

The Useless Consort Suddenly Makes A Comeback

#Chapter 121: Tsundere Beauty Prince, Feed Medicine (1) - Read The Useless Consort Suddenly Makes A Comeback Chapter 121: Tsundere Beauty Prince, Feed Medicine (1)

Chapter 121: Tsundere Beauty Prince, Feed Medicine (1)

This was probably the first time Rong Mo had been "invited out" by someone, but what surprised Ye Qianli was that before she could say anything, Rong Mo really stood up and walked out.

"Bang!"

Before Ye Qianli could react, Rong Mo's cold voice came from outside the door, "'Half a quarter of an hour."

As soon as the voice fell, Ye Qianli realized that the tall figure of Dao Yuan who was still standing outside the door had disappeared! It seemed like he really left, and he went quite far!

This ...

Ye Qianli blinked her eyes and smiled. She knew that the proud prince had gone so far to show that he wouldn't eavesdrop even if he had good hearing.

Puff ...

Thinking of this, Ye Qianli felt even more amused, but she said seriously, "'Ye Rui, get up first."

"Yes, Young Miss." Only then did Ye Rui respond.

Ye Qianli sized him up. Although she already understood, she still asked, "'You said that you are the deputy commander of the Heavenly Wolf Army. His Highness allowed you to come in, so he must have confirmed your identity. I am not sure if you can prove it to me?"

"This subordinate can." After Ye Rui finished speaking, he knelt down on one knee again. However, beside him, at the same time he knelt down, a towering Direwolf Beast suddenly appeared!

"Boom!"

The moment this beast appeared, it had a majestic aura and iron blood scattered.

"!"

With just a glance, Ye Qianli could tell that this Heavenly Wolf Beast was the same as the Heavenly Wolf Army's mount she saw in her nightmare.

It was not that their levels were the same, but their bodies! There was a thick blood aura that could only be refined on the battlefield! It is vast and mighty.

However, the Heaven Wolf she summoned did not have such a strong battlefield aura? However, she still had no idea how she managed to get her Heavenly Wolf out.

"Roar!"

But at the same time, the Sirius Beast that Ye Rui had summoned suddenly knelt down and groaned after sizing up Ye Qianli. It was obviously greeting Ye Qianli.

Ye Qianli was speechless when she saw the man and the beast kneeling on the ground, ""Get up. Don't kneel down so easily. Sit down and talk properly."

"Yes, Young Miss."

"Roar..."

The man and the beast both obediently sat down. However, Ye Rui sat straight on the chair, while his Direwolf Beast sat straight at his feet.

"..Ye Qianli looked at the two and nodded, ""Ye Rui, just now you said you wanted to report something important to me?"

" That's right, Eldest Miss. Because you've awakened the Celestial Wolf Flag, we Celestial Wolf soldiers will sense it. If nothing goes wrong, as long as they're still alive, they'll gather at you at full speed. " Ye Rui replied.

"Do you know how many soldiers of Tian Lang are still alive?" Ye Qianli asked.

"This subordinate surmises that it is probably less than twenty."

"How will the Heavenly Wolf Army be resupplied?" Ye Qianli asked again. Although she didn't know much about military affairs, the Heavenly Wolf Army had always had only one hundred and eight people. Apparently, they had a source of supplies.

"This subordinate doesn't know, but you should know."

"?"Ye Qianli raised her eyebrows when she heard that. Ye Rui explained, " Only the leader of the Celestial Wolf Army and the commander know about the supplies of the Celestial Wolf soldiers and the Celestial Wolf Beast. I am the deputy commander, so I am not qualified to know such secrets. "

"Where is the commander?" Ye Qianli asked immediately.

"I'm afraid he's already dead." After Ye Rui finished speaking, his breath obviously sank a bit, and he said:"On that day, Commander Ye Lin and the other commander of the Celestial Wolf Army, Ye Chong, led three teams of Celestial Wolf soldiers out with His Highness. The black-armored army attacked our army. At that time ..."

At this moment, under Ye Rui's heavy and sorrowful narration, Ye Qianli heard for the first time how the 1.8 million troops of the Northern Territory were slaughtered! And how to fight to the death! What a hopeless journey.

".. For four days and four nights, our Northern Region Army fought until there was no one left, but the black-armored army did not die! Die but not die." Ye Rui said this word by word, his voice was slightly choked.

Four days and four nights didn't sound like a long time...

However, it was the end of the 1.8 million Northern Region Army. There were no reinforcements at the back, and there were undead enemies in front! Without the commander, the main force of the Celestial Wolf Army was also lacking.

".. "Ye Qianli couldn't imagine how the Northern Region Army could still fight under such circumstances.

At this time, Ye Rui, who had finished his military report, knelt down again and said in shame,"This subordinate is useless! We can't defend the northern border."

Ye Qianli took a deep breath and felt an unbearable pain in her temples and head. She asked, ""Is my grandfather going to the Extreme Ice Realm?"

"This subordinate doesn't know. Even the accompanying soldiers only know of His Highness 'whereabouts after arriving at the destination. Us subordinates never ask too much." Ye Rui said.

".. "Ye Qianli didn't say anything. In fact, from what Ye Rui had said about the number of people her grandfather had brought out, she could basically confirm that her dream just now wasn't just a dream.

However, even the Heavenly Cavalry didn't know where her grandfather was going, so how did Xuan Tianyan know? What exactly went wrong here?

However, before Ye Qianli could think about it, the door was suddenly pushed open with a bang.

"Sou!"

Ye Rui and the Direwolf Beast at his feet stood up immediately! However, the person who pushed the door open was Rong Mo, who had returned.

"Your Highness." Ye Rui could only bow. At the same time, he also thought that the time was up, and the Eldest Miss had already lost a lot of energy. He couldn't stay any longer, so he directly said goodbye, " I'll take my leave. "

After saying this, Ye Rui didn't forget to tell Ye Qianli, ""Young miss, this subordinate is in the courtyard. If you have any instructions, I will listen to you."

"I..." Ye Qianli wanted to say something else, such as how she had awakened the Sky Wolf Flag, but Rong Mo spoke before she could. " Get down. "

Ye Rui didn't say anything this time, but left the room.

Ye Qianli saw that he had already left. She had many questions that she wanted to ask, but she could only swallow them down temporarily. Besides, they were all things that could not be rushed, so although she was anxious, she knew that there was no need to rush.

".."Rong Mo saw that Ye Qianli was still staring blankly at the door after everyone had left. With a flick of his sleeve, he closed the door.

Bang! The sound of the door closing pulled Ye Qianli back to her senses. She took a deep breath and wanted to say something, but her mouth was pinched open and something was stuffed into her mouth.

"Swallow it." Rong Mo's voice was giving instructions at this moment. Ye Qianli, who was already in a daze, naturally followed his instructions obediently. However, she couldn't swallow it down! She, she was...Choking?

This ...

Chapter 122: Father Ye Protects His Daughter

"Cough..." Ye Qianli, who was already weak, choked on her breath. Her eyes rolled back and she almost stopped breathing! And the result?

Ye Qianli only felt a slight chill in her mouth. The thing that was stuck in her throat and almost killed her was swallowed by her.

"Ha ... Ha ..."

Ye Qianli, who had just survived the disaster, took a few deep breaths in pain. Her mind was gradually losing consciousness. In addition to the twists and turns of almost choking to death, it scattered the last bit of her conscious will.

However, she did not know that the thing that had entered her mouth when she was about to suffocate was Rong Mo's finger. At this moment, she was holding the beautiful prince's wrist tightly. Not only that...

Well ...

She was still sucking on the beautiful prince's finger, so she didn't let him pull his hand away. Before she fell asleep, she even nibbled on her fingers as if she had sugar.

Rong Mo was speechless. He had slapped her several times, but this little girl who was holding onto his wrist did not show any signs of letting go? Was she planning to keep licking his fingers until she woke up?

Just thinking about it made Rong Mo frown. He felt a sticky and disgusting feeling. He couldn't help but pull his hand harder.

"!"

However, Ye Qianli didn't let go. Instead, she hugged him! She even bit his finger...He sucked and sipped twice, then bit again...

..

However, Ye Fengtian, who had rushed over from outside, did not know about the situation in the room. However, he did meet Ye Rui. Unlike Ye Qianli, who knew nothing about Ye Rui, Ye Fengtian naturally recognized Ye Rui.

When Ye Fengtian heard that his daughter was resting, he did not plan to enter the house. It was not that he was too ambitious, but he trusted Crown Prince Rong Mo's character.

Ye Fengtian wanted to talk to Ye Rui, but Ye Nan came in a hurry and reported in a low voice, ""General, Madam is causing trouble in the academy's pharmacy."

"!"Ye Fengtian's eyes darkened when he heard that. He did not need to ask to know that Su Qin must be making a fuss because of Su Lianhua. She could do it.

"General..." Ye Nan hesitated.

"Let's go. It's time to end this matter." Ye Fengtian knew what Ye Nan wanted to say. He did not go to the inn yesterday because he was soft-hearted and did not want to divorce Su Qin.

They had been married for so many years that he knew Su Qin's ability to make a scene. He was afraid that if he told her about what happened yesterday, Su Qin would come to the school and make a scene, affecting his daughter's reputation.

But now?

Su Qin still made a scene. How could she embarrass herself in the Genius Academy! All these years, why had her brain grown back?

"General, be mentally prepared, husband ... Mrs. Su, her words are a little harsh." Ye Nan actually wanted to remind Ye Fengtian that Su Qin had been very rude at the pharmacy.

Ye Fengtian could guess what Su Qin would say, but when he reached the crowded pharmacy, he was still shocked! He could not imagine that...

"Is this how your Genius Academy treats my Hua 'er? She is so kind, and in order to save my vicious daughter who is worse than a pig or a dog, she is willing to die! But you're telling me that you can't save my Hua 'er?

I think you don't want to save him at all! Because I, Hua 'er, am not as talented as that bastard, Ye Qianli! When your Genius Academy accepts students, don't you consider their character? You guys..."

"Pa!" Ye Fengtian, who was outside the pharmacy, could not stand it anymore! The moment he rushed into the pharmacy, he slapped Su Qin.

"Boom!"

Ye Fengtian used all his strength to slap Su Qin, causing her to bleed from her seven orifices! He saw stars and spun around a few times before crashing into the wall.

".."

This scene stunned the crowd who had come to watch the show.

"Y-you..."

Ye Fengtian, who was surrounded by the crowd, felt ashamed and furious. He was so angry that he was trembling. However, Ye Nan was so shocked that he was afraid that his injuries would act up.

Fortunately, Ye Fengtian was not angry for long. He seemed to have calmed down and said in a deep voice, ""Ye Nan, hand over Manager Su's confession."

"!"Ye Nan was shocked when he heard this, but he knew that even if he had to wash his dirty linen in public! The General was also determined to divorce the Madam and was even more determined to protect the Eldest Miss 'reputation.

The truth was indeed so!

Ye Fengtian swept his gaze across the crowd and cleared his throat. ""I've made a fool of myself and caused trouble for the academy. I'm very sorry."

After saying that, Ye Fengtian clenched his fist at the crowd and bowed! This made the teachers in charge of the pharmacy, who were originally very worried but did not know how to deal with this sudden incident, feel a little better.

After all, when Su Qin caused trouble, she didn't forget to say that she was Ye Qianli's mother! This caught the teachers and managers of the pharmacy off guard.

Who would have thought that such a glorious Ye Qianli would have such a troublemaker mother? What was even more unexpected was the words that Ye Qianli's mother said...

After apologizing, Ye Fengtian quickly announced concisely, ""Today, I would like to invite everyone to be my witness. This woman is not Qian Li's mother. In the past, I, Ye,..."

Ye Fengtian's words had directly denied the mother-daughter relationship between Ye Qianli and Su Qin! He even lied that Ye Qianli was a daughter that he had adopted from the outside and was raising under Su Qin's name.

"My daughter, Qian Li, suffered a lot in the residence in the past. Su Qin never treated her as her own daughter. He embezzled resources to make up for the Su family and pampered his niece.

" This is a private matter of the Ye family of the Vermilion Bird Dynasty, but I'm afraid that others will criticize my daughter, Qian Li. I'm afraid that this matter will be used by someone with ill intentions. Today, I will announce the truth to the world. Here is a confession from Su Qin's confidant. I, Ye Fengtian, will also submit the rest of the evidence to the Ministry of Justice for investigation.

From today onwards, Su Qin is no longer the wife of the Ye family, but a sinner of the Ye family! I've said all these things. Please understand the truth carefully. My daughter, Qianli, has a strong character! How can he be a dirty person?"

At this moment, Ye Fengtian's eyes were bloodshot as he stood in the Genius Academy's pharmacy! He said these words from the bottom of his heart, causing the onlookers to sigh endlessly.

" How tragic. I didn't expect Ye Qianli to be so miserable when she was a child. Living in a secluded house is so shady, and her stepmother is so vicious. It's just as I expected. " Many onlookers shook their heads and sighed.

"..”Su Qin, who was involved, was stunned with a bloody face.

She probably never expected that Ye Fengtian, the husband who had always let her make a scene and cared about his reputation the most, would not only announce his family's dirty laundry in public, but he also...

" Su Qin, this is the divorce letter I, Ye Fengtian, have given you. From today onwards, we are no longer husband and wife, nor are we husband and wife. When we meet again in the future, it will be the time for us to face each other in court. You, take care of yourself." Ye Fengtian said firmly!

Chapter 123: Dog Bite Dog, A Nest of Dogs!

These words! It was as if she had been struck by lightning, and Su Qin was in a daze. Su Lianhua, who had been silent all this while and was almost pretending to be dead, was at a loss.

But now that Ye Fengtian had said that, he would not spare the two ladies a second glance, so he left as soon as he finished speaking.

It was both embarrassing and heartbreaking...

If he could, how could he be willing to divorce his wife in public and even reveal his family's scandals like this? He had no choice.

When Ye Qianli was sparring on the stage, Su Qin had shouted that Ye Qianli was the one who caused Su Lianhua's dantian to be flawed. Now, she was saying something so vicious! He was going to ruin Ye Qianli's words.

Most importantly! Su Qin's words could really be found out. If there were some evil people who interfered, these unfilial comments would spread! Vicious accusations were a huge blow to Ye Qianli's reputation.

Plus, Su Qin was Ye Qianli's biological mother...

How many people in this world would believe that a biological mother would slander her daughter and mistreat her? He wouldn't. Everyone would be willing to believe that Ye Qianli was unfilial! Ye Qianli must have gone too far for Su Qin to be harsh on her.

"..”Ever since Ye Fengtian found out the truth, every time he thought about it, his heart ached. Even if he said that Su Qin was not Ye Qianli’s biological mother, it would cause Ye Qianli’s background to be criticized. After all, she was not the direct descendant of the imperial concubine.

But it was better than being accused of being unfilial! Harsh treatment of her birth mother, vicious bullying of her sister, this was slander and slander on her character! No matter how bad a person’s birth was, as long as they had talent! Good character can always convince people.

However, if his character was not good enough! How could he convince others?

As for Ye Qianli...

"Ye Nan, report all the evidence to the Ministry of Justice." Ye Fengtian walked out of the smoke and handed the crumpled confession to Ye Nan.

"Yes, General." Ye Nan nodded solemnly. He naturally understood his general’s intention. He wanted to make everything public.

And the general’s purpose in doing so was to clear the roadblock for the young miss! He was prepared for her to inherit the Northern Territory and command the three armies. The general didn’t want to hear any more rumors about the young miss.

Even if for this reason, the world might criticize the general for being muddle-headed! He couldn’t even sort out the situation in the backyard and actually let his biological daughter suffer for more than ten years.

Or worse, they would slander the general and say that he abandoned his wife in order to wipe out all the negative comments about his genius daughter, Ye Qianli...

Ye Fengtian obviously did not care about all these.

..

"How could this be...How could this be..." Su Qin, who had been publicly dumped, felt like she was having a nightmare when she looked at the divorce papers in front of her. It didn’t seem real.

When most of the onlookers had dispersed, she was still looking at the divorce papers on the ground in a daze. She probably hadn’t figured it out yet, which made the people who had left sigh endlessly.

"He didn’t want a good daughter and insisted on destroying our relationship. Who can he blame?"

"Sigh ... The Ye family of the Vermilion Bird Dynasty has made extraordinary contributions for generations. It can be said to be the number one royal family with a different surname in the Vermilion Bird Dynasty. The family is honorable and has a reputation that values faith the most. This Su Qin is really capable to make Prince Ye give up his face to say these words..."

"Who knows? But looking at her shrew, that Prince Ye has probably tolerated her for a long time. That's why it's better to marry a virtuous person. Otherwise, it's really troublesome. Look at that Prince Ye, he's so angry that he looks like he's about to die."

".."

The crowd sighed as they dispersed. They saw two discipline teachers from the academy walking towards them. This caused the crowd that was about to disperse to gather again.

The academy's discipline teacher was personally dispatched! Everyone in the academy knew that this meant that the academy had something important to teach them about what had just happened.

In the end...

But it wasn't?

"Is Su Lianhua here?" One of the discipline teachers asked as he walked into the pharmacy.

"He's still here, recuperating. Although the internal injuries can't be healed, the external injuries can still be treated." The managing teacher who was in charge of treating Su Lianhua's injuries in the pharmacy immediately replied.

Su Lianhua, who was called out, no longer pretended to be dead and replied, ""I am here."

The discipline teacher glanced at Su Lianhua and said, ""Regarding your injury on the sparring stage, the Vice Principal has personally made arrangements."

When Su Lianhua heard that it was the Deputy Director who was personally arranging the arrangements, a glimmer of hope appeared in his heart! After all, the deputy director's medical skills were amazing. Perhaps...Perhaps she still had hope?

However...

"Because your talent has been crippled, it is not suitable for you to stay in the Genius Academy. When your external injuries are fully healed, the academy will have someone

to send you home and give you medicinal pills to nourish your body every year, so that you can live as long and healthy as a normal person.

At the same time, the academy will also compensate the entire Su family with a total of three years of cultivation resources. These resources will be sent to the Su family along with you to prevent the Su family from mistreating you." The discipline teacher read out.

These words sounded pretty good, as if they had received a lot of compensation, but the onlookers understood immediately! Su Lianhua was like this for the rest of his life. He was completely crippled and expelled from the academy.

Therefore, Su Lianhua exploded upon hearing this. She could not help but scream, ""No, no, no...Can't the Vice Director cure me?"

"Miss, you've been poisoned by a bone-corroding poison. Even the King Pharmacist can't save you." The pharmacy teacher who had treated Su Lianhua said frankly.

"No, no, no. No, no, no. I ..." Su Lianhua wanted to say that she didn't believe him!

Unfortunately, another discipline teacher had already interrupted him. " She should be placed in the pharmacy to recuperate. Don't disturb her if she has no business here. I heard that she has a very good aunt. Just let her aunt take good care of her. Later, the academy will send the aunt and niece back to the Vermilion Bird Su family. "

"Alright."

"Okay, let's go. What are you still looking at?" With a few words from the discipline teacher, the surrounding students naturally scattered like birds and beasts. How could they dare to stay any longer?

As for Su Lianhua, what else could she say? No, no one listened.

Su Qin? She was still in a daze. Even if she wasn't, she wouldn't be able to jump up now. When she returned to the Su family, how could she, a second sister-in-law, get any advantage in the hands of a scheming mistress like Cheng Meihua?

Furthermore, Su Lianhua was now crippled. The Su family could not do anything to Ye Fengtian and Ye Qianli on the surface, so how could they not vent their anger on Su Qin?

The Su residence would soon have a dog-eat-dog situation.

..

Ye Qianli, who was involved in the " commotion " in the pharmacy, knew nothing about it. She was still in a deep sleep, and her mouth was still nibbling on the hand of the beautiful prince.

How long had it been?

"..”Rong Mo felt that it had been at least fifteen minutes.

Seeing that one of his hands was almost covered in Ye Qianli’s saliva, Rong Mo finally suppressed the urge to pinch the unconscious person’s cheek. After taking a deep breath...

Chapter 124: The Crown Prince Is Sweet, Sweet (1)

"Ye Qianli, I command you! Let go, let go, you hear me!" Rong Mo warned Ye Qianli.

Ye Qianli was speechless. He continued to bite on it.

“!”

At this moment, if he didn’t consider that Ye Qianli’s body was really weak, Rong Mo would have waved his hand! How could he have such a disgusting hobby of throwing people out of the house and biting their hands in their sleep?

And it wasn’t her own! It was his.

"..”Rong Mo gently rubbed his slightly throbbing eyebrows and took a deep breath. His voice softened and he whispered into Ye Qianli’s ear again, "Li-er, be good. Let go, let go. "

This sound could be said to be very soft! He was very gentle, and his sexy voice was unique to Ye Qianli. Obviously, it had a good effect.

"Oh..."

Ye Qianli pouted as if she was about to spit out her finger.

Rong Moqing’s eyes lit up and he immediately continued to speak softly, ""Yes, spit it out. Let go. Be good."

Not long after he said that, Ye Qianli loosened her grip on his wrist! She no longer bit his finger.

"..”Rong Mo immediately pulled out his sticky hand. Seeing that everything was going smoothly and Ye Qianli didn’t retaliate, he secretly heaved a sigh of relief.

"Bada..."

Ye Qianli, who was in a deep sleep, reached out her hands and grabbed Rong Mo's neck, which was very close to her. He hugged her.

Well ...

He hugged her.

He hugged her!

Rong Mo was speechless.

But this was not the end! Ye Qianli hugged the beautiful prince's neck and buried her face into his neck, and then...

Rong Mo could clearly feel that she was wet! Her soft lips, which were covered in her saliva, even rubbed against his neck.

This wasn't enough!

"Pfft ..." Ye Qianli even took two sips, licking, biting, and nibbling the beautiful prince's neck as if it was his hand.

"..”Rong Mo's face was immediately covered in a layer of dark frost!

However, at this moment, Ye Qianli, who was hugging his neck, seemed to know when to stop and let go of her mouth. She mumbled, ""Your Highness the Crown Prince...Sweet...Hungry ... Sweet ..."

Rong Mo was speechless.]

"Gululu..." Ye Qianli's stomach was playing along with the empty city tactic! It meant that she was really, really hungry.

Rong Mo was speechless.

In fact, as a talent, Ye Qianli didn't need to eat every meal. However, she was only a beginner level one talent, and she had fought a battle of attrition.

Her mental power, brain power, and physical strength were all exhausted. In addition, the Heaven's Will Pill was being digested, which stimulated her hunger. It was normal for her to be hungry.

Rong Mo rubbed the space between his eyebrows and said helplessly, ""Ye Rui, go prepare chicken drumsticks for your master."

"!?"

Outside the room, Ye Rui was dumbfounded.

"Go quickly!"

Rong Mo ordered coldly, sounding as if he was suppressing his anger.

"Yes, I will go now."

Ye Rui immediately left, and quickly returned with eight chicken drumsticks. When Ye Qianli woke up after a day of sleep, she found herself sipping on a chicken drumstick! What kind of joke was this?

".."

Ye Qianli looked at her pillow in confusion. The chicken leg that had just "fallen" from her mouth was disgusted by the withered chicken leg.

"What happened?" Ye Qianli pointed at the disgusting drumstick and asked the cold-faced prince with a look of disgust, wondering if this guy had gotten a rotten drumstick to disgust her while she was sleeping.

"Ye Rui, come in." However, Rong Mo didn't want to talk to her at all. After calling Ye Rui in, he stood up and left! He didn't even look at Ye Qianli.

Ye Qianli: "!? " Even though Rong Mo did not say anything, she was sure that he was very angry! He was very angry, but why?

Ye Qianli didn't know what she had done. She looked at Ye Rui and asked, ""What's wrong with the Crown Prince?"

"This subordinate does not know." Ye Rui expressed that he didn't know either.

Ye Qianli thought about it and agreed. Who could guess Rong Mo's thoughts? She could only stand up and throw away the rotten chicken leg in disgust. However, she saw a large plate of chicken legs on the table in the room. Her stomach growled.

"Young miss, you ..." When Ye Rui heard this, he planned to leave first and prepare some food.

But Ye Qianli, who had already sat on the table to eat the chicken drumstick, asked while eating, " Ye Rui, you've been watching from the arena. Do you know how I woke up the Sky Wolf Flag? "

"Naturally, it's because your heart blood happened to vomit on the Celestial Wolf Flag. At the same time, it was recognized by the Celestial Wolf Beast King and made it come out to protect its master."

"As expected." Ye Qianli stopped biting the drumstick and recalled the situation. She then said, ""Do you want some drumsticks?"

"This subordinate is not hungry."

"I'll just take two bites." Ye Qianli explained, then wiped her hands and changed the topic. She asked a lot of questions, and Ye Rui answered them one by one.

In the end, Ye Qianli asked, " As the deputy commander, can you gather the remnants of the Celestial Wolf Army and tell them not to come to the academy to look for me, but to bring them into the Black Tortoise? "

Before Ye Qianli fell asleep, she had thought that it was useless for the Heavenly Wolf Army to come to the school to find her. However, she was in a daze at that time and did not think of how to deal with the Heavenly Wolf Army. Now that she had woken up, she felt that it was not bad and her mind was naturally working quickly.

Now that she had also obtained a Class A mission quota, she would be going to the Arctic Realm soon. Instead of letting the Heavenly Wolf Army make a wasted trip, it was better to meet up directly in the Xuanwu Realm.

"I can. Moreover, when we reach the Xuanwu realm, as long as we are not far away, Eldest Miss can actually sense our existence. At that time, as long as you release a signal, we will be able to rush to your side within two hours." Ye Rui replied.

"Very good! I can only provide a rough topographic map and know that it should be in the Extreme Ice Region. You have to find the exact location. Is that possible?"

"We will definitely complete the mission!" Ye Rui didn't say anything and directly promised!

His straightforward confidence would also let Ye Qianli, who had worked with the Heavenly Wolf Army, understand that they were indeed confident.

" Alright, you can rest here for two days. I'll get some medicine for you later, and you can take it with you. " Ye Qianli didn't question Ye Rui's promise without knowing it, but instead ordered.

"Thank you, Young Miss!" Ye Rui didn't expect that Ye Qianli would notice that he was injured just after recovering! He knew that he did not reveal a single flaw.

However, Ye Qianli didn't explain further. Just as she was about to let Ye Rui go to rest, she heard light footsteps coming from the courtyard.

"?"Ye Qianli's first reaction was that Rong Mo had returned! However, when she quickly opened the door, the person she saw was not Rong Mo!

Chapter 125: The Second Death Rule? The Third Talent!

" The Heaven's Will Pill Fruit is not an ordinary pill. In less than a day, Eldest Miss Ye has almost fully recovered. " When the people who came to Rong Mo's private courtyard saw Ye Qianli opening the door, they said with some emotion.

As for Ye Qianli?

When she saw who it was, her eyes became sharper! It was not because of anything else, but because the person who came was the Seventh Prince of Black Tortoise-Xuan, Tian, Yan!

It was the one who led a hundred black-armored elites to kill her grandfather in her " dream world " and shot the final fatal arrow at her grandfather! Human!

" Are you disappointed? " Ye Qianli asked. " Do you think that the people of the Ye family are too difficult to deal with? No matter how you scheme, you can't get what you want. "

"!"

When Xuan Tianyan heard this, a purple light flashed across his slightly dark phoenix eyes! Obviously, he understood what Ye Qianli was implying.

Ye Qianli, who was actually testing him, sneered, ""Do you think that I'm implying something? My grandfather's hand is not easy to make, right?"

"Ha..."

However, Xuan Tianyan smiled when he heard this and walked closer to Ye Qianli. This made Ye Rui, who was following closely beside Ye Qianli, suddenly have a sense of vigilance in his eyes.

"It seems that the Heavenly Wolf Flag is very spiritual. Not only can it transform into the Celestial Wolf Beast King, but it can also tell you everything that happened that day. It's just ..."

Xuan Tianyan paused for a moment, but he was only 15 meters away from Ye Qianli.

Five zhang!

For a talented person like Xuan Tianyan, distance was not a big deal. Therefore, even if he had stopped, Ye Rui had already instinctively blocked in front of Ye Qianli.

Ye Rui's actions also made Xuan Tianyan's eyes flash! But he continued, " Since you know that I was the one who led the troops to ambush the Northern Region King, you should know clearly that the Northern Region King! " How did I kill your grandfather, Ye Wuji?"

As soon as he said that!

“!”

Ye Rui's eyes were filled with killing intent, but Ye Qianli, who was behind him, had already stood in front of him. The super Direwolf Beast that had appeared on the sparring stage also appeared at this moment.

“ .. ”

This time, it appeared silently and quietly.

“ .. ”

But this time, it appeared right beside Xuan Tianyan! Its sharp and cold wolf claws were on Xuan Tianyan's head.

“!”

Red Knife, who had just arrived, was so shocked that his eyeballs almost fell out of their sockets! This ... Uh ... I'll go ... What the f * ck was going on?

But what about Xuan Tianyan?

He looked at Ye Qianli and smiled, ""What's wrong? Miss Ye wants to kill me, your political enemy, in this academy after killing my brother?"

"Tsk!"

Ye Qianli's response was simple. The sharp claws of the Direwolf Beast tore into Xuan Tianyan's flesh at this moment! Streams of blood flowed down from Xuan Tianyan's head silently.

“!”

The smell of blood gradually permeated the air. Red Knife was completely stunned, but what made his heart not stop was that fortunately, the Sirius Beast's claws were very restrained and did not explode Xuan Tianyan's head in an instant!

Otherwise...

What kind of punishment would Ye Qianli receive for violating the academy's rules again? Red Knife didn't dare to think about it. After all, even Rong Mo had only killed someone once in the academy.

Genius Academy!

However, no one had ever violated the academy's rules twice.

"Do you really think that I won't dare to kill you in this academy after killing your big brother?" Ye Qianli asked calmly.

Red Knife's eyelids twitched when he heard that! He felt a chill down his spine. He had a feeling that Ye Qianli might really dare to break the rules and kill Xuan Tianyan right here.

"Yes." However, Xuan Tianyan, who had his head torn by the wolf's claws and his sea of consciousness almost severely injured, replied with certainty. He even said with certainty, "You can't kill me either."

"Oh?" Ye Qianli's eyes curved into a smile. "Are you trying to tell me that although the dean has never shown himself, he is still in the academy. If I really want to kill you, he will stop me, right?"

"This is one of them." Xuan Tianyan took out a handkerchief and wiped away the blood on his face. He said slowly, "The second reason is because the Northern Region King is in my residence."

Xuan Tianyan only said this much, but his meaning was already very clear! If Ye Qianli really killed him here, Northern Region Lord Ye Wuji would be buried with her.

This wasn't the end...

"In that case, shouldn't Miss Ye let go of this beast?" Xuan Tianyan asked slowly. Otherwise, this king would be angry and would have to vent his anger on someone. That would make him feel wronged again! The King of the Northern Region who is known as the Undefeated War God."

These words were despicable! It was heart-wrenching.

He mocked the Sirius Beast King for being a beast that only listened to its master. He also humiliated the Northern Region King. No matter how glorious he was in the past, he was only a prisoner now.

The former was trying to sow discord and test the relationship between Ye Qianli and the Celestial Wolf Beast King! The latter was trampling on Ye Qianli's pride.

"How sinister!" At this moment, even Red Dagger understood Xuan Tianyan's intentions. He suddenly felt that the Seventh Prince of the Black Tortoise Dynasty was full of schemes.

In that case...

"Buzz."

The super Direwolf Beast that Ye Qianli released was really under the threat of Xuan Tianyan! It disappeared and stopped tearing his head apart.

Xuan Tianyan, who had benefited from this, wiped the blood off and said with a smile, ""As expected of the Direwolf Beast, who is said to be loyal to its master. It's really obedient. Congratulations, Miss Ye."

".."

Ye Qianli, who was obviously being mocked, did not say anything. She just looked at Xuan Tianyan quietly. There was not even a trace of killing intent in her calm eyes.

"It seems that Miss Ye is not in the mood to chat with me. I will take my leave first. In the future, when Miss Ye comes to Xuanwu City, I will treat you as a host and invite you to my residence for a chat. I will let you and the Northern Region King share the family ties." Xuan Tianyan said again.

"You..."

Hearing this, Ye Rui, who couldn't bear it anymore, had his murderous Battle Qi surging! He had almost summoned his Sirius Beast mount to tear this Black Tortoise Seven apart! King! Son!

However, he was threatened again and again! The sarcastic Ye Qianli looked at Xuan Tianyan and said slowly, ""Congratulations, Seventh Prince. You have awakened your third talent-the Divine Beast Black Tortoise."

As soon as he said that!

Chapter 126: Chapter 126-Grandfather's Location _1

"What?!"

Ye Rui and Red Knife exploded on the spot! Especially Ye Rui, his face couldn't be any uglier because he knew what Ye Qianli's words meant.

It was just like how the crown prince of the Vermillion Bird Dynasty, Rong Mo, had awakened the Vermillion Bird as his first talent! Xuan Tianyan, who had awakened his Black Tortoise talent, was an existence that ordinary people could not imagine.

"Heh...No wonder Rong Mo took a fancy to you. Your intelligence is indeed extraordinary. May I ask where this king revealed his flaws?" Xuan Tianyan, who had been seen through, asked with a flash in his eyes.

"If I'm not wrong, " Ye Qianli said, " you knew my grandfather would go to the Land of Extreme Ice and ambushed him precisely because you awakened the Black Tortoise talent. You have the ability to divine! " It's the ability to measure feng shui."

"Not bad." Xuan Tianyan admitted.

"As expected."

The fog in Ye Qianli's heart was instantly cleared. No wonder Xuan Tianyan was able to ambush her grandfather, even though the people around him could not accurately track his whereabouts. So that was how it was!

But what about the Lord of Western Desolation? Ye Qianli believed that Rong Mo was not lying when he said that the Lord of Western Desert was a spy! Could it be...

"Senior Brother Rong!"

As Ye Qianli was thinking of something, she heard Red Knife's voice. She was about to look up, but Rong Mo didn't come from outside the courtyard!

He was already standing beside her?

However, what confused Ye Qianli even more was that Rong Mo's first question was, ""Have you finished your drumstick?"

"?"

At this moment, not to mention Xuan Tianyan who was ignored, even Ye Qianli and Ye Rui were full of question marks. After all, although they knew that there were chicken drumsticks in the room, what was this?

Now! At this moment, he was asking if he had finished eating the drumstick.

Uh ...

Uh ...

"I asked you a question. Are you done eating?" However, Rong Mo was obviously insistent on asking this question, so he still asked when he did not get an answer! Ye Qianli, who was confused, could only shake her head and reply, " No. "

".."Rong Mo frowned when he heard Ye Qianli's reply. He then took two steps to the side as if he despised Ye Qianli.

Ye Qianli was speechless.

Rong Mo, who had moved away, took out a key and handed it to her from a distance. ""Your dormitory has been allocated. Red Knife will bring you there now. Let's go."

Ye Qianli was speechless.

Seeing that Ye Qianli was still in a daze, Rong Mo frowned again. He was about to throw the key to Red Knife and let Red Knife take her away.

Ye Qianli raised her hand. She was just about to take the dorm key when she reached out her hand.

"Swoosh!" Rong Mo's hand suddenly shrank back at a very fast speed. In the eyes of others, it seemed that he was avoiding Ye Qianli like a snake or a scorpion. She stung him?

This ...

"!?"

Red Knife's eyes lit up. How could they not light up! Looking at Rong Mo's actions, it was obvious that he was "afraid"! What was there to be afraid of? Of course, he was afraid of Ye Qianli!

Why? I don't know!

However, this was definitely an explosive matter! The great Rong Mo, the pervert Rong! Rong Mo, who did not care about anyone in the academy except the dean, was actually afraid of his little fiancée?

Hahahahahahahahahahahahaha ...

Red Knife almost burst out laughing. Even Xuan Tianyan, who had been ignored, was staring at Rong Mo in disbelief.

However, Ye Qianli, who knew nothing about it, still asked, ""Your Highness, did I do anything to you when I was unconscious?"

"Pfft hahaha..."

Red Knife's technique was instantly broken, and he could not help but laugh out loud.

"Shut up!"

Rong Mo glared at Red Knife with a frosty expression, and the latter immediately covered his mouth! However, she still wanted to laugh, so she could only hold back her laughter.

Rong Mo was speechless.

"Your Highness, I can't be ..." At this moment, Ye Qianli seemed to have thought of something and was about to speak again. He had already covered her mouth.

However, when his palm touched Ye Qianli's soft lips, his expression froze! However, before everyone could see anything else.

"Bang!"

Rong Mo had already dragged Ye Qianli into the room and closed the door!

".."

The three people who were left behind had different expressions on their faces as they stared at the door in front of them. It was as if they wanted to pass through the door and see what the two people inside were doing.

Unfortunately ...

Naturally, he could not see or hear anything.

After a while, seeing that there was no sign of anyone coming out, Xuan Tianyan could not help but be sure that Rong Mo had really ignored him from the beginning to the end.

It had always been like this...

"I originally wanted to have a chat with Crown Prince Rong, but now it seems that I can only wait another day." Xuan Tianyan said to the door. After taking another deep look, he turned around and left.

Even when he walked out of the courtyard, when he turned around to look, Rong Mo's door did not seem to have any intention of opening. This made his slightly gloomy eyes flash with a sharp purple light!

"Your Highness, this Crown Prince Rong is too condescending!" At the same time, Violet Spirit, who had been waiting outside the courtyard, walked to Xuan Tianyan's side and said.

Xuan Tianyan, whose eyes had already dissipated, replied calmly, ""It's fine. I've achieved my goal. Let's go."

As soon as he finished speaking, Xuan Tianyan no longer looked at Rong Mo's private courtyard. He turned around and left the place. Although Purple Spirit had some questions, she knew that this was not the place to talk.

When they arrived at Xuan Tianyan's residence, Violet Spirit asked in a serious tone, ""Your Highness, have you found out Ye Qianli's fate?"

Even though she didn't follow him in, when she heard Xuan Tianyan provoking Ye Qianli, mocking and humiliating Ye Wuji, Zi Ling knew that Xuan Tianyan must have been testing Ye Qianli's fate on a whim!

He also knew that Ye Qianli's fate must be extraordinary. Otherwise, Xuan Tianyan would have been able to find out the truth quietly at such a close distance. There was no need to use words to distract Ye Qianli.

However, Xuan Tianyan shook his head and said, " No, she's very smart. When she sensed that something was wrong, she had already activated the power of the Vermilion Bird's tail feathers to protect herself. However ..."

"What?" Violet Spirit's expression tensed up as she heard Xuan Tianyan say, "" That's not the most important thing. Since the Sky Wolf Flag has been awakened, the remnants of the Sky Wolf Army and the Northern Region Army will definitely make a move. Send a message to your father and tell him to pay close attention. "

"Yes, Your Highness." After receiving the order, Purple Spirit was about to leave to handle some matters, but seeing that Xuan Tianyan was still pondering, she decided to wait.

A moment later, Xuan Tianyan said, "" Go there yourself and use your Nine-Tailed Fox Secret Skill to track down the Sky Wolf beside Ye Qianli. I'm afraid that Ye Qianli won't believe that I have Ye Wuji. She will find him herself. "

"She can find Ye Wuji?" Violet Spirit asked in surprise.

At the same time!

In Rong Mo's room, Ye Qianli asked almost at the same time, ""Are you so sure that my grandfather is not in his residence? My grandfather wasn't captured?"

Chapter 127: Little Fiancée, Take a Bite!

“ .. ”

Rong Mo raised his eyebrows and glanced at Ye Qianli. Ye Qianli's heart quivered and she smiled fawningly, " Please continue, continue. "

Seeing that she was cowering, Rong Mo continued, "" Although he hasn't been captured yet, he must be in a very bad situation. The Extreme Ice Realm belongs to the Xuanwu Kingdom, so it's only a matter of time before he's captured. "

Hearing this, Ye Qianli became anxious again, ""Then I'll ask Ye Rui to leave early."

"Sure, Xuan Tianyan can be an oriole." Rong Moqing mocked.

Ye Qianli was speechless.

This petty Crown Prince was really enough. Wasn't she one of them? It could be! Perhaps, when she was unconscious, she ate his hand like it was a chicken drumstick? Was there a need to speak in such a sarcastic manner?

Although she was cursing in her heart, Ye Qianli could only put on a pleasant face and asked, ""Then I'll tell Ye Rui to be careful and split into two groups, one in the light and one in the dark, okay?"

Unfortunately ...

Rong Mo's answer was still cold and unsatisfied.

Ye Qianli couldn't take it anymore and said angrily, ""Then I'll let Ye Rui decide for himself. Anyway, Xuan Tianyan and the others will follow him and use it to find my grandfather! Since Ye Rui is the deputy commander of the Celestial Wolf Army, if he can't shake off this tail, I'll remove him from his position!"

"It's feasible." Rong Mo agreed.

Ye Qianli was speechless. If she had known it was so simple, why would she think so much? However, what if Ye Rui did not do it properly and caused her grandfather to be captured instead?

When Rong Mo saw how useless she looked, he endured it again and again! Only then did he manage to calm down and say coldly, "Don't doubt the person you use, don't doubt the person you use."

“..”Ye Qianli didn’t say anything. She understood the logic, but she was still worried! She really wanted to go to the Arctic Realm and save her grandfather, who was definitely in trouble.

After all, she had been receiving bad news for a long time. Now that she had managed to deduce her grandfather’s situation and whereabouts from the words of Xuan Tianyan and the dream, she could not calm down.

Especially! He didn’t know if Xuan Tianyan’s last arrow had hit him. Even if there was a deviation, his grandfather was still seriously injured and had to escape. There was no one by his side and he was already old.

The more she thought about it, the more uneasy Ye Qianli became.

However, Rong Mo, who could clearly see that she was sitting on pins and needles and was a little impatient, did not say anything at this moment. The room was silent for a long time until a "Gululu" sound of "Empty City" sounded.

Rong Mo was speechless.

"Uh ..." Ye Qianli rubbed her stomach and looked at the beautiful prince who was sitting up straight. She was speechless and amused.

Rong Mo retracted his hand under her gaze. His eyes turned cold as he said, ""Why are you looking at me? Go eat your drumstick."

Ye Qianli couldn’t help but burst out laughing and asked frankly, ""Your Highness, I won’t really bite you while I’m asleep..."

"Shut up." Rong Mo didn’t want to be mentioned about this disgusting matter at all. His face darkened a little. " The Class A mission is scheduled to depart in a month. You need to fuse your first talent to perfection within this month. "

"Oh, then I..."

"Shut up and let me finish."

"Oh."

"From tomorrow onwards, you will report to the academy’s special training room. That place can help you fuse your talents. I remember that credits can be debited. Alright, you can go now. Don’t come looking for me for a month." Rong Mo stood up and went to open the door.

Ye Qianli was speechless. How much was she being despised?

"Still not leaving?" Seeing that she was still not getting up, Rong Mo couldn't help but raise his voice.

"I'm hungry." Ye Qianli expressed.

".. "Rong Mo's face darkened. What did it have to do with him being hungry? Did he have to feed her?

" How can there be food in the academy? I'll treat Your Highness to a meal to thank you for your care these days. " Ye Qianli said sincerely.

"No need. You can leave."

" Oh-" Ye Qianli slowly stood up. When she reached the door, she stopped beside Rong Mo. As she stopped, she saw the beautiful prince taking a step back.

"Pfft-"

Ye Qianli was amused and took a step forward!

Rong Mo was speechless. He thought that he might be able to embarrass himself.

However, Ye Qianli said in a low voice, ""Your Highness, I have another question to ask you."

"Speak." Rong Mo said with a straight face.

Who would have thought...

However, Ye Qianli approached him and asked sneakily, "" Your Highness, if you're not used to me biting your hand now, I'll still bite your mouth, your face, and your entire body when we get married in the future. What should we do? "

"!"

Rong Mo's face turned green.

" Your Highness, " Ye Qianli continued, " didn't you think about this when you asked the Emperor to bestow the marriage? " Then you never thought of asking me to come along? Then why did you ask the Emperor to bestow the marriage?"

".. "

Rong Mo lowered his eyes and stared at the scene in front of him. His eyes were sparkling with slyness! Ye Qianli, who had a sneaky smile on her face, knew that she was still trying to disgust him.

"Your Highness, why don't you get used to it first and let me bite you again?" Ye Qianli was about to grab Rong Mo's hand, but...

The moment she stretched out her hand, her face hurt!

" Ah-" Ye Qianli felt her face go numb again. She quickly retracted her hand and covered her face, begging for mercy, " Your Highness, Your Highness..." Spare me..."

Rong Mo didn't let go so quickly this time. He even increased his strength and said coldly, ""Aren't you quite capable? You still want to bite me?"

"No, no, no..." I'm kidding, I'm kidding, it hurts! " Ye Qianli said, indicating that she was just joking. She would never dare to bite the prince when she was sober! Wasn't that courting death?

Wasn't she just a little playful? It was rare to see Rong Mo have such a playful side, so she wanted to tease him. She was telling the truth. Since he despised her so much, why did he still bestow her with a marriage?

Of course, Ye Qianli, who was feeling so embarrassed, looked at Rong Mo with a docile face and watery eyes.

Rong Mo, who saw that she had become docile and obedient, snorted coldly and finally let go.

"!"

Ye Qianli immediately massaged the numbed half of her face. She felt that this beautiful prince had a strange habit of pinching her face for no reason! What if he got a bruise? This was his face!

But ...

Well ...

Before Ye Qianli could rub her face and soothe the pain, the other side of her face! Rong Mo, who had suddenly possessed her, opened his mouth and bit her!

Chapter 128: The Beautiful Prince Is Shy?

"F * ck!"

In fact, when Red Knife, who had been outside the door, saw this, he exploded on the spot! He could still tolerate the previous conversation and intimacy, but he really could not tolerate this!

Aiyo, kiss me!

Although it wasn't a kiss, it was still explosive! Moreover...

"I can bite." Rong Mo said righteously after taking a bite. His words were obviously a reply to Ye Qianli's teasing.

He was obviously implying that after they got married, Ye Qianli was not allowed to bite him, but he could! It was that simple.

".."

It was so simple that Ye Qianli wanted to curse! Beat him up!

What the hell? Did this mean that he could despise her, but she couldn't despise him? How could there be such a logic? No, no, no!

"I disagree!" Ye Qianli touched the other side of her face that was bitten and protested firmly.

"Hmm?" Rong Mo raised his eyebrows slightly. His clear voice was condensed, and an invisible pressure was born out of thin air! For a moment, even if he did not do anything.

However, whether it was Ye Qianli who was protesting, or Red Knife and Ye Rui who were outside, they all felt helpless after hearing his " Mm. "

"Cough..."

At the same time, Feng Lihuan, who had just finished his conversation with the vice-principal, saw the two little ones who were very close to each other in the courtyard. He couldn't help but cough to remind them.

He didn't even close the door? It wasn't appropriate.

However, Rong Mo did not seem to think that there was anything wrong with it. As he looked up at Feng Lihuan, he raised his hand and dragged the little woman who was glaring at him and was about to protest out of the door.

"It just so happens that Teacher Feng is here. I'm going to borrow some points." Rong Mo went back to his room and closed the door again. He did not even greet Feng Lihuan, let alone invite her in.

Feng Lihuan was speechless.

Ye Qianli was speechless.

Little Qianli, you're really something! " As for Red Knife, he was already convinced and immediately gave Ye Qianli a thumbs up!

Speaking of which, in the entire academy, or even the entire Four Symbols Continent, only this girl in front of him would dare to openly tell Senior Brother Rong that she wanted to bite his mouth, his face, and his entire body!

Not bad, not bad at all!

Wild enough, active enough! No wonder he could defeat Senior Brother Rong. Hahaha ...

"What's wrong? Could it be that I spoke at the wrong time? Is Rong Mo venting his anger on me? You didn't even greet me. " Feng Lihuan, who came late, was really puzzled.

He was just too embarrassed to not remind her when he saw it. Was he afraid that people would say that he was disrespectful and peeped at his students? Was there a need to give him such an attitude?

"Perhaps the Crown Prince is shy." And at this time, Ye Rui, who had been silent all this time, said something shocking! The other three were stunned.

Shy?

"After all, what you said just now was too straightforward." Ye Rui said it like it was the truth, and although he felt that Ye Qianli's words were too straightforward, he didn't think there was anything wrong with it.

When Feng Lihuan heard this, he immediately asked excitedly, ""Oh? Qian Li, tell me what you said to Rong Mo just now."

"Cough!" Ye Qianli almost choked on the question. She thought about what she had just said and realized that it was a little too inappropriate! But the situation was not what everyone had heard. This ...

It was really hard to explain!

" Mr. Feng, you came at the right time. I have something important to discuss with you. I'm going to the special training room for a month, but I don't have any academic credits. Rong Mo said that you can get me 300,000 academic credits, right? "

"Nonsense! I don't have the right to do that. Don't talk nonsense!" Feng Lihuan denied without thinking. How could he give so many credits to his student for no reason?

"Teacher Feng..." Ye Qianli grabbed Feng Lihuan and walked out of the courtyard while explaining the situation to him.

After Ye Qianli finished explaining the situation, Feng Lihuan said seriously, "" Just now, the Vice Principal also said that with your current cultivation level, even with the protection of the Sirius Beast, it would be extremely dangerous for you to go to the Polar Ice Realm. Don't worry about borrowing credits. I will go and help you arrange it. "

"Thank you, Teacher Feng." Ye Qianli was startled and immediately bowed to thank him.

Although she knew that since Rong Mo had said so, Feng Lihuan should have a solution, she did not expect to receive such a straightforward answer. This made her heart feel warm, and she felt that this teacher was worth it. It was really worth it.

Feng Lihuan, on the other hand, did not think much of it. Even though he was the head teacher, it was not easy for him to borrow 300,000 academic credits. After all, the academy had its rules. He couldn't keep breaking the rules.

..

However, after a day, Ye Qianli, who had just settled down in her new dormitory, received the credits she needed! Feng Lihuan's efficiency was truly extraordinary.

Not only that!

Feng Lihuan even brought good news, ""Xuan Bingyan, who was supposed to be in the same class as you, has been transferred to the earth class. You're the only one in the sky class now."

"Principal's meaning?" Although Ye Qianli knew what was going on, she didn't expect the result to be out so quickly. It seemed that the dean was quite satisfied with her performance on the sparring stage yesterday.

"No, it's the vice director who made the decision. Xuan Zhaonan originally had objections, but the vice president was especially tough this time. He suppressed the matter of you killing Xuan Tianqi and gave you the Heaven's Will Pill. The vice president really values you."

Feng Lihuan did not expect the usually amiable Vice Principal to be so unyielding for Ye Qianli. It could only be said that Ye Qianli really suited the Vice Principal.

"Vice Principal?" Ye Qianli didn't expect it either, but she didn't think too much about it. She only remembered the Vice Principal's kindness.

After that, Feng Lihuan told Ye Qianli some things to take note of when she went to the special training room later. He also mentioned a few things that Ye Qianli should take note of at her current realm.

After Feng Lihuan left, Ye Qianli gave some instructions to Ye Rui and chatted with Ye Fengtian for a while before reporting to the special training room.

As soon as Ye Qianli made a move, Xuan Tianyan naturally received the news!

"I heard that Feng Lihuan lent her 300,000 academic credits. It seems like she's planning to stay in seclusion in the special training room for the next month." Violet Spirit said.

"Have you arranged for General Tian Lang?" Xuan Tianyan asked.

"It's done. I've already attached the nine-tailed fox's aura to him. He didn't notice." Violet Spirit reported.

"Alright, then you will enter the training room as well. Find her, humiliate her, and kill her." Xuan Tianyan instructed softly, causing Violet Spirit's eyes to sharpen!

At the same time, Ye Qianli was about to enter the training room when a snow-white little thing pounced on her chest!

"Flame Field!"

Shocked, Ye Qianli immediately activated her strongest defense.

Then-

Chapter 129: The Matter of You Sleeping with the Pretty Prince Has Been Seen Through!

"Meow-"

Ye Qianli was shocked by the miserable meow, and she looked at the cat in front of her in shock.

Well, the little one whose entire body was charred black and was still breathing out a wisp of black smoke ... Meow ... Meow ...

"Wow!"

Especially this little meow that was only the size of a palm after screaming. It even started crying on the spot. This ... This ...

“ .. ”

Ye Qianli felt like her head was full of bumps. She thought that someone had plotted against her and secretly used a special hidden weapon on her, but now it seemed that it wasn't the case.

However, she had caused quite a commotion just now and had attracted quite a number of onlookers.

"Hey, isn't that Ye Qianli? Why is she here? Was she going to the special training room too? But didn't she lose her credit exemption from the special training room because she killed Xuan Tianqi?"

"No, no, no, wait! Why do I feel that this crying little thing sounds familiar? From the sound of it, it seems to be that little beast pet of Psycho Rong, right?"

"What? You mean that palm-sized white cat? This ... It can't be ..."

Not only did the students recognize the famous Ye Qianli, but they also recognized the burnt Little White Meow.

And this one was supposed to be snow-white and cute! In everyone's eyes, Rong Mo's beast pet, Little White Meow, was the number one pervert in the academy.

Uh ...

“ .. ”

Ye Qianli, who knew the origin of this little thing, felt that the bump on her head was getting bigger. She...This ... She...This really wasn't intentional.

"Sou!"

However, the little black guy who had been recognized still jumped into Ye Qianli's arms. Ye Qianli, who had a head full of bumps, quickly caught him.

And then...

She quickly found a place where no one was around and peeked into her arms. Coincidentally, her eyes met with the little black thing.

With just one glance, she was stunned by the little thing's teary eyes that were as green as jade. It was so lively! Tsk tsk...This must be the original body of The Talking Eyes.

"Meow?" Little Black, who was staring at Ye Qianli, was showing off its ability to speak with its eyes.

It was very confused, resentful, and aggrieved. It looked at Ye Qianli from head to toe as if she was an old friend, as if she had done something terrible to it.

Of course, Ye Qianli had indeed done something unethical to it. Look at how bald it was. There was not a single strand of hair left. If one did not look at its eyes, it would be as ugly as it could be.

Therefore, Ye Qianli felt that she had gone overboard and apologized, ""Yes ... I'm sorry. I really didn't do it on purpose. I thought someone was plotting against me. Hmm...Anyway, I'm sorry. Do you understand what I mean?"

"Meow!" Of course I understand, but what's the use? I've already been burned bald! Little Black Meow glared at Ye Qianli with resentment.

Feeling guilty, Ye Qianli could only apologize, ""I'm sorry, I'm sorry. I really didn't do it on purpose. Your fur should be able to grow back soon, right?"

"Meow!" Of course not.

Ye Qianli was speechless.

The man and the cat stared at each other for a long time. Ye Qianli felt that her forehead was covered in sweat. After all, she was in the wrong. What she wanted to say was, if you hadn't suddenly pounced on my heart, I wouldn't have burned your fur!

However, she really didn't dare to say this out loud. She was afraid that if she did, this little thieving Meow Meow would cry again.

But what she didn't know was that Little Meow didn't pounce on her for no reason! It was because she had a familiar aura.

"Meow, meow, meow..." The little " black " cat jumped onto Ye Qianli's body and sniffed her from head to toe, then kept meowing.

Ye Qianli was speechless. She did not dare to stop it and could only let it sniff. She did not know what it meant by sniffing.

" Meow!? " The little " Black " Meow stopped sniffing and looked at Ye Qianli in confusion.

"Meow?" What's your name?

"Are you asking who I am?" Ye Qianli asked tentatively. She felt that this little guy was very magical. It was clearly meowing, but its eyes seemed to be able to express its meaning.

"Meow!" Little Meow nodded.

" Ye Qianli, Ye as in Ye Zi, Qian as in Qian Qian, Li as in Liu Li Zhu, do you understand? "

"Meow." Little Meow continued to nod, but it meowed in confusion again and mimicked it! Rong Mo's cold gaze came over.

"Are you asking me if I know Rong Mo? Your master?"

"Meow!" He nodded quickly.

"Of course I know him. He's also my fiancé in name, and then ... Well ... Can we settle this privately? Can you not tell your master?" Ye Qianli felt that if the beautiful prince knew that she had burned his tamed beast, the consequences would be ...

Cough!

Ye Qianli felt that it was better to settle this privately! It was better.

"Meow?"

Little Black's eyes lit up when it heard that. It sized Ye Qianli up and then meowed as it nodded, as if it was saying, " That's right, that's right. "

In fact, that was what Little Meow meant!

However, it had never expected that it had only been with its little Mo Mo for a few months, and Little Mo Mo had already found a fiancée and slept with her!

No wonder the little beauty had Little Mo Mo's aura! No, the little beauty's aura was similar to Little Mo Mo's mother! Meow, meow, meow...

"Pfft..." Ye Qianli, who was being sniffed by the little " black " cat again, had no idea that the little thing in front of her had seen through the fact that she had slept with the beautiful prince.

She only felt that this little black fellow was sniffing even more intimately this time. She raised her hand to stop him, feeling a little itchy."Don't, be good ~ It's a little itchy for you to sniff like this, hahaha..."

"Meow." The little " black " cat that was stopped was obedient. It didn't continue sniffing, but it crawled into her arms and didn't come out, as if it had fallen asleep.

Because it was too small, it didn't have a strong sense of presence. Ye Qianli only gave it a little push. Seeing that it didn't show any intention of coming out, she was afraid that it would secretly go back and complain, so she simply brought it to the training room.

However, she didn't know that her " conversation " with Little Meow had been witnessed by someone. After she left, that person walked out from the other side of the rockery where she had been crouching just now.

Chapter 130: Lick, Lick, Lick, Lick, Lick!

" Why does Little White Meow treat her so differently? " Ye Shang, who had accidentally witnessed this scene, was filled with confusion and doubt.

Rong Mo treated Ye Qianli differently because she had never witnessed what they had experienced. She could explain that it was because they had fought side by side when the Vermillion Bird City was almost captured.

But what about this little white cat?

Ye Shang did not forget that this little white cat looked very cute, but it had always stuck to Rong Mo and never let anyone touch it! It was basically the same as its owner.

It wasn't as if she hadn't thought of making a move on Rong Mo, this little beast pet, so that she could have more topics to talk about with him and get closer to him.

However, this little white cat had eaten a lot of her good food, but it never let her touch it, let alone help her and Rong Mo create some topics.

A typical master who would forget everything after eating!

But now?

" It's just the first time we met, yet I followed her..." Ye Shang suddenly had a feeling of " comparing people is infuriating ". The key was why?

Ye Qianli had burned it, so shouldn't it hate her? Why was it...He followed them? Could it be that he had masochistic tendencies?

Ye Shang hesitated, but eventually walked in the direction where Ye Qianli had left. It seemed like she was going to enter the special training room as well.

..

At the same time, Ye Qianli, who had already arrived at the special training room, did not know that the special training room would soon become very lively because of her.

At this moment, she was completely focused on the so-called special training room.

Although it was called a special training room, it was actually not an individual training room. Instead, it was a magnificent nine-story pavilion. The door to the first floor was open and there was no one guarding it.

"Buzz!"

As soon as Ye Qianli walked in, she could instantly feel that her body was enveloped by a layer of mysterious power. It was a wonderful feeling.

Looking around, Ye Qianli saw many people sitting cross-legged on the first floor of the pavilion.

Ye Qianli found a place to sit cross-legged and meditated. Then...

"Buzz!"

Ye Qianli felt as if she had been sucked in by some force. When she opened her eyes again, she found that she was no longer on the first floor, but in a building complex that seemed to be in the real world!

"How mysterious..."

Ye Qianli looked at her hands, touched her body, and touched the magic box in her sleeve. She even touched the little "black" cat in her arms and found that it was all there! It was so real.

"If Teacher Feng didn't tell me that after entering the special training room, I only need to regulate my breathing and cultivate, and my higher consciousness body will be simulated into another world, I would really think that this is my real body. However ...

Didn't Teacher Feng say that other than spirit weapons, weapons, mounts, and tamed beasts are not allowed in the special training room?" Ye Qianli reached into her arms and touched the sleeping "black" cat, feeling that something was wrong.

"Could it be that this isn't a beast, but a type of spirit weapon?" Ye Qianli's imagination ran wild as she walked towards the center of the buildings. As she walked, she took out a mask and put it on.

What a joke. In the special training room, it was allowed to "kill" people! Because he was a higher consciousness, he was not really dead. Therefore, all the rules of the academy were not enforced here.

Therefore, in the Genius Academy, if there was really any huge life and death feud, it would usually be resolved in the special training room. The so-called special training room, the ultimate goal of special training was actually to kill! Breaking through the limit.

Every time he died in the special training room, it was not his main body that died! It was true death, the pain and despair of death, as well as the enlightenment and touch that came with it! It was an experience that could not be obtained through regular cultivation.

In addition, the death of the consciousness body would also have a huge impact on the main body! If one died, one would not be able to recover without recuperating for ten days to half a month.

There were also some who were not mentally strong enough. After dying once in the special training room, they did not dare to come in again. Moreover, they could not cross this hurdle from then on.

"The Black Tortoise must know that I entered the special training room, and I came here to cultivate, not to die immediately. It's better to hide." Ye Qianli touched the mask that she had stolen from Red Knife last night and felt that it was a wise move.

After all, in addition to the ultimate experience of death, there were many special training spots in the special training room. For example, the Flame Sea that Ye Qianli was going to now was a training ground for fire attribute talents.

"Buzz!"

In fact, not long after Ye Qianli put on the mask, the Purple Spirit appeared! She was not far from Ye Qianli, and she was heading toward the sea of flames.

After all, everyone knew that Ye Qianli's talent was fire attribute! Therefore, Ye Shang, who followed Ye Qianli into the training room, was also aiming for the Flame Sea.

Ye Qianli, who knew nothing about this, was not nervous. She did not rush to the sea of flames. Instead, she slowly experienced the feeling of her consciousness turning into her true body.

"It's too real. If only the magic box wasn't asleep. It should be able to tell." Ye Qianli felt the innate power in her body and the real spiritual energy around her. She felt that this special training room was more and more magical.

Unfortunately ...

The magic box had helped her swallow the water of the River Styx. It had been silent for a day. She did not know how long it would take for her to wake up. It said that it would take ten days to half a month, but it was probably not that fast.

" After all, it's the water of the Netherworld River that can corrode everything. " Ye Qianli sighed in her heart and touched the box in her sleeve. Although the bullet comment box had only been silent for a day, she was not used to it.

"Meow?"

The little " black " meow that was sleeping suddenly crawled out and meowed.

"What's wrong?"

Ye Qianli wanted to touch it when she saw its sleepy eyes, but when she looked at its bare body, she felt a sting in her eyes and stopped herself.

"Meow meow..."

The little " black " cat crawled into her sleeve and took out the box before Ye Qianli could react.

Not only did it hug him, it even licked him!

This ...

"Little Meow Meow, you can't eat this." Ye Qianli reached out her hand to " save " the magic box, but the little " black " cat held it tightly.

"Meow!"

The little " black " meow licked the box a few more times, leaving Ye Qianli speechless. Then, the little meow found a corner of the box and bit it!

"Uh ..."

Ye Qianli quickly raised her hand to stop it. Although Little Meow couldn't bite the box, the box was silent for her. She couldn't just let it be " bullied ".

"Meow!"

However, Little Black Meow held the box and quickly slipped into her sleeve pocket, continuing to lick and gnaw! Ye Qianli felt a headache coming on.

"Little Meow Meow, be good! I'll change something for you to eat. Can we not eat this?" Ye Qianli took out Meow and the Magic Box again.

However, just as she took out the box, she realized...
