Chapter 941

In blue Qianhao's car, Nie Yinyin's eyes are all lost. She can clearly feel that the man around her has suddenly changed into a person.

Let her feel strange and distance, which is totally different from the blue Qianhao she felt in the blue house.

"Brother Qianhao, what do you think of me?" Nie Yinyin couldn't help but feel out his inner thoughts.

LAN Qianhao also knew what he was doing at home, which made Nie Yinyin misunderstood. At the moment, he didn't want her to continue to misunderstand.

"I'm sorry, Miss Nie. I don't have any idea about you." The voice of blue Qianhao is cold, leaving no room for expectation.

Nie Yinyin looked at him with a little stare. She couldn't believe it. But you didn't like me just now. You obviously like me, didn't you

LAN Qianhao stops in front of a traffic light at the moment, he sighs a little and turns his head to look at her. "Miss Nie, to tell you the truth, I'm tired of my mother's frequent blind dates recently, but because the girls he introduced are all the nieces and daughters of her friends or good sisters, I can't help but repel the blind date activity Son! "

This sentence, already very clear expressed blue thousand Hao 's meaning.

Nie Yinyin's heart is slightly smothering. It turns out that he treats her well at home just to prevent his mother from losing face?

"Brother Qianhao, but I really like you. I want to be with you." Nie Yinyin boldly reaches out and holds his hand. She knows that if she misses tonight, she will miss this man in her life.

Just as she was holding it, LAN Qianhao gave her a very quick draw, which made her hold an empty hand, while his hand fell on the steering wheel, his face suddenly cold. "Miss Nie, you are not my type. Even if you like me, I can't like you."

Nie Yinyin bit her lips and said with embarrassment, "what kind of girl do you like?"

In blue Qian Hao's mind, a pure and moving face flashed immediately. Even if he had someone he liked, he could not tell anyone.

"Miss Nie, don't ask. I can't like you anyway." LAN Qianhao stepped on the accelerator, and soon arrived at the side door of a community. He said to her, "Miss Nie, get off!"

Nie Yinyin is a little lost and anxious. She is biting her lips and sitting in the car. She doesn't want to get off.

"Need me to open the door for you?" LAN Qianhao looks back.

Nie Yinyin immediately felt the coldness in him, so she had to push the door to get off the car. She also wanted to leave a good influence. As soon as her door was closed, the sports car immediately drove away, leaving only a pair of tail lights for her.

Nie Yinyin couldn't help but carry the bag and cut his feet angrily. "Why do you do this to me? Blue Qianhao, you are so hateful. "

However, even if she scolds him, if he comes back to her immediately, she will immediately like him.

Because this man has this charm.

At the moment, the blue Qianhao sports car is driving in a group of cars, which is slightly blocked, making him lazy. He controls the steering wheel with one hand, and props up the other hand at the window, slightly touching his chin.

The beautiful face, under the street lamp, is bright and clear. It loses the warmth of ordinary days, just like the five features of sculpture, with a cool breath.

Suddenly, he swore in a low voice, "shit."

This sentence is not scolded by anyone, but by himself, because he thought of his own jerk behavior this evening, and suddenly regretted it.

Why should he treat other women well in front of her? Even if she doesn't care, he can't do so.

LAN Qianhao really wants to beat himself, but at the moment, he doesn't even have the courage to call her, or even the qualification to say good night.

In the blue house.

LAN Chu Nian has been sitting on the bed for a long time. She just holds her favorite doll and stares at a little bit of the bed. What her eyes see is not what she thinks in her mind. Her thoughts have long gone out of her mind.

Her mind was full of pictures and scenes this evening. She had never seen her elder brother treat other girls so attentively, so tenderly and so considerately.

Blue Chu read to bite lips, close eyes, suddenly feel very uncomfortable, as if she was abandoned.

However, she is not qualified to be so miserable! He will marry another woman in the future. He will treat his future wife well! Why does she feel so sad here as a fool?

Looking at the pink needle watch on the wall, the time point by point pointed to 10:30, and blue's thoughts immediately came up with another thing.

Did miss Nie Yinyin go back to his villa with her eldest brother? Are they together tonight?

Who can believe that they are just chatting when they live in the same room?

The more I think about it, the more I can't control my heart's tightness and pain. It seems that how to comfort myself is useless.

Her tears, suddenly silent down, do not know why, is to cry a meal. This night, LAN Qianhao was lying on his bed, sleepless all night. He was waiting for the morning to arrive. He wanted to go back to the blue house immediately to see how she was.

He wanted to come back and tell her that he would not be good to any woman except her. early morning.

LAN cunian came down the stairs, and Mrs. LAN, who was preparing breakfast, looked up at her? How can I be a sloucher. "

"No! I sleep well. " LAN Chu thought to raise his eyebrows and smile, pretending nothing happened.

At this time, the familiar sound of sports car came from outside the door, she was shocked, because in this family, now only blue Qianhao is driving a sports car. LAN Chu Nian is still shocked. He sees a figure rushing in. It's for running. It's LAN Qianhao.

He didn't expect to see his mother and LAN Chu Nian in the hall as soon as he came in. He got a shock and said calmly, "Mom, have you prepared my breakfast?"

LAN Chu Nian suppresses the surprise in her heart, but she finds out from the tip of her eye that elder brother didn't change his clothes last night. He still wore the same suit as yesterday.

Generally, if you don't change clothes, you must not go home. Maybe you live in a hotel.

Her head blew, blank for a few seconds, he stayed in the hotel last night?

Mrs. blue is also very sharp eyed. Looking at her son coming back wearing yesterday's clothes, she immediately twisted her eyebrows and asked, "Qianhao, you are still wearing yesterday's clothes!"

LAN Qianhao lost sleep last night. The whole heart was thinking of going back to the blue house to see LAN chunian. Where would you like to take a bath and change clothes? So, at the moment, he was yesterday.

Blue early read suddenly down eyes, went to the table to sit down, look can not cover the uncomfortable.

It turns out that he and miss Nie didn't go back to his villa, but stayed in a hotel together!

Mrs. blue suddenly realized something, and immediately scolded, "you child, I warn you not to mess! You can't stand to be such a bad girl. "

LAN Qianhao didn't realize it just now, but when he heard his mother's hint, he realized that his mother had misunderstood where he had gone.

"Mom, I slept at home last night and didn't go anywhere." LAN Qianhao immediately proves his innocence.

Mrs. blue asked in surprise, "really? You alone? "

Blue Qian Hao's eyes, inadvertently swept the girl who had breakfast, and immediately became impatient. The voice line was more certain, "Mom, I swear, I promise I didn't do anything sorry to anyone."

Blue Chu Nian naturally heard it, but she didn't believe it.

"Well, go to breakfast! It's just that your father hasn't come back from Satin practice. Please eat first! I went to do the laundry. " With that, blue mother left.

In the hall, there are only two brothers and sisters left.

LAN Qianhao sits down, right opposite to LAN chunian. He has a pair of deep eyes. Now he looks carefully at the girl who is eating breakfast seriously.

"First time, when are you so quiet?" LAN Qianhao asked jokingly.

Blue Chu Nian looks up, a pair of clear big eyes condense, "big brother, you can cheat mom, you can't cheat me, I know you went to the hotel last night to open a room."

Blue Qian Hao's heart immediately jumped twice. The clear eyes on the opposite side were like two knives that were directly inserted into his heart.

"Don't talk about it, you little girl. Who has a room?" Blue Qian Hao is a little short of breath.

Chapter 942

Blue early read firm this point, "you and miss Nie opened a room."

The handsome face of blue thousand Hao cannot help but be angry to have some deformation, "which eye do you see me and her to open a room?"

"There is, there is." The blue early reads the breath to shout.

The corners of blue Qianhao's mouth twitched. She almost got angry with her words, but there was still something wrong.

"What if I don't?" Blue thousand Hao suddenly changes a way to come, some ponder of ask.

LAN Chu Nian's eyes flickered with expectation. She raised her eyebrows and said, "if you can prove that you haven't opened a room, then I will..."

"So what?" Blue thousand Hao picks eyebrow to ask a way.

"If you can prove that you don't have a room, do what you want." LAN chunian is not afraid to gamble with him.

LAN Qianhao immediately thought of the proof that he didn't open the house, because his dash cam can prove where he was all last night.

"Good! You said, if I prove that I didn't open a room last night, what do I want to do to you Blue Qian Hao's eyes were burning at her.

LAN Chu read the little head and nodded, "yes, then prove it to me!"

"Good! Come with me later and I'll show you. "

"Where to go!"

"Not at home anyway." LAN Qianhao thinks that if she bullies her at home, she will surely be seen by her mother.

LAN Chu Nian's heart is also full of expectation. She really wants to know if he was with Nie Yinyin last night.

"Good!" LAN Chu wants to put down her chopsticks. She can't eat breakfast.

LAN Qianhao didn't eat anything either. He stood up, put his pocket in and said to her, "follow me."

LAN Chu Nian quickly went upstairs with his bag on his back and went out with him.

Sitting in the car, LAN Chu Nian thought about how he would prove it.

LAN Qianhao's car drove out of the blue house and all the way to the office building of the blue group.

LAN Chu thought that he was going to the company, but she didn't object. She listened to the song all the way, but in her mind, she still thought about what happened to him and Nie Yinyin last night.

"Do you like Miss Nie very much?" The blue early read to endure all the way, finally curiously asked.

Blue Qian Hao's eyes are deep and quiet. "Why do you want to know?"

Blue Chu read to touch his eyes, immediately Dodge, "you love to say not to say."

Blue Qian Hao suddenly didn't want to say, wanted to explore her, "what if I say I like it?"

LAN Chu thought not to open his face and looked out of the window at the street view. "Then you like it!"

"What if I don't like it?" Blue thousand Hao sees her a pair of not painful not to itch expression, unavoidably have gas.

"That's your business, too!" LAN chunian looks at him.

"First read, you said last time that you picked it up. Now I can tell you that you picked it up." LAN Qianhao has some bad ways to open his mouth.

LAN Chu Nian looks out of the window at the moment and suddenly hears this sentence. She immediately turns her head in amazement.

However, LAN Qianhao is only joking. Looking at her stunned expression, he still laughs, "I lied to you."

Blue Chu Nian bit his lip and asked him, "if I can pick it up, will you still treat me as your sister?"

Blue Qian Hao's breath is smothering. The girl is so calm and dare to ask him.

"No, how could I ask for your stupid sister? All day long I'll be annoyed. " Blue Qianhao's tone was a little sour.

After hearing this, LAN Chu immediately became angry and red lipped, "right! I'm not so gentle to you as Miss Nie, and I won't please you, so you can hate me! I don't care. You don't hurt. My parents hurt. My second brother hurts me. "

After hearing this, LAN Qianhao immediately stepped on the brake and reached out to touch her shoulder. "First read, I take back that sentence, forgive me."

LAN Chu read to turn his head and stare at him, "hum!"

"Buy you bags, now." LAN Qianhao knows that she likes bags. She used to be angry and coax her in this way.

"No." LAN Chu Nian is not so easy to coax.

"Then what do you want?" The blue thousand Hao voice line is a little low, and it is also serious.

Blue Chu Nian's heart surged up with a request, but she dared not say it, because this request surprised her.

She even wants big brother to like herself, but how can she say it?

"OK, buy a bag." Blue Chu read or chose the bag.

LAN Qianhao looks at her and coaxes her like a little girl. She reaches out and touches her head.
"OK, buy it."

"If you don't buy it first, you have to prove that you didn't open your house last night!" Blue Chu Nian has not forgotten this matter.

Blue thousand bright hook lip a smile, "good, go to my office."

Arrived at the building of blue group, blue Qianhao took her and went straight to his office from his private elevator.

LAN Qianhao takes out his computer, immediately turns on the dash cam, and adjusts the time to the point when he came out from home last night. The dash cam clearly records the complete video of his journey home last night. In addition, there is also a conversation between him and Nie Yinyin, so she wants to hear it, and he lets her hear it, which can also relieve his jerk's behavior last night.

"Have a good look! I'll go to the meeting first and come back to you later. " After LAN Qianhao gave her the computer, he came out.

LAN Chu Nian looks at the dash cam and gets nervous immediately.

There must have been some private affairs. Besides, it seems that Miss Nie Yinyin was in the car at that time!

Brother, did you show her their chat records?

Blue Chu Nian is biting his lips, tightening his heart, supporting his face, listening to the sound carefully. In the video, the route of the sports car.

After driving for about ten minutes, I heard the voice. It was Nie Yinyin's voice, saying where to go for relaxation.

LAN Chu Nian has a feeling of eavesdropping on other people's secrets. His heart is so tense that he pricks up his ears and listens carefully.

Moreover, the sound insulation effect of the whole office is excellent, quiet, as if the breath of two people in the car can be heard.

Next, it was the voice of blue Qianhao, calm and calm, as if without any feelings.

LAN Chu read and blinked. Is this the voice of big brother? How did it suddenly change like a person?

And the more she listened, the more LAN Chu read. She held her face in her hands and couldn't believe what the elder brother said.

He said he didn't like Nie Yinyin? What's more, they say they treat her well at home because they need to take care of their mother's face?

And LAN chunian also reconstructs Nie Yinyin, because what she says in the back is totally different from the reserve she should have when she first met him, which seems to be very active.

After listening to their conversation all the way, LAN Chu read the video of Nie Yin's journey home.

LAN Chu Nian finally breathed. What was she thinking about last night?

It turns out that she just thought about it! I'm so embarrassed. If anyone could read her mind, she would have no face.

She has so many pictures, but none of them happened?

Suddenly, she heard the elder brother cursing, but he didn't hit anything! Why did he say that!

However, LAN Chu read all the way to see him driving back to the villa, and she turned to the second dash cam, which is the picture of him coming out of the villa.

So, it can be proved here that he spent the night at home.

At the beginning of the blue, he thought to pucker his lips and chuckle.

She thought she was so bored that she made such a bet with him. It's a tragedy. She will be squashed by him.

LAN Chu Nian thought, can she escape?

If you want to escape now, you can't. elder brother still owes her a bag. She needs to buy the bag before she escapes.

Just thinking about it, the door opened, and the figure of long and handsome blue Qian Hao stepped in.

"Big brother, you are back." Blue Chu read immediately a flattering smile.

LAN Qianhao looked at her expression and knew that she had finished reading it.

"Has it proved my innocence?" Blue thousand Hao ring arm, toward her.

Blue Chu Nian had to blink, "OK! I lost, how do you want to punish me! You say, I will do it. "

Blue Qian Hao's step-by-step approach to her, the height of a head higher, for the petite Blue first read, some sense of oppression.

She took a step back at once, and hit her back against the edge of the table, and she had no way to go. "Big Brother, what are you going to do? " Blue early read to bite a lip, one face flurried of ask a way.

Blue Qian Hao squints, looks at her a pink face, he really wants

I really want to do something to her for the reason of punishment.

But in the end, he reached out his hand and flicked it on her forehead. "Next time you dare to doubt that I open a room, I will be really rude to you."

Blue early read to cover the place that is hurt by the bullet, hurriedly guarantee, "dare not."

Chapter 943

At noon, after lunch, LAN Qianhao accompanied LAN chunian to buy a bag. He promised her that he had never let her down.

When shopping, although wearing masks, LAN Chu Nian was recognized by two female fans.

"My God! You are the first blue student One of the eyes looked at her and made a surprise call.

LAN chunian is always very friendly to fans. She smiles and nods, "yes, I am."

Although she only shows a pair of eyes and forehead, her standard figure and lovely breath can be revealed from her eyes.

"Wow! At first reading, your boyfriend is so handsome! " Two flower crazy girls immediately looked at the man beside her.

Blue Qian Hao Jun Yan slightly a stiff, however, his eyes soon pondered at her, thinking about how she would answer.

LAN Chu Nian was also shocked by this sentence. She blinked a little flustered, reached out and waved, "you misunderstood that he is not my boyfriend, he is..."

"I'm her friend." Blue Qian Hao suddenly opens her mouth, interrupting her next want to say address.

Inexplicably, he didn't like to hear her introduce him to others. He regarded him as his brother.

LAN Chu looks back at the handsome guy around him in astonishment, while LAN Qianhao reaches out and takes her away from the two fans.

However, in the hearts of these two fans, they still regard LAN Qianhao as LAN chunian's boyfriend, but she was embarrassed to admit it just now.

After LAN Chu Nian was led out of the shop by him, she immediately looked up and asked, "why didn't you let me tell the truth just now?"

Blue thousand Hao squints Mou, looking at her, "later in the outside, you don't say I am your elder brother, say friend directly."

"Why."

"No reason." LAN Qianhao's overbearing answer.

Blue early read to bite red lips, suddenly, do not want to fight with him, but think of what, her mouth corner, but Yang Yang.

In chamuzer's office, the statement of accounts required by chamuzer has been cleared. Even though he had expected that his father's company did not evade taxes six years ago, he was relieved to see the real data accounts. In this way, he really got rid of his father's suspicion in this matter.

Joe muzer breathed a sigh of relief. When he put the materials on, his heart was really relaxed, which meant that there was no obstacle between him and Zhuang Nuan. In this life, she is his.

Qiao Muse immediately thought of another thing. If there was no tax evasion in that year, then why did his uncle Qiao Huiyang suggest misleading him that day?

Did he know or didn't know about that incident? Was it intentional or intentional to mislead him this time?

Joe Munzer doesn't have enough evidence to prove this, but there are some problems with the uncle's behavior that day.

Qiao Muze frowns. He hasn't sorted out the direction he wants to check next. However, he will never give up on this matter.

After thinking about it, Qiao looked up at the time on the wristwatch. In a twinkling of an eye, he was busy until 5 p.m. again. It was time for him to go home. There was a woman waiting for him at home!

Qiao Muze went back to the table, cleaned up the table, picked up the car key and went out. As soon as Qiao Muze got on the bus, he got through the phone of Zhuang Nuan.

"Hello!" From the sweet girl voice.

"Where would you like to eat tonight? Or at home? "

"Do it at home! It's a waste of money to go out and eat! " A warm voice from Zhuang.

"Do you have any dishes at home?"

"No, I'm going out to buy some food."

"OK, when I come back, we'll go to the nearby supermarket to buy some."

"Well! Then drive carefully on the road. "

Qiao Muze's mouth raised a smile. Hearing this exhortation, his heart filled with contentment. In addition to his family, there was another person who cared about him. Zhuang wennuan is sitting on the sofa in the hall at the moment. The computer is on her lap. She is planning to compose some music by herself. She must have written it by herself. She feels more.

However, when composing music, there is no team, and it takes time only by individuals.

Zhuang Nuan has this talent, just like she wrote a new song for Xing YINUO's movie last time. After the movie was played, it became popular quickly and spread on the Internet.

Zhuang likes singing, and she also wants to convey the moving and beautiful singing to all people. Sometimes, singing is the best antidote for washing the soul.

Let those who are trapped in the feelings get the antidote from her singing and treat the emotional injury.

At about half past five, she heard the sound of a car coming in from a sports car. She immediately put down her computer and came out of the hall to meet her.

I saw the sports car stopped at the door, and the man opened the door and stepped down. When she arrived, he reached out his arm and held her slender body in his arms. His thin lips, naturally, burned Zhuang warm on her face. He was used to this kind of kissing behavior, because the man really liked it, and she could feel his love. "Let's go! Go shopping!" Joe Muzer opens the front passenger's door and asks her to get in.

When Zhuang Wennuan sat in, he thought of something and said, "wait a minute, I'll get the bag."

The man chuckled, "it doesn't matter if I'm here until you pay for it."

Zhuang warm not from smile, obediently sat in the copilot's seat.

They didn't go too far to the supermarket either. There was a very large shopping mall nearby. There was a variety of underground supermarkets. Zhuang Wennuan, wearing a mask, accompanied him to the food area.

"Shall we cook fish today?" Asked Zhuang Nuan.

"Good! Buy one."

"But I can't do it, can you?"

"Yes." The man replied confidently.

Zhuang warm heart a warm, as if this man can't do anything.

When two people buy vegetables, Zhuang wennuan takes her commonly used brand from the shelf and puts it in when she is using Jingda girl's products. "Spare it." She made an awkward explanation.

Because she doesn't like going out alone, just buy some together!

Qiao Muze smiled and said nothing, but his eyes fell on her, with a trace of softness.

Just then, Qiao Muze's phone rang. He picked it up. It was blue Qianhao. He picked it up. "Hello! A thousand bright. "

"Muzer, are you free? Dinner together in the evening. " The sound of blue and white came from that end.

"You alone?"

"No, my sister and I are together. She said that she wants to meet your girlfriend Zhuang wennuan. It's just right together."

"We buy vegetables in the supermarket and cook at home in the evening. You can bring your sister with you!"

"Well, then we'll come to your house to have dinner." LAN Qianhao finished and hung up.

Zhuang warm warm some nervous curiously asked, "who comes to your home to eat?"

"It's LAN Qianhao. He comes with his sister."

"First reading? Really? That's great. " Zhuang is also very happy.

In other words, I haven't seen LAN chunian in some days, so I can get together.

Two people went to buy more dishes and then checked out.

Soon after they returned to the villa, another bright blue sports car came in. As soon as LAN Chu Nian got off the car, he saw that he was waiting for the warmth of her villa. The two good sisters immediately held hands and chatted.

And two men are a look is enough, blue Qian Hao patted Qiao Muze's shoulder, close to him said, "Muze, yes! Now it's time to cook for the family. "

Qiao Muze listened to this sentence, raised his eyebrows and smiled, "this is a very happy thing."

"I can see you're in love." In the eyes of blue Qianhao, he was really envious and envious.

Qiaomuze's eyes glanced at him, and looked at the lovely girl who pulled Zhuang wennuan to talk there without trace. Blue Qianhao immediately blocked his eyes, and some worries flashed in his eyes.

Joe Munzer just laughs, "haven't you broken through yet?"

LAN Qianhao smiled bitterly and shook his head.

And LAN cunian and Zhuang Nuan didn't notice what the two men were talking about. "Have you written a new song? That's great. I knew you had that talent. " LAN Chu said in praise.

"You'll see for me later."

"Good! Let's go! "

When LAN Qianhao came in, he took off his gray suit. Two men, with their sleeves on, were going to the kitchen to make dinner. And the two girls happily sat on the sofa and chatted together.

"Take a seat and give us dinner." Qiao Muze looks at Zhuang Nuan, who is moved to look at him.
"HMM."

Qiao Muze and LAN Qianhao were both in foreign countries before, and they were also roommates. Therefore, LAN Qianhao did a very good job in helping others in the kitchen.

Blue Chu read's eyes, also secretly took a look at the back of the big brother in the kitchen, looking at his bent down and seriously cutting vegetables there. He was as handsome as he was when he was working!

LAN Chu read and enjoyed Zhuang Nuan's new lyrics, saying it was very good.

"It's a very artistic conception. If you compose it again, it must be a very beautiful song."

"This is not urgent. Aren't we resting now? I want to compose a song myself first. "

"Well! What are you going to wear to our fans' appreciation meeting tomorrow? "

"I have a skirt in my closet and I'm going to wear it." Zhuang thought.

"Have you been in touch with them recently?"

"No, very few." Zhuang wennuan shook his head.

"Xiaoxi and I have contacted, but they haven't met. It seems that they have traveled abroad together once, and they should come back."

"I feel that my relationship with them is becoming more and more rigid now. I don't know how far our team can go if it goes on like this," said Zhuang

"Even if one day our team really has to be divided, it's not your fault. You're already aggrieved," said LAN Chu

"At first, have you thought about what you are going to do if our team is gone?"

"I might as well stay in the music world! Just at that time, if we both want to make achievements, we will rely on our own strength. Alas, I really don't want the team to be disbanded. " At the beginning of blue, she felt sad.

Zhuang wennuan doesn't want it either, but she has a bad relationship with Yemeni and Lindsey, and she doesn't know what to do.

In the kitchen, two men cook together, which is a very happy thing. Men's happiness, sometimes, is so simple.

From time to time came a hearty laugh, so that the two girls on the sofa outside, staring at the kitchen also looked at each other.

The atmosphere at this moment is very good, even the air is full of a sweet smell. LAN Chu read that she didn't eat so fast. She really needed to find someone to disclose the secret hidden in her heart. Otherwise, she would suffocate.

"Warm, let's go upstairs. I have something to talk with you." Said LAN Chu Nian, holding her arm.

Zhuang wennuan pulled her and said, "go to my room."

The two girls went upstairs to talk about the secret, sat on the sofa in the room, and LAN Chu read to close the door.

Zhuang wennuan looked at her careful expression and asked curiously, "what's the secret! About whom? "

"Mine!" The voice of blue Chu read also lowered, "warm, do you remember that once, a word was said by assie?"

"What did she say?"

"Last time she looked at my family's family, she said, I didn't look like my parents at all, because I didn't look like them at all."

"Don't keep it in your mind, first time. Maybe it's said by assie casually." Zhuang warmly urged her to say that she would be sad because of this.

"No, no, it's warm. I overheard my parents recently. I found out that I really wasn't born by them." LAN Chu read in a low voice and said eagerly.

Zhuang wennuan was stunned for a few seconds and looked at her in amazement. "You are not your parents' own?"

"Blue Chu read to nod, very certain way," what they say personally, I am they raise back, not their own

Zhuang warm warm at the moment, really don't know how to comfort her, however, she looks at the expression of blue Chu Nian, it seems that it's not very sad, just a little at a loss.

"At the beginning, your family has been very good to you. Don't take this matter to heart."

"In my heart, they are my own parents, which is better than my own parents." Said LAN Chu Nian, moved.

In fact, there's a secret in her heart. She's just ashamed to open her mouth now. Besides, she's not sure about it!

"Warm, please keep this secret for me first! Maybe later, but now, my family doesn't know that I already know my life experience. "

"Good! I'll keep it a secret for you. I won't say a word. " Zhuang warm guarantee.

In fact, I also want to know why my parents don't want me, is it because I am a girl

"Warm, maybe your parents have difficulties. It's not a girl. Parents don't like it. Now many families like their daughters." Zhuang warm comfort way.

LAN Chu Nian can only comfort himself, "yes! I think so too. They must not really abandon me. " Then she said, "I just found out that my elder brother and I have no blood relationship, which is really strange!" "Zhuang warm warm smile way," but he still regards you as the close younger sister equally dotes on

In fact, big brother knew that she was not born! However, he did not abandon her identity, still very much love her.

Just, that kind of love is the love of brother and sister!

"Let's go. We're going down. We're going to eat." Zhuang warms her way.

Two girls went downstairs. On the dining table downstairs, there was a delicious dinner with four dishes and one soup. It was only for four people. If they cooked it at home, there would be no waste.

Two men wash their hands and come out of the kitchen. A couple of people sit down and enjoy the delicious dinner.

"Brother, we're going to thank the fans tomorrow. Will you come?" LAN Chu read to the man around him and asked.

"If you need me to go, I'll go." Blue thousand Hao returned a sentence, toward the opposite Qiao Muze way, "do you want to go to have a look together?"

"Good!" Chomuze answered very quickly.

Zhuang warm side first look at him, the eyeground twinkles with joy, he really will come?

On the table, we discussed how to cook, and had a good night.

Time also imperceptibly more than eight o'clock, blue mother's telephone also called in, request blue thousand Hao early son send blue early read back.

LAN Qianhao answered on the phone, because he had to do what his mother said.

But LAN Chu Nian is a little lost. Does she have to go back? Elder brother's house, there is a room for her too!

"Big brother, can I live in your house?" Sitting in the car, LAN Chu read and pleaded to look at the man beside him.

Blue Qian Hao holds the hand that controls steering wheel a stiff, his thin lip opens mouth directly, "no way."

"Why not!" Blue early read micro eye way.

"No, I can't. I'll take you home."

"But I don't want to go home. I want to be with you." Blue Chu Nian blurted out, because it was what she longed for in her heart.

The consequence of this sentence is that LAN Qianhao's car immediately came to an emergency brake. He turned his head and stared at the girl beside him, and asked in a low voice, "what did you say just now?"

Blue Chu read pretty face slightly white, because she was also scared by his sudden brake. "Again." LAN Qianhao stares at her little face and asks for a voice.

LAN Chu Nian didn't feel what she said just now, but when she was forced to say it again, she just carefully remembered what she said just now. She couldn't help but swallow her saliva nervously. "I mean, I think I want to sleep in your house for one night. Tomorrow, I will go to the fans' meeting with warm. "

What LAN Qianhao wants to hear is not the answer at all.

"You said you don't want to go home and want to be with me because you want to go to the fans meeting with Zhuang wennuan tomorrow?" Blue thousand Hao's tone, can't cover a trace of loss.

Blue Chu read and nodded, "Hmm! Yes! "

Blue Qian Hao breathed a sigh, and his face sank slightly. "No, I'll take you home."

"If you're worried your parents will ask, I'll call them now and tell them that I won't go back tonight. I'll sleep in your house." Blue Chu Nian said again.

LAN Qianhao's eyebrows are twisted and her face is tense. The girl doesn't know how strict her parents are in charge of her.

"Forget it. Don't fight. I'll go home and sleep tonight." Blue thousand Hao had to say.

At the beginning of LAN Chu's reading, he was stunned and his mouth was bent? You go home to sleep, too? "

LAN Qianhao thought that the feeling he showed to Nie Yinyin last night should make his parents relax for him! Don't think he's still thinking about this girl!

Chapter 945

In the blue house under the night, LAN Qianhao was not asked by his parents to go back to the villa. When LAN Chu saw that he also lived at home, his heart was filled with a trace of joy.

When LAN Chu read to go upstairs, he heard his mother asking about LAN Qianhao's influence on Nie Yinyin.

"Qianhao, what do you think of Yinyin? Are you going to get along with her? "

LAN Chu Nian is almost on the third floor. She immediately stands at the entrance of the porch and listens to the answer downstairs quietly.

"OK, let's get to know each other first!" In the tone of blue Qianhao, there is a trace of interest.

Blue early read slightly stare eyes, big brother this is clearly in cheat mother ah! However, LAN Chu Nian won't tear him down, but she doesn't understand why big brother does it.

"OK, don't pick too many girls! A little personality is good. " Blue mother finish saying, also quite satisfied patted his shoulder, "go to sleep!"

LAN Qianhao got up and went upstairs. When he reached the door of a room, he stared at it for a while, then walked towards the main bedroom.

In the room, LAN Chu Nian is also staring at the door, and hears the footsteps outside. In the quiet room, only her beating heart is left, fluttering straight.

She reached for her cheek and a sense of shyness filled her heart.

In Qiao Muze's villa, Zhuang wennuan has returned to his room, turned on the computer, and was watching some news on the Internet. The door suddenly knocked.

She looked at the time, it was already 10:30 at night, she could not help but get up a little nervous, open the door, in the slightly dark light outside the door, the man in a casual suit, ink hair slightly wet, his hand holding a cup of warm water, handed to her, "drink some water at night."

"Well!" Zhuang wennuan gratefully reaches for it. When the door is closed, the man's hand stops him.

Zhuang warm clear eyes raised, the man bent down, in her pink face kissed, just satisfied with the initiative to close the door for her.

Zhuang warms her throat, but her sweetness fills in a moment. She takes a sip of water and the water quality becomes sweet.

At tomorrow's fans' thank you meeting, it's natural for her to perform and sing. It's better for her to drink more water.

Tomorrow's fan appreciation meeting is the first time that their team has appeared in public after a period of silence, so Zhou Tao wrote several emails to make sure that they must protect their own image.

At the moment, in Yemeni's single apartment, Lindsey and she live together. Because they have a feeling of sympathy with each other, they get together for many things.

The topic they talked about most when they got together was demotion village warm, because in their hearts, they were all indignant. If blue chunian could get such a high fan value, they would recognize that because she was a girl from a rich family, and Zhuang warm could be more dazzling than them, which they could not understand and accept.

so Ye Manni and Lin Xi sat down and make complaints about any news related to the warmth of the village.

At the moment, Yemeni likes to take her iPad on the Internet, watch the fans reply to her messages, like to hear compliments, like her fans to hiss others for her.

At the moment, yeoman Ni turns to a short video clip of their concert. This is a close-up of Zhuang Nuan. In the camera, Zhuang Nuan is lovely and pure. The figure of singing and dancing is also very handsome, with a touch of charming sexy.

And the fans of the next push are supporting her, saying that her beautiful songs are sweet, and even dancing is the best. The fan also said mercilessly, "Zhuang Nuan is one of my favorite members of the women's League. People like yeoman who only show off their sexuality and become famous, I feel like vomiting at a glance."

Ye Manni also saw a lot of words about Zhuang wennuan's fans today. Facing this sentence, she can't bear it any more. "Does Zhuang wennuan intentionally let her fans step on me? When must she hint? Otherwise, if her fans don't step on other people, compare me with her?"

Lin Qian is wearing a mask, and she hears this sentence, "what did her fans say?"

"Said she Zhuang warm is the best in our women's group, we are her foil."

Lindsey was also very angry after listening, "if she is embarrassed, see how her fans hold her."

Lindsey is just a word of anger, but in Yemeni's heart immediately came up with ideas, she is now hate it! Immediately eyes a bright, "yes, if let her out of embarrassment, see how she also popular."

"Isn't tomorrow the best day? In front of all the fans, she was embarrassed and could not come down to the stage. She lost all her face. " Lindsey, biting her teeth, said grimly.

Yemeni's eyes also showed a sneer, "yes, give her a look at the fans meeting tomorrow."

"Then what shall we do?" Lindsey sat up with interest, her eyes full of bad light.

Yemeni's eyes narrowed, but also full of vicious light, thinking about the worse plan.

"Aren't we going to perform tomorrow? Fans say that she has a fairy voice, so let her be in front of so many fans tomorrow, dare not sing" How is this to be done?" Lindsey's eyes were full of praise.

Yemeni took out her mobile phone, "I asked my friend in the hospital to see if there was such a medicine."

Ye Manni has a good relationship with this friend. She actually asked about it. Moreover, the medicine is completely invisible when it is melted in the water.

"When it's done, he will certainly send it to us. He won't kill people. But he can make his voice dry, hoarse, and even difficult to speak." Yemeni proudly said.

Linxi is also looking forward to watching Zhuang Nuan suffer. She laughs and says, "OK, you get the medicine. I will give it to her tomorrow. I believe that she will not be prepared for the water I hand her."

"Wait, that's not enough. If we want to sing this good play, then we must play this play well."

"What else do you have to do?"

"I have an iron fan. I asked her to take some eggs to the scene. If Zhuang wennuan can't sing, she would throw some on her and directly hit her confidence."

Lindsey immediately congratulated herself that she had not done the right thing with Yemeni. Otherwise, she was afraid that she would do this to her.

"In this case, after tomorrow, the popularity of Zhuang warm will surely decline."

Ye Manni has a male fan who has been chasing her for more than three years. At the moment, she is using her mobile phone to contact him. This male fan is crazy about her and will do anything for her.

Sure enough, after Yemeni's message guidance, the male fan immediately agreed to do so, and Yemeni returned to give her a chance to meet in private.

This evening, Zhuang wennuan had no idea what disaster was waiting for her tomorrow. early morning.

Zhuang wennuan opened her eyes as soon as she woke up in the alarm clock and looked out of the window at the charming autumn morning. She sat up and looked out of the window at the scenery. She chuckled and was in a very good mood.

Qiaomuze will send her to the scene of the fan meeting. This time, it is a small fan meeting. The place is exactly on the first floor of a five-star hotel under qiaomuze's name. There is a medium-sized hall with a capacity of 500 people. This meeting is a half free ticket mode. Therefore, fans are competing all over the country.

Even if you can't enter the hall to have close contact with the idols, there are also a group of fans outside the hotel to open the horizontal deputy, where they are waiting for their favorite idols.

The scene line-up is still very large. The time of the meeting is from 10:00 to 11:30 at noon. It's an hour and a half of the meeting. Although the time is tight, it's very full.

In particular, the fans have the opportunity to enjoy their performances at close range and take photos with them.

Zhuang Nuan and LAN chunian are in touch. They both set out. Because there are too many fans in the front door, it will cause congestion. Therefore, Qiao Muze's car and LAN Qianhao's car will directly drive in from the underground parking lot.

As soon as the two sisters met, they were held together. Zhou Tao asked three assistants to come downstairs to take them to the hotel's rest room.

Qiao Muze and LAN Qianhao are inconvenient to go to their side, so they meet each other and go to the coffee shop on the second floor of the hotel to have a rest. When they start, they come back.

Chapter 946

Zhuang wennuan and LAN chunian walk into the lounge hand in hand, where yeoman and Linxi have already sat to make up.

"Warm, first read, make up quickly! Worry about not having enough time. " Zhou Tao came in and said.

The make-up artist is ready. Two people sit down. LAN Chu Nian says hello to the two people beside him, "Minnie, assie."

Zhuang wennuan also looked at the past, but the two people who were making up pretended to be busy.

After putting on her eye makeup, Linxi's face flashed with anticipation. "First time, are you here by yourself?"

"My big brother sent me here."

Lindsey's eyes twinkled with some color of ingenuity. So, blue Qianhao will appear?

In the quiet dressing room, Zhuang wennuan is dressed up by a makeup artist. So is LAN chunian, while ye mani and Lin Xi have finished their makeup.

Two people exchanged a look, then came out of the rest room outside, at this time, an assistant is pouring water, Linxi toward yemanni motioned.

Yemeni immediately grabbed the assistant and said, "eh! Xiao Lan, your lipstick today is very special! It's beautiful. Where did you buy it? "

The assistant was rarely appreciated, and immediately said where she bought it, what brand and color number.

While she was talking, Lindsey had spilled the medicine into one of the cups and winked at Yemeni. Yemeni immediately smiled and said, "OK, I'll try this color next time."

The assistant turned around and poured four glasses of water. Lindsey had already taken two of them, and the rest of them were drugged. One was not drugged.

Lindsey watched the assistant take the cup of medicine in his left hand, and take the cup of medicine in his right hand.

Lindsey immediately took the cup in her right hand. "Be careful, I'll help you."

After that, she went in first and put the cup without medicine in front of LAN chunian.

While the assistant saw Zhuang wennuan making her hair, she directly sent the water to her hand, "wennuai, this is your water."

"OK, thank you Xiao Lan." Zhuang warms his lips and takes it.

"Now drink some water, and then go to the stage, but there is no time for drinking water," she said

LAN Chu Nian and Zhuang Nuan both thought that it was the same, so they all took two drinks.

Linxi watched Zhuang warm drink. She hooked her lips and smiled, turned around, and made an OK gesture to Yemeni, who was waiting outside.

Zhuang warm drink half, makeup artist said, "warm, I give you a little more makeup."

Zhuang wennuan put the water cup in place and closed his eyes to make up.

Time passed by, and then it was nine fifty. Zhuang warm felt uncomfortable in her throat all the time. She put her hand to her neck and coughed a little.

"Warm, what's the matter with you?" LAN Chu Nian asks about it.

"It's nothing, it's just that the throat is suddenly a little uncomfortable." During the conversation, Zhuang's warm voice is no longer clear and a little hoarse.

"How could this happen? You were just fine. " LAN chunian was surprised.

Zhuang Nuan is also a little anxious. There seems to be a fire burning in her throat, which hinders her vocal cords. What she says is not her own.

Just then, Zhou Tao came in. "Girls, you are going to go on stage. Are you ready? Fans can't wait. "

"Ready, ready to go." Yemeni replied very quickly. She saw Zhuang warm in the corner of her eyes and rubbed her throat all the time. Then she knew that her plan had succeeded perfectly.

"It's warm. Do you want to tell President Zhou?"

"Forget it, or not." Zhuang warm just drank half of the water, so now she thinks it's not serious.

There are elegant seats on the second floor in the banquet hall, but fans are not allowed to enter the second floor. At this moment, two slender figures stand at the railings of a box, with a view to the whole hall and the scenery on the stage.

Zhuang wennuan thought that she just didn't have a good rest and her throat was burning. Zhou Tao immediately let them go to the stage ahead of time.

There will be two performances soon, so they wear a uniform uniform, a little black-and-white uniform with student breath, revealing charming legs.

This kind of clothing is undoubtedly a charming uniform show for male fans. Of course, what I enjoy here is not only male fans, but also two men who stand on the second floor and enjoy the whole process.

Two pairs of eyes, each staying in their own favorite girl, the light in the eyes, only their own heart is clear.

Zhuang wennuan has been gently rubbing the vocal cord, because she feels a little uncomfortable, and now it's even difficult to happen.

The host immediately came to the stage and said excitedly, "I believe that all the fans and friends who have come here can't wait to enjoy the performance of love group in close range. I'm also looking forward to it very much. Then, let's listen to a beautiful song quietly first, and then how about close contact with your idol!" "Good!" Nearly 500 fans, immediately issued a thick voice, very looking forward to.

Zhuang warm eyes some flustered up, she bit red lips, towards the side of the blue early read a small voice, "early read, I feel, I can't sing."

"What's the matter? Is your throat still uncomfortable? "

"How dumb."

"Then what? Now, the show is about to begin. " LAN Chu read a little worried.

"I'll try." Zhuang wennuan can only cope with the past. She must have seen her fans from all over the country. She can't let them down.

Linxi and yemanni look at each other. Although they have a sexy smile, only the two of them know the pride in their eyes.

Soon, Zhuang wennuan will be embarrassed. Moreover, ye Manni looks at her male fans standing in the first row. His pocket contains his weapons today, eggs.

When the music rang, Zhuang took a deep breath and showed a sweet smile. She nervously grasped the microphone and tried to keep relaxed.

The light singing part of the prelude is just her. Although her voice is hoarse, she still controls the rhythm very well. However, in the treble, Zhuang Nuan is afraid of breaking the sound.

Just in time, there is a high part of the song. Zhuang has never been so nervous. In her mind, she also turns around several times to ask if she wants to stop immediately, explain the truth to the fans, or apologize. However, in the rhythm of the music, she interrupts the idea.

The treble part is coming in a twinkling of an eye. Zhuang wennuan presses his throat and tries to sing it out. However, the hoarse part is still very severe, almost worrying.

When all the fans were surprised, Zhuang wennuan finally looked at them regretfully. Even though the companion music was still playing, she opened her mouth with guilt, and her voice was still very harsh and dumb. "I'm sorry, I'm not comfortable with my vocal cords today, and I can't sing any more."

On the second floor, Qiao Muze's eyebrows were tightened, and the worry in his eyes immediately appeared. He said to LAN Qianhao, "I'll go down and have a look."

LAN Qianhao also followed, "I will accompany you."

When Qiao Muze went out, Zhuang warm stood under the stage. Suddenly an egg was thrown on her chest.

"If you can't sing, don't sing. I think it's fake! Get out of the way. " The male fans in front of me shouted out angrily.

When other fans were shocked, he threw another egg on it. Zhuang Nuan's liver froze, and LAN chunian was shocked. But she stood beside Zhuang Nuan, and she immediately protected her. The second egg was thrown on her back.

On the second floor of the stairs, two handsome and extraordinary men saw this scene, and they all loved the girl on the stage. Joe muselli said, "stop it."

The security guard nearby responded, and immediately stopped the male fan. He was not allowed to make trouble again.

Fans were also surprised to see the two men who came to the stage quickly. Under the light, they were slender and beautiful, just like gods coming.

Qiao Muze immediately pulled the frightened Zhuang warm, regardless of the broken egg mucus on her chest, and took her into his arms, "is there any injury?"

Next to him, LAN Qianhao saw that the back of LAN chunian was also yellow and sticky. He immediately pointed to the male fans under the stage angrily and said, "wait, I won't let you go."

LAN Chu Nian was a little flustered just now, but at this moment, when she was standing beside her big brother, she was suddenly happy. He cared about her so much and protected her.

Lindsey and Yemeni also didn't expect that the two men were present at the same time. Yemeni watched Joe muzer take off the expensive suit and take it to wipe the dirt on the warm body of the villa. In her eyes, they were all distressed and worried.

Chapter 947

On and off the stage, everyone's eyes are watching the two handsome men on the stage, how to care for the girls around, LAN Qianhao quickly took the paper towel from the host next to him, and wiped his back for LAN chunian.

Choumuze reached for the village and said, "come back to the room with me."

Finish saying, toward blue thousand Hao way, "thousand Hao, go together."

LAN Qianhao takes off his suit, drapes it on LAN chunian's shoulder, and says to Zhou Tao, who is also shocked beside him, "keep that man under control, and don't let him run."

"Joe muzer's eyes also handed over," tonight's meeting will be cancelled

The words of the two men, however, were very powerful. Seeing that the situation was so bad, Zhou Tao immediately went to the stage to preside over the scene, and ye Manni and Lin Xi, who were left on the stage, also went down.

There was no meeting between LAN chunian and Zhuang Nuan, which seemed very cold. Besides, there were a lot of fans who cared about the two of them and loved their experiences today.

They love their idols, which can forgive Zhuang warm throat uncomfortable rest, that angry male fans, at the moment, they all want to scold people.

Qiao Muze holds Zhuang warm, and LAN Qianhao walks into the same elevator with LAN chunian. In the elevator, what does Zhuang wennuan want to say? Just when she makes a sound, her throat is hoarse and astringent. "Thank you for reading this for the first time."

Jomunze immediately held her shoulder and looked at her anxiously. "What's the matter with your voice?"

One side of the blue read, "when we first came, we were still good, but I don't know how. When we came on stage, the warm voice became dumb and astringent, and we couldn't even sing."

At the moment, Zhuang is very confused about the warmth. What's wrong with her? Has she got any disease?

The elevator jingled to a stop. This is the floor of the room where LAN Qianhao is. He helped LAN chunian to come out first.

And chamuzer's room is two floors up.

LAN Chu Nian's back is wet and sticky at the moment, which is also very uncomfortable. However, she still bears it. LAN Qianhao brushes his room and lets her in.

"Big brother, I need to take a bath. It's uncomfortable." Said LAN Chu Nian.

"Go!" LAN Qianhao said to her.

Blue Chu Nian quickly changed her shoes and walked into the bathroom. She saw the dirt on her back from the mirror. She frowned and reached out to take off her coat. Now she was eager to take a bath.

Qiao Muze also came to the room. Zhuang was even warmer. The eggs were broken on her chest, and some were sprinkled on her neck. At this moment, she naturally wanted to take a bath immediately.

"I'll take a bath." As soon as Zhuang wennuan spoke, she covered her vocal cords, and there was tension and worry in her eyes. She was a singer, and she cherished her vocal cords just like her life.

Now, what happened to her vocal cords?

Choumuze's eyes were full of worry, and he said gently, "go take a bath."

Zhuang warm nodded, but standing in the bathroom, when she was alone, she still felt her heart and hair were astringent, her eyes were filled with tears, she looked at the dirt on her chest, she bit her lips, and put up with the idea of crying.

And her vocal cords. Can't she sing anymore? Zhuang warm wants to hold back the tears, but because of the vocal cord's loss of voice, makes her still lie on the washing table, silent affixes to cry.

But she didn't cry too long. She went into the bathroom. She didn't want the men outside to detect her cry. She would rather stand under the water tap and let the water wash her face and take away the tears.

Downstairs, LAN Chu Nian washed her head. She felt comfortable and clean all over her body. She was very comfortable. Only when she came out did she find that there was nothing she could wear except bath towels.

Forgetting to bring in the bathrobe, LAN chunian had to wrap it up with a bath towel and come out to get the dryer.

I saw a girl in a long wet hair, barefoot on the carpet, all white some dazzling.

With her shy face and big eyes, blue Qian Hao swallowed her saliva and said to her, "what's the matter?"

"I'll take the blowpipe." LAN Chu said, went to the next cupboard to look for it and opened it. She saw that the bathrobe was also there. She reached for a set of bathrobes and quickly took the hair dryer to hide in the bathroom.

Blue thousand Hao's breath is slightly hasty, he is biting thin lip lightly, got up and walked to the balcony to go up.

In Qiao Muze's room upstairs, Zhuang wennuan also came out with a bath towel. She also washed her head and her long hair was wet. When she was going to get the air blower, she heard the voice of a man.

"Come here."

Zhuang wennuan looked up and saw the hair dryer plugged in beside him, and he was going to blow her hair.

Zhuang wennuan walked a little shamefully. The man went back to the bathroom and took a dry towel and put it on her shoulder. Then he gently blew her hair.

Zhuang Nuan closed his eyes because he was crying in the bathroom just now. Only when he closed his eyes could he not find out. However, Joe saw that she had cried, which made him very angry about the behavior of today's male fan.

"I'll take you to the hospital to check your vocal cords. Something will happen." Qiao Muze comforted me.

Zhuang Nuan nodded, and now she wanted to know what happened to her vocal cords.

In a restroom on the second floor, yeoman Ni and Linxi are sitting. They are speechless. Now they know that they can't sing in a good fan conference. Although they are so hurt that they can't sing, it's her who makes the mistake, but it's their team who makes the mistake.

Now, the fans have been evacuated outside, and this matter has appeared on the Internet. Many fans are strongly condemning the male fan, and they are not comfortable with Zhuang's warm throat, unable to sing. They are all inclusive and supportive, and they are considerate. Many fans make a sound to let her have a good rest and strive for a good health.

And the whole hot topic of this matter is Zhuang Nuan and LAN chunian. For the two of them, they didn't mention anything.

That's the worst. They don't even have a topic. They are totally transparent.

Suddenly, what did Yemeni think of? She quickly got up, went to the cup that Zhuang had just drunk, picked up the cup, and took out the cup together with the water on it, and said to Linxi, "this must be destroyed, and they can't find it out."

"Throw it elsewhere." Linxi is also a little anxious, because there are Qiao Muze and LAN Qianhao here today. They are not easy to get into trouble.

Yemeni immediately took it out of the house. She wanted to throw it into the bathroom. After pouring it out, she had to wash the cup and throw it again. Now, she didn't want this matter to involve them.

When Yemeni came back, she and Lindsey looked at each other. Both of them had a guilty look in their eyes, as well as the uneasiness of doing something bad.

"Zhuang warm warm should not doubt that we did it!"

"It's not that we brought her water, how could it be us?" Lindsey gave a look. "Don't worry! I don't think it's ours. "

However, in their hearts, they are thinking of another thing. Now, they are left here, while Zhuang Nuan and LAN chunian are in the hotel, enjoying the company of two handsome men!

Yemeni, in particular, was so jealous that she could not forget that Joe muzer had just taken off his suit and wiped it on her, regardless of the cost of the suit.

Is Zhuang Nuan so important in his heart?

In the room of blue Qianhao, blue chunian changed into a loose bathrobe and came out.

Half dry long hair is soft to cover behind the head, a pink and white face, clean and beautiful.

LAN Qianhao stands on the balcony, looking at her figure with a hair dryer in her bathrobe, and imagines a problem in her mind.

Is there anything else on her besides this bathrobe? The answer is obviously No.

LAN Qianhao immediately twisted his brow to stop his head from exploring and imagining more information about this matter.

And he twisted his eyebrows so hard that Lan Chu Nian, who came out of the room, immediately looked at him worried, "brother, what's wrong with you? Do you have a headache? "

When LAN Chu finished, she came close to her. The fragrance of her body surrounded her. She picked up her toes and rubbed his temples with two thin fingers.

The girl who is holding her toes and holding her hands up doesn't know what kind of scenery the loose bathrobe will show under her action.

Plus the height of a man, he wants to appreciate it. It's just a matter of his eyes.

"Nothing." LAN Qianhao still doesn't want to take advantage of her. He reaches out and holds her small hand. "Are you uncomfortable?"

Chapter 948

"I'm worried about the warm vocal cords. I don't know why it's so serious all of a sudden."

"Don't worry, muzer will take her to check."

"Ah! A good meeting, it's over. " It's a pity for LAN Chu Nian.

She turned back and picked up LAN Qianhao's mobile phone to surf the Internet to check the response of fans on the Internet. Fortunately, she saw a lot of positive energy voices, and did not blame them, but loved them!

In Qiao Muze's room, Zhou Tao's assistant brings Zhuang wennuan's own clothes. Zhuang wennuan puts them on, and Qiao Muze is going to take her to a private hospital. Sitting in the car, Zhuang's warm voice is still astringent and hoarse, and it is difficult to speak. Because of the astringent pain in her throat, she has been afraid to speak, but more importantly, she covers her throat.

Joe saw her all the way, both distressed and worried. He knew what vocal cords meant to her.

The hospital soon arrived. Qiao muzer took her directly into the doctor's office. The doctor immediately examined Zhuang's warm vocal cords and asked her about her recent situation.

"Miss Zhuang, have you taken any food on fire recently, or what kind of medicine?"

Zhuang wennuan thought about it and shook his head. "No, I've been very protective of my vocal cords. I won't eat the inflamed food that has an impact on my vocal cords. I haven't taken any medicine recently."

Qiao Muze and Zhuang Nuan eat the same food. He can also be sure that "she didn't eat the fire food."

Doctor Jianyi makes a film of Zhuang wennuan. Zhuang wennuan is very nervous. He is afraid that his vocal cord really has some big problems.

When she made the film, he immediately held her. "Don't worry, I'll know the result in a moment."

As a result, it was sent to the doctor's office soon. After the doctor saw it, he was surprised. "Miss Zhuang, your vocal cords are not very optimistic. You have to take medicine as soon as possible due to redness, swelling and some congestion."

"Will you take the medicine?"

"It should be OK to take medicine with the normal diet." The doctor was very optimistic.

Zhuang warms her heart, but she doesn't know how she can cause this kind of problem.

The doctor took another look at Zhuang Nuan and said, "I know you are a singer, so you should pay more attention to this aspect of things. You will have problems with vocal cords, which will affect your work."

"Doctor, I really don't know why my vocal cords suddenly become like this. I'm fine in the morning." "Will there be any serious problem with my vocal cords?" said Zhuang

"At present, your vocal cords are only caused by inflamed heat. There should be no other problems."

"Warm, do you have anything to eat before you go on stage? Or what to drink?" Chamuzer immediately considered the reasons in other directions.

Zhuang didn't want to think about other people's disadvantage to her just now, but at the moment, she thought, "I had half a glass of water before I went on stage."

"Who brought it to you?" Joe's nerves are tense. There must be something wrong with the glass of water.

Zhuang wennuan thought, "it's assistant Xiaolan."

"What is your normal relationship with her?" Chamuzer has determined that this is a malicious injury.

Zhuang wennuan blinked, and didn't believe Xiaolan would do it. "She is our life assistant. She is usually very good to us, and you don't have any hatred."

"I'll check it out. Take your medicine first." Said choumuze in a low voice.

Qiao Muze calls Zhou Tao and tells him not to let his staff leave for the time being.

Although Zhou Tao was strange, he did the same.

LAN Chu Nian's clothes were also sent up by her assistant. After she changed them, the whole person was much more relaxed.

"Elder brother, I'll go down and have a look." Said LAN Chu Nian.

"I'll go down with you." LAN Qianhao is not at ease, although there are no fans present, he is also worried about her.

"Well!" Blue Chu Nian didn't refuse.

And Qiao Muze with Zhuang warm from the hospital back to the hotel.

On the way, Zhuang warm thought of the morning, Xiao Lan's expression of bringing water, as usual, very cordial, but, is that glass of water really wrong?

If Xiaolan does it, why does she want to hurt herself? Or is there something in the water that Xiaolan doesn't know?

Zhuang Nuan can't help but think of Ye Manni. She must have cut her dress belt at the last concert, which almost made her lose face and make a fool of herself.

Yeoman Ni's mind, sometimes, she is really afraid.

In the lounge, Yemeni and Lindsey are tired and want to go back to have a rest. They have just packed up and are ready to leave with their bags.

Zhou Tao came in and said, "don't go for a while, and then wait a moment."

Ye Manni's heart immediately raised, "President Zhou, what's the matter? Why don't we go! "

"It's general manager Qiao's idea. He said that you should not leave first. He will come later." Yemeni and Lindsey looked at each other immediately, their eyes were flustered, but they kept calm and said, "what does Qiao always want to do?"

"I don't know, but you stay first!" Zhou Tao finished and went out.

Yemeni and Lindsey sat back on the sofa flustered. Yemeni bit her lip and said, "is jomunze aware of something?"

"Even if he finds out something, we can bite to death. It has nothing to do with us. Anyway, they have no evidence!" Lindsey is still confident.

Yemeni also hooked lips a smile, "yes, it's not us to bite."

After a while, LAN Chunian pushes the door in, and beside her, follows LAN Qianhao. Lindsey's eyes were dazzled immediately. She stood up in surprise and hurriedly gathered her hair, trying to attract him with some small moves.

"At first, you are the only one! How about warmth? " Yemeni asked curiously.

"Maybe I went to the hospital to have a check-up." "You're not scared!" said LAN Chu Nian

"We're fine." Linxi smiled and said hello to LAN Qianhao, "Mr. LAN, I haven't seen you for a long time."

LAN Qianhao nodded slightly and sat down on the sofa beside her. Her long and handsome body made Lindsey 's heart beat and her eyes looked at the past with longing.

"Fortunately, the crazy male fan is under control. What's wrong with him? Do this irrational act. " LAN Chu read and said, sitting beside big brother.

Ye Manni's heart is tight. By the way, she almost forgot this male fan. Now, she only thinks that this male fan should also have a good voice. Don't betray her.

LAN Chu was thinking about something. Looking up, he saw Linxi in the opposite direction, staring at the blue Qianhao beside her. Her eyes showed her love without any concealment.

Blue Chu read a Zheng, turned to look at the big brother around, blue Qianhao holding a mobile phone, is looking at, the love eyes of Linxi, no move.

At the same time, she realized later that Lindsey's idea, she likes big brother?

Once some of Lindsey's behavior was also explained, because Lindsey always intentionally or unintentionally called her to listen to the big brother's affairs.

So she wants to know more about big brother!

LAN Chu's eyes drooped, and his heart was filled with a trace of helplessness. Elder brother is so excellent that he must like his woman. Lin Xi is not the only one! Is he surrounded by a lot of women like him?

In the underground parking lot of the hotel, Qiao Muze got off the car and immediately came to open the copilot's seat. Zhuang wennuan bent out. Qiao Muze reached out to protect her head and took the medicine in her hand. "I'll take you upstairs to have a rest."

"No, let's go together! I want to know who's trying to hurt me. ' Zhuang wennuan shook his head.

She is really sad that such a thing happened. No matter who, in a company, it also makes her feel cold.

Zhou Tao is in the lounge. When he hears the sound of the elevator, he comes out quickly. It's Qiao Muze and Zhuang Nuan who come out of the elevator.

"Warm, how is your vocal cord? What did the doctor say? " Zhou Tao asked with concern.

"I've got the medicine. I'm taking it." Zhuang wennuan replied.

"Let your men gather in the hall." Jomunze's voice had a hint of command.

Chapter 949

Zhou Tao asked his subordinates to gather in a conference hall of the hotel. There were No. 30 subordinates who participated in the meeting, and all the members of each link were present.

In a rest room, Zhou Tao came to kiss Ye mani and Lin Xi in person, and saw LAN chunian was also there. He said to LAN Qianhao, who was sitting on the sofa, "excuse me, Mr. LAN, we have an urgent staff meeting. Please come to see LAN chunian together."

"What's the matter?" Blue thousand Hao immediately picks eyebrow to ask.

"This is organized by Mr. Qiao. You can ask Mr. Qiao." Zhou Tao smiled.

LAN Qianhao stood up and said to LAN Chu, "wait for me here."

LAN Qianhao comes to the next lounge and sees Qiao Muze standing in front of the floor to floor window, while Zhuang Nuan is sitting on the sofa in a trance.

"Muzer, come out." LAN Qianhao said to him.

Qiao Muze stepped out, and the two men went along the direction of the corridor to the Chaoyang platform.

"You asked Zhou Tao to call on his staff. What's the matter?" Asked LAN Qianhao curiously.

"I suspect someone poisoned the warmth, which caused her vocal cords to have problems." Qiao Muze's handsome face is cold and stern, and more anger emerges in his eyes.

Blue thousand Hao a Zheng, "poison, how does the doctor say?"

"Her vocal cords can be recovered only by taking medicine, but that person obviously wants to destroy her fans' meeting this time. I can't tolerate the vicious intentions."

"Is there any doubt about it?" LAN Qianhao's handsome face is also tense. Her younger sister is also a simple minded person. If this company has such a minded person, what if she also starts to work on her first thought?

"Check first." Joe Munzer finished, patted him on the shoulder and said, "would you like to take your sister home first?"

"Let's stay and check together. I don't want such a ruthless person to stay in this company." Blue thousand Hao also don't want to miss.

When the two returned to the lounge, Qiao did not show up in person. He called Zhou Tao in and asked him to invite a female assistant named Xiao Lan.

Zhuang warm wring her hands, her throat as little as possible now, afraid of stimulating the already swollen vocal cords, but her heart, more angry is the person who poisoned her.

In another lounge, LAN chunian is also waiting for her elder brother, while the two people sitting next to her are not so relaxed. Yeoman and Lindsey's eyes touch each other several times, obviously nervous.

Zhuang wennuan is not the girl who used to be helpless and dare not speak up when she was framed. Now she is surrounded by Qiao Muze, who is the big backer, and really can't be provoked.

LAN Chu Nian is also a little strange. Where has elder brother gone? He hasn't come back yet.

At the moment, in the next lounge, Xiao Lan, the assistant who was called in, was standing in front of two oppressive men in a normal sweater.

Looking at them at a loss, I don't know why she was invited in.

"What can I do for you, Mr. Joe?"

Zhuang wennuan raised his head, looked at her gently, and asked in a hoarse voice, "Xiaolan, is there any problem with the glass of water you gave me this morning?"

Xiaolan immediately shook her head and shook her head violently. "No, warm sister, I didn't hurt you!"

"The warm voice in the morning is still normal. Since drinking the glass of water you gave her, her vocal cords have been dry and hoarse. Now, it has seriously affected her vocal cords. How dare you say it hasn't hurt her mind?" Joe muzer's voice was cold and piercing, and his eyes stared angrily.

Xiaolan's legs were soft with fright, and her whole body shrank into a group, but she shook her head firmly. "I didn't, I didn't poison in the water, sister warm, you have to believe me, I really didn't want to hurt you!"

One side said, Xiaolan's tears are scared out, and that look, it is not like to pretend to come out.

"Xiaolan, I believe you. Don't be afraid." Zhuang warm and gentle comfort, get up, walk to her in front, reach for her hand.

"Xiaolan, you tell me, who else is near you besides you? How do you think about it? " Zhuang wennuan actually knows that in the lounge in the morning, except for her, Lindsey and Yemeni are all outside the lounge.

She and LAN Chu want to make up in it, so they won't be the people in it.

Xiaolan thought carefully, "in the morning, I was worried that you would be thirsty when you came to the stage, so I took four glasses and poured water for you. The water was a warm water bottle provided by the hotel. I poured four glasses in all. I really don't know why."

Zhuang warm heart, or guess, is not Xiaolan, should be yemanni and Linxi together, because they have motivation, there are reasons.

Now, Xiaolan can't be a witness, and the water cup must have been taken away, even if she suspects that they did it, they won't admit it without evidence.

At that time, the result was the dissolution of the whole women's League. Zhuang Nuan paid her three years' hard work in this league. She couldn't bear to see this team just like this. Zhuang warm even if the heart hate, she still took a deep breath, bite teeth endure down, "Xiao Lan, you go back!"

"Thank you for being warm, thank you for being warm." Xiao Lan was so scared that she left with sobs.

Joe muzer stood up and went to her side. Wen said, "what's the matter?" Why don't you check? "

"Not Xiaolan."

"It's not her. It must be someone else. You can't be poisoned for no reason." Chamuzer didn't want to let this man go.

Zhuang wennuan thought about it and smiled, "I'll just go back to take the medicine. It shouldn't be a big problem. I'll take a look at it for the first time."

With that, Zhuang wennuan opened the door and went out. Qiao Muze frowned, and then blue Qianhao patted him on the shoulder. "It's obvious that an assistant and Zhuang wennuan have no grudge or hatred. What did she do to her? They should have done it by two other members of their league. They are jealous of the warm reputation of the villa and want to use some means to make her look ugly. "

"They are." Qiao Muze took a bite of his steel teeth, and the answer was already in his mind.

"Zhuang Nuan can't bear this tone. She doesn't want to lose the harmony of their team. Since the establishment of this women's League, she should cherish it very much." LAN Qianhao is also because his younger sister is a member of the league, so he can understand this.

Qiao Muze's eyes flashed a cold light. "This kind of people, let them roll."

LAN Qianhao's eyes did not show any mercy. He patted him on the shoulder and said, "I agree. Let them get out of the music circle!"

Zhuang wennuan pushes the door to enter the lounge next to her. There are three people sitting in the lounge. Yeoman Ni and Linxi look at her nervously as soon as they see her pushing the door.

Now, they are afraid of Zhuang's warmth.

Zhuang's warm eyes also noticed that their hearts were empty and flustered. After eating the medicine, her throat was better. She said directly, "I know it's you two who have poisoned her. You hate me. You can say it directly, but please don't be so mean and shameless."

Yemeni and Lindsey immediately changed their faces. Yemeni's expression was "Zhuang wennuan, who are you talking about?"! Who hurt you! You don't care for your voice. What does it have to do with us? "

Blue Chu read also surprised to see, simple as she can't believe they will start to Zhuang warm.

"You can deny it, because I have no evidence, but I know it's you. If you hurt me twice and once, are you not afraid of retribution?" Although Zhuang has no evidence to prove that it is them, it does not mean that she will always tolerate their behavior.

"It's warm. Let's talk about it! We are all good sisters. We need to be friendly! " Lindsey is now a good sister. She doesn't want to hate them.

Yemeni immediately sat down with her arms around her. "OK, you wronged me and assie. We won't investigate. Anyway, our meeting has been messed up."

"That male fan is arranged by you! As long as I press him, I'm not afraid I can't ask anything. I just don't want to make it too ugly. I'll let President Zhou come out and see what he can do about it! "

Zhuang warm warm finish saying, toward blue early read a way, "early read, let's go!"

Blue Chu read to stand up, some do not believe to ask, "do you really have to warm this kind of poisonous hand?"? How can you do that? They are all sisters. Why deal with their own? "

One side of Lindsey immediately retorted, "first thought, no matter what, what we didn't do, we won't recognize it."

Chapter 950

Zhuang's warm heart has endured to the limit. She bit her lips and said, "people are doing it, and the sky is watching. If you don't do it, you know it."

Finish saying, Zhuang warm warm takes blue early to read to come out, bump into also come out of two men.

Qiao Muze knew yemanni was in the room. He opened the door with one foot. The two girls who were about to breathe a sigh of relief turned pale with fear and looked out of the door.

I saw Qiao Muze's gloomy face, staring at them coldly, squinting his eyes and putting down his cruel words, "this thing can let you go, I will never let you go."

Cho muzer's words made Yemeni and Lindsey breathless.

Zhuang Nuan reached out and pulled him. "Let's go!"

Blue Qianhao's eyes also swept in, and the eyes gouged out the bone knife in general, which made the two girls in it immediately tremble again.

Listening to their footsteps, Yemeni and Yemeni sat down on the sofa, their faces blue and white. Linxi bit her lips and murmured, "it's over. They know we did it."

Ye Manni was also frightened. She blinked her eyes fiercely. "Zhuang wennuan even let Qiao Muze give out air for her? How can she do such a thing? "

"I despise women who can only rely on men." Said Lindsey fiercely.

It seems that only such a scolding can make her feel better.

Downstairs, Zhuang wennuan sat in the car, and she said to the man beside her, "thank you, this is our business, let's solve it by our own company!"

Qiao Muze was distressed and a little annoyed. "Your business is my business. If you think I shouldn't manage it, OK, I will buy your company and become the largest shareholder of your company. I have the right to ask about it."

Zhuang warm slightly gaped at the eyes, silent for a while.

What she didn't know, though, was that the biggest shareholder in the company had long been this man.

"Don't worry, these two people will get out of the music circle sooner or later." Joe muzer finished, and stepped on the accelerator, the sports car drove away.

Not far behind, in another sports car, blue Chu Nian is biting her red lips. Today's event has refreshed her cognition.

"How can they deal with warmth? How can they do that? "

LAN Qianhao looks at her frightened expression. He sighs a little. He has protected her so well since childhood that the people in the world are dangerous. She is not ready yet.

"At first, remember that no one in the world can believe you except your relatives." LAN Qianhao gives her a lesson.

LAN Chu blinked and thought of this sentence in silence. She suddenly thought of her family members. She thought of two other blood related people in the world. But where are they?

Is it still in the world?

Ye Manni and Linxi stand up, and Zhou Tao rushes in angrily, "what's the matter with you? Do you even put medicine in the warm water? "

Ye Manni and Lin Xi have been frightened several times. Facing Zhou Tao's anger, their faces are pale and colorless.

"Sorry, President Zhou, we We are unintentional, we are just blindfolded by jealousy, please forgive us Ye Manni didn't want to hide from Zhou Tao, so she had to admit it.

"You You've killed your team. What else is it like? " Zhou Tao looked at the two of them, and he was also sad. The two artists who were trained by one hand are now unable to live.

Chamuzer will not let them go.

However, it would be a pity if the team that had not been able to fight the blaze were to be disbanded immediately.

"President Zhou, you must believe us. We are really careless. Please forgive us." Linxi is also pleading, thinking Zhou Tao is their biggest umbrella.

"It's no use asking me to forgive you. You have to see if Joe Munzer will forgive you." Zhou Tao said angrily.

"you are the boss of the company, you has the final say!"

"Do you know the investors behind our company?" Zhou Tao doesn't mind telling these two dead and alive men.

Yemeni and Lindsey looked at each other with a foreboding feeling.

Mysterious boss?

"It's not Joe Munzer!" Asked Lindsey, her voice shaking.

Zhou Tao breathed, "OK! Let me tell you that the fund for the establishment of your women's League was invested and established by President Qiao three years ago. Besides, you are just lucky to be one of them. You are the one I chose. The only person that President Qiao really wants to cultivate is Zhuang Nuan. Zhuang Nuan is the main reason why your team can be established. Without her, you don't have the current fame. You still want to work with her Dispute? Are you still trying to hurt her? This is your own destiny. "

The bloody truth made the two women on the sofa immediately open their eyes, "what?"

"You should thank Zhuang Nuan for her large investment. Without her in your team, your team, like all the women's groups in China, is facing disbandment. Do you still have the present? Now you're looking for your own blessings! I can't help you either. "Zhou Tao finished, looking at two desperate and paralyzed girls, he felt worthy. Zhou Tao shut the door, and ye Manni held her head in a broken embrace. "No, how could it be? Is it because of the warmth of Zhuang that we have today? "

Linxi's brain is also blank. Even if she doesn't hate Zhuang Nuan as much as ye Manni, her heart has been unbalanced for a long time. Now, Zhou Tao's words, no doubt, slapped them hard.

"Joe Munzer has long seen the warmth of Shangzhuang? How can Zhuang warm get such a blessing? " Lindsey was also flustered. What Qiao muzer said just now clearly killed their future.

"Honey, look what you've got. Now, we're all playing." Lindsey scolded. Now, she would like to blame yemanni for all this. She hurt her.

Yemeni immediately turned her face back and said, "don't you agree to do the same? No one can blame anyone. "

Hypocritical sisterhood shows its original form.

Qiao Muze brings Zhuang wennuan back to the villa. On the way, Zhuang wennuan's throat feels a little better because of the medicine. What she is cold about now is that her sisters who used to be together will become enemies.

"Are you better?" Chamuzer reached out and stroked her head.

"Well, much better." Zhuang Nuan blinked and smiled. She was grateful and moved for what he did today.

However, she doesn't want to trouble her with everything. She doesn't want to rely on him if she can handle it by herself.

Just then, Joe's car phone rang, and the word "fuck" was directly displayed on the screen.

Qiao Muze took a look, immediately parked the car beside the pavement, picked up his mobile phone, and said to Zhuang Nuan, "I'll take the phone."

"Well!" Zhuang warms up and smiles.

Watching Joe muzer get off to answer the phone, her heart string is tense.

"Hello, Ma." Joe Munzer picks it up.

"Muzer, come home for dinner in the evening. You haven't come back for some time."

"Good! I'll be back in the evening. " Qiaomuze promised that he didn't go home because he was busy. Qiaomuze rushed to his mother and said, "Mom, I want to take a friend home for dinner in the evening."

It seems that Qiao Mu guessed who his friend was. She asked directly, "muzer, it's Miss Zhuang Nuan!"

"Well! It's her. " Joe Muse answered in a low voice.

"Muzer, it's not that mom doesn't want to see her, but that you're taking her home now, and neither I nor your father are prepared, I'm afraid it will embarrass her."

Qiao Muze listened to his mother's tone, and he was a little lost. However, he could not force it.

"Well, I'll be back in the evening." Joe muzer said, and hung up.

He opened the door, sat in, Joe muzer put his cell phone, his eyes crossed Zhuang's warm face.

I saw that she was also looking at him, with a heartless smile.

Qiao Muze's bottom of the eyes crossed a touch of heartache. In a moment's trance, an impulse made him lean over. Zhuang's warm back brain was clasped. The corner of the mouth was smiling, and the man's cool kiss was printed on her lips.

Zhuang warm blinked, inexplicably some sad, she is not stupid, his heart is not loaded with things about them?

Is her presence embarrassing him in front of his family?

Zhuang wennuan looks up and touches a pair of deep gaze eyes. The eyes are heavy, but it is hard to hide the color of love.

Zhuang warm corner of the mouth again curved up, get his soft eyes, what is not satisfied?

"Go home!" The gentle voice of the man fell in her ear.

"Good!" Zhuang warm nodded and went home two words, how warm!
