

U. CEO Daddy 991

Chapter 991

Yi Siya pretends to be good to LAN chunian, which makes Yi Jinglong see. He can't help but feel relieved. He hopes that in this way, the two daughters will get along well with each other, and the whole family will get along well with each other.

Just then, in the yard outside the door, there was a clang to open the door. A woman with jewels was carrying her bag, followed by two maids carrying vegetables.

Sitting in the yard, LAN cunian and Isaiah stand up and look this way.

Isaiah found that when chatting, LAN Chu Nian's mind was not so deep, and she was more relieved.

"My mother is back." Isiah said, and immediately walked to Zhang Dingxiang happily, "Mom."

Zhang Dingxiang's eyes were not on her daughter's face at all, but on the slender girl who came towards her. When she looked at LAN chunian's face, her heart was shocked and flustered, as if Mrs. Yi had come back to seek her revenge, and her chest was rolling in the dark.

"Hello, aunt." LAN chunian politely shouted first. She thought that even if this woman was involved in the feelings of her parents, she thought that if her father married her later, she would not be so bad.

So she treated each other with courtesy.

Zhang Dingxiang suddenly returned to her mind and looked at her enthusiastically. "You are the child Jinglong lost in those years! It's very kind of you to come back. "

Zhang Dingxiang plays the role, of course, she can't show resentment to LAN chunian.

"Yes, I was my father's first child." Blue Chu read and nodded.

"What a beautiful look!" Zhang Dingxiang boasted.

Isaiah's look on one side was not very good-looking, she looked at her mother in surprise, and her mother's smile now was different from her usual smile! What's more, with her mother's character, would she welcome LAN Chu Nian home so much?

"You sit and talk. I'll cook dinner in the kitchen and have dinner at home tonight!" Zhang Dingxiang said kindly, and said to her daughter, "elegant, accompany your sister, mom is busy."

When Zhang Dingxiang said this, she saw two people stepping out of the door. Beside her husband stood a slender and elegant young man. Her eyes lit up. Where is such a handsome and charming man? Her first thought was that if only her daughter could marry him.

Zhang Dingxiang just heard footsteps coming out of the hall. She deliberately said that in the hope that her husband would hear her welcome and love for LAN chunian.

As expected, Yi Jinglong heard and was very satisfied with his wife's idea. The last thing he wanted was rejection from his family, because he loved LAN chunian so much and regained the feeling of treasure.

At the moment, his eyes are between his two daughters, and he falls more affectionately on LAN cunian. He hopes that in the next few days, he can compensate his daughter. Moreover, he loves his ex-wife deeply. From LAN cunian's body, he can find the shadow of his ex-wife.

The two men who came here all looked at LAN Chu Nian because they loved her so much.

This makes Isiah stand aside. It's really hard for him. My father only thinks of LAN chunian. Why does LAN chunian look at her so gently.

Then she and her mother became the air? What's more, she would like blue Qianhao's eyes to see her, because she is also very beautiful!

"At first, this is your stepmother Zhang Dingxiang, my current wife. Later, you can call her Aunt Zhang!" Yijinglong said to her.

Blue Chu read and nodded, "OK!"

Zhang Dingxiang was relieved to see that no one had found out what she had done.

However, LAN Qianhao's eyes were sharp and looked at Zhang Xiang. His eyes were very accurate. Zhang Xiang had a face full of ambition and ferocity. Moreover, the smile on her face made him feel fishy and fishy. Isaiah and she were the same fake smile.

His eyes fell on LAN chunian. The real nature emanated from LAN chunian was just like the light of an angel.

"This gentleman is?" Zhang Dingxiang is very interested in blue Qianhao. At a glance, she can see that blue Qianhao is full of rich people's breath.

"This is Mr. LAN Qianhao, the current president of Lanshi Jewelry Group, and also the eldest brother of the new adoptive parents." Yijinglong introduces to his wife.

Zhang Dingxiang immediately opened her eyes. What, this child was adopted by such a rich family even though he didn't die? Is Lanshi jewelry group the group company with high-rise buildings in the center of the city?

Isaiah's eyes on one side looked at LAN Qianhao with adoration, showing her favorite emotions.

"It turned out to be young master LAN. How are you? Welcome to our house." With that, Zhang Xiang pulled her daughter to her side. "This is my daughter's elegance."

Isaiah could hear that this was a intentional introduction from her mother. She could not help showing a shy smile, a long hair close to her ear, showing her style.

Blue thousand Hao's eyes light indicated for a while, then turned to Yi Jing long way, "uncle, we go to drink tea!"

"Good! Please. " Yi Jinglong 's blue thousand Hao is still treated as a superior.

"First read, do you want to come together?" LAN Qianhao doesn't want to keep her with the fake mother and daughter. LAN Chu Nian also wants to stay with her father for a while. She smiles and says, "OK!"

Isaiah wanted to go, but he said to her, "Isaiah, you can prepare dinner with your mother!"

"Oh! All right! " Isiah nodded and wanted to be a more diligent person in front of LAN Qianhao.

After they went up, yijinglong accepted the fake smile on Zhang Dingxiang's face. She took her daughter's hand and said, "grace, come with me." Then he went back and told the servant to cook dinner.

Isaiah followed her mother to her own room. Zhang Dingxiang closed the door and said to her daughter, "Isaiah, how can you be so good to this blue beginner? You can't really treat her as a sister. She's not good for you when she comes back."

Isaiah in front of her mother, what ideas are not covered, "Mom, where am I really good to her! I just pretend, because I like LAN Qianhao, I want to get close to him through her! "

Zhang Dingxiang listened to her daughter's words, and then took a sigh of relief. "That's good. I was worried that you really took this stranger seriously!"

"Mom, then don't you pretend to treat her, too?" Asked Isaiah with a smile.

Zhang Dingxiang humed, "I'm doing a play for your father. I've lost too much money recently. He's been talking about it to me. If I don't give a good performance, our living expenses will be limited next month."

"Mom, dad gives you a month's living expenses but 500000!"

"What is that? I don't have a bag. " Zhang Dingxiang is a rich lady now. She can't look at ordinary things. "Mom, you said that if I married LAN Qianhao in the future, how nice it would be! I'll have a lot of diamond jewelry. I think I have everything. " Said Isiah, looking forward.

Zhang Dingxiang hummed, "I didn't expect that Jinglong's ex-wife would be adopted by such a rich man with such good fortune after she gave birth to this daughter. It seems that she lives better than her daughter!"

"Mom, her name is LAN chunian. She used to be a member of the women's group and has been popular all over the country. Now, she is also a famous singer!"

"What? She still has such ability? " Zhang Dingxiang is not happy. If she can hear the bad news from LAN Chu, she will like it!

"Mom, I really like this blue young master." When Isiah said it, there was love in her eyes.

Of course, Zhang Xiang wants to marry her daughter to a successful man like LAN Qianhao. Now LAN chunian is also a member of the blue family. She thinks that if her daughter can marry in the past, she can resist her disgust for LAN chunian.

Anyway, no one will know about the past.

In the study, Yi Jinglong also knew that he would have a daughter who was only months away from his first reading. Anyone would guess that this was a mistake he made when he was young.

Now he feels guilty and loves LAN Chu Nian. He really wants to give her the love for the rest of his life.

"At the beginning, when my father was young, he did make a mistake, so I had your sister Siya. I regretted this, and I also confessed to your mother and got her forgiveness." Yi Jinglong said with a helpless face, "my wife and I had a one night stand at the annual meeting. After that, she chose not to disturb my family, and I didn't know that there would be elegance that night. It was one year after your mother died, I only knew about this matter, I knew that I had a daughter, and we organized a new family."

Chapter 992

LAN Chu read and listened quietly. At the moment, although she didn't understand her father's young mistake, she still wanted to ask.

"Dad, do you love my mother?"

Yi Jinglong's eyes immediately filled with intense emotions, and he nodded without hesitation, "your mother is my beloved, even if I have a family with lilac later, but your mother's position in my heart, no one can replace."

LAN Qianhao is an outsider, so he naturally doesn't know what to say, but it's totally a responsible idea that Yi Jinglong married this lilac! It's also a way for a man to bear the consequences of his mistakes.

When LAN Chu finished listening, she nodded softly, "Dad, I didn't blame you, as long as you loved your mother."

Yi Jinglong is forgiven by LAN chunian. He sighs in his heart and is very glad that LAN chunian is clever. At the same time, his inner remorse is deeper.

"Uncle, what do you think of the idea of being carried away by a nanny at the beginning of that year?" Blue Qian Hao squints to look for to ask a way, he is afraid of such danger, still can happen.

Yi Jinglong's face was very angry. "I will find out who instructed them to do this and why they should do it to my young daughter."

"Who did Uncle think it was?" LAN Qianhao asks, with the strength of yijinglong in those days, it's impossible to give up looking for this child so easily.

"When I was young, I was in the business world for the first time, and I had many enemies, and my family was also rich. Many people thought about my money. After my first thought was taken away, I searched everywhere and called the police. My ex-wife and I were looking forward to my daughter's return every day, even if we spent all our money, but I didn't see my child sent back in one year, two years or three years They are desperate, too. "

Blue Chu Nian's tears came out again. She didn't expect that she had hurt her mother. It was her birth and departure that made her weak and invincible.

LAN Qianhao took a piece of paper and gently leaned over to wipe her tears. He comforted her and said, "first read, don't cry. I will find out who hurt you."

Yi Jinglong also loves his daughter, and says to LAN Qianhao, "you said before, those two nannies may have contacted that person. What kind of person is that?"

"The nanny said it was a young woman who paid them to do things." Blue Qian Hao's eyes sank. At the same time, she remembered the words that nanny casually mentioned. She smelled the smell of

breast milk on that woman. That is to say, the nanny would remember so clearly that she was also a new baby.

Think of here, blue Qian Hao's eyes flashed a cold light immediately, the woman who had just had a baby like Mrs. Yi was not a clove? In fact, Zhang Dingxiang was only two months older than yisiya at the beginning of her study. At that time, Zhang Dingxiang had just had a baby for a month, and her breath of breast milk was a consistent feature.

"What are you thinking, Mr. blue?" Yijinglong asked curiously, blue Qianhao's expression seemed to be thinking about something.

"Nothing. I was just thinking that without the baby sitter's momentary softness, the consequences would be unimaginable."

"Who is so cruel? If you let me know, I will kill him." All these years, yijinglong is extremely depressed. He really hates the person who killed his family.

"Uncle, I think this matter must be checked. In case that the man kills Chu Nian again, Chu Nian is still very dangerous." LAN Qianhao thinks this matter can't be despised.

What's more, he now has a skeptical target. If Zhang Xiang is fully motivated to do all this.

At that time, she just gave birth to her daughter and raised her by herself. Naturally, she was very reluctant. First, LAN Chunnian was taken away, then Eve died of illness. Just a year later, she married her daughter to the family of Iraq. It seems like coincidence, but is it really so coincidence behind her?

At the moment, yijinglong has a clue about that matter. He will not let it go. He clenched his fist and said, "I naturally want to find out that matter, find out the murderer, and let them pay the price."

LAN Qianhao said seriously, "uncle, I have a suggestion. Don't talk about it. Too many people know it. They may pass the news to the murderer. If he runs away, it's hard to find him."

"well, Qian Hao, I will secretly investigate with you, never let anyone Zhi Xiao." Yi Jinglong nodded.

"Even if you have a wife and a daughter now, please keep it secret." LAN Qianhao said calmly.

Yi Jinglong replied, "well, this time, I will find out the murderer behind the scenes anyway, so as not to let the first thought be dangerous again."

Blue Chu Nian's eyes also showed anger. She hoped that her father and elder brother would arrive at the murderer earlier and let the man get the punishment he deserves.

LAN Qianhao got up and said, "I'll make a phone call."

LAN Qianhao walked all the way to the top floor of the villa. He took out his mobile phone, dialed the assistant's phone, and asked him to go to the hospital immediately to find out the address of the nanny Zhang Xiujuan's home, and told Zhang Xiujuan that he would like to give her another sum of money.

He knew that only money could keep Zhang Xiujuan from hiding, because she needed her help to identify the murderer. At the moment, in the hall downstairs, Isaiah sat on the sofa and looked at her mobile phone, while Zhang Dingxiang pointed to the servants in the kitchen.

Yisiya is checking LAN Qianhao's news. There are few news about him on the Internet, but for the introduction of his company's strength, there are many articles. Among them, a report estimating the market value of his company is said to be more than 10 billion.

At the same time, she was even more jealous of blue Chu Nian. How could she have been adopted by such a rich family? She must have grown up as a princess these years!

At this time, Isiah is eager to exchange identity with LAN chunian. However, with the relationship of LAN chunian, it is more convenient for her to get close to LAN Qianhao.

Otherwise, how could she have the chance to meet such a rich and handsome man?

Later, Yi Jinglong and LAN Qianhao went downstairs, and Yi Siya changed into a more feminine long dress, which was obviously dressed up.

Yi Jinglong was a little surprised at her daughter's clothes, but looked at her eyes on LAN Qianhao's body, and he understood.

In LAN Chu's eyes, she just wanted to feel more of her own father's breath. She stood beside Yi Jinglong, who was concerned and considerate to her and brought water for her. "Thank you, Dad." Blue early read a smile.

"At first, this is your home. When you want to come back, you will come back. Dad will clean up a room for you."

"Uncle, for the time being, let's live in my house for the first time! When I have time, I will often bring her to play at home. " Blue thousand Hao says with a smile.

Yi Jinglong immediately understood the meaning of blue Qianhao, that is to say, he was worried about the danger lurking around his first thought.

"Well, well, that's fine." Yi Jinglong smiles and nods.

Isaiah sat beside LAN chunian. "Sister chunian, can I come to your house?"

Blue Chu read and nodded, "of course."

The blue thousand Hao on one side looked at the direct inquiry of isier and frowned.

The servant brought the meal to the table. Zhang Dingxiang, who looked like a good wife and mother, took off her apron and sat down. With the wine in his hand, he would pour it out to LAN Qianhao. LAN Qianhao's hand stopped him. "I don't drink."

"Mr. LAN, have a drink! It's the first time I've come to visit my family. Happiness is the most important thing. "

"I don't like drinking." Blue thousand bright light say a word.

Yijinglong said to her, "young master LAN will drive in a moment. Don't persuade me to drink. Put it away! We don't drink. "

Isaiah's spring heart moves frequently. She looks at the blue and white under the light. She is as perfect as a prince charming. How can she be so handsome?

There is hardly any defect.

At the beginning of the blue read bowl, suddenly by the man clip vegetables come in, her pretty face slightly a heat, sweet curved lips smile.

On the other hand, Isaiah saw this scene in her eyes, and she was envious and envious.

However, she thought that LAN chunian and LAN Qianhao should have a brother sister relationship, because they grew up together in the love of brother and sister, which would certainly not be a relationship between men and women.

Zhang Xiang's eyes look at LAN Chu Nian with resentment, especially at her husband's full attention. She thinks that her daughter is going to fall out of favor in her husband's heart.

Chapter 993

After dinner from yizhai, yijinglong and yisiya came out to send them. Yisiya held LAN chunian affectionately. "Elder sister, I really want to go to the blue young master's house when I have time!"

This is her purpose. She wants to go to the blue house through blue chunian.

"Good! Come and play when you have time! "

"Well! That's settled. I'll get in touch with you. " Isiah said quickly.

Blue Qian Hao's eyes narrowed and he said to blue Chu, "Chu Nian, get in the car, we should go back."

"Qianhao, please walk slowly. After two days, I will go to your house to see your parents."
Yijinglong said to him.

"OK! Uncle, welcome to the house. " After LAN Qianhao finished, he opened the door and sat in the car, while Isaiah thought he would look at her. Unexpectedly, LAN Qianhao immediately sat in the car.

Standing in front of the front passenger's seat, LAN chunian said to his father, "Dad, I'll go first."

"Good! Drive slowly. " Yi Jinglong's eyes also showed reluctance.

Blue Qianhao's sports car drove out, and soon disappeared at the corner nearby. Isaiah looked at the way he drove the sports car. He didn't know how to expect more and how blue Qianhao developed.

Sitting in the car, this day was very long and very happy and important for LAN Chu Nian. She finally found her own family. Although she didn't see her mother again, she was also very happy to see her own father.

LAN Qianhao's heart is tangled with something. LAN Chu wants to be pure and kind. He won't let her be alone in this family. What's more, the most important thing for him now is to find out the person who hurt her.

He thought, this person, should be Zhang Dingxiang undoubtedly.

"Big brother, let's go home! I want to tell my parents about it. " Blue Chu read to him.

"Good! We'll go back now. " LAN Qianhao nodded and looked at her leaning on her head. His eyes were full of tiredness. He said gently, "you sleep, when you get home, I'll call you."

"Good!" LAN Chu Nian hasn't slept well these days. Now, she is really sleepy.

At the moment, there are a lot of sinister people in this city. Li Da is sitting in his solitary room at the moment, in the cigarette box next to him. The smoke can't be stopped. He has been smoking for a day because he has a fear that he will soon become Qiao Huiyang's shield.

Li Da was one of the people Qiao Huiyang sent to threaten Zhuang Yanming's husband and wife. Li Da and Huo maid kidnapped Zhuang Nuan, who was in high school, and forced Zhuang Yanming's husband and wife to commit suicide outside the video.

Zhuang Yanming is familiar with him. He hears Li Da's voice and pleads with him at the other end of the video. They can give their lives, but please let his daughter go.

Li Da also promised them that Qiao Huiyang didn't think it necessary to deal with Zhuang wennuan again. Because Zhuang Yanming committed suicide, this case will not become a criminal case. If another Zhuang wennuan is killed, this case will not be perfectly implemented.

Now, Qiao Muze has the account book in his hand, which can be identified as the crime of Zhuang Yanming stealing the public money. All the dirty money of Zhuang Yanming has been put into the account of a cousin who just died of Li Da. Finally, the money has gone through several empty shell companies that have disappeared for a long time in foreign countries and disappeared.

But all is Qiao Huiyang to benefit in the back, but, all on the surface's accusation, actually counted in Li Da's body.

At the moment, Li Da is most worried about his only son. He reaches for his mobile phone and dials his son's phone.

"Hello! Dad No sooner had Li De's phone been answered than someone took it away.

"What's the matter with you, little de?" Asked Li Da in a hurry.

"Dad Help me! Help me... " Li De's voice came in panic.

"Little De, little De, what's the matter with you?" Li Da asked urgently on the phone. He had a very bad premonition.

At this time, a cold and thick male voice sounded, "Lida, your son is in our hands. You know who you are. Don't make any noise."

"Who are you? Let go of my son. " Li Da shouted, his heart string tightened.

"Boss Joe is online. You can talk to him!" The man at that end said that, and he got another call.

"Manager Joe, is Joe always you?" Cried Li Daji.

At this time, a voice sounded, "Lida, it's me. Your son is in my hand now. We can't hide our affairs."

"No, no, no, Mr. Joe. There's a way. We've got a way." Li Da cried.

"Yes, you are the one who can give me a living. You should know how to do it." Qiao Huiyang's tone is cold and merciless. For his followers who have been following him for more than 20 years, he can push hell regardless of his feelings.

At the moment, Li Da was sweating all over. His son was more important than his life. He gasped, "I What should I do? "

"Before chomuze is ready, you will turn yourself in to the police tomorrow and admit that you did all the things that misappropriated the public funds and all the things you did." Qiao Huiyang put all the blame on him. "Then I'll die..." Li Da murmured, his forehead covered with cold sweat.

"But you can save your son. I promise you, when this is done, your son will live in the world safe and sound. And, tell you the good news, your son's girlfriend is pregnant and your grandson is here."

"What? My grandson, I have a grandson? " Li Da was still excited. Next second, he begged, "President Qiao, please, let my son go, let them go. I can do anything for you. Even if I kill Qiao Muze and Zhuang Nuan for you, I will."

"No, I want you to stand in my way, to go to jail for me, or to die for me." Qiao Huiyang's last word is very heavy.

Li Da slumped down on the sofa and his head was blank. He thought of what he had done for Qiao Huiyang these years, and he regretted it.

But it's too late to regret.

"Li Da, turn himself in at the police station at 8 o'clock tomorrow, and tell me about that. The foreign company is on you. You are a legal person."

Lida smiled, "it turns out you've been planning this day for a long time, Joe."

Qiao Huiyang doesn't speak, and Li Da is right. He has a good day, so he has set up a perfect situation for Li Da to take all the responsibilities, and he continues to be his vice president Qiao, to live in Tiannian.

"You'd better do this. I've known your son and grandson for so many years and your loyalty to me, so that they can pass on your offspring, and you won't be cut off."

Li Da finally understood the feelings of Zhuang Yanming's husband and wife before they died. To complete their children and sacrifice themselves, no matter what, children are the hope.

Lida closed his eyes, looked up to the sky, and wanted to cry without tears. He bit his teeth and said, "OK, I'm willing to take all the responsibilities. President Qiao, I just ask you to let go of my son and grandson, and don't disturb them again."

"It depends on your performance. If it's a perfect end and I'm not involved, your son and grandson will be safe."

"I'll admit everything. I do everything. It's none of your business." Li Da finally gave in.

"Well, I will wait for your result. Where your son is now, only my people know. Even if you call the police, I will know immediately. Then, the first one to die is your son." Qiao Huiyang threatened again.

"Mr. Qiao, I've been loyal to you for so many years. Don't you believe me? I only ask you to let my sons go after I die. " Now, even if Li Da wanted to kill Qiao Huiyang, he had to please him.

Because he has no way out and no room. He has only one way to die.

"Good! I believe you. " Qiao Huiyang said and hung up.

In Qiao Muze's villa, the account book of that year has been sorted out. With this account book, you can trace the truth behind Zhuang Yanming's suicide. With Zhuang wenuan's testimony, the suicide case of that year will be overturned.

Zhuang wennuan has been around Qiao Muze for several days. Qiao Muze asked the finance department to turn over the old account of that year for verification. As expected, there was a problem on the account, and all the evidence was ready.

"Tomorrow, I will accompany you to the police station, and provide the evidence to the lawyer. We will open your father's case step by step and let them pay for it.

"Well, we'll be there early tomorrow." Zhuang Nuan nodded, and her father's case could finally be turned over. She waited so many years, which was the most important thing in her heart.

Chapter 994

"Well, tomorrow morning." Qiao Muze is also tidying up the account books these two days, and he has not enough rest. At the moment, his eyes are covered with a trace of blood, showing a sense of tiredness.

Zhuang wennuan looked at him painfully. "You've worked hard these two days."

"Let's have a rest earlier." Choumuze chuckled. He reached over to her and said, "sleep with me."

Zhuang Nuan nodded. She happened to have a good thing these two days. So even if she slept in a bed, she could only sleep with him.

This evening, the parents of the blue family listened to the experience of looking for her father and were happy for her. They didn't expect to find it so successfully. However, they pitied her and couldn't see their mother.

LAN chunian accompanies his mother to the second floor for a chat. LAN Qianhao calls his father to his study and mentions his life in yizhai. But Lan's father is shocked. Was it the current wife of yijinglong who caused the separation of his biological father and chunian? "Qianhao, are you sure? Is there any evidence? " Blue father doesn't want his son to be wrong.

"Even if you can't be sure about this, Zhang Dingxiang can't escape the suspicion. Two nannies were involved in the incident. I hope they can provide some evidence."

"These two nannies are jointly and severally liable. I'm afraid they won't say anything."

"Then we can only use the power of the police to check the events of that year. We believe that people with a weak heart will show their feet sooner or later." LAN Qianhao knows that Zhang Dingxiang must be panicked in the face of the appearance of her first thought. Now, she must be very afraid that the event of that year will be revealed again.

Just knock with some plans, Zhang Xiang can't sit down.

"Qianhao, do it! If that family is in danger, let Chu Nian stay at home all the time. For the time being, don't let her go back to Iraq alone. "

"Well! I'll order her. " LAN Qianhao nods. He has already thought of a plan. Tomorrow, he will find the media to write an article report and put Zhang Xiujuan's picture on it. Even if Zhang Xiujuan saves LAN chunian in good faith, she can't erase the fact that she committed the crime of greedy for money.

He will obtain the identity of another nanny from yijinglong's hands. Tomorrow, he will go to the police to help arrest Zhang Xiujuan, and then stare at another nanny. When he published it in the newspaper, he wrote that according to Zhang Xiujuan, another nanny may know what happened in that year and the person behind the scenes. The police did not find the nanny for the time being.

After reading the report, Zhang Dingxiang will send someone to look for the nanny immediately. As long as the police stare at the nanny's line and catch the person behind the scenes, it's not far away.

Early morning.

At the door of the central police station, a black car stopped. Li Da was dressed in ordinary clothes. When he stepped out of the car, he looked at the majestic door. He stepped in step by step.

Last night's time let him think clearly, he can take his own life to save his son and grandson, now, he can only pray that Qiao Huiyang really let his son go.

Li Da also chatted with her sister last night. At the same time, she gave her something to let him pay attention to his son in the future. Once he left, if anything happened to his son, he would send it to the address of Qiao Muze's family.

This is what Li Da learned with Qiao Huiyang for so many years. Everything will be prepared. Even if he is not alive and his son has something wrong, he can revenge his son.

But now, Li Da can't tell Qiao Huiyang that he left it, otherwise, Qiao Huiyang's means will definitely affect many people.

Li Da walked to the police station step by step. In the morning, the police station was also very busy. A female staff saw that his mental condition was not very good. They thought that he had come to report the crime and received him very warmly.

"Uncle, what can I do for you?"

"I..." Li Da sighed and said to her, "I come from the head. I want to see your captain."

The female clerk looked at him in astonishment, but she did not dare to neglect. She immediately said to him, "please come with me."

Li Da saw the chief of the police. Soon, Li Da sat in an interrogation room. Two police officers came in to take a confession for him.

Facing a beam of light, Lida immediately blocked the strong light. "Mr. Li Da, what crime did you commit? Please call me truthfully."

At the moment, Li Da has no idea of concealing anything. He wants to say everything.

"I kidnapped a female high school student in October seven years ago, forcing her parents to commit suicide abroad."

"Tell me the names of the couple, please."

"The husband and wife are Zhuang Yanming, the wife min Qingrou, and their daughter Zhuang Nuan!"

In Qiao Muze's villa, a car drove out, and it was also toward a police station in the downtown. It was Lida's police station, because Lida chose the police station that was used to investigate and close the case of Zhuang Yanming and his wife.

At the moment, Qiao Muze and Zhuang Nuan arrived at the police station where their parents kept their files.

Li Da spent an hour in front of the police, speaking out the matter of Zhuang Yanming, which shocked the police to listen to the case, and found an old police officer who followed up the matter. The police officer still remembers the case in that year. They checked many details, which showed that Zhuang Yanming and his wife committed suicide voluntarily. But what they couldn't find out was the reason why they were willing to commit suicide.

Now, seven years later, Li Da's private prosecution, let the hidden truth of this case come to light.

At the moment, at the door of the police station, Qiao Muze and Zhuang wennuan stepped in. They were immediately received. The person who received them heard that they were going to overturn the case. He was surprised and said, "Miss Zhuang, you are also here for your parents' case. In the morning, the murderer has come from the first place before."

"What?" Zhuang asked anxiously, "who is the first?"

Although Qiao Muze was shocked, he thought that this man was not Qiao Huiyang.

"The person who surrendered himself is Li Da, an employee of Qiao group. We have recorded the confession for him. We admit how he threatened your parents to commit suicide in that year."

Zhuang warm breath a smothering, take off the mouth and come out, "no, he is just an accomplice, the real murderer has another person, not only him."

"Miss Zhuang, now our team leader will investigate this matter by himself. You can talk with our team leader about the evidence you have in hand."

"OK! Please show us to your captain. " Qiao Muze said in a deep voice.

Zhuang warm eyes a red, Qiao Huiyang unexpectedly launched his assistant to replace? And he left everything behind?

"It's warm, don't worry," Joe Muse consoled

Zhuang wennuan forced to calm down. Then they went into the office of the chief of the police. The chief recognized Qiao Muze and got up to welcome him out. "Mr. Qiao, please come in."

Qiao Muze shook hands with him. After sitting down, Chen Xin, the captain, said cautiously, "just now we have received the surrender of an employee of your company. For the case of misappropriating the huge fund of Qiao group, we have brought out a case of human life."

With that, the captain looked at Zhuang Nuan and said regretfully, "Miss Zhuang, first of all, we apologize to you."

"Captain, the one who killed my parents is not only Li Da, but also other people. Please investigate carefully." Zhuang said calmly.

"You can rest assured that we attach great importance to this case and will investigate it vigorously."

"In our hands, we also have an account book left by Uncle Zhuang. It records the whereabouts of his embezzlement, which can prove that he was indeed threatened to commit suicide." Said Joe Munzer.

"Very good. We are short of evidence for investigation now. With your cooperation, the investigation direction of this case will be clearer."

"Did Li Da tell everything?" Asked jomunzehiro.

"Yes, Li Da explained how to compel Zhuang Yanming and his wife to commit suicide, and how to misappropriate and launder the money."

"Did he mention his boss, Qiao Huiyang?" Zhuang wennuan asked, clenching his fist secretly.

The team leader shook his head. "Lida said he did it all alone."

"How can an assistant threaten my father to embezzle so much money for him? There must be someone behind it. " Zhuang doesn't want Qiao Huiyang to escape from the law.

Qiao Muse's deep eyes flickered with some thoughts. He said to the team leader, "Li Da is my employee. I ask to see him."

Qiao Muze's identity wants to see Li Da, so the police can't interfere. Although Li Da has surrendered himself now, Qiao Muze's company was the biggest victim of that year.

The chief of the brigade nodded, "OK, I'll press the line now. He has been locked in the back guard room, waiting for us to put the case on record and check the things of that year."

"Warm, you wait for me here. I'll meet Li Da," said Qiao Muze

Zhuang warm nodded, "OK! I'll wait for you here. "

Although she didn't know why chomuze wanted to see Lida, it must have his intention. At the moment, Li Da, the whole person is in despair. He covers his face and sits in a small room. He knows that no matter how wonderful the outside world is, he will never have a chance to see more.

Now what he misses most is his son and his unborn grandson. Is that a boy or a girl? His Liu family is about to have a future, but his heart is anxious.

Qiao Huiyang had today's consequences just because he left a village warm. Now, the nature is the same as that of that year. Whether he will leave his son's life or not depends on Qiao Huiyang's old love for him.

Lida's eyes were red, and the whole person was in a state of extreme mental breakdown. Just then, a voice came from outside the door.

"Lida, someone wants to see you."

Li Dali immediately raised his head and looked at the young man walking towards him. He didn't expect that Joe muzer would come to him.

"Young master Qiao." He stood up and went to the railing.

"Is it worth it to trade your life for his?" Qiao Muze squints and asks in a cold voice.

"I don't know what you're talking about." Li Da immediately pretended that he didn't understand.

"Li Da, do you remember how Zhuang Yanming and his wife died? In the same situation, do you think he will let your son go just as he did in the past? " Qiao Muze squints his eyes and stares at Li Da.

Lida's face flashed over the panic immediately. He stopped looking and continued, "master Qiao, this is not where you come from. You'd better go! I'm sorry for Zhuang Yanming and his wife. I'm sorry for their daughter. I'm lying down. I plead guilty. "

"If you die like this, you will be wronged. Although you are extremely evil and have to die, you will die in vain if you drag your son into hell together." Qiao Muze sneers.

"Chamuzer, I don't know what you're talking about. I did everything." Li Da also said firmly that he was going to die anyway. Who else dare not offend him? "Lida, you have another way. If you are willing to cooperate, your son will not die."

"What did you say? How can you guarantee that? " Li Da immediately held on to the railing excitedly.

"I can save him."

"How can you help?" At the moment, Li Da is looking forward to her son's survival.

"It will take a few days for you to investigate your suicide. In these days, I will personally go to your son's country to save your son from Qiao Huiyang. As long as I save your son, you should know how to do it." Jomunze's eyes shot at him like ice.

Li Da nodded at once, "I know how to do it! As long as my son can live, I can die hundreds of times. "

Jomunze looked at him, and the deal was concluded. "When I hear from you, I'll take your son home as soon as possible."

"Well, I'll wait for your news. As long as my son comes back and stands in front of me, I will surely pull him in and die with me."

Li Da said fiercely.

Qiao Muze nodded and turned away. Li Da behind him said, "do you know where my son is?"

"I'll let you see him," he said, pausing slightly

Li Da gasped and sat back in his seat excitedly. As long as he could guarantee his son's life safety, he would make Qiao Huiyang pay the price.

When Qiao Muze came out, Zhuang wennuan came up to him and looked at him, "how is it?"

"Go back and talk." With that, he took her hand and walked out of the police station.

Cho moose dialed the assistant's phone and said, "my private plane is scheduled to leave for country m immediately."

When Zhuang wennuan heard that he was going to m country, he was surprised and said, "do you want to go abroad?"

"Warm, I want to go abroad for a few days. You can stay in my villa. If you need anything, Yang Li will do it for you. Be at ease and wait for me to come back." Qiao Muze low admonishes a way.

"What are you going to do? Is there any danger? " Zhuang wennuan asked anxiously.

"No, I just used to bring someone back." "Qiao Muze comforted smile," I send you home, you obediently wait for me to come back

"Good!" Zhuang warm nodded.

Qiao Muze sent the villa back to warm, and immediately went straight to the direction of the airport.

A month ago, Qiao realized that Li Da was the most trusted person in Qiao Huiyang's hands, so he buried a hidden line around Li De, Li Da's son in advance. Qiao Muze directly pulled through the man who sent the punishment, and soon learned that Li De had been kidnapped three days ago. He followed him all the way to a villa, but Qiao Muze didn't let him act.

At that time, he had a premonition that this was done by Qiao Huiyang's staff. He just didn't expect that Qiao Huiyang would force Li Da to turn himself in so soon.

Now, as long as he saved Li De from Qiao Huiyang in the past, Qiao Huiyang, the mastermind behind the plot, will escape.

At the moment, Qiao Huiyang has obtained the news from his subordinates. Li Da has entered the police station and surrendered himself. Qiao Huiyang is sitting in his office, greatly relieved.

Finally, he is safe. Li Da will bear all the charges. As long as the charges are determined, he will be executed directly. When Li Da dies, the case will be buried with him.

Qiao Huiyang's phone rings. He picks up the man who kidnapped Li De in line. He answers, "Hello!"

"Mr. Joe, when shall we start?" Asked the man at that end.

"Don't worry so much. Just a few days later, as soon as Li Da died, I'll start right away, leaving no survivors." Qiao Huiyang did make one mistake, and he will not make another.

"Yes!"

Qiao Huiyang won't leave another enemy. Zhuang warm is the disaster he was afraid of getting into trouble.

After hanging up the phone, Qiao Huiyang's heart fell, and even he neglected to monitor Qiao Muze. Because Li Da took all the responsibilities, even if Qiao Muze had account books, it was useless. Instead, he even recognized Li Da's crime.

In the direction of the airport, Joe muzer strides into the VIP passage, followed by six bodyguards behind him. A private plane is ready to take off in 20 minutes.

Then the next day came.

In the morning, LAN Zhai and LAN chunian are sitting in the room. She is still sad about her mother's death. Who was so cruel to kill herself?

LAN Chu thought of Zhang Xiujuan's words. After careful thinking, she suddenly thought of one of her words. She said that there was a milk smell on the mysterious woman who gave her money at that time, like the one who just had a baby.

LAN Chu's eyes twinkled. He grasped several key words in his mind. The one who just had a baby? Milk?

She quickly got up and pushed the door out. She wanted to talk to her elder brother about it.

Blue Qianhao is not at home.

"Mom, where's big brother? Do you know?"

"I don't know. He went out early and hasn't come back yet." Blue mother is also strange, with into, toward blue early read, "I and dad decided to have dinner with your parents tomorrow, we meet."

"OK! I'll get in touch with my dad. " LAN Chu nodded. Now she has two fathers.

In a police station near lanzhai, lanqianhao finds a classmate who has mixed up with the position of captain. After hearing lanqianhao's request, he is very willing to cooperate with him. At the same time, he can crack an old case and capture the criminals of that year.

LAN Qianhao calls yijinglong and gets the name of another nanny from him. Yijinglong thinks of the nanny's behavior, and he is very angry. He will definitely pursue this matter to the end.

The police found out the identity of the former Baofu, her current address and her work place. The Baofu is a well mixed up fruit shop owner.

"Then I'll trouble you, and I'll ask you to come to the newspaper." LAN Qianhao patted the old classmate on the shoulder.

Chapter 996

"Don't worry, I will not let the criminals escape from my hands." The captain is very happy to help.

LAN Qianhao comes out of the police station, his cell phone rings, and he looks at LAN chunian. "Hello, first reading."

"Elder brother, where are you? I have something to tell you. " LAN Chu Nian asked at that end.

"I'm nearby. I'll be home soon."

"Well, we'll talk when you come back." LAN Chu wants to wait for him at home.

Blue Qian Hao is slightly shocked. The voice of blue Chu Nian is very anxious. Is it something urgent?

LAN Qianhao immediately drove straight to the direction of the blue house, and LAN Chu Nian was waiting for him at the gate of the yard.

LAN Qianhao's car stopped at the gate of the parking space, pushed the door down, "what's the matter with the first thought?"

"Elder brother, I think of something about the person who hurt me. Can we go to find Zhang Xiujuan again? I want to make sure of one thing with her. "

"What is it?" Blue Chu read to look at her some anxious appearance, don't know what she thought.

"Zhang Xiujuan said that the woman who bribed her to kill me was very young, and her body smelled of milk. She said that she seemed to be a woman who had just given birth..." LAN Chu thought of a person in her mind at the moment. She was just not sure. "Do you think of who it is?" Blue Qian Hao looks through her mind at a glance.

LAN Chu Nian's eyes twinkled. "I'm not sure if I think of this person, but she is suspect."

"It's Zhang Dingxiang, your father's current wife, that's what you want, right?" LAN Qianhao still thought that she could carry out the investigation without telling her. Unexpectedly, the girl thought of it.

LAN Chu read immediately nodded, "right, when she gave birth to her daughter, wasn't it during the period of breast milk? Besides, after my mother died, she married my father. If nothing happened to me and my mother, she would never have such a chance. So Will it be her? " Blue Chu Nian clenched her fist. Facing this matter, she felt sad and hated.

LAN Qianhao's eyes were filled with joy. He thought that she had always been the counterpart he protected. However, she began to become more intelligent and mature.

"First read, follow me into the study." LAN Qianhao didn't want to hide from her. He told her some of the guesses he had in yizhai. Similarly, he suspected Zhang Dingxiang and told her about a trip to the police station just now.

"If it was her, didn't my father live with the murderer for more than ten years? My father needs to know it's her. My father will be in great pain! " Blue early read eyes red, do so, how should father blame pain?

"If uncle is kept in the dark all the time, it's unfair to him. The villain will get bad news." Blue thousand Hao comforts a sentence.

LAN Chu read and nodded. At this time, she really should put away her kindness. Zhang Xiang would not have wronged her if she was not the person of that year. If she was, then she had to pay a price.

Now, only waiting for the police's plan to lead to the woman behind the scenes. In the afternoon, a report came out, Zhang Xiujuan was arrested and her photo was published. Zhang Xiujuan's words in the article showed that another person involved in the case who had not been arrested knew the truth. Now, the police are still investigating. Zhang Dingxiang lost sleep all night last night. Now she is still sitting on the sofa on the second floor with a headache. Even if her mahjong friends ask her out to play mahjong, she is not in the mood.

Zhang Xiang had nightmares several times last night.

She lives a wonderful life now, so she is most afraid of losing it. At this time, Zhang Dingxiang's mobile phone rang. She took a look at the strange phone. She answered lazily, "hello."

"Hello! Ms Zhang Dingxiang? Yes, please inform your husband, Mr. Yi Jinglong, to report to the police tomorrow. " There was a woman's voice.

"What? police station? Did my husband do anything? " Zhang Dingxiang was startled at once.

"We received a report about the attempted murder of Mr. Yi Jinglong's ex-wife's child. We need him to come to the police station to find out about it."

Zhang Dingxiang's face turned white with fright, and immediately panted, "what? You got it wrong! Didn't his ex-wife's daughter live well? "

"A nanny who was involved in the case surrendered himself. Now, we are learning about the situation. Please tell Mr. Yi Jinglong. Thank you." With that, the police hung up.

When Zhang Xiang hung up her mobile phone, she immediately received a message. She quickly clicked on it. It was a link to Zhang Xiujuan's report. Zhang Xiang quickly clicked on it to check it.

When she finished reading the report, she was totally freaked out, what? Zhang Xiujuan caught? She also said that another nanny knew the briber? Zhang Dingxiang immediately covered her chest, trying to remember how she had dressed when she saw the nanny.

Although she was sure to show her eyes when she saw the nanny, at the moment, Zhang Xiang could not guarantee that the two babysitters would not recognize her. Zhang Xiujuan said that another nanny may know her, while the other nanny is Qiu Yulian. Coincidentally, Zhang Xiujuan even met her at a fruit shop in the center of the city. When she went in, she recognized the nanny at a glance. She was scared and left quickly. At the moment, Zhang Dingxiang's heart is pounding. If the police catch Qiu Yulian, is there any news about her in her hand?

At the moment, Zhang Dingxiang's heart, the most afraid, is that the nanny offered her, no, she must think of a way, and the best way is to let the nanny can't say.

That is to make the nanny disappear in the world.

Money can be strong, Zhang Xiang's courage is great. She has money now, and money can make ghosts push the mill.

Her first thought was about buying murderers.

When she was young, she dared to be so cruel. Now, when she lives to this age, no matter how cruel things can be done.

Zhang Dingxiang now wants to find someone to do Qiu Yulian. Who should she look for?

Zhang Dingxiang was not a high-level crime. She was just a vicious woman. She thought that on the street outside her home, there were many advertisements on the wall. On the wall, someone wrote the telephone number for taking money to do business.

Zhang Dingxiang immediately came out of the house, drove the car, sat in the car, parked the car in front of the wall, and she found the phone number for taking money to do business.

Her fingers were twitching, and a rude man at the end picked up, "Hello!"

"Hello, how do you do? Do you take money to do things? Do you dare to do anything? " Zhang Xiang asked with a strong composure.

"Money is in place. There is nothing we can't do."

"I want you to kill one." Zhang Dingxiang said with a fierce look.

"Ten million!" That's the offer over there.

"Well, as long as you do it cleanly, I'll add another two million." Zhang Xiang doesn't care about money now. She just wants to keep her safe and rich life.

At the moment, in a police monitoring room, Zhang Dingxiang's phone number has been listed in the monitoring image. She just recorded the conversation with the man. "Who do you want to kill?" The man at that end asked curiously.

"An ordinary woman, a clerk in a fruit shop."

"What's the name?"

"Call..." Zhang Dingxiang was still a little nervous. She bit her teeth and said, "her name is Qiu Yulian. As long as you dare to do something, I can give you two million yuan first, and then all the money."

"OK, here's your account. I'll call in before 3 p.m. and give you the result three days later."

"Hurry up, I'll have the result by tomorrow afternoon." Zhang Dingxiang is afraid that the police will find Qiu Yulian.

"Good! Two million more! "

"You OK, I'll add another two million. " Zhang Dingxiang smashed the money.

But I don't know. Everything she said now was monitored by the police. The police didn't expect that, but they got so much in the afternoon. It seems that Zhang Dingxiang was the murderer who bought the nanny and killed the first child of yijinglong. Standing in the prison listening room, the captain stroked his chin and said, "trace the man's phone, see if we are fugitives, and catch them together for questioning."

After Zhang Dingxiang made a phone call, the account number was sent. She immediately went to the nearest city center to transfer money to the account. Soon, she transferred two million yuan to the account. After the transfer, she waited for the result.

The nanny must die, thought Zhang Dingxiang.

Chapter 997

The next action of the police was to protect Qiu Yulian, the nanny, and to arrest Zhang Dingxiang directly at her home.

The police have taken over the matter.

Yi Jinglong also went out today. He first went to see some of his friends in those days and wanted to find out about his enemies. Then he went to the cemetery and met his ex-wife. He promised that he would catch the murderer and let her rest under Jiuquan.

In yijinglong's heart, how can he doubt that the pillow man beside him was the murderer of that year? He still looked to those who had grievances in the past.

In the evening, Zhang Dingxiang also came back from the outside. Isaiah didn't see her mother for a day, so she rushed out of the hall. "Mom, where have you been? I don't answer your call. "

Zhang Dingxiang looks up at her grown-up daughter, who will dress up again. She makes up her mind that she must guard the family and her daughter's future.

"It's OK. Mom just went to play. Is your father back?"

"Dad didn't come back. You left me alone. I don't know if he went to see blue Chu." Said isier in a huff.

Zhang Xiang said to her, "don't worry, you must have been raised by your father. He won't hurt her alone, not you."

Zhang Dingxiang is also content. At least LAN chunian has not enjoyed her husband's care and protection since she was a child. Her daughter has enjoyed her father's love all the way.

At this time, there was a car noise behind him. It was Yi Jinglong's car that drove in.

"Dad's back." LAN chunian welcomes them with joy.

Zhang Dingxiang's heart secretly panicked. For so many years, she has possessed all these things peacefully. But now, the police report panicked her. However, Qiu Yulian will be killed soon. Then, she will be safe again.

"Where have you been?" Zhang lilac came to me gently.

Yijinglong replied, "I went to see some friends."

"Jinglong, you see, the first time I came back, I went to the decoration company today, please come over and clean up the big bedroom on the third floor and decorate her room."

After hearing this, Yi Jinglong nodded his head with satisfaction. "Well, you're ready."

"That's your daughter for the first time. Of course, that's my daughter. I will love her, too." Zhang Xiang pretends to be a kind stepmother.

Yi Jinglong nodded and patted her on the shoulder. "You are a good woman, a good wife."

Zhang Dingxiang gets her husband's praise. She is relieved. Tomorrow, she will only wait for Qiu Yulian's death.

At this time, not far from the door, there was the sound of sirens, and Zhang Xiang's heart immediately jumped.

But listening to this voice is not in the direction of home, she can't help but feel at ease again. She clapped her chest secretly. Now, she is really like a frightened bird.

However, the police car that sounded the alarm didn't enter her house, but there was a sound that didn't turn on the siren and stopped at her door. Three police officers, two male police officers and one female police officer, stepped down from the car.

The policewoman immediately reached out and rang the doorbell of yijinglong's house.

At this moment, the three of them are stepping on the porch to enter. Hearing the doorbell coming from outside, Isaiah is puzzled. "Who will come home at this time! I'll open the door. "

Zhang Dingxiang looks up at her husband. "Did you ask a friend over?"

Yi Jinglong thought and shook his head. "No!"

By this time, Isaiah had arrived at the door. She reached out and opened a small door. Then she put her head out and saw three men in police uniforms standing behind the door.

"Police uncle, who are you looking for?" Asked Isaiah curiously to the man at the head.

"Is your mother there, please?" The leader asked in a deep voice.

"What do you want to do with my mother?"

"There's a case she needs to cooperate with." The policewoman on the other side had a sharp voice.

Isaiah couldn't help but look at her, and then she looked back and was standing in the porch waiting for her parents to say, "Mom, there's a policeman looking for you."

Zhang Dingxiang originally heard her daughter's words with why the guest was so cold. She immediately breathed heavily and looked at the nearby yijinglong. Yijinglong also looked at her in surprise. "What do the police want you for?"

"I I don't know. " Zhang Dingxiang looks at her husband with a very guilty heart. Then, her eyes look at the gate in horror. When her daughter comes in, she is followed by three police officers. Their eyes look at her like blades.

Zhang Dingxiang's fear immediately rose. She hurriedly met the policemen and said, "Mr. policeman, what can I do for you? What kind of poll is it? "

At this time, the leader looked at her calmly. "Ms. Zhang Dingxiang, please come with us. We suspect that you have something to do with a case 20 years ago."

Zhang Dingxiang almost fainted with fear. She didn't expect the police to come to her. Yi Jinglong immediately asked in surprise, "Comrade police, has my wife committed any law?" "Mr. Yi Jinglong, we have received reports that Zhang Dingxiang was involved in the case of stealing babies and attempted murder 20 years ago."

Zhang Xiang immediately shouted, "I didn't do anything, I didn't do anything for you. Why do you doubt me?"

Yijinglong's heart was tense, so he asked, "who has the baby my wife stole?"

The captain looked at him with awe inspiring eyes. "It's Mr. Yi, the daughter of you and your ex-wife, Miss LAN cunian. Zhang Dingxiang is locked as a criminal suspect by us."

"What?" Yi Jinglong looked at his wife with disbelief. The sudden news almost shocked him.
"Lilac, did you do this?"

At the moment, Zhang Dingxiang naturally won't plead guilty. She pretended to be innocent and said, "how can I do such a thing? How could I murder you and your ex-wife's daughter? Someone must have framed me and wronged me. "

On one side of the Yi Siya also scared tears gush out, "Dad, mom will not do this kind of thing, she will not, you believe her."

The captain on the other side didn't want to see Zhang Dingxiang play any more. He said coldly, "we are investigating this case, and we have obtained very strong evidence to prove that Zhang Dingxiang is related to this case, or even the mastermind."

"Comrades of the police, you can't wronged people! Who framed me? What evidence do they have?"

"The evidence we hold is that you personally provided by Zhang Xiang. Please cooperate with us." With that, the captain said to his female subordinates, "please get her in the car and take her back to the police for investigation."

The policewoman immediately took out a handkerchief from her waist and said to Zhang lilac, "please cooperate with our work."

Zhang Dingxiang's face was pale and colorless. Isaiah looked at her mother, who was about to be tortured, and she was frightened to tears.

"You are not allowed to arrest my mother. She has not broken the law. You are not allowed to arrest her."

Yi Jinglong's eyes stare at Zhang Dingxiang and ask her, "Dingxiang, who stole my first thought 20 years ago, are you? Did you do all this? "

Zhang Dingxiang is the one who doesn't see the coffin and doesn't cry. She pretends to cry and says, "Jing long, how can I do such a thing? I did not, I did not harm your daughter, I am innocent, I am unjust

Zhang Dingxiang's wrist, two handcuffs tightly held her, the police officer clasped her arm and said, "follow us in the car."

"Jinglong, believe me, believe me." Zhang Dingxiang cried back to her husband.

"Mom Mom Isaiah yells to get out. At this time, Isaiah drags her hand. "Isaiah, stop chasing. Don't interfere with the police."

Finish saying, Yi Jinglong thought that this matter must be reported by blue Qianhao. He picked up his mobile phone and dialed blue Qianhao.

"Hello, uncle." That end, blue Qianhao answers soon.

"Qian Hao, I ask you, did you report the incident that was carried away twenty years ago?" Yijinglong asked him.

LAN Qianhao replied, "yes, I reported the case this morning, and the police also set up the case. What's the matter?"

"Nothing. Just now the police officer came to my house and took my wife Zhang Dingxiang away, saying that she had something to do with the case." Yijinglong's inner mood is very confused at the moment.

"Uncle, do you believe that your present wife is innocent?" That end blue thousand Hao asks.

"Do you think it's about cloves?" Yi Jinglong can't believe it. Now, he has no clue.

Chapter 998

LAN Qianhao is in his company's office at the moment. He thinks that although they didn't receive a phone call from the police, they immediately launched the arrest. It must be that Anzi has obtained the actual evidence.

"I I don't know, how could cloves have something to do with being carried away? " Of course, Yi Jinglong can't believe it.

"Uncle, let's believe in the police investigation! I'm sure they won't be wrong for taking your wife. "

"Qian Hao, do you have any evidence?" Yi Jinglong asked directly.

LAN Qianhao's voice said calmly, "I don't have any strong evidence in my hand. I just heard that a nanny who took care of the first time said that the person who paid for them might also be the woman who just gave birth."

"What? Really? " Yi Jinglong was shocked.

"Uncle, I'd like to ask you, if this thing is really done by your wife Zhang Xiang, will you choose to forgive her?" Blue Qianhao asked.

Yi Jinglong's body trembled. His inner mood at the moment almost collapsed. He was harmed to nothing, but he became his wife for more than ten years, and they had a daughter.

However, yijinglong was clear about his heart. He said with clenched teeth, "if it was really her, I would not forgive her."

Isaiah cried and walked to him. "Dad, you need to find a way to save mom. She must be innocent."

Yi Jinglong looks at another daughter who has grown up, and he begins to have some ideas. Zhang Dingxiang climbed into his bed when he was drunk. She is a woman with a mind and a means.

She broke up his daughter and family born to his ex-wife. She reappeared in front of him and married him with her daughter. She occupied the position of ex-wife and let her daughter enjoy the whole family.

However, his other daughter was abandoned in the orphanage. No, if the nanny had not pitied her three-month-old daughter, she would have been sunk in the cold water.

"It's a poisonous woman." Yi Jinglong suddenly clenched his fist angrily.

"Dad, who are you scolding?" Isaiah stepped back and looked at her father's anger. She was afraid.

"Siya, go back to your room!" Yijinglong said to her, and he strode to his car. He was going to the police station.

At the moment, Zhang Dingxiang is sitting in the police car, she is still pretending to be innocent.

"Comrade police, you must have caught the wrong person. I didn't do anything. Let me go home!"

"Have you done it? Your mind is clear." The policewoman replied.

Zhang Xiang can't answer at once. She has a sense of uneasiness. Did the police hold on to anything?

"And what evidence do you have of what I did?" Zhang Xiang asked.

"In the interrogation room, you will have a clear talk with you about how you bought the nanny and tried to murder Miss Yi, who was three months old."

Zhang Dingxiang's face turned white with fright. She didn't expect that she had covered a thing for so many years, and it was revealed so quickly?

Who is it? She thought that it must be LAN Chu who came back to avenge her. Damn it, if she had been thrown into the river, would anything happen today? She hates that timid nanny.

After LAN Qianhao answers Yi Jinglong's phone, he drives home. He wants to go home and discuss with LAN chunian.

At seven o'clock in the evening, Zhang Dingxiang sat in the interrogation room. A white light shone on her. Her face was as white as a ghost girl. She sat in silence and said nothing. At this time, Yi Jinglong, who arrived later, also sat in the police office, and asked to watch his wife's interrogation together.

The captain agreed to let him in to watch.

At the moment, Zhang Dingxiang, who was sitting in the interrogation room, looked around in panic. At this time, one of the police officers, a man and a woman, who were interrogating her, sat down and said to her, "Zhang Dingxiang, please tell me exactly how you bought the nanny 20 years ago and tried to kill the children born to yijinglong and his ex-wife."

After hearing this, Zhang Xiang immediately clenched his teeth and said, "what evidence do you have that I did it? I haven't seen the two nannies at all. "

"Haven't you seen it?" Female police officer asked.

"Of course I didn't see it. I was in the province with my daughter!" Zhang Dingxiang hummed.

"At the time of the incident, you just gave birth to your daughter for a month. Your daughter was born in a hospital in this city. Are you sure you are still in other provinces?"

"I I don't remember much time. It's too long. " Zhang Xiang answered vaguely.

"You don't remember having children. What do you remember? Do you remember how much you paid for two nannies? You spent a million yuan. At that time, each nanny was given 500000 yuan. All they had to do was to take the baby girl out and throw it into a nearby river to drown. "

Zhang Dingxiang's face became more and more ugly, even her whole body was shaking.

At this time, the captain's side, his men said to him, "Mr. blue and miss blue are here.""Invite them in!" The captain felt that when he was like this, as a victim, LAN chunian had the right to attend.

Yi Jinglong looks at his wife in the interrogation room. She has a fake look on her face. He really hasn't seen her and feels strange.

At this time, LAN cunian and LAN Qianhao come in together. When LAN cunian sees her father, she immediately sits next to him worried, "Dad, you are also there."

Yi Jinglong looked at his daughter, who was almost lost in those years. His eyes were hot. "At first, it was dad who hurt you and your mother. It was Dad's fault to meet such a vicious woman."

"Let's hear it!" The captain said, and said to his men, "continue to ask her if you are sure you don't know the two nannies."

The police officer immediately asked Zhang Dingxiang again, "Zhang Dingxiang, are you sure you don't know the two nannies who took care of Miss Yi?"

"I don't know them, of course," Zhang Dingxiang said, with her arms around her

At this time, the captain gave another instruction, "play the phone call she made in the afternoon, and let her listen to it."

At this time, the police officer took a tape recorder and put it in front of Zhang Xiang. "Zhang Xiang, how do you listen? Is this a phone call you made in the afternoon, or even someone you are trading with on the phone? The purpose of the transaction is still the same thing you have done before, buying murderers."

After that, the voice of the police echoed in the quiet interrogation room, and the conversation between Zhang Xiang in the recorder and the mysterious killer in the afternoon was so unreserved.

And among them, Zhang Dingxiang's mouth says a name, Qiu Yulian.

Zhang Dingxiang's eyes widened in horror. She almost fainted. She didn't expect that the phone call in the afternoon was recorded? Her whole body gasped to destroy the recorder.

And the people who listened outside the interrogation also saw the woman's insidiousness, listening to her very calm talk about how to kill a person, and regardless of money, as long as the result, even before tomorrow afternoon, it will take a person's life.

"How can you be a policeman to eavesdrop on my phone? It's against the law. You have no right to do so."

"We've got permission to monitor your phone. It's your own show. You just said you don't know the nanny. Why did you kill her when you were on the phone? Qiu Yulian was one of the nannies who took care of Miss Yi at that time. "

"You set up a bureau to deceive me. If you set me up, you You... " Zhang Xiang's mask was torn off at the moment.

"Why did you kill young miss Yi? Did you know that her mother died of severe depression because she lost her child?"

Zhang Xiang was silent, but she was trembling.

But outside the interrogation room, Yi Jinglong's chest was also tight with anger. He couldn't believe that he lived with his murderer these years. He hated and was even angrier.

LAN Chu read at Zhang Dingxiang who was Fufa, and her eyes were also angry. She hoped that she should be charged and pay the price.

Zhang Dingxiang, covering his face, gasped and asked, "is it because I have confessed everything? You can reduce my sentence."

"You'd better call up all the crimes." The police did not agree.

Chapter 999

Sitting in the interrogation room, Zhang Dingxiang finally knows how to deal with her crimes.

She really relies on ambition and money to support her all the way. She dare to do these things arrogantly. Only now, she feels regret. Before, she had no shadow in her heart.

"All right! I will tell you everything, but please let my daughter go. My daughter doesn't know anything about these things. She is innocent. "

"You also know that your daughter is innocent, so does that baby girl who was almost killed by you deserve to die? She's innocent, too. "

Zhang Xiang's face flashed in confusion, as if she was sitting here now, the whole world collapsed, she only thought about her own interests and children.

"Anyway, if they don't die, my children and I don't have a complete home. I just want to give my daughter a father. If I can find her own father, it's the best. I didn't think so much at that time."

"Where did you get the money?"

"I asked you my husband. He is very responsible for me. He will give me as much as I want." At the moment, Zhang Dingxiang didn't know that her husband was outside listening. She still recalled her happiness.

"How dare you use the money he gave you to buy murderers to kill his daughter?" After hearing this, the policewomen all felt incredible.

In another monitoring room, yijinglong was going mad. He was trembling with rage. Zhang Xiang was pestering him for money. If he didn't give money, he would destroy his family. In his self reproach, he gave her two million yuan. Unexpectedly, she took the money he gave and bought a nanny to kill his family.

The two words "ruthless" are not enough to describe Zhang Xiang. It's like a snake and a scorpion.

On one side, blue chunian also had tears in his eyes. He was held tightly by blue Qianhao. He also clenched his fist. He didn't expect that looking for a good biological father would lead her to experience those things.

Zhang Dingxiang now confessed, "yes, I just want to give my daughter a father. Don't worry about men. She is still young and a girl. I'm afraid that she will be bullied if I marry another man. So I can only marry Yi Jinglong. He will treat our daughter sincerely."

"Have you thought about his ex-wife? His ex-wife was depressed for three years and finally took medicine to commit suicide... "

"It doesn't matter what I do. I just asked the nanny to buy her a bottle of medicine and let her sleep more safely. How could she swallow it all!" Zhang Dingxiang's nerves are very tense now. For a while, she even shakes this thing out.

When the police officer looked at each other, he had the skill to ask her.

"Is it really kind of you to find a nanny to buy Mrs. Yi sleeping pills, or do you have other purposes?"

"I I'm so kind... " Zhang Dingxiang said with a weak heart.

"Zhang Dingxiang, you'd better tell the truth. Everything you do now is in our grip. If you dare to hide it again, we will be punished." Said the policeman, patting the table.

Zhang Dingxiang trembled with fear, then covered her face and nodded, "yes, I admit that I didn't mean it. I heard that she was bedridden and would be crazy to miss her daughter every day. When I met the nanny, she told me that she often wanted to go underground to accompany her daughter, I deliberately asked the nanny to bring her a bottle of sleeping pills. I didn't know she would swallow them all!"

Yi Jinglong's face changed in the audience room. Unexpectedly, he killed his daughter. Even the medicine his ex-wife passed away was secretly brought in by her nanny. He never dared to put too much sleeping pills at home, because the psychiatrist told him that his wife's illness must not put too much sleeping pills at home, because the patient's mood couldn't imagine it When, will swallow the medicine suicide.

She did it again.

In the eyes of blue chunian's tears, there is also a ray of hatred. It is she who killed her mother.

Police also did not expect that there were two lives in Zhang Xiang's hands.

Sitting in the inquiry room, Zhang Dingxiang looked very old. "I'm sorry, I'm sorry for their mother and daughter, I hurt them."

"It's too late for you to say anything now." The policewoman said to her.

At the moment, Zhang Dingxiang covers her face and buries herself on the table, as if she would never dare to see anyone again.

When two police officers came out, Zhang Dingxiang broke down and cried. She cried and cried like crazy. Depending on the situation, she was also on the edge of crazy.

A group of people came out of the audition room. Yijinglong's eyes were red and his voice was hoarse. He hugged LAN chunian and his eyes were filled with shame. It was a mistake he made in those days that hurt her and her mother. He could not redeem this crime.

"Qian Hao, take your sister and Mr. Yi back to have a rest! We will detain Zhang Dingxiang first, and the subsequent affairs will depend on the judgment of the law. "

"Thank you for your hard work." LAN Qianhao said to them, reaching for yijinglong's hand, "uncle, I will take you home."

"Blue early read also comforts father," Dad, first go back to say

Isaiah was waiting at home. She was worried about her mother. At the same time, she was uneasy. She heard a car coming in. She hurried out of the hall. But found that, holding his father back is blue Qian Hao and blue first read, she was surprised, asked his father, "Dad, mom how did not pick up?"

Yijinglong's suppressed anger erupted because of yisiya's inquiry. "Your mother still wants to come back? She should go to hell, and even if she's broken, it's hard to understand my hatred. "

Isaiah was shocked by her father's words and looked at his haggard and heavy figure. She didn't know what happened to her father, and what her mother had done

Yi Jinglong is quiet down, but the sad and painful look on his face is worrying.

Yi Jinglong's mood at the moment is turbulent and hard to calm. His life is covered in pain for a moment. He even thought that he had lived with Zhang Dingxiang for more than ten years, and his heart was shaking. This made him think of his ex-wife who loved deeply under Jiuquan. If she knew the truth of all this, how painful and sad would she be?

"Dad, don't scare me. What did my mother do wrong? What happened to her? " Isaiah had never seen her father so fierce, and she came in crying with fright.

Blue Qian Hao's eyes coldly shot at her, "your mother is a murderer."

Isaiah immediately opened her eyes wide and gasped, "no, my mother won't kill."

Yi Jinglong looked at his daughter and Zhang Dingxiang's. He bit his teeth and said to Yi Siya, "tomorrow I will send someone to send you abroad. You will be abroad later. Don't come back."

Isaiah stared. Does Dad mean she's going to be exiled abroad? She's not willing! "What did my mother do, dad?" she asked, with a face of grievance

"Your mother is a snake and scorpion woman. She gave birth to you, but she hurt my family. Even if you are right, she should die. She should go to hell."

"Who did my mother harm?" Asked Isaiah, blinking her tears.

LAN Chu Nian looked at her half sister. She was angry and hateful in her heart. But she looked at her face that she didn't know the truth. She took a deep breath. "Your mother bought my nanny twenty years ago to take care of me and tried to drown me in the river. Then, when my mother was ill, she bought my mother's nanny in front of her bed to persuade her to eat and sleep The medicine, finally let my mother swallow the medicine to commit suicide, this is your mother secretly instigated

"What? How is that possible? My mother won't do it. It's impossible Isaiah stumbled back a step, and then, looking at LAN Chu Nian, she shouted, "but aren't you still alive? Your mother deserves it. My mother didn't ask her to take the medicine. She wanted it. "

Yi Jinglong was so angry that he felt pain in his chest. Looking at his daughter who was educated by Zhang Dingxiang, he was really angry and hated. Even if he had been around all the year round, Zhang Dingxiang would always teach some women's mind and means behind him.

So that no matter how he teaches, Isiah can't become a kind and elegant person.

"Get out. From now on, you can't go back to this house. I don't have a daughter like you." Yi Jinglong said angrily.

Isaiah's face changed with fear. "Dad I'm your daughter too! "

Chapter 1000

"I will send you abroad. From now on, I will not come back without my permission. Cough Cough Yi Jinglong is really going to get angry.

LAN Chu thought and patted him on the chest, "Dad, don't be angry."

Isaiah's face turned white. The first thing in her mind was her father's legacy. Didn't she get along with her?

"Dad, I'm not going anywhere, I'm going to be with you."

In Yi Jinglong's eyes, it was already the color of disappointment. He sighed, "OK! You may not leave until your mother has finished her sentence! "

"Dad, help my mother! My mother has been with you for more than ten years. You can't be so ruthless. " I beg.

"I wish I had killed her myself." Yi Jinglong's eyes are really furious.

Isaiah took a step back in fright. She was really scared.

M country, a private villa, at the moment, the lights are on, inside four men are playing cards.

In the basement, Li De and his girlfriend are tightly tied to the chair. They have been tied here for several days. Their eyes are black with hunger. They feel hopeless.

Not far from the villa, I stopped three black SUVs quietly. On the back seat in the middle, I stared at the villa coldly. The person he wanted to save was in the villa.

"Manager Joe, do you want to rush in now?"

"We just need to save people, don't hurt people." Qiao Muze said in a deep voice.

"These people are all thugs invited by Qiao Huiyang. When our people go in, they are afraid to hurt their muscles and bones, but they will not die."

"You bring people out as soon as possible." Jomunze said in a low voice.

The bodyguards who came down from the car immediately scattered around the villa to make a raid. At this moment, Qiao Huiyang's men had already put down their vigilance. Two of them were depressed about losing money. Four of them stared at one of them, intending to return the money.

They all gathered in one room. Two men knocked at the front door with a shopping bag, while several other bodyguards went into the basement from the backyard to find someone.

"Who are you!" A man pushed the door out.

"You've ordered takeout."

"Did any of you order takeout?"

"No!"

"Which take out do you have! Is it the wrong delivery?" The man stared at the thing in his hand.

At this time, the bodyguard took out a simulation gun from the delivery box and put it on the man's head. "Don't move."

The other three men were immediately under the control of two other bodyguards.

Li De and his girlfriend were rescued from the basement in good condition and brought to the car. Chomuze's car went straight to the airport, where the plane was waiting for them, ready to take off at any time.

Sitting on the plane, Li De and his girlfriend ate recklessly. They were really hungry and fainted. They had never been treated like this in their lives. Qiao Huiyang's people didn't treat them as human beings at all. They would be killed sooner or later.

"Thank you, thank you for saving me." Li De was so excited that he cried and hugged his girlfriend tightly. Her girlfriend also felt a sense of rebirth.

Joe muzer's plane went straight home.

At the moment, at the place where Li De was kidnapped, the four men were beaten. They were afraid to report the incident, so they decided to pack up and go on their own.

Qiao Huiyang raised a group of thugs who were most loyal to him, and he personally sent them to prison, while the others were useless.

At the moment, Qiao Muze has a quiet cabin by himself. He is resting with his side face closed. His leg injury has not been cured yet. So, he just went in to catch people. He can only let his men in.

Two days of running and flying made him a little sleepy, but when he thought of a woman in China looking forward to his return, he was like an arrow.

Li Da, who is in prison, also dare not sleep all night. He is waiting for his son's news. Now, he has nothing to ask for. As long as his son is alive and his offspring are inherited, he is willing to let him die.

He also regretted what he had done in those years. If he was given a chance to do it for Qiao Huiyang more than 20 years ago, he should refuse it and not take his money to work for him.

Early morning.

After a sleepless night, yijinglong's whole body was instantly old. His black hair became gray, and his pain and self reproach made him Gray all night.

LAN Chu Nian has been watching her father until 3 a.m. and she didn't sleep, but what she went through yesterday also left her exhausted. In LAN Qian Hao's arms, she went to sleep in a daze.

But when she pushed the door to visit her father in the morning, her tears also fell silent. Although the father seemed to calm down last night, how much grief did he suffer, and he would grow old ten years in one night?

When Isiah got up in the morning and saw her father sitting on the sofa, she couldn't believe that her father's elegant appearance had changed completely.

She finally knew what she and her mother had made of him, and she sat silent. Zhang Dingxiang's case is still under sentencing. It will take several days for the police to know the result. Blue parents wake up in the morning and listen to their son talk about what happened yesterday. They all worry about coming here from blue house.

When they walked into the house, they saw the haggard blue novice and the red eyed son, both of whom were extremely distressed.

"First reading, first reading..." Mrs. blue cradles her in her arms. She really loves her daughter.

Blue thousand Chen also came, blue family people with a warm and powerful force, let Yi Jing long have comfort.

Isaiah sat by. She really hated LAN chunian last night. Thinking of her appearance, she made her mother go to jail and let her father hate her so much.

But now, her eyes are full of jealousy. She watched with her own eyes as a treasure in the eyes of the blue family. Looking at this rich family, the blue family focused on the blue family.

Yi Jinglong is comforted by the blue father. When the two fathers meet, they share a common feeling, that is, their love for the blue beginner.

Isaiah left in silence, because such a scene would only stimulate her, and because of all that her mother had done, she felt ashamed, as if she had been laughed at by others.

She felt that everything her mother had done had put a layer of shame on her. When the blue family came, Yi Jinglong watched his daughter being spoiled and taken care of and raised by them as his

own daughter, which really reduced his inner guilt and made him feel emotionally infected. He felt that God was still treating his family well.

What a person needs most is a kind of spiritual yearning, a passion for life. Yijinglong's mood collapsed last night. As a man, he can't cry loudly, can't vent his emotions like a child, he can only suppress, and the most hurt is his body.

Blue parents didn't expect that the family background of blue Chu Nian would lead such a big case. Now, it's sunny after the rain, and those who will hurt her are far away.

They are waiting for Zhang Dingxiang's trial now.

Zhuang wennuan is also anxiously waiting for Qiao Muze to come back in the villa. Yang Li has invited a senior chef to make three meals a day for her. However, Zhuang wennuan has become more and more thin recently, which makes her feel sad.

Zhuang wennuan has no appetite at all. She has something in her heart. She only wants Qiao Huiyang to get his punishment and turn over the case for her parents.

In the midday sun, a huge private plane landed steadily.

At the gate of the airport, Qiao Muze led Li De and his bodyguards to the police station. There was nothing more important than Li Da turning over his confession.

In the detention center of the police station, Li Dazhong saw that his son and his future daughter-in-law were safe. He sighed with relief, "OK, if you come back, I'll be relieved."

"Dad, what's wrong with you? How could you be locked up? " Li De can't believe that when he came back, he saw his father locked up, and Li Da was always a good father in front of his son. All he did was for his son.

Because he divorced in his early years and had only one son under his knee, he wanted money to find a bright way for his son, and he would not hesitate to send him abroad with a lot of money. Now, his son is promising, but he is going to jail.

"Lida, your son is right in front of you. You should know how to do it!" Joe muzer stared at him sharply.

At the moment, Li Da suddenly kneels down to Joe muzer. "Thank you, master Qiao. Thank you. Don't worry. I'll take care of this."

"I hope you won't let us down." Qiao Muze said in a deep voice.
