

U. CEO Daddy 841

Chapter 841

Zhuang wennuan and LAN chunian walk in the middle of the golden dining table with their plates, and find a seat by the window.

At this moment, there are neon red lights outside the window. The next time, it lights up from the crisscross streets. The whole city, like a lazy girl, is showing enchanting.

Zhuang wennuan hasn't enjoyed the city so quietly for a long time. It turns out that on her way from home to the company in a hurry every day, the city is so beautiful.

Just as they were talking and laughing, they heard the voices of Yemeni and Lindsey. Looking back, Yemeni and Lindsey saw both of them.

When their eyes fell on Zhuang Nuan's body, both of them were shocked and stunned.

The girl sitting by the window, dressed in a pink sequin evening dress, delicate and elegant, is this really the Zhuang warm they have always looked down upon? At the same time, there was a kind of jealousy in Yemeni's and Lindsey's heart. They didn't expect that their carefully selected evening dress would be so inferior in front of Zhuang warm.

It's almost her foil. LAN chunian grew up in a wealthy family since she was a child. She has an elegant rich breath, which naturally reveals.

"Warm, did you choose such a nice evening dress on purpose, but you didn't tell us." Said Lindsey in a sour voice.

"I don't mean that." Zhuang wennuan also realized that the quality of her 150000 evening dress was really beautiful.

"Xiaoxi, do you think she didn't want to know the rich tonight?" How can I do without dressing up for death? " Ye Manni's innuendo.

"Don't you do that, will you? We are all good sisters. " LAN Chu said.

Zhuang warm even wronged, but at the moment, she just want to silence.

When they were in the dining room, the hall was already full of guests. It was seven o'clock.

At this moment, in a VIP exclusive position, a gray sports car stops, the driver's door is like an open wing feather, a strong and long leg takes the lead to step down, shiny shoes, people can't help but look forward to this man's appearance. The figure of 1.86 meters up, wrapped in a dark gray suit, is tall and straight. Under the light of the hotel gate, it reflects the last trace of sunset in the sky.

A man's face, almost perfect, is like the perfect sculpture in the window cabinet, matching his expressionless face at the moment.

His Obsidian eyes, like ebony, glanced at the direction of the hall and stepped in.

For him, there is no surprise to attend this kind of banquet, but he just comes here to greet the host in a reactive way, so that he is not rude.

He is the new upstart of business in the past three years, in order to build a high-end hotel industry that dominates the international market, Joe muzer, President of Joyce group.

In the banquet hall tonight, there are many top politicians and businessmen, well-known family members of financial groups and enterprises in the country, and the whole banquet hall also presents the luxury scene of the upper class society.

When Qiao Muze came in, he didn't lack business partners, and some of your sons immediately pulled him on.

"Muze, where to develop large projects recently, is there any project to cooperate with and make money together?" A rich man asked him.

Joe muzer raised his glass and smiled, "only taking care of the family industry, not interested in other industries for the moment."

A group of young and promising men together can become the eyes of women tonight. What's more, they are young and capable of amazing. Who doesn't want to know them?

Four girls from the direction of the restaurant, yeoman Ni and Lindsey, were excited when they saw the guests in the room. Their eyes, left and right, wanted to pick out the men they were interested in.

Zhuang warm mood is not very good, because yemanni and Linxi just mocked her.

Just then, Lindsey in front of her exclaimed, "God! Joe muzer, he's here. "

Zhuang warm lowered his head, immediately raised, her eyes looked straight at the past, in the middle of a group of young men, the man she can only see in the magazine, standing there, elegant, holding a red wine cup, mouth with a faint smile.

He seemed to be the center of the magnet.

In front of her, Yemeni and Lindsey's excited heart beat faster, Joe Munzer, which is also one of their goals tonight.

Although they had thought about Xing liehan and Wen lichen, they were married. They had little chance to see them. For Qiao Muze, a single aristocrat, they felt that the chance was greater.

Zhuang warm heartbeat, in the rapid acceleration of the disease, her mind has a moment of blank, tightly staring at the man, eyes intertwined with resentment and anger, at the moment, her eyes did not see the appearance of this man, but his character, as well as his interests, unscrupulous cold heart.

The funny thing is that the man in front of him is well-dressed and has the appearance of a rich man.

When ye Manni looked around excitedly, she saw Zhuang's warm eyes.

Zhuang wennuan's eyes stared at Qiao Muze, which almost ate him. Ye Manni's inner sneer, Zhuang wennuan's goal is clear indeed! Dare to rob Joe muzer with them?

"At first, I want to meet someone in the past." Zhuang warm heart, there is a great courage, she wanted to go, take the initiative to introduce themselves, see this man heard the name of their parents, he has a trace of guilt, shame.

With that, Zhuang wennuan steps from the original place to the direction of Qiao Muze.

Ye Manni and Linxi stare at her anxiously. Unexpectedly, Zhuang wennuan is bolder than them. How dare they take the initiative to chat up?

Everything around is not in Zhuang's warm eyes. Her eyes are fixed on the man in the crowd.

A friend who was joking with Qiao Muze immediately found Zhuang Nuan walking this way. His eyes flashed a touch of amazing, beautiful girl.

Qiao Muze's Yu Guang also found that someone was coming to him. He held the cup gracefully and turned his head. Zhuang's warm face reflected in his eyes. His eyes flashed with consternation, but his expression did not change. He just closed his smile.

"Hello, Mr. Joe!" Zhuang warm voice line is sweet, but now listen to some cold.

He pretended not to know her, but he didn't meet her formally. In such an occasion, he only pretended to be a stranger.

"Hello!" Qiao Muze squints at her to see what she has.

"Let me introduce myself. My name is Zhuang Nuan. My father worked in your company. His name is Zhuang Yanming. However, he died three years ago." Zhuang warm voice listen to some gnash teeth, her eyes resentment.

Qiao Muze's eyes light converged, he clearly felt her resentment, he slightly twisted his eyebrow, "I know your father, he used to be the general manager of our company, and I feel very sorry for his things."

Zhuang's warm eyes are wet. He is really cold-blooded and merciless. Is he just sorry? Not even a hint of guilt?

At this time, Yemeni suddenly appeared. She could not fall behind Zhuang Nuan. She reached over and introduced herself warmly. "Mr. Qiao, my name is Yemeni. Nice to meet you."

Zhuang Nuan felt a sharp look over her head, but at the moment her mood was a little uncontrollable. Her eyes were red. She turned around and didn't want to show weakness in front of this man.

"Miss Zhuang, do you want to talk?" Behind him, the man's deep, hoarse voice sounded.

Yemanni was totally ignored, because no matter how sweet and charming she was, Qiao Muze didn't take a look, because his eyes were all on Zhuang warm.

He even said that he wanted to chat with Zhuang Nuan. Ye Manni's resentment immediately surged up and stared at Zhuang Nuan.

Zhuang wennuan turns around and stares at the man behind her. She says coldly, "I don't want to."

Zhuang wennuan said, just about to leave, but she bumped into a young man's body, and the man immediately held her, "Miss, are you ok?"

Zhuang warm head, a beautiful face, a pair of eyes such as water gem, deeply attracted the man, he was stunned for a few seconds.

"I'm sorry." Zhuang Nuan apologized and left.

Behind him, looking at this scene, Qiao saw the man who had been hit. He was one of the famous Playboys in the rich family. He turned around to chase the warm figure of Zhuang, noticing her clearly and interested in her.

Chapter 842

In the banquet hall, Yemeni and choumuze also greeted each other. Unfortunately, they didn't even get a glimpse of each other, which made Linxi's courage to think about the past disappeared in half.

LAN chunian is also a little surprised, Joe muzer? Isn't that the best brother of big brother? He's there, too! Does warmth know him?

Zhuang wennuan's mood is up and down at the moment. She hides on the balcony and steals a breath. She doesn't know why she has such a big mood in front of this man.

She took a deep breath and felt that she had better not provoke him. She would not be afraid of him until there was a lawyer behind her who could sue him.

After several deep breaths, Zhuang warms up, her mood calms down, and she even wants to leave here.

At this time, Yemeni and Lindsey came in with red wine, and they could not help but see Zhuang warm standing in front of the balustrade on the balcony.

"Oh! This is hiding here and stealing fun! You can do it! It's really quick to start. I got to know Joe muzer before us! " Ye Manni's voice line is full of envy and resentment.

Lindsey also thought that Zhuang was too warm. She said calmly, "warm, you can't be too warm! Eat alone! Do you want to fly solo after climbing into Joe Munzer? "

Zhuang warm warm listen to their misunderstanding words, must be a member of the league, she explained, "no, you misunderstood, I look for him, just ask some things, I have no other ideas."

"No? Don't you want to get close to him? Don't want to be his woman? " Yemeni killed her and didn't believe her.

Zhuang Nuan twisted his eyebrows. "What are you talking about? How can I have such an idea?"

"I think women here, as long as they are unmarried, want to be their girlfriend 100 percent. Don't deny it. It's too fake." Lindsey hummed and pulled Yemeni. "Let's change places!"

Watching them leave, Zhuang warm and dull, she thought of the left Blue first read, she hurriedly came out of the balcony, ready to find blue first read.

She saw that Lan Chu was talking with two women in their early forties. It was obvious that she knew each other. Zhuang Nuan was thinking of walking towards her. It was so cold that a man's arm

stopped her for a while. Zhuang Nuan was immediately surprised to see the man in the way. She remembered the one she had just run into. She could not help looking at him apologetically.

"Excuse me, sir, I didn't hurt you just now."

The man's name is Zhang long. His family invests heavily, but his character is average. As long as he sees a beautiful girl, he wants to touch it. He doesn't let go until he's tired of playing.

Moreover, as long as the woman he is staring at, he will eventually get it. He has the means to make the woman tick.

"Excuse me, miss. Can you have a drink?" Zhang Long swung his very confident hairstyle and looked good. His eyes sparkled with unrestrained light.

Zhuang Nuan bumped into him just now. Now, I'm sorry to refuse him. She nodded, "OK!"

Zhang Long casually took a glass of red wine and handed it to her. Two people touched the glass. While drinking, Zhang Long carefully looked at Zhuang warm from the edge of the glass.

He just came back from abroad in the last year, so I don't know about Zhuang Nuan, who has become famous.

"What's your name, miss? May I know you? "

Zhuang wennuan seldom shows her face in such an occasion, so her mind is relatively simple, and she answers honestly, "my name is Zhuang wennuan."

"Warm, good name, pleasant to hear." Zhang Long immediately praised.

Zhuang smiled sheepishly. "It's just a popular name."

Not far away, Joe munze was leaning against a pillar, holding on to the wine glass. What he looked at was exactly the direction of Zhuang Nuan.

At this time, a friend of his acquaintance pushed him on the shoulder, "muzer, your prey is stared at by Zhang long, it seems very dangerous! Zhang long is the name of a female killer. As long as he stares at him, he can't escape his palm. "

Qiao Muze's eyes also flickered a bit of sadness. Although he had no obligation to teach the girl how to protect herself, he felt pity when he saw her fall into the hands of a cynical and dissolute son.

"Muze, don't hurry. Do you want to see that beautiful young lady robbed by Zhang long?"

"I'm not familiar with her. It's none of my business." Qiao Muze squints his eyes, and his thin lips make a faint sound.

"Tut Tut, if you don't, I will! No matter what, Zhang long can't spoil this girl! " This man is eager to try his best. After finishing his suit, he is ready to go.

However, when he was just about to leave, he was stopped by an empty arm. Before this young man could react, he saw that Qiao muzer beside him had already stepped towards the warm direction of Zhuang.

He couldn't help being funny. "Hey, muzer, it's my favorite. What are you robbing?"

Zhuang warm in the eyes of this group of men, like a sweet prey, as long as they do, they can get in general. Zhuang Nuan turned to Qiao muzer, so she didn't know that the man was close to her.

Zhang long can't let go of Zhuang Nuan, a pure and beautiful girl. He has made up his mind. The next goal is Zhuang Nuan.

Looking at her pink face, he had already imagined some pictures that were not suitable for children in his mind. Of course, only imagination could not satisfy him at all.

If I could hold Zhuang warm in my arms, it would be wonderful.

Zhuang wennuan is entangled by Zhang Long's chatting topic. She wants to leave several times, but she is stopped by Zhang Long's words. If she leaves, it will appear that she is very impolite.

Moreover, she dare not offend anyone here, because the people who are here today are all the great figures of the country.

At this time, Zhuang warm's arm was clasped by a big palm, and Zhuang warm turned her head in shock. When she saw the man clasping her arm, she was directly frightened, almost instinctively wanted to shake off, but the man was very tight, she did not shake off.

Qiao Muze's eyes, sharp and with a hint of warning, said to Zhang long, "Master Zhang, can I have a word with my girlfriend?"

Zhuang Nuan stared, almost blurted out, "who is your girlfriend?"

Zhang long looks at Qiao Muze, and there is still some fear in his eyes. However, when he sees Zhuang wennuan struggling to deny, he is immediately surprised.

Qiao Muze hooked his lips and smiled. The girl who was not angry said, "it's warm. Don't make any noise, OK? I have something to say to you. "

Finish saying, Qiao Muze clasps Zhuang warm arm, pull toward the balcony of few people. Zhuang wennuan is embarrassed and angry by this man, but he buckles too tightly, she can't open, so she is pulled to the balcony.

Zhang long looked at the figure of Qiao Muze and Zhuang Nuan, and his eyes immediately showed a color of loss. Unexpectedly, the girl was Qiao Muze's woman.

Zhang long is seldom afraid of people, and Qiao Muze happens to be one.

On the balcony, Zhuang wennuan finally found the chance to break free of the men's grip. She cried angrily, "Qiao Muze, what are you doing?"

Joe muzer released her and stepped back to keep the distance, but his deep eyes locked her tightly.

"I'm here to help you!" Joe Munzer tried to explain.

"What can I do for you?" Zhuang warm cold Mou quality asked.

"Just now that man is Zhang long. He has fun playing with women. I just don't want you to be cheated." Qiao Muze's brow was slightly twisted, and he didn't expect to be appreciated by her.

Zhuang warm warm heart was not confused by Zhang long, because she already wanted to leave Zhang long, she immediately did not appreciate the way, "I do not need your kindness, not to mention your help."

"Joe Muse pulled lip to smile for a while," good, count me meddlesome

With that, Joe muzer stepped down from the balcony.

Zhuang wennuan stood on the balcony. The whole person was in a trance. She turned to leave.

Yemanni and her husband reappeared. She was pulled into the balcony by jomunze just now, but they saw her standing not far away.

"Zhuang wennuan, what means did you use to make Qiao Muze so interested in you?" Ye Manni sneered.

Chapter 843

Zhuang wennuan shakes her head. Ye Manni and Linxi stare at her and leave. Zhuang wennuan needs a quiet space. She thinks that if she doesn't leave so soon, it's good to stay on the balcony.

At least don't smile at the unknown guests.

At this time, at the entrance of the hall, the doors on both sides were opened by the waiters, and a long and charming figure stepped forward from the door. The man came in a beige suit, wearing a straight body, with a shape and a style. He squinted his eyes, his mouth seemed to smile automatically, and the whole man had a natural noble and extraordinary temperament.

He is LAN Qianhao, the eldest brother of LAN cunian. Under LAN Qianhao, he has a younger brother, the second brother of LAN cunian. However, he is not in China.

Lindsey's eyes were very sharp. She was attracted by the figure of blue Qianhao in the crowd.

She likes the ascetic temperament of LAN Qianhao, his sharp eyes, and his thin, smiling lips.

This is a man with a very complex temperament, at the same time, it is addictive.

"Here comes the first brother." Lindsey grabbed Yemeni's arm excitedly.

Although Ye Manni also admits that blue Qianhao and Qiao Muze are not up and down, she likes Qiao Muze more.

"Then you don't hurry to find Chu Nian and ask her to introduce her eldest brother to you. Maybe you will have a chance to become Chu Nian's eldest sister-in-law!" Yemeni gave her a push, and she wanted to meet the people around by herself.

With Lindsey by her side, she will always share her light.

Linxi immediately went to the direction of blue chunian happily. Blue chunian didn't know that big brother was coming. He was talking with several familiar ladies. At this moment, Linxi took her arm and said, "junior, your big brother is coming."

LAN chunian immediately tightens his heart and turns to look at the gate, but he sees his eldest brother and a group of Qiao Muze chatting along the way.

"First read, I'll introduce your eldest brother to me later!" Said Lindsey, looking forward to it.

LAN Chu Nian knows that Linxi is a big brother's fan and has been admiring him. She nods and says, "OK! I'll take you when my brother and friends have finished talking. "

After LAN Qianhao said hello to a group of business friends, his eyes swept towards the direction of LAN chunian, who was also looking at him, smiling on her lovely face.

LAN Qianhao put his hand in his pocket and stepped leisurely step by step to her front. "Have you eaten?"

Blue early read obediently nod, "ate, come to eat self-help."

At last, Lindsey saw LAN Qianhao at close range, her heart pounding with excitement. She tightened her arm to remind her.

LAN Chu read to immediately respond to come over, hurriedly toward big brother way, "big brother, I introduce to you, this is my team member Lin Xi."

"Hello, Mr. LAN. Nice to meet you." In Lindsey's eyes, there was a yearning for blue Qianhao which was hard to hide.

LAN Qian Hao's eyes were polite and alienated. "Hello."

"Big brother, have you eaten?" Asked LAN Chu Nian with concern. ? "not yet." LAN Qianhao is just working overtime for a video conference, so it's half past seven now, and he hasn't had dinner yet.

"Ah! Then go to the buffet and have something to eat! " LAN Chu Nian hurriedly urges him.

Blue thousand Hao's eyes are shining a color of command, "you accompany me to go."

"Oh! Good! " LAN chunian answers quickly.

Lindsey said immediately, "may I come with you? I'm hungry, too. "

LAN Chu didn't think much about it, so he smiled, "OK!"

Blue Qian Hao's eyes flashed a little displeasure, but even his sister agreed, he didn't say anything, so he took the lead in the direction of the restaurant.

After Qiao Muze left the balcony, Zhang Long's eyes still looked at the Chaoyang terrace, which he didn't mean to see. Because Zhuang wennuan attracted him so much, it was the rare one he saw in these years.

So, he's still looking for opportunities.

It's nearly eight o'clock. It's time for him to leave.

On the balcony, Zhuang wennuan came out and felt very bored here. She wanted to say something to LAN Chu, but she didn't find them. She had to take out her mobile phone and send them a text message.

After sending, she left towards the gate, and Zhang long was watching her movement at the right moment.

He looked at Zhuang wennuan and left alone. He turned to Qiao muzer, who was chatting with the organizer. He couldn't help thinking, isn't Zhuang wennuan Qiao muzer's woman?

In other words, Zhuang Nuan doesn't like this one?

That means he still has a chance! Zhang Long's eyes flickered with the spark of indifference. He immediately drank the glass in his hand, put it down, and went to the direction of the gate. He decided to find a chance to get closer to Zhuang Nuan again, and had better send her home.

After Zhang Long's figure disappeared in the doorway, Qiao Muze had already said hello to his friend to leave."Say to Qianhao, I'll go first." With Joe muzer finished, he walked towards the gate.

The first thing to get down from the elevator is Zhuang wennuan. She looks at the car outside the door. There is no way to get a taxi here. Because it is isolated by the police, she can only get a taxi from here and walk out of the street a kilometer away.

Zhang long looks at Zhuang warm's back. He immediately feels happy. Zhuang warm doesn't have a car, but walks. That's a chance for him!

Zhang Long immediately went to his cool yellow Ferrari, pulled it away, sat in and started it, and hurried to chase the village warm.

In the VIP parking space next to him, Qiao muzer followed up the call, pushed the car lock, opened the door and sat in. He called his assistant, who was changing his schedule for tomorrow.

Zhuang wennuan was walking. Suddenly, the roar of the sports car came from behind her. She hurriedly let go of her side and didn't want to get in the way.

At this time, the sports car was in front of her, and it stopped abruptly. She turned her head to see it, and Zhang long, too, showed his head.

"Miss Zhuang, where to go! I'll give you a ride! There's no way around here. It's hard for you to get a car. "

Zhuang wennuan didn't think it was Zhang long. If she thought of Qiao Muze, she didn't like this man.

"No, thank you. I'll walk there." Zhuang warm politely refused.

"Don't worry, Miss Zhuang. I'm not a bad person. I just want to give you a ride."

"No more trouble." Zhuang Nuan shook his head and smiled, ready to leave.

Zhang long didn't want to give up. He immediately pushed the door open and got ready to get off the car to persuade her.

When Zhuang wennuan saw him get off, she was stunned and did not know how to refuse.

Just then, a gray sports car drove by, and the tight windows refused all visits.

However, the sports car was ten meters away, slamming on the brakes.

The sound is harsh, which makes Zhuang wennuan and Zhang Long scared. At this time, the stopped sports car started backing up. Zhuang wennuan and Zhang long both hurriedly dodged to test their safety.

The sports car is blocked in front of Zhang Long's sports car, with some arrogant attitude.

Zhang Longzheng wanted to scold his mother. However, the driver's door of the sports car was opened back and a man stepped down.

Zhang Long's swearing immediately swallowed. Damn it, it's Qiao Muze again. Zhuang wennuan looks at him, but also gapes at his eyes. How is he?

Qiao Muze was just about to leave, but he noticed that Zhang long next to him was pestering a girl, who was still Zhuang Nuan.

He decided that good people should do in the end, but now it's so late. Zhuang warm and Zhang long are very dangerous together.

Although this woman does not get his affection at all.

"Get in the car." Qiao Muze makes a warm voice towards the villa.

Zhuang Nuan is scared. Are they familiar? She was biting her lips, with an expression of rejection.

"Mr. Qiao, what a coincidence! Do you take Miss Zhuang home? Then I won't bother. " Zhang long quickly got on the bus and left.

As soon as Zhang long left, Zhuang wennuan was going to leave. Qiao Muze twisted his eyebrows and said, "I'll take you back."

"No." Zhuang warms his head and refuses.

Looking at her dress this evening, Qiao Muze must be very noticeable when walking on the street. Therefore, whether she takes a bus or a taxi, she is always unsafe.

Because, too beautiful, plus her fame.

Qiao Muze bit thin lips, or quickly stepped forward, pulled the woman to leave, "I will send you back."

There is no doubt about that.

Zhuang wennuan was immediately pulled to the side of the car by his strength. The man opened the front passenger's door and pushed her in.

Zhuang wennuan is really afraid that he will smash his own feet. He quickly closes his legs, and the man closes the door.

Zhuang warm between the brain blank, beside the driver, the man sat in.

Chapter 845

"This kind of occasion is really boring, OK! See you tomorrow. " Said LAN Chu Nian.

When Linxi came out, she didn't immediately go to find Ye Manni. After looking around the banquet hall, she saw LAN Qianhao. He stood beside the middle-aged man who was over 40 years old. His calm and self-contained temperament didn't disappear because he was young. On the contrary, those men looked at him with respect and appreciation.

She is holding a glass of red wine, standing beside secretly looking, staring, enjoying the elegant talk of blue Qianhao.

After a while, she saw LAN cunian coming out from the direction of the restaurant. LAN cunian didn't like the bustle in the hall either. She took a glass of juice wine and walked to the direction of the balcony.

After reading it, Linxi immediately had a thought in her heart. She looked at the figure of LAN Chu Nian hiding behind the curtain on the balcony. She could not help but lower her head and pull her chest low enough. She raised a smile and walked towards LAN Qian Hao.

LAN Qianhao did not know that she was close. Linxi only made a sweet sound when she was very close to him.

"Mr. blue, have you seen the first reading?"

LAN Qianhao immediately turned around and looked at her. He twisted his eyebrows and said, "aren't you with her?"

"I went to the bathroom just now, but I didn't know where she went. I thought I was with you!" Lindsey said, pretending to look around.

LAN Qianhao's eyes were also worried about looking for him in the hall. As expected, he didn't see the figure of LAN chunian. However, he thought that the girl might be hiding somewhere to rest.

"She should be around here. You can find her again." LAN Qianhao said, nodding to her, "excuse me for a moment."

Lindsey immediately played a trick. She said, "Ouch!" She pretended to wiggle her high-heeled shoes on purpose, and her body fell into blue Qianhao's arms.

Blue Qian Hao is bright eyed and quick. When she wants to snuggle up to her bosom, she reaches out and holds her hand.

"Be careful." Blue thousand Hao's voice sounds peacefully.

"I'm sorry." Linxi apologizes quickly. Her idea is to get blue Qianhao's concern. Besides, she also wants to snuggle up in his arms and feel it.

I didn't expect that lanqianhao was agile and didn't let her succeed.

However, it's very happy for her to let LAN Qianhao help her.

"Excuse me." There was a sound of blue and white on her head. Linxi looked up at him. He had left and walked towards another group of people.

Linxi sighed a sigh of loss, and then, behind her, Yemeni's voice came up, "you really have the ability! I almost let LAN Qianhao hold you just now. "

Lindsey turned her head and smiled. "What about you? Haven't you dealt with Joe muzer yet? Before we came here, we all agreed that when we met them, we should do it. "

Ye Manni bit her lips helplessly. "He's gone. Just now I turned around, and I didn't see him."

"Eh! How about Zhuang warm? How come she's gone? " Lindsey just remembered that Zhuang was warm and gone for a long time.

Ye Manni's face suddenly changed, and her eyes were filled with anger. "Did she turn Qiao Muze away?"

"Ah! If that's the case, they're not sure about rolling the sheets tonight! " Lindsey said at once that it was not good for her to choose a separation, but it was one of her pleasures.

This sentence, simply let Ye Manni's face directly difficult to see the extreme, she is biting teeth way, "just impossible! How could chamuzer have liked her? I don't believe it. "

"Of course, a man like Joe muzer has a high vision! Zhuang wennuan may have left by himself. " Lindsey comforted again.

"What about first reading? Where did she go? " Yemeni asked.

Lindsey immediately pretended not to see it, shook her head and said, "I don't know! I'm looking for her, too. "

LAN Qianhao doesn't chat with his friends, but his eyes are looking around the whole audience to find LAN chunian.

Suddenly, his eyes turned to the direction of the little man's balcony, where the golden curtain covered a balcony, but it was the best place to hide.

Blue Qian Hao immediately takes a glass of red wine and walks over. Blue Chu Nian is enjoying the balcony alone now! She held the railing, a lovely long hair in the back of the shoulder, in a light, beautiful.

She felt someone come in. She turned her head and looked at it. She couldn't help but be frightened. It was big brother.

She immediately smiled and called out, "elder brother, why are you here?"

LAN Qianhao looked at her bright eyes and teeth, and his eyes flashed a flash of indeterminate emotion. He went to her side and said, "what are you hiding here for?"

"What are you not doing! I just want to see the stars and the moon here. "

"Do you want to go back?" LAN Qianhao asked, knowing that she didn't like such an occasion.

"May I go back?" Blue Chu read immediately a happy.

"You can go any time you want."

"Then go back! I want to go back to listen to music and watch movies. " LAN Chu Nian said, holding his arm in front of him, "let's go! Go home. "LAN Qianhao takes her out. Just a moment later, he sees an old man with poor eyes. He looks at LAN Qianhao growing up. He sees LAN chunian holding him.

Immediately happy way, "thousand Hao ah!"! Make a girlfriend! "

Blue Qian Hao's handsome face froze for a few seconds, but holding his blue initial thought, he was not shy, and smiled at the old man, "old uncle, you are wrong! I'm not his girlfriend. I'm his sister. "

The old man immediately laughed awkwardly, "Oh! It's my sister! " Finish saying, again toward blue thousand Hao way, "thousand Hao, age is not small, should find a girlfriend!"

Blue thousand Hao smiled a bit, "still early."

When the two brothers and sisters came out, LAN Chu Nian immediately took this matter to ridicule him, "elder brother, when will you introduce my sister-in-law to go home?"

Blue thousand Hao immediately stares at her, "this lifetime does not look for."

"Ah! No, you have to find it. In this way, I will have another person to chat with. " Blue Chu read to complain.

Blue Qian Hao looked down at her slender jade arm, which was still wrapped around her wrist, with a smile on her eyes.

Linxi saw LAN Qianhao and they left. She and ye Manni took the opportunity to walk around the crowd, introduce themselves and make some fame.

In the evening, Zhuang wennuan was lying on the bed, and Qiao Muze's face was in his mind. He was full of ridicule when he offered his company at any time, as if he were laughing at her. No matter how she sued, it was useless.

As if she were in his eyes, like an ant that can be kneaded to death at any time, it is not worth mentioning.

Asshole, she will make him and his company bear corresponding responsibilities.

Blue house.

As soon as LAN Chu Nian entered the door, he squatted down around his arm. LAN Qianhao was changing his shoes. Seeing that he didn't change his shoes, LAN Chu Nian was sad.

He immediately bent over and said, "what's the matter, first thought?"

"Stomachache." Blue early read a face to mourn a way, at this moment feel the stomach was hit a knot like.

LAN Qianhao's eyes immediately showed anger and blame. However, he did not scold her at this time. He said gently, "change your shoes and sit on the sofa. I'll pour you a cup of hot water."

LAN Chu Nian immediately changed a pair of slippers, ran to the sofa and curled up. LAN Qianhao poured hot water for her and said to her, "drink it."

Blue early read darling drink, a pretty face because of stomachache, and some pale color.

After drinking, she continued to nest, bite her teeth and bear.

Blue thousand Hao is preparing to hug her to comfort a sentence, blue early read suddenly raised his head.

Her forehead immediately rested on the man's chin.

"Hiss!" LAN Chu read that his forehead hurt again.

"Blue thousand Hao squints Mou not good gas of ask a way," what do you do! "

"I I want to go to the toilet. " Blue early read a pretty blush, regardless of 37 21, hurriedly put on slippers to run to the direction of the bathroom. LAN Qianhao looks at her embarrassed figure and sighs. As expected, she is a girl who hasn't grown up. She doesn't want to eat too much ice cream and doesn't listen.

LAN Chu wants to go back to the room and lie down on the bed. His stomach doesn't hurt, but he's weak all over. He can't eat greedily!

At this time, there was a knock outside the door. LAN Qianhao came in with a cup of hot water. "Have another cup of hot water."

"Elder brother, I'm hungry. Can I order takeout?" LAN Chu asked pitifully.

Blue thousand Hao immediately had gas, "you just had diarrhea, still dare to eat take out, you really don't take the body seriously?"

"But Aunt Liu is not here, what can I do? " Blue early read to cover the stomach, a face helpless.

"Lie down and I'll cook you noodles." The man gave a low order and pushed the door out.

Chapter 846

When he heard that there was noodles to eat, LAN Chu Nian was very happy and said, "OK, brother, I'll wait for you."

LAN Qianhao looks at the girl who is weak all over. He admonishes, "cover the quilt first, and I will bring it up later."

"Thank you, brother." LAN chunian thinks that elder brother is very considerate.

Usually, the elder brother is in charge of her, but sometimes, she can feel the elder brother's care very much, such as when she is ill.

Blue Qianhao came to the hall. He took off his suit and a light blue shirt, which made him look like a noble young man in the light. But at the moment, he was going to enter the kitchen with his sleeve on.

LAN Qianhao found the stored packaged noodles in the refrigerator. Although there are no fresh dishes to make, there are several bottles of good sauce to taste.

LAN Qianhao's action of cooking noodles is quite skillful. Obviously, he didn't do such a thing less.

Blue Chu Nian is lying on the bed. She is weak, even pale. She is looking at the entertainment news with her mobile phone and waiting for her face by the way.

Ten minutes later, the door was pushed open. With the fragrance coming from the back of the door, she immediately took a breath, "it smells good!"

LAN Qianhao put the noodles on the table beside the balcony for her, and said to her, "hurry to eat!"

"Well." LAN chunian immediately sits happily and drinks soup with a spoon.

Big brother's face is also her favorite.

Blue thousand Hao sits on the chair opposite her, a pair of eyes lock her, showing a trace of helplessness.

"Big brother, when will parents come back! They are going to play on most of the earth! And second brother, I miss him too. " Blue Chu read while eating, while looking up asked.

"It may take another month, what? Living with me makes you unhappy? " Blue Qianhao asked.

"No! I just miss them! " Blue initial read purses red lips.

LAN Qianhao clearly saw that she just didn't want to live with him, because he took care of her too much.

"How are you getting ready for the concert?" LAN Qianhao asked. At the beginning, he was the only one in the family who opposed her joining the women's League. Even now, he didn't like her appearance in public.

I thought she would have no interest in playing for a while. I don't know. Her group is very popular. Now, it has reached the standard of solo concert.

"I'm almost ready. Don't worry, elder brother. I will definitely follow your advice. I will never wear super shorts, hot pants and suspenders with bare navel." LAN chunian promised.

Blue thousand Hao nods, "you know good."

"Big brother, I really like singing and dancing. Can you support me?" Blue early read a pair of eyes to show the color of pleading.

LAN Qianhao looks at her poor eyes. He gently hooks his lips. "You can jump now, but after your 24th birthday, you have to consider quitting the women's League."

It's his request. She has two years left.

Blue Chu Nian is biting her lips. Although she has fought, she can only walk step by step now.

Let's talk about it when she's twenty-four!

After eating the noodles, LAN Chu Nian took a bath and went to bed. In the middle of the night, the door of her room was pushed open. LAN Qian Hao stood at the door and looked at her sleeping face carefully. He also probed her forehead to see if she had any signs of fever.

LAN Chu wants to sleep soundly. He doesn't know anyone else who gets up in the middle of the night and cares about her.

Early morning.

Zhuang wennuan is dressing up. LAN Chu Nian's car is waiting for her downstairs. She sits in and they talk about yesterday's party.

"Warm, how on earth did you come back? You can't take a taxi!"

Zhuang warm and busy shake his head, "no, I met a guest, he sent me home."

"Such a kind guest!" Blue Chu asked with a smile.

Zhuang warms but laughs bitterly at the bottom of his heart. Nice? She was apparently thrust into his car by this man.

When she arrived at the company, Yemeni and Linxi arrived. Yemeni looked at Zhuang Nuan, and her eyes forced her to ask, "Nuan, who did you leave with last night?"

"I left myself." Zhuang warms up and swallows.

"Why did Joe Munzer leave after you left? Did you make an appointment to leave together?" Linxi asked in a sneer.

"I didn't!" Zhuang warm warm some of the guilty retort.

"No, no, no, no, you dare to panic." Ye Manni deliberately lied to her.

Zhuang wennuan had been a little guilty. Being cheated, she immediately blushed and said, "I didn't want him to give it to me. He wanted to give it to me himself."

As soon as this sentence came out, ye Manni and Linxi were envied. Unexpectedly, Qiao Muze sent her home.

On one side of the blue read also surprised, "warm, you and Joe muzer know ah!!! He is my big brother's good friend! "

Zhuang warm helplessly shakes his head, "I don't know him."

"Don't pretend, Zhuang Nuan. As a good sister, you are not righteous enough. We met Qiao Muze together. Why do you start first?" "What are you talking about? I don't mean that to him at all." Zhuang warm listens to such misunderstanding, she is about to collapse.

Even if there is only one man left in the world, she will not like him. "Don't argue. In a word, when you meet Joe muzer, you should not eat alone. He is a man of his identity, and no one likes him." Yemeni finished, shook her head and went to play the music.

LAN Chu thought to pat Zhuang's warm shoulder and said in a low voice, "warm, don't breathe, I believe you are not such a person."

Zhuang warmly looked at her gratefully, but the concert was just around the corner. It was not good to quarrel and quarrel. So, even if she was very aggrieved and angry, she had to bear it, because she needed to hold the concert successfully.

In Zhou Tao's office, he took an envelope and raced in the VIP seats of the concert.

After that, he pressed the assistant's inside line and asked him to come over.

As soon as the assistant arrived, Zhou Tao handed the envelope to him. "You go to Qiao group and send these five tickets."

"OK." The assistant took over immediately and delivered the ticket.

Although Zhou Tao knows that Qiao Muze is not interested in the concert, he is the big boss behind him. He can't save the etiquette. So, he chose the best VIP seat for him, hoping that he can come to attend.

At this time, Zhou Tao also received the notice that he could enter the rehearsal. He hurried to the practice room and clapped his hands to let four beautiful girls stand over.

"Just received the news, from now on, you can go to the stage rehearsal walk, ready, we start at 10:30."

Such good news is still worth being happy. Four people prepared for it and started at about 10 noon.

Sitting in the baomu car and passing by a very majestic building, yeoman Ni immediately surprised and said, "look, that's Joe's group, Joe's company."

Zhuang warm eyes look at the past, this one, once familiar to her, she used to high school, always take a bus around here to accompany her father to work together.

Now, although the area has been changed, those familiar scenes can still be seen.

Her eyes flashed sad and gloomy. She firmly did not believe that her parents would commit suicide together. There must be some hidden reasons. How could parents have the heart to leave her and grandma behind?

The team finally arrived at the venue of the concert, the cultural museum, which can accommodate up to fifty thousand people. This time, the light belongs to them.

LAN Chu read excitedly holding Zhuang's warm hand, "warm, the venue is so big!"

At this moment, in the whole open hall, the huge stage in the middle is like a sign of the highest accolade in the music industry. At this moment, there are lighters adjusting there, and the shooting staff are also adjusting the angle.

Zhuang warm eyes, but also flashed expectations and excitement, finally, her life's first concert is coming.

The four immediately got them ready for the first walk and rehearsal.

At this moment, the four girls cooperated with each other. Zhou Tao began the rehearsal of the first song.

Although they are just ordinary girls outside, standing on the stage, they become another person. They are full of passion and enthusiasm, like the dazzling sun.

Chapter 847

Joe's group.

The concert tickets presented by Zhou Tao, at the moment, are quietly lying at a luxurious desk, sitting in the position of the slender man, looking at these tickets are considering whether to watch.

He reached for his cell phone and dialed LAN Qianhao.

"Muzer, what can I do for you?" The sound of blue and white came from that end.

"Qianhao, you will go to your sister's concert this time!" Qiao Muze asked, picking his eyebrows.

"Of course. I've already bought the ticket." LAN Qianhao answers.

"I have some tickets in my hand, too, and I'm thinking about going there." Qiao Muze chuckles.

"Go! Aren't you helping Zhuang warm in the dark? You don't want to see how much of a girl you've trained can do? " LAN Qianhao knows a lot about his affairs.

"I did it just to make up for her parents' death. I have nothing to do with this girl, and I won't have anything to do with it in the future."

"Muze, just accompany me! I'm bored by myself. " LAN Qianhao asked him.

Joe Munzer couldn't help laughing, "OK! Just be with you! I have tickets in my hand. I'll sit together then! "

"Well, then my ticket can be sent. I'll go to the meeting first." LAN Qianhao finished and hung up.

Chomuze put some tickets into the drawer next to him and decided to go to the concert.

On the stage, a group of girls are singing and dancing seriously and enthusiastically. Although the sound effect has not been turned on, their singing voice is also very pleasant.

In addition to their bad character and temper, yemanni and Linxi have strong musical cells. Their four girls represent four different temperaments.

Zhou Tao guides them and points out their shortcomings. He gives up position C for Zhuang Nuan. Even if he has any opinions, it is Zhuang Nuan and her team's business, and he can't interfere.

After dancing for two hours, they were tired too. Zhuang warm and LAN Chu Nian ran to a place to sit down and have a rest.

It's only ten days since the opening of the concert. In the next few days, they rehearse and walk in full swing every day. After a week, they formally put on their Mai and began rehearsing in the way of concert. The whole huge screen is full of their beautiful figures.

Although there are still some small problems to deal with, but the effect of rehearsal is very perfect.

Because the dance clothes are only formally worn on the day of the concert, now they are all wearing the same clothes in rehearsal, and the effect is very good.

Zhuang warm the last few days, she did not have time to think about anything else. Every day, she went back home and chatted with grandma for a while, then she fell asleep in bed, opened her eyes, and it was the next day, and the next day she repeated it.

Such a day, tired and happy, and full of expectations.

Lanchu read the same thing. Every time she went home, she was so tired that she couldn't speak. Sometimes, she would eat with the league members outside. Sometimes, when she came back home, her aunt would cook a good dish for her.

It's three days since the time of the concert. The publicity is very good. The tickets have already been sold out, and the whole city is busy. Because fans from all over the country are pouring into the city in these days.

LAN Chu Nian is still tired and weak today. When she came back from eating out, she was surprised to see the man sitting on the sofa as soon as she opened the door. "Big brother, you are back!" When blue Chu changed his shoes, he was so tired that he sat beside him.

Then her hands collapsed, her legs kicked, and her head naturally leaned against blue Qianhao's shoulders.

LAN Qianhao looks at her tired face and wrinkles her brow. "Can't you have a day off?"

"President Zhou said that we can only take an afternoon off on the last day." LAN Chu wants to close her eyes and snuggle up beside big brother. She wants to sleep lazily.

"If you are so tired, please quit after this performance! I can't afford you either. " LAN Qianhao said that because he loved her.

How to know that Lan Chu Nian immediately opened his eyes and shook his head, "no, I don't want to, I love my career."

Blue early read to tie the ball head, at this moment, the forehead of the fine pieces of hair.

LAN Qianhao reached for her and said, "if you like, I can support you to produce several records every year. There's no need to be so tired."

"No, I want it. It's just the fun. I like my members very much. Although they are not easy to get along with sometimes, most of the time, we are united and friendly." LAN chunian retorted.

LAN Qianhao heard that she said unity and fraternity, he couldn't help but want to laugh, this girl doesn't know, her League members have the last party, to him all kinds of winking, playing tricks close to him?

It seems that his silly sister is too simple.

However, she is still young, let her play, he will not stop."Big brother, I went back to my room to take a bath and go to bed, so sleepy." LAN Chu Nian stretched out and went upstairs.

LAN Qianhao watched her go upstairs. There was a complex mood in her eyes. Every family had a secret, and so did his family. The secret was about a baby girl adopted by her mother 21 years ago when she was carrying her back.

The whole family was ordered to tell, this matter, this life can not be broken, let this girl think, she is the blue family, blue family's parents are her biological parents.

This girl is now the blue first read, she grew up, never doubted her identity, she is the most beloved Princess of the blue family.

Two sons in a row, both parents want a daughter. Unfortunately, the mother's body bleeds when she gives birth to her younger brother, which makes it impossible to have another child.

However, a mother with two children always wants to satisfy the wishes of a daughter.

When LAN Qianhao was seven years old, his mother suddenly took back a baby girl. He and his five-year-old brother began to be repeatedly told and ordered by their parents. This matter is not allowed to tell the growing up LAN chunian.

LAN Qianhao breathed a little, got up and went upstairs. When he passed through the room of LAN chunian, he reached for the door.

But an idea let him endure again, must unexpectedly this girl, already was not a little girl, she has the secret which belongs to her, he also cannot disturb her at will. At the moment, he had a bath and was making a mask on the bed. He was in a daze and wanted to sleep.

Early morning.

Zhuang warms up early in the morning. After buying today's dishes for grandma, the company's car comes to pick her up.

The concert is just around the corner. She can't neglect it.

Yemeni and Linxi are also very tired because of their practice. They put down their preconceptions about Zhuang Nuan and cooperated with them to practice dancing. What's more, they also want to hold a success.

In the whole concert, when they were 26 years old, they all came and danced in turn, which was a chance for them to get a super position in the pink line.

They also want to try to prove their own strength.

Today is the second day of the countdown. Tomorrow is the last day. You can rest for half an afternoon.

Zhou Tao has been watching this week. He is very confident in his women's troupe. In addition, he has several musicians under him. This time, we will invite them to interact with us to increase the lively atmosphere of the concert.

"Well, girls, you are all great. You are sure to succeed." Zhou Tao began to breathe again.

The four girls are all inspired by him and full of enthusiasm. In this concert, everyone has the most desired goal, no matter it's glory, achievement, fame, or money, which they strive to have.

Zhuang's purpose is most direct. She wants a sum of money. After the concert, she can have a rest for a period of time. She also has a sum of money. Ask more powerful lawyers to turn over the case for her parents, find out the truth and return their innocence.

LAN Chu Nian is pursuing her dream and becoming an outstanding musician.

Yemanni and Linxi want to get super popularity, want to be big red and purple, and become super superstars of music.

After today, tomorrow will be the last day of the concert. Zhou Tao decided to give them a day off to rest at home and have a big impact on the concert the day after tomorrow.

Chapter 848

On the last day, intensive training and rehearsal made all four of them lose a lot of energy. On this day, they all chose their own way to relax.

Zhuang wennuan spent time with her grandmother at home. Yemeni and Linxi went to the shopping mall to do some cleaning and decompression. In one day, they bought a lot of luxury goods.

Blue chunian's decompression method: blue Qianhao accompanies her to come out to relax. There is a farm leisure place outside the city effect. There are few people here. Blue chunian comes here to take photos. She has won awards for her photos. So, in addition to singing, she is also fascinated by photography.

For her, she likes all the good things.

In the afternoon, the sun was very good. She squatted in front of a small flower and photographed from various angles. Next to her, blue Qianhao was wearing sunglasses and a dark shirt. She stood everywhere, all of which were the visual effects of top models in Taiwan.

After LAN Chu Nian finished shooting, she suddenly swept the camera and saw the figure of the man around her. She immediately pressed the shutter and took him to the camera.

LAN Qianhao finds out that she is patting herself, and he doesn't stop refusing. He just looks at it naturally, with a slight rise in the corners of his mouth, and the sexy smile lips. At this moment, it also shows a charm that grabs people's heart.

Blue initial read to pat, the heart can not help but be big brother this smile and heartbeat accelerated for a few seconds.

She immediately has such a feeling for herself, and flustered a few minutes, how can she have such a feeling for elder brother?

The blue early read also did not shoot, looked at the time, toward the front man way, "big brother, we should go back."

LAN Qianhao takes a look at the time. It's time to go back. She wants to have a rest earlier in the evening.

LAN Qianhao drives her back to the villa, and LAN chunian returns to the room. He uses the computer to guide all the photos today.

She is checking, in a pile of landscape photos, those two photos of blue Qianhao are particularly eye-catching.

Blue Chu Nian looks at it. She usually adjusts the picture. However, the picture of this man, whether it's composition or the light on his body, doesn't need to be processed any more.

Because that's what he looks like.

LAN Chu Nian always knew that big brother was handsome and charming. Now, she is more and more sure that her big brother is so perfect.

LAN Qianhao came up in a short time. When LAN chunian heard a knock on the door, he quickly closed the photo. He didn't want to find out. She even stared at his photo for more than ten minutes.

At the moment, in the city center, there are many places where fans have pulled up Heng Fu to express their expectation and love for the concert.

Early morning.

Zhou Tao is preparing for the publicity. Most of his investment this time is sponsored by Qiao Muze. Although the company has made money, it has invested too much for the concert.

But Joe Munzer gave him enough money to make this amazing concert.

Zhuang wennuan gets up early in the morning, she accompanies her grandmother on the sofa and says to her, "grandma, this evening, our concert has a live broadcast. You can watch it on this stage at seven o'clock."

"Good! I will stay here and watch my granddaughter perform well. It's warm and you have to cheer up. " The old lady encouraged her.

Zhuang wennuan smiled and took her a look. "I will try my best to refuel." Finish saying, her mobile phone rang, she looked at the shuttle car in the company, she immediately got up and said, "grandma, I'm going first."

Zhuang wennuan went downstairs to take a car and went straight to the direction of the concert. She looked out of the window at the large screen of many shopping malls, which was the promotion of their concert.

She can't help but feel happy and lucky for joining such a powerful company.

Because many women's groups like them are interrupted due to the lack of follow-up funds of the company, while her company has been very willing to invest in them.

This also makes Zhuang warm to the bottom of his heart want to work hard to make achievements to repay the company. At this time, Zhuang warm phone rang, she picked up a look, can not help but happily pick up, "Hello, sister Yinuo."

"Warm, I may not be able to attend your concert. Come on, I will support you behind the screen." Xing Yinuo's encouragement and congratulations came from that end.

"Thank you, sister Yinuo. I'll cheer up." With that, Zhuang asked curiously, "sister Yinuo, are you traveling abroad again?"

"Er! No, I'm in the city. I just can't show up for special reasons. " There was an unshakable joy in Xing Yinuo's voice.

Zhuang warm immediately guessed out, "sister Yinuo, you should not have a baby!"

Xing Yinuo immediately chuckled, "still want to cover it! You guessed it. Well, it just came out three days ago. "

"Congratulations! "Zhuang Nuan is really happy for her.

"Well! Wait for your good news, I will watch the live broadcast in the evening. "

"Good." Zhuang warm smile Mimi way.

Hang up, Zhuang warm warm heart is full of self-confidence, have come from the encouragement of relatives refueling, also have come from the warm support of fans, she must not let them

down. Yemeni and Lindsey set out in the same car. At the moment, both of them are keeping their eyes closed for tonight's performance.

LAN Zhai and LAN chunian set a very early alarm clock last night. Later, they found that when she woke up, someone canceled her alarm clock.

It made her sleep until nine in the morning. However, her sleep quality was very good and the whole person was refreshed.

Lanchunian changed her clothes and went downstairs. Looking at the man sitting on the sofa, she immediately asked silently, "brother, did you turn off my alarm clock? It's time now. I'm almost late."

"I said hello to Zhou Tao. You can be late." LAN Qianhao is reading the newspaper, looking up at her.

LAN Chu read a sigh of relief, but today is the most important day in her life, she hurriedly said, "brother, please take me! I want to go. "

"After breakfast." Blue Qian Hao pointed to her breakfast on the table.

Blue Chu Nian immediately sat down, drinking milk, eating poached eggs and bread.

Blue thousand Hao looks at her to eat very fast, not from low smile a sentence, "don't hurry, time is still very early."

LAN Chu quickly finished eating, turned around and begged him, "brother, now send me!"

LAN Qianhao took the newspaper and got up. "Let's go!"

LAN Chu Nian picks up the bag and happily follows him. As soon as LAN Qianhao arrives at the door, he remembers that he hasn't got his mobile phone yet. He stops immediately and turns around.

And the girl behind him who was already waiting to go out was so straight and hit him in the arms.

Blue Qian Hao reaches out to hold her, "bold ghost."

"You stopped all of a sudden, and blame me." Blue Chu read some grievance refutation.

Blue Qian Hao is provoked by her lovely appearance, reaching out and pinching her face, "watch next time you walk."

"Yes! I have to watch! I'm so cute. If I bump into another man's arms, they won't give it back to you." LAN Chu said happily.

Blue Qian Hao's face slightly sank, very unhappy way, "you still want to bump into other people's arms?"

LAN Chu Nian immediately realized that he was angry. She blinked and said, "I'm just kidding!"

LAN Qianhao realizes that his expression is frightening. He quickly steps over her to get his mobile phone. Behind him, LAN Chu reads to drum up his cheeks. He really doesn't know what big brother is angry about!

Did she say anything wrong?

LAN Qianhao came out with his mobile phone and said to her, "let's go!"

In the villa area of a rich man in the east of the city, in front of the floor window, the man is sorting out the wristwatch on his wrist. Besides the unique wristwatch, there is also a string of sandalwood beads, which makes his whole body's temperament appear particularly noble and complex.

In his mind, Joe Muse thought of the concert in the evening as well as his itinerary meeting today.

Even if he agreed to accompany LAN Qianhao to see, he could not lose his appointment.

The slender body gracefully steps to the garage. In the garage of five parking spaces, there are five different cars, each of which is worth a lot. Three of them are limited edition.

At this moment, the man chose a low-key black car to run.

There are already a lot of fans on the periphery of the concert, and even the business around is very hot. They are waiting for the entrance at 3pm.

At the moment, in the backstage of the cultural museum, there is a rest room. Zhuang Nuan and ye Manni are sitting here for a rest.

Chapter 849

When Zhuang wennuan went out, Linxi came in. She couldn't help sitting next to Yemeni and chuckled, "I just went to see them. They didn't check their clothes."

Yemeni immediately thought of what she had done well, so her plan would succeed.

"That's good." Yemeni smiled a little sinister.

In Linxi's heart, she is absolutely confident about the performance this evening. Moreover, she knows that if there's LAN Chu Nian here, LAN Qianhao will come.

So, she must be absolutely sexy and charming tonight, so that this man can remember her.

When Zhuang wennuan came out from the bathroom, he saw LAN chunian who was in a hurry. She called out, "chunian, you are here. "

" I'm not late! " LAN Chu Nian asked in a hurry.

"No, we are just resting."

"Fortunately, I was hit by my eldest brother today. He turned off my alarm clock and made me oversleep."

The two walked into the lounge together, and the conversation between Yemeni and Lindsey stopped immediately.

After a while, Zhou Tao began to cheer them up. Zhou Tao can become an excellent boss, and his eloquence is absolutely first-class.

So, his words made all four of them feel a kind of passion. For tonight's performance, potential is inevitable.

Today, it's just an ordinary day, but for fans, it's not an ordinary day.

They come from all over the country just for the carnival tonight. They can see their idols and touch them at close range.

At least, it's enough excitement to see their real people.

Since three o'clock, we have been checking tickets. Because there are so many fans today, we must have enough time to check tickets.

LAN cunian and Zhuang Nuan are trying out the sound quality, while ye Manni and Linxi are discussing the makeup with the makeup artist tonight.

All the equipment is perfect this time, so they don't have to worry about anything.

At five o'clock, they began to make up. Because tonight's makeup is changeable, their makeup artist will make up and change their clothes at any time.

In addition, the dance team is also for their exclusive use. Among them, Zhou Tao's Singers come to accompany them and buy them some time to change their clothes.

Zhuang Nuan stood alone in the bathroom and took a deep breath. At this moment, she thought of the parents who left. She thought, if they are still alive.

They will be proud of her if they can see this moment.

She loves music, and her parents are very supportive.

She can have such a good qualification, that is, the cultivation of her father since childhood. Now, she has finally achieved something, but they can't see it with their own eyes, which makes her sad.

LAN Chu came to look for her, saw her here, and cried, "warm, let's go to eat something, or we will have no strength at night."

"Good." Zhuang warms up, accompanies her to walk to the lounge together, Zhou Tao has prepared very rich dinner for them, enables them to have a good meal to start.

At about six o'clock in the evening, LAN Qianhao just came out of the company, and he dialed Qiao Muze's phone, just as Qiao Muze was about to come.

At the moment, at the entrance, a young man was rubbing his hands excitedly. He was Zhang Long who fell in love with Zhuang Nuan at first sight at the party last time. He had no idea that Zhuang Nuan would be a member of the women's group, and she would also have a concert. He tried to buy the best position to enjoy the warm performance of Zhuang on the stage.

He is infatuated with Zhuang Nuan. Now he can't let go.

At 6:15, admission was forbidden, and fans arrived on time.

At half past six, in the VIP entrance room next to the cultural museum, the figures of LAN Qianhao and Qiao Muze stepped in. They were the same tall and slender figures, regardless of their different temperament.

Blue Qian Hao is noble, Qiao Muze is cold, but the same is the charm that fascinates all living beings.

Blue Qianhao's eyes have shown expectations. Although he doesn't support blue chunian's entry into the women's troupe, he never misses her every performance, but every time he sees it, he will be full of fire.

It's not that she didn't dance very well, but that she danced so well. A group of men around him called LAN Chu's name, and gave her a stage name called first love girl.

Seeing her, he felt as if he had a first love. He was really annoyed when he listened to her.

However, the power of fans can really be stopped, and he can only bear it. Zhou Tao himself stood at the door to meet them.

"Mr. Qiao, Mr. LAN, when you arrive, please come in quickly! It's about to start. " Zhou Tao immediately reached out and made a gesture of asking.

"How is my sister feeling?" Blue thousand bright squint Mou to ask a way.

"I've got a lot of experience on stage. Don't worry about it."

Blue Qian Hao nodded, as the investor of this time, Qiao Muze seemed to have no expectation for this concert, he just walked into the venue naturally. The tickets of qiaomuze and lanqianhao were given to their assistants, so at this moment, they all sat on the left and right sides of qiaoshi group and the assistants of lanqianhao group. They watched the two bosses come and immediately stood up to look up to each other.

Qiao Muze sat down, and LAN Qianhao also sat down lazily. He reached out and unscrewed the water beside him and took a drink. Looking at the sufficient equipment on the stage, he knew it was Qiao Muze's contribution.

Backstage, from the beginning of the concert, has entered the countdown of minutes.

Zhuang warm four people have put on makeup, changed and a set of dance clothes. They are all very handsome shirts accompanied by jeans and shorts. However, they are not too short, but normal size, which exposes their long legs.

"Well, you're ready. You're going to the bottom." Zhou Tao ran up and watched the second go. A minute before he left the field, he made a ring of fingers to let the music play.

All of a sudden, in the whole guild hall, the high-quality sound quality flowed out, which was the theme they were familiar with. They couldn't help shouting excitedly.

And the fireworks on the stage are very dazzling. The lighting show plus the dazzling light, as well as the audience figure on the huge screen.

The atmosphere here has been aroused, and just at this time, four beautiful girls singing while coming out handsome.

Their steps, sexy and stylish, their songs penetrate every corner here.

In the crowd, fans are crazy, shouting their favorite name.

In the crowd, the names of Zhuang warm and warm fluctuate with each other, as well as those of LAN Chu. Ye Manni and Lin Xi also have fans, but the base number is not so large.

It's a slightly sexy and energetic dance. The signature move has been familiar to fans.

Zhuang's warm hair lifting action has even charmed a lot of people. Even in these dances, she jumps out of the wild taste.

Because of a very sweet face and her smile, LAN Chu Nian always gives people a sweet taste in her heart.

Yemeni and Lindsey are pure sexy eyes, revealing the flirtation, but, such a way, for fans, has become commonplace, there is no more amazing feeling.

In the dim position, Qiao muzer's eyes fell straight on the girl who was only five meters away from him. Her figure was like an elf. On her, people saw a variety of complex temperament, sexy, lovely, charming and pure. She was like a little wild cat.

After the first song, they stay on the stage and tell their feelings to the fans. When it's Zhuang warm's turn, she just bends a very sincere waist. "Thank you for your support and arrival, dear fans. I hope you have a good night."

LAN Chu Nian's smile is enough to move people, and her voice is also sweet and fascinating.

Under the stage, blue Qianhao's eyes tightly locked her, firmly, like a tightly woven net, without letting go of any expression of her.

And beside, there is a man who says loudly, "Lan Chu Nian, I love you, I love you I love you so much. "

Blue Qianhao's eyes immediately swept like a knife, looking at the man and crazy confession, he put his hands on his knees, clenched into a fist.

Chapter 850

After finishing their personal speech, they immediately flashed back, put on their second suit, and entered the second song. At this moment, the VCR they grew up is playing on the screen, attracting the fans' eyes and watching how they grew up.

The fans who accompanied them all the way saw their growing up, and some of them were moved to tears, because VCR also filmed many difficult places for them, such as their winter practice, performance mistakes, wrestling, which made the fans heartache.

At the VIP table, Qiao's eyes were also fixed on the screen. In many scenes, he ignored the performance of other members of the group, only remembering Zhuang's warm eyes.

Her eyes in the smile, showing strong, stubborn, but also with a belief that she is a very serious girl, but also a bitter life.

He can only regret the news of her parents' death. When he took over the company, he also dealt with the follow-up part of the incident. The police had no evidence to infer the conclusion of suicide, so they could only conclude the case with the definition of double suicide.

When he thought of sending her home that day, she said that she would sue again. It seems that her heart still counted the death of her parents on the head of his company.

I can't blame her, because she was young at that time, and it was her grandmother who had been appealing this matter, but because she was old, she finally gave up.

Now, the girl on the screen, step by step from the green astringent come over, now the Zhuang warm has become more mature.

One side of the blue Qian Hao is paying attention to the screen of Blue first read, see her sitting in the practice room, and the members holding the food box, eating a simple fast food look, he is really hurt.

Moreover, there was the scene of LAN Chu Nian falling down. She covered her feet, and her eyes were red with pain. However, she was strong enough to look at the people who cared about her, smiling and shaking her head, with tears flashing, which made him blame himself.

She never mentioned these things to him.

When the VCR on the stage is closed and opened again, they are standing in the middle of the stage. In the dim light, they are putting elegant figures.

Behind the four of them, a line of men in black tights danced.

Each of them is more than one meter eight, and the dancer's temperament appears rigid, while the girls standing in front of them are petite and charming.

But they stand in front of them, the temperament emanating from them, and men have a contrast of beauty.

This is a statement of power.

When the dynamic music starts and the dance moves in a uniform manner, the men show the hard breath, while they show the soft charm, which makes the fans on the stage feast their eyes.

When they are dancing an action, they turn around. Everyone has a corresponding male partner. Their hands are on their shoulders, and they perform a very charming Latin dance step. With their songs, everything is pleasing to the eyes and the fans are excited and aware of their efforts on the stage.

Unexpectedly, their idol even Latin dance is handy.

However, looking at the Latin Girls on the stage who are cooperating with the male dancers, a man under the stage is angry again, and the blue Qianhao's heart can't stand it anymore.

Mei Mei didn't tell him that she was going to dance with a man. Besides, the man was holding hands and holding his waist. His eyes were hot and wild, and he didn't leave LAN chunian for a moment.

This is the passion shown by Latin dance, the noble and elegant dance.

Qiao Muze's eyes, from the beginning to the end, fall on Zhuang Nuan's body, looking at Zhuang Nuan's high-level dancing posture, and her eyes on the stage are bright, bright and moving, as if her soul is also dancing, which makes people feel her enthusiasm.

When it's her turn to sing, her singing is full of a kind of texture, with a kind of penetrating power, which makes people enter the heart from the ear and enjoy it extremely.

When the second song was retired, other singers under Zhou Tao came to the stage. They just wanted to buy time so that they could prepare the next song.

The third song is a moving love song. It's also their famous song. It makes people smell love.

The four of them changed into their own dance clothes. Zhuang wennuan wore a very soft white dress, while LAN chunian wore a small pink dress. With her lovely and beautiful face, she couldn't look better.

What Yemeni and Lindsey like is that they are atmospheric and sexy. They are black and red, which are very eye-catching colors.

When it's their turn to appear, the style and lighting of the whole stage are changing, like a dream, like entering a dream.

People smell the breath of love, but also like the rain in spring, encounter the heart of love.

The first song is Zhuang Nuan's. when she sticks to the microphone, her eyes twinkle and blurred. The clean and clear song rings, which conveys a warm flow of love into her soul.

Fans, both male and female, love this kind of singing, which is very suitable for the quiet cycle. Qiao Muze's eyes narrowed slightly. He only knew that the women's group was very successful. Besides his money investment, their personal strength was also very good.

Now it seems that Zhou Tao had a good eye for selecting people.

Blue Qian Hao's eyes also fell on blue Chu Nian's body. Under the light, she was dressed in a small pink gauze skirt, which made her two slender legs very eye-catching.

He felt a little stuffy in his heart again for no reason. It seems that he needs to discuss the problem of wearing with her in the future.

In a flash, the 10th song was finished, and the time was also 8:50. Next, there were 16 songs. Zhou Tao invited famous singers to the stage, shifted the fans' eyes, and gave the four girls a chance to breathe and rest.

When the 11th song was changed, yeoman Ni didn't find out, but Linxi, who was on the other side, reached her secretly and asked her to see. At the moment, what Zhuang wennuan was wearing was the suspender she cut, the elastic cloth clothes. If her shoulder belt broke, she would probably make a fool of herself in public. However, it could happen at the concert. Some things are also a point of view.

As long as they dance well enough, they will not be affected by her in the hearts of fans.

It's just that Zhuang wennuan has become a teaser this time.

"We are a team. Now, we are very successful. Next, no matter what happens, we must insist on our performance and not shrink back." Yemeni said very firmly.

At this time, Zhuang Nuan is also very loyal to the cooperation of the team. She nods, and LAN chunian is also inspired. Only Linxi knows that ye Manni says so, which is to hope that after Zhuang Nuan's shoulder belt is broken, she will not be allowed to leave the stage and affect the overall performance.

After ten minutes' rest, they are ready to play. Zhuang Nuan takes a deep breath. For her, she is sure to finish the performance successfully.

Strong music, ye Manni dance is C, so, she was the first to appear, dance very sexy, for her, show sexy has been her biggest hobby.

She likes to watch the male fans fascinated by her.

Then Linxi and LAN chunian, Zhuang warm in the last, the whole dance, are very smooth, eye-catching.

In the middle of the song, after Zhuang wennuan made an action to expand her shoulder, she felt a chill coming from her left shoulder, her eyes immediately swept down, her brain exploded, and her shoulder belt broke.

And because of the broken shoulder belt, the wrapped chest under her also exposed. The wrapped chest can not cover her scenery, and with her fierce dance, the wrapped chest has become very dangerous.

LAN Chu Nian saw it, and she was in a hurry. She was in front of Zhuang Nuan. Zhuang Nuan stepped back and wanted to tidy up. However, the broken shoulder belt couldn't be cleaned up.

The elastic clothes on her body are easy to droop. At this moment, what she shows is her bra.

Fans all saw her and admired her dedication when they worried about her.
