Chapter 131: I Was Playing You!

The little "black" meow's bald black body had turned suspiciously white! This ... Ye Qianli couldn't help but take Little Meow, who was still licking the box, closer to her and study it carefully.

Then, she realized! It really wasn't an illusion. Little Meow had turned white and even grew fine fur! Uh ...

Could it be that the Magic Box also had the function of hair whiteness and hair growth?

".."Ye Qianli studied the box for a while and found that although the kitten had changed, there was nothing wrong with it.

Therefore, Ye Qianli quietly put the box and Little Meow back into her sleeve pocket. The box was not "missing any meat" anyway, so she just let it lick it.

By the time she left the training room, this little kitten's fur would have grown out. When she saw its owner again, she would have nothing to do with it.

After making her decision, Ye Qianli continued on her way to the sea of flames.

..

The sea of flames was located in the southern part of the town center. Ye Qianli saw many students heading there as well. They should all have awakened the fire attribute talent.

"Weng..."

Ye Qianli subconsciously looked forward with her right eye. She wanted to check out the so-called sea of flames. It was said that it was a real sea of fire. Entering from the entrance was like being in a sea of flames. The closer one went to the center, the higher the temperature.

"Eh?"

However, her subconscious action allowed her to discover that there were more than ten students with strange expressions gathered in front of the huge stone tablet that had the entrance to the Flame Sea.

"These people seem to be gathering and waiting for someone. Could they be waiting for me?" Ye Qianli looked around and felt that these people might be here for her.

It wasn't that she wanted to make herself look good, but last night, Red Knife, that gossip guy, had already told her how the people in the academy had been talking about her ever since she got off the sparring stage yesterday, and how she had trampled on the Black Tortoise Dynasty.

Among them, Xuan Tianqi and Purple Spirit, the two leaders of the Mystic Martial students, were heavily trampled on, especially Purple Spirit! That was really being scolded to the point of being useless and directly becoming a coquettish fox! The representative of the scumbag mistress.

With that, Ye Qianli knew that Purple Spirit, who had looked down on her, would definitely try her best to get back at her.

After all...

The reason why she was able to eliminate the purple spirit so quickly yesterday was mainly because she had calculated it with her heart, and also because she had used the Vermilion Bird tail feather in a timely and decisive manner! Even if the Purple Spirit was talented, there was nothing he could do.

However, it was different in the special training room. The Vermilion Bird Plume was an extraordinary divine item. The special training room could not simulate it, so Ye Qianli could not use it here.

This was also the reason why Ye Qianli wore a mask and didn't want to get into a conflict with the Black Tortoise. After all, she was missing two trump cards, the Vermilion Bird Feather and the Magic Box.

However, she really did not expect that the Purple Spirit would mobilize so many people in order to get back at her...She had thought that since the Purple Spirit cared so much about face, she would fight her alone. It seemed that she had overestimated the Purple Spirit.

"Looks like the Violet Spirit hasn't arrived yet. I have to hurry." Ye Qianli touched the bronze mask on her face and sped up.

In just a moment, she arrived at the entrance and walked towards the fire-colored entrance behind the stone tablet with the other students.

However, before she could step through the door, a slightly hoarse mocking voice came from behind her. "Ye Qianli, since you are so strong, why do you need to hide it?"

Not only that!

"Sou!"

Almost at the same time, the Violet Spirit arrived! As soon as he caught Ye Qianli's aura, he blocked the woman who was about to enter the sea of flames.

"Buzz!"

At this moment! Ye Qianli herself had already stepped into the fiery door, and whatever happened after that had nothing to do with her.

Because the woman the Violet Spirit had blocked wasn't her! It was the unlucky student A that she had casually pinched and attached a wisp of fire breath to before she entered the door.

In that case...

"!.. I ..." The unlucky student A who had been blocked was shocked. At the same time, she looked at the Purple Spirit who had blocked her with a dumbfounded expression.

"!" And when he saw that Purple Spirit's face wasn't right, he stretched out his hand to pinch the face of the unlucky Academy A and even scratched his face, as if suspecting that he was wearing a human skin mask.

In the end, the other party naturally wasn't wearing any human skin mask. As a result, a dozen students gathered at the scene, all of them looking at the Purple Spirit who was blocking the entrance with a puzzled expression.

"What are you doing! Are you crazy?" Unlucky student A finally reacted and pushed Violet Spirit away, his eyes filled with disgust and disdain.

" That's right. Are you crazy? There's no Ye Qianli here. "

" Of course she's sick. She's a vixen. She likes to seduce men when she has nothing to do. Look, the moment she appears, those men are all seduced by her. "

The Purple Spirit, who was born with a natural charm, was not liked by the female students. Now that Ye Qianli had mocked her in public, many female students with decent talent naturally dared to mock and humiliate the Purple Spirit.

Hearing this, Purple Spirit, who was already in a bad mood because she didn't manage to grab Ye Qianli, suddenly turned gloomy! At this moment, she realized that she had been tricked by Ye Qianli.

"Get out of the way, you slut. You can rely on men to advance, but we have to go in and cultivate ourselves!"

"That's right, get out of the way! Flirtatious fox..." And at this moment, the few female students who were blocked, led by the unlucky student A who was blocked, directly insulted Violet Spirit.

"Bang!"

But before anyone could react, that unlucky student A! The top of his head had already been shattered by a palm strike from the Violet Spirit in front of everyone, and he had turned into ashes while bleeding from his seven orifices. He had returned to reality.

For a moment...

“ ”
..

The entrance of the sea of flames was deathly silent. A few female students who thought highly of themselves finally realized with pale faces that the Purple Spirit was not an ordinary coquettish fox. She was a genius of the second grade heaven class.

"From today onwards, whoever dares to speak rudely to me again, this will be the outcome!" Violet Spirit's coquettish eyes shot a cold glance at the few female students as she warned them with a dense killing intent!

After saying that, Violet Spirit no longer looked at them. Instead, she ordered her subordinates who had been waiting there for a long time to check every person who entered and exited the Flame Arena.

Not only that...

"You, you...You guys are all fire attribute talents. Go into the Flame Field and search for Ye Qianli's whereabouts. Don't alert the enemy and report to me immediately." Violet Spirit continued to make arrangements.

In fact, if it wasn't for the fact that she didn't possess fire attribute talent and entering the Flame Arena was very disadvantageous to her, she would have entered it herself long ago! However, if he found the person, it would be easy.

After Violet Spirit finished making these arrangements, Ye Shang, who had also arrived, muttered to herself for a moment before putting on a mask and walking towards Violet Spirit!

Night dress...

As a Tier 3 alchemist, she naturally awakened an extraordinary fire attribute talent!

Chapter 132: A Little Worry (1)

At the same time.

Ye Qianli, who had successfully entered the sea of flames, knew that Purple Spirit had arrived and would not let the matter rest. However, she did not know that Ye Shang had also arrived, so she naturally did not know that the two women had already "joined forces".

She only knew that when she was in this sea of fire!

Not only did the Nine Heavens Obsidian Flame, which was originally entrenched in her dantian, suddenly jump, but there was also a faint burning intent spreading out from between her eyebrows.

"It seems like the Flame Sea is indeed extraordinary." Ye Qianli murmured and looked into the depths of the sea of fire.

However, she soon realized that even her right eye could not see the situation in the depths of the sea of fire clearly. She only felt that the place was extremely bright, and her right eye was stinging.

Ye Qianli didn't probe further. Instead, she walked deeper into the sea of fire while sensing the flames coming from all directions.

In the beginning, she didn't use any of her innate powers. Instead, she used her 'physical body' to travel through the sea of fire. Just like that, they walked for fifty miles, a hundred miles...

Three hundred miles!

Most of the talents who entered the sea of fire had to activate their talents before they could go deeper. However, Ye Qianli was still moving forward with her body.

"Look! That person wearing the bronze mask actually hasn't activated his innate ability yet."

"F * ck, really! It seems like another genius with a fire attribute talent above the fifth rank has awakened..."

A few students who were slowly walking forward couldn't help but discuss with envy when they saw Ye Qianli passing by. They couldn't help but guess who she was.

After all, even in the Genius Academy, people who could awaken talents of the fifth rank and above would still receive attention.

" Could it be that Ye Qianli? Is she wearing a mask because she's fighting with the Black Tortoise Sect? "

"Not necessarily. Our university has many Fire Attribute talents above Rank-5. Geniuses at their level don't seem to like to show their true faces when they come to the special training room ..."

" That's true. I remember that Senior Sister Ye Shang's second talent awakened the sixth-tier Purple-Hell Primordial Fire. It's from the same source as the seventh-tier Nanming Primordial Fire. It's very extraordinary! "

Before Ye Qianli's Nine Heavens Obsidian Flame exploded, Ye Shang's Purple-Hell Primordial Fire! It could be said that she had the highest level of pure flame talent in the entire Genius Academy. Coupled with Ye Shang's special status, she naturally became the respected Eldest Senior Sister.

Thus, when these people talked about Ye Shang, they had a lot of topics to talk about. So, when Ye Shang walked over, she still heard them talking about her deeds.

"However, compared to Eldest Senior Sister Ye Shang, Ye Qianli's talent is far inferior. Not only is Ye Qianli's talent a level higher than Eldest Senior Sister's, she's also a mysterious Divine Inscriptionist."

"Shh! These two people shouldn't be compared at all."

"That's true, I can't compare ... Let's just sit here and meditate. We're already more than 300 miles away. If we go any further, I won't be able to hold on. "

..

Ye Shang, who happened to hear these few words, could not help but clench his fists under his sleeves! There was also an unknown dark light flickering in his eyes. This was not the first time...

In the dormitory and in the canteen, she had heard people comparing her to Ye Qianli several times, and every time, they said that she was no match for Ye Qianli.

Ye Shang admitted that she was really uncomfortable hearing it. She could ignore it if it happened once or twice, but it had only been a day! How many times had she heard it?

Although he knew that the reason why there were so many discussions now was because Ye Qianli was in the limelight and people subconsciously compared her to Ye Shang, but...

If they could suppress Ye Qianli's limelight, these discussions would disappear soon!

"Ye Qianli, you can only blame yourself for being too popular. As for me, I don't want to be trampled on by you for too long. You've already gotten enough." Ye Shang muttered to herself as she found an excuse for her actions.

Actually, she knew that what she was doing was wrong, but she still decided to "help" Purple Spirit, even if she didn't think highly of Purple Spirit's despicable methods.

However, Ye Shang continued to follow her step by step until she was 700 miles away. Even after she released the Purple-Hell Li Fire, she still could not see Ye Qianli.

"How is that possible? Could it be that she found a place to sit down and cultivate in the area ahead?" Ye Shang felt that it was unlikely. She guessed that with Ye Qianli's talent, she should be cultivating quietly at a location around 700 miles away.

This was because the setting of the Flame Arena was based on talent level.

If it was a third-rank talent, then it could only be cultivated within a three-hundred-mile radius. Tier 4 talents were around 400 miles, and so on.

Originally, Ye Shang could only move within a range of 600 miles. However, she had an extraordinary fire attribute spirit weapon. In addition, she was now a peak third-grade talent, so she could barely cross the zone.

"Could it be that she went deeper?" Ye Shang looked at the sea of fire in front of her that was so hot that it seemed to have condensed into lava. She felt that it was not very possible.

Because Ye Qianli was only a beginner level one talent, she could only cultivate in the first seven hundred miles. If she went any further, she would not be able to withstand it.

For example, Ye Shang felt that her body was about to burn. If she did not leave as soon as possible, she would be burned to ashes.

Even so, Ye Shang, who was unwilling to give up just like that, gritted her teeth in the end! She still took the risk and walked deeper.

At this moment...

"We can't go any further."

Ye Qianli wiped the sweat off her forehead and sighed. Her pretty face was flushed red from the heat. The flame-shaped mark on her forehead was now even more beautiful! It was very eye-catching.

And the place she was currently at was actually close to 800 miles away! Normally, this was a place that she could only reach when she and the Nine Heavens Obsidian Flame had fused to the Perfection Stage.

"It's so hot, but it feels so good." However, Ye Qianli, who had consumed the Nine Suns Fruit, was not uncomfortable at all. Instead, she felt very comfortable, as if she was in a saunas.

She could clearly feel that the power of the Nine Suns Fruit, which she had not completely digested before, was slowly overflowing from her body under the scorching stimulation of this sea of flames and flowing into her meridians.

" No wonder Rong Mo asked me to come here. It's indeed a good place. It's even better than cultivating in the ancient battlefield. " Ye Qianli felt the comfort and sat cross-legged on the spot to feel the changes in her body.

From the moment she entered the Flame Arena, she could feel that the Nine Heavens Obsidian Flame had become active!

At this point, when she used her heart to " communicate " with the Nine Heavens Obsidian Flame in her dantian, she could deeply comprehend that the unique cold and noble divine breath that originated from the Nine Heavens Obsidian Flame seemed to want to spread and seep into her limbs and bones...

"Meow?"

However, when Ye Qianli entered a deep state of cultivation, Little White Meow, who had been gnawing on the magic box in her sleeve, sensed that something was wrong and crawled out.

Almost at the same time!

Your Highness, Miss Ye Shang has indeed entered the special training room, but we don't know where she went exactly. " In Rong Mo's room, there was already a messenger reporting.

"Da! Da ..." When Rong Mo heard this, his long fingers, which were originally resting lightly on the edge of the table, could not help but tap twice. His pair of slender eyebrows also furrowed.

Chapter 133: That Beautiful Prince With A Soft Body!

"Your Highness, do you want to investigate again?"

"No need." Rong Moqing had already stood up when he finished speaking. However, the moment he stood up, his brows, which had already relaxed, suddenly furrowed again.

"Then this subordinate will take his leave first." The messenger who did not receive the new order also tactfully retreated. However, he thought that since the Crown Prince had stood up, he should be going out, so he did not close the door after leaving the room.

Who would have thought...

He had only retreated for a short while when the door was slammed shut!

"?"

The messenger was startled for a moment, but he did not think too much about it. After all, as Rong Mo's subordinates, they had always known that the Crown Prince's thoughts were not easy to guess.

However, no one noticed that the moment the door closed, Rong Mo's deep black eyes suddenly turned silver...

Silver like the bright moon! Silver Eye.

If Ye Qianli was here, she would definitely feel that this pair of silver eyes, which were as clear as the moon, was extremely familiar.

After all, Rong Mo looked exactly the same as the one she had pounced on the other day! Unfortunately, she was not here. She was still cultivating in the sea of flames.

When she realized that the Nine Heavens Obsidian Flame was about to fuse into her body, she had originally followed its intention to assist the Mystic Flame's breath and slowly fuse with her body.

But gradually...

However, Ye Qianli felt that something was wrong. The Nine Heavens Obsidian Flame had sent her a message that made her feel like she was being controlled! It was as if the Nine Heavens Obsidian Flame wanted to become her?

"?"

This feeling made Ye Qianli, who was in the midst of cultivation, frown subconsciously. Feng Lihuan had not taught her any specific cultivation method because of her high talent, and had only allowed her to comprehend it herself.

However, Ye Qianli still felt that the will of the Nine Heavens Obsidian Flame was definitely not right! Although she could easily fuse with the Nine Heavens Obsidian Flame by following its will, the leader had become the Nine Heavens Obsidian Flame.

How could this do?

Definitely not!

Therefore, even if the fusion was going well, Ye Qianli was still subjective! He stopped the fusion and stopped absorbing the power of the Nine Heaven Obsidian Flame's divine breath.

"Clang! Clang ..."

Ye Qianli's behavior made the Nine Heavens Obsidian Flame, which obviously had its own spiritual consciousness, unhappily let out a buzzing sound in her dantian.

"Your will is wrong. Our fusion should be me in you and you in me. It shouldn't be based on your will, with you as the leader." Ye Qianli also responded and conveyed her message to the Nine Heavens Obsidian Flame.

However...

"Pfft-"

Upon hearing this, the Nine Heavens Obsidian Flame immediately released wisps of flames! At the same time, Ye Qianli felt a sharp pain in her dantian.

"Puff!"

Ye Qianli's original body spat out a mouthful of blood on the spot. It was obvious that she had suffered serious internal injuries! And this was clearly the warning of the Nine Heavens Obsidian Flame.

In fact, what Ye Qianli didn't know was that many talents who had awakened their talents above the seventh rank would fuse with their talents according to the will of the talents themselves. They would never go against the will of the talents.

The reason was simple. After all, all talents above grade-7 were related to the world's origin! It was related to the divine beast Shi Chu. Its talent itself had divine power and endless potential.

Therefore, if the will of the innate talent was the dominant factor, it would definitely be more beneficial to the development of the innate talent. Therefore, how could ordinary people be like Ye Qianli, who was so serious about going against the flow?

Of course, there was one person who was definitely an exception, and that was Rong Mo...Just by looking at his relationship with the Vermilion Bird, it was clear that he was not following the Vermilion Bird's will.

"Meow!"

Ye Qianli's spurting of blood also startled Little White Meow, who had crawled out of its sleeve. However, it was relieved to see that Ye Qianli's face was pale, but there was nothing wrong with it. At least, she did not suffer from Qi deviation.

"!"

But when it looked, it saw a suspicious figure!

"Meow?"

Little White Meow stared at the blurry figure that was slowly approaching. It looked back at Ye Qianli a few more times, and after making sure that she was fine, it jumped off her body and ran toward the figure.

..

"Pfft-"

Not long after Little White Meow left, Ye Qianli spat out a few mouthfuls of blood. Naturally, it was because she was unwilling to follow the Nine Heavens Obsidian Flame's will. As a seventh grade Divine Flame, the Nine Heavens Obsidian Flame was naturally unwilling to compromise.

"It can only be an equal relationship. Otherwise, I'd rather not fuse with it." Ye Qianli's tone was obviously tougher than before!

Actually, from Rong Mo's coaxing of her to let go, it could be seen that she was a person who would not yield to force! She originally wanted to communicate with the Nine Heavens Obsidian Flame, but the Nine Heavens Obsidian Flame was acting like a fool. She had a temper too! She was furious.

"Boom!"

The Nine Heavens Obsidian Flame exploded in anger when it heard this! Ye Qianli felt even more pain in her dantian from the terrifying divine fire! It was so painful that he spat out a few mouthfuls of blood.

But even so, she had no intention of backing down!

Not only did he not retreat!

"Since you don't want to follow my instructions, you can leave! At most, I'll awaken my talent again and you can get out of my dantian." Ye Qianli said coldly.

"!"

The Nine Heavens Obsidian Flame was obviously stunned when it heard this. Just by looking at the way it exploded, it seemed to have stopped moving. It could be seen that it had never expected Ye Qianli to say such a thing.

Let it go?

Did this idiot know how many people had begged it for its favor to awaken the origin fire talent? But what about this idiot? She actually let it go?

Also, she still wanted to awaken a new talent after it left? Dream on. If it left, it would definitely cripple her.

Unfortunately ...

That was why the Nine Heavens Obsidian Flame was so furious!

It noticed something was wrong. In Ye Qianli's body, there seemed to be strands of unusual aura gathering in its dantian.

"Buzz!"

In just a moment, it discovered that a strange line had formed above it! And the aura emitted by these lines...

Divine Inscription!

The Nine Heavens Obsidian Flame swayed slightly and sensed the aura of the Divine Inscription. What did Ye Qianli mean by constructing the Divine Inscription?

"I know that you are extraordinary, but if you get out of here properly! Or, according to my plan, we can part on good terms. Otherwise, no matter how strong you are, I can still destroy you in my territory." Ye Qianli explained.

Either it was a good gathering! Or it would end easily! Otherwise, we'll all die together ...

".."

At this moment, the slightly swaying Nine Heavens Obsidian Flame was so angry that it almost left its body! The feeling of two Buddhas ascending to heaven, it was actually intimidated! Threaten! It was over!

Most importantly...

"Buzz!"

When Ye Qianli's shen glyph had one more line, the Nine Heavens Obsidian Flame noticed it! This shen glyph was not the one she had used before. It was a new shen glyph, and it was even more powerful! More mysterious.

If this divine pattern blasted down...

"!"

The Nine Heavens Obsidian Flame swayed violently for a moment and suddenly released a new meaning!

Chapter 134: Mystic Flame Submits! Little White Protects Li-er (1)

"Let's talk."

The Nine Heavens Obsidian Flame clearly softened its attitude as it transmitted its message.

"Buzz!"

However, Ye Qianli's response was to continue constructing the shen glyph! Her meaning was very clear. Either do as she says or get lost! There was nothing to talk about.

"!?"

The Nine Heavens Obsidian Flame almost went berserk! If it didn't mind being blasted apart or even destroyed, it would definitely do so! In fact ...

As an awakened talent, its power was actually restricted in Ye Qianli's dantian! It knew that if Ye Qianli really blasted this divine pattern, not only would Ye Qianli's dantian be finished, but it would also be finished...

After all, it was separated from Ye Qianli's dantian! It couldn't leave with a wisp of Origin Divine Fire! The moment it was awakened, it was destined to live and die with Ye Qianli.

But now...

"I don't believe you're really going to hurt yourself." The Nine Heavens Obsidian Flame was still trying to convey the message. Unfortunately, Ye Qianli remained unmoved and continued to construct the divine patterns.

"Buzz!"

And the shen glyph that she constructed was the other half of the symbol that she comprehended in the picture in the Treasure House! Although it wasn't complete, she had only constructed three lines and she could sense that this shen glyph was definitely extraordinary.

Because there were only three lines!

Her mental energy had already been exhausted. She was simply unable to construct the following lines. Even if she had comprehended half a divine pattern, which was only six lines, she would not be able to complete it.

"Alright, alright, we'll do as you say."

At this time, the Nine Heavens Obsidian Flame, which was suppressed by the three lines, didn't know that Ye Qianli's mental power was already exhausted, nor did it know that she had only comprehended half of the divine pattern. It compromised.

However, Ye Qianli didn't disperse the three lines. Instead, she sent a cold message, ""How do I know you won't go back on your word?"

The Nine Heaven Obsidian Flame was speechless.

It endured it again and again before saying sullenly, "Since I've agreed, I won't go back on my word. Moreover, since I've awakened in your body, I'll live and die with you. I definitely won't harm you! I can't leave either."

"You will only be disobedient." Ye Qianli said coldly, but her heart was filled with joy. It seemed that she had made the right bet. No matter how powerful the Nine Heavens Obsidian Flame was, it was indeed related to her life and death.

After all, she had never heard of anyone who would lose their awakened talent halfway through! Earlier, she had made the Nine Heavens Obsidian Flame roll away, and also took out the divine patterns and whatnot. She was merely testing the waters.

The Nine Heavens Obsidian Flame, which was still suppressed, naturally did not know about its treacherous host! At this moment, it was actually a weakling. Saying that it would be destroyed together with the jade and stone and telling it to scram were just scaring it...

It could only say in frustration again, " Sink your consciousness into my body. I won't resist your palm. This is it! " The fusion between you and me is the state you want."

Of course, Ye Qianli wouldn't hold back!

"Buzz!"

Ye Qianli's consciousness quickly invaded the Nine Heavens Obsidian Flame, but the three lines of divine patterns that she had created didn't disappear.

The Nine Heaven Obsidian Flame was speechless.

It realized that its host was really enough! It had already said that it wouldn't go back on its word, yet it was still worried? He was really using the heart of a villain to measure the belly of a gentleman.

However, even though he was angry, the Nine Mysterious Obsidian Flame still cooperated with Ye Qianli, allowing her to comprehend and integrate its divine breath and power.

..

"Meow!"

At the same time, Little White Meow, who had run out, had already run into Ye Shang, who was struggling and moving very slowly. This made Ye Shang, whose face was pale, stunned on the spot!

"You, how did you...Can ... To be able to come in ..."

Ye Shang did not expect Rong Mo's tamed beast to enter the special training room! Didn't they say that other than spirit weapons, other weapons, mounts, and beast pets couldn't enter?

"Meow!"

Little White, who had already grown a layer of fur, meowed, indicating that it could come in. But what were you doing here?

"I..."

Facing Little White Meow's pair of green eyes that could express meaning, Ye Shang was "questioned" until she was speechless. Could she tell her true purpose? Of course not.

"I'm here to cultivate and break through my limits. Why are you here alone?" What about Ye Qianli? What Ye Shang wanted to ask the most was the latter part, but she did not ask it directly.

Even though she did not know much about Little White Meow, Ye Shang knew that it was very unusual. Although she intended to " help " Purple Spirit, she did not want Rong Mo to know.

"Meow!"

Little White's answer was naturally filled with question marks, indicating that it did not believe him. It had always felt that this Big Senior Sister called Ye Shang or something had ulterior motives towards its Little Momo. Now...

Oh!

" Meow, meow, meow!... " Little White Meow suddenly realized that Ye Shang was not here to harm Little Qian Li, was he? Wow! How black-hearted.

"Cough..."

Ye Shang, whose thoughts had been seen through, naturally did not know that she had been seen through, but she felt a little guilty. This was because the eyes of the little white cat in front of him were too clear, as if it had the same ability as its master to see through people's hearts.

Therefore, even though he was wearing a mask, Ye Shang still felt like retreating immediately and leaving this place. However ... However, since this little cat was here, Ye Qianli should be nearby.

"!"

Thinking of this, Ye Shang could not help but pinch the porcelain bottle in her hand. As long as she opened the porcelain bottle here, her work would be considered done.

"Meow!"

At this time, Little White Meow jumped closer to Ye Shang and stopped only three meters away from her. It sniffed as if it was smelling something.

Ye Shang subconsciously held the porcelain bottle tightly, but her other hand took out a large porcelain bottle and said, "" This is a new pill I refined. I remember that you like it very much. Do you want it? "

After saying that, Ye Shang even opened the porcelain bottle. Wisps of spiritual pill aura instantly spread out from the porcelain bottle, invisibly concealing other auras.

" .. "

However, Little White Meow, who had always coveted Ye Shang's pills, naturally did not take the porcelain bottle this time. Instead, it stared at her other hand.

Ye Shang's heart trembled slightly as she watched. She felt as if her plot had been discovered! She couldn't help but cough and prepare to say something.

"Sou!"

At this moment, Little White Meow suddenly pounced on her hand that was holding the small porcelain bottle tightly! For a moment, Ye Shang was so shocked that he retreated repeatedly, wanting to avoid this pounce.

However, Little White Meow was extremely fast! In one swoop, the back of her hand was torn. It was so painful that she subconsciously let go, and the porcelain bottle in her hand fell naturally.

"Meow!"

Little White Meow quickly grabbed the small porcelain bottle.

"Don't!"

Ye Shang was stunned by this scene. She instinctively wanted to snatch the small porcelain bottle back, but Little White Meow, who had snatched the porcelain bottle, had already dodged and fled into the sea of fire.

In that case...

"The Violet Spirit really knows how to calculate. Fortunately, she gave me an extra bottle." After Little White Meow left for a while, Ye Shang took out a small porcelain bottle of the same model from his storage bag.

Furthermore!

"Since one of my bottles was stolen, I'm innocent now." When Ye Shang thought of this, she opened the porcelain bottle in her hand without any hesitation.

Then-

"Sou!"

A wisp of white mist immediately drilled out of the small porcelain bottle and disappeared into the depths of the sea of fire.

Chapter 135: Powerful and Proud!

"Meow meow."

At the same time, Little White Meow had returned to Ye Qianli's side.

It even sneakily touched the small porcelain bottle that it had snatched, and then happily returned to Ye Qianli's sleeve pocket, ready to continue looting the magic box.

However, as soon as it reached Ye Qianli's sleeve, its little nose twitched! As if he had sensed something amiss, he turned his eyes to look behind him, and then...

"!"

It realized that something was wrong. A strange white fog was coming towards it! That speed was quite fast!

"Meow!"

Little White Meow jumped up and grabbed the white mist with its claws. It scratched the kitten's ears and thought for a while before opening its mouth and swallowing the white mist.

"Burp ~"

After burping, Little White Meow returned to Ye Qianli's sleeve pocket and took out the magic box to continue eating.

".."

Ye Qianli, who was still immersed in her cultivation, was completely unaware of this. She only knew that her fusion with the Nine Heavens Obsidian Flame was now on the "right track".

The Nine Heavens Obsidian Flame had already become 'docile' and allowed her consciousness to reside in the center of the flame. Only then did she clearly know that the true power of the Nine Heavens Obsidian Flame was far beyond her imagination.

“火炎——”

Because when her consciousness sank into the Nine Heavens Obsidian Flame, she suddenly felt invincible! Nothing could not be burned, no matter how great it was, it could be destroyed! I'm touched.

This feeling was very abrupt, but it also seemed very ridiculous. After all, ten thousand eras was so big! How could it be overturned? There were millions of indestructible beings in the world, so how could they not be burned?

But ...

When Ye Qianli entered the body of the Nine Heavens Obsidian Flame, she had this feeling! He was very arrogant and arrogant, but he was so real that he wasn't joking.

Yes!

Nine Heavens Obsidian Flame.

It was one of the world's origin fire seeds, and it was formed by the origin! How could it not burn everything? How could it not overturn the world?

It could.

If it didn't work!

It was because she, Ye Qianli, wasn't strong enough to fully bloom! It belonged to him, to the Nine Heavens Obsidian Flame! The strongest origin energy...

"Do you understand? This is me, the Nine Heavens Obsidian Flame." The Nine Heavens Obsidian Flame's consciousness was still slowly transmitted into Ye Qianli's mind, telling her its pride! And powerful.

And this time...

Ye Qianli felt the arrogance surging in her chest! She slowly replied to that strong belief, "I understand."

This was probably the reason why the Nine Heavens Mystic Flame wanted to control her and not fuse with her.

It was afraid!

He was afraid that she would not be able to fully unleash its power! It was an insult to the name of the Nine Heavens Obsidian Flame.

"Don't worry."

Ye Qianli promised softly.

The Nine Heavens Obsidian Flame's reply was only two words: "I hope so."

Thinking about it, it didn't really believe it at this moment! However, it had no choice but to merge with Ye Qianli instead of becoming Ye Qianli's leader.

But no matter what, Ye Qianli had achieved her wish, so she focused on experiencing it! To comprehend the power of the Nine Heaven Obsidian Flame, to the point that he forgot about time...

..

Four hours later!

"What happened?" Purple Spirit, who had been guarding the entrance of the sea of flames for four hours, was completely puzzled. After all, Ye Shang had already told her that she had succeeded when she came out two hours ago.

She could also sense that the aura of her Nine-Tailed Fox secret technique had indeed been activated! In other words, Ye Qianli must have been attached to her by her secret technique.

In that case, how could Ye Qianli not come out? Did he die inside?

With this thought in mind, Violet Spirit instructed, ""Xuan Lan, leave this place and go to the first floor of the training room to see if Ye Qianli has left."

"Yes, Miss Zi." Xuan Lan, who was called out, went to check it out.

But when the Purple Spirit received the report, she was even more puzzled! After all, Ye Qianli was still sitting on the first floor of the special training room, which meant that she had not left the special training room. Naturally, there was no such thing as death.

"Go find Ye Shang. Tell her that I have something important to discuss with her." Violet Spirit felt that the problem definitely lay with Ye Shang. The Nine-Tailed Fox secret technique she had condensed was definitely not a problem.

Where was Ye Shang now?

Naturally, she was not in the training room.

She was currently in Rong Mo's courtyard!

"Junior Brother Rong, did you hear what I said just now?" Ye Chang stared at the door in front of her. She really didn't understand why the person inside was still indifferent after she had said so much.

If not for the fact that she was certain that the person was inside, she would have suspected that there was no one inside at all.

“ ”
..

However, the answer Ye Shang wanted was only silence!

However, Rong Mo, who was in the room, could still hear everything. He knew that Little White was with Ye Qianli.

"Buzz!"

For a moment, Ye Shang felt that Rong Mo's room suddenly emitted a very mysterious aura! Following that, a faint light enveloped the entire house.

"Junior Brother Rong?"

Ye Shang raised his hand and knocked on the door, wanting to ask what was going on. Who would have thought that when she knocked on the door this time, she would feel as if she had knocked on cotton, as if she had knocked on nothingness?

Junior Brother Rong?! "

Ye Shang looked at the door in confusion. He really could not understand what was going on. However, the Vice Principal, who had rushed over in an instant because of this strange movement, understood.

"Nine Mysteries Nine Revolutions Formation! Oh no, it should be the Nine Mysteries Nine Revolutions Formation! Rong Mo, you actually repaired this ancient formation and used it!" The snow-white Vice Principal was at a loss for words.

One had to know that the Nine Mysteries that he mentioned was a broken formation! It was originally the oldest incomplete formation diagram in the Four Symbol Land. It was rumored that when the Four Symbol Land was still unified, this formation was created by a Divine Inscriptionist.

It was said that this array was a fusion of the power of a Divine Inscription and an array formation. It was both a Divine Inscription and an array formation! Possesses extremely strong defense, transformation, and offensive abilities.

Therefore, when he saw Ye Shang was about to knock on the door, he immediately reminded her, "" Yeshang, don't touch it again. Don't get hurt by accident. "

Ye Shang was stunned when she heard this. She turned around and saw that the Vice Principal of the academy had appeared in the courtyard. She quickly went forward to greet him. " Ye Shang greets the Vice Principal. "

" Yes, go. Don't come here for the time being. Rong Mo should be studying this formation. He won't be coming out anytime soon. " The associate hospital director chased him away and explained.

Ye Shang was stunned when she heard this, but she still nodded and said, ""Ye Shang understands. I'll take my leave now."

However, she did not go far after leaving the small courtyard. She even stood outside for a long time. She did not see the Vice Principal come out, nor did she see any other movements in Rong Mo's room. Only then did she leave with a heart full of doubts.

"Rong Mo, this brat, could it be that his illness is acting up?"

At this moment, the Vice Principal, who was still standing guard in the courtyard, had checked Rong Mo's pulse and knew that although Rong Mo was talented, he had a strange illness that ordinary people could not understand and could not be cured.

However...

" In the past, when this kid fell ill, he had never been so serious. At most, he would come to this old man's place to lie down for a few days. Why did he use the Nine Mysteries Nine Revolutions Formation this time? Could it be that his illness has worsened? " The associate hospital director was a little worried.

Chapter 136: I Can't Bear to Think Back, Scum Biting a Dog!

However, what the Vice Principal did not know was that Rong Mo was definitely a man who was once bitten by a snake and twice shy of a rope! He definitely didn't want to experience it again. He was suddenly done by someone, but he didn't know anything.

In fact, Rong Mo himself was still very confused! How could it be so coincidental? After all, although his illness would act up and his five senses would short-circuit, it would not last long!

At most, it would take an hour, at least fifteen minutes...

The longest time was when he was weakened for an hour! Coincidentally ...

"!"

Rong Mo, who was not at his weakest yet, couldn't help but rub the space between his eyebrows as he recalled the unbearable memories. However, a sneaky face appeared in his mind.

The owner of this face was naturally Ye Qianli! However, although he found out that Ye Qianli was the biggest problem, her condition at that time did not allow her to have the strength.

It was illogical and could not be explained. Her reaction was not inappropriate. Moreover, the Yates family ...

"Since Little White is back, it can always tell." Rong Mo gently stroked the space between his eyebrows, but he could not smooth out the wrinkles. After all, if it was really her...

Rong Mo's brows furrowed even deeper. There was an unknown dark light flowing in his bright silver eyes. However, in just a moment, his aura gradually weakened.

..

At the same time.

Ye Shang, who had just walked out from Rong Mo's side, was blocked by a Black Tortoise student. This made her frown and shout softly, " Get out of the way! "

"Eldest Senior Sister, Miss Violet Spirit has something important to attend to. Please make a trip there as soon as possible." The Black Tortoise students who came to deliver the message naturally wouldn't give way easily. Instead, they quickly conveyed the message.

Ye Shang frowned even more when he heard this! However, she did not want to have too many interactions with the Black Tortoise's people on the surface, so she only said coldly, " What does Purple Spirit have to do with me? Please return. "

"Eldest Senior Sister..."

"Get lost!" Ye Shang's tone became a little heavier when she saw that the person was not tactful.

Due to Ye Shang's special identity, the Black Tortoise hesitated for a moment before opening up a path.

Ye Shang glanced around and did not find anyone from the Vermillion Bird Dynasty. She then heaved a sigh of relief and left. However, not long after, she disguised herself and went to the special training room.

And before Ye Shang went to see Purple Spirit, the Black Tortoise messenger that Ye Shang had chased away had naturally gone back to deliver the message! Violet Spirit knew that Ye Shang had gone to Rong Mo's place after leaving the special training room.

"This good-for-nothing who goes back on his word! I thought she could really do something. It seems that I overestimated her. " Violet Spirit angrily scolded, already certain that Ye Shang had gone back on her words and did not plot against Ye Qianli.

Otherwise, why didn't Ye Qianli come out after Ye Shang left? Ye Shang went to Rong Mo's place the moment she left. She must have gone to complain.

But what Purple Spirit couldn't understand was that Ye Shang came looking for her again not long after!

"Why are you looking for me?" Ye Shang, who had changed his appearance and put on a mask, asked coldly.

When Violet Spirit heard this, she naturally asked in a mocking tone, ""I wanted to ask you. You promised to bring me something and attach it to Ye Qianli. In the end, you ran away at the last minute and even complained to Rong Mo, right?

What were you thinking? If you don't want to do it, I can't force you. After all, you're the daughter of the president. However, you were the one who volunteered to do this."

"What do you mean?" Ye Shang's voice instantly turned cold! Why did she run away? In order to find Ye Qianli, her consciousness body was almost melted and she died.

"Naturally, I meant what I said. Do you think it's fun to play with my Purple Spirit like this? You can act cute in front of Rong Mo, but I can't do anything to you. Isn't that great? Big Sister." Violet Spirit was in a very bad mood as she mocked.

"How dare you!" Ye Shang was furious.

"Alright, Big Sister, don't put on the airs of your Big Sister! Since you didn't do anything to Ye Qianli, how are you going to deal with my secret skill?" Violet Spirit asked straightforwardly.

"Why didn't I give it to Ye Qianli? As long as she's nearby, even if she doesn't get close to you, your secret technique can attach itself to her as long as you use it?" Ye Shang asked angrily.

"Did you really do it to Ye Qianli?" Violet Spirit still didn't quite believe it.

"That depends on whether your secret technique is reliable or not." This time, it was Ye Shang's turn to speak cynically.

Violet Spirit took a deep breath and apologized, "I'm sorry, Senior Sister. I'm a little angry because Ye Qianli hasn't come out yet. I've offended you with my words just now. Please forgive me."

"Humph!" " Humph! " Ye Shang snorted. " It seems that your Nine-Tailed Fox Secret Skill is only so-so. It can't affect Ye Qianli at all. "

"This is impossible! As long as she falls for it, she won't be able to sit still. She'll definitely come looking for me. " Violet Spirit immediately retorted.

"Then what's going on?" Ye Shang asked.

"Are you sure you really possessed her?" Violet Spirit felt that there was definitely something fishy about this matter.

"Naturally!" However, Ye Shang was certain that Ye Qianli was nearby!

"Tell me the details. I'll analyze it." Violet Spirit still felt that something was amiss.

Fortunately, although Ye Shang was very unhappy, she still explained it and emphasized," Little White Meow came in with Ye Qianli. Since it's there, Ye Qianli must be nearby! "

"That strange cat is here too? Isn't it a tamed beast? How can it come in?" The Violet Spirit, however, was dumbstruck upon hearing this.

"If you ask me, who should I ask? So now, you can admit that your secret technique is just trash!" Ye Shang was also filled with a belly full of evil flames, feeling that this Purple Spirit was truly incapable of accomplishing anything but was good at spoiling things.

"There's no problem with my secret technique!" Violet Spirit was adamant, but she knew that there was definitely a problem here. Thus, she said, " Why don't you go again? It's best if you can see Ye Qianli with your own eyes. "

"Impossible! I've already told Rong Mo that you wanted me to frame Ye Qianli. I wanted to go to the sea of flames to warn Ye Qianli, but I didn't want his tamed beast to snatch the thing you gave me. Do you think I can go in again?" Of course, Ye Shang refused!

When Violet Spirit heard this, she couldn't help but laugh. " Eldest Senior Sister is indeed Eldest Senior Sister. I was wondering why you were willing to help. So it turns out that you're using me instead. However, since you're wearing a mask, what are you afraid of? "

"That cat! Unless your people lure the cat out first."

"Deal!" Violet Spirit immediately made up her mind. Wasn't it just a gluttonous little tamed beast? She had her own ways to lure it out, but she would have to wait.

After all, the kitten was seven to eight hundred miles away. She had to find someone to go at least five to six hundred miles away to be able to lure this kitten. In that case ...

By the time Violet Spirit found Xuan Bing Yan, who had recovered from his injuries, it was already half a month later! After all, Xuan Bingyan was severely injured by Ye Qianli on the sparring stage.

When Xuan Bingyan was brought into the training room, Ye Qianli, who was still cultivating in the sea of flames, also changed! Or rather, the entire sea of flames had changed!

"Zi, zi zi..."

The sea of flames around Ye Qianli was slowly pushed back by the fire of her innate talent! Spread out.

Chapter 137: Born from Fire!

Under such circumstances...

Logically speaking, it shouldn't have appeared at all!

This was because the sea of flames was just as Ye Shang had thought. It was constructed according to the level of one's talent! That is--

Since Ye Qianli had awakened the Seventh-Grade Nine Heaven Obsidian Flame, the intensity and heat of the flames in the 799-mile area of the Flame Sea were compatible with her innate fire.

In other words!

According to Ye Qianli's current position, even if she had already fused with the Nine Heavens Obsidian Flame to the Perfection Realm, the Nine Heavens Obsidian Flame she released should have fused with the fire in the Flame Sea!

It was not like now, where he could actually force back the flames of the sea of flames.

"Sou!"

As soon as the strange phenomenon appeared, Little White Meow, who was still in Ye Qianli's sleeve pocket, immediately dashed out with the magic box.

"Bang!"

Almost at the same time, the fire of talent that leaked out of Ye Qianli's body surged! Waves surged out like waves, vast soup! The momentum was majestic.

"Boom!"

As a result, the entire sea of flames exploded with a series of muffled sounds. Following which, there were also waves of tremors that caused quite a bit of commotion. They spread in all directions and spread across the entire sea of flames, alarming all the students who were cultivating there.

"Chi..."

Even the entrance to the sea of flames, the fiery door of illusion! At this moment, it was so shocking that sparks flew out.

"This is..."

Such a situation shocked Xuan Bingyan, who was about to enter the sea of flames, and he took two steps back.

"What happened?"

Violet Spirit's expression also changed slightly. Although she did not have any fire attribute talent and had never entered the sea of flames, she had been to other training grounds, so she could more or less tell that this situation was not normal.

"It should be Senior Brother Cheng. He might be about to break through." Ye Shang, who was also "on standby", said with certainty.

"Cheng Haoran?" Violet Spirit immediately asked.

"Of course. Other than him, do you think it was Ye Qianli who caused the commotion?" Ye Shang mocked Violet Spirit.

Purple Spirit was speechless.

She was becoming more and more shameless towards Ye Shang. Why did she have to build a chastity memorial archway after being a whore? He was obviously not a good person, but he still had to put on a high and mighty airs.

If not for the fact that he still wanted to use her!

Violet Spirit really wanted to give her a good beating behind her back.

"I think it might be Ye Qianli. After all, although Cheng Haoran's fourth talent is the Heavenly Fire Beast, it's only at the sixth rank. Even if he's about to break through, it's not enough to cause such a big commotion." Xuan Bingyan said from the side.

As soon as he said that!

"What do you mean?" Ye Shang had a feeling that Xuan Bing Yan was mocking her. After all, her third talent was only at the sixth grade.

Violet Spirit immediately knew that things were not going well and immediately tried to smooth things over. "Alright, stop talking. Won't we know what's going on when we go in and take a look? Bing Yan, you can use this chance to lure that little meow out. It would be best if you can bring it out, lest it spoils things."

"Since sister-in-law has instructed me, I will naturally do it." After Xuan Bingyan said that, he glanced at the masked Ye Shang, not knowing who she was.

However, as soon as Xuan Bingyan stepped into the sea of flames, Ye Shang said sarcastically, "" It seems that you and Xuan Tianyan are getting closer. I wonder which concubine you are? "

Violet Spirit almost wanted to say, " You want to be Rong Mo's concubine, but the problem is that he doesn't want you! "

However, since the Violet Spirit was able to climb up from beneath the tens of millions of people of the Zifu, she wasn't the kind of person who couldn't keep her cool. Thus, she pretended not to hear anything.

Ye Shang, who didn't get any response, felt even more depressed. She went into the sea of flames angrily. She wanted to see what was going on inside and help Xuan Bingyan attack Ye Qianli again.

After all, as long as Violet Spirit succeeded, she would be able to control Ye Qianli with her Nine-Tailed Fox Bewitching Secret Technique! Violet Spirit had also said that she would order Ye Qianli to perform a strip dance in front of everyone!

Ye Qianli, oh Ye Qianli! How can you still be the Vermillion Bird Crown Princess...

..

At the same time.

"Chi, chi chi..."

Ye Qianli had already unleashed her nobility within a radius of twenty to thirty miles! The cold and elegant Nine Heavens Obsidian Flame burned.

If it wasn't for the fact that there was no one in the area where she was, there would definitely be students who couldn't dodge in time and would be severely injured by the fire! After all...

"Meow!"

At this moment, Little White Meow, who had already run to the periphery, felt a lingering fear. It touched the lush white fur that had grown back on its body with great difficulty.

If it wasn't for the fact that he ran fast! It was probably burned bald again...

It wasn't like the others who were virtual. It had entered with its main body! So what if it was burned? This special training room couldn't simulate its fur.

"Who is it?"

While Little White stroked its fur in fear, Cheng Haoran, who was the closest to Ye Qianli in the sea of flames, was standing in front of her. At this moment, he was naturally completely awakened.

But he really didn't understand. Who was it? He could actually stir up such a huge commotion in a place deeper than him? Could it be...

"Junior Sister Ye?" Cheng Haoran thought about it and didn't know that Ye Qianli had appeared in the academy because he had been in seclusion here for nearly a month.

But immediately after!

He was certain that the person inside was not Ye Shang because-

"Bang!"

There was a streak of blazing fire that shot into the air like a heavenly dragon! At this moment, it was like a goddess scattering flowers, blooming in the sky above the sea of flames.

Most importantly!

“!”

Cheng Haoran's pupils constricted when he saw a figure! Under this dazzling sky that was like a blooming flower, flames burst out.

Just a glance...

Cheng Haoran, who had focused all his attention to see this figure, was immediately caught by the fire in his eyes! Flame armor, porcelain skin like snow, eyebrows like a painting, gorgeous and burning! The woman was stunned.

The most important thing was!

There was even a bright red spot on her forehead! A supreme and noble flame flower was born...

"This ... Is it the Fire God..."

At this moment, Cheng Haoran didn't have the slightest desire to flirt. He only felt that the person who appeared in his eyes was the most noble! A woman who was extremely beautiful and seemed to be born from fire was a god! The God of Fire.

As a result, when the phenomenon in the sea dissipated and the person in front of him had long disappeared, he was still stunned on the spot! He couldn't figure out if what he saw was an illusion or the real world.

“ .. ”

At the same time, Ye Qianli, who had already calmed herself down, was still emitting a scorching light from the flower of fire between her eyebrows!

"Meow, meow, meow ~"

When Little White Meow, who had already run back, saw this, its eyes were full of amazement as it sighed repeatedly, as if it was saying, " No wonder my little Momo was tempted. She's so beautiful. "

"Bam!"

The beautiful little white cat licked the magic box in its hand again!

"F * ck! What the hell?"

The magic box, which had been slowly recovering, was completely awakened by its wet licking! However, it had just woken up and obviously didn't understand the situation, so it sent a bullet comment to Ye Qianli.

“ .. ”

Ye Qianli, who was still in the final stage of her seclusion, naturally did not respond to the magic box.

"Meow?"

Although Little White Meow did not see the bullet screen, it could feel that something was wrong with the magic box. It immediately stared at the " food " in its hand with wide eyes and a vigilant expression.

Chapter 138: Caught on the Spot!

Where's the Magic Box?

"!"

If the magic box had eyes, it would definitely be staring at Little White with a terrified expression! However, it did not, so it looked as usual.

"Meow?"

Little White was ready to lick it again! However, just as its little tongue stuck out...

"Sou!"

The magic box flew toward Ye Qianli at lightning speed! He felt that the entire box was not good. What the hell was this thing!

Why did he lick it?

"Wow!"

Little White Meow's eyes lit up. It turned around and chased after Ye Qianli. It was so scared that the magic box disappeared with a swoosh.

"Meow?"

Little White was dumbfounded.

The key was that no matter how hard it searched, it could not find the magic box. After all, it was so scared that it had already hidden in the ancient battlefield to calm down.

..

At the same time, Xuan Bingyan, who had already entered the sea of flames and quickly reached 500 miles away, took out special porcelain bottles and opened them one by one.

The spiritual aura of the pill, spirit herbs, and beast cores slowly spread out. Under Xuan Bing Yan's innate power, they continued to spread into the depths of the sea of flames.

However...

"!?"

The smell didn't tempt Little White Meow. After all, it was busy looking for the magic box at the moment. However, Cheng Haoran, who was more than 600 miles away, had just come back to his senses and smelled it.

"What's going on? Why is there such a dense and complex aura?" Cheng Haoran pondered for a moment and then went to the source of the aura.

"Senior Brother Cheng, you're really here." However, Ye Shang's voice rang out.

Cheng Haoran couldn't help but stop in his tracks when he heard that. He looked towards the source of the voice and saw a woman wearing a mask and dressed completely different from her usual nightgown.

"What, Senior Brother Cheng doesn't recognize me anymore?" Ye Shang took off her mask and slowly walked toward Cheng Haoran.

Cheng Haoran, who saw who it was, smiled and said, "'It's really you, Junior Sister Ye. If you hadn't called me, I wouldn't have recognized you at all."

"I naturally have to stop you, Senior Brother, so that I can be the first to congratulate you on your breakthrough. From the looks of it, you've gained quite a lot." Ye Shang also congratulated him with a smile.

"Hahaha ... Junior Sister Ye, what are you saying? Although I've broken through, the commotion just now wasn't caused by me. I still want to ask you, during the month I was in seclusion, did the new batch of students have a fire attribute super genius?"

Although he was still uncertain, Cheng Haoran felt that the woman he saw just now could also be a freshman. However, he remembered that there was only one special enrollment student this year. It was said that she was the Vermilion Bird woman who had awakened a fifth-tier Nine Mysterious Heavenly Flame.

"Not you?" But when Ye Shang heard this answer, he was completely stunned!

Because she knew that if it wasn't Cheng Haoran, it could only be Ye! A thousand! Li! After all, in this sea of flames, these two people had the highest awakened talent.

"What's wrong?" Seeing Ye Shang's expression, Cheng Haoran could not help but ask with concern.

Ye Shang shook his head and smiled. "It's nothing. I thought that you had a great breakthrough and stirred up this sea of flames. Now it seems that it's Junior Brother Rong's fiancée who caused such a big commotion."

Junior Brother Rong's fiancée?! "Cheng Haoran was obviously surprised by this form of address.

"Yeah, you didn't expect it, did you? I used to joke that with Junior Brother Rong's cold personality, he was probably going to be lonely. I even wanted to sacrifice myself to marry him. Now it seems that there's no need." Ye Shang said with a smile.

"That's true..."

Cheng Haoran also smiled, but the scene he saw earlier unconsciously appeared in his mind, so he said, "That girl is very beautiful, right? The person I saw just now should be her. She's a good match for Junior Brother Rong."

"!"

When Ye Shang heard this, his eyes could not help but narrow slightly. However, he had a plan in his mind and said, "Senior Brother, you saw someone? Where is it? Bring me there to take a look."

"This..." Cheng Haoran was a little confused.

However, Ye Shang's tone was slightly sad. "Senior Brother Cheng, you don't know. Although I was joking in the past, I was actually worried about Junior Brother Murong. Now that he has a fiancée, I naturally can't do this. It's just that I can't accept it."

"Junior Sister Ye..."

When Cheng Haoran heard this, he somewhat understood why Ye Shang's expression was so bad when she heard that he was not the one who stirred up the phenomenon.

"She's also a Divine Inscriptionist, but I originally thought that in the Dao of Fire, even if her innate talent was better than mine, I've been immersed in the Dao of Fire for a long time and should be superior to her. I didn't expect..." Ye Shang sighed bitterly. What he said was the truth.

Yes, it was!

She had thought that no matter what, she, Ye Shang, would be the number one in the path of fire, at least in the Genius Academy! But now?

Ye Qianli was only a level one talent, yet she could cause such a huge commotion in the sea of flames! Why? Naturally, she was the only one who could...

The Dao of Fire that could be comprehended! And the fusion with the innate fire was far beyond common sense. That was why it could cause such a huge commotion.

"But she's seven to eight hundred miles away. I'm afraid that you and I ..."

"Let me try." Ye Shang looked up at the depths of the sea of flames and muttered.

In fact, she knew that the commotion just now was caused by Ye Qianli! Ye Qianli should be at the most critical moment of her secluded cultivation, so it would be best for her to go now.

"Let's go. I'll accompany you." Seeing Ye Shang so depressed, Cheng Haoran finally agreed.

But in reality, Ye Shang had already expected him to agree! She had always known that he liked her. However, she had always been in love with Murong Mo, so she pretended not to know.

With Cheng Haoran accompanying her, she would cover up later, even if the little white cat was still there! She would be able to make her move smoothly without Rong Mo's suspicion. After all, she had a witness.

However, waiting for Ye Shang to follow Cheng Haoran was extremely difficult! But when he finally saw Ye Qianli, he didn't see Little White Meow.

"It's her." Although Cheng Haoran no longer had the reverence of a god when he saw Ye Qianli up close, he still felt that the woman before him was noble and outstanding, like a goddess.

Especially the flower on her forehead, it seemed to have its own divinity, beautiful and elegant! Unattainable.

"Looks like my cultivation level is not high enough. I can't see clearly because of the fire fog in the sea of flames." Although Ye Shang could see Ye Qianli who was more than ten miles away, she could not see her clearly.

"I can only see further in the sea of flames because of my talent. However, we really can't get any closer. Otherwise, not only will we be burned, but it will also affect this junior sister's cultivation." Cheng Haoran explained.

Ye Shang nodded, but she didn't want to get any closer. This distance was enough. After standing for a while, she pointed in a direction where Ye Qianli couldn't be seen and said, "Senior Brother, look, what's that?"

Cheng Haoran did not suspect anything and naturally looked in the direction Ye Shang was pointing at. Ye Shang's other hand had already opened three porcelain bottles.

But immediately after!

Without waiting for Ye Shang to put away the three porcelain bottles, her ears suddenly rang! "Senior Sister Ye, you're here too?" A greeting sounded.

Chapter 139: Big Production!

“!”

Ye Shang's heart tensed up, and even her breathing stopped because she was very familiar with this voice. It was Ye Qianli's voice.

But ...

Wasn't Ye Qianli cultivating?

But ...

No matter how hard Ye Shang found it hard to believe, when she retracted her gaze, the person in front of her was Ye Qianli! It was really Ye Qianli, the Ye Qianli that she couldn't even see clearly from more than ten miles away.

This ...

"Is this junior sister disturbed by us?" Cheng Haoran, who hadn't done anything wrong, came back to his senses quickly and asked apologetically.

Ye Shang, who was stunned by his words, regained his senses. He subconsciously tightened his grip on the empty porcelain bottle in his hand and said with a stiff expression, ""Junior Sister Ye, no...Sorry ... We..."

"This is..." Ye Qianli, who had woken up long ago and noticed the arrival of these two people, looked at Cheng Haoran suspiciously.

Cheng Haoran immediately cupped his fists and said, ""I'm Cheng Haoran, a sixth-year student of the academy. I should call you senior brother. However, this matter was indeed rude by Junior Sister Ye and me. We're really sorry."

"That's right. I'm sorry, Junior Sister Ye. Because the commotion here was very big just now, I was too curious, so I asked Senior Brother Cheng to bring me here. I didn't expect to disturb Junior Sister's cultivation. I'm really sorry, you ... Are you alright?" Ye Shang also asked tentatively.

After all, she had opened all three porcelain bottles! If Ye Qianli had been hit by the Nine-Tailed Fox's secret technique, she would definitely have gone to find the Purple Spirit and told her about it! Obedience.

One had to know that Nine-Tailed Fox's greatest ability was to confuse people! Confusion.

But Ye Qianli's condition seemed too normal?

"It's fine. I just wanted to mention that those who came earlier ended their cultivation. However, did you see a little kitten on the way here?" Ye Qianli asked calmly.

However, when Ye Shang heard this, his eyes lit up slightly and he asked, ""Little Meow Meow? Is it Junior Brother Rong's tamed beast?"

"That's right. It was with me before. I didn't expect it to disappear after I closed my door." Ye Qianli said worriedly.

"If it's Junior Brother Rong, that little thing, you don't have to worry. It's done playing and will go back." Ye Shang said with a smile while secretly heaving a sigh of relief.

Since Little White Meow wasn't here, the secret skill she had just released must have belonged to Ye Qianli! It was just that this Nine-Tailed Fox secret technique would most likely need some time to fully activate.

"Senior Sister Ye knows it well. That's good. I'll go out first. Senior Martial Brothers and Senior Martial Sisters, do you want to stay or leave together?" Ye Qianli asked.

"I..." Cheng Haoran wanted to say that they would leave together.

"Junior Sister Ye, go back first," Ye Shang interrupted.

"Alright, then Senior Brother and Senior Sister can cultivate slowly. Junior Sister will go back first." Ye Qianli didn't seem to suspect anything. After bidding farewell, she turned around and left.

Ye Shangfei dragged Cheng Haoran and stayed in the same place for a long time until she couldn't take it anymore and felt like she was going to melt. Only then did she agree to go out.

After all, it would be difficult to explain to Rong Mo in the future if he went out too early. Secondly, with Cheng Haoran's personality, if he saw Ye Qianli being set up, he might help her.

"Junior Sister Ye, why are you doing this..." Cheng Haoran naturally only thought that Ye Shang did not want to leave with her love rival so as not to worry, so she was holding on so stubbornly.

Senior Brother Cheng, you don't understand. " Ye Shang replied with a bitter smile as she staggered forward slowly with Cheng Haoran's help. However, she was extremely excited in her heart!

After all, she knew very well what the Purple Spirit would do to Ye Qianli! And as long as the Purple Spirit succeeded, Ye Qianli...How could she be worthy of Rong Mo?

..

At the same time.

"Are you sure that little cat ran away on its own? You didn't do anything to it, did you?" Ye Qianli suspected that the awakened magic box had done something to Little White Meow.

"I didn't! That damn thing, I can't even avoid it. " The Magic Box was really wronged.

"Then why did it run away?" Ye Qianli still didn't believe it. Her intuition told her that Little White Meow had been chased away by the magic box.

"How would I know!" The Magic Box's bullet screen was furious. It felt that it had nothing to do with it! It was better that the cat had run away. Otherwise, why would he keep licking it?

Don't think that it doesn't know! When it woke up, it realized that its entire body was filled with the smell of cats! This smell was definitely from that little cat!

Damn it...

So disgusting!

Lick its entire body while it was still?

F * ck!

No, the more he thought about it, the more disgusted he felt.

“ .. ”

Ye Qianli, who was full of doubts, naturally did not know how traumatized the Magic Box was at the moment. Of course, she would not tell it that she had tacitly allowed Little White to lick it.

However, she was a little worried about the little meow...

But soon, when she walked out of the sea of flames, she realized that her worries were unnecessary.

"Meow!"

At this moment, Little White Meow was clearly in the enemy camp, eating all kinds of beast elixirs, elixirs, and spiritual medicines. It was living a very comfortable life.

Such a scene...

"Look! I told you it ran away on its own. It went to the enemy to eat." The Magic Box was furious, indicating that this cat was indeed not a good thing.

As for Ye Qianli?

She did not respond.

"You're finally out. I've been waiting." This time, the Purple Spirit finally saw Ye Qianli. It stared straight into Ye Qianli's eyes and said slowly.

Ye Qianli's eyes, under the gaze of the Purple Spirit, gradually became blurry and unfocused.

"Ha..."

Violet Spirit smiled when she saw this, because she knew! Ye Shang was finally reliable this time. Ye Qianli had been hit by her Nine-Tailed Fox secret technique, Bewitching Heart.

Since that was the case!

"Bing Yan, I'll have to trouble you to invite everyone in the Flame Sea out. Let them see the striptease show put on by Rong Mo's fiancée, the new number one genius of our academy." Violet Spirit instructed with a chuckle.

Other than that, she also told the other Xuanwu students to spread the news! At this moment, the students in the special training room gathered at the entrance of the sea of flames.

This was not the end!

"Xuan Lan, go and inform His Highness that everything is ready. Ask him to seal off the news in the special training room. Don't let Rong Mo's people come and disrupt this big show." Violet Spirit warned.

Therefore ...

"Director Xuan has ordered that due to the changes in the Flame Sea, access to the special training room is temporarily suspended!" In just a moment, the special training room of the academy, which anyone could enter and leave freely as long as they had credits, was locked down.

For a moment!

The people outside the special training room could not enter, and the people in the special training room naturally could not come out. Of course...These people who could not come out soon received a piece of news.

"Have you heard? The number one genius of this year! Psycho Rong's fiancée, Ye Qianli, is going to strip at the entrance of the Flame Sea."

"F * ck! That explosive? What happened?"

"Of course I was ambushed. It's said that I was hit by that Purple Spirit's Nine-Tailed Fox Confusion Secret Art. This is good for us bachelors. We're in for a treat."

"What a blessing! Aren't you afraid that you'll be blinded by pervert Rong later? I'm not going...However, if we were forced to do so, Psycho Rong wouldn't vent his anger on us, right?"

Chapter 140: Death Reaping Dance!

"What? Department Director Xuan sealed off the special training room?" At the same time, Red Knife, who had received the news outside, was the first to lose his patience!

Although he didn't know what happened in the training room, he knew that Ye Qianli was still inside! And the person who sealed the training room was Nan Xuan!

"I have to find Senior Brother Rong, otherwise, how can Little Qianli win against those scheming turtles?" Red Knife made up his mind and rushed to find Rong Mo.

However, when he arrived at Rong Mo's courtyard, he discovered that there were actually two managing teachers guarding Rong Mo's courtyard! This ... Uh ...

"What's wrong with my Senior Brother Rong?"

Red Knife felt that the problem was a little big. He had only been away for more than half a month. How did Senior Brother Rong's place upgrade? There was even a managing teacher guarding the courtyard?

In the end, these two managing teachers were really just gatekeepers! He didn't answer any of the questions and refused to let Red Knife in.

"The Vice Principal has instructed that no one is allowed to enter. Please return." No matter what Red Knife said, he received the same reply. Red Knife was about to explode.

However, even if he exploded, the managing teacher did not have the slightest intention of compromising...

Furthermore, he had been causing a ruckus for so long, but Rong Mo had not come out. He knew that something must have happened! It was useless for him to continue tormenting here.

"Looks like I can only look for Teacher Feng." Red Knife had no choice but to look for Feng Lihuan. Unfortunately...She couldn't find him...

"++! What was going on? Why did they all disappear at the critical moment? What about Little Qianli? She's so stupid. Wouldn't she be eaten up if she stayed in the special training room alone?" Red Knife was extremely anxious.

After all, he knew very well that Ye Qianli's biggest trump cards, the Direwolf Beast and the Vermilion Bird's tail feathers, could not be used in the training room.

Ye Qianli herself was only a beginner level one talent, no matter how talented she was! It was a seventh tier Nine Heavens Obsidian Flame, but her opponent was not weak either.

Not to mention anything else, just the Purple Spirit! The Purple Spirit's second innate talent was the seventh-rank nine-tailed fox, which was on the same level as Ye Qianli! Most importantly...

The Purple Spirit was a second rank talent!

"Without the Vermilion Bird tail feathers! And Qian Li's talent had long been exposed, and she only had a purple spirit! Even Qian Li is no match for him." The more Red Knife thought about it, the more frustrated he became.

Everyone knew that Ye Qianli had eliminated the Purple Spirit in the previous competition between the new and old students! It was mainly based on luck and unexpected fast attacks.

Purple Spirit already knew that Ye Qianli's Innate Spiritual Fire was the Nine Heavens Obsidian Flame! How could she be careless? In addition, he could not use the Vermilion Bird's tail feather, and he could not summon the Sirius Beast in the special training room.

"No! I have to enter the training room." Red Knife felt that Ye Qianli must be in trouble with the Black Tortoise! He really couldn't sit still.

In fact, what Red Knife had expected was right!

At this moment, almost all the people from the Black Tortoise Dynasty in the Genius Academy were doing their best to make things difficult for Ye Qianli.

As for Nan Xuan, he had already called for an emergency meeting of the teachers! He gathered all the teachers, including Old Zhu and Feng Lihuan.

This was also the reason why Red Knife could not find Feng Lihuan.

All the Black Tortoise students were running around to tell each other! Gather all the students in the special training room and head to the entrance of the sea of flames to watch the show.

Thus, it only took fifteen minutes!

The entrance of the Flame Sea was already overcrowded.

"Do you see that woman in the white dress? That is Ye Qianli! Half a month ago, I saw her on the sparring stage. At that time, she was so energetic. I didn't expect ..."

"She's indeed beautiful! She was completely different from that coquettish Purple Spirit. One look and one could tell that she was a lady from a wealthy family. She was magnanimous! Noble, no wonder she was chosen to be the Vermillion Bird Crown Prince Consort. Even Pervert Rong took good care of her. "

" That's right. It's a pity that after today's incident, she's probably not fated to be with Pervert Rong anymore. Even if Pervert Rong doesn't mind, the Vermillion Bird Dynasty won't want a Crown Princess who has been disrespectful in public and has such a big stain on her reputation. "

Most of the onlookers who had gathered were discussing regretfully. They really wanted to see it. After all, most people had bad habits.

Of course, there were also a few students who did not come over even though they were in the special training room...

“ .. ”

Seeing that everyone who was supposed to be here had arrived, the smile in Violet Spirit's eyes naturally grew wider and wider! She knew that it was about time.

"Since everyone is here, the show should not be delayed." Violet Spirit cleared her throat and looked up at Ye Qianli, who was clearly in a daze.

“!”

After Violet Spirit finished speaking, the noisy scene fell into silence. Everyone's eyes were burning as they stared at Ye Qianli!

Whether it was a male student or a female student...

"Jump, jump! After you finish dancing, the Prince Charming won't belong to you anymore!" This was what most of the female students thought.

"Jump, jump! I wonder what kind of flirtatious scene Rong pervert's fiancée will look like when she dances a striptease?" This was what most of the male students thought.

" Ye Qianli, I order you to strip. "

At the same time! Violet Spirit's hoarse voice rang out amidst everyone's anticipation and desire. It was as if it had its own hallucination effect.

Quite a number of male students felt their hearts flutter when they heard this...

Ye Qianli's hand grabbed onto her clothes!

“!”

Many male students held their breaths!

“!”

Many female students widened their eyes!

Everyone knew-

This great show was really about to begin!

“ .. ”

At the same time, Ye Qianli's waist swayed gently, like a willow swaying in the wind, soft and gentle! The spring scenery is full of swaying.

“!”

A large group of people at the scene thought that they were only watching him strip! The crowd that wasn't dancing was stunned for a moment! Probably no one expected him to be so domineering!

Summon Wolf Maniac!

Decisive killing!

Noble and noble! Ye Qianli was actually able to put on such a flirtatious look...

“ .. ”

Not even Violet Spirit had expected Ye Qianli to be able to dance. Furthermore, it was obvious at a glance that she was a true dancer.

However, what she wanted was such a stunning effect!

The more stunning it was, the more people talked about it, and the more this matter could not be hidden! When Ye Qianli regained consciousness, she would not be able to get over it.

This would leave an indelible shadow in Ye Qianli's heart! This was naturally the effect that Purple Spirit and Xuan Tianyan wanted.

This was equivalent to crippling the genius Ye Qianli!

After all, that woman could calmly face the humiliation of him stripping in public? Even if this was the special training room! Everything was virtual.

But everyone knew!

The virtual effects of the special training room were so realistic.

..

As for Ye Qianli?

"Swoosh-"

She, who was full of spring with a shake, even pulled at him with her bare hands at this moment! She pulled off her outer robe and the snow-white robe flew out with a gust of wind when she turned around!

"Whoosh!"

The scene was in an uproar! It felt like a climax.

“火——”

Ran! Under the snowy white clothes, there was a beautiful fire.
