

U. CEO Daddy 851

Chapter 851

But it's obvious that if Zhuang wennuan jumps down again, she'll make a fool of herself. But when she's about to leave, ye Manni's hand suddenly grasps her. When she's back to the fans, she orders, "no exit."

Zhuang warm face anxious, this situation is the first time, she did not know how to do.

However, at this time, there was a man standing up under the stage. He could not stand her jumping.

The long figure of Qiao Muze went to the nearby tuner and said to the tuner, "turn it off."

Then, he stepped onto the stage. The security guard saw that he didn't dare to stop him because of his noble spirit.

When the music stopped suddenly, the atmosphere of the whole hall was quiet. Everyone held their breath and thought about what happened and why the music stopped.

However, on the big screen, there is a figure of a man. He has an extraordinary figure, a steady and elegant pace, and a beautiful and attractive face. This man undoubtedly immediately catches the hearts of fans.

At the same time, let the four girls on the stage stop, shocked and stunned.

Zhuang wennuan, covering his chest, stared at the man walking on stage, unable to believe that he would be here, and he was on stage.

Ye Manni's eyes are also surprised, excited, Qiao Muze, how could he be here? He's been under the stage!

Just when she was secretly pleased with her good performance, she saw that the man took off his suit, dressed in a white silk shirt, and put the suit on Zhuang's warm body. The broad suit was wrapped on her thin shoulder, and the lapel was closed to cover the scenery that Zhuang's warm was about to show.

Zhuang wennuan's eyes are dull and at a loss. This man came to the stage just to put this dress on her?

But in Yemeni's eyes, there was a strong jealousy immediately. She didn't expect that she made Zhuang warm have such an opportunity to let Joe muzer personally send his suit to her.

He's protecting her.

Zhuang wennuan is biting his lips, while Joe muzer goes to the microphone placed at the front, and his deep magnetic voice rings, "please give the singers enough respect, and also give them a little time and understanding."

When he was talking, Zhou Tao asked his men to hurry up and call the four girls on the stage to the backstage.

Zhou Tao also did not happen such a thing, he hurriedly let the host to play a round, and his expression is also very anxious way.

"I haven't thought of such a thing, but fans will understand you. Now, you just need to adjust your mind, change a suit of dancing clothes and prepare for your next performance."

Zhuang wennuan's expression has been a little stupefied. She is still wearing a man's suit. She was really cold and cold just now. Now, she is expecting to feel the warmth in this man's suit.

It's warm.

However, her heart is full of struggle and contradiction.

LAN Chu Nian is a little frightened. It must have happened to Zhuang Nuan. If it happened to her, what can I do?

Just at this time, a touch of figure stepped from the backstage direction, and LAN Chu read and looked up, and immediately had a happy look in his eyes. It was big brother who came.

LAN Qianhao looks at some depressed members of the league. He goes to LAN chunian's side and says, "are you ok?"

"I'm fine."

One side of Lindsey quickly raised a confident charming smile, "Mr. blue, you are also here."

As soon as blue Qian Hao nodded, his eyes fell on blue Chu Nian.

"Well, girls, come on, it's no big deal. Fans understand you." Zhou Tao said in a hurry.

Because the host can't last too long, they have to change their clothes quickly.

When Zhou Tao was on the stage, he asked the staff to check all the clothes immediately, which was absolutely impossible.

As expected, I found out that one of Zhuang's warm jeans had a hole in it, so I made up for it.

Zhuang wennuan also came back to her senses. She gave her suit to a staff member. "Please take care of this suit. It's the guest's."

"Yes, I will."

Ye WanNI is very upset at the moment. She really hates why she cut off her shoulder strap this time. It's her that Qiao muzer came to the stage to dress.

Where can it be Zhuang warm?

"Lucky for you." Ye Manni is not willing to say a word.

Zhuang Nuan frowned immediately. Inexplicably, she had a premonition that her clothes were not broken for no reason. Did anyone do anything?

Especially Yemeni's eyes make her feel like her.

But now she doesn't have time to worry about it. It's not what Yemeni did. She has to bear it.

When they came to the stage again, the warm cheers of the fans showed that their mistakes just now did not make them unhappy. Instead, they respected them and loved them. On the stage, Zhuang wennuan only felt that the pressure was not small. Her eyes would pass because of the light. She saw Qiao Muze under the stage. Although she could not see his expression clearly, she had a strong feeling.

His eyes are on her, which makes her focus on her own songs.

And Lindsey was very good, because she knew that LAN Qianhao was watching under the stage.

However, what she didn't know was that LAN Qianhao's eyes had never been on her, but on LAN chunian.

For Lindsey, LAN chunian is just his sister. As a normal man, he will not always pay attention to his sister. His eyes should be on other mature women.

Like her.

Every time Zhuang wennuan steps down, she has to breathe a sigh of relief, as if it has become a big difficulty for her to come to the stage.

Fortunately, she has dealt with it. Although they are very tired, they have to stick to it and it will be over in half an hour.

I can finish the first concert perfectly.

At the moment, fans are still very warm to them. In the other corner of the stage, Zhang Longgang just saw Qiao Muze present, and he immediately counseled.

Just now he saw Zhuang Nuan make a fool of himself. He thought that he could really see her spring light!

This is the man's idea. He only wants to possess Zhuang Nuan.

Cho did not leave at the end, but in the last five songs, he left with his people.

But LAN Qianhao must stick to the end, because he will go back with his sister.

Now there are so many fans and the scene is so messy. He wants to protect his sister from any interference.

When the light went by, Zhuang wennuan saw that Qiao Muze was not in the position, her heart relaxed again, and she couldn't help thinking for a few seconds, so what about his suit?

She has to give it back to him!

Anyway, just now he came out to help her out. She was grateful to her.

However, gratitude is one thing, but it can't let her give up looking for the truth of her parents' death.

Finally, at the end of the last song, they stood on the stage, gasping for breath, saying goodbye and thanks to today's fans, who are very satisfied tonight.

Zhou Tao invited these tired girls to the backstage and hurriedly sent them away, because he was still worried about meeting crazy fans and irrational fans.

They have to be sent back to the company to rest.

When Zhuang wennuan was about to leave, the staff who kept the suit for her immediately handed her the high-grade customized suit.

Zhuang warms up on his arm and hurriedly goes out.

Sitting in the car, yeoman Ni looked at the Qiao Muze's suit in her hand. She was very jealous.

"Warm, give me the suit! I'll pay you back. " Yemeni wanted the chance.

Zhuang wennuan shook his head. "I'll pay it back myself."

"What do you mean? Do you still want to have a story with Joe Munzer with this suit? Don't get me wrong. He just saved you, not for you, but just for you. " Yemeni wants to make Zhuang warm understand this.

Zhuang warm warm brain some confusion, she also did not know why Joe muzer did so, he really just sympathizes with her? However, she knew that this suit could not be returned to him on behalf of others, but should be returned to him personally.

Chapter 852

The car took them all the way back to the company, and drove them home separately from the company. LAN cunian was picked up by LAN Qianhao, while Zhuang Nuan went home alone in the company's car. Beside her, there was Qiao muzer's suit.

This suit is an expensive customized suit. She can't lose it. She needs to return it to him intact.

Back home, grandma has fallen asleep. She gently went back to the room, opened the news, forum, and tonight's concert. Many fans have participated in the discussion, but there is another thing that fans have been talking about. That is the identity of the man who went on stage to dress Zhuang Nuan's suit.

Joe muzer often appears in business magazines, so his identity is not so mysterious. Anyone who works in the media can recognize his identity. At this time, fans focus on the relationship between him and Zhuang Nuan.

Zhuang wennuan's face is red and his ears are red, and his breath is held. These pink lines think that she and Qiao Muze are in love? He's the man behind her?

The fans' brains are very wide open, and even some people have sent blessings. In Zhuang warm's heart, even though there are 10000 people who are unwilling to accept such misunderstandings, the ferment degree of this event on the Internet is really fast and amazing.

Even their concert enthusiasm can't catch up with her relationship with Joe muzer.

Fans with rhythm, even the main pages of major media, are quickly put on the news to win eyeballs, collect heat.

When Zhuang wennuan didn't come back to watch after taking a bath, her news and Qiao muzer's news immediately went to the top of the hot search list of famous websites.

Zhuang warm point open, the following comments immediately increased to 150000, just a short hour's time.

Zhuang did not dare to read the following comments. She turned off her cell phone in a hurry, leaned on her arm and closed her eyes.

Such a scandal is not the best way for her to increase her fame, which makes her miserable.

However, such news is not only seen by her alone, but also by yemanni and Linxi in the hotel. They are both about to blow up. They are not as hot as a hot scandal in the hotel. The full screen is full of the names of Zhuang Nuan and Qiao Muze. Where else is their news? Now it's too late for Yemeni to regret.

If it wasn't for one time of her malice that Zhuang wennuan made a fool of herself, where would the incident of Qiao muzer delivering clothes on stage happen? It doesn't make fans think they're developing.

They can brush down their comments one by one. They have no more emotions than jealousy and resentment.

When LAN Chu came back home, she took a bath and brushed the news for a while, watching the story of Zhuang Nuan being publicized, she couldn't help thinking happily that if Nuan really had to be with Qiao muzer, that would be fine.

Joe muzer should be a good man, because he sent clothes tonight. It's really warm!

Warm should be very touched! Maybe they will be together!

Blue Chu read is looking hard, the door was knocked, she quickly hid her cell phone, pulled the quilt high, covered her upper body in pajamas, "come in."

LAN Qianhao, with a glass of water and two tablets in his hand, sat down in front of her bed and said, "take two throat protecting pills."

Blue early read immediately a warm heart, smile to take over, drink down, raise eyes way, "big brother, you really intimate, I forgot."

"That's because you are too careless to take care of yourself at all." LAN Qianhao reached out his hand and nodded her forehead. Thinking of her lovely and charming appearance on the stage tonight, he had to admit in his heart that she was really liked.

LAN Chu read and immediately giggled, "it doesn't matter if I'm careless with my eldest brother!"

Blue thousand Hao's eyes immediately slightly sink, language place is low dumb a few minutes, "you are sure you will be around all your life?"

Blue Chu read a Zheng, inexplicably feel a hot face, ha ha a smile, "then I'll find a boyfriend later, just like big brother you!"

Blue Qian Hao's face became ugly. He snorted, "why do you want something like mine?"

"Because I will take care of me like you!"

"No one in the world can treat you better than me." LAN Qianhao said confidently.

Blue read at the beginning, almost want to blurt out a word, but fortunately, she quickly swallowed back.

She would like to say that if elder brother could take care of her for life.

She knew how serious the consequences would be if she really said that! He's going to scold me to death.

"Big brother, I'm sleepy. I want to sleep! See you tomorrow. " Blue Chu read to him.

"Go to bed early. Don't look at your cell phone." Blue thousand Hao low command a, took the cup to go out.

LAN Chu Nian curled up and lay in the quilt. When she heard the door closing, there was still a buzz in her brain. Which nerve was not online just now! She should have thought that way. It's unforgivable!

Early morning.

Zhuang wennuan opens her eyes. It's bright outside the window. When she looks at the time, it's 9:30. Because she's off today, she cancels the alarm clock. Unexpectedly, she overslept.

She stretched out, which must have been the most relaxed day of her time. Since the day when she started to hold the concert, her heart strings have been tight. Now, it's relaxing.

And although there was an accident at the concert, it turned out to be very successful.

Zhuang wennuan looked up and saw the man's suit that she had hung on the hanger last night. Her heart string was immediately tightened again. She forgot to return the man's suit.

When she came out, grandma left her breakfast. She went out for morning exercise.

Zhuang warm eat breakfast, while looking at the mobile phone, she opened last night's news, message has more than 500000, she almost choked for a while, she does not understand, why this matter ferments so fast.

She really hoped that the fans would stop discussing and fermenting about it.

At this time, her mobile phone rang, she looked at Zhou Tao, she quickly and seriously picked up the expression, "Hello, President Zhou."

"Warm, you see the news! The scandal between you and Mr. chamuzer is really getting worse and worse. " Zhou Tao at that end is also very helpless about this matter.

Originally want to buy out this hot search! A sum of money is the same thing. Just after their concert, they bought up the hot search, which will definitely cause the fans' speculation and questions, and also affect the reputation of Zhuang Nuan.

But let it ferment! Now it's really more difficult to wash. It seems that Zhuang Nuan and Qiao Muze really have to be together.

"President Zhou, what should I do?" Zhuang wennuan also has a headache.

"Now we can only wait for the fans to calm down, and then find a suitable opportunity for you to come out and clarify. As for Mr. Qiao muzer's side, I will go to have a discussion."

"OK! This is the only way. " Zhuang thought, no matter what she said at this time, it will only lead to greater discussion, she still keep silent!

However, she will still think about it. Joe muzer knows about it. What does he think? Does he think it's funny?

In his capacity, and she tied together to spread rumors, he will feel that damage his reputation?

Zhuang wennuan's mind is a little confused. When she thinks of his suit, she has to send it back to his company as soon as possible.

Best, let her front desk give it back to him. She doesn't want to see him.

After Zhou Tao called Zhuang Nuan, he did not hesitate to call Qiao Muze. He must have contacted him for three years.

He believes that he will never care about the scandal.

"Hello!" A deep magnetic male voice sounded.

"Mr. Qiao, I'm Zhou Tao. I want to report to you the scandal between you and Zhuang Nuan last night."

"I see it." The man at that end said quietly.

"I'm sorry for the trouble." Zhou Tao apologized.

"It's OK, just ignore it." Cho did not care about it.

"Thank you, general Joe. I was scared last night. I didn't expect this to happen. You saved her reputation. I thank you for her." Zhou Tao is very good at communication and does well in all aspects.

"No." Joe muser replied, "I'll have a meeting first."

"OK! You are busy. "

Zhou Tao is waiting for the end to hang up, and then he gives a light sigh.

Chapter 853

Finally, this matter is settled. In fact, we can have an affair with Joe muser, but it immediately gives Zhuang Nuan a big reputation, which is a good thing!

At this time, Zhou Tao's cell phone rang again. He saw Ye Manni, and he quickly laughed and picked up, "Manni! What's up? Is the rest all right? "

"Brother Tao, you have to make up your mind for us. Why do we hold concerts together? Now there is only the name of Zhuang Nuan on the screen? What about us? Don't we have any heat? " "That end ye Manni says very jealously.

"Mani, don't worry. Your concert was a great success. All the fans on the Internet were very well received."

"I know, but our concert is not as famous as Chuang Nuan's scandal! It's ridiculous. " Yemeni was there mocking.

"Mani, you are a team. Please forgive each other." Zhou Tao can only comfort.

"Hum! It's not fair. " Yemeni hung up angrily.

Zhuang wennuan finished her breakfast, and she went out to the nearby supermarket to buy vegetables. At noon, she wanted to accompany her grandmother to eat at home.

At the dinner table, the old lady saw the concert last night. She was very happy to see her granddaughter become a singer. She was also very proud.

"If your parents are here, they will be proud of you." The old lady exclaimed in excitement.

Zhuang warm warm meal action, looked up to grandma, "grandma, my parents that year, why you did not sue down, you choose to give up?"

The old lady's eyes were red. "I don't want to! But appeal for money! We have nothing to do with asking lawyers for money. We need money in all aspects. I just want to keep some money and raise you well! "

Zhuang wennuan clenched his fist and asked grandma, "grandma, do you believe my parents will commit suicide?"

"No, I absolutely don't believe that my daughter will commit suicide. Your parents are people who think it will work. They won't commit suicide because of these things."

"So he killed them? It must be. The murderer is still at large. I can't let my parents die unjustly. " Zhuang warm eyes, full of a firm, she must find out the truth.

When the old lady saw that she was so excited, she had to sigh, "warm, live a good life!"! Don't think about these things. You can't fight them. "

They, of course, refer to the powerful Joe group.

"No, I'm sure I'll bring the truth to justice." Zhuang won't give up. When she gets the money, she begins to sue.

"Warm, when I go to see you in the morning, there is a man's suit in your room. Whose is it?" The old lady asked curiously. Last night, she didn't insist on seeing the last part, so she missed the part of Zhuang wennuan's jacket hanging from the platform.

Zhuang wennuan's face was tense for a few minutes. She supported her hand and said, "it was a staff member last night. He lent it to me to wear it back. I will give it back to him this afternoon."

"It's a little cold at night. You have to wear good clothes. Don't get cold and sick. There are other people's clothes. You'd better return them as soon as possible!"

"OK, I'll pay it back in the afternoon." Zhuang wennuan dare not tell Grandma, this suit is Qiao Muze, the current president of Qiao group.

After dinner, Zhuang wennuan had a rest at home. Then, she began to dress up as an overseas Chinese to go out. She still has a set for going out.

She changed into an ordinary Hoodie, tied with a ball head, wearing a mask, and a pair of black frame glasses. If she wore sunglasses, she would be very ostentatious. Therefore, she would be more integrated into the public with simple black frame eyes.

After dressing up, Zhuang wennuan went out. She took a taxi on the road. However, she didn't know that there was a paparazzi from her company who followed her to her home last night. Now she was crouching in her house for a long time.

Even in the morning, she bought several pictures of food. Now, they are going to follow her out.

Now Zhuang wennuan is a person on the top of the wave. Any news about her is very valuable.

All the way to Chuang warm, it's Joe's group, the paparazzi following behind them, who also realized the direction she was going to, can't help thinking about it, is this scandal true?

Zhuang wennuan and Qiao Muze are really dating each other? Otherwise, why does Zhuang wennuan go to his company to find him? Anyway, if Zhuang wennuan really went to Jody group.

Then the news is very informative.

Zhuang wennuan really came to Qiao's group. She packed her suit in a big bag, and it was not obvious that it was a suit outside.

The paparazzi immediately photographed her back when she entered the Joe group, and also fished in the water into the hall.

Zhuang wennuan went to the front desk, immediately pulled up his mask, and said to the front desk lady, "Hello, is Mr. Qiao muzer in the company?"

"What's the matter?" The receptionist didn't answer her, but asked her back.

"Well, my friend asked me to return a suit to him." Zhuang Nuan deliberately changed his voice. The receptionist's eyes brightened as soon as she heard, "is your friend Zhuang warm?"

"Yes, I'm her assistant. She asked me to deliver the clothes. Can you give them to Mr. Qiao?" Asked Zhuang Nuan.

The front desk lady immediately said excitedly, "why doesn't miss Zhuang come here by herself? She has such a good relationship with Joe! "

It seems that even the whole Joe Group employees know about it, and believe it.

Today, Zhuang wennuan deliberately defaced herself, and ordered a few moles beside her eyes, so that the front desk didn't recognize her.

"Well, she's too busy to be free! Can you return the suit to him instead of me? "

The receptionist immediately smiled at her, "just a moment! I'll call the general office first. "

The front desk immediately dials up the phone, which is answered by Qiao Muze's assistant. The front desk says several people, and then he says to Zhuang Nuan, "general manager Qiao's assistant will come down and take it in person. Please wait for a moment."

"OK!" Zhuang warm nodded and sat on the rest sofa next to him.

At the door of the general office, Hu Hui, Qiao Muze's first assistant, hurried out, but he didn't want to meet Qiao Muze back at the corner.

"Mr. Qiao, the suit you sent to miss Zhuang Nuan last night. She sent someone to pick it up. I'll get it now."

Qiao Muze squinted, "who sent it?"

"The front desk said it was her assistant."

Qiao Muse had a premonition that this assistant would be Zhuang wennuan himself. After a few seconds of meditation, he said to the assistant, "you let the front desk lead this man up now."

"Mr. Qiao, would you like to see her in person?"

"Well!" Joe Munzer finished, walked to his office and dropped a sentence, "bring her to my office."

Zhuang Nuan was waiting patiently for Qiao muzer's assistant, but he didn't expect the front desk to come up to her and said, "Miss, please follow me up."

"What's the matter?"

"General Joe's assistant said," let's go up. "

Zhuang warm warm thought, is his assistant very busy to leave? So, let her send it up, she nodded and said, "OK!"

Zhuang wennuan followed the front desk into the elevator, and the front desk immediately took the opportunity to call her and say, "is Miss Zhuang really dating US Joe? How long have they been dating? "

Zhuang warm black frame glasses under the eyes, flustered blinked a few times, "I don't know, it seems that this is not the case."

"Even you don't know! It seems that they really have a secret relationship. If it wasn't for the warm shoulder strap of the concert villa, we wouldn't know about their relationship! "

Zhuang warm at the moment, the heart is broken, it is simply an accident.

At this time, the elevator has stopped at the sixty eighth floor. When Zhuang warm stepped out, the scenery outside the window has changed like a sky, which makes her feel like walking in the clouds.

She took a deep breath and followed the steps of the front desk lady. At this time, Hu Hui stood there waiting for her. "Miss, please follow me."

Zhuang wennuan is a little surprised. Isn't her suit given to him?

When the front desk lady left, Zhuang wennuan asked, "who can I give my suit to?"

Hu Hui smiled, and had arrived at the door of a very luxurious office. He reached out and knocked, then pushed the door open, "come in, miss."

Zhuang warm a Zheng, she blinked, bold step in, behind the door closed.

And she walked behind a modern screen, in front of the French window, she saw a tall and slender figure, Joe muzer.

Chapter 854

Zhuang warm breath a smothering, when she came, thought, absolutely do not want to see him, but only to see him.

"That Your suit, please. " Zhuang warm flustered out the voice, put the suit on the sofa, and planned to turn away.

"Miss Zhuang, don't you want to talk to me?" Cold not Ding, a low addicted male voice from behind her.

Zhuang warm brain buzz, her disguise, he even saw through at a glance, unfair, she spent more than an hour painting makeup ah!

When Zhuang wennuan saw that she had been identified, she had to turn around and look directly at the man in front of her. "I'm very grateful for your help in the concert, but that doesn't mean that I will give up investigating the truth of my parents' death. We will meet in court."

"Do you really want to sue me?" Qiao Muze's eyebrows are folded and his eyes are smooth and tight.

Zhuang warm firm nod, "I will not give up."

Qiao Muze couldn't help but chuckle, "what's Miss Zhuang's opinion about our gossip on the Internet?"

When it comes to this, Zhuang's face is so hot that she swallows the water. "You and I all know that this is not true, so I want to come out and ask you and me to be clean after this storm."

Qiao Muze's eyes looked at this girl, who dressed herself as a passer-by. She even wore clothes, which covered her figure very much. However, in his mind, he still remembered her appearance on the stage.

Sometimes pure, sometimes amorous feelings, sometimes handsome, and also don't forget her shoulder belt broken, her panic expression on the stage and help like eyes.

"Very well, I hope so." Joe Muse nodded.

"I don't have time to wash the suit. If you mind, I'll send it to the dry cleaner immediately and send it to you after washing." Zhuang wennuan is worried that he will dislike her.

"No." Qiao Muze shook his head and looked at her. "Miss Qiao, if you want to know the truth, you don't need to sue me. I can help you to check it again."

Zhuang's warm face changed a little and soon became gloomy. She said to her teeth, "no need."

If the cause of his parents' death is related to the company, what truth is he going to cover up? She can't let him participate in it. She can only check it herself.

"Goodbye." Zhuang wennuan turns and leaves.

There was a deep male voice behind him, "Miss Zhuang, we'd better not go there, otherwise, I can't guarantee the result."

As soon as Zhuang's steps stopped, she clenched her teeth. She could hear that in this man's tone, there was a very strong sense of arrogance and self-confidence. It seemed that she would be the one who was defeated, and she would be the one who was embarrassed.

Zhuang wennuan turns around abruptly, and her black frame glasses can hardly cover the light in her eyes. "I know you have the right to have power. I know I can't afford to hire a powerful lawyer, but I'm not going to do my best to bear the truth. Don't be complacent. I won't give up."

"If you want, I'll be with you at any time and accept your prosecution," he said

Zhuang warm heart but inexplicably more gas, the tone of this man, as if he is very confident, as if all her playing, and no threat to him.

"Let's see." Zhuang warm fell a cruel words, there is no momentum.

Zhuang wennuan left, behind Qiao Muze's eyes, but the color of meditation. It seems that he still needs to pay attention to this matter. Zhuang nuanza is a small matter, but if she does something bad for his company, he still needs to stop it in time.

Zhuang wennuan came out of the company's gate, and was immediately photographed by the paparazzi several times. Zhuang wennuan felt that there was a light shining in her eyes. She turned her head and saw that the paparazzi had photographed her.

She quickly reached for a cover, her heart was very flustered, she quickly stopped a taxi, opened the door and sat in, urged, "master, please hurry up, my ex boyfriend is following me."

Pull her is a female driver, immediately after hearing very sympathetic to her, hurriedly stepped on the accelerator left.

After that, the paparazzi was successfully thrown away, but Zhuang wennuan felt that her family should be known by the paparazzi. In this way, she should change her residence. Although the paparazzi lost their heels, they had a big news in their hands!

Zhuang warm private meeting Qiao Muze.

It's hot enough! This is in last night and the fierce material, plus a fire.

Let the scandal spread more and more!

Shortly after Zhuang wennuan got home, her mobile phone rang. She picked it up and saw that it belonged to Ye Manni. She screwed her brow and picked it up. "Hello!"

"Zhuang Nuan, do you really take yourself as Qiao Muze's girlfriend! How did the paparazzi get a picture of your clothes? Did you ask the paparazzi to follow you on purpose Asked the exhilarating quality of Yemeni.

Zhuang's face turned white. She denied, "I didn't! I'm just going to return the clothes. "

"But do you know the title of the Internet now? It's you who meet Joe Munzer in private, and you're still in the office with him! ""What? Who scribbled? There is no such thing. " Zhuang Nuan's heating has exploded, and he is going crazy.

Who scribbled about these things?

Ye Manni listened to her voice and was very angry. She sneered even more. "Don't play here. We are all a team. Now you are known all over the country. How about the three of us? It's all under your pressure. "

"I'm sorry, I didn't think about it." Zhuang Nuan apologizes.

"I really regret cutting your shoulder belt. If it wasn't for me, would you get Joe muzer's suit? Are you burning like this? " Yemeni was so angry that she told the truth.

Zhuang Nuan's face turned red with warmth. "Mannie, it's really you! Why do you do such a thing? We're all a team. You're going too far. "

"Yes, I did, but I regret it. I regret it." Ye Manni sneered at herself.

"You How can you do that? " Zhuang is extremely warm.

"Don't you have to thank me? Without my cut, you can't have sex with Joe Munzer! Look at you. Your news has pushed all the first-line celebrities to the back. Stepping on the three of us, you monopolize the scenery. Won't your conscience hurt? "

Zhuang Nuan smiles bitterly. Is that what she wants? All she wanted was a quiet life and rest after the concert.

"If you want such a view, give it to you." Zhuang wennuan retorts to go back.

"Zhuang wennuan, you don't have to pretend to be pitiful here. I despise you for being cheap and being good." With that, Yemeni hung up.

Zhuang wennuan gasped for breath on this side, holding her face. She really cried and her eyes were red.

At this time, she was really aggrieved. Others thought she would be happy when she was red. Only she knew that she didn't want these fame at all, not to mention that she was tied with Qiao muzer to be famous.

Chapter 855

Zhuang wennuan can't even watch the news on the Internet now. She doesn't want to turn it over. What she turns over is that she and Joe muzer are tied together to have hot affairs.

What's more, in order to win the attention of these media, everything can be made up, and she is afraid to watch it now.

Three days have passed since the concert. In these three days, they all rest in their own homes. Zhuang wennuan asked the company to come out and let the company's people rent her a house nearby. Now, she can't live any longer. She doesn't want those paparazzi to disturb grandma's life.

In the name of the company, Zhou Tao quickly rented her a set of two rooms and two bedrooms in a relatively high-level apartment. If the rent is enough, it's what Zhuang wennuan can afford now. Moreover, the security system here is very good, which can prevent paparazzi from entering and leaving.

Zhuang wennuan has been very satisfied. Moreover, due to the leakage accident in the bathroom where she lives now, Zhuang wennuan advised her grandmother to move out together, and she would let people redecorate the old house.

When the old lady was moved, she moved with her.

All of this, Zhou Tao will ask the company's employees to help her, because she can't contact the outside world now. Best of all, all her information is blocked.

Zhou Tao took special care of Zhuang Nuan. She was the only reason Qiao Muze supported his company.

Without the existence of Zhuang Nuan, he would not have been able to set up such a famous women's League, nor to operate it to the present level.

Therefore, the importance of Zhuang warm can be imagined.

A week later, Zhuang wennuan moved, and her newly rented room was also packed, so she just cleaned up some grandma's clothes and went back to the old house.

And here, there are a large number of paparazzi waiting to shoot her news, but a few days later, they did not see Zhuang warm and then left.

They know that Zhuang Nuan is protected by the company.

Since the concert, everyone has had a rest for half a month. Zhou Tao called them back to the company today, because the cost of the concert has been settled back. Now he needs to settle these costs to the same person in the way of sharing.

What Zhuang Nuan needs most now is money. Even if Zhou Tao didn't add a few points to her share, she didn't care.

While sitting in the meeting room, Yemeni and Lindsey's faces were very ugly and composed.

And LAN Chu Nian understands Zhuang Nuan's mood very much. She would like to add her extra share to her, because she does not lack money, but Zhuang Nuan needs it.

When Zhou Tao went to talk to the financial people, there were four of them sitting in the conference room.

Ye Manni sees that LAN chunian is still very good for Zhuang's warmth, so she can't help but want to pick out the divorce.

"At first, I'm not worth it for you! You're no worse than her! You have more fans than her, but now, she doesn't know how many times as red as you! You comfort her. "

LAN Chu read out her words, and she immediately said seriously, "honey, we are all sisters. Shall we not hurt each other?"

Lindsey also snorted coldly, "as long as you are kind, is our regiment still like a women's regiment? It's her name everywhere, and our women's group has been left behind by fans. I wonder if our group can last until next year. "

"Don't do that. I believe we are a very good team. We will be together." Said LAN chunian firmly.

Zhuang wennuan's eyes are red with heat. She looks up at Ye Manni, "who intentionally cut my shoulder belt and wanted to see me make a fool of myself, isn't it you? Now, it's you who made it all. Why do you blame me? "

"Tut Tut, I helped you with the fire. You blame me, don't you thank me?" Yemeni asked with a sneer.

"Mannie, some of you don't expect her to be grateful!" Lindsey cheered on the fire and watched the excitement.

Zhuang wennuan immediately closed his eyes, holding his face, and didn't want to talk.

At this time, Zhou Tao came back. "The financial department said that if there is no mistake, the money will be paid tomorrow. Oh, there is another good news for you. We have a job. Please take part in a performance. You are ready!"

"What kind of activity is it?"

"In our country, the only hotel with more than seven-star standard is opening ceremony. They are recruiting a huge show. It's a great honor that you are selected."

"That's the chamuzer family hotel?" Yeoman Ni immediately surprised eyes, has been watching the news of the start, did not expect so soon has opened.

"Yes, it's the hotel under the name of Joe's group. Now there are many artists who want to show their faces in this show, because it's a great honor."

Zhuang's warm face is a little pale. His hotel show? Her first thought was not to go.

"President Zhou, your news makes someone very happy!" Yemeni said in a veiled voice. Zhou Tao immediately said solemnly, "don't fight among yourselves. Warm and Qiao are always the news of being fired. Others don't know the inside story. Don't you know?"

Yemeni didn't believe it, she thought, Zhuang wennuan must have seduced Qiao Muze behind their backs.

Well, even if there is still a chance to get close to this man, she must not admit defeat. She must seize all the opportunities to climb on Qiao muzer, and then she will squeeze Zhuang Nuan out.

At that time, the rumours of her affair with Qiao Muze are flying all over the sky, which is the most vicious counterattack to Zhuang Nuan.

"First read, will your eldest brother go?" Asked Lindsey at once, pretending to be curious.

Blue Chu thought about it and nodded, "I think I will go! He and Mr. Chamuzer are good friends! "

Linxi's heart immediately filled with expectations. If she could see blue Qianhao there, she would have the motivation to work hard.

Zhuang Nuan is silent. She is not happy with the performance.

Zhou Tao immediately called her name, "warm up, cheer up. This performance is also very important. You can't make any mistakes. You just successfully held a performance. You have strength."

Zhuang Nuan nodded, "OK, I'll get ready."

Yemeni said to Lindsey, "let's go first!"

When Zhou Tao got up to leave at the beginning of the blue school, he called Zhuang Nuan, "Nuan, stay here, I have something to say to you."

Zhuang wennuan didn't leave her seat. LAN Chu read to her and said, "I'll practice singing first. You'll come to me later."

"Good!"

When LAN Chu wanted to leave, Zhou Tao saw that the door was closed, so he approached some Zhuang Nuan. "Nuan, you know we have extra bonus this time! This time I'm going to give you all the bonuses. "

"President Zhou, how can I do this?"

"That's the meaning of the leader above us. You have made a particularly outstanding performance this time. So, the bonus part is even under your name. Tomorrow, you check your account and the money goes into your card."

Zhuang Nuan was slightly shocked. She blinked, and finally asked curiously, "President Zhou, can you tell me who the big boss is above us?"

Zhou Tao's face was slightly taut. He shook his head and said, "I can't say that as long as you know that he has been supporting our team, without him, there would be no today for you, so you can't let him down."

"Tell me! He's been supporting me, and I should take the opportunity to say thank you to him. " Zhuang Nuan really wants to know who is the big man behind him.

"Warmth, as long as you work hard to do yourself well, you will repay him." Zhou Tao finished, turned and left.

Zhuang warm warm sits on the position, there is some blank in her mind, as if there is a gray shadow in her mind, and the shadow, which is the great figure in Zhou Tao's mouth for the past three years, is the mysterious person who never revealed his identity.

Whether he is a man or a woman, tall or thin, what career is he doing? Zhou Tao never prompts, so this man is a vague shadow for her.

She thought that if she had the chance to know who he was, she would thank him very much, because in the past three years, he has taken great care of her, and every time Zhou Tao mentioned him specially.

Chapter 856

Just like the last time she sang privately, he also forgives her very magnanimously and does not pursue her responsibility.

When Zhuang warm thought of performing at the opening meeting of Qiao Muze's Hotel, she felt an invisible pressure.

After she came out, LAN Chu Nian took her to practice nursery rhymes together, and this performance is on this Saturday, so their time is also tense.

Zhou Tao means that what they perform on stage is the main song of a new album they just released.

In the afternoon, in the practice hall, yeoman Ni is talking about her opinions with her arms around her. She felt that there was something wrong with the choreography before, and she wanted to make it up again.

Because this time I want to show it to Qiao Muze, because he must be under the stage, so ye Manni began to pick up the idea that it didn't look good before she made it up.

"Time is very tight. We don't have much time." Blue Chu read and frowned.

"This time! I think we should come out with pole dancing. " Yemeni used to do pole dancing in bars for a long time, so she was the best at it.

The blue early reads not from the tiny gaping eyes, "are you sure?"

"I'm very sure. Which of the women's groups doesn't follow the sexy style? It's just that we've been skipping the traditional style, you know it's going to be out of date sooner or later. "

"I agree." Lindsey hands up.

Zhuang Nuan frowned. She really didn't like to be too wild, and she danced suggestively. What's more, she still danced in front of Qiao muzer. She blushed when she thought about it.

"At first, don't you want to make a breakthrough? I think we should give it a try, and it will definitely set off a better response. "

In LAN chunian's eyes, she had no prejudice against pole dancing, but it was all a form of dancing. She kept a respectful attitude. She swallowed the water channel. "You can try it."

Zhuang warm deep breath, she had to say, "OK, according to you!"

"I'll choreograph and practice tomorrow." Yemeni holds the dominant position.

The next morning, Yemeni made up a dance, and four pole dances were also prepared in the training hall. Because their main song is a more vigorous youth song, it is also suitable for the presentation of this dance.

Ye Manni's dance is a special foil to her and Linxi, because they are in the main position, while the dance elements of LAN cunian and Zhuang Nuan are relatively simple.

Zhuang wennuan also saw through Ye Manni's mind. The reason why she wanted to choreograph again was that she was famous for herself, and she also let her seize the fame.

Zhou Tao also enjoyed their bold new dance. After watching it, he thought it was good, because he also intended to develop his team into a diversified one.

When Zhuang Nuan is doing some actions, Qiao Muze's face is always in his mind. Therefore, her actions are relatively rigid, and ye Manni does not blame her.

She just chose what Zhuang Nuan is not good at. Only in this way can she become a green leaf to accompany her.

Qiaomuze's new hotel name is the name of Tianxi international hotel.

The opening ceremony of the hotel can be called a grand celebrity meeting. It's an honor to be invited to the ceremony.

In addition, there are many well-known musicians participating in the performance, the scene is very grand, even the tickets for the ceremony are limited.

In a flash, it's the last day of Friday, and their dance rehearsal is coming to an end. They can go to the stage already. LAN Chu Nian can also feel the hesitation in Zhuang's warm movements. She has practiced with her several times in the dark.

However, there is pressure in Zhuang Nuan's heart. She can't jump well. Now, she can only cope with playing.

"I think Manni is willing to fight for you. You didn't touch steel tube dance before, and I shouldn't allow it." LAN Chu Nian is also a little upset.

"Come on, first time, I know you love dance very much, and this kind of compensation can't be paid. If we just stop, the future development is also very limited." Zhuang warm comforted her.

"Warm, come on, tomorrow will be on stage. I'll go back first. My driver will pick me up."

"Well! I will. " Zhuang Nuan nodded and watched her leave with a smile.

Keep practicing.

When LAN Chu read out of the door, when she looked at the afterglow of the evening, that dark blue sports car, she couldn't help but be shocked. How to pick her up, not Uncle Chen, but brother?

Blue Chu read to open the copilot seat to sit in, looking at a graceful man, smiled and asked, "elder brother, how are you coming?"

"Don't like me coming?" LAN Qianhao looks at her smiling face and wants to reach out and pinch it.

When I was a child, LAN Chu read this beautiful face. I don't know how many times it was poisoned by him. He had to pinch it twice every time.

Now that he has grown up, he has to restrain himself. However, the idea of pinching her face often comes up.

"I like it! I'm afraid you're busy! " Then LAN Chu said with a smile, "elder brother, will you attend the opening ceremony of Qiao Muze's hotel tomorrow?" "It depends. What's the matter?"

"Nothing." LAN Chu read a heartless smile. She hasn't told elder brother that she is going to perform pole dance tomorrow!

Otherwise, if he knew now, he would scold her to death!

"I may be late. I have something tomorrow." LAN Qianhao thought that she was eager for him to go, "but I will try to find time to come."

"Brother, it's OK. You're busy first!" Blue early read immediately smile eyes curved, still with the girl's childish face, finally let the man do it.

He raised his hand, pinched her soft cheek, and felt satisfied.

"Pinch me again." Blue Chu Nian will complain.

"Well, not next time." LAN Qianhao laughs happily, but next time, he can't help it.

LAN Chu Nian doesn't believe him anymore, but she doesn't blame him. Instead, when he pinches his face, she will feel his doting.

Zhuang wennuan didn't go back until 8 p.m. in the company's car. Mingzai is the day to perform in Qiao Muze's hotel.

Now, although her card has money, she still has no time to find a better lawyer. When she finishes the performance, she will ask for leave.

Tomorrow, the opening of the hotel is also publicized on the Internet. The huge advertisement, the hotel in the cloud, has become an amazing brand all over the world.

This is the top hotel built by Qiao Muze after three years. Today, three years later, it is officially opened.

From this hotel, we can see the strength of Joyce group, because it is luxury in luxury.

Early morning.

Zhuang wennuan is awakened by the alarm clock. She immediately opens her eyes. Their performance time is about 11 o'clock in the morning, so she must not be late.

This morning, the news on the Internet was also dominated by the opening ceremony of this hotel. Almost all the media are reporting this event. At the same time, the name of Qiao muzer is often seen. He personally participated in the design of this hotel. With the team he recruited, he spent three years to build the world's top hotel.

Zhuang wennuan sat in the car and narrowed for a while. In a short period of ten minutes, she had a nightmare. She dreamed that she was ugly again on the stage. Then when she was in despair, she reached for help with her hands.

She looked up and saw that the man was Joe muzer, and she woke up in shock.

She opened her eyes, the window was still the street of cars, water horses and wheels, and in her mind, it was the aftershock of the dream. No, she absolutely didn't want to have any contact with this man.

Now that she and he have been linked, she doesn't want to have more material for the media to scribble.

When Zhuang wennuan arrived at the company, she began to change clothes because she was afraid that she would be late there.

She took the high British Wind long tube shoes and put them in. As soon as she put on her left foot, she felt a sharp pain on the sole of her foot. Because she stepped on it forcefully, a sharp object pierced her skin directly.

Zhuang Nuan immediately twisted her eyebrows and took off her shoes. She saw that there was blood oozing from her white sole. She reached for the sole of her shoes and felt for it. A little spear nail didn't know when it came into her shoes.

All she felt was a sharp pain in the soles of her feet.

Chapter 857

Zhuang Nuan is suffering from pain. Her eyes immediately look at Ye Manni. She sees that ye Manni did not look at her at this time. Moreover, there is not a satisfied look in her eyes.

Zhuang wennuan looks at Linxi next to her again. She is wearing her shoes and talking to LAN chunian.

Zhuang wennuan thought that they were deliberately damaging her again.

She took a quiet look at the small nail in her hand, as if it was really the kind that the shoe factory would use. She couldn't help thinking about it.

Is it possible that one of her shoes was carelessly dropped here by the designer?

Zhuang warms and secretly throws the nail into the garbage can aside. She resists the pain of her foot and puts the shoes in.

Ye WanNI now put on her clothes. The clothes designed this time are tight and handsome short leather skirts, matched with a leather coat, which are very handsome.

This is what Zhou Tao asked for, that is to say, they want to do pole dancing. He has no objection, but he doesn't want his members to become a nightclub style.

So, this time's clothes make them show the essence of music even if they dance pole dance.

When Zhuang wennuan was walking, she felt that the soles of her feet really hurt. Just now, when she put her strength into the shoes, she stepped on them very hard, so that the nails could be driven deeper.

She went into the bathroom, sat on the toilet and looked at the wound. There was still a trace of blood in the bleeding place. She took a paper towel and wiped it. After a while, the blood began to coagulate, but the pain was still there.

Zhuang warm can't help sighing. What can I do? Although the movement is not complicated, her feet still can't exert too much force.

Zhuang warm warm even if the heart is very helpless, but now to this point, where does she still say the right to refuse? Now they are waiting for her outside. The car is about to leave.

She has two hours to go on stage. She can only make it through.

When Zhuang warms up, his legs should walk as naturally as possible to prevent them from discovering.

She knew that yeoman would not let her out, and she could not influence the performance.

Zhou Tao's car set off and went straight to the direction of the opening ceremony of the hotel. Zhuang was sitting beside her. She pretended to be sleeping, but the pain in her feet came from time to time.

Next to her, LAN chunian was also worried. She hoped that her elder brother would arrive later, so she missed her performance.

Yemeni and Lindsey also have their own thoughts. In today's performance, they all have their own purposes. What people they want to attract in the performance and how to win the limelight are the most important things for them now.

In particular, the hot fire in the village made them want to catch fire together by rubbing against the heat of Joe muzer.

This is a shortcut for them to become famous. They don't need to work hard. They can become famous by tying up the super rich childe.

Zhuang wennuan worried about her feet all the way. Suddenly, ye Manni exclaimed, "look, the hotel is excellent. I don't know if we can stay here tonight."

"I hope that Zhou will always win over us and experience the first night." Lindsey would love to live here, too.

Only the clear and cloudless city seaside, a hotel into the sky, like a giant dragon standing, amazing in its shape design, domineering, and full of unique temperament.

When the car arrived at the door, Zhuang wennuan and his party got off the bus. Zhou Tao led them to the front door of the hotel. Now the ceremony is still in preparation. They can go to the backstage to have a rest and wait for the performance an hour later.

At the moment, in a conference hall, Joe muzer sits at the top of the table, listening to his chief designer explaining all the information of the hotel to several distinguished guests.

As well as the advanced elements, all the guests here feel very surprised. Qiao muzer's eyes do not show surprise in these exclamations.

even though he is very young, his joy and anger have gone out of shape, and his calm expression.

It is impossible to guess what he is thinking.

At this time, one of his female assistants leaned down to him and said, "President Qiao, several important guests have arrived and are waiting for you in the lounge."

Qiao Muze nodded, got up and said politely, "excuse me."

With that, his slender and elegant body walked towards the outside of the conference hall. When he walked towards the direction of the meeting lounge, he saw a slender figure looking around in the corridor.

Zhuang wennuan feels that the pain in her foot hasn't disappeared. She has to find a bathroom to see if the wound can be relieved. Otherwise, she will be really finished on stage.

However, this is the lounge on the second floor. As soon as she came out, she felt lost.

Hearing footsteps behind him, Zhuang turned around and asked for the location of the bathroom.

However, when she looked at the person, she was scared directly, even she wanted to hide.

However, the man's eyes looked at her, and narrowed a little surprised, "how is Miss Zhuang here?" "I want to know how to get to the bathroom. " Zhuang didn't dare to look into his eyes. He looked at his assistant.

"The bathroom is in this direction, miss. You can see it along the corridor."

"OK!"

Zhuang wennuan said, eager to leave, she immediately walked to the side, the first few steps can be normal, but the pain of her feet in a few steps, she quickly supported the wall.

Just at the right time, the man's eyes turned to look at her, just to see her supporting the wall, turning his left foot forward, his sword eyebrows wrinkled, what happened to the girl's feet?

However, Zhuang wennuan has left. She finds the bathroom, sits in the cubicle, and looks at the soles of her feet. She has a bitter face.

Because of her walking all the way, the wound still has some blood stains that are not coagulated. Even her socks are stained with blood. She bites her lips and wipes the blood clean. She can only face bitterly.

She can't stay in the bathroom too long either. After she has dealt with it, she goes back to the restroom.

Sitting in the lounge, she dare not run around any more. LAN chunian is sending messages with her mobile phone and brother.

At the moment, as soon as she sent it out, he returned, "I'm late."

After reading it, LAN Chu immediately felt relieved. "OK, elder brother, you are busy and important. See you later."

Yemeni's eyes sparkled with a very uneasy luster. She wanted to meet Joe muzer now and have some romantic encounters with him.

Maybe, there's a spark of love.

In a rest room, Qiao Muze met several important foreign guests. When he came out, he passed the warm place where he had just met Zhuang. His mind immediately thought of the way she had walked just now.

He felt her foot hurt, and if he didn't remember correctly, she would perform on stage.

Joe Muse thought for a moment, and said to the assistant behind him, "go to the lounge and find a girl named Zhuang Nuan. Bring her to see me."

"Now?"

"Yes!" Joe muzer said, and walked on. There was a temporary meeting room for him.

Zhuang wennuan was resting. Soon, the door of the lounge was knocked. She saw a smart woman coming in. She recognized Zhuang wennuan and said to her, "Miss Zhuang, please come with me. Someone wants to see you."

"Who?" Zhuang wennuan blinked. He was familiar with the female assistant.

"I can't say for the moment. Please come with me." The female assistant is Qiao muzer's subordinate. Recently, his relationship with Zhuang wennuan has spread all over the world. Therefore, she can't let people know at will. The president summoned Zhuang wennuan.

"Warm, go! Maybe it's something important. " LAN chunian said to her.

And ye Manni's eyes immediately filled with a touch of jealousy. Why does she have a premonition that it's Joe muzer who looks for Zhuang Nuan? Because the woman in front of her is a senior assistant.

Zhuang wennuan didn't think much. She still wanted to have a rest. Now, she can only pretend to come out normally.

When the female assistant was walking in front of her, she still walked with her toes for a while, and finally came to an office. The female assistant reached out to her and made a gesture of asking, "Miss Zhuang, please come in."

Zhuang Nuan nodded and pushed the door in. She thought it might be her father's former friend or something.

Because my father used to know many friends in the company. Unexpectedly, she walked in and saw a tall figure standing in front of the floor window. A black formal dress, slender body line, so that he exudes a different noble spirit.

Chapter 858

"You want me?" Zhuang's warm tone cooled down, at the same time, some want to leave.

Choumuze turned around, put one hand in his pocket, looked at her, then looked at her left foot, "is your foot hurt?"

Zhuang's face looked at him in shock, a little flustered, "how do you know?"

"When I saw you walking, I guessed," said Joe

Zhuang wennuan immediately stood up straight. "I'm ok."

With that, she turned to leave.

"If your feet hurt and you're not fit for the stage, I can cancel your show." The man behind us murmured.

Zhuang wennuan stopped at once. She shook her head and said, "I'm ok. I can go on stage. Don't cancel."

"Are you sure you can still perform on stage?" Joe Munzer can't help worrying about her. Her feet look serious.

"I can." Zhuang said firmly.

"Well, if you are determined to be brave, then I wish you success in your performance." Joe muzer finished, went to his door, opened the door, asked her out.

Zhuang wennuan immediately pretended to walk out normally. When she walked for a while, she still chose to land on her toes. She didn't know that Qiao muzer also came out, just behind her, looking at her strange walking posture.

Qiao Muze didn't expect that his kindness was rejected by her. Does this woman really want to show off?

Zhuang wennuan returns to the lounge. She watches Yemeni practicing her steps alone. Obviously, she is looking forward to the performance.

"Warm, who was looking for you just now!" Asked Lindsey, pretending to be curious.

Zhuang wennuan immediately replied, "it's my father's former colleague uncle."

She can only say that she is flustered, otherwise, Yemeni must be complaining about her again.

It seems a great honor for them to meet Joe muzer.

Zhuang warm carefully felt the pain under her feet, she could only jump first and then heal.

After a while, Zhou Tao came to tell them that they were well prepared because their performance was about to start.

"President Zhou, our steel pipe is OK!"

"No problem, it has been designed. You can jump boldly!"

The expectation in Yemeni's eyes was very strong. She asked again, "did you see Mr. Qiao Muze?"

Zhou Tao immediately smiled, "I saw him in front of the stage just now!"

Yemeni took a look at the time immediately. "We are in the second scene. We are going to go on stage soon. I will see him soon."

Yemeni did not hide her love for Joe muzer.

At the same time, LAN chunian looks at Zhuang Nuan's expression. At the moment, she really doesn't want Ye Manni to step in. Instead, she wants Zhuang Nuan to be a couple with Joe muzer.

However, Zhuang Nuan's thoughts at this moment are all on her feet. Moreover, Qiao Muze's talk about canceling the performance just now also blocked her heart. If it's going to be cancelled, Yemeni will blame her.

The guests outside are almost there. They are held in a very large and luxurious hall of the hotel. Originally, the large stage design, lighting and sound are all top-notch. Therefore, this performance is also of great standard.

All the members of the group came to the backstage to prepare. The pain in Zhuang's feet was still a while. Instead of stopping, it was more serious than before.

I don't know if it's a psychological relationship.

"Well, there are all very important guests coming today. You all need to perform well and not let them down." Zhou Tao is preparing again.

Zhuang Nuan is biting her red lips, and there is a pain in her eyes. But at the moment, no one finds her expression.

They're all preparing for the stage.

LAN Chu Nian is nervous. She hopes that her eldest brother hasn't arrived yet. In this way, she can win the jump.

Blue Chu Nian is just imagining that in the parking lot outside the hall, the parking space reserved for blue Qian Hao alone, his handsome sports car has fallen into it.

LAN Qianhao is working and watching his sister's performance. He still chose the latter. He can put it on at work, but he can't miss this little guy's performance.

So, at this moment, he hurriedly arrived here, hoping he hadn't missed it. He walked into the elevator and went straight to the large performance hall on the third floor.

The host opened the stage with very infectious words and introduced the design concept of the hotel. After that, in order to relax, he started the first performance and was a very excellent singer.

There are also many senior people who come here, and their appreciation vision is different from that of young people, so they like such sentimental songs. Among them, the younger generation is not the only one. The next song is to cater to the hearts of young people.

It's Zhuang Nuan's team. The first song ends in a beautiful melody. Then, the lights dimmed a little bit, and there were four steel pipes rising up automatically on the stage, very attractive heartbeat.

In the middle of the table, Qiao Muze's figure sits in the middle. This time, Qiao is the only one present. His parents are still abroad.

There are also major shareholders of Joyce group, but he is the leader.

Qiao Muze's eyes were fixed on the stage, and his heart was already worried about Zhuang's warm feet.

The rhythm of the music sounded, only four girls with handsome steps came out from the lights.

They don't have too attractive clothes, quite handsome clothes, and give people a fashion atmosphere.

Zhuang warm warm this time, already could not care about the foot pain, she only has the present performance.

And yeoman Ni even if wearing a handsome leather suit, but, what she jumped out, or sexy and charming, however, Zhuang warm and blue first read to give people a kind of, but it is ascetic like atmosphere.

Even though their movements are a little sexy, their eyes are not seduced, which is very comfortable.

Blue Chu Nian is rotating. A beam of cold light hits her. She sees the ugly elder brother sitting under the stage. She can hardly hold the steel tube by her hand.

Zhuang warm body, also has a very big pressure, fortunately, she has been in the back, so as long as her actions are unified, the light will also hide some of her stiffness.

Somehow, she felt that there was a very strong gaze on her on the stage, which made her uncomfortable.

She knew that it was Joe Munzer's. was he staring at her feet?

Zhuang wennuan has endured all the pain. She has done many actions with her toes.

Finally, their music melody is close to the end. As the hottest women's group combination, the audience under the stage still enjoy it very much.

The last action is to show off Yemeni's soft body. She deliberately asks them to complete a very difficult air rotation at the end.

LAN Chu Nian and Linxi can finish it, but Zhuang Nuan is more difficult. During the practice, she barely passes.

Now, her feet hurt so much that she can't use any force. Plus, she has a cold sweat now, and even her face is white.

This point, others did not find, Qiao Muze but in the dim light, saw her several painful expressions, he was upset, this woman really care about a performance?

Watching her climb up the steel pipe and prepare for the final rotation to fall, his heart string is taut, he hopes she won't have an accident.

Zhuang warm just a climb steady, body a shudder, this makes the palm of the hand can not use power, she exclaimed, feel the body fall.

The palm of her hand broke away from the steel pipe, and her tightly bound leg was suddenly out of balance. She fell down from a place one meter and two high.

This scene also happens to be the end of the music freeze frame time.

When everyone was shocked, he stepped onto the stage quickly, walked to Zhuang Nuan's side, leaned down, and then picked up the girl lying on the ground and walked to the backstage direction.

Ye Manni and Lin Xi, LAN Chunian are all shocked. But looking at the man on stage, Ye Manni once again sees that Zhuang Nuan has been taken care of by Qiao Muze. This time, she is not only wearing clothes, but holding them in her arms.

Qiao Muze is backstage. He sees the male host who is going to go on stage. He says in a low voice, "explain on stage. She is hurt and forgives the guest."

This is for the sake of Zhuang's reputation. The host immediately nodded, "OK, I'll explain it to the guests."

Zhuang Nuan's forehead full of cold sweat, shrink in the arms of men, it seems very poor, but in the eyes of men, she also seems deserved.

Chapter 859

Ye Manni and Lin Xi, and LAN Chunian all came to the backstage quickly. Except that LAN Chunian really cared about Zhuang Nuan, Ye Manni and Lin Xi wanted to know what tricks Zhuang Nuan played to make Qiao Muze treat her like this.

However, when they arrived backstage, Qiao Muze and Zhuang Nuan were gone, and they had already left.

"What's the matter with Nuan? She seemed to have fallen down just now. " LAN Chu read anxiously wringing his hands and worried.

Ye Manni curled her lips and sneered, "she has so many tricks. In order to get close to Qiao Muze, she has used all kinds of tricks."

"Yes." Lindsey, with her arms around her, agreed.

"You all misunderstood. I think before we went on stage, there was something hidden from us. Maybe she was not well." LAN Chunian explained.

"At the beginning, you are the only one who believes her so simply. You don't know her mind is very important! You must not be deceived by her usual pretense of kindness. " Lindsey advised.

Blue Chu read to shake his head, "I know warm is not such a person."

At this time, you can hear the host is explaining the accident just now from the backstage. When Yemeni and Linxi both feel funny after listening, the host even said that Zhuang Nuan had just come here to perform after the concert, and he still had the injury from hard practice, so he just fell down unexpectedly. This kind of saying is just for Zhuang Nuan.

Yemeni and Lindsey just think it's funny. The host did it just to protect their reputation and not to be laughed at.

When LAN Chu Nian was thinking about where Zhuang Nuan and Qiao Muze would go, it was cold. He walked into LAN Qianhao in a door behind him. His face was worried at the moment. "How about you, Chu Nian?"

Just now, the difficulty of pole dancing can be imagined. Even if she didn't fall down, it would be very tiring to do it.

"Big brother." There was a flash of panic in LAN Chu Nian's eyes. She was afraid that he would scold her.

However, LAN Qianhao suddenly reached out, took her small hand, and went out to the side door.

Lindsey looked at the LED Blue Chu Nian enviously. She didn't even say hello, which made her feel a little lost.

At the moment, the elevator stops on the fifty eighth floor. In the elevator, Qiao Muze's arms, hugs Zhuang wennuan. Zhuang wennuan has something wrong with her. She feels that her feet are thick, sticky and warm, and her head is dizzy.

But she knew who was holding her.

"Let me down Joe Munzer, you put me down I don't want you to hold me. " Zhuang warm in the weak pleading.

Qiao Muze, however, was pretty and tense. Without saying a word, he carried her into a room, a private suite belonging to him. He put her on the sofa and quickly went to get his medicine chest.

Because he smelled a bloody smell from her, her feet should be bleeding.

Zhuang wennuan is lying on the sofa. She only feels dizzy. I don't know if she hit the floor with her back brain just when she fell down. In a word, she is not very conscious.

Qiao Muze comes over with the medicine box, squats in front of her, reaches out and takes off her left boot. When he takes off, Zhuang Nuan feels a sharp pain, which makes her low cry. When Qiao Muze takes off her boots, he sees the white cotton socks she is wearing, which are covered with bloodstains.

In his eyes, she has a small foot full of blood, but also some startling feeling.

Zhuang wennuan also faints and staggers to support the elbow to come over to have a look, this look, she is more dizzy, she some faints blood.

His sword eyebrow tightly tightened, took off the sock for her, dipped the hemostasis ball with Nie Zi into the disinfectant water, wiped it for her, at the same time, found the wound in the center of the sole of the foot.

Although the wound is not big, because it is on the sole plate, every strength of her will aggravate the bleeding of the wound.

It's no wonder she didn't bleed at the thought of jumping on stage.

As he cleaned the wound for her, he looked up and stared at her. He didn't have a good airway. "Are you going to stop this foot?"

"Yes!" Zhuang warm some childish answer.

"Dare you come on stage?" Joe Muse thought of giving her a chance, but she refused.

Zhuang wennuan was speechless, but when the cold potion touched the wound, she hissed and took a few deep breaths, even breathing. "It hurts?" Qiao Muze squints to ask.

"What do you say?" Zhuang Nuan is biting her red lips. At the moment, she is painting her make-up. She looks at him like a pair of eyes, like the fox spirit in the ancient mountains and wild forests.

When Qiao Muze touched her eyes, she couldn't help tensing her body. Her heart seemed to be hit by a soft force.

Even though he met her only twice, he had been paying close attention to her for three years, so this woman had some special significance for him.

"Need me to be light?" Joe Muse asked again.

Zhuang wennuan bit his lips, thinking, do you still need to say? But the sole of the foot really hurts! She nodded. Choumuze gently put on the hemostasis ball for her, and wrapped a jade like foot with gauze for her. After finishing, he handled her shoes and socks, threw a pair of soft slippers in front of her, and warned, "lie still for the time being."

Zhuang wennuan is too tired to move. She nods and lies on the sofa.

However, her heart is in the weak, why to save her, and he? Can't you change it? She really didn't want to owe him.

LAN Chu Nian is pulled by LAN Qianhao all the way into the elevator. At this moment, LAN Qianhao has brought her into his room.

LAN Chu read a small face taut, like a child doing something wrong, waiting for an adult reprimand.

LAN Qianhao's eyes really looked at her angrily. "Am I too indulgent? How dare you even dance this kind of dance? "

"Blue early read blinked an eye immediately, small voice refutes a way," this also is nothing! "

"I don't care if others jump, but you are my sister, I won't let you jump." LAN Qianhao's eyes warned him severely.

"Why? I really need all kinds of compensation in this industry! Besides, it's just a normal action! " Blue Chu Nian still says injustice for himself.

LAN Qianhao looked at her and dared to talk back. He bit her thin lips and scolded her angrily, "what if it was you who fell down just now? What's the matter? How can I tell my parents? "

LAN Chu Nian was immediately shocked and blinked. He didn't dare to speak. Isn't brother angry that she didn't dance like this, but worried that she would fall down?

"By the way, how warm is it? Did you see her? " Blue Chu read and asked him.

"Isn't she carried away by muzer? You don't have to worry about him. " LAN Qianhao has to comfort her.

"Blue Chu read to breathe a breath, had to assure elder brother way," good, I do not dance after pole dance

After listening to LAN Qianhao, she looks better and appreciates her dress carefully.

The black tights, the black short leather pants, the boots, and her today's make-up make-up give off a wild atmosphere on LAN Chu Nian.

It's like a sexy little wild cat. It's an urge to catch.

Blue Chu read a pair of big eyes blinking, looking at big brother staring at himself, some hair in his heart, immediately lowered his head and looked at him, "I'm dressed today, but I don't show it! You can't even dress like this! "

Blue Qian Hao is depressed. She can't see what she's thinking.

It is also because of his sternness that she has formed a shadow. It seems that if he looks at her more, he is looking for some reason to educate her.

This feeling, blue Qian Hao is really helpless, he really doesn't want to leave a stern big brother in her heart.

"It looks good." LAN Qianhao tries to be warm and kind.

Blue Chu read to him this kind of words, suddenly smile, "eldest brother, do you mean I wear so good-looking?"? Really? "

Blue thousand Hao nods, "good."

LAN Chu thought that he didn't blame her, but praised her. He couldn't help being relaxed. Only then did he notice that the scenery here was beautiful and spectacular. The sea level in the distance seemed to be nearby.

"Wow! It's beautiful! Brother, can we live here tonight and enjoy the night view? " LAN Chu Nian wanted to live here immediately.

Chapter 860

"Of course, there are two rooms here. You can choose at will!" LAN Qianhao is here to experience his friend's Hotel today.

"I'll choose the guest bed!" LAN Chu went to see her room with a smile.

Blue Qianhao sits on the sofa, his eyes twinkling with a complex color.

In Qiao Muze's room, others have left. Zhuang wennuan has lain down for a while, and the whole person is awake. She sits up and looks at the bound feet. She really dare not move around now. Just now she saw it. It was because she walked that the wound was bleeding.

Zhuang warm raised his eyes and looked at the decoration of the whole luxury suite, which is very stylish, just right luxury, but also shows a kind of male atmosphere, the main dark color, giving people a cold and hard feeling.

Is this the room in the hotel? How does it look? It's not like it! It's like this man's private house.

She guessed it right. No matter which hotel in the world, Jomunze's hotel has a room dedicated to him, which is not for external use.

At the moment, in a backstage lounge, Yemeni and Linxi are sitting in it, they are absent-minded. Yemeni is walking around with her arms around, thinking about where Zhuang Nuan is now and what kind of treatment she has received.

But Linxi is holding her chin, and her mind is just the figure of blue Qianhao. At the moment when he came in, her heart was about to jump out.

Blue Qianhao is a rare kind. It gives people a warm feeling at a glance. He has a special perfect temperament. He belongs to a man who is not only handsome and masculine, but also delicate.

Lindsey is going to be crazy about him.

"When do you want to come down?" Asked Lindsey curiously.

"I also want to know where Zhuang Nuan is hiding now! She didn't bring her cell phone on purpose! Just don't want us to disturb her." Yemeni said angrily.

However, what happened just now is too fast. How can Zhuang Nuan get her cell phone?

But Yemeni is to blame her.

Zhou Tao came in, he was also very helpless, fortunately, nothing happened this time, the host perfectly round the accident, and everyone saw Qiao Muze personally took Zhuang Nuan away, so they all knew the belly name.

At this moment, Joe Munzer has returned to his position, watching the performance on the stage, his mind, but in the room of the girl.

After thinking about it, he waved to Yang Li, another female assistant of his own, and told her to go back to his room and take care of Zhuang Nuan.

Yang Li immediately went back to his room at his command. Zhuang wennuan was lying and wanted to sleep for a while. When she heard the opening of the door, she immediately sat up and watched a tall and capable woman come in. She recognized that she was Qiao muzer's assistant.

"Hello! Miss Zhuang, is there anything uncomfortable? " Yang Li asked with a smile.

"Thank you. I'm fine." Zhuang warm warm smile answer a sentence.

"Joe can't leave now, so I'll take care of you. Do you want something to drink?" Yang Li asked her.

Zhuang wennuan is really thirsty. "I want to have a glass of water."

Yang Li poured her a cup of warm water. She lowered her head to check her feet. Zhuang wennuan was holding the cup. She was helpless about what happened to her. After drinking the water, Zhuang wennuan felt that she should not stay in this man's room. She wanted to go back to the team. "Miss, can you help me down?" Zhuang wennuan asked Yang Li.

Yang Li smiled and shook her head. "Miss Zhuang, you have hurt your foot. You'd better rest here."

Joe didn't say she was allowed to leave.

"No, my league members must be worried about me. I have to go down." Zhuang warm just felt very uncomfortable in his room.

Yang Li was also embarrassed and said, "well, I can't make up my mind. Miss Zhuang, we Joe are always so kind to you. Don't brush his kindness!"

Yang Li looks at the girl in front of her. She looks really beautiful. No wonder Qiao is always interested in her.

Zhuang wennuan's legs can't really work hard now. She has cracked the wound. If she still wants this foot to recover in the future, she shouldn't move around.

She had to lean back again. Yang Li saw that she wanted to rest. She said, "do you need my help to go back to your room and rest?"

"No, I'll leave later." Zhuang wennuan doesn't want to go to Qiao Muze's bed.

"The decoration of your hotel room is very special." Zhuang asked curiously.

"Miss Zhuang, this room is not the decoration style of our hotel suite. It is specially designed for our general manager Qiao. It belongs to him alone and is not open to the outside world."

Zhuang warm slightly surprised.

"Miss Zhuang, if you have anything special to know about our Joe, you can ask me. As long as I know, I will tell you." Yang Li sat down with a smile.

Zhuang wennuan shook his head and his face was slightly hot. "No, I don't want to know him." At the moment, LAN Chu Nian stayed in the elder brother's room for a while. She still wanted to see if the villa was warmer. She left the hotel room. When she walked into the lounge, Lindsey immediately looked behind her. There was no blue and white figure.

"For the first time, why are you the only one to come down, and your eldest brother didn't come down with you?" Asked Lindsey curiously.

"My eldest brother is resting in the hotel. Is it still warm?" LAN Chu Nian asked in surprise.

"Can she give up?" Yemeni lost a mocking look.

Blue Chu read to sit down, some worried way, "I hope it's OK, what's the matter with her?"

"What else can you do? Pretend! She knew that Qiao Muze was under the stage. If she didn't fall, how could Qiao Muze hold her on the stage? " The more Yemeni thinks about it, the more likely it is.

However, LAN chunian does not agree.

Linxi sat next to her and asked with a smile, "first time, is your big brother staying in this hotel tonight?"

"Yes! My big brother and I decided to live here. "

"Then let's ask President Zhou for two rooms for us! I want to live here too! "

"Maybe it's just an ordinary room, where can I live in the presidential suite like the first time I read it!" Yemeni sneered at herself.

"Even if it's an ordinary room, it's an honor!" Linxi just thought that if she lived here, she would have a chance to see LAN Qianhao, for example, a door or something in the evening.

LAN Chu thought and chuckled, "I'm just taking my big brother's blessing! Otherwise, I can't live. "

"I'm so envious of you! To be honest, I really like your big brother. He's hardworking, excellent and handsome. " Linxi's eyes are full of admiration for LAN Qianhao, and at the same time, they are full of hints for LAN Chu.

LAN Chu read more simple mind, heard that she likes, she immediately shook her head and said, "my eldest brother is not easy to get along with, he will pick up my problems all day."

Lindsey really felt jealous. If blue Qianhao picked up something wrong, she would change everything for him as long as he liked it.

"Is it?"

"Yes! When I was in high school, I came back from eating kebabs with my friend. He would never allow me to eat kebabs at the stall outside, but they are really delicious. I really want to eat them again. " When blue Chu thought of the taste, he began to drool.

"You! It's only you, the rich lady, who used to eat on the street at any time. "

Blue early read lips, eyes twinkling look forward to, "and so one day, I must go to eat once."

"For the first time, can you find the warmth, see where she is and call her down?" Ye Manni said to her that she hoped blue chunian could bring down the warmth of Zhuang.

"Er! This My eldest brother said that we don't have to worry about Joe muzer taking care of her. "
LAN Chu doesn't want to disturb.

She hoped that Zhuang Nuan would be with Joe muzer!

Ye Manni has no choice but to be helpless. Who makes LAN chunian's mind so simple? I don't understand her at all.

The jealousy and hatred in her heart, like the blue initial reading, can not understand at all. Only when she loves a man one day and loves him crazy, can she understand how much hatred she has in her heart when other women possess that man.

LAN Chu Nian really doesn't understand. She doesn't even know what love is. In her life, there are only music, dance, sister friendship and team spirit.
