Chapter 111: Shocking the Academy! Shaking the World

“..”

However, the spectators didn't show any excitement. They all thought that Ye Qianli would admit defeat again. After all, she had already admitted defeat twice.

In fact, after both sides went up on stage, Nan Xuan looked at them with disdain and asked, ""Ye Qianli, do you admit defeat?"

"This bastard!" Feng Lihuan was furious when he heard this question. He felt that Xuan Zhaonan didn't have the demeanor of a teacher! He was simply an unscrupulous villain.

As for Ye Qianli herself, when she was faced with Nan Xuan's humiliating question and the other insults of " admitting defeat ".

"Of course," she replied.

"Whoosh!"

"As expected, he admitted defeat!" The surrounding crowd burst into an uproar. However, Nan Xuan was stunned. Ye Qianli then continued, " No. "

"Uh ..."

The crowd was dumbfounded, and Nan Xuan's expression was not too good. He could tell that Ye Qianli was deliberately saying two words to mock him.

"Although I expected this, I still have to tell you that your courage is commendable." At this moment, Xuan Tianqi spoke first, looking like a king of his generation.

" The First Prince is also very courageous. In order to guide us new students, he did not hesitate to be thick-skinned and enter the arena. You are the oldest old man in this year's new and old student competition. I am convinced. " Ye Qianli clenched her fist and smiled.

"Pfft-"

"Hahaha!"

The crowd burst into laughter. They couldn't hold it in anymore and exploded. "Hahahahahahahahaha..."

"You! Search! Die!"

Xuan Tianqi's face turned as black as the bottom of a pot, and flames erupted from his eyes. He instantly turned from a king to an impulsive fool.

"First Prince, don't be anxious."

The voice of the Purple Spirit spread out at this moment. It had the effect of calming people down. It really made Xuan Tianqi calm down a little. At least he didn't make a move immediately. However, his eyes were still spitting fire.

"Tsk tsk...Our Crown Prince said that Miss Zi has awakened the nine-tailed fox talent. The information is indeed accurate! Look at how bewitching you are. Even if the Seventh Prince doesn't listen to you, the First Prince also listens to you." Ye Qianli said.

As soon as he said that!

"Whoosh!"

"Nine-Tailed Fox Talent?"

"What is it? The seventh-tier nine-tailed fox talent? No way, my God! This Violet Spirit, no wonder every time I look at her, I feel like she's seducing me. So she really is a vixen!"

"Aiyo, f * ck, looks like I'm not too dirty. It's really this vixen who seduced me!" Some of the lecherous men and licentious men found an excuse on the spot and shouted in realization.

Purple Spirit was speechless.

She really wanted to slap Ye Qianli!

As for Xuan Tianqi, he was undoubtedly furious! After all, he was not a particularly intelligent person, so he could not tolerate it anymore!

"B * tch, you're courting death. This king will send you on your way!" As Xuan Tianqi spoke, he threw a punch without any suspense! As soon as he punched out, a huge bell as tall as two people exploded behind him.

This bell was completely black and extremely dazzling!

But this was not Xuan Tianqi's innate talent body, but his Tier 3 spirit artifact, Black Tortoise Bell! It could be considered a treasure of the Black Tortoise Dynasty, and it was also Xuan Tianqi's favorite treasure.

"Die!"

Xuan Tianqi took out a bell and slammed it down on Ye Qianli's head. The word "die" came out of his mouth. It was obvious that he was used to being rude and violent. He didn't even know what kind of occasion this was.

However...

"!"

When the bell hit Ye Qianli's head, it stopped steadily. The reason was that Ye Qianli's burning arm had already grabbed the edge of the bell.

Not only that!

"Buzz."

"Buzz..."

The bell was still trembling in Ye Qianli's hand for a moment before it shrank! Then, it turned into a small bell the size of a palm and was held by her palm.

"It's a generous gift from the First Prince. It would be impolite for Qian Li to reject it. Thank you." Ye Qianli said with a smile. She took out her Universe Bag and put the small bell inside.

The entire process only took a few breaths of time. The people at the scene did not react in time, let alone the First Prince who had his Black Tortoise Bell taken away.

Even Purple Spirit was shocked. She stared at Ye Qianli and said, ""As expected, you comprehended the Divine Inscription Diagram personally drawn by Blind God in the hall of the Treasure House. You are indeed a god! Tattoo! Master!"

"Bang!"

"Boom!"

"Whoosh!"

This time, the scene really exploded. Not to mention the surrounding crowd, all the old students in the sky class who were watching the scene exploded! All the teachers present, including the teacher-in-charge! Even Nan Geun, the director, was furious!

Divine Inscriptionists...

There were no more than ten Divine Inscriptionists in the entire continent! Including the dean of their Genius Academy, there were less than ten of them.

In fact, even if the Violet Spirit didn't say anything, all the teachers present would still be shocked! Some of the teachers who were not low-level teachers, as well as some of the students from the sky class, had also noticed it.

Ye Qianli's ability to retrieve a Spirit Tool with her bare hands was only possible with a true Divine Inscriptionist! Furthermore, only Divine Inscriptionists who had mastered the art of quenching Divine Inscriptions would be able to do so.

"Damn it, he's really a super monster! Why is Feng Lihuan so lucky? Why haven't I met such a good seedling? I can't accept this..." Old Zhu wanted to cry.

All the teachers present were so envious of Feng Lihuan that they wanted to cry. He really wanted to kill Feng Lihuan and make this child acknowledge him as his master again.

His talent was outstanding!

And a Divine Inscriptionist!

No wonder she had 1001 points!

She had swept 11,000 points! That was not surprising.

Mother!

Divine Inscriptionists!

The entire Genius Academy was shocked.

"Headmaster, this child is actually a Divine Inscriptionist. Do you want to make an appearance earlier? Your acquiescence to this secret operation is a little too much of a test for this young lady."

"Director? Principal..."

Outside the principal's office, she was almost snow-white! Only the vice president with black pupils knocked on the door of the president's office anxiously.

However, there was no response.

..

At the same time.

"Return my Black Tortoise Bell!" Xuan Tianqi, whose bell had been seized, actually shouted?

Ye Qianli was speechless. Was the First Prince a fool?

"Idiot, this idiot is even dumber than you. I didn't expect him to live so long." Magic Box could not help but comment on the bullet screen. He felt that this First Prince was really stupid and unique.

Ye Qianli was speechless.]

Ye Qianli couldn't help but say, ""Miss Zi, please take your First Prince back to take his medicine. He's too stupid."

"Pfft-"

"Hahaha..." After the shock, the crowd burst into laughter again.

Xuan Tianqi himself was even more furious. He...

Seeing that he was about to commit another foolish act, Violet Spirit had no choice but to say in a heavy voice, "" First Prince, please think twice before you act. Don't forget your agreement with the Seventh Prince. "

As soon as she said that, Xuan Tianqi seemed to have taken medicine and slowly calmed down. It was also miraculous.

"Violet Spirit, please enlighten me." As for Purple Spirit, after Xuan Tianqi finally calmed down, she cupped her hands and bowed to Ye Qianli.
