

U. CEO Daddy 81

Chapter 81

It's better to spend Saturday with him, and she's also nervous for a while for the preparation of the concert, so we can have a good time together.

Tang Siyu dried his long waist length hair, and then received Sushi's call. Sushi couldn't help praising her there, and then told her a good news that she would come back for a reunion this Wednesday.

Tang Siyu talked with her for a while, then she changed into a sportswear and opened the door from here to enter Xing liehan's home.

Push open Xing liehan's door and walk in. Sure enough, the little guy has got up.

"Mommy, you're up. Daddy and I are going out for breakfast." The little guy ran to her side, two short arms around her waist.

"Well! I think so too. Let's go! " Tang Siyu stroked his little head.

Xing liehan has changed his clothes. His dark shirt and tailored trousers are elegant and domineering. Thinking of his embarrassment last night, Tang Siyu is embarrassed to look at his eyes.

"Well, I know there's a good breakfast downstairs. Let's go there to eat!" Don Siyu said to him.

"I don't go to a normal place." Xing liehan said proudly.

Tang Siyu is a little embarrassed. She almost forgot that this man and she are not one of the world's people, he is the top rich in the upper class society, and she is just the consumption concept of ordinary people.

"Then where do you want to eat?" Tang Siyu can only ask him.

Xing liehan reaches for the little guy and says, "Xiao Xi, let's go!"

Tang Yixi immediately takes Mommy, for fear that mommy will be left behind. Tang Siyu is speechless. Anyway, today's son's holiday is hers. She will never let this man steal their mother and son's time.

When I got to the parking lot downstairs, Xing Lihan had a powerful SUV parked here. Tang Siyu and his son sat in the back seat together, and Xing Lihan drove out of the gate of the community.

Weekend morning time, with a lazy taste.

"Xiaoxi, where do you want to play today? Mommy will take you. "

"Mommy, I want to go to the playground." It's hard to hide the child's nature. Although he is four and a half years old, the child's playfulness still exists.

"Well! OK, Mommy will take you after breakfast. "

"Daddy, will you go?" The little guy asked the man who was driving ahead.

"Go!" Xing liehan's very definite answer.

The little guy immediately said yes, but Tang Siyu didn't want him to go. With him, there was always a sense of oppression in her heart.

"Well, you don't have to accompany us. If you are busy, you can go to the company to work." Tang Siyu smiles.

"Not busy!"

"How is it possible? You are in charge of such a large company. You should be busy flying! " Tang Siyu laughed.

The little guy on the side was in a hurry. "Mommy, daddy said he's not busy. He can go with us!"

Tang Siyu was speechless immediately. It seems that it is impossible for her to drive this man away.

The breakfast restaurant Xing liehan took them to is really high-class, not noisy as the ordinary breakfast restaurant, it seems very quiet, and the meal is also very good. Tang Siyu eats a lot of things very impolitely, and the price is also expensive.

Eating breakfast, Tang Siyu's mobile phone rang. She picked it up and looked at it. She was slightly stunned. It was from praying for coolness. She blinked curiously and picked up, "Hello! Pray for the cool. "

"Siyu, ye you's concert is very successful. She's going to dress up as a celebration dinner party in the evening. Come here together!" A cool and pleasant voice came.

Tang Siyu thought for a moment and said, "OK! I will come. "

"That's settled. I'll wait for you."

"Well! Good. " When Tang Siyu finished speaking, he hung up.

"Mummy, where are you going in the evening?" the little guy who was drinking porridge asked curiously

"In the evening, aunt Ye you held a celebration banquet. Mommy had to go there. So, in the evening, would you please follow your daddy?"

Finish saying, her eyes Piao to Xing lie cold face, his cold eyes also looked at her, eyes twinkle not happy.

The woman wanted to get away with her own affairs, so she left her son to him.

"Don't go." Xing liehan immediately gave an order.

The little guy immediately fights for mommy's rights and interests, "Daddy, let mommy go!"! Mommy must want to go. "

"I promise to go there and sit for a while and come back, because ye you is also my boss this time. I won't go there. It's too shameful." Tang Siyu explains to Zhaoxing liehan that she also hopes to take over such work in the future, so there must be many music producers present at Ye you's celebration banquet, and there's no harm in her going.

Xing liehan said nothing more, but after a while he snorted, "you must come back before eight."

"Oh! OK, sure. " Tang Siyu answered.

With that, what was wrong with her immediately? Xing liehan limits her time. How can it be like a husband limits his wife? And she even didn't have the guts to agree."Mr. and Mrs. Xing, what else can I do for you?" The waitress with excellent temperament came to ask. Although she knew Xing liehan, she didn't know Tang Siyu, but she heard the little guy shouting their father and mother, so she naturally thought Tang Siyu was Xing liehan's wife.

Tang Siyu's pretty face turned red for a moment. She immediately wanted to say that she was not Mrs. Xing, but didn't this mean telling others that her son was an illegitimate child? So, the words to the mouth, just swallowed by her back, politely waved, "do not need to thank."

When the waitress left, Tang Siyu felt a little hot and hot on his face. At this time, a deep laugh came from the opposite side, "it seems that you enjoy being my wife!"

Tang Siyu's head hummed. She looked up and stared at him. "I don't enjoy it."

"I will allow you to live outside as Mrs. Xing." Xing liehan gives her permission.

"I don't need it." Don Siyu refused without thinking.

On one side, Tang Yixi, holding a milk cup and watching his father and mother's usual bickering life, thought it was very interesting!

After a while, Xing Lihan checked out and left, went to a nearby amusement park, played all morning, had lunch nearby at noon, went to machine city in the afternoon, and didn't go home until 4 p.m.

The little guy had a good time. Besides, he took his favorite robot home. Tang Siyu was able to see the man's love for his son.

She almost moved back a plane model that her son liked, and was stopped by her. She must educate her son well, otherwise, she will be spoiled as a black sheep in the future.

Tang Siyu is around 4:30, and receives Ye you's call again. "Siyu, in the morning, I asked Qi Liang to call you. He said you would come. I'll see you at the banquet hall on the third floor of the emperor Zun hotel at 6 p.m."

Chapter 82

"Good! I just came back with my son. I'll change my clothes and come over. " Tang Siyu smiles.

"Well! Wait for you! " Ye you said and hung up.

Ye you is a kind big sister to Tang Siyu, so she likes to be close to her very much.

Tang Siyu went back to the room immediately. She took a bath and had her hair washed in the bathroom first. After drying her hair, she put on a little light make-up. A clear face is full of fashion.

Tang Siyu around the bath towel in the wardrobe to choose clothes, tonight is a celebration banquet, if you wear too casual, it will appear that you don't pay attention to the leaves.

Tang Siyu found a gray Sequin dress with a little sexy smell. She bought it because it was so beautiful before, but because she was with her son every day, she had no chance to wear it.

Tonight, it's clearly in use.

After Tang Siyu put it on, the whole person had a kind of celebrity atmosphere to attend the dinner party. She slightly put on a layer of lipstick, making her two delicate red lips full of attractive atmosphere.

At this time, her mobile phone rang, she was surprised to take a look, is to pray for cool to call in, she quickly picked up, "Hello!"

"Siyu, I asked Ye you for your address. Now, I'm downstairs. Have you started?"

"I'm still at home!"

"Come down then! I'll take you there. "

"Well! thank you! Wait for me a few minutes. " Tang Siyu's car has been taken by Xing liehan to be repaired and hasn't been sent back yet, so it's not very convenient for her to travel.

After everything was properly dressed, Tang Siyu must have told her son before she left. She opened the door and pushed it in.

I saw that Xing liehan was playing with two robots with the little guy, and his father's love showed.

Tang Siyu bent down to his son with a smile and said, "Xiaoxi, Mommy is going!"

The little guy looked up and said, "Wow! Mommy, you are so beautiful tonight! "

Xing lie's cold ink eyes fell on her and her pupils shrank slightly. Who is the woman dressed like this to seduce?

Oh! By the way, the star named "praying for cool" will surely be there too, so the target of her attraction is him?

Damn it, this woman really has no scruples, even dare to attract butterflies and bees outside.

Tang Siyu's clear and bright eyes look at Xing liehan. "Then I'll trouble you to see Xiaoxi tonight. I'll be back soon."

"Mommy, you don't have to worry about me! I'll be good. Have a good time! " Little guy said very sensible.

"Well! Thank you, son. That mommy's gone! " Tang Siyu beckoned to his son. When he arrived at the door, the man couldn't help asking, "how can you get there without a car?"

"Er! I have friends to pick me up. " Tang Siyu said a word.

"Man? What's the name. " Xing liehan asked.

"His name is praying for cool." When Tang Siyu finished speaking, he pushed the door and left.

Behind him, a man's handsome face is black.

In this man's car? He couldn't help but think of something. He picked up his mobile phone and said to the humanitarian at that end, "take Tang Siyu's car back."

"OK! I'll bring it back in a minute, boss. "

"No, it'll be back in the morning." Xing liehan finished and hung up.

"Daddy, has my mommy's car been repaired?" The little guy asked with concern.

"Well! It's fixed. " Xing liehan chuckled and her eyes flashed over the black awn. Her car had been repaired for a long time, but instead of being driven back, he lent her his car. He thought this woman would be grateful. Obviously, she didn't.

Tang Siyu is waiting for the elevator. When she sees that the elevator has reached her own floor, she is shocked. The owner of this floor is only her and Xing liehan. Who is it?

When the elevator door opened with a tinkle, Murphy's figure stood in it, cold and clear. He was about to step forward, but he saw Tang Siyu standing at the door of the elevator. He was surprised and pleased.

"Siyu, are you going out?" Murphy stepped out.

Tang Siyu is not as cold to him as she used to be. She says, "well, I'll go to Ye you's celebration party."

"Do you drive? Shall I take you there? " Murphy didn't want to let go of any chance to get along with her, and tonight, Tang Siyu's dress made his heart more intense.

"No! Ye you picked me up in line. Goodbye. " With that, Tang Siyu stepped into the elevator, and Murphy hurriedly followed in.

Tang Siyu looked at him in surprise. "Why don't you go home?"

"I want to take you down." Murphy's deep eyes stared at her affectionately.

Tang Siyu looked up and asked casually, "I saw you and Tang Yiyi sitting together at the concert. Are you going to be together again?"

Murphy didn't expect that she saw it. His handsome face was in a hurry, but his tone was very firm. "I didn't know she was there, too. She came to find me."

Tang Siyu bit his lips and chuckled, "you don't have to explain too much to me, but she is also my sister. I just want to know. I'm not interested in your affairs." Mufei's handsome face shows a color of loss, "Siyu, I know I owe you a lot before, but I hope you understand my heart, I still love you."

As soon as the elevator door opened, Tang Siyu stepped out and turned to Murphy, "forget the past! We can be friends. "

Behind him, Murphy heard this sentence, some lost, some helpless, Tang Siyu is willing to see him as a friend, he should be grateful.

However, he also knew that the love between him and her had disappeared.

No, he won't give up. His hand is gently clenched.

Tang Siyu came to the direction of the main road and saw a Porsche cross-country car with double flashing stopped there. She immediately walked past and the window fell down. She prayed for the cool indeed.

Tang Siyu opened the passenger's door and sat in, praying for the cool. "Thank you for coming to pick me up."

"You're welcome." Pray for cool to close lips a smile, looking at her tonight's dress, especially dazzling, the mind slightly shakes.

"And your son? Is he being watched? " I asked a question curiously.

"Well! My friend is taking care of it. " Tang Siyu answered.

"It's not easy for you to have a single mother with a son. To be honest, I was born in a single family. I can understand your happiness and hardship."

Tang Siyu is a little shocked. Seeing him show his mind, she immediately becomes a quiet listener.

"Now that you are successful in your career and successful in it, your mother will be proud of you." Tang Siyu comforts me.

"Yes! I'd better let my mother enjoy her old age now. I don't need her to work hard anymore. " Finish saying, the vision that prays for cool looks at her, language dew deep feeling way, "Si Yu, have you thought to give a child a complete family?"

Chapter 83

Tang Siyu stayed for a few seconds, immediately understood his meaning, she chuckled, "thought about it! But the child must be too young and afraid of birth. He will think about it when he grows up. "

Qi Liang also heard her meaning, and he immediately laughed, "take the little guy out to play when you are free."

"Well! Good! " Tang Siyu said yes, but he thought that Xing liehan would not.

The night of the city is full of passion, warmth and ignorance. The scene of red and wine makes people have an idea of ultimate relaxation.

Pray for cool and Tang Siyu come to the scene of the celebration dinner. There are more people invited by Ye you today, at least more than 50! I have got six rich dishes and a small banquet hall nearby, which is also a big dinner.

As soon as Tang Siyu came in, ye you's friends all looked at her in surprise, because at Ye you's dinner party, she was brilliant enough, so to speak, her achievements were her fame.

Tang Siyu was also a rich family growing up from childhood. Facing this kind of scene, he was not timid and calm, showing the atmosphere of a lady.

I fell in love with her at a glance. Ye you sat her in line with Qi Liang, and let others know that Tang Siyu's identity seems to be more noble. Qi Liang is a double star. Music and film and television have developed, and it is still a front-line identity.

Therefore, Tang Siyu sat beside him at the moment, undoubtedly raising her value a lot.

However, Tang Siyu didn't want to cling to anyone, and prayed for cool. She helped her a lot in the concert, so she didn't reject his intimacy.

Of course, there was absolutely nothing wrong with her.

Dinner began, everyone began to enjoy a feast.

In the apartment, Xing Lihan also takes the little guy to get on the bus and prepares to go home for dinner. The little guy in the car is very happy. He misses his little aunt and uncle very much.

The Xing family waited long after Xing liehan called. For half an hour, Xing liehan led his son into the hall.

Xing Yinuo immediately came over and took the little guy upstairs to play.

Xing liehan's father asked, "are you really going to send Yifan abroad?"

"Well! This is the best training for him. He also has this idea. He has contacted the school and will go there in a week. "

"Your father and I will stay with him for a while. Maybe Xiao Nuo will have to stay with you first." Jiang Lan said to him.

"No problem." Xing liehan nodded, and he was happy to have an eccentric sister with his son.

"Oh! There's another thing. Your father and Mr. Wen asked for it, and then let Liang Yao come over and guide the homework of Yinuo. "

Xing liehan listened to Li Chen's younger brother coming to educate his younger sister. He chuckled, "well, good! A promise really needs someone who can handle her. "

"When I was a child, Mrs. Wen joked that I would marry Yi Nuo to Liang Yao, saying that both children are so old."

"Liang Yao is 22 years old this year, too!"

"Well, don't let Enoch know about it. Otherwise, the girl will not let him teach her." Jiang LAN finished, looked at her husband and son, and indicated that they must not say.

Because in the eyes of adults, this sentence is just a joke in childhood, not really.

Xing liehan smiles for the first time. It's not a good thing if he gets married with the Wens. Where is the family relationship! But it's a wedding.

"In a few days, I will invite the Wens to come over for dinner, and you will come back. Then, it's not convenient for Fang to bring Xiaoxi's mother back. Let's have a meal together!"

Xing liehan frowned slightly. "I'll ask her what she means."

"Good! We can't force others to make mistakes in those days! " When it comes to this, Jiang LAN has some complaints about her son.

Xing liehan was speechless immediately. "Mom, can we not always mention this matter?"

"Dare to do or dare I say it! You have to compensate others all your life. Besides, you have to take care of Xiaoxi. You'd better not mess around outside. " Jiang LAN looked at his eldest son, a talented man with a handsome face. He was always worried.

Even if he didn't come in disorder, many women came to the door voluntarily. She hoped that her son's self-control would be firm.

"I believe your son is not such a man." Xing Zhengting defends his son.

Xing liehan smiled and circled his mother's shoulder. "Mom, I am your own. What kind of person am I? Do you know?"

Jiang LAN looks at her son, but her pride can't be concealed.

Dinner is ready. Xing Yinuo leads the little guy downstairs. Xing Yifan follows him. The family goes to the table for dinner.

Xing lie is absent-minded and looks at his parents and siblings looking after his son. In his mind, the figure of Tang Siyu emerges today. A girl like her must be the prey of many men at the party. Like the music circle and the film and television circle, where people and snakes mingle, this woman had better not do anything tonight. Thinking about it, Xing Lihan made a decision. He said to Tang Yixi, "Xiaoxi, would you like to live in my grandparents' house tonight?"

"Daddy, where are you going?"

"I'll pick up your mommy later." Xing liehan didn't hide it.

"How about Xiao Xi sleeping with me tonight!" Xing Yinuo asked the little guy.

Tang Yixi immediately smiled and nodded, "good! Then I'll sleep with my aunt. " Then he said, "Daddy, you should take good care of Mommy."

"I will." Xing lie's eyes flashed a complex smile.

On the other hand, Jiang Lan's husband and wife pretended not to hear. Their son is twenty-eight years old. They can't control what should be managed. As long as you love me and this girl is Xiaoxi's mother, they are eager to become their daughter-in-law in the future!

In the banquet hall, Tang Siyu was even toasted. Besides, there are some famous people in the music industry. Although Tang Siyu sips his glass at will, two glasses of red wine have gone down in a flash. She is a person who has never been drinking since she was a child.

However, the wine is not strong in the front, but full in the back.

"Miss Tang, I really admire your skill in piano. Here, I'd like to offer you a toast." Another chubby middle-aged man came to propose a toast, and he said in her ear, "this is the gold producer of our company."

Hearing that he is a gold medal producer, Tang Siyu naturally dared not slow down and hurriedly raised his glass. "Thank you."

"Miss Tang, I'll have a drink, half of it for you! I'm not a tough guy. " The man immediately asked.

However, although it is said that the half cup of wine he asked for is a tough thing, so Tang Siyu is not too good to refuse.

Chapter 84

"I'm not very good at drinking." Tang Siyu smiled. Although he said this, he still drank half a cup. The producer returned to his seat with satisfaction.

When Tang Siyu sat down, her head suddenly fell into a daze and she drank a lot of wine.

Ye you didn't expect Tang Siyu to have such a bad drink, but she is really a hot person at the party tonight. She can block it all back, but some can't. pray for cool and go out to answer the phone. She has already had two drinks.

"Siyu, are you ok?"

"I'm fine I'm a little dizzy. I can't drink any more. " Tang Siyu waved with a smile.

And at this time, she put in the bag next to a cell phone ring, ye you quickly reminded her, "your cell phone rings."

Tang Siyu took the bag and took out the mobile phone from it. She saw Xing liehan's name vaguely. She reached out and picked it up. "Hello! Er... "

Another uncontrollable wine.

Xing liehan had just started from home. He could not help hearing the woman's voice and her abnormal voice line. His sword eyebrow immediately turned to the bottom, "have you drunk?"

"Drink a little, how about Xiaoxi? Did he have dinner? " Tang Siyu asked him. At this time, another man came to propose a toast. She was too busy to stop. "Excuse me, I don't drink now. I'll take a call."

Finish saying, Tang Siyu stands up from the position, went to the balcony to the quiet place, in the relatively quiet ring mirror, Tang Siyu's sense also recovered some points.

"Hello, where are you and Xiao Xi?"

"Xiaoxi is at my parents' house. Where are you now? I'll pick you up. "

"Ah! No, I haven't finished this yet. Do you think Xiao Xi won't go home tonight? " Tang Siyu asked immediately in surprise and curiosity.

"What? Xiaoxi is arranged, is it against your heart? How do you want to play? " At that end, there is a sense of inexplicable danger in the cold voice line.

Tang Siyu immediately twisted Dai Mei. "What are you talking about?"

"Where are you!" The end asked again.

Tang Siyu didn't want him to come to pick it up either. She didn't say, "I'll go back myself. Goodbye." With that, she hung up directly.

However, I don't know that the man at that end has been angry. The dim lights sprinkled into the carriage, and Xing liehan's handsome face was shrouded in haze. He picked up his mobile phone and called through the assistant's number, asking her to find out Ye you's address for the celebration banquet immediately.

After hanging up, his sports car went straight to the center of the city. Two minutes later, his assistant told him the address of the hotel.

Xing liehan immediately stepped on the accelerator at his feet, and the smooth sports car rushed to the front like a beast.

Tang Siyu goes back to the dining room, prays for the cool to see her footsteps floating. He can't help but ask, "just now listen to Ye you, you've had two drinks, are you ok?"

"I I'm fine. " Tang Siyu smiled and waved, sat down in her position, picked up chopsticks to eat.

Just then, suddenly, a group of people came into the door. The leader was in his early forties. Ye you and Qi Liang were surprised to stand up. This man is a very famous older generation in the music industry, and they all respect him.

"Uncle Liu, why are you here! Don't you have time? " Ye you hurried to welcome out. In the music industry, the older generation of musicians are of high status, and the younger generation dare not offend.

"I also have dinner nearby, so I'll come to see you when I have time. I'll have a drink and leave." Liu Liang smiled and waved. "Everyone sits down to eat." Finish saying, his eyes can't help but see the girl Tang Siyu standing beside Ye you directly, "this young lady is that outstanding pianist! I came here specially to meet you. Let's have a drink. "

This next leaf leisurely and pray for the cool don't dare to block the wine for Tang Siyu. Tang Siyu saw that the wine must be drunk. She lifted the glass with a smile, "I'm respectful to you!"

Liu Liang took over a glass of wine and dried it with Tang Siyu. He looked at Tang Siyu with some appreciation and drank it by himself.

Tang Siyu was a little drunk. When the cup went down, she coughed busily, and ye you handed her a tissue.

"You are all good young people. Come on, I'll give you a toast, and I have to go."

At this time, I don't know which one without eyes added a glass to Tang Siyu. Seeing that everyone had a glass of wine, Tang Siyu had to raise another glass of wine. This time, she only took a symbolic drink. Liu Liang said to her, "young man, there is a future."

After that, he chatted with Ye you for a while before leaving.

Tang Siyu murmured a sigh. She didn't like this kind of entertainment the most. She still liked that kind of free life.

Next, Tang Siyu's appetite was gone. She reached out her hand and held her forehead. She felt that her head was heavy and her feet light.

One side prayed for cool poured a cup of warm boiled water for her to pass her, "it seems that you are really drunk, come to drink a cup of water!"

"Sister ye, can I leave ahead of time? I may be really drunk. " Tang Siyu says to Ye you."OK, let Qi Liang take you back! I didn't know you had such a bad drink. Come on, have some more food! "

After that, ye you turned to pray, "take her home well. Look at her like this. You have to take her to the door. There is no one around her. Otherwise, I'll let the assistant take care of her!"

Hearing this, Tang Siyu immediately waved his hand and said, "sister ye, no, I'm not drunk to the point of unconsciousness."

"Don't worry, I'll take care of her," he said

Ye you also knew that Qi Liang had a good feeling for Tang Siyu, and Tang Siyu had a worship for Qi Liang, so he smiled and stopped talking.

I really hope to have such an opportunity to take good care of her and increase her kindness.

Tang Siyu got up just after drinking a cup of lukewarm boiled water. He felt his head whirling around. He immediately grabbed her. "You're really drunk. I'll take you back now!"

"Well, thank you." Tang Siyu nodded and tried to stand up straight. Moreover, his mind seemed blank and his thoughts were floating.

Ye you still has a lot of guests to greet. He can't get away from him to see them off. So he said, "please pray for the cool. Take her home and call me if you have anything."

"Don't worry! Leaves are long. " Pray for cool to nod a head, the breath that also shows uprightness in the eye.

Ye you believed in him, so he dared to attach Tang Siyu to him. Ye you and Su Xi were good friends. However, Su Xi didn't tell her that Tang Siyu's son was Xing liehan's son, which was a super secret. She didn't tell anyone.

Chapter 85

Tang Siyu walked to the door of the hall with the help of praying for cool. The waiter opened and closed the door.

Behind her, the bustling atmosphere was immediately cut off. The corridor was very quiet. Tang Siyu's face was red, and she even breathed. She really had no strength to stand up, so she could only snuggle in the arms of praying for cool.

"Here comes the elevator. Let's go down!" Pray for cool to say toward her, took her to enter the elevator.

And in the main entrance of the hotel, a sports car galloped down, it was very arrogant to stop at the main entrance, people got off.

Xing liehan's whole body exudes a breath of being away from others, and his face is full of inexplicable danger.

He pressed the button to open an elevator, and suddenly the next door opened with a clang, Xing liehan's eyes turned to scan.

I saw a man holding a girl's figure in his arms. The man prayed for the cool, but the girl he held tightly in his arms was not Tang Siyu?

Tang Siyu's head became more dizzy after taking the elevator. She was afraid of falling down. So, her hand naturally held the waist for cooling. At this time, she didn't care whether men and women gave and received each other. Life was more important.

When Qi Liang took her out of the elevator, he saw Tang Siyu holding his waist so close. There was a flash of surprise on his face. However, the surprise did not last for more than three seconds. Suddenly, one arm of Tang Siyu in his arms was suddenly clasped by a big palm.

One pull, one pull.

Before praying for coolness, Tang Siyu was pulled away from his arms. Tang Siyu felt more pain in his arms and was more rational.

She raised her big blurred eyes. When her body bumped into her strong and hard chest, she raised her head and saw the man's face. She immediately surprised, "you Why are you here? "

Qi Liang's eyes stare at the man who robbed Tang Siyu. Some of them stare at him incredulously. It's Xing liehan.

In the entertainment circle, we all know the plutocrats. Although he saw this man for the first time today, he immediately recognized Xing liehan.

Xing liehan's big palm still clasps Tang Siyu's arm with great force, which makes her ache. She can't help shouting, "Xing liehan, you pinch me, let go."

Once again, Tang Siyu is surprised to know that he is Xing liehan? What is the relationship between them?

"Mr. Xing, Miss Tang is drunk. I'll take her home." He did not have the courage to snatch people from Xing liehan's arms. He spoke calmly.

Of course, Xing liehan knew that the woman was drunk, and he knew that she had drunk a lot just because she was full of alcohol.

"You can go back to the party. I'll take her home." Xing liehan's face was very ugly. If he didn't come, would this woman go to a nearby hotel to open a room with Qi Liang?

Just now, the look of close embrace was obviously already hungry and thirsty.

Tang Siyu heard that. She raised her head and smiled at Qi Liang, bending her lips! Let him take me back. "

"Do you know Mr. Xing?" I don't feel relieved to give her to Xing liehan. Tonight, Tang Siyu's drunkenness is too beautiful for a man to hold.

Although Tang Siyu is drunk, she still knows the secret of some words, "he is me..."

Before her friend could say two words, she heard a loud male voice reply, "I am her man."

Finish saying, see to pray for cool surprised big eyes, Xing lie cold hums to ask, "have opinion?"

It never occurred to me that Tang Siyu was Xing liehan's woman. He just laughed, "of course not! I hope you take good care of her. " Then he handed Tang Siyu's bag to him.

Xing Lihan's face was gloomy and ugly at the moment, and he took over. He asked Qi Liang to worry about whether Tang Siyu would be taken good care of tonight. Next second, Xing Lihan bent down slightly and carried Tang Siyu on his shoulder.

It's really a burden. Tang Siyu was so drunk that he fainted. At last, the world stood upside down.

"Ah Xing liehan, you let me down How dizzy! "

Qi Liang's handsome face flashed the color of loss. Unexpectedly, Tang Siyu was Xing liehan's woman. His competitors were so powerful that he could only watch Tang Siyu being carried away.

Xing liehan pushes Tang Siyu into the front passenger seat and slams the door.

Xing Lihan sits in the driver's seat, starts the car and rushes forward.

Tang Siyu is as soft as a puddle of mud on her seat. She looks up slightly and breathes. Her red lips are slightly open. Her eyes are blurred and charming. The girl who is drunk originally exudes a kind of female style.

Xing liehan's eyes swept her coldly, and the color of disgust was on the bottom of her eyes. No matter how beautiful the woman was, he didn't want to appreciate it, but he would feel bored.

The sports car soon drove into the parking lot of the apartment, and Tang Siyu suddenly covered his mouth with an expression of vomiting and forbearance.

Xing liehan saw it, and Junyan immediately changed color. "Don't spit in my car."

"Ouch..." Next second, as if to fight against him, Tang Siyu spat on his car. "Tang Siyu..." There was a low incantation from Xing lie.

His car stopped in the parking lot. He got out of the car quickly, opened the front passenger's seat door, and pulled out the girl who vomited. However, Tang Siyu, who was moved, immediately covered his mouth again. Xing lie's eyes were slightly gaped, and he wanted to hide, but this woman was so crooked that he wanted to let her go. She must fall to the ground.

Therefore, he can only keep his handsome face away, and Tang Siyu's spitting will directly spit on his chest.

“SHIT。 ” Xing liehan's Crazy Rhythm.

He used to have a habit of cleanliness. Today, the woman vomited his car and his body, which made him unable to bear.

After Tang Siyu finished spitting, he was disgusted and pushed him away Sorry! I didn't mean to... "

Not on purpose?

Xing liehan felt that she was intentional. She must be intentional.

Damn it, he shouldn't have picked her up.

Where can Tang Siyu stand? She immediately stooped down and pedaled down. Xing liehan saw it. He pulled her to her back, lifted her upturned hips and lifted her back to the direction of the elevator.

"No more vomiting. If you dare, I will kill you." Xing liehan threatens.

"Well..." The girl lying on his back gave a dreamy answer.

When the elevator went all the way back to the 24th floor, Xing liehan pressed the fingerprint of his room and threw the woman who was fast asleep on his back on the sofa. He could not bear the smell of his body, so he walked into the bathroom to take a bath.

It took Xing liehan 15 minutes to take a bath all over his body and come out around the bath towel. At a glance, Tang Siyu was gone.

Xing liehan was shocked and strode to the sofa, only to find that she fell to the ground and fell asleep.

Chapter 86

He seldom can't laugh or cry. At this moment, he finally realizes what kind of emotion it is.

This woman's drunkenness can't be seen. Her face is covered with long hair and messy grass. She sleeps like a dead pig.

When Xing liehan thought of her alcohol, he felt extremely unbearable. He went back to the bathroom to fill the bathtub with water and back to the living room. He took a bottle of ice open spring water from the refrigerator and drank it. When he felt that the water in the bathtub was almost filled, he reached out to pick up the woman on the ground and walked towards the bathroom.

Tang Siyu seems to have found out. She opens her misty tears, "Xing liehan Where are you going to carry me! "

"Bath!" The man didn't hide her.

"Er I don't want to take a bath I want to sleep... " Tang Siyu felt that her eyelids were too heavy to open. She was so tired and dizzy.

"If you don't wash it, you have to wash it." Xing liehan gives a tough answer.

"I don't want I don't want to... " After Tang Siyu finished, he pushed his small hand to his chest. Xing liehan was already naked, but she was drunk and had no strength. It was more like touching when she said pushing.

Xing liehan's handsome body suddenly tightens, and his eyes are covered with a color of desire. This woman had better not provoke him tonight, otherwise, he would really eat her with his wild hair.

Tang Siyu's heart is resistant, but let her push him, how to struggle with his arms, this man is like a wall of iron, unshakable.

"Well Xing liehan, let me go I don't..... " Before Tang Siyu finished speaking, the whole person was thrown into the bathtub by the man.

"Well..." Tang Siyu was so scared that he quickly picked up the edge and sat up, otherwise he would be choked.

Tang Siyu's body is soft. She is soaked in the bathtub below her chest. Her long hair spreads on the water and spreads. At the moment, her face is ruddy and glossy. Her face is charming. Her red lips are slightly open and breathing. She is sexy like a goblin.

Xing liehan clearly felt that his body was propped up in a second, and he cursed secretly. The woman had such ability. I dare not look down on her.

Tang Siyu also felt that the water temperature was extremely comfortable, so she fell on the edge of the bathtub and went to sleep.

Xing lie's eyes are narrowed tightly in silence. Obviously, this woman doesn't want to wash herself. Do you want to ask him to wash them?

Xing liehan bent down, lifted her long hair behind her head, found the zipper of her skirt, and yanked it to the end.

Tang Siyu is scared to wake up immediately. She suddenly covers her chest, and Xing liehan just pulls the skirt off her two thin arms.

Tang Siyu looks around his chest with his big eyes full of vigilance. "Xing liehan Don't go too far You dare to touch me again I just

"Hiss!" Her skirt was hissed in half by the man and pulled out from her. Tang Siyu immediately screamed. It was probably due to drunkenness. Her brain and nerves were not clear. She closed her eyes and went to sleep with her head shaking around her arm for a while.

Xing liehan immediately holds her cerebellum spoon in one hand and rubs her body with a big palm, which makes Tang Siyu's vigilance relaxed. She even snorts twice comfortably and is washed by this man.

Xing liehan's eyes are thick as the night, and her hands are merciless on her. She rubs the delicate skin red. Her bra is not untied. Xing liehan bites her thin lips, lets her sleep on the edge of the bathtub, and unties it for her. Then, there is The last piece of cloth was also thrown to the ground by him.

Tang Siyu lies in the bathtub, sleeps unconscious, does not know that his body is exposed to the man's eyes, but also lets him take a bath by himself.

What did Xing liehan think of? He took a bottle of mouthwash from the shelf aside to clean her mouth. He raised Tang Siyu's chin, forced her to open her mouth slightly, and poured the mouthwash in.

"Ah I don't drink anymore... " Tang Siyu thought it was wine, and immediately spit it on the ground.

Xing liehan has been pouring a few mouthfuls for her, Tang Siyu is exhaling, Xing liehan feels that she has no wine in her mouth before he is satisfied.

Xing Lihan gets her out of the water, quickly takes a bath towel and wraps her up. Tang Siyu's long hair gets wet. Xing Lihan can't let her sleep with her wet hair. He puts her in front of the bed and makes her long hair hang down. He takes a hair dryer and blows it dry.

His slender fingers were inserted into her hair from time to time. Her long black, bright and soft hair was like silk. It was very smooth. After drying, he could not help playing with it.

And Tang Siyu already did not know which world to play chess with Duke Zhou, and did not know what happened to him tonight.

Xing liehan has finished all this. The time has already reached 10 o'clock. He breathed a little. If the woman dare to get drunk again, he will definitely throw her out and ignore her again.

Thinking of the picture of her holding the waist to pray for cooling today, he could not help but feel a little angry on his chest, pushing the woman to one side, while he lay down on his pillow and arm.

Tang Siyu's lips were red with discontent, and his back was facing him. Suddenly, he turned over again. Under the quilt, she was naked, lying in the man's arms immediately, with one leg hanging to his waist. Then, what did she feel? Her little hand stretched out to push it. She wanted to push it away. She pushed it a few times. It was still there, so she had to turn over again and turn her back to the man.

Xing liehan's handsome face suddenly tightened to the extreme. Does this woman want to pick something on purpose?

Xing lie's cold eyes flashed a breath of danger like a leopard, that is to say, the woman was drunk without self-knowledge. Even if he forced her at the moment, she could not blame him tomorrow morning.

Who told her to get drunk?

Why does he have to be a gentleman? Moreover, he is not a gentleman.

Xing liehan bit her teeth, stared at her thin neck, and wanted to bite it.

However, the little guy of Tang Yixi suddenly appeared in my mind. This woman must be the mother of her son. If she is strong, what if she hates him again?

The son was caught in the middle, which was enough to worry about.

Xing liehan breathed and thought to himself that one day, he would ask this woman to throw herself into his arms and give her to him.

Xing liehan thought about it, and immediately got up. Wearing only one bullet underpants, he went to the direction of the refrigerator. Now, he urgently needs ice water to relieve the fire.

This evening, Xing liehan never came back to bed. He didn't want to face a woman who was restless and flirting with him.

Not being released was enough to annoy him, so he had to run into the bathroom and solve it manually.

However, in my mind, it is all the figure of this woman.

This night, Tang Siyu occupied Xing liehan's bed and slept in the dark.

Chapter 87

early morning.

The hangover headache entangled her from the dream, forcing her to open her eyes and wake up. The dazzling light outside the window made her half open eyes, and immediately closed them again. However, what did she think of, regardless of the dazzling sunlight, opened them in a hurry.

Scare!

Why is the curtain so like Xing liehan's?

Tang Siyu quickly holds the forehead that hurts to nerve endings, opens his eyes and looks around. It's not Xing liehan's home, or whose?

When she slapped her forehead with two hands, the quilt on her chest slipped down directly. Tang Siyu lowered his head and was scared to be crazy. Instinctively, he grabbed the quilt and covered her body, which was in front of her eyes. She felt it carefully and reached for the next touch.

Under this, her whole person collapsed, she grabbed the quilt tightly, burst out a harsh scream.

"Ah..."

Hearing this scream, the man sleeping on the sofa in the hall immediately opened his deep black eyes, which were sharp and clear. He sat up, pulled a towel around his lower body, and stepped out.

There was no decent wall in this large room, so Tang Siyu, sitting on the bed, saw him at a glance.

"Xing liehan, what did you do to me?" Tang Siyu is going crazy. He is directly angry and his eyes are red.

Xing lie's cold and deep eyes sank, "what I did to you is what you deserve."

"You You really have to... " Tang Siyu's lips trembled with rage.

Xing liehan looks at her chaste and martyr like expression. He is glad that he resisted it last night. Otherwise, if he did anything to her, I'm afraid that she hates him now.

"With your flat body, do you think I would be interested?" Xing liehan immediately snorted coldly, disdaining.

Tang Siyu stared, tightly closed the quilt to his body, tightly without any gap, "you You'd better be honest. Have you ever told me... "

"You want to ask me if I went to you last night?" Xing liehan's mouth was full of ridicule.

Tang Siyu felt that this man was disgusting. She bit his red lips and stared at him angrily.

Xing liehan went to the bed, his perfect and cold face approached her for a few minutes. "Look in the mirror. What are you worth seeing?"

As he spoke, the smell of male hormones from his body was strong, which made Tang Siyu flustered.

She looks up slightly. This man belittles her to nothing. Is she so bad?

However, this is not the point, the point is what happened last night, why she would sleep naked in her bed, and he himself is only around the bath towel, which is just a very warm thing.

"Then do you have it!" Tang Siyu, biting his lips, stared at him with hatred and asked.

"Last night you vomited all over me, soiled yourself, and even vomited all over my car. I did take a bath for myself, but I didn't invade your body!" Xing liehan's voice line is sure.

Tang Siyu's eyes widened. Last night, she vomited some memories of her. However, the back It's completely out of memory.

She gnashed her teeth and said, "why do you wash me? Just throw me back to my house."

"Do you know how many people die of being drunk and stuck in the windpipe by their vomit? Are you not responsible for your own life? What do you think about your son? " Xing liehan rebukes her in turn.

This time, Tang Siyu blinked a big eye. The panic and fear in her eyes still existed. She bit her lip and said, "so I still have to thank you? "

"Forget it, just drive me to wash it. I don't want to smell it again." Xing liehan's voice was disgusted.

Tang Siyu saw that he was so disgusted and disgusting. Didn't they really have it last night? However, she still felt unspeakable shame. Last night, she let the man take a bath like a baby?

My God!

Kill her!

How will she face him in the future?

Her eyes couldn't help sneaking a glance at the man who turned around in front of the bed. She had a perfect figure, bronze skin with healthy luster, and a little up the waist, she could see the wild Sexy Mermaid line, as if there were two beautiful little wings on her back, which were very strong and shapeless.

The man seemed to find out that she was secretly looking at his figure. He could not help turning his head and sneering, "I didn't go to you, you feel sorry?"

Now, Tang Siyu blushed with shame and said to him, "give me your bath towel and I'll go back to my house."

I thought that this man would go back to the bathroom to get one for her. I didn't know that the man directly pulled this one off his body and threw it to her.

"Ah..." Tang Siyu immediately covers his eyes for fear of seeing what he shouldn't have seen.

Xing lie looks at her with a smile, but now she dare not look at her? How many times did you touch it last night!

Tang Siyu saw that he was wearing underpants, she just breathed, looking at the bath towel in front of her, which was surrounded by him just now, and left his breath and temperature. "If you don't like it, don't wear it back!" With that, the man immediately bent over to take it.

"No, no, no I want to wear it. " Tang Siyu holds the bath towel in his arms. At this time, it's not her turn to dislike anything.

It's just that she always feels that she has suffered a great loss this time. Damn it, she must stop drinking and never drink.

"Can you turn your back?" Don Siyu spoke to him.

"Please." Xing liehan's arm was wreathed in disgust, but his eyes were fixed on her.

Tang Siyu is very embarrassed at the moment. If she wants to wrap up her bath towel, it's easy to walk out. She has to soften her voice and say, "please."

Xing liehan seemed satisfied. He turned around and walked towards the bathroom. Finally, he closed the door.

Tang Siyu quickly encircles the bath towel, escapes from his bed to the door, then pushes the door to leave.

When she came back to her home, Tang Siyu had the feeling of being a maniac. She clenched her fist and let out several times silently. At last, she pulled her hair hard and buried herself on the sofa to make up for what might have happened last night.

"My God! I'm going crazy. " Tang Siyu now regrets.

"Fortunately nothing happened. Damn it, is my figure so bad?" Tang Siyu is a little angry. This man is obviously demeaning her!

She bit her lips. "It's clear that it's very good. I dare to say that flat plate. Where is such a big flat plate?" After that, she was crazy again. At this moment, all kinds of thoughts came out. There was a kind of idea that he felt angry because he disliked her figure.

Chapter 88

Tang Siyu went back to the bathroom and took another bath. He chose a pair of jeans and a T-shirt with a round neck and sat down on the sofa, wearing them tightly.

She was curling up, holding a glass of water when the cold door opened, her heart immediately tightened.

Xing liehan came over with a car key in his hand and threw it in front of her. "Wash the car for me and clean it up a little."

Tang Siyu wanted to cry, but she did vomit, which can't be denied.

"Good! I'll wash it later. " Don Siyu answers him stiffly, afraid to look him in the eye.

Xing liehan looks at her expression of self abandonment and leaves with a smile like a smile.

Xing liehan goes downstairs and arrives at the garage. His assistant gives Tang Siyu the key to his car. He picks it up and sits in Tang Siyu's red Porsche cross-country car. He starts to drive in the direction of his company.

Tang Siyu was depressed at home for a long time. After drinking two cups of boiled water, his stomach felt better. He was depressed. Seeing the car key on the desk, Tang Siyu breathed a sigh. It seemed that she had to wash the car for him.

Cold not Ding, Tang Siyu found a thing, her bag?

I don't think she left her bag in the banquet hall!

Tang Siyu hurriedly pushes Xing liehan's home to look for it again, but she doesn't find it. She thinks she'll be in the car. So, she rushes downstairs to find the black sports car. When she opens it, she feels a smell floating out. She covers her mouth.

It's strange that Xing liehan can be so disgusted. Sure enough, the taste of wine is so strong that she can't even get rid of it herself.

She saw the bag in the back seat, picked up the bag, sat in the driver's seat, adjusted her position, opened the window, then drove out of the parking lot, went to a nearby car wash shop to wash the car.

When Tang Siyu went to turn the key, there were many people looking at her. She was young and driving a top sports car. What's the identity of this girl?

Tang Siyu took his bag and sat down in a nearby coffee shop. He took out his cell phone and watched the news for a while. Unexpectedly, she was praised by the media and received a lot of praise.

For the famous thing, she also let it be and didn't want to hype herself.

At this time, she heard her cell phone ring. She picked it up. It was called by praying for cool. She vaguely remembered that Xing liehan appeared in the hotel.

"Hello, pray for the cool." She picked it up.

"Siyu, were you OK last night! Is it better now? " Ask for the cool.

"I'm fine! I had a sleep last night and I'm fine now. " Tang Siyu replied with a smile.

"Do you know Xing liehan? What is your relationship? " That end prays for cool curious to ask.

"We We... "

"Are you dating?" Pray for the cool and ask some lost questions.

Tang Siyu sighed and prayed for cool. Besides, Xing liehan was so domineering. Plus, she could feel that praying for cool was interesting to her. If she admitted at the moment, she would make friends with praying for cool.

She had to admit it cheekily, "yes! I'm dating him. "

That end prayed for cool to be silent for a while, if be another man, he still can strive for her affection, but the other side is Xing liehan, he really does not have this bottom spirit and self-confidence, he smiled at that end, "Siyu, you are a good girl, I bless you."

"Thank you for the cool."

"You're welcome. We can still be friends!"

"Well! I'm very happy and honored to have a friend like you. " Tang Siyu said, for a while, he didn't know what to say.

"I have something else to do. I'll hang up first and come out for a cup of tea when I have time."

"OK! Go ahead and do it! "

Hung up the phone, Tang Siyu slightly relieved, thinking of what happened last night, she was so upset that she wanted to die, how could such a funny thing happen?

In the end, she would like to thank the man for bathing himself and fainting.

Tang house.

Tang Yiyi's recent life is very difficult. She is almost following mufei's figure, but mufei is also hiding from her, so she feels very tired and painful.

Qiu Lin saw her daughter's pain in her eyes, and she suddenly got angry. She thought it was better to call all the parties to solve this matter in front of her.

She then said to Tang Xiong, "you call Siyu back for dinner tonight. At the same time, you call Siyu to call mufei back. Let's make this clear. Otherwise, Yiyi will die of grief."

"What is there to say? The children's feelings are left to their own disposal. " Tang Xiong knew that it would be very difficult for Tang Siyu to do so.

"She is your daughter, Yiyi is also your daughter. She is in agony now. Who caused it? Isn't that your eldest daughter, Tang Siyu? You can't be partial to her. "

Tang Xiong sighed a little, "how about calling mufei and Siyu over?"

"I want them to make it clear face to face, what to do in the end! Murphy must make a statement in front of Tang Siyu and us. ""What's the point of forcing Murphy like this? You know what he liked at first was Siyu. "

Qiu Lin was angry. "Do you call or not? If you don't, I'll move out with my daughter."

After all, Tang Xiong was afraid of his wife. He had no choice but to say, "OK! Let me make a phone call and have a look! "

"Now." Qiu Lin sat beside him with a calm face.

Tang Xiong picked up his mobile phone and dialed Tang Siyu's number.

Tang Siyu is holding her cell phone in a daze. Leng buting sees the number. She picks up, "Hello, Dad."

"Siyu! Are you free recently? Go home and have a meal! " Said Tang xiongchao.

"Er! I'm free at noon. " Tang Siyu didn't want to take her son back, but her father asked her to go back to dinner. While her son was at Xing's, she could go home and deal with it.

"Do you have Murphy's contact information? Can you call him back for dinner, too? "

"Dad! Why do you want me to call? " Tang Siyu is a little annoyed.

"Because Yiyi can't find his people all the time, she wants to see him, and mufei has been hiding from her. If you call, maybe he will agree to come home for dinner."

"What's the point of asking him back?" Tang Siyu retorted.

"Siyu, try it and take mufei home for dinner!" Tang Xiong is pleading with her, "if I'm a father, please tell Murphy to go home and have a meal for me!"

Tang Siyu knows that Qiu Lin must be pushing her father around. She has a strong character. Her father usually listens to her. She doesn't want to embarrass her father, so she responds, "OK, I'll try. If he doesn't go, I can't help it."

Chapter 89

"All right! Bring Xiaoxi back with you. "

"Xiaoxi may not come back. She is with my friend!"

"That's fine, too!" Tang Xiong thought that when he brought Xiaoxi back, the atmosphere was not good either! No demands.

Tang Siyu remembers Murphy's phone number. She is familiar with those numbers. She hesitates and dials Murphy's phone number.

"Siyu, is that you?" The soft voice of Murphy sounded.

"It's me! I have something to tell you. My father just called me and asked if you would go back to tangzhai for dinner. " Tang Siyu conveyed his father's meaning.

Murphy was a wise man. He understood at first. He sighed, "if you want me to go, I will go back with you."

"If you don't want to marry Tang Yiyi, you'd better make it clear to her, and don't let her resentment spill on me." Tang Siyu is tired of this.

"Where are you now?"

"I wash the car nearby."

"Well, I'll wait for you in the parking lot under the building, and I'll accompany you back to tangzhai." Murphy agreed.

"Good!" Tang Siyu answered and hung up.

Ten minutes later, she went to pick up the car. Xing liehan's car was washed very clean. Tang Siyu paid the money and drove downstairs toward the community. The parking lot downstairs and Murphy's car were waiting there. Today, he changed into a white Porsche car and ran. When he looked at the black Bugatti car coming up, he was shocked. Xing liehan was back?

The sports car slowly stops in the parking space next to him, and Tang Siyu is the one who steps down from the driver's seat. The envy of Murphy reaches the extreme in an instant. Does Tang Siyu and Xing liehan really live together? Did Tang Siyu wash his car?

Tang Siyu came up to him and said, "let's drive each other!"

"Why? Take my car! " Murphy looked at her affectionately and said.

"No, you go first! I'll come later. " With that, Tang Siyu stepped forward to Xing liehan's sports car, opened the door and sat in.

Even if the man let her wash the car, she will drive his car out today! Although it's a little too ostentatious, it's better than taxi.

Before Murphy's car moved, he saw that the black sports car turned around from the front and drove out in a very low-key and aggressive way.

As long as he thinks that Tang Siyu is driving in the driver's seat, his heart is suddenly very strong. It seems that this woman has a momentum that he can't control, and his sports car closely follows behind him.

So the driving of two roadsters one before and one after the other attracted a lot of sidelights in the street. Some good people recorded their videos in front of the traffic lights and sent them to the network. The powerful network immediately attracted a lot of eyeballs. Even the media and the news home page immediately changed this content and generated a lot of hits.

When Tang Siyu's car arrived at the gate of the Tang house, she still parked the car outside and didn't drive into the courtyard of the Tang house, so that her father wouldn't see her driving this sports car today.

Murphy's car stopped behind her, and the two sports cars seemed to compete for beauty. Tang Siyu came down from the sports car, wearing a T-shirt and jeans, and a pair of flat shoes, which made her slim and slender, with perfect curve, long hair and waist, and her beautiful goose egg face, pure and attractive.

Mufei's eyes couldn't be moved away, and he found that Tang Siyu had a more fascinating charm for men than she used to be green and astringent.

Tang Siyu and Murphy walk into the hall together. When Murphy appears, Tang Yiyi, who is waiting on the sofa, rushes directly to Murphy and pours into Murphy's arms fiercely. "Murphy, you will see me at last."

However, she forgot that Murphy was willing to come here not to see her, but to see Tang Siyu.

"Yi, don't do that." Mufei plans to pull Tang Yiyi away from his arms.

Tang Yiyi hugged her tightly. Murphy used some strength to pull her hand away from her. Then he held her shoulder and sat her down on the sofa.

On one side, Tang Siyu picked up her mobile phone and was watching her news. Now there are many new websites about her on the Internet, all of which are praising her performance in Ye you concert and being named as a domestic Piano goddess. This is also the result of Tang Siyu's accumulation of water. Her interest in piano has been growing since childhood. These years, she has been practicing and playing to make herself The level of is increasing instead of decreasing.

"Murphy, you are here. Some days are gone." Qiu Lin was very enthusiastic at once. "Yi can miss you."

"Aunt." Mufei called Qiu Lin, and Tang Xiong came out of his study. "Mufei, here you are."

"Murphy, I want to talk to you. Can I have a chat with you alone?" Tang Yiyi is holding mufei's arm and can't wait to be alone with him. His eyes are more affectionate.

However, mufei's eyes fell on Tang Siyu and he did not answer.

At this moment, Tang Yiyi really hopes that Tang Siyu will be more sensible, and it's best to disappear from Tang's house. Because with her, she lost all attraction in front of mufei. Tang Yiyi bit her lips and begged mufei, "mufei, please, give me ten minutes, OK?" "Good! Let's go for a walk in the garden!" Murphy sighed in response.

Qiu Lin is also happy for her daughter. It seems that mufei still has feelings for her daughter. Tang Xiong sits next to Tang Siyu and asks about the little guy.

Qiu Lin's grudge fell on Tang Siyu and went to the kitchen to ask the servant to make lunch.

In the garden, Tang Yiyi stands beside mufei excitedly, and she hasn't walked out ten meters. She can't wait for her back to surround his waist, and a small face clings to his back. "Mufei, I miss you so much. Don't you hide from me anymore, OK?"

Murphy pulled her hand away and gently pushed her away. He leaned down to look at her. "Yi Yi, I know I'm sorry for you. Please don't look for me anymore. I don't want to see you, but I hope you can understand that it's impossible between us."

"Impossible? Why not? Because Tang Siyu? Where on earth can I compare with her? " Tang Yiyi said very loudly, as if he was going to give this sentence to Tang Siyu.

Murphy's eyebrows tightened a little. "Yiyi, it has nothing to do with her. Besides, she is your sister."

"But she never regarded me as her sister. She knew that I liked you. When I came back to China, she took you away. What kind of sister is she?" Cried Tang Yiyi.

"Siyu didn't take me away, but my heart came back to her. It has nothing to do with her. Don't blame her."

Murphy explained in a deep voice.

Chapter 90

And just then, behind him, Tang Siyu's voice interposed, "Tang Yiyi, did you hear him clearly? Don't trouble me like a bitch. "

Tang Siyu was bored in the hall, so he went out for a walk. Unexpectedly, mufei and Tang Yiyi were in the garden beside the hall, not far away, so she just listened to Tang Yiyi.

Tang Yiyi's eyes flashed with pride. Holding mufei's arm, she said to Tang Siyu, "you know that mufei and I have been sleeping together for a long time. Why are you pestering him?"

Murphy's nerves tightened immediately, and his brain was blank. He wanted to stop Tang Yiyi, but Tang Yiyi was even more proud. "Five years ago, that night we were lingering all night."

Tang Siyu chuckled. "You don't need to emphasize it so clearly. I saw you sleeping together five years ago."

Tang Yiyi snorted, "then you must see how close we are holding each other!"

Mufei coldly drew out the arm held by Tang Yiyi. "Why don't you explain why you appeared in my house five years ago?"

Tang Yiyi's pretty face turned red. "It's because I like you!"

Murphy's eyes flashed with indignation, "Yiyi, please tell me the truth."

"I'm telling the truth. I like you. I like you the first time I see you." Tang Yiyi says it out loud.

Tang Siyu bit her lip and said to Mu Fei, "I don't want to hear about you. Please tell Tang Yiyi that it's none of my business for you to cancel the wedding. Please don't bother me any more."

Murphy sighed slightly and looked at Tang Yiyi. "Siyu is right. It's my decision to cancel the wedding. It has nothing to do with Siyu."

"How could it have nothing to do with her? It's because of her that you canceled it. " Tang Yiyi gasped. "She must have seduced you, didn't she?"

Murphy smiled bitterly. "Do you think she needs to seduce me before I love her? For me, Siyu has always been in my heart, never forgotten. "

"But But you and I have been together for five years! Have you never had me in your heart in these five years? " Tang Yiyi is not willing to question with his eyes red.

Murphy shook his head. "The reason why I am with you in these five years is that as a man, I want to be responsible for you. It has nothing to do with love and liking."

Tang Yiyi's body trembled and she shook her head in a crazy way. "I don't believe it, I don't believe it, I don't believe you don't like me at all. I don't care. I want you to take charge of my life, and I want you to marry me."

"Yiyi, I'm responsible for you when I cancel the wedding, because I know that even if I marry you, I won't have you in my heart. It's unfair and cruel for you." Murphy said earnestly and firmly.

Tang Siyu doesn't want to listen any more. Tang Yiyi deserves it. Five years ago, she hurriedly sent herself to mufei's bed. Now, no matter what the result is, she must accept it.

Tang Siyu turns around and wants to leave, but mufei hurries to stop her. "Siyu, I apologize to you again for that five years ago."

"No need. I don't care anymore." Tang Siyu raised his eyebrows and turned to the other side of the garden.

After that, mufei sighed. Tang Yiyi's eyes glared angrily at Tang Siyu's figure. When she was far away, Tang Yiyi held mufei's arm. "Mufei, I don't care if you have me in your heart, but I love you. I want to be with you."

Murphy's handsome and warm face flashed a thick helpless, "I'm sorry, Yiyi, it's over between us. Five years ago, apart from marrying you, I can compensate you in other ways."

"I don't want you to marry me. I want to live with you." Tang Yiyi is indomitable, and tears are bursting out.

Murphy pushed her away, and her face suddenly became frightfully cold. "Yiyi, please be rational."

Tang Yiyi was so scared that he let go of his hand, but his heart seemed to be pierced by a sharp weapon, "mufei..."

Murphy is gentle, but he is also the executor of an empire group. He also has his cold side, but he is tactful, but he is cold, which can make people feel cold.

"Yiyi, find your own happiness!" Then Murphy went to the hall.

Tang Siyu went to the swing he had sat on when he was a child and recalled that when his mother was still there, her eyes were wet.

In the president's office of Xingshi group, Xing liehan is returning his email. The black mobile phone beside him rings. He looks at it, smiles and reaches for it. "Busy people, what can I do for you?"

"Please have dinner." At that end, a magnetic voice sounded.

"Yes, I have no lunch at noon." Xing liehan smiles.

"How is it possible? As you are, the people who want to invite you to dinner are on the other side of the earth! " At that end, the man made fun of him.

"There are only a few people that really interest me. You are one."

"And I'm not honored?""I have to. Where can I see you?"

"Old place, I just went out."

"Well, I'll start right away, too." Xing liehan said, hung up the phone, hit the keyboard and click send. He reached for the car key on the desk and went out.

"You have a new car?" Wen lichen laughs, but it's not clear how much he laughs.

"This is not my car." Xing liehan explains.

"Oh! I seem to have watched a video on the Internet today. Isn't it you who are driving? " Wen lichen is in charge of the entertainment industry. Naturally, he also pays attention to some trends.

Xing liehan frowns. "My car appears in the video?"

Wen took out his mobile phone, searched for a few words, and a video came out. Two top sports cars, white and black, waiting for the traffic lights were very eye-catching.

"It's not your car. Is there another one in city a?" Wen lichen hands it to him.
