

U. CEO Daddy 951

Chapter 951

It's more than two o'clock for Qiao Muze to send Zhuang warm home. Although he is in a hurry, Qiao Muze cooks two bowls of noodles himself.

Zhuang wennuan's throat still has some astringent pain now. It's better to eat a bowl of noodles in clear soup at home.

Chomuze was willing to accompany her, but he didn't mention that he wanted to go home for dinner at night.

Zhuang wennuan is sleepy after taking the medicine. There are some calming properties in the medicine. Qiao muze asked her to go upstairs to rest. When he pushed the door in, he saw that she was lying on her side and sleeping.

In the autumn when the air conditioner was not turned on, it was still slightly cool. He tucked in the quilt corner for her gently and leaned down to kiss her on the forehead.

No longer disturb her, Qiao Muze went downstairs, picked up the phone in his hand, and dialed Zhou Tao's cell phone number directly.

"Hello! President Zhou. " Zhou Tao's voice was a little tense.

"You should know what happened today." Chomuze's tone was cold and angry.

"Mr. Qiao, I'm very sorry. It's something wrong with my training. It's something like this." Zhou Tao also scolded himself.

"These two girls can't stay by the warm side and let them go immediately. I don't want to see them again."

"President Qiao, in this case, the women's League may be dissolved."

"Then disband!"

"Does warmth agree?"

"I don't need her permission to make a decision for her." Qiao Muze is not a woman who can't support him. In the future, if she wants to stay in the music industry, he can still build her and become the music star of the future.

Zhou Tao also thought that he could keep the existence of the women's League. Now it seems that he thought more about it. Qiao Muze was really angry.

"OK! I will do as you tell me. "Zhou Tao has no say in this matter.

After the phone call, Qiao muzer's heart is not relieved. However, he will take revenge for Zhuang Nuan. As long as these two women have a chance in the future, he will sever them severely. He will never allow them to get in the way of the music industry and get in the way of Zhuang Nuan's eyes.

Qiao Muse thought of going home for dinner tonight. He couldn't find out some things. Maybe he could get some answers from his father. Anyway, the truth of Zhuang wennuan's parents' death will be traced to the end.

As for the two people who wanted to fight against Zhuang Nuan last time, the police are still tracking down. The information they got two days ago is that both of them are prisoners at large. They have a set of abilities to avoid the police's tracking down, so they are still chasing.

Joe Munzer also knows that the man in the dark has a very cunning action routine. They know what kind of killers to invite, and these killers are fugitives.

Presumably they may not be able to really contact the person behind the scenes. Who is the person behind the scenes?

Qiao Muze bit his teeth. If he pulled it out, the man would die. He would surely send him to the execution ground.

Many times I want Zhuang warm life. If this person doesn't get rid of it in a day, Zhuang warm's life safety will not be guaranteed.

In Qiao Huiyang's villa, in recent days, since the failure of that action, Qiao Huiyang dare not take any action. However, this does not mean that he will let the villa warm.

Zhuang wennuan's existence is like a sharp sword that can be inserted into his death at any time. When she finds him one day, she will surely kill him.

And Qiao Muze, who helps Zhuang warm, is also a strong threat. Even his nephew, for him, Qiao Muze's helping Zhuang warm is his enemy.

Qiao Huiyang never talked about his family since he was a child. He didn't even take it seriously, because the whole family owed him.

In order to make sure that Zhuang wennuan's hand has any information that can cause threat to him, he has photographed his subordinate Li Da to go out to check the information of that year.

After several days of careful investigation, Li Da came back with bad news.

"Mr. Qiao, it's true that the account information is missing. Zhuang Yanming stole it and didn't know where he hid it." Li Da's eyes did not dare to look directly at Qiao Huiyang's angry eyes.

"Zhuang Yanming, he wanted to report me and kill me. I didn't kill them. Otherwise, I would have been in prison." Qiao Huiyang clenched his teeth and said angrily, "I didn't expect that he still had a hand. Did he know that his death was coming?"

"President Qiao, this account information, the whereabouts of the eyes are unknown. I believe that Zhuang Nuan has not obtained it, so I don't know where Zhuang Yanming is hiding."

"This information is all my criminal evidence. If I find this information, I will be able to open the account of that year. The amount of the account is enough to indicate that I am suspected of murder. Once the case is overturned, I'm afraid that I can't keep it from you. I'm directly accused of murder." Qiao Huiyang's eyes still showed a touch of fear. He didn't want to spend the rest of his life in prison.

"Yes! Before, it was nothing more than a commercial crime. Now, it's really bloody. " Lida also knew that it was too serious to save."So, you know what we should do. Either we have another life on our hands, or both of us are in prison. Maybe we will die directly."

As soon as he said this, Li Da's eyes showed extreme fear. He shook his head. "I don't want to die."

"I don't want to, so we have to be tough." Qiao Huiyang is provoking Li Da's killing intention.

He won't interfere in this matter. All his actions are entrusted to Li Da, so he wants this man to be tough and afraid.

"What should I do? Now Zhuang wennuan is back with Qiao muzer. At this moment, Qiao muzer is afraid to see her more closely. " Lida's face was helpless.

Qiao Huiyang narrowed his eyes, and then he smiled coldly. "Just in time, my nephew bumped into my hand. I can't help it. I can only do that thing that I didn't do before, and now I'll do it again."

Li Da immediately opened his eyes wide and said in a trembling voice, "President Qiao, you are going to Are you going to kill master Qiao? "

Qiao Huiyang's eyes were cruel and ruthless. "You still call him master Qiao. Now he is the executioner who sent us to the death penalty field."

Li Da immediately thought that the panic in her eyes was gradually turned into calm by cruel words.

"Joe muzer is meddlesome. He's a good young master who doesn't do it. He came here to die. We can't help him." Qiao Huiyang's face was grim.

Li Da swallowed saliva, voice line or some tremor, "really to him?"

"If he dies, my eldest brother will lose his beloved son. At that time, you will have to let me take care of the company. The company is mine." Qiao Huiyang made his calculation.

Li Da clenches his fist. When Qiao Huiyang has a company, he is involved in all his secrets. Therefore, his benefits must be indispensable.

"Good! As long as Joe always says, I dare to do anything. "

At about five o'clock in the evening, Zhuang wennuan opened her eyes and felt dizzy. She sat up on her forehead and saw a note on the table beside her.

"I cooked porridge. When you get up, go and heat up for dinner. I'll come back later." The following sign, still drawing a heart, write Mu Ze two words.

Zhuang wennuan took the note and the warmth surged up. In her mind, she imagined that he was cooking porridge for her in the kitchen alone in the afternoon.

Think, the heart will be sweet Zizi, she gently pressed the note in the heart, as if this note had temperature, more reluctant to throw.

Joe's house.

Qiao Muze's car came in, and his mother had come out to meet him. Qiao Muze had a present in his hand, which he used to give to his mother.

"Mom, it's for you." Jomunze brought it to her.

Joe mother shakes her head, "don't waste money in the future, just come back."

Qiao Muze knew that his mother was lucky enough to be in charge of the family. He raised his eyebrows and smiled, "this is the filial piety of his son. You can't refuse it."

There was nothing she could do about him, so she had to pick him up.

"Is dad at home?"

"In the study."

"I'll talk to dad about something."

"Good! Come out for dinner later. " Mrs. Joe came in and put the present on the cupboard. She went into the kitchen and prepared dinner with the servant.

Joe's father is holding a magnifying glass and looking at an ancient painting carefully. Joe's hobby now is to collect antiques and playthings. Now the first floor of Qiao's house is his treasure.

Chapter 952

Qiao Muze knocked on the door and came in. He called to his father who was watching carefully on the table, "Dad, I'm back."

"Come and help me to see if this painting is worth collecting." Joe's father beckoned at him.

Qiao Muze immediately came over, took his magnifying glass and bent down to study for his father. Because of his father's hobbies, he also had time to read more books in this field, so he had some experience.

Moreover, catering to father's hobbies is also one of filial piety.

"Dad, there are obvious traces of artificial manufacturing here. Although it's not obvious, I think the collection value is average." Joe Munzer brought it up.

"It's my son. I can see it at a glance. I've spent a day studying it!" Joe's father patted him on the shoulder. "This painting is a fake. I'll burn it tomorrow."

Joe's father is now a member of the antiques Protection Association, so he has an unshirkable responsibility to eliminate the fake paintings.

Qiao Muze was in a good mood when he saw his father. He sat on the sofa opposite him and looked at him seriously. "Dad, I have something to ask you. Do you have time?"

Joe's father's eyes raised, as if to guess what he wanted to say, he sighed, "you ask!"

"How much did you know about Zhuang Yanming's death?" Joe muzer's tone, serious, but full of some expectations.

Joe's eyes flashed. "It's the police thing to investigate. We just need to accept the result."

"Dad, last time I mentioned about Zhuang Nuan, why are you so angry? Do you have anything to do with it? " Joe muzzer asked again boldly.

Joe's father's eyes were fixed on him. "Muzer, I just want to tell you that your father has never done anything illegal."

"I know." Joe Muse nodded. He believed in his father.

"I heard that you and Zhuang Nuan live together. Your mother and I both agree. We don't agree with you." Joe's father put down the magnifying glass, and his eyes showed his firmness.

Qiao Muze twisted his eyebrows and looked back at his father firmly. "I know her parents' death had a certain impact on the company in those years, but it has nothing to do with her. She is a poor person."

"You can't be with her because of sympathy." Joe and his father.

"Not sympathy, but love." Joe muzer changed his father's words.

"You Why do you like so many girls? " Joe's father is also very helpless and angry.

"Dad, I don't want to argue with you, but my feelings should be up to me. I think you will like her in the future." Joe muser thought of the last quarrel between his father and son. He wanted to avoid it.

Joe's father's eyes showed a faint sadness. He didn't expect that his son would fall into Zhuang's warm feelings.

Is this Providence? Is this God punishing him? What he couldn't stand up for, let his son stand up for him and preside over justice? And so determined.

"Well, we don't quarrel about it! Your mother and I mean, you can be together, but you can't get married. "

"Why?" Joe looked at his father in bewilderment.

"At least you can't get married without our consent." Joe's father insisted that he believed that time might change his son's feelings with Zhuang.

Qiao Muze's fist clenched secretly, he slightly breathed a breath, just as he thought the same.

He can accept his parents' ideas now. Maybe time will let them understand that his feelings with Zhuang Nuan can stand the test of time.

Zhuang wennuan goes downstairs and looks at the porridge cooked. It's fragrant and delicious. She can't help but have a sour nose and let this man take care of her. Isn't she useless? She didn't want to be so useless. She wanted to be more independent.

Blue house.

LAN Qianhao still has dinner at home today, and he wants to sleep at home.

Blue mother at the dinner table, and inquisitive about him and Nie Yinyin, blue Qianhao talked about panic, eyes do not blink, only that they are understanding each other.

While sitting beside, LAN Chu wanted to laugh, but she had to hold back. If she wanted to make a real laugh, she would break through her eldest brother.

Blue father and blue mother are very satisfied. Finally, their son's feelings are finally moving in the right direction.

After dinner, LAN Chu Nian went back to her room, and LAN Qianhao knocked on her door.

Blue early read obediently open the door, watching him come in, some shy asked, "big brother, what do you want?"

LAN Qianhao went to her sofa and sat down. He stared at her beautiful face and said, "if I was at the dinner table just now, you can't tell my parents."

"Why?" LAN Chu said with a smile, "do you want me to panic?"

"Little fool, do you want me to be scolded by my parents?" LAN Qianhao stared at her angrily.

"I don't want to." LAN Chu thought to shake his head.

"Even if you don't want me to be scolded, you should cooperate with me well. In the future, only you know about Nie Yinyin and me." "And what if my parents knew that one day?" Blue Chu read the worried question.

"Let's talk about it then!" LAN Qianhao is now a little bit complicated in his heart. He is a little angry. He has done so much just to be with her?

She is so good that she has no consciousness at all.

"Whoo! OK, then I won't say. " LAN Chu nodded and didn't want him to be scolded.

LAN Qianhao looks at her like a good girl. He wants to bully her. He stands up immediately and LAN chunian is scared.

"Big brother, what are you going to do?"

"Come here, let me pinch it." Said LAN Qianhao.

Blue Chu Nian immediately knew that he was going to pinch her face. Before, he wanted to pinch her face. She had no opinion, but now it's different.

There is no blood relationship between them, moreover, this kind of behavior has been very ambiguous.

"No way! I can't pinch. You can't pinch my face. " LAN chunian immediately took a step back.

LAN Qianhao is a little depressed. The girl is not obedient!

He immediately reached out to explore, blue read a hide, blue Qian Hao instinctively step ahead of the body, blue read can't help but frighten pretty face a red, to the side of the drill ah drill!

Blue Qian Hao reaches out for a hug and pushes her to the wall next to him. When Blue first reads two small hands pushing him, he easily snaps them up and puts them on the wall.

All of a sudden, she was in a state of control.

Blue thousand Hao some proud way, "still dare to hide?"

Blue early read pretty face red Tong of look at him, bite red lip, ashamed to open mouth.

Blue Qian Hao just found out, before always happy little girl, suddenly become quiet, and, why is her face so red?

When I used to play like this, I would be ashamed if I didn't see her! And giggle at most.

All of a sudden, blue Qianhao's hand quickly pinched on her face, then let go of her hand, back over her body, breathing slightly.

"What's the matter with you?" LAN Qianhao asked her back.

Blue Chu read to bite a lip, also feel embarrassed and embarrassed, "nothing!"

"It seems that you have grown up and can't play like this anymore. You won't be bullied in the future." LAN Qianhao said, and walked to the door.

In the room, LAN Chu Nian sat quietly on the bed, thinking of the feeling he had just tortured there, a heart fluttering straight, it's really different, her feeling for him has changed.

He is no longer a big brother, but

Blue early read bite lip, a blank in mind, how to do?

According to her parents' practice, they won't tell her the truth of her life experience in person. Can she bring it up on her own initiative? In this way, will they be scared?

LAN Chu Nian is tangled in her heart. Even if she tells her parents, it seems that she can't change her relationship with her eldest brother. They grew up as brothers and sisters! LAN Chu read a sigh and felt helpless.

When LAN Qianhao returned to his room, he stood on the balcony, dazed. As a man, he had something he wanted to do but didn't dare to do, which was the most depressing and bitter thing.

In Qiao Muze's villa, Zhuang wennuan has been waiting for him to come back. He sits on the sofa and does nothing. He just stays and listens to the outside voice.

Finally, at 9:30, she heard the familiar sound of a sports car. She chuckled and finally he came back.

Zhuang wennuan put on his shoes and rushed out of the hall.

The man who came down from the driver's seat when the sports car stopped in the garage was Joe Munzer.

As soon as Qiao Muze got out of the garage, he saw a figure rushing towards him. He reached out to catch it, and there was a touch of warm nephrite in his arms. He held it tightly, looked down, and felt a sense of satisfaction.

Chapter 953

Early morning, outside the airport.

A line of three black cars occupied the position very aggressively. The bodyguards at the front and back got off and opened the back door of the middle car.

I saw a pair of long slender legs step down, a straight body bent out.

"Mr. Xing, the second young master has more than ten minutes to come out. Why don't you take a rest in the car?" Said the bodyguard.

"No, pick it up!" Xing liehan raises his mouth. For the younger brother he hasn't seen for more than a year, how can he prevent him even if he waits for a moment?

The man walked into the hall gracefully with long legs, and four bodyguards immediately followed him. The powerful man made all the passengers around look sideways, especially the young women, almost holding their breath.

Because this man is so charming, his whole body radiates light, which makes all the men around him dim. Even the tall bodyguards he follows become the foil in front of his momentum.

Xing liehan's eyes firmly fell in front of him. For the adoring eyes around him, he didn't even give one extra eye. At this time, his mobile phone rang, and he picked it up and picked it up with a smile.

"Hello!"

"Daddy! Did you get my uncle? " At that end, the little girl asked excitedly in her tender voice.

"I'm still at the airport. I'll go home as soon as I get it."

"Daddy, I want toys. Can you bring them home?" That's what little guys call for.

Xing lie's doting light twinkled in his cold eyes. Just when he wanted to promise, a woman's voice came from the other end of the phone, "don't buy it for her. Don't spoil her."

Xing lie's smile at the corner of his mouth was helpless. "Is little baby angry?"

"Be angry if you are angry! Don't get used to her either. Come back after you receive her. "

"Let the little one answer the phone! I explained to her Xing liehan laughs.

Soon, that end is a little unhappy children's voice, "Daddy, will you buy me a gift?"

"Daddy doesn't buy presents today, but he has a good news for you."

The little guy was immediately attracted, "what's the good news?"

"Your uncle bought you two big presents."

"Really? Well, daddy, I'll wait for you to come back. I won't cry or make trouble. I'll be good! " The little guy fawns on me.

Xing lie's cold eyes almost melted when listening to her little daughter's words.

"Well, I'll be with mommy and brother when I come back." Xing liehan chuckled, and then the bodyguard said, "Mr. Xing, the second young master got off the plane ahead of time."

Xing liehan said patiently to the microphone, "well, daddy is going to pick up his uncle. I'll see you at home."

"Well! I love your daddy. " The baby's voice dropped, and he hung up.

As Xing Lihan received the phone, the smile on the corner of his mouth did not disappear. Looking up, he saw two figures coming out of the passage. Two young men of about the same age dragged the gift box. One of them was Xing Yifan naturally.

"Brother." Xing Yifan pulls the box, and the bodyguard takes it for him immediately. The box of the handsome boy beside him is also taken away.

"Hello, brother Xing." The young man next to me immediately said hello.

Xing liehan looks at the big boy beside his brother with a smile. "You are Qianchen. I've always heard about you. Welcome to go back home for a vacation. Let's go! The car is outside. "

"Thank you, brother Xing." LAN Qianchen said politely. Xing Yifan patted him on the shoulder. "You're welcome. Let's go!"

Outside, in the motorcade, LAN Qianchen got on another black car, while Xing's two brothers took one.

In the car, Xing liehan asked at the first time, "have you brought a gift for your niece?"

"Yes!" Xing Yifan said with tears and smiles.

"Buy another one! I promise you will bring her two gifts! "

Xing liehan seriously said, in fact, he is a favorite daughter, and with his brother's name to send her gifts!

"Good! No problem with three. " Xing Yifan also misses the little guy. Every time he listens to the soft and sticky milk sound on the phone, he can finally see his lovely little niece.

"Well, two is enough. Three is too much. Your sister-in-law will suspect that I bought it. Come next time." Xing lie said with great experience that he must be the one who is used to reading by his wife everyday.

In the other car, LAN Qianchen sat down and dialed his elder brother LAN Qianhao's phone.

"Hello, big brother. I'll see you at home."

"Don't you really want to pick it up?"

"No, my brother's eldest brother has come to pick me up. He has a car to take me home."

"Good! Be careful on the way. " The voice of blue thousand Hao admonishes.

After leaving the airport, the two roads diverge. The direction of LAN Qianchen turns to LAN Zhai, and Xing liehan's motorcade turns to Xing Zhai. However, in the middle, Xing liehan stops in front of a shopping mall. Xing liehan and his younger brother pick up a gift for her daughter and return to the car. Xing Yifan is also a person who has been abroad for many years. He seldom returns home on vacation. He is in a very good mood.

"A promise for months?"

"Almost three months." With that, Xing liehan stared at his younger brother, who had grown up from a teenager. His eyes showed his elder brother's concern. "Did you find a suitable one?"

Xing Yifan shook his head directly. "I'm not interested in feelings at present. I'm a late married family."

Xing Lihan reached out and patted him on the shoulder. "This time, my parents' work is like you."

"I hope my parents will let me go. I'm going home on holiday." Xing Yifan gathered a handsome mohair, cut off the ears on both sides, and the Mohair in the middle was combed back with great personality. The handsome facial features, with sharp edges and corners of cold breath, thin lips, with a trace of high cold, proud and lonely eyes, also have a light that people dare not look down on.

He is no longer the young master of Xing family. He has grown up and become the kind of person he wants to be. He has extraordinary ability and unique charm.

But one thing that hasn't changed with his childhood is that there is a kind of indifference in his bones, not his relatives and friends, and he will make the other feel difficult to get close to.

Blue house.

LAN Chu Nian received a phone call from her eldest brother. The second brother finally returned home. On the way home, she sat in the hall happily waiting.

She also missed the second brother that she had not seen in a year. However, for this second brother, LAN Chu Nian really thought of him as his elder brother, and didn't feel like LAN Qianhao at all.

Now, LAN Chu Nian is also very entangled. Do you want to tell her family that she already knows her life experience?

Half an hour later, blue Qianchen came out with a gift box. He was wearing a khaki thin windbreaker, a dark rest shirt, jeans and a clean and refreshing boy.

"Second brother." LAN chunian immediately smiles and welcomes her.

Blue thousand Chen immediately smiles to meet her, when she stands in front of oneself, he reaches out to her head place to compare to oneself, "grow tall again."

"Of course!" Blue Chu read to smile.

"Are my parents there? Are you alone at home? "

"Well! My parents are going to the supermarket, knowing that you will come back, they all want to make delicious food for you! " LAN Chu read and looked at him with a smile.

LAN Qianchen reached out and rubbed her long hair. "You are really more and more lovely."

LAN Chu Nian could feel the love from his brother in his eyes. She smiled and took over the bag for him. "I'll take it for you."

Later, the blue family's parents came back. They carried a large bag of vegetables. They were worried about whether their second son was hungry and thin abroad. They had to make up for him while he was on vacation.

"Mom and Dad, I'll do it." LAN Qianchen comes to help. He and Xing Yifan are good friends of Tieda, but their temperament is totally opposite.

Xing Yifan belongs to the cold type, while he belongs to the mild type. His complexion is white, with a touch of sunshine in his handsome, perfect face shape, like the beautiful prince charming in the comics.

"Thin, or thin, must be foreign water is not good." Blue mother looked at her second son, and she was very distressed.

"Mom, where am I losing weight! It's not thin at all! " Blue thousand Chen laughs to refute.

"It's not thin yet. Look at this face. How lovely and mellow it was when I was a child. There's no meat now. "

" Mom, if I'm still a baby face now, I'm afraid. " Blue thousand Chen holds forehead to say.

One side of the blue read to smile, "Mom, the second brother is very handsome!"

Just as he was talking, he saw the figure of blue Qianhao outside the door. He just heard blue Chu read this sentence.

He immediately twisted the brow of his sword and asked, "he's handsome. What about me?"

Chapter 954

LAN Chu didn't expect big brother to come back so soon. She said quickly, "big brother is also handsome."

Blue mother can't help but glance at him, "what a man! I want to boast. "

After listening, LAN Qianhao was embarrassed and took a picture of his second brother, "how is the road? Is it hard? "

"Fortunately, it's just that it's too long and boring to fly." Said LAN Qianchen.

"It's Xing liehan's team that sent you back! You are blessed. " LAN Qianhao said a word.

"My brother and I are good friends. After a few days, we will invite him to come home for dinner and let you see him."

"Good! When you go out, you need reliable friends to help you. " Blue mother is the first to promise.

LAN cunian also received her gift. Sure enough, the second brother used his big box to hold a big doll she liked best.

"Second brother, I have occupied so many places for you. Don't you bring a lot of things less?"

"Nothing! Your gift is the most important. " Blue thousand Chen says, reach out to pick up a necklace to come over, "attach this gift, you see to like."

"Necklace." Blue early read to take a look, is four leaf grass, she nodded, "like, I like."

"It's from my parents. I'll send it." LAN Qianchen finished, picked up the gift and went out.

Blue Qianhao is standing at the door of the room. Blue chunian is looking at the necklace he likes. He comes up and asks, "like this necklace? When you have time, go to the shop at home and choose one. "

"No! It's enough to have two brothers. " LAN Chu said, carefully put it into the box and went out with her doll.

LAN Qianhao's eyes are worried about her back. At this time, LAN Qianchen comes back and looks at brother standing at the door. He immediately says, "brother, I didn't bring you a gift. I don't know what you need."

"No, just come back." LAN Qianhao patted him on the shoulder.

Blue thousand Chen blinked slightly, although big brother didn't show anything, but why did he feel that big brother's heart was filled with something?

LAN Chu read to go back to the room, she reached out and untied the one on her neck, which was given to her by her eldest brother on his birthday this year. She planned to try on the one given by her second brother.

She reached out to untie the necklace and held it in her hand. She bent her lips and smiled sweetly. Then she carefully put the necklace in place. The meaning of the necklace to her was different.

No longer a birthday present, but a special wish from LAN Qianhao. However, she still wants to wear the clover, which must be her gift!

After wearing it, the mother's voice came out of the door, "first read, go downstairs to eat fruit."

"Well, I'll be right down." Blue Chu read a sentence. Looking at the four leaf grass Necklace in the mirror, it just landed at her clavicle. It was very beautiful. She touched it and thought to wear it for mom to see.

When LAN cunian came downstairs, he saw his father and two brothers sitting in the hall. LAN cunian walked through the hall with a smile, walked into the kitchen and said to his mother, "Mom, look, this is from the second brother."

Blue mother looked at, satisfied with the nod, "really good, very suitable for you."

The advantage of having a daughter is that she is considerate and clever, and has a lot of things to share, so that the life of blue mother is not boring!

But the son did not go round her like the daughter.

"To eat fruit, buy your favorite cherry, crisp and sweet." Blue mother said to her.

"Well!" When LAN Chu Nian came out, LAN Qianchen stopped her. "Chu Nian, come and sit down."

Blue first read to sit in the past, she bent over to pick up the cherry, suddenly the necklace on her neck fell down.

This makes the blue Qianhao holding a cup of tea look in his eyes. His hand is slightly tight. She even takes off the birthday gift he sent her and immediately changes into the necklace given by his second brother?

It seems that the gift he gave is also something she can throw in a flash.

Blue early read to eat cherry, then curiously asked blue thousand Chen some foreign things.

LAN Qianchen answers her and tells a lot of interesting stories about him, which makes LAN read and cackle at the beginning of the day. Even his father listened with interest, but everyone didn't find out. There was a man beside him who was not very good-looking all the time.

"Second brother, next time I have a chance, I want to visit you and play."

"Good! When you are free one day, you will come here. Second brother will take you to have fun. "

"Well! When I have more free time, I will go to you. " LAN Chu Nian also wants to go abroad to see something, but she doesn't go out much.

"Qianhao, what's the matter? Do you have any concerns? Is there something wrong with the company? " One side of the blue father found the older son's silent expression.

Blue thousand Hao immediately smiled, "nothing."

"Big brother, you're all alone in your family's business." Blue thousand Chen says, because his mind is not above the company in the home, so, he feels the burden in the home is on big brother's body, a little guilty."It's OK. You just do what you are good at and like." Blue thousand Hao comforts a sentence.

"First time, how are you doing in the music company? When will the concert be held again, I will definitely go back to China to win it. "

LAN Chu Nian shook his head helplessly. "Something happened, maybe our team will be disbanded."

This incident LAN cunian and Zhuang Nuan called last night. It seems that after the poisoning incident, their internal relationship has been solved, and the remedy is useless.

We can only face the possibility of dissolution.

"How could this happen? Isn't your women's League already very famous? " LAN Qianchen worries about her.

"It's not clear yet. I'm waiting for the news."

"For the first time, if you want to have a rest, you can stay at home and play!" Blue father said, he also does not want to let her a girl to wander about.

"Dad, I want to pursue my music career." LAN Chu Nian doesn't want to give up her dream.

"Good! You decide on your own. If you need help, let me help you. It doesn't matter how much. "

Blue father nods, also by her.

After lunch, LAN Qianchen is still very emotional about his hometown. He asked LAN Qianhao to go to the nearby billiard hall, which they used to go to, and LAN chunian also came to watch.

Blue Chu Nian was wearing a mask and a sun hat, but no one recognized him.

The two brothers measured their skills in the ball. The handsome figure and excellent ball skills of LAN Qianhao attracted two girls from the next table to watch.

The two men of the blue family are charming.

"Handsome boy, can we play together?" One of them asked boldly.

As soon as blue Qianhao's club was closed, his eyes coldly refused, "I'm sorry, we're not interested."

The two girls immediately left with some chatting lines. At this time, LAN Qianchen went to buy water. LAN chunian picked up his club and was eager to try.

"Big brother, teach me how to hit the ball!" Blue Chu Nian asked him.

LAN Qianhao looks at her and looks down at a ball, but even the way out of the club is wrong. It's just a kid's way of playing.

"Wrong." Said blue Qianhao in a low voice.

"Then teach me!" Blue early read blinks an eye way, blue thousand Hao tall body immediately stands behind her, formed a strong sense of oppression.

Blue early read some nervous, breathing is big brother's breath, "bow down."

The deep words fell down from her ears, and LAN chunian immediately bent down, and with her body almost overlapped, was LAN Qianhao's tall body. His hand held her hand holding the pole, and the other hand was on the back of her hand, and his side face almost wanted to stick to her face.

"Lean down and aim."

"Oh!" Blue early reads nervous head to be confused, where can still aim at? All her thoughts were on the man close to her behind her.

"Hit the ball." Blue thousand white low sound.

Blue first read to feel his strength control, immediately hit, the ball into the hole.

Blue early read immediately dark wow, big brother's skill is not covered, so can also score.

LAN Qianchen came back with the water and handed it to the two of them. "First time, are you interested? Do you want my second brother to teach you some moves? "

Blue Qian Hao tightens his hand on the lid. Next to him, blue Chu Nian shakes his head and laughs, "I won't, forget it."

Finish saying, she twist and twist, can't open the cover, at this time, by the man around to take away, twist and then send back to her.

The blue early reads to take over, satisfied drank.

Chapter 955

In Qiao Muze's villa, Zhuang Nuan receives Zhou Tao's phone call. Zhou Tao clearly tells her about the dissolution of the women's League, because there is no room for recovery.

Zhuang has also thought about it. She loves music. But if she works together with someone who has different aspirations, she will not be happy.

Disband, disband!

"OK, President Zhou. You can arrange it." Said Zhuang Nuan.

"Warm, I don't know if Joe has told you..." Zhou Tao tried to tell her the secret behind the company.

"Tell me what?" Zhuang asked curiously.

Zhou Tao sighed. This kind of thing is not suitable for him. He smiled. "It's nothing. Tomorrow you and Xinnian will come to the company together. We need to send a notice. I hope you all come here."

"OK! I'll be there early tomorrow. " Zhuang warm promised.

Zhou Tao hangs up the phone. Zhuang Nuan thinks about it. What was Zhou Tao's last thing? Why didn't he say half of it?

About Joe Munzer? It seems that when she goes to the company tomorrow, she can ask him well.

At the same time, LAN Chu Nian also received a call from Zhou Tao. She also promised to go to the company early tomorrow morning. She was also very sorry about the dissolution of the women's League, but she had no way.

At three o'clock in the afternoon, Qiao Muze came back. He picked up the dinner materials he had bought from the supermarket. Zhuang wennuan stood at the door of the hall to meet him.

The figure of this man against the sunset light, slender and straight, and his hand with a bag of appearance, let his high cold temperament, into the smoke atmosphere.

Zhuang wennuan is really dreaming. This man once thought that he was high above and inaccessible. Now, his image is in her heart, and he has become a big warm man.

"Have you bought any dishes? I'll cook in the evening! " Zhuang wennuan said with a smile.

"Are you sure you want to do it?" Joe muzer gave her a light brush on the face.

He taught her some cooking skills these two days, and she also wrote them down very carefully.

"Always try, or I'll never cook." Zhuang said with a positive face.

"Good! Then I'll leave you alone and let you do it. " Chomuze knew that only by letting her do something at home would she feel better.

Zhuang warm happy nodded, she went into the kitchen to rice, Qiao Muze went upstairs to change a rest shirt downstairs to help her.

When Zhuang warm steamed the rice, he began to take out the ingredients in the bag, including fresh shrimp, green vegetables, Holland beans, green peppers, fresh pork. Zhuang warm picked vegetables well.

She immediately picked up an apron and began to wash it carefully in the sink. Qiao muzeyi was in the kitchen, watching her carefully washing the dishes. He hooked his lips and smiled. He came up with his hands in his trouser bags. He was standing behind her and was ready to lean down to watch her wash the dishes. When Zhuang was warm, he didn't find him behind him.

Suddenly his forehead hit his hard jaw, "Ouch!" Zhuang warm low shout a sentence.

Qiao Muze can't take care of the pain in her chin. She reaches for her hand and touches her forehead

Zhuang warm although pain, also do not want to cry in front of him pain, she smiled shook her head, "not how pain, you chin pain?"

Of course, Joe Munzer knew that she must have hurt, because there was a slight pain in his jaw.

Her white forehead gradually turned red. Qiao Muze put out his hand to rub it for her. Zhuang Nuan smiled and said, "it's really OK. I'll take a plate."

Zhuang wennuan took the plate and continued to lean down to wash the dishes. At this time, on her slender waist, the man put his arm around her, and his chin was gently pressed against her shoulder without pressure.

His sharp breath lingered in her ear.

Zhuang warm some shy drooping eyes, by him to do so, she turned around to put vegetables, a side face, face and men's thin lips on the paste and wipe.

Zhuang warm pretty face can not help but red a few minutes, gently pushed him, "you go outside and wait!"! I can do it myself. "

Qiao Muze was intrigued. He lifted her chin lightly and bent down immediately. The masculine breath covered her completely. The kiss of the man fell wildly. Zhuang's warm back was in the dish washing pool behind him, and he could not escape.

Finally, a kiss is over. Zhuang wennuan's legs are too soft to stand. She finally feels that this man is hindering her work.

"Will you go out and wait?" Zhuang wennuan had to plead with him because she really wanted to cook quietly.

If he was here, her mind could not concentrate on one thing at all.

Qiao Muze had to quit the kitchen, but he did not leave. Instead, he leaned on the door frame of the kitchen and locked the busy woman in it with a pair of deep eyes.

Zhuang wennuan's cooking skills have improved. After she has washed all the dishes and materials, she starts to cook oil.

Zhuang warm warm although some nervous, but, she is overcoming, because, she really don't want to be a lazy person who everything is taken care of by him, she wants to become self-supporting. Zhuang wennuan is still stir fried, but sometimes she thinks of adding salt when she starts cooking.

Zhuang wennuan finally fried three dishes. When he brought them out of the kitchen, he still had an appetite.

Joe Munzer sat at the table and watched her hand out the rice with insulated gloves.

"Well, let's have dinner! It's not so good, but I'll cheer on later. "

"It's good already." Joe muzer praised.

Zhuang wennuan holds a bowl of rice for him. Qiao Muze takes it. He reaches for a piece of green vegetables and puts it into the bowl. At the entrance, his handsome face is stiff for a few seconds.

"Is it delicious?" Zhuang warm immediately looked forward to asking, a pair of big eyes flickering, waiting for his evaluation.

Choumuze chewed gracefully, nodded, "delicious."

After hearing this, Zhuang wennuan quickly reached for a piece of green vegetables. However, as soon as she chewed it, she wrinkled her face. It was so salty! Did she salt it many times?

"Don't eat this dish. Maybe I put salt twice." Zhuang wennuan moved the cabbage away from him. Thinking that he would praise her just now, she was a little embarrassed.

"It's OK. Take your time." Qiao Muze raised his lips and encouraged her with a smile.

Zhuang wennuan can't help patting his head. I have to remember later. I can't put salt repeatedly.

"I must be focused next time." Zhuang warm some speechless self reproach, but the other two dishes can still eat.

After dinner, Zhuang warms up and washes dishes. Qiao Muze sits on the sofa waiting for her. "What are the plans for tomorrow?" "Tomorrow is a weekend," he asked, looking up at her.

"President Zhou asked me to go to the company tomorrow. It needs some follow-up work to disband our team." Said Zhuang Nuan.

"Disband, disband! You can make your own music in the future. " Chamuzer supported her.

Zhuang warm heart a warm, nodded, "Well! I think so, too. "

Time also imperceptibly arrived 9 o'clock in the evening much, Zhuang warm bit red lip way, "then I went back to the room first, you also go to bed early."

"Warm!" Joe muzer got up and stopped her.

"Well!" Zhuang wennuan turns around and looks at him curiously.

"I'll accompany you to the company tomorrow." Qiaomuze said.

Zhuang wennuan blinked, "do you have time?"

"I'll have a rest tomorrow." "Joe Muse smiled," even if there is no time, will also take time to accompany you

"Thank you! You've done so much for me, I don't know how to repay you. " Zhuang wennuan looks at him with some guilt. He always accepts his help, but he doesn't know how to repay him.

Qiao Muze's eyes showed a gentle smile, "you can repay as much as you want, if you don't, I'm willing to work for you."

"No, I have to repay you." Zhuang said firmly.

"How are you going to repay me?" Joe muzer's voice line can't help but be deep and hoarse.

Zhuang wennuan finds the hint in his tone. She doesn't understand. She's just not ready.

Zhuang warm flashes his hot eyes, Qiao Muze chuckles, is it difficult to reach her?

"Don't worry. When you find out the truth about your parents, you can repay them later." Joe muzer found her a step down.

Zhuang warm warm suddenly at this moment, there is a kind of impulse to marry him, that kind of want and his idea of a lifetime strong surge.

But the thought didn't get her to say it. She nodded, "OK!"

Chapter 956

No matter what, she will repay him with herself when her parents find out the truth! Even if there is no future.

Zhuang warm warm in the bottom of my heart after the decision, she will go upstairs, Qiao Muze is not anxious, parents have not promised to accept her, if he really want her, unfair to her.

Blue house, a family together, even at 10 o'clock is still very busy, blue thousand Chen is still jet lag, he is not sleepy at all, want to see a movie in the hall.

LAN Chu read down and saw him watching a movie she liked. She didn't want to sleep, so she took a cup of tea and accompanied her second brother to paint the movie.

LAN Qianhao came out of his study to deal with some work mails. He saw a girl in a long T-shirt and long hair with her brother at the cinema.

"Why don't you sleep so late?" He raised his eyebrows and asked, a trace of displeasure in his eyes.

"Elder brother, I haven't reversed my jet lag. I'm not sleepy at all. I want to see a movie and then go to sleep."

"Me too! I want to go to the cinema with my second brother. " LAN Chu Nian also seems to have found a reason to stay up late.

"Do you have jet lag, too?" Blue thousand Hao's tone does not have good gas to ask a way.

The blue early read blinked, "two elder brothers look bored alone, I accompany him!"

"No way! You have to go to the company tomorrow. Don't stay up late. " LAN Qianhao firmly forbids her to stay up late.

Blue early read immediately bite red lip, a pair of pitiful expression entreaty way, "eldest brother, let me see for a while!"! I promise to go to bed by twelve. "

Blue thousand Hao looks at her hands to close what, a plain face is pink and lovely, also really some heart is soft.

"Twelve o'clock, isn't it! Good. " Blue thousand Hao still agreed to her, finish saying, went to the direction of the wine cabinet, is pouring red wine there.

Blue Chu read to see big brother to pour red wine, she immediately asked with a smile, "big brother, can you pour me half a cup?"

"You are not allowed to drink."

"Just a little."

"No way." LAN Qianhao refuses very severely, and LAN Qianchen on the other side is shocked immediately. If it's him, what does his sister want, he can't pet him yet. How can he manage so badly like big brother?

"First read, don't drink. I'll heat you a glass of milk. Drinking it at night will help you sleep." Blue thousand Chen rises to say.

Blue Chu Nian can't drink, but he is also happy to drink milk. He immediately bends his lips and smiles, "Hmm! Thank you

Blue Qianhao sticks to the red wine cup and sits down beside her.

LAN Qianchen heats up a glass of milk for her, and LAN cunian takes over sweetly. Looking at his position occupied by big brother, LAN Qianchen sits beside him, while LAN cunian is beside LAN Qianhao.

Both blue Qianchen and blue chunian are attracted by the cool scenes in the blockbuster. Only blue Qianhao is lack of interest, and his thoughts are not on the film at all.

At this time, there is a more bloody scene in the movie. Blue brunian immediately covers his face and hides from the man's shoulder. Blue Qianhao finds out that she is afraid and reaches for her hand.

Blue early read the small face that hides in his shoulder place, immediately blushed, where still have fear? He was totally frightened by his holding posture.

She quickly sat up straight, there must be another brother!

Blue thousand Chen did not notice these completely, what's more, even if saw, he also felt normal, nothing strange.

Three young people are in the hall, watching the huge screen to watch the movie. LAN Qianhao's wrist is constantly raised. At the time of watching, he is waiting for 12 o'clock to arrive, so that Lan Chu can go back to his room to sleep.

As soon as twelve o'clock arrived, blue Qianhao made a sound, "twelve o'clock arrived, go back to the room to sleep."

It's a pity that Lan Chu read it, because the movie is so wonderful!

"Say it and do it. If you can't, next time, you have to go back to your room before 10 o'clock." LAN Qianhao orders her with elder brother's majesty.

LAN Qianchen can't help but plead for LAN Chu. "Big brother, I'll go back to my room at 11 o'clock for the first time. I don't even stay up late."

"You are too. Don't stay up too late. It's important for your health." Blue thousand Hao returned a sentence, take blue early read to go upstairs.

LAN chunian pushes open the door, and when LAN Qianhao stands to see her into the room, she immediately turns back and makes a lovely face at him.

LAN Qianhao looks at her lovely look. She really wants to catch her and pinches her face.

Blue Chu Nian had already closed the door quickly. She was leaning back against the door. Her breath was also a little short, and her heart was still pounding.

Blue Qian Hao also stood at the door for a while, the bottom of the eyes across a complex mood, he just pushed the door back to his room.

Early morning.

LAN cunian and Zhuang Nuan are connected. They go out to the company together. Zhuang Nuan is sent by Qiao Muze, and she is also sent by LAN Qianhao.

In the company.

Two people arrived early in the morning, Yemeni and Lindsey. These days, for both of them, they were in deep water and panic. Because they know that Joe Munzer can't hold them anymore, and they are about to be kicked out of the company. They are now famous, without the company's operation, it will be difficult to become a climate in the future.

So, they come here early in the morning just for one thing. They want to apologize to Zhuang Nuan and keep their breath in low voice. As long as Zhuang Nuan can forgive them and keep the existence of this women's group.

At the moment, in the lounge, two people are waiting for Zhuang to warm up, and constantly let the assistant go to the door to wait for Zhuang to warm up.

Zhou Tao knew what they thought and didn't stop them, because if they could ask Zhuang Nuan's forgiveness and leave the women's group, he couldn't get it.

When Zhuang wennuan arrived at the door of the company, Qiao Muze's cell phone rang. He took a look at the company's phone and said to Zhuang wennuan, "go up first, and I'll come up later."

Zhuang Nuan nodded. She walked into the company's door and was waiting for her assistant to warmly say to her, "sister Nuan, you are here."

Now the whole company knows one thing. The mysterious boss who has been behind all the time is Joe Munzer.

And Qiao Muze likes Zhuang Nuan so much, so it can be seen that Zhuang Nuan may enter the future of the company's boss.

This makes Zhuang wennuan's identity in the company become noble immediately.

Zhuang wennuan looks at them a little bit incommensurate instead, "did you come here for the first time?"

"Not yet."

Zhuang wennuan walked out of the elevator on the third floor and into the office. At this time, she saw two people rush out of a rest room.

She was startled directly. Dingqing saw that the two people who rushed out were ye Manni and Linxi.

Zhuang wennuan breathed immediately. She understood the malice of these two people and just wanted to stay away from them.

"Warm Warm you're here. "Yemeni called her in a voice she had never kissed.

Zhuang wennuan took a step back and said, "what's the matter?"

"Warm, we are wrong. We know we are wrong. Can you forgive us? We will never dare to hurt you again. Will you forgive us?" Said Lindsey with a look of begging.

Yemeni also has no previous arrogance, she suddenly knelt down on her knees, kneeling towards Zhuang wennuan, and at the same time, she slapped herself very hard, "wennuan, forgive us, OK? We really know that we are wrong. We will never dare to do such a stupid thing again. "

All the people present were frightened by Ye Manni's action. Even Zhuang wennuan, who was busy retreating, didn't want anyone to kneel her.

When Linxi saw this, she knelt down like Yemeni. "Warm, for our past love, forgive us! OK or not? We can't lose this team. "

Zhuang looked at them kneeling to admit their mistake, she was really surprised, but forgive them, she couldn't do it.

In particular, poisoning her violated her bottom line and almost made her lose her voice. For her, there is nothing more vicious.

"Sorry, I can't forgive you." Zhuang warm warm finish saying, from their side, walked to her usual rest room.

Ye Manni and Linxi are in a panic at each other's eyes. When has Zhuang warm become so heartless? They all knelt down to save her.

The two men immediately stood up and were ready to go to the village for warmth.

The door of Zhuang wennuan's room opened, and ye Manni rushed in first. "Wennuan, I know we're not doing right, but we're just in a coma for a while. Can you ask Joe to forgive us too, please don't drive us out of the company?"

Chapter 957

Zhuang wennuan looks at the girl who is pleading for her. It's not her heart, but they hurt her first. If it can be forgiven, don't tell these two people more. In the future, if they hurt people like this, as long as they ask for forgiveness, can they do nothing?

No, Zhuang warm warm wants to let them know this time, their life is still very long, did wrong is done wrong.

"President Zhou has decided on this matter. It's no use asking anyone. We have to disband." Zhuang warms up her feet because she's afraid that yeoman will hold her.

"No Ask for a person to be useful. As long as you can ask for our help from choumuze, we can stay, and our group will not be separated. "

"He's not from the company. It's no use asking him. Besides, I won't ask him at all." Zhuang wennuan stood up and didn't want to share a room with them. Outside the door, several female assistants came in with their heads poked out.

Ye Manni and Linxi are shocked. Does Zhuang wennuan still not know that Joe muzer is the investor behind the whole company?

"It's warm. Please help." Ye Manni came quickly, as if Zhuang Nuan was willing to help her.

"Yes, Joe muzer is the mysterious boss in the company! It's him who holds us up. He can make any decision. "

Zhuang warm warm at moment, is walking to door, suddenly heard this sentence, she immediately turned around, "what do you say?"

And at this time, the female assistant next to him also hurriedly confirmed, "yes, warm sister, our company's behind the scenes boss is Mr. Qiao Muze, it's absolutely true."

Zhuang warm head slightly blank a few seconds, how possible?

The mysterious boss was always said by Zhou Tao. Moreover, since they entered the company, many decisions have been made by the big boss behind the scenes.

And now, suddenly tell her, the big boss behind the scenes is Joe Munzer? She really didn't know how to accept the news for a while.

Zhuang Nuan breathed a little, and many things came to her mind, because she felt that she had been given preferential treatment in the company.

This is not Zhou Tao's right, but the big boss behind him. He has been making decisions.

If so, did Joe Munzer know about her three years ago? Watching her in silence? Help her?

Zhuang's warm heart was pounding, when Zhou Tao came.

Zhuang wennuan looked up at him and asked him, "President Zhou, you are the mysterious boss. Is it really Joe muzer? Is that him? "

Zhou Tao can't hide it now. He nodded, "yes, it's general manager Qiao. He has been paying close attention to you and supporting you. The reason why this women's league can be established is that he has invested behind it. However, all he has done is to praise you who had nowhere to go. You can go to today, which is created by general manager Qiao."

Zhuang's warm breath was fast and unsteady. Zhou Tao's personal confirmation made her believe it no matter how hard she didn't believe it.

Is it him, is he supporting her? Hold her up? Is he behind her?

Zhuang wennuan suddenly thought of something. She pushed aside the surrounded assistant. "Excuse me, please."

With that, she ran quickly towards the door.

"What's wrong with warm sister? How did she run out! "

When Zhou Tao came in, he saw Ye Manni and his wife. He asked, "is warmth forgiving you?"

"She didn't want to forgive us at all." Yemeni's face changed immediately.

"She just wants us to die." So is Lindsey.

Zhuang wennuan has been waiting for the elevator. At this time, there is an elevator on the third floor. The elevator opens. Zhuang wennuan looks at the man standing in the elevator, but hasn't waited for him to step out.

Her body has jumped in and the man in it has jumped behind the car door. Qiao muzer is really at a loss for her sudden initiative, but his hand tightly hugs her for the first time.

"What's the matter?" Choumuze felt that her whole body was in a state of excitement, and even her body in her arms was trembling.

Zhuang wennuan doesn't know why, but she just wants to give him such a hug and hold him tightly. She appreciates him and is extremely moved by what he has done.

Choumuze reached out and hugged her. "What's the matter? What's the thrill? "

"It's you! You are the big boss behind our company, aren't you? " Zhuang wennuan raised his head and asked him.

"Did Zhou Tao tell you? This Zhou Tao. " Chamuzer was a little annoyed.

However, Zhuang warm but excited tears rolled in his eyes, "thank you!"

Qiao Muze immediately reached for the number of the elevator building to the top floor, he hooked his lips and smiled, "don't talk about it, give me some practical thanks."

Zhuang warm a Zheng, red lips initiative send, this moment, even kissing is the happiest.

Qiao Muze enjoyed it with a low smile. Fortunately, no one in the whole building pressed the elevator. Two people came down from the elevator all the way.

This time it stopped on the first floor because someone pressed the elevator on the first floor. With a tinkle, Qiao Muze immediately hid Zhuang Nuan in his arms, while a pair of people standing outside the door were slightly staring at each other.

Because standing at the door is brother and sister LAN Qianhao, LAN Chu read a pair of big eyes flashing with a smile, looking at Zhuang warm, she immediately giggled, "brother, let's not disturb, next to the elevator."

And Zhuang wennuan has blushed to the bottom of her ears. This is probably the craziest thing she has ever done!

In the nearby elevator, when the elevator door is closed, blue Chu Nian's eyes secretly look at the tall man around her. She is biting her red lips and blushing quietly.

Blue Qian Hao's eyes also slightly sideways, falling on her red lips, swallowing a bit of saliva.

When the third floor arrived, LAN chunian and LAN Qianhao had just stepped down, just as Zhuang Nuan and Qiao Muze came out.

Zhuang wennuan is sorry to see them, but LAN chunian comes to her with a smile. "Warm, don't worry, we won't talk about it."

Zhuang warm now, although shy, but she did not regret that kiss.

As soon as I entered the company, I walked behind the two girls in front, followed by two men, who were more eye-catching than them. All the employees looked at Joe muzer as if they were looking at the top boss with respect.

Yemeni and Lindsey saw Joe muzer coming together. They all shrunk in fear of seeing him.

"Mr. Qiao, Mr. LAN, it's a pleasure to see you all here." Zhou Tao came over with a smile.

"You are good at taking care of the company. You'd better not let us down." Blue Qian Hao's eyes look over.

In Joe's eyes, he also showed his ruthlessness, "people who shouldn't show up, it's better not to show up in this company forever."

This sentence was heard by Yemeni and Lindsey, who were hiding in the restroom. They turned pale with fear, looked at each other for a moment, and then braved to come out.

"Mr. Qiao, please forgive us! We can't dare to hurt the warmth any more. " Lindsey began to cry. Today, she still made up her delicate face. She wanted to make men's hearts soft with her tears. Of course, she wanted LAN Qianhao to say a word for her.

However, LAN Qianhao doesn't even want to look at her, and walks to the side of LAN chunian.

LAN Chu wants to hold Zhuang warm. Her eyes can't sympathize even if they want to.

"Mr. Qiao, we are willing to work hard. Please let us stay." Yemeni also said with tears.

"My money wasted on you has made me sick. Don't show up in front of me and warmth in my whole life, or you will have a worse ending." Qiao Muze's voice line is cold and ruthless, which makes him feel a little softer. He just hates not to start. If it were two men, he would have taught them a lesson.

Ye Manni and Linxi's humiliating expression on their faces turned white and bit their lips. They were unwilling to have any attack.

"Get out of here." Choumuze said coldly.

This sentence, for them, is a disgrace. How proud and despised they used to be in this company. Now, all the employees here are lucky to see their most miserable ending.

At the same time, the employees here have been more or less challenged by them. At this moment, it's really a great pleasure.

"Go away! Don't come to the company in the future. " Zhou Tao also spoke, originally wanted to let their team, well disband, give fans a confession.

Now it seems that jomunze won't give them a chance to leave safely.

Ye Manni and Linxi are extremely aggrieved and unwilling. They hang their heads and bathe in the cynicism around them. In the eyes of the playful employees, they leave in a gloomy way.

Chapter 958

Qiao Muze and LAN Qianhao took Zhuang wennuan and two people into a conference hall. Zhou Tao also let two managers in, just to discuss the stability and new development of Zhuang wennuan and LAN chunian's fame in the future.

It's a pity for the two of them if their popularity is suddenly interrupted.

"Let me recombine with warm! Even if we lose a lot of popularity, we don't care. We just want to sing the songs we like. " LAN chunian said optimistically.

Zhuang Nuan happens to have the same idea. She nods and says, "yes, I'll regroup with you for the first time."

"No, if you do, fans will look at you with their eyes. I think the best plan is to tell the outside world the real reason for the dissolution of the women's League, and then you will rest for another half a year. We will create excellent songs in the meantime. Then, you will make your debut again in the name of an individual. I believe that even if you are not together, you will still get No Vulgar achievements. " Zhou Tao suggested.

Zhuang wennuan and LAN chunian look at each other. They all feel a little pity. However, they are all in the company and don't worry about meeting each other.

"OK, just follow Zhou Tao's suggestion! It happens that both of them can have a rest. " Joe muzer agreed.

LAN Qianhao looks at his younger sister's expression of love for music. Even if he really wants to let her out of the circle, he is also a little reluctant.

"Good! You can decide. "

Coming out of the company, Qiao Muze is going to the company. Zhuang wennuan decides to go with him and have lunch together at noon.

Blue Qianhao is to go to the downtown store for inspection. Blue chunian also accompanies them. Two pairs of people are open at the door.

LAN Qianhao sat in the car and glanced at her neck. She saw that in her beautiful clavicle, she was wearing the necklace that her younger brother had given her.

He twisted his eyebrows, and there was an impulse to change her.

"What? I didn't like the birthday present I gave you last time? " LAN Qianhao turned to look for him.

Blue early read is thinking about things, cold not Ding hear this query, she hurriedly reached out to touch the necklace on her neck, can't help but, she forgot to change back.

"Er! Like it! "

"I don't like you to wear it, or do you prefer this one?" LAN Qianhao asks again.

Blue Chu Nian blinked suddenly, her pretty face also turned red. She pretended to smile and asked, "brother, are you jealous?"

Blue thousand Hao immediately light cough a, scold her a, "nonsense what."

Blue early read also some flustered, hurriedly bit bit red lip, "joking!"

"I'll go to the store and choose one later. I can give you whatever I like." LAN Qianhao is very magnanimous.

LAN Chu thought for a few seconds, shaking his head and saying, "no, I can't always hold the company's products! Moreover, everything is so expensive. "

LAN Qianhao looks at her angrily. "I'm willing to give it away. Are you willing to accept it?"

"No, I'll wear your necklace when I go back. I only like that one." Said LAN Chu Nian.

The facial expression of blue thousand Hao is not from again good-looking a few, the corner of the mouth tiny can not check of tick, what meaning is this wench after all?

In order to guess her mind, he really spent a lot of brain cells.

After a while, she arrived at the store. LAN Chu Nian sat in the car and waited for him, because she didn't want to go in. As soon as she went in, she was afraid that big brother would give her a gift.

Joe Munzer takes Zhuang Nuan to his office in his private elevator.

He has an emergency meeting. Zhuang wennuan goes to his office to have a rest and wait for him.

Zhuang wennuan stood in front of the floor to floor window, looking at the rare high field of vision outside the window, she was staring at it silently.

At the moment, in the lobby of the company, Qiao Huiyang is going to come here today to have a look at Qiao muzer, because he will leave China in a few days.

Qiao Huiyang's identity, there is no assistant to stop him, he went all the way straight to Joe muzer's office.

Yang Li, Qiao Muze's assistant, greeted him with a smile. "Vice President Qiao, what can I do for you?"

"I'll talk to my nephew about something."

"Oh! Joe's always in meetings. "

"Then I'll wait for him in his office."

"There are some guests in general Joe's office. Would you like to wait in the lounge?"

"What guests can come directly into his office?" Qiao Huiyang was stunned.

"It's president Qiao's girlfriend." Yang Li had to answer him.

Qiao Huiyang's face darkened, but he immediately pretended to know it.

"Oh! It turns out to be my future niece and daughter-in-law! Come on, let me in and meet her! I didn't see it at home last time. I'm looking forward to it! "

With that, Qiao Huiyang came here. Yang Li wanted to stop him. Qiao Huiyang said instead, "assistant Yang, go to work!"

Zhuang wennuan was in front of the floor to floor window. She heard a door push behind her. She turned around and saw a man in his fifties coming in. Zhuang wennuan looks at him nervously and doesn't know who he is.

"Don't worry, Miss Zhuang. I'm muzer's uncle." Qiao Huiyang is also the first time to see Zhuang Nuan growing up.

The sunshine outside the window reflected on her body, graceful and delicate, with a clear spirit and dust-free temperament, making people's eyes bright.

No wonder my nephew likes her so much. Zhuang Nuan is really a beauty. "Hello." Zhuang warmly greeted him.

When Qiao Huiyang looks at Zhuang Nuan, he actually hates him, but on the surface, he dare not reveal it. However, he still hopes that Zhuang Nuan will leave Qiao Muze! I've been listening to my sister-in-law talk about you, but I haven't seen you. "

"Did Mrs. Joe mention me?" Zhuang wennuan was shocked. Thinking of the last meeting, her heart was pumping.

Qiao Huiyang came to her, with a sad expression, "Miss Zhuang, don't say I'm too straight, but I'd better convey some words for my sister-in-law! My brother and my sister-in-law have always wanted moose to find a girl of comparable family background, and they are also sensitive to your identity. "

"Me?" Zhuang wennuan blinked, some guessed the meaning of this sentence.

"Your father once killed himself because of the company's affairs, which caused a lot of questions from the company at that time. The stock fell and stopped several times, and the company almost couldn't keep up. So, my brother should not tell your banker! But there must be some resentment in my heart. "

Zhuang warm breath slightly smothers, parents' death, really has had so many influences on Qiao family's people? The thought of her parents' unexplained death made her heart ache and angry.

"So, I would like to advise you to leave my nephew earlier. It's good for you. If you fall into a deep depression, you will have a very painful life. My nephew is still a big filial son. Do you think such a marriage will be happy for you and his family's discord?" Qiao Huiyang looked at her regretfully.

"It can only be said that you have no fate, and my eldest brother is also secretly resentful of the company loss your father caused in those years. They can't accept you at all."

Qiao Huiyang's words are like a stabbed sword, which stabs Zhuang's warm heart, making her body tremble slightly and her face pale.

Qiao Huiyang is the best at heart attack. He just wants to stab the young girl to scars, make her want to love but dare not love, and let her quit the world of Qiao Muze. Qiao Huiyang glanced at her for a moment and suddenly approached her. "Miss Zhuang, I have said these things to you. Don't tell muzer. He must know that my uncle has said so much to you. He will blame me. If it makes our uncle and nephew stiff, it's not good."

Zhuang wennuan bit her lips and nodded slightly. She didn't know about Qiao's relationship, and didn't know that the man in front of her was her enemy, the murderer who killed her parents.

Qiao Huiyang didn't want to stay. He pushed the door and left. Anyway, he didn't have any business to talk to Qiao muzer.

Zhuang wennuan sat on the sofa, thinking about Qiao Huiyang's words just now. The more she thought about it, the more desperate she felt.

Can't we really get together again? Would it really hurt his family? Zhuang Nuan closed his eyes, desperate and helpless.

It's the most painful thing in the world to love each other without being together.

Chapter 959

Zhuang warm the whole person tightly hugged a regiment, outside the corridor, Qiao Muze's figure came this way, Yang Li has been waiting for him.

"President Qiao." Yang Li takes a step forward.

"What's the matter?" Qiao Muze's heart strings tighten. "Warm away?"

"No, just now vice president Joe came. He stayed with Miss Zhuang in the room for a while. When I went in to deliver tea, I found Miss Zhuang very depressed." Yang Li told the truth.

Qiao Muze's eyebrows are twisted. What did this uncle say to warm?

"How long did he stay?"

"About five minutes!"

Qiao Muze pushes the door in, just as Zhuang warm is still in a posture of holding herself tightly, as if in this warm autumn, she is also cold.

Zhuang wennuan looked up and saw him come in. He immediately put down his arm and twisted it subconsciously on his knee.

Qiao Muze looked at her like this, inexplicably distressed, what did uncle say to her? Let her suddenly from the self-confident appearance in the morning, into the present look of panic?

"Have you met my uncle? What did you say? "Joe Muse asked.

Zhuang wennuan immediately and quickly shook his head to deny that he was not even as flustered as a child.

Choumuze sat next to her. Zhuang's warm breath was slightly smothering. All the micro expressions on her showed that she wanted to stay away from him.

Qiao Muze's thin lips and arms tightly held her in his arms. "No matter what my uncle said to you, don't believe it."

Zhuang warm a Zheng, look up at him, "why?"

Qiao Muze's serious and profound eyes tightly locked her, "warm, from now on, anything you just need to believe me alone is enough."

Zhuang wennuan blinked, "but I don't want to hurt you, and your family."

As soon as Qiao Muze heard this, he knew that Qiao Huiyang had brainwashed her, and he put out her words step by step, "how can you hurt my family?"

"Your parents must want you to find the right girlfriend, not my family background, I I don't deserve you. " Zhuang said, and the whole face fell down.

She has no way to deal with this hardware condition.

Qiao Muze's eyes flashed a chill. What's the intention of this uncle? If he ran love has said so cruel to his woman, even if he is not worthy of the match, is he not has the final say? Does he like to meddle in matters like this?

"Qiao Muze sneers," do you think with my present condition, even the woman I like can't choose? If anyone has the final say, you are not worthy of me, then you ask the man to come and ask me, "he has the final say, but I have the final say."

"But Where are your parents? Can you ignore their feelings? " What Zhuang is most worried about is that her presence affects his feelings with his family.

"Don't worry, I asked my parents. They agreed to stay with us," he consoled

Zhuang looked at him in amazement, "but Just now your uncle said They disagree. "

Qiao Muze's eyes flashed a little anger. "He really likes to meddle. My parents didn't talk, but he came here to talk nonsense to you."

Zhuang looked at him in surprise and worried about his relationship with his uncle.

Choumuze felt that he reached out and touched the back of her head. "Do you think I don't respect my elders?"

Zhuang Nuan is just drooping her eyes. How dare you say that?

It's not surprising that Qiao Muze didn't know about their family relationship, just because they were really close to each other.

"My uncle has always resented my family because of the company. Even when I was a child, a kidnapping attempt nearly killed me. I suspect he did it."

Zhuang looked at him incredulously, "but he's your uncle."

"In the face of interests, our relationship is not worth mentioning, so what he just said to you, you immediately forget, because what you should believe is not outsiders, but me." Qiao Muze leaned down a little, and his forehead touched hers.

"Only me." He's a bully again.

Zhuang warm warm just now mood, because his words, he this pair of firmly believed eyes, but slowly disappear, she put out her hand tightly hugs his neck, buries the face on his chest, "I believe you, I will always believe you."

Joe murzer breathed a little. In fact, he didn't tell her anything else.

Qiao Huiyang is also one of the candidates he is doubting. Today, Qiao Huiyang came to talk with her so much. What's the purpose?

Does he really have to be kind to his parents? His relationship with his parents is getting worse, which is probably one of his favorite things.

He and Zhuang warm warm warm say these, the purpose should be to want to let her leave him, this to him, have no benefit at all.

"My life is saved by you. I am yours all my life." Zhuang warm in his arms, muttering. In his mind, Qiao Muse immediately thought of what happened last time when Zhuang wennuan was almost in danger. Where he couldn't think just now, he immediately pulled out a thread and connected it.

Who will be good for Zhuang wennuan to leave him? That's good for the man behind the scenes who wants her life, of course.

And Qiao Huiyang said so much to Zhuang Nuan, forcing her to leave herself. Does he really have something to do with her parents' death?

Jomunze kissed her on the forehead. "I don't want your life. I want your people."

Zhuang Nuan's face was pale for a long time, and blushed directly because of this sentence.

Qiaomuze's breath was also slightly short. He lowered his head to look for her red lips. Just then, there was a knock outside the door, and his eyes flashed a touch of chagrin. Zhuang warm can't help puzzling, laughing and quickly sitting away from him.

"Come in." Joe Muse went out the door.

It was Yang Li who pushed the door in. She felt the atmosphere inside, and immediately asked with a little embarrassment, "President Qiao, the restaurant has been reserved."

"Well!" Joe Muse nodded.

Yang Li quickly closed the door and went out. Zhuang wennuan stood up. "Let's go to lunch!"

Qiao Muze's slender body suddenly bullied him. Recently, Zhuang warm was in a hurry. He heard that the man didn't have a good airway. "Did you laugh at me just now?"

"I I didn't. " Zhuang Nuan is biting his red lips. He wants to smile again.

But the man can't let her go so easily this time, Zhuang warm immediately back two steps, the body then pastes in front of the floor window, she frightened instinctively hugged to the man. And is giving him a chance to kiss.

Qiao muzer didn't expect that forcing her to the window would make her hold him so tightly, although she wanted to feel her initiative.

But still tightly hold her to the side of the sofa, not to let her too afraid of heights.

Zhuang wennuan really can't face it. Behind her is the transparent floor to floor window, which will make her feel like she will fall at any time.

After the men's punishment, they went to the direction of the restaurant. On the way, Zhuang Nuan received a call from LAN chunian. The company just released a statement that their women's League was dissolved. Now there is a hot discussion on the Internet.

Although Zhou Tao also wanted to retain the reputation of Ye Manni, Qiao Muze obviously didn't want to give them face, and Zhou Tao couldn't protect them.

In a statement, Yemeni and Lindsey directly said that they had used means against other members to frame them up, leading to the dissolution of their group.

As soon as the statement was released, fans automatically thought that at the last meeting, Zhuang wennuan's silence and a male fan's crazy fight were openly discussed on the Internet.

For ye Manni and her two people's personality, the liking degree plummeted, which also made the attack and abuse on them on the Internet become a symphony.

Now they are hiding in Yemeni's apartment. Looking at the statement on the Internet, 80% of them scold them, and they feel it's hard for them in this life.

"It's disgusting. It must be the warmth of Zhuang that makes President Zhou deliberately smear us." Lindsey didn't admit that she was so bad.

"Ah! From now on, we are like the street mice in the sewer. Wherever we go, we will be scolded. " Ye Manni laughed at herself.

"Don't you think that's what we've been doing all our lives?" said Lindsey

"With Joe muzer in, Chuang warms up and blows the pillow breeze. He will not let us enter the music industry again. In the future, we can only go to some small bars to sing!" Yemeni was in a bad mood this time.

"Then don't we still have two lyrics? Are you not going to use it? "

Lindsey asked with some pity.

Chapter 960

Yemeni's eyes flashed a sinister look. "Of course, when it comes time, if Zhuang wennuan sings, she will copy us."

"But..."

"Don't really think we're finished like this. What are we afraid of in this society as long as our faces are thick enough? Now more variety shows want our traffic! If they dare to let us go, we dare to go. "

Lindsey thought, also can only walk from the dark road, "OK! Let's get together! Even being scolded is better than self pity. "

Zhuang wennuan is sitting in the restaurant. She has no appetite today. Although the group has been dissolved, she is also a loser.

"Don't think so much. Eat." Qiao Muze's overbearing order.

Zhuang looked at the dishes he had put in the bowl. She forced her face to smile, "OK."

Qiao Muze's heart also contains a matter that worries him. The truth about the death of Zhuang wennuan's parents probably has some eyebrows in his heart. Moreover, the suspicion of his uncle Qiao Huiyang has become the biggest.

Even the father knew about it, which means that even though he didn't participate in it, he didn't come forward to identify the murderer in order to protect his brother.

He wasn't involved, but he ignored the truth, and on a moral level, his father was wrong.

In Qiao Huiyang's villa, he was ready to go back to his overseas residence. However, his business did not stop. Even the things he ordered Li Da were secretly scheming.

"Mr. Qiao, we have found someone. Now we are waiting for an opportunity." Lida came in from outside.

"Are you sure this man dares to kill?"

"After negotiating the price, he will pay two million yuan before success and another eight million after success. He is willing to do anything." Li Da is very confident in the people he finds.

"Qiao Huiyang sighed," my nephew really thinks his life is too long. He should be involved in something that he shouldn't. After all, I feel that he has doubted me. If he doesn't start again, he will directly give me up when he holds more evidence. "

"What else can we wait for? We'll do it directly, and the company will be yours later." Li Da is also thinking of big pay.

Qiao Huiyang thought for a moment, "just these two days! I will go to his home for dinner and let him come back together. Then, you will let that man do it on the side of the road. "

"Don't worry! This time, I'm sure I won't miss it. This man bought a large amount of insurance. Even if he would rather stay in prison for a few years and come out again, he also wants to earn this money. He is not afraid of death. "

"Well, you tell him, if it works, I'll add another two million, as long as it works." Qiao Huiyang felt, because the older he was, the more afraid he was of death.

He would rather die than die.

In the afternoon, after lunch, Qiao Muze sent Zhuang wennuan home. He had nothing to do with her today.

Along the way, Qiao muzer's heart was still worried, but his mind could not tell her for the time being.

In Zhuang's heart, there are thousands of thoughts. However, even if there are many thoughts in her mind, as long as she looks at the man around her, she will feel a kind of power. Yes, she only believes in him.

Blue house, dinner.

Every year, lanqianhao will visit several diamond mines abroad, and this year it's time for him to start.

"Dad, mom, I want to go with big brother, too." Blue early read suddenly a face excited to say.

Every time she wants to go, she can't give up because of her busy career. Now, she can just have a half year off and play with her elder brother.

"What's good there? It's all mountains, and the conditions are not good. " Blue father didn't quite agree.

"But I really want to take a break." Blue Chu read blinking, pleading to look at his parents, "I really want to go, you let me go! I will listen to my elder brother. "

In the eyes of blue Qianhao, there was no objection or consent.

"Mom and Dad, it's hard to have time for the first time. Let her go! The scenery over there is good. " LAN Qianchen speaks well for her sister.

Blue parents look at each other, but they still worry about it.

"First read, don't go, rest at home!" Blue mother advised.

Blue early read to bite the red lips, the heart longed for, but had to hang down the head, obediently nodded.

Blue parents see to persuade, also relieved a breath, blue thousand Chen some sympathy look at her.

Blue Qian Hao's eyes twinkled a little dark awn.

"I'll leave tomorrow and come back in ten days at most."

"Good! You can clean up tonight! Bring more people. " Blue father nodded.

After dinner, LAN Chu Nian went back to her room a little lost. To be honest, she really wanted to go. Last time, her second brother took a picture of the scenery over there. It was very beautiful.

Just then, LAN chunian sat in front of the counter, holding her long hair and going to take a bath. At this time, her door was knocked. LAN Chu Nian quickly got up and opened the door. He thought it was his mother, but he didn't think it was LAN Qianhao.

"Elder brother, what can I do for you?"

LAN Qianhao steps in with long legs and closes the door. "Do you really want to go with me?"

"Yes! But my parents won't let me go. " Blue Chu read some distress.

"Can you get up at six tomorrow morning?"

"Er! Yes! " Blue Chu read and nodded.

"Then you can pack your clothes and go to bed now, and start with me tomorrow morning." LAN Qianhao finished, opened the door and went out.

LAN chunian jumped up in surprise, yeah! I didn't expect that big brother would secretly let her go.

Great, there was another thrill in the excitement of LAN Chu Nian. She immediately took out her big pink suitcase from the suitcase, opened it in the wardrobe, and put it away.

LAN Chu Nian is so excited that he can't sleep. He has been looking at the time. He really wants to stay up until 6 a.m. so that he won't miss it.

At that time, she had to follow her eldest brother quietly, otherwise, her parents found out that she could not go away.

LAN Chu Nian was so sleepless that she couldn't hold on to it until 4 a.m. she went to sleep in a daze. In her dream, she had already fallen asleep and didn't know the time at all.

At five o'clock in the morning, blue Qianhao has got up, and the window is still gray starry sky. Blue Qianhao picked up his mobile phone and sent a message to blue Chu to read, "are you up?"

However, ten minutes after sending out, she did not return the message.

Blue Qian Hao has a kind of helplessness immediately, this wench has no idea of time at all.

LAN Qianhao went out after he was dressed neatly. He reached out and pushed open the door of the next room. Sure enough, the girl didn't have a chain door.

In the pink room with the light on, there was a figure lying on the bed. Although the pajamas were a little wider, they could not cover her graceful body. Blue Qianhao came closer and smiled angrily.

I saw LAN Chu Nian's computer next to her, and the series was still on, and she was lying on the pillow, sleeping soundly.

It can be seen that she stayed up late to watch TV dramas and had to sleep when she was exhausted to the extreme. At the moment, LAN Chu Nian is playing chess with Duke Zhou in which heaven and earth. A pretty face is pink, red lips are playing back, and black hair is spreading a pillow. It's beautiful and attractive. In the quiet room, blue Qianhao's breath was hurried. He squinted and looked at the time. He had to wake her up.

"First reading." Blue Qian Hao's hand patted her face gently.

"Well!" LAN Chu Nian immediately grabbed his hand and said, "let me sleep." Finish, close to the palm of his heart.

Blue thousand Hao can't help but smile, have to bend down some body, "first read, get up, don't get up again, don't take you to go."

Although I fell asleep, this sentence was very threatening. Blue Chu Nian's eyes immediately opened and he leaned into his body.

Just blue Qianhao also leaned down. In a moment, her two faces were almost close to each other, the tip of her nose was touching, and her breath was weaving.

Blue early read startled big eye, blue thousand Hao also hurriedly draw away, separate two people's distance.

"Get up and wash your face. You must leave before six." Blue thousand Hao low voice, figure some embarrassed to leave.

Blue early read blinked, also covered the face, my God! It's very dangerous. I'm almost going to kiss big brother.

Although her head is dizzy and ringing, she obviously has hypoglycemia, which is the pain of insomnia.

At five fifty, she quietly opened the door and saw LAN Qianhao waiting at her door. She had already cleaned up.

"Big brother, let's go!" LAN Chu said in a low voice.
