen Liangyao gently took her into his arms and kissed her hair. He still blamed himself. He brought her such harm.

"Starting tomorrow, let's prepare for the wedding! Find a wedding and see where to start. "

"From our wedding dresses and evening dresses, of course."

Wen Liangyao said to her, "otherwise, let's take a trip! By the way, look for your favorite diamond ring. "

"Good! I haven't traveled abroad for a long time. We go to the most romantic place and spend our pre marriage holiday. " Xing Yinuo also yearns for it.

Two people began to discuss the next trip slowly, until the night, Xing Yinuo unconsciously fell asleep in his arms.

Early morning.

Xing Yinuo's mobile phone suddenly rings, it's information.

She picked it up and saw it was sent by Qiao Nan. "Yi Nuo, I want to meet you and Mr. Wen. Do you have time?"

Xing Yinuo looks at this message and thinks of what Qiao Nan has done. She replies, "let's not meet each other. Let's be OK!"

This sentence, has shown that she read the old love, no longer care about her.

"Yinuo, please ask Wen Liangyao for me. Would you please let me go? I know I'm wrong. I shouldn't lure him to the hotel with your mobile phone, open a room to seduce him, or even call him. I know I'm wrong. I promise you'll forgive me. "

Chapter 738

State H.

On the balcony of a garden villa, Xing Yinuo is wearing a white shirt and casual jeans. It's bright and bright, with a little girl's innocence.

"It smells good!" Xing Yinuo smelt the fragrance of flowers in the air. Not far away, we can see that the whole land is full of all kinds of flowers. This is a garden manor. It's all about flowers.

It's the most romantic time to stay in such a Manor Hotel. Xing Yinuo has long hair behind her head and a few breeze blows. Her style belongs to the girl, which is inadvertently revealed.

Behind him, Wen Liangyao has a dark shirt, leisure trousers and a slender body, full of charming temperament of men, with a kind of mystery and elegance.

He is the most perfect dream lover of the standard, he exudes a warm breath, so that women close to him, can feel his share of the sea like tolerance and clearness.

Of course, his temperament can only be displayed by one woman. If a woman wants to see him like this, she really has no luck!

"Do you like it?" Wen Liangyao asked her.

"Like, non party like, love." How can Xing Yinuo not like it?

However, in general, when traveling, it is Wen Liangyao who takes care of everything, and she only needs to enjoy the beauty he brings.

"Let's go for a walk!" Wen Liangyao takes her hand and takes her close to appreciate the blooming flowers and plants.

Xing Yinuo led him and walked briskly, appreciating different kinds of flowers from time to time. The camera in her hand kept shooting. When she met the beautiful one, she would ask Wen Liangyao to take photos for her.

Most of the time, Wen Liangyao just took pictures of her charming little face.

The smile on her face is better than Jiaohua. Even the sky has lost its color. Xing eno than a V gesture, a pair of clear eyes blinking like water, standing in the middle of a cluster of flowers, as if from the flowers came out of the spirit of the general general, intimidating.

"Pretty?" Xing Yinuo asked with a smile.

"Nice." Wen Liangyao nodded.

Xing Yinuo immediately jumped in front like a child, stepping on the bluestone board below, like a little girl who didn't grow up.

In Wen Liangyao's eyes, with a touch of love, she chased her figure and could not bear to look away.

Xing YINUO finally stayed by his side, led by him, walking among the flowers.

At the end of the flower sea is a green lake, reflecting the clouds in the sky, just like a mirror, clean and thorough.

There is a small step nearby, which can let visitors feel the cool of the lake.

Xing YINUO immediately took off her shoes, and a pair of jade like feet gently swung in the water, feeling the cold water temperature, she could not help but breathe.

Wen Liangyao is sitting beside her, accompanying her to feel.

"It's cool! Look, there are fish there. " Xing YINUO points to a group of small fish with mottled color, very surprised.

Wen Liangyao nodded and asked her, "is it cool or not? If it's too cold, don't soak it too long. "

Xing YINUO felt that the water was still cold after soaking for more than ten minutes. She raised a pair of wet feet and was at a loss because she had to wear socks! But full of water, what can we do?

At this time, Wen Liangyao took out the paper towel that had already been prepared. He sat opposite her, held her little feet in his palm, and gently wiped it for her.

Xing YINUO's eyes are slightly gaping, and his heart is touched, which has filled the whole heart.

Such love makes her eyes hot and her nose sour.

When Wen Liangyao wanted to wear socks for her, she immediately stopped him, "let me come by myself!"

Wen Liangyao took her little feet. "I'll come."

Finish saying, put on her two socks, put on shoes for her again.

Xing Yinuo in the moment of standing up, then the whole person rushed into his arms and hugged him tightly.

Wen Liangyao kissed her hair gently, "what's the matter?"

Xing Yinuo is in his arms, shaking her head. She is OK. She is just too moved to know how to do it, so she can thank him for all his love.

"Darling, go back! Dinner's coming soon. I've made a reservation. " Wen Liangyao patted her gently.

Xing Yinuo nodded and took his arm back.

Dinner is a very romantic western food. Xing Yinuo doesn't eat much, but she is very satisfied. The night is light, and light music is sprinkled in the corner of the restaurant. Even the night is romantic.

On the way back to the room, Xing Yinuo was dancing and lying in Wen Liangyao's arms.

Wen Liangyao followed her, and at the same time, for a moment, he bent down and was only half a palm away from her face.

Two people's breath intertwined, the breath, immediately became ambiguous.

Xing Yinuo immediately put his arms around his neck and offered to give him red lips, which made the distance between his hands closer. Wen Liangyao's breath, gently clasped the back of her head, in this romantic flower night, the taste of the girl's sweet.

It took a long time for the kiss to end. At the end of the kiss, both of them were gasping for breath.

Xing Yinuo clenched his red lips and reached out to take him to the direction of the hotel. Wen Liangyao's eyes were always hot and thick, as if the night could not be turned away.

His eyes fell on the back of the girl who was leading him in front. The thin and attractive figure made him no longer suppress any emotions tonight.

He knew that his patience was at an extreme. For seven years, he pressed these ideas one at a time.

Tonight, he's going to be released. He doesn't want to be patient anymore.

Xing Yinuo opens the card of the door, she turns around and feels the pressure of a force. She just feels her heart racing, and the man behind her embraces her waist.

Xing Yinuo's eyes were full of surprises and nervousness. She felt the strong hormone breath on the man. This feeling was like that she was a delicious meal and would be eaten by the man soon.

After a fierce kiss, Xing Yinuo hears only a low, dumb and restrained voice in his blank mind, "Yinuo I don't want to wait. "

Xing Yinuo swallowed his saliva, took the initiative to hug him and answered softly, "I'm ready."

At that moment, she felt that the whole body was light. She was lying in the man's arms and was held up by him.

Walking to the wide bed, Xing Yinuo closed his eyes and put his arms around his neck

All night long.

Early morning.

Xing Yinuo slept better under the sun's kiss, because she was so tired last night that she didn't want to wake up now.

Just, she didn't know, beside her, there was a pair of eyes staring at her for a long time.

Chapter 739

These eyes are full of heartache, joy and satisfaction.

Xing Yinuo finally had enough sleep. When she opened her eyes, she ran into a pair of deep eyes. She immediately said, "I want to bury myself in the quilt."

"What's the matter?" Wen Liangyao asked softly.

How can Xing Yinuo say that she is shy? I'm going to die of shame.

Wen Liangyao also guessed that he gently combed her long hair, "what's sorry? Didn't you like it last night? "

Xing Yinuo blushed immediately, but answered honestly, "I like it."

Wen Liangyao reaches out to hold her. At this moment, he seems to hold his whole world. Domestic.

Every time sushi picks up her son, sometimes she meets Ji Anxin. Sometimes they pick up their children at different times. As long as they meet, they have to talk for a while.

Suxi didn't expect that suanxin is now the vice president of a headhunter listed group. In high school, she was a very hard-working girl. Now, at the age of 27, she holds such a high position, which is also admirable.

However, sushi always saw her alone to pick up her daughter, but did not see her husband appeared. She was a little confused, but she did not dare to ask.

"Xiaoxiao, goodbye to Auntie Su, goodbye to brother IMER." Ji Anxin crouches down and arranges her daughter's uniform. The mother's love is full of breath.

Sushi also leaned over and said to the beautiful girl, "Xiaoxiao, goodbye."

"See you on Monday, sister Xiaoxiao!" The boy waved to the girl and was taken into the car by the bodyguard.

Sushi Ji'an thought, "let's go first. I have an appointment with Siyu. Let's get together this Sunday."

"Good! I'm looking forward to it, too. " Ji Anxin stood up, a black silk shirt, with a very dry white skirt, which made her full of a strong woman.

A long volume spread in the back of her head. When she lifted her hair, the whole person exuded a kind of charm. Several male parents passed by and stared at her for several times.

Ji Anxin leads her daughter to get on the bus. At this moment, beside her car, a black car stops. The bodyguard in front of her immediately opens the door to the man in the back seat.

Open the door, a long and strong legs step down, followed by, more than a meter 85 straight men appear, gray suits wrapped in his golden proportion of the body, lined with a dark blue thin lattice shirt, noble between a touch of masculine charm.

Huo Qiang's eyes are deep looking towards his mother and daughter, with complex emotions in them.

"Peace of mind, long time no see." He took the lead in speaking, with a low, slightly hoarse voice line, which showed that his mood was more intense.

Ji Anxin looked at him with a cold voice. "What's the matter with the vice president?"

Huo Qiang's teeth were clenched, which made his young and handsome face look a little confused.

"How are you these years?" His tone was tender with concern.

Ji Anxin's long hair, red lips like cherry blossoms, and a cold and beautiful smile, she raised her eyebrows and said, "does vice president care about me?"

Huo qi'ang listened to her mocking tone, he sighed slightly, "you know I really care about you."

"That's not necessary. I'm doing well." Ji Anxin's argument is relatively general.

Just then, a young female voice sounded, "Mommy Who is this uncle! "

This sentence makes Huo Qiang's eyes immediately fall on the little girl beside her. The little girl inherited her beautiful goose egg face, a pair of clear big eyes like water, full of childlike atmosphere, with long hair at one end and waist, especially like her mother, with two small debates tied on both sides, beautiful as a doll.

This child is very like Ji Anshan, but at the same time, it makes Huo Qiang feel kind.

"Xiaoxiao, he is just a strange uncle, let's go home!" Ji Anxin picked up the child and walked to her car.

Behind, Huo Qiang's eyes, there is a trace of reluctant, what he wants to say, but it is Ji Anxin's cold back, to be dispelled.

He knew that she hated him. I'm afraid her hatred for him hasn't been eliminated in these years!

"Vice president, do you need me to pick up the young master?" The bodyguard looked for him and found that he was in a bad mood.

"OK, you can pick up Xiaorui for me!" Huo Qiang said, looking at the red sports car, which flew away from his eyes, he sighed again.

"Vice president, please get in the car and wait." The bodyguard considers his safety.

Hodgson got into the car and thought that he had just received all the information about her today.

His heart has never been so disordered. Her information shows that she left five years ago and devoted herself to her career. Now, she is the vice president of a listed company and owns 30% of the company's equity. She is a very capable woman.

However, there is another thing on her data. She is still unmarried, but she is accompanied by a four-year-old girl, her daughter. Hocheon had seen the child at the age of two months when he was last with her.

So, this child should not be his, which means that five years before they broke up, she gave birth to this child with another man within two months.

Huo qi'ang's head suddenly hurt so much that he reached out to hold it, as if he had an invisible hand in his heart.

"Uncle, what's the matter with you?" At this time, his six-year-old nephew got on the car, looked at him, and asked about it.

Hodgson shook his head and smiled. "It's OK."

He closed his eyes and looked out of the window. Everything was over. Even five years ago, they fell in love again, but it was not worth the harm his family had done to her.

The reason why he can sit in this position, besides his own outstanding ability, is that behind him, there is a very powerful and powerful family, and a very ambitious father. When he brought Ji'an home five years ago, his father refused to let her enter because he disliked her for her no political background, and even tried every means to stop them Together.

In the end, her family hurt her, and he, unconsciously, was calculated by his father, and another girl accidentally hurt her.

Now, father ambition is ceaseless, force group a force, push him to ascend, let him assist President xuanyuanchen.

In this complex whirlpool of power, he has his own mind and firm position. He confronts his father who wants to be the only one and several ambitious men behind him.

What he carries is a heavy burden.

Chapter 740

Under the garden manor in the early morning, Xing Yinuo was drinking morning tea. His face was red, white and red, which always gave a charming feeling.

Wen Liangyao's eyes can't see her like this, and there's a touch of burning and longing in his eyes that he didn't even notice.

Looking into his eyes, Xing Yinuo only felt that her body was not hot and hot. Although she finished some hard work last night, the result was surprisingly satisfactory to her.

Xing Yinuo held out his hands and covered his eyes. "Don't look at me like this."

Wen Liangyao took her hand and moved it away. His eyes were smiling. "You are my wife. I don't look at you. Who do I look at?"

"Oh, shame!" Xing Yinuo covers his face and feels ashamed to death.

"It's a normal thing." Wen Liangyao comforted.

How can Xing Yinuo be so calm? She just felt that under his eyes, the whole body was hot.

On this day, I went to visit nearby, the flower sea in the sky, the boat in the lake, standing in the blue lake water, there are only two people in the world.

On the boat, Xing Yinuo can swing the lake, hum songs and play fun with Wen Liangyao.

Time, unconsciously in the romantic, for Xing Yinuo, this holiday is like a dream, in the real, but also full of a fairy tale.

The holiday will soon be over. Next, they will all come back to work on the wedding. Xing Yinuo's wedding was smelled by the media and began to be released on the Internet. Some blessings from fans appeared on the Internet.

Xing Yinuo is also very happy to receive so many blessings, and the wedding is also stepping up preparations. Xing Zhai and Wen Zhai are also busy with the wedding, which they have been looking forward to for a long time.

At this time, sushi was approaching the birth of the second child. In the early morning, when the mother and daughter were safe, the little guy cried very hard and came to this colorful world, holding his little hand tightly, and his little face was even redder.

Once again as a father, Wen lichen faced his daughter's arrival, still nervous and excited, which was different from his son, who always felt that he was a strong, even small, but, daughter! Wen lichen is looking forward to everything, the baby.

Su Xi also finally breathed a sigh of relief, her children both complete, has achieved a good word! In the future, there is no need to think about the issue of children. She only needs to raise the two children together with her husband.

The Wen family are really two happy events. Just after Su Xi's birth, she can drink the wedding wine.

Xing Yinuo became a bride, which was really fresh. She invited several female star friends who played well in the circle to be bridesmaids. She wanted to come now and sighed about Qiao Nan's business.

Otherwise, her wedding, she will definitely invite her.

Wen Liangyao also made a lot of friends and a very strong Bridesmaid team.

Sushi children's full moon wine ahead of time to do a bit, not bluff to do, but to invite a good family and friends to have a meal together.

Next, it's Wen Liangyao's wedding. It's held at a seaside manor. The wedding company is ready to wait for the wedding day.

In such a beautiful day, in late autumn and November, the wedding will come.

Two days before Xing Yinuo's wedding, Xing Yifan finally came back from abroad.

In his early twenties, he had a fair and handsome face, which was full of the coldness of mature men. However, in front of his family, he was the big boy, handsome and gentle.

He is the leader of the group of children. As long as they have a party or dinner, he is the elder brother who leads the three children, like a big boy, with the most sunny smile.

On the wedding day, Xing Yinuo arrived as scheduled, dressed in pure white wedding dress, and led by his father, walked step by step to the man on the stage. Wen Liangyao was dressed in a white suit, just like a gentle and elegant prince. He waited patiently and excitedly for his bride. When he held her hand, Xing Yinuo's eyes met him.

It's so affectionate.

This pair has experienced secret love, Ming love and amnesia love. At this moment, they finally blossom and bear fruit, and have a most satisfactory ending. Wen Liangyao always guards and waits, in exchange for Xing Yinuo's undying sincerity.

Under the stage, Jiang LAN excited red eyes, her only daughter, finally married.

In Xing lie's arms, sitting his little daughter Tian Tian, she looked at the beautiful bride and forgot to eat the biscuits in her hand.

Tang Siyu and Xing liehan look at each other with a smile in their eyes. When they see Xing Yinuo's wedding, they always think of the sanctity and beauty of love. When they get married, they know how to protect and cherish each other better.

At the other table, Wen and sushi sat together. However, after drinking the wedding wine, they went to the backstage first, where their daughter, who had just been born, was sleeping and waiting for their care.

The little guy is only full moon, and he becomes white, white, tender and tender. He is full of the beauty of Suxi. It seems that when he grows up, he is a beautiful girl again. Sushi looked at her daughter and sighed, "I don't know when she will grow up and what she will look like when she gets married."

Wen lichen was jealous at once, holding his daughter in his arms, with a reluctant expression, "it's still a little warm, it's still early! I don't want to leave early. "

Sushi chuckled, "I can't keep it! Wait! We grew up with her. "

Wen lichen's hand gently touched the little guy's face. The sleeping little guy immediately opened a small mouth and even laughed in his dream.

Wen Liangyao's wedding ceremony was successfully completed at noon, and in the evening, important people will attend.

That's Xuanyuanchen and Suqin. As the president of this country, they can't attend such a wedding feast in the daytime, otherwise the wedding will be in disorder.

In the evening, the safety measures were well prepared. Even the hotel chose the Royal special hotel to stay important guests and then eat the evening banquet.

Sushi also didn't see her for a while, because their family of three went on vacation for half a month.

Now, I'm back for the dinner at Wenzhai.

At dinner time, in the huge and luxurious box, sat a group of people, Xing liehan and his wife, Wen lichen and his wife, Xuanyuanchen and his wife, Wen Liangyao, the newly married couple, plus the two elders of Wen family and Xing family, the two elders of Su family, plus Xing Yifan and a few little guys. It was really lively.

Xuanyuanchen didn't take the chair this time. Here, he still lives as a junior. He is very kind and has no shelf. Three women, Suqin Suxi Tang Siyu, sit together and talk more about the topic of children.

There is a small table next to it. A few children get together to compete and eat together! Xing Yixi's children are very capable of leadership, while the other three children, who are big in him, listen to what he says.

It's rare for them to have such a family gathering. All the people sitting here are leaders of the political and business circles. However, on this occasion, they get along with each other with the feelings of friends and never participate in work.

Dinner until about 9:30, everyone said goodbye to each other, Wen Liangyao's wedding car stopped at the door, Jiang LAN holding Xing Yinuo, as a mother, she still has some ways to teach her, Xing Yinuo obediently listen, remember in the bottom of my heart.

Jiang LAN married her daughter to the Wen family, which was the most reassuring. Looking at Wen Liangyao, who was waiting for her daughter, she managed her daughter's long hair and said gently, "go! Go home with Liang Yao and have a rest early. You are tired today. "

"Well! Mom, you should go back earlier. " Xing Yinuo nodded.

Give her daughter to Wen Liangyao, Jiang LAN went to wait for her husband, a line of people get on the car to leave.

Wen Liangyao took her hand, held it tightly, and said to her, "let's go back!"

Xing Yinuo nodded and sat in the car. He was tired and relied on his shoulder. Wen Liangyao hugged her waist. She was really tired today.

On the way back home, Xing Yinuo was a little sleepy. Wen Liangyao helped her to enter the door. Xing Yinuo had made up for herself. She also had a little wine, which made her smell.
