Chapter 141: Inviolable Pride!

"Sou!"

Almost at the same time, Ye Qianli's robe was ripped off! Many people only heard the sound of wind breaking, but countless screams erupted at the scene.

"!"

For a moment...

The sky was filled with fireworks and starlight.

"!"

"?"

".."

So stunning! The dazzling scene completely stunned the surrounding crowd. No one could understand what was going on.

Only the Purple Spirit!

The moment Ye Qianli took off her robe, she had already sensed that something was wrong. However, just as she was about to warn her...

"Sou!"

Several murderous auras shot out! The stars that were as fast as light had already exploded towards her forehead, eyes, and throat! Heart, liver, lungs, dantian!

Six routes!

"Swoosh!"

At this moment, he quickly leaped into the air! Violet Spirit, who had managed to dodge the six attacks, stared coldly at the white flash in her eyes. She knew! She was tricked by Ye Qianli again.

Ye! A thousand! Li!

He wasn't affected by her Heart Confusion Secret Technique at all! He was not under her control at all.

..

“!”

Therefore, when the screams at the scene disappeared, the more than ten Black Tortoise students who were originally "maintaining order" at the scene had disappeared without a trace.

Even Xuan Bing Yan! This person who seemed to be able to fight with Ye Qianli in the past had disappeared without a trace at this moment...

There was only one reason!

Xuan Bingyan and the other Xuanwu students were instantly stunned! They were all killed by Ye Qianli.

“!”

This realization caused the eyes of the silent audience to widen! His eyeballs almost popped out of their sockets.

“..”

However, when everyone saw the dazzling star radiance and blazing flames floating in front of the entrance of the sea of flames! Countless blood star shaped hidden weapons, who wouldn't understand that this was the truth.

What striptease?

It was simply a death dance!

What beauty?

It was really a knife on the head of a pervert!

"Pa!"

"Pa pa pa..."

However, someone in the crowd was clapping.

"Pa, pa, pa..."

All of a sudden, most of the people who had come to watch the show with dirty hearts also followed suit and applauded. After all, this was indeed a super show.

It was just that it was different from what they had imagined.

"!..."

It was also different from what Ye Shang, who had finally walked out of the sea of flames, had imagined!

On the other hand, Cheng Haoran, who was holding Ye Shang as he walked out, was once again stunned by Ye Qianli! He looked at the hidden weapons that were still suspended in the air in front of him in shock. They were still in the state of having just "killed" people. It was simply ... It was unimaginable.

"One, two, three..."

Cheng Haoran quickly counted and found that there were a total of 108 hidden weapons! And every single one of them was scattered in different corners, completing different "missions".

Most importantly!

They were sent out at the same time! But each of them was in charge of his own life.

"How did you do it?"

Cheng Haoran couldn't imagine how Rong Mo, his little fiancée, did it!

After all, he knew very well that he had to do this! Such a stunning step required a terrifying amount of spiritual energy and a delicate technique! A meticulous mind.

What Seven Clever and Exquisite Heart was not enough to describe it!

He had to have a hundred and eight hearts to be able to do it perfectly! With one heart, he dispatched a hidden weapon to complete this assassination without any deviation.

Such ability, like a demon!

No wonder ...

" No wonder she's Junior Brother Rong's fiancée. "

Cheng Haoran suddenly felt that this little girl in front of him was probably the only one in the world who could become the fiancée of his perverted Junior Brother Rong. They were a perfect match!

"Pfft-"

When Ye Shang heard this, he vomited blood. He really vomited blood!

This made Cheng Haoran, who was still in shock, come back to his senses and hold Ye Shang tightly. " Ye..." Junior Sister! Junior Sister, you, you ... Why don't we go out first?"

"Pfft-"

Ye Shang, who had vomited a few mouthfuls of blood, shook his head and looked at Ye Qianli, who was not far away, unwillingly! She did not understand why...How could this be?

She had already released the three Nine-Tailed Fox Bewitching Secret Skills, and Little White Meow was not around! How could Ye Qianli dodge it? How could it be?

" You're already in this state, and you're still worried about Junior Brother Rong's fiancée? " However, the way Ye Shang looked at Ye Qianli made Cheng Haoran think that she was worried.

After all, in Cheng Haoran's eyes, and even those who knew Ye Shang in the academy, Ye Shang was a straightforward person! The generous Big Sister.

In fact, before Ye Qianli appeared, Ye Shang was indeed such a person!

As the beloved daughter of the president of the Divine Inscriptionist Guild, coupled with the halo of a genius alchemist, the clan had high hopes for her. She naturally had the demeanor of the eldest daughter of the clan.

She was thorough! There is a limit to the arrangement.

Many people who had interacted with Ye Shang felt that she was a very comfortable big sister, but...

Who would know!

Would Ye Shang do such a despicable thing to Ye Qianli? Unless they saw it with their own eyes, almost no one would believe it.

Including Ye Qianli!

“ ”
..

Feeling Ye Shang's gaze, Ye Qianli withdrew her hidden weapon and put on her robe. Then, she looked back at Ye Shang.

Yes, it was.

Of course, Ye Qianli knew that Ye Shang had appeared near her to ambush her!

Even though she didn't know what the three wisps of white mist were at that time. However, the aura of the Purple Spirit on it made her very clear that Ye Shang and the Purple Spirit were in cahoots.

Thus, she had played along when she encountered the Purple Spirit! Go with the flow.

If the Violet Spirit looked at her, she would look back.

Since there was a hint of confusion in Violet Spirit's eyes, then she would pretend to be bewitched.

However, Ye Qianli didn't expect Violet Spirit to ask her to strip in front of everyone!

"Not bad."

Ye Qianli tidied up her outer robe and no longer looked at Ye Chang. Instead, she raised her eyebrows and looked at Violet Spirit with a smile. She took the opportunity to size up Violet Spirit's curvaceous figure inch by inch.

"However, my figure isn't very good. If Miss Violet Spirit were to dance, she would be even more dazzling. Why don't we have a bet? Miss Violet Spirit." Ye Qianli said.

Violet Spirit was such an intelligent person! Naturally, he understood what Ye Qianli was planning to do.

Ye Qianli was also very happy!

She only paused for a moment before continuing, "I've always been an open and honest person! For example, the army of the north and the Vermilion Bird Dynasty, if they want to see me strip, they can! Do you dare to fight me fair and square?"

"Whoosh!"

Ye Qianli's words caused an uproar!

Many of the students who had come here with dirty hearts felt ashamed when they saw Ye Qianli's stern face and untouchable pride! I'm ashamed...

"Today, I, Ye Qianli! I challenge you, Purple Spirit, to a duel, the loser! Don't strip in this special training room. Let's go to the school's training ground! Do you dare?" Yet, Ye Qianli was still very powerful!

He directly raised the stakes.

Chapter 142: Heavenly Dao's Joint Verification!

“!”

For a moment, the crowd fell silent because Ye Qianli was right! He was going to the training ground to strip, not here.

The academy's training ground was also where the students of the academy sparred! Private fights were held at the venue of grand competitions. It was a good place to accommodate the entire academy's students!

Ye Qianli immediately set the location for the striptease! This was really...

“..”

All the spectating students expressed that they would not talk about anything else! Only this boldness, this spirit! Let them admit defeat and be convinced, alright?

The key problem was!

Ye Qianli was only a level one talent! She dared to challenge the Purple Spirit.

Who was the Purple Spirit?

Even if she had recently become a slut and the representative of a scumbag mistress! Many people scolded her for relying on men to get to where she was today, but what was the truth?

The Purple Spirit was a second rank talent!

Number one talent!

He had awakened a fifth-tier dream creation talent.

Second talent!

He had awakened the tier 7 nine-tailed fox talent.

It could be called the current genius school.

The number one genius female student's super talent!

The true strength of the Purple Spirit!

He was definitely above Ye Qianli.

"I agree to this battle. I accept this bet." Thus, Violet Spirit didn't hesitate at all. She naturally accepted the challenge, and she had no reason not to accept it.

Since she couldn't humiliate Ye Qianli, she would naturally defeat her! As for losing? Violet Spirit had never thought about it, because she would definitely not lose again.

"Very good. Then, let's invite Senior Brother Cheng to preside over this bet for the two of us. What do you think?" Ye Qianli called Cheng Haoran's name.

"Senior Brother Cheng is famous for being upright in the academy. He's also the chairman of the student council. It's naturally best for him to preside over it." Violet Spirit had naturally noticed Cheng Haoran and the masked Ye Shang.

"Excellent." Ye Qianli then turned to Cheng Haoran and said shockingly, "Senior Brother Cheng, what did you and Senior Sister Ye say just now? You've disturbed my cultivation. If you don't want to be the host, I won't agree."

As soon as he said that!

Ye Shang, who was wearing a mask, tensed up. She felt that everyone's gaze was on her! Her heart skipped a beat.

After all, even though she had been very careful to conceal her identity, she had seen the Purple Spirit in this very image, Rong Mo's spy! However, there were still a lot of them.

Then, Ye Qianli's intention wasn't as simple as asking Cheng Haoran to host the bet, right?

"Cough..."

Cheng Haoran, who had been embarrassed in front of everyone, felt a little uncomfortable. However, just as Ye Qianli said, since she was the one who requested it! He and Ye Shang were doing something inappropriate again, then...

"Are you sure you want to challenge the Purple Spirit?" Cheng Haoran had to ask seriously.

Moreover, he solemnly pointed out, "You have to know that the Purple Spirit is a second rank innate talent. No matter how strong your first rank innate talent is, the second rank

innate talent of a Purple Spirit, if I didn't hear wrongly, if I guessed wrongly! It should be a seventh-tier nine-tailed fox talent. She's only stronger than you! Not weaker than you."

"Yes." Ye Qianli's answer was very straightforward.

However, Cheng Haoran still wanted to say, "Today's matter, even if you don't challenge the Purple Spirit, it doesn't show that you're weak! You've already broken through, so there's actually no need to fight for your pride. No one dares to say anything about you, but if you lose the battle, the outcome won't be good."

Although he seemed a little wishy-washy, Cheng Haoran was actually doing this for Ye Qianli's own good! After all, he admired Ye Qianli more in every aspect. He didn't want her to suffer any losses.

"Tsk...Senior Brother Cheng, the two of us asked you to host the gambling game. Why are you acting as a peacemaker? Since both of us have reached an agreement, there is naturally no reason to cancel this battle." Violet Spirit immediately expressed her displeasure.

This battle!

She had to fight and win! If she had known that Ye Qianli would be so "straightforward", she wouldn't even have to resort to such petty tricks.

Ye Qianli had humiliated herself, and she was happy to see it happen. She would not allow anyone to ruin it!

Qian Li understands Senior Brother Cheng's good intentions. "Ye Qianli, who understood Cheng Haoran's good intentions, also smiled and said, ""However, this battle is indeed going to be fought. Although Qian Li is not talented, she still wants to benefit the seniors of our academy and let everyone see the Fox Dance. Tsk tsk..."

Look at Violet Spirit's figure, aiyaya! I'm a woman. I feel thirsty just looking at her. Look at her big breasts! Look at her slender waist, then look at her perky buttocks, and her slender legs. This ..."

Seeing that Ye Qianli was getting more and more out of line, Violet Spirit immediately interrupted, ""Shut up!"

"What are you doing? We're about to be watched anyway. We've already agreed that if we lose, we'll jump immediately. " While Ye Qianli was teasing him, she suddenly pointed at the sky and shouted, " Otherwise, the heavens will punish you! "

"Bang!"

As she pointed at the sky, the sky seemed to respond, and a bright bolt of lightning flashed! The explosion caused the scene to be in shock. They only felt that...

"F * ck! Could it be that the Heavenly Dao still controls gambling?"

"Ignorant, ignorant, you don't understand. This only shows that Ye Qianli is very determined! We talented people are the favored ones of the heavens. As long as one's will is strong enough, it will naturally trigger the Heavenly Dao to take an oath."

"No way, this is the first time I've heard of it!"

Many of the spectators were dumbfounded, but Violet Spirit knew that this battle! Ye Qianli's determination had attracted the attention of the Heavenly Axiom.

After all, Ye Qianli and she were both awakened and had third-tier talents. Their talents were related to the origin of heaven and earth or the divine beast of the beginning. Their bet was naturally verified by heaven and earth! It's not too much.

"If that's the case, then I'll host it for you." Seeing this, Cheng Haoran knew that he couldn't say anything more. After all, this battle! Even the heavens were watching.

As a sixth-year student of the academy, what kind of big scenes and bizarre things had he not seen in these years? Naturally, he knew that the lightning just now was to prove the bet.

Today! In this battle, if the loser didn't fulfill his promise, it would be difficult for him to awaken any talent in the future, and it would even be difficult for his cultivation to improve!

Although the Heavenly Dao was profound!

However, all cultivators knew that it existed and was irreversible! Those who violated the Heavenly Dao and deceived the Heavenly Dao, who would the Heavenly Dao spare?

"Please be prepared." In this way, Cheng Haoran was hosting this gambling battle! His tone became more solemn, and the sense of ceremony became more rigorous.

"!"

The onlookers at the scene also became serious and silent. Everyone knew! This battle would definitely be extraordinary, even if Ye Qianli was no match for him.

But since she was so determined! Furthermore, the fact that it could trigger the Heavenly Dao's mutual verification was enough to prove that this gambling battle, at least in some aspects, was evenly matched.

Otherwise, why would the Heavenly Dao drop the Lightning of Proof?

"Please!"

Because of this, Violet Spirit's expression turned serious. She had never underestimated Ye Qianli again! She knew that Ye Qianli was indeed powerful.

Not to mention Ye Qianli! She was also a Divine Inscriptionist.

"Please."

At this moment, Ye Qianli also bowed to Violet Spirit.

Chapter 143: Sirius Killing Purple Light!

"Bang!"

Whether it was Ye Qianli or Purple Spirit! At the same time, they released their strongest innate power! All of a sudden, the spiritual energy of heaven and earth on the field condensed and surged toward the two of them.

"Nine-Tailed Fox, possess me."

Zi Ling shouted and a white light surrounded her! As for herself, she also transformed into the nine-tailed fox combat form.

Not only that!

"Swoosh."

In the hands of the Violet Spirit, a purple light appeared! The body of the bronze longsword with an extraordinary aura! There were also lines with extraordinary auras engraved on it.

"Since you are a Divine Inscriptionist, you should be able to tell that my Amethyst Light Sword is augmented with Divine Inscriptions. I won't hide it from you, it's a fourth-ranked Divine Inscription. You should know what this means." Violet Spirit explained.

The moment Ye Qianli gave her explanation, the crowd exploded before Ye Qianli could respond!

"Amethyst Light Sword! The Black Tortoise Imperial Dynasty's Purple Mansion's guardian treasure was the sword of the Zi Clan's past generations of Clan Heads! It's said that even though it's only a peak grade 3rd Tier Spirit Tool, it's enhanced with 4th Tier Divine Inscriptions, and its battle prowess is comparable to 4th Tier!"

"Yes! Back then, Grand Preceptor Zi defeated an army of 100,000 with a single sword strike and cut down the high walls of the Vermillion Bird's northern border. From then on, the Vermillion Bird border was in a state of emergency!"

"This battle lasted for more than ten years, and it ended with the Xuanwu Dynasty winning. The 1.8 million troops in the northern region of the Vermillion Bird were wiped out, and the Vermillion Bird City was almost captured! If it wasn't for God Vermillion Bird, the Vermillion Bird Dynasty would have ceased to exist."

“ .. ”

Amethyst Light Sword! Xuanwu Grand Preceptor Residence heavy sword.

Who wouldn't be shocked when this sword appeared?

Even Ye Qianli was shocked by the sword's aura. It was definitely the strongest spiritual weapon she had ever seen! Of course, she felt that if her cheating magic box was not cheating, it should be even stronger.

"Idiot, what are you thinking? Are you looking down on me?" The magic box that Ye Qianli thought of exploded with comments.

"Is there a need to say it? Of course it is." Ye Qianli said honestly.

"F * ck! The combat level that I've been transformed into is completely based on your strength! You're weak, I'm the weak one, okay? F * ck! You're going to piss me off." The Magic Box exploded.

"Swoosh!"

However, at the same time, Violet Spirit, who had summoned the Violet Light Sword, slashed down! He slashed down at Ye Qianli. For a moment, the purple light was rampant and the killing intent was vast.

"Bang!"

Ye Qianli, who had been accumulating energy, burst out with a bright light! The supreme, noble, and cold aura of the Nine Heavens Obsidian Flame immediately spread to the entire place.

Most importantly...

“踹!” Violet Spirit's Amethyst Light Sword seemed to have struck an indestructible piece of metal, and a resounding clang reverberated through the air.

"This is..."

Such a sonorous metallic sound not only stunned everyone present, it also shocked the Purple Spirit! Even Cheng Haoran, the host, was shocked when he heard this.

After all, this voice meant!

Ye Qianli had a spiritual weapon that was at least on the same level as the Amethyst Light Sword!

Otherwise, she would never have been able to block the Amethyst Light Sword head-on and even produce such a resounding reverberation! She wasn't even forced back a single step!

What kind of weapon would that be?

“..”

When everyone saw it clearly, they were stunned by Ye Qianli's weapon.

Ye Qianli's attack didn't look like a weapon at all! Instead, it was a large flag.

That's right!

It was the Sky Wolf Flag.

The Sky Wolf Flag that Xuan Tianqi had 'brought' to Ye Qianli from a long distance was now being used by her again! There was still a lifelike picture of the beast on it! The towering Direwolf Beast.

And the flagpole of this flag was currently clashing with the Amethyst Light Sword!

In other words, the Amethyst Light Sword had struck the Celestial Wolf Flag! It was the Sky Wolf Flag that made the metallic sound.

“!”

Violet Spirit's pupils constricted at this sight. She felt that letting Tian Tianqi bring the Sky Wolf Banner onto the sparring platform was perhaps the worst decision she and the Seventh Prince had ever made.

The Sky Wolf Flag was in Ye Qianli's hands! It was simply omnipotent.

"You didn't expect this, did you?"

As for Ye Qianli, who had summoned the Sky Wolf Flag, her tone was slightly raised as she looked at Violet Spirit with obvious mockery! Moreover, she even flipped her hand...

"Roar!"

A shadow of a Celestial Wolf Beast immediately became ferocious! It charged towards the Amethyst Light Sword and the Purple Spirit Rebel Slaughter, as if it was carrying an army behind it! A super storm swept across the entire arena.

"Purple Extreme, Sword Slash!"

Facing such a counterattack, Violet Spirit wasn't flustered at all! She formed a hand seal and danced with her sword. The Amethyst Light Sword in her hand rapidly strengthened under the urging of her talent! The sword was like a pillar that supported the sky, piercing through the ground and soaring through the sky.

"Bang!"

For a moment, the massive Amethyst Light Sword that was as tall as the sky collided fiercely with the ferocious Sirius Beast! A terrifying shockwave exploded at the scene.

"F * ck! Run!"

Even though countless onlookers had already reacted quickly and retreated, there were still countless people who couldn't dodge in time and were swept out of the training room by the terrifying aftershock. They could be considered to have died once.

"!"

As for Violet Spirit and Ye Qianli, they also retreated over 100 feet! They held their weapons and confronted each other.

"First round, draw."

Cheng Haoran's clear voice rang out at this moment. It was the first round of the fight! Purple Spirit and Ye Qianli were tied, but Purple Spirit was a second grade talent. No matter what, Ye Qianli was one grade lower than her.

In this way.

Who won and who lost! It was clear at a glance.

However, the spectators who were still alive knew that this was only the beginning. The two proud girls in front of them were just warming up.

That was indeed the case!

"I originally thought that you wouldn't be able to last more than one round against me after I used the Amethyst Light Sword! I didn't expect the true treasure of the Ye family

in the northern region to be this Heavenly Wolf Flag. It seems that I was wrong. However ..."

Violet Spirit, who was standing with her sword, paused for a moment before pointing her sword at Ye Qianli and said coldly, ""Since our dynasty can seize your Heavenly Wolf Flag once, we can seize it a second time!"

As soon as he finished speaking!

"Tsk!"

The Purple Spirit struck out!

It was too late to say, but at that moment!

In the blink of an eye, the purple spirit had already jumped in front of Ye Qianli! Not only that, the snow-white nine-tails behind her split into three paths at the same time, locking down all of Ye Qianli's escape routes.

This was not the end!

"Dream creation! Illusion."

At this moment, the Purple Spirit was about to be activated by her dream creation talent! He directly used it to turn the Amethyst Light Sword in her hand into countless identical Amethyst Light Swords.

For a moment!

"Sou!"

"Swoosh!"

Everyone present could see that the Amethyst Light Sword had split into ten thousand swords, densely packed together! It stabbed towards Ye Qianli with a monstrous momentum, and Ye Qianli ...

There was no way to escape! She was locked.

However-

Chapter 144: Winner, Ye Qianli!

This was still not over!

At this moment, Violet Spirit, who had completely treated Ye Qianli as his strongest opponent, slapped his chest and spat out a mouthful of blood! It sprayed onto the Amethyst Light Sword.

"Kill them!"

Violet Spirit gave a blood-soaked shout, and the divine patterns around the Amethyst Light Sword shone brightly! After she used the Nine-Tailed Fox Seal and Dream-Creation Illusion, she also activated the Amethyst Light Sword's divine patterns to enhance its power.

Purple Spirit!

She was going to kill Ye Qianli and secure victory.

“!”

The key was that her speed was too fast. She had almost attacked three times at the same time! Many people at the scene did not have the time to see clearly. Only people with higher cultivation like Cheng Haoran and Ye Shang could see the battle clearly.

But whether it was Cheng Haoran or Ye Shang! At this moment, their hearts were hanging in their throats. No one had the time to take a breath and could only stare at this scene!

Everyone knew that victory was about to be decided.

After all, the Amethyst Light Sword was comparable to a fourth-grade Spirit Tool. Once it hit Ye Qianli, she would die! As for her Sky Wolf Flag, could it still block it? Or rather, was it accurate?

The result was-

"Swoosh!"

Ye Qianli, who was about to attack, suddenly stopped! He directly put away the Celestial Wolf Flag. This made everyone who was holding their breath and staring at this scene feel their minds buzz! He was dumbfounded.

But...

"Meow!"

Little White Meow, who had been eating, had its eyes lit up at this moment! He stared at the battle.

"Illusion!"

At the same time, Ye Qianli shouted coldly. In an instant-

"Bang!"

There was a five-colored divine light with Ye Qianli as the center! The world exploded.

“轰轰!”

Then, a shocking flame burst out with the five-colored divine light as the center! What exploded out was a huge meteor hammer.

“轰轰轰轰!”

As soon as the giant meteor hammer was thrown out, it was turned into a sea of fire by Ye Qianli's Nine Heaven Obsidian Flame! It clashed with the thousands of Amethyst Light Swords, creating the most dazzling purple and red flowers.

"F * ck! What kind of weapon was this? So awesome!"

"I don't know! I've never heard of it. What an awesome meteor hammer! Was it a betrothal gift from Pervert Rong? It was so scary! I feel like if it were me, I would be killed by a hammer!"

"Are you kidding me? The chains alone are enough to kill you. Why would I need a hammer to hit you?"

The crowd was stunned. No one had expected this! Ye Qianli had so many powerful spiritual weapons. Other than the super crescent blade that she had used before, she also had a wolf that could be summoned! However, not to mention the Celestial Wolf Flag, there was actually a new weapon now.

Looking at the huge meteor hammer that had suddenly dropped, the onlookers were all terrified! Even Cheng Haoran, who had thought that Ye Qianli was going to lose, broke out in a cold sweat.

This meteor hammer was really huge!

The key was that it was extremely powerful, and it only lasted for a moment!

The Amethyst Light Sword couldn't get close to Ye Qianli anymore.

"Damn it!"

Violet Spirit was speechless. She never expected Ye Qianli to have so many treasures! Even without the Direwolf Beast and the Vermilion Bird tail feathers, he could still get one accurately! He restrained her completely.

"Flirting fox, I'm asking you if you have any other tricks up your sleeve. Otherwise, I'm going to use my ultimate move, and you're going to have to do a striptease!" Ye Qianli, who had the upper hand, raised her eyebrows and said.

"You..."

Violet Spirit was so angry that she almost spat out another mouthful of blood without even patting her chest!

"Your face is pale. It seems that you have no other choice. Then it's my turn." Ye Qianli swung her meteor hammer and said. A sea of fire exploded under her feet.

Then-

"Nine Heavens Mysterious Armor! Possession."

Ye Qianli shouted coldly. Countless dazzling lights gathered around her body.

"Amethyst Light Sword, shatter!"

Before everyone could see clearly, Ye Qianli shouted!

"Kacha-"

Everyone heard a crisp cracking sound, and then...

"!"

Everyone saw that Ye Qianli had jumped into the air and stepped on the Amethyst Light Sword! He crushed the Amethyst Light Sword.

Yes, it was!

It was shattered.

".."

At this moment, the Amethyst Light Sword shattered into countless pieces of light before everyone's eyes. Then, it dissipated into thin air! Nothing.

As for Ye Qianli?

“!”

At this moment, she was wearing a set of Flaming Fire Armor! It was like a dream, like a god, like an immortal.

“..”

Of course!

Everyone’s attention was focused on Ye Qianli’s feet and her fiery boots! Because it was this foot that shattered the Amethyst Light Sword.

The Amethyst Light Sword, which was comparable to a Grade Four Spirit Tool, was shattered by her foot! No one would believe that there was no mystery behind this kick.

"Divine Inscription Light!"

Cheng Haoran’s eyes sharpened as he noticed that Ye Qianli’s feet were releasing the light of the divine pattern! In other words, Ye Qianli’s kick was augmented by the power of the shen glyph!

No wonder...

No wonder!

"Boom!"

At the same time!

Just as everyone saw what was going on, the invincible meteor hammer in Ye Qianli’s hand had already struck the Purple Spirit’s chest!

"Bang!"

The pitiful Purple Spirit was sent flying several hundred feet away.

"Bang! Rumble!"

Then, it slid out for one to two miles, directly blasting the buildings within a radius of one to two miles into pieces! It could be seen how badly she had been smashed!

"Pfft-"

The Purple Spirit that had been smashed out by the savage blow also spat out a large pool of blood on the spot, its aura weakened to the extreme! However, it did not dissipate and did not die.

"Sou!"

Ye Qianli's figure landed right in front of Violet Spirit, and she pointed the flagpole at her throat! The victory was locked in.

“..”

Everyone who saw this scene had their heads buzzing at this moment. They had no time to react at all! Before the match began, everyone thought that it would be a tough battle! Ye Qianli's bitter battle.

In the end!

This was clearly a crushing defeat for the Purple Spirit.

On the other hand, Ye Qianli was a level one talent! In this battle, he actually fought very easily. He really didn't expect it to end so quickly!

"Ye Qianli, is she really only a level one talent?" At this moment, this question lingered in the minds of all the onlookers! Even the defeated Violet Spirit was very suspicious.

"Pfft-"

After vomiting another puddle of blood, the embarrassed Violet Spirit stared at Ye Qianli and asked, "Are you really a stage one talent?"

"What else?"

Ye Qianli raised her eyebrows and asked, her fiery armor was extremely dazzling! It was so hot that Purple Spirit's eyes hurt...It burned Ye Shang's eyes, lungs, and body.

"Ye Qianli wins this battle!"

Cheng Haoran's voice rang out at this moment! Ye Qianli was the winner of the bet that triggered the Heavenly Dao.

"Rumble!"

The canopy of the special training room! There was a shocking bolt of lightning.

“!”

Ye Qianli, clad in fire armor, stood under the lightning! Mu Lei withdrew the flag after killing the Purple Spirit with a single strike.

Chapter 145: Erotic Dance (1)

"Pfft-"

The Purple Spirit, who was sitting cross-legged on the first floor of the special training room, had already woken up at this moment. She spat out a large mouthful of blood, and her face was extremely pale! It could be seen that although it was a simulated death, it still hurt her greatly.

"Pfft-"

At the same time, Ye Shang, who was also on the first floor of the Shenhui special training room, also vomited a large mouthful of blood. However, she didn't die. She was seriously injured and Ye Qianli won! She was so angry that she vomited blood.

A moment later, Cheng Haoran and Ye Qianli woke up one after another.

“..”

Countless onlookers also woke up on the first floor of the training room! What a joke, the Purple Spirit was going to strip, how could they not hurry out to watch?

In that case...

"Let's go, let's go, let's go to the training ground and get a good place!"

"Yes, yes, yes! Senior Brother, you're so smart. I'm going to occupy the first row. Run!"
A large group of onlookers who had woken up rushed out of the training ground the moment they regained their senses.

“..”

As a result, Red Knife, who was originally fighting with a few managing teachers outside, saw waves of students rushing forward! She rushed out in high spirits and almost pushed them and trampled them under her feet.

“?!?”

Seeing this scene, Red Knife, who had hurriedly dodged, and the few managing teachers were all dumbfounded. They did not know what had happened.

When the crowd was almost gone, the dumbfounded Red Knife saw Ye Qianli, who he thought would be eaten to death, slowly walk out of the training room.

"Little Qian Li! You're fine. That's great!" Red Knife was so excited that he couldn't control himself. He immediately pounced over, but-

"Meow!"

Before Red Knife could reach Ye Qianli, Little White Meow jumped out of Ye Qianli's arms and landed on its face. Uh ...

Ye Qianli felt pain on behalf of Red Dagger, not to mention the crisp sound of a slap. She looked at Red Dagger's face and saw that one side of his face was red and swollen.

"Roar!"

Red Knife, this clown, only then did it finally realize the pain and let out an "Ow". Of course, Little White Meow also let out an "Ow", indicating that it was also in pain.

However!

This little red knife can forget about pouncing on Little Momo's Little Qianli, hmph hmph.

"Idiot, this kitten is so ferocious. Where did you get it?" Seeing this scene, the Magic Box also asked in a rather shocking manner.

"It's not mine." Ye Qianli looked on with a smile. The man and meow in front of her, and from the corner of her eye, she saw the weak Purple Spirit walking out of the training room.

"Flirting fox, can you still dance like this? Do you need me to be lenient and let you rest for an hour or two before jumping?" Ye Qianli didn't forget that they had agreed to jump if they lost.

"Sister-in-law, you..."

"Miss Violet Spirit!"

At this moment, Xuan Bingyan and the others who were "killed" by Ye Qianli and were still guarding outside the training room quickly surrounded her when they saw her.

Not just them!

Ye Qianli raised her eyebrows and saw Xuan Tianyan standing not far away from the training room. It seemed that the Seventh Prince of Black Tortoise cared a lot about her as a red advisor.

He just didn't know how the Seventh Prince, who had the intention of taking Purple Spirit as his concubine, would feel when he found out that his pink beauty was about to go to the training ground to strip and dance.

Or were they not afraid of retribution?

"No need."

However, although the Purple Spirit was weak, her answer was very straightforward. Ye Qianli was slightly stunned and could not help but look back at the Purple Spirit.

"I, the Violet Spirit, am willing to accept my loss. I will jump now." Violet Spirit, who wasn't looking at Ye Qianli, replied as she wiped the blood off her mouth.

"Good!" Ye Qianli immediately clapped her hands and smiled. " Let's go then. "

"What? What are you talking about? Why can't I understand?" However, Red Knife, who was standing at the side, did not understand at all.

"It's okay if you don't understand. Come with me to the training ground. There are beautiful women dancing! "It's still a strip dance ~" Ye Qianli patted Red Knife's shoulder and said in a low voice.

"Beauty? Strip? An erotic dance?" Red Knife caught the main point now, but his brain was still a little lacking. He only felt that these three words contained a lot of information.

"Meow ~"

On the contrary, Little White Meow was much smarter. Its blue eyes were shining brightly, just like Ye Qianli's eyes.

"Let's go!"

Ye Qianli didn't bother explaining to Red Knife. She grabbed Little White Meow and swaggered off with Purple Spirit.

The silly Red Knife was left behind. After being a few beats slower, it quickly caught up.

..

As for Violet Spirit, who was walking in front, when she passed by Xuan Tianyan, she didn't skip him directly. Instead, she knelt down on one knee and bowed. She said,"Violet Spirit has failed Your Highness's high hopes."

Without waiting for Xuan Tianyan's reply, Violet Spirit stood up and left. She didn't stay any longer and headed straight for the training ground.

"Seventh Brother, this ..."

However, Xuan Bingyan, who had understood the whole situation from the words of the crowd and Ye Qianli, was looking at Xuan Tianyan with a livid face.

" Your Highness, we can't let Miss Violet Spirit dance like this! " Many Black Tortoise students also looked at Xuan Tianyan with pale faces, waiting for him to make a decision.

" Since the Heavenly Dao is here as a witness, if Violet Spirit doesn't fulfill her promise, she'll probably be crippled from now on. She's quite straightforward, so don't be so nosy. " However, Cheng Haoran, who had already helped Ye Shang out of the special training room, warned her frankly.

As soon as he said that!

" Heavenly Dao's mutual verification?! "

Xuan Tianyan, who had been silent, finally spoke in a slightly hoarse voice and looked at Cheng Haoran.

" That's right. The bet between the two of them triggered the Heavenly Dao's mutual verification in the special training room. Thus, Violet Spirit must fulfill her promise. Otherwise, no one can stop the retribution of the Heavenly Dao. " Cheng Haoran explained.

" .. "

Xuan Tianyan did not say anything. He naturally understood that a bet with the Heavenly Dao as a witness could not be disobeyed! Unless the Purple Spirit stopped cultivating.

However, the talent of the Purple Spirit could be said to be one of the best in the current Black Tortoise Dynasty! Cutting off her cultivation path would probably affect the fate of the entire Xuanwu Kingdom.

"Seventh Brother, she's your woman. How can you let..." Xuan Bingyan couldn't accept it. Which man would be able to tolerate his woman dancing such an immoral dance in public?

" Seal the news. Don't let it spread. " Xuan Tianyan said. Then, he looked in the direction of the training ground and saw the backs of Purple Spirit, Ye Qianli, and the others who had not gone far.

However, Xuan Tianyan's eyes darkened when he saw Rong Mo.

Chapter 146: You Just Can't Look!

"Senior Brother Rong! Why are you here?"

Red Knife was the first to be dumbfounded. He even rubbed his eyes subconsciously and looked at the elegantly dressed Senior Brother Rong who was standing coldly in front of him. It really was Senior Brother Rong?

"Meow, meow, meow ~"

Little White was the first to pounce on Rong Mo. It even clung to Rong Mo's slender neck and rubbed its head against his left and right. Then...

"Meow!"

Rong Mo lifted Little White's tail.

"!"

Red Dagger was used to such a scene, but Little White Meow was tenacious on its own! She flipped over and clung onto Rong Mo's hand, giggling foolishly.

Only Ye Qianli...

"Yes..."

Ye Qianli touched her forehead and felt relieved!

Luckily, Rong Mo did not like this little cat, so he was fine even though she had burned it once.

However, when Rong Mo's eyes fell on her, Ye Qianli still felt guilty! "Your Highness, you're here too. What a coincidence," she said with a bright smile.

"Idiot! She was obviously waiting for you. What coincidence? Are you stupid? Look at your silly face! You're exactly the same as that coquettish cat. You're the master and servant! Let's go!

Let's go!" The Magic Box couldn't take it anymore.

Ye Qianli was speechless. She decided to give the box to Little White Meow and let it lick it! He licked it every day!

"That's not right. Senior Brother Rong, when I went to look for you previously, there were two more managing teachers guarding your courtyard. They didn't let me in, so I couldn't find you! Did Nan make things difficult for you?" Red Knife asked.

"What happened?" Ye Qianli quickly asked. Anyway, the burning of Little Meow had nothing to do with her.

No!

Wait a minute.

"Now is not the time to talk about these problems. We should go to the training ground first. I can't miss my spoils! The Violet Spirit is gone." Ye Qianli felt that this was more important. She was tired from fighting.

"Meow!"

Little White Meow immediately agreed.

"Oh right, Senior Brother Rong, I heard that there's a strip dance at the training ground. I thought about it for a long time, and it seems that Purple Spirit is going to dance. I really can't miss this." Red Dagger's reaction was fast this time.

"Yes, yes, yes! Let's go first." Ye Qianli was excited. She held Rong Mo's hand and walked away quickly! He looked like he was afraid of missing a good show.

Red Knife also hurriedly followed, but wait! Little Qian Li pulled Senior Brother Rong along to watch Purple Spirit strip dance? Why did this matter feel so strange?

However, although Red Knife felt that something was wrong, before he could fully react, he had already run after her. However, Cheng Haoran and Ye Shang, who were behind him, were very clear-headed and understood what the problem was.

"Junior Sister Ye, let's not go and take a look. Your injuries..." Cheng Haoran looked embarrassed. How could he watch someone strip dance with Junior Sister Ye?

"Go and take a look. I'm fine." Ye Shang's expression was indeed much better at this moment. After all, what she did not lack the most was medicinal pills.

Cheng Haoran's face stiffened when he heard that. As a man, watching such a sexy dance was no different from drinking wine in a brothel. It was not a big deal.

But he...

"However, Senior Brother Cheng, you shouldn't go. After all, you're the president of the student council. It won't be good for you." Ye Shang added.

When Cheng Haoran heard this, although he felt a little complicated, he still nodded and said, "Yes, it's not very good. Then you ..."

"I can go alone. Senior brother, you can go back first. You just broke through and still need to stabilize your realm." Ye Shang knew what Cheng Haoran was thinking. Of course, she wouldn't foolishly drag him to see some strip club.

If she did this, wouldn't it be obvious? Don't mind? Don't you like it?

Ye Shang didn't believe that Ye Qianli didn't mind or like him! She wanted to see if Ye Qianli could keep up the act.

Little did he know...

"Too ... Your Highness, I suddenly realized that this occasion doesn't seem suitable for you." Ye Qianli only reacted when she saw the training ground right in front of her and Purple Spirit was about to be caught.

"Where is it inappropriate?" Rong Mo, who had been dragged by Ye Qianli and hadn't said a word, asked.

Ye Qianli was speechless. She wanted to say, wasn't this clearly not right?

"If we don't go in now, she'll finish dancing." Rong Mo, who was standing still, reminded her when he saw that she was a little dumbfounded.

"Oh, oh, right. Let's go in then." Ye Qianli scratched her head and squeezed into the crowd, but she felt a little weird.

As soon as she squeezed in, Rong Mo said coldly from behind, ""Make way."

"..!"

Rong Mo's voice wasn't loud, but the excited people around him heard it. They subconsciously moved away to make way for him.

When Ye Qianli turned around, she saw Rong Mo walking into the room in a grand manner. Even the people in front of her automatically made way for her, so she did not have to squeeze anymore.

"Junior Brother Rong, why are you here?" The people who heard and saw Rong Mo clearly were all very surprised. After all, the training ground was going to be a strip dance!

Rong Mo was a cold and abstinent person. He really shouldn't have come to join in the fun!

Moreover ...

He even brought his fiancée?

Although his fiancée was the winner of this bet, it didn't feel right!

However, no matter what, Rong Mo and Ye Qianli walked into the crowd together. They even had their seats reserved for them.

"You've already asked someone to come and reserve a seat?" Ye Qianli also realized that something was wrong. Why did she feel that this beautiful prince had already arranged everything?

Moreover, there were too many people here to watch!

Other than the group that came out of the training ground, there seemed to be more than a thousand people. It seemed to be more than the number of people watching the new and old students spar.

The key was that they seemed to have received the news long ago and came early! But how was this possible?

"Yes."

But Rong Mo's answer was affirmative.

"Senior Brother Rong, you already knew that Violet Spirit would come back to do a strip dance?" Red Knife also noticed that something was wrong. He had just found out!

"You weren't in the training room at that time, were you?" Ye Qianli made a bold guess.

"Yes."

Rong Mo's answer was still affirmative!

Ye Qianli was speechless.

Red Knife was speechless.

Little White Meow was speechless.

The two of them were completely dumbfounded.

"It's starting." However, Rong Mo had even reminded her indifferently, indicating that the Purple Spirit on the stage had already begun to strip and dance. She had to hurry up and watch.

However, just as he finished speaking, his eyes were covered...

Chapter 147: A Little Jealous!

freewebnovel-com

"Cough!"

And at this moment, it could be said that he had made a prompt decision! Ye Qianli, who was covering Rong Mo's eyes, coughed and said, " You can't look at that. "

"Oh-"

It was only then that Red Knife realized that something was wrong. He immediately let out an ambiguous " Oh " sound and looked at Ye Qianli with interest.

As for Ye Qianli?

"Oh what oh!" she said solemnly. I'm thinking for the Crown Prince. How can a handsome man like him be tainted by a coquettish fox?"

"Oh-"

Red Knife winked and smiled, indicating that he really understood! He understood.

"Meow ~"

Little White Meow also smiled with shifty eyes. " You are right! No matter what, he was right! Who asked Little Mo Mo to be yours?" meaning.

However-

"What do you mean by pure?" Rong Mo, whose eyes were covered, asked.

" Senior Brother Rong, that's not the point. The point is your fiancée, Little Qianli. She won't let you see her. " Red Knife explained with a smile, but his eyes were already looking at the stage.

After all, the Purple Spirit had already begun!

"Buzz."

However, just as the Purple Spirit began, a dream-like fog shrouded the entire arena. As a result, many people present were dumbfounded!

"F * ck! What the hell is this?"

"Holy sh * t, the Purple Spirit is cheating! She cheated! She created a dream-creating fog, so how are we supposed to look at her? What are you looking at? Look!"

A large group of onlookers who could not see anything expressed their anger! He almost jumped up to protest, but at this time, Xuan Bingyan had already brought people to the scene.

Some of the managing teachers of the Xuanwu Dynasty had also come.

These protestors quickly calmed down and did not dare to say anything. After all, everyone knew what the arrival of these people meant!

Moreover, those who protested were those with low cultivation. Those with high cultivation did not protest. After all, they had good eyesight and could see it! For example, she could see Ye Qianli.

Qian Li, why can't I see clearly? Can you see clearly? " Red Dagger expressed that his level was not high enough. He could only see a blurry outline?

"Clear! It's very clear, a high-definition version! Purple Spirit's figure, tsk tsk..." Ye Qianli was a little envious.

"Meow!"

Little White Meow said that it saw it very clearly. As expected of a vixen.

“ .. ”

Rong Mo, whose eyes were still covered, could not express his opinion. However, Ye Shang, who was also in the crowd, felt her blood boil again when she saw him letting Ye Qianli cover his eyes.

Only after the Purple Spirit Dance was over did the fog on the stage dissipate.

"Sigh..."

The previously excited crowd was now like a frosted eggplant. Especially when they saw the neatly dressed Violet Spirit, they were completely wilted!

I didn't see anything! A good show was wasted.

That was why cultivation was very important!

With a low cultivation level, he couldn't even see anything!

He was such a bully!

"Pa!"

"Pa Pa Pa!" As for Ye Qianli, she gave him a big round of applause and said, " Well done! A hundred points, a hundred points."

Hearing this, Violet Spirit only glanced at Ye Qianli before turning around and leaving. Of course she had to leave. Otherwise, would she stay here and let others see her as a joke?

She had really lost today's match, and it was a tragic defeat.

Even if she used the dream-creating technique and the Nine-Tailed Fox secret technique to cover up the price of her loss! But so what? She was stripping in front of everyone.

It wasn't as if no one in the academy could see through her secret technique and see her striptease! However, it was also good. This price made her much more clear-headed.

All these years, she had walked up step by step from the Purple Prefecture. Perhaps she had walked too fast, or perhaps she had walked too proudly. It made her understand that she was not the only genius in this world.

Ye Qianli...

Ye Qianli!

..

"What a pity." Ye Qianli looked at Violet Spirit walking out of the crowd and couldn't help but sigh. She didn't argue with Violet Spirit that the bet hadn't been carried out completely.

Don't do to others what you don't want others to do to you. She was such a person. If it wasn't for the fact that Violet Spirit's methods were too despicable, she wouldn't have given him a taste of his own medicine.

However, this Purple Spirit was really not someone to be trifled with. Looking at her expression after the striptease, it didn't seem like she had suffered a huge blow. Instead, she seemed to have settled down!

"It's a pity. Why don't we ask her to come back and dance again? I didn't even see it clearly." Red Knife also felt that it was a pity. He had used all his strength but still couldn't see it clearly!

"If she wasn't from the Black Tortoise Dynasty, I would have admired her. She's such a despicable person." However, Ye Qianli's pity was obviously different from Red Knife's. She was a little emotional.

After all, Violet Spirit's gaze just now made her feel as if she had awakened an opponent? So what she did today, was it considered shooting herself in the foot?

However, she could not kill another person in the academy.

"Let go."

Rong Mo, whose eyes were still covered, reminded him.

"Oh, oh!"

Only then did Ye Qianli realize that she was still covering the beautiful prince's eyes after clapping, so she quickly let go! However, after she let go of her hand, she saw-

She seemed to have used too much force on the beautiful prince's eye sockets and left five finger marks. Hmm...Well ... Did she cover it so hard?

".."

At the same time, Rong Moyuan's eyes, which were closed, slowly opened. However, as soon as he opened his eyes, he raised his eyebrows and looked at Ye Qianli.

His deep and clear eyes made Ye Qianli's eyelids tremble, as if she had been caught.

"Tsk! Little Qianli, you're too harsh. Look, you've covered Senior Brother Rong's eyes with your claws. Do you have to do this? However ..."

However, at this moment, Red Knife still wanted to expose Ye Qianli and said, ""Senior Brother Rong is an extraordinary person. If he really wants to 'see', it's useless even if you cover his eyes."

Ye Qianli was speechless.

"Hahahaha..." Red Knife saw Ye Qianli's eyes were glaring at him, and he even laughed out loud.

"Shut up!" Ye Qianli felt that Red Knife's voice was really unpleasant to hear! He laughed so noisily that he really wanted to sew it up!

"He's right." Rong Mo said calmly.

Ye Qianli asked subconsciously, ""What do you mean? Did you really watch it?"

"What if?" Rong Mo asked.

Ye Qianli was speechless. This dialogue is wrong! Shouldn't the beautiful prince look at her coldly and say, "'Dirty eyes, didn't you see?'

Could it be that he really saw it?

"You haven't told me yet. Did you see it?" Ye Qianli struggled with this question. She asked Rong Mo seriously when she chased him back into the house.

Chapter 148: Nervous (1)

Little White Meow, who had followed them back, sized them up sneakily, with Rong Mo in particular! The more he looked at it, the more his eyes narrowed.

Rong Mo slapped it on the table, causing it to meow and struggle. Then, it jumped onto Ye Qianli's shoulder to take refuge.

"That's right, Senior Brother Rong. I also want to know if you saw it or not!" Red Dagger, the third brother, who had obviously followed them, also looked at Rong Mo with a teasing expression.

"Aren't you going to class?" Rong Mo glanced at him and asked coldly.

"Didn't I ask for leave? Besides, we students of the heaven class don't mind skipping classes. It's fine as long as there's no problem in the annual test! However, why did all these students have time to go to the training ground today? You don't even have to go to class!" Red Knife discovered another big problem.

"You still have classes? Why don't I need to go?" Ye Qianli was dumbfounded.

Red Knife was speechless.

He had forgotten that there was something even more shocking here! Ye Qianli was the only one in the first grade's heaven class. Of course Teacher Feng would indulge her.

"Go to class." Rong Mo didn't care if Red Knife applied for leave or not. He had something to tell Ye Qianli.

Red Knife was speechless.

He was a little hurt. How could he kick her every time he was done? Although it seemed that he was not of much use this time, he had joined in the fun and watched a big show.

"Yeah, hurry up and go to class." Ye Qianli didn't really like Red Knife now. She felt that he was good at finishing off the opponent! Always telling the truth.

"Alright, alright, you don't have to rush me. I'm just in the way of you being alone. I'll leave, okay? My heart hurts." After being chased away, Red Knife clutched his chest. After scolding the couple, he tactfully left.

"Meow!"

The key was Little White Meow. It went out as well and closed the door for Rong Mo and Ye Qianli. Then, it jumped onto Red Knife's shoulder to play.

Ye Qianli was speechless. This seemed to be a little wrong.

Especially in this tightly shut room, she could only hear her and Rong Mo's breathing, which made her feel even more uneasy.

It seemed like ... Well ...

It was very awkward! He didn't know what to say.

She did not say anything, and Rong Mo did not say a word either.

".. "Ye Qianli felt that she was a little nervous. It was not the first time she was alone with Rong Mo, but why was it so awkward this time?

After a long while, Ye Qianli cleared her throat and said seriously, ""Your Highness, do you have something important to tell me?"

Rong Mo sized her up and saw that there seemed to be beads of sweat on her forehead. He narrowed his eyes under his long eyelashes.

"Your Highness the Crown Prince?" Ye Qianli, who didn't get a response, had to look up at him. She met his gaze.

"Bang!" Ye Qianli seemed to have heard her own heartbeat. Rong Mo had to raise his hand and caress her forehead at this moment! This ... That...

".. "

Ye Qianli felt that her brain was not working properly.

"Paragon fused?" Rong Mo asked in his usual voice, but he did not move his hand away.

"Yes." Ye Qianli nodded subconsciously.

"So he definitely won against the Purple Spirit?" Rong Mo asked again.

"Of course!"

Speaking of this, Ye Qianli's brain was obviously excited. " Her realm has not improved at all compared to before. Her talent with Nine-Tailed Fox is still at the initial success realm. "

"Then why are you still taking off your outer robe?" Rong Mo questioned.

"!?" Ye Qianli's brain froze. She didn't understand what Rong Mo was saying.

After a while, she remembered that it was the part where she pretended to strip! In other words, this guy! He had been in the special training room for a long time.

" If I didn't try, how would I know that she didn't make any progress? After all, I've already advanced from the Initial Stage to the Complete Stage, " Ye Qianli said immediately.

She believed that she would be caught off guard! The Violet Spirit's reaction at that time was absolutely true. The facts that followed also proved that her estimation was not wrong.

"The Amethyst Light Sword has arrived as well?" However, Rong Mo continued to ask.

" That's not true. But I have the Celestial Wolf Flag too. Violet Spirit definitely doesn't know that the Celestial Wolf Flag is actually a Spirit Tool, and its rank isn't low either. Otherwise, would she and Xuan Tianyan 'gift' me? " Ye Qianli smiled slyly.

Regarding the Sky Wolf Flag, she really had to thank the deceased Xuan Tianqi, Xuan Tianyan, and Purple Spirit who had plotted against her. The Sky Wolf Flag was far more precious than they had imagined.

"It's a pity that you don't know how to use it yet, and Violet Spirit has already learned the Amethyst Light Sword Art. If you didn't have the Meteor Hammer, you would have been the one dancing just now." Rong Mo bluntly exposed him.

"Then don't I have one?" Ye Qianli didn't care at all. She wouldn't lose.

However, just as she finished speaking, she felt a pain on the right side of her face! Uh ...

"Let go!" Ye Qianli almost jumped up when she saw her face being pinched again. Why did he pinch her face! So angry.

If it weren't for the fact that the Purple Spirit's status was not enough to summon the true Amethyst Light Sword, do you really think you could win for sure? " Rong Mo sneered, his tone extremely unpleasant.

That was indeed the case! The Amethyst Light Sword in Violet Spirit's hand was nothing more than a condensed form of sword Qi that she had summoned from her Zifu using her bloodline and a secret technique! How could the real Amethyst Light Sword, the one that had broken through the northern border, be so weak?

"Let go, let go! It hurts...Sigh, in any case, if I lose, I still have you, right? With your reputation in the academy, who would dare to look at me with that roar? Am I right?"

Ye Qianli, whose face was numb from the pain, quickly expressed!

Although she did not think that she would lose at all! Moreover, the moment that Amethyst Light Sword appeared, she knew that it wasn't that powerful. Moreover, she still had a trump card that she hadn't used yet.

However, according to her understanding of this perverted Rong Mo, she had better admit her mistake and quickly flatter him. Otherwise, this matter would not be resolved.

".."

Ye Qianli's reaction was right! After hearing her explanation, Rong Mo let go of her hand, obviously agreeing with her.

"Hiss..." Ye Qianli took a deep breath in pain and rubbed her face. She felt that the Crown Prince was really...

"Since we are engaged, I naturally won't watch the Violet Spirit dance." Rong Mo, who was obviously pleased, finally responded to Ye Qianli's initial question.

However, he paused for a moment before he said, "But you always seem to be very guilty when facing me? What else did you do?"

Hearing this, he originally wanted to reply, "As expected!" "I knew it!" Ye Qianli was speechless.

"Does burning your little cat count?" After a while, Ye Qianli answered honestly.

"Just this?" Rong Mo raised his eyebrows and asked.

Ye Qianli heard his tone and knew that he didn't want to pursue the matter. She quickly nodded and said, ""Yeah, it's not that bad. Look, it's fine."

"Are you sure it's just this?" Rong Mo's tone darkened.

Chapter 149: God's Help, A Good Opportunity for Intimacy (1)

However, Ye Qianli, who was feeling relieved, didn't notice the slight change in his tone. She nodded her head like a chick pecking at rice and said, ""Of course, of course! Otherwise, what else could have happened?"

Rong Mo narrowed his eyes and looked at her for a while. Seeing that she looked like she had just survived a disaster, he rubbed his eyebrows and thought to himself that he had overestimated her. This Ye Qianli was so afraid of him, how could she do such a thing?

But then he thought back to her in the training room, she was fearless, like she was a Paragon...Forget it, I'll let Xiaobai do it later.

If it really was her, she wouldn't be honest!

"..”Rong Mo narrowed his eyes and sized up Ye Qianli, who was still nodding her head, with a dark light in his eyes.

Ye Qianli, who had no idea that she was on the verge of death, finally realized that Rong Mo's expression was not right.

"Cough..." Ye Qianli coughed and her heart skipped a beat. She didn't know what she did wrong. Why did she piss off this beautiful prince again?

However, Rong Mo, who had already made up his mind, changed the topic. ""It's good that you came out of seclusion a few days earlier. There will be new changes to the A-level mission. I estimate that you will leave in advance in the next two days. Prepare yourself."

" We're leaving?! " Hearing this, Ye Qianli's eyes lit up. She had been waiting for this day for a long time! She could finally go to the Arctic Realm and find her grandfather.

"Yes, your father has also returned to the Northern Territory. Because of the phenomenon caused by the Celestial Wolf Flag, he can help you collect the remaining soldiers and recruit new soldiers and generals. I will bring you to the Northern Territory and meet up with the Dean in Xuanwu City." Rong Mo arranged.

"Alright." Ye Qianli also wanted to go back to the Northern Region to take a look. After all, that was where " she " grew up. It was also the root of her grandfather and the Northern Region Army.

"Go back and rest. I'll inform you when there's a new order." Rong Mo, who had finished his business, immediately chased them away.

"No, no." Ye Qianli shook her head and refused.

"Is there anything else?" Rong Mo raised his eyebrows and asked. Seeing Ye Qianli nod her head seriously, he also focused his attention.

"I think there's something wrong with my cultivation." Ye Qianli said seriously. She had talked to the magic box about this, and the magic box said that it didn't understand either, so it asked her to ask Rong Mo.

Ye Qianli felt that it was a serious problem that even the Magic Box didn't understand. Her expression became more serious. Little did she know that the Magic Box actually knew about it and was just trying to create a "good opportunity" for its stupid master.

After she said that, coupled with her bitter and vexed face, Rong Mo's brows furrowed unconsciously. He said seriously, "Tell me in detail."

"It's like this..." Ye Qianli felt that she had to start from the beginning, so she first briefly explained her fight with the Nine Heavens Obsidian Flame.

"Yes, continue." Rong Mo was also listening very seriously, although he had already expected all of what she had said earlier. After all, he had watched the entire battle between her and the Purple Spirit, so he knew that she and the Nine Heavens Obsidian Flame were in a state of equal harmony.

Otherwise, with Ye Qianli's cultivation as a Rank One talent, even if her Nine Heavens Obsidian Flame talent was extraordinary, even if she had fused with the Nine Heavens Obsidian Flame, it was impossible for her to be stronger than a Rank Two talent like the Purple Spirit.

Of course, the most important thing was that she had a good comprehension ability. That was why she was able to comprehend the Nine Heavens Obsidian Flame more thoroughly and fully display its power.

"Then, I realized..." However, when Ye Qianli saw Rong Mo's serious expression, she thought that she might have done something wrong. Now that she was about to get to the main point, she sounded a little flustered and subconsciously covered her face.

Rong Mo thought that she was in big trouble, and his frown deepened. However, his voice was surprisingly gentle, and he spoke very slowly. "Don't panic. Tell me slowly."

As they were very close, Rong Mo held Ye Qianli's hand as he spoke. Ye Qianli's slender nape was also patted by Rong Mo's slender fingers.

Ye Qianli, who had been a little flustered, felt relaxed after being caressed by him. His voice was gentle, and it had a sexy and slightly hoarse soothing effect.

Therefore, she mustered up her courage and said seriously, ""I realized that I can't communicate with the Nine Heaven Mystic Flame now. I can't sense its thoughts. Is it...Not good?"

In fact, Ye Qianli wanted to ask if she 'killed' the Nine Heavens Obsidian Flame. Although that proud consciousness of fire was not very likable at first, it did have the right to be proud. She did not want to destroy it, she just wanted to coexist with it as an equal.

".."

Rong Mo tightened his grip on Ye Qianli's neck, causing her to hold her breath. " Is Xiaohuo's consciousness really extinguished? "

"Then do you feel uncomfortable anywhere?" Rong Mo asked.

Ye Qianli shook her head and said, "" No, but that wisp of fire that was originally in my dantian is gone now. Is it 'dead'? "

".."Rong Mo stopped talking.

Ye Qianli stared at him patiently, thinking that he was thinking and would explain to her later. Who would have thought that after a while, Rong Mo would say, ""Your Yates family has produced talents before. Haven't you read any books about cultivation talent?"

"?"Ye Qianli's head was full of question marks. She didn't know what Rong Mo meant. Why did it feel like he was saying that she was not well-educated? Why didn't you study hard?

Seeing that she looked so "innocent" and indeed did not know anything, Rong Mo endured it and said calmly, ""The disappearance of the little flame is a sign that you have fused with the Nine Heavens Obsidian Flame."

Ye Qianli was speechless. She seemed to have asked a stupid question.

" As for the disappearance of its consciousness, it's not that it's dead. It's a symbol of its equality with you. In other words, it won't be able to order you around in the future. At the same time, it also means that you have to understand its power more thoroughly until one day you truly obtain its recognition. It will appear again and surprise you." Rong Mo continued.

After he finished his words, Ye Qianli paused for a moment and asked, ""Surprise? The way you can summon the Vermilion Bird God?"

"Similar." Rong Mo said.

"Weng..."

Ye Qianli was about to say something when she felt the ground shake. It was as if there was an earthquake! This made her focus and observe carefully.

"!"

But at the same time, Rong Mo, who was originally sitting upright, stood up, clearly losing his composure! He walked towards the window and looked towards the northeast.

The northeast of Genius Academy was the Land of Extreme Ice.

Ye Qianli also sensed the source of the earthquake, which seemed to be coming from the northeast. She jumped toward the window and looked toward the northeast.

However, the northeast direction was quiet. Ye Qianli didn't see anything wrong with it. So, what was going on with this vibration?

Feeling that something was wrong, Ye Qianli focused her attention on her right eye and stared at the northeast direction. She felt that something big must have happened there.

But after a long while, she still couldn't see anything!

"Gather that half-comprehended shen glyph on your right eye, quick!" Fortunately, the Magic Box had already sent a reminder.

Ye Qianli didn't suspect anything and immediately followed his instructions. She quickly formed the three shen glyph lines that she could only form into her right eye and then...

"!"As expected, Ye Qianli's pupils contracted as she saw that it was in the northeast! It was as if a huge shadow of the Black Tortoise was condensing.

"Roar!" It seemed to let out a long neigh in the air, as if it was about to break through the nine heavens! Its momentum could swallow the sky, and its qi was extremely vast.

However, Ye Qianli only saw such a phenomenon for a moment before she closed her eyes in pain and reached out to caress her right eye.

She knew that her cultivation level was too low, but she was forced to see this scene and was counterattacked by the power of this celestial phenomenon! And that was the truth.

"That's a sign that the Black Tortoise is about to descend. It's a part of the fate of the heavens. You can be considered to have peeped into the fate of the heavens. It's normal for your eyes to hurt. You should be fine after a while." The magic box explained, having seen what was happening with Ye Qianli's eyes.

However, Ye Qianli caught the main point of its explanation-Black Tortoise God was about to descend! The guardian of the Black Tortoise Dynasty, the Black Tortoise, was about to descend!

This ...

"!"As Ye Qianli was thinking about this, her jaw was suddenly lifted. She opened her eyes in shock and saw a pair of silver eyes!

A pair that made her both familiar and shocked! The bright moon and silver eyes made her brain buzz, and she was stunned.

This ... It was this pair of silver eyes. Wasn't this the color of his eyes that represented his weakness when she bullied the beautiful prince?

..

Ye Qianli, who was in a daze, didn't know that her right eye was also changing!

It was not the blood red color that Rong Mo had seen before, but a faint purple color. The water was like a clear purple crystal. Under the sunlight, it reflected a blurry and dazzling light, which was very moving.

Because of the pain in her eyes, even though Ye Qianli was stunned, she still blinked instinctively. The tears that welled up from the pain flowed out unconsciously and gathered into a teardrop, dripping down from the corner of her eye.

Rong Mo was touched by this scene, not to mention Ye Qianli, who was about to tear up, had to open her eyes stubbornly.

“ ”
..

For a moment, those watery purple eyes looked even more livelier and moving. Moreover, there were a few lively teardrops hanging on those long eyelashes that looked like the black wings of a butterfly, making them even more alluring.

Rong Mo did not even have the time to react when he saw her alluring eyes. He had already leaned over and was about to kiss her.

“!”

Rong Mo's actions naturally caused him to think of many things even though he was stunned...Ye Qianli's heart trembled even more in the image! Her breathing was trembling, and her eyes and eyelashes were trembling.

“..”

Rong Mo's slightly cold lips silently and gently landed on Ye Qianli's right eye. Just as Ye Qianli's brain buzzed again and completely froze, he gently sucked.

"Buzz!"

At that moment, Ye Qianli could still feel a strong electric current flowing from her right eye to her entire body! It struck her heart.

This made her subconsciously raise her hand and hook it around Rong Mo's neck, which was leaning over to kiss her right eye, to stabilize her trembling body that had been electrocuted.

Most importantly...

As soon as she hooked her hand over, Rong Mo's left hand, which was originally behind his back, locked onto her soft waist almost in sync. When she was pretending to strip, she swayed her waist in the wind and was caught by his palm.

“!”

Ye Shang happened to witness this exciting scene! In fact, she had seen the entire process. From the moment Rong Mo took the initiative to lean over and kiss Ye Qianli, she had been watching.

Don't ask why Ye Shang came to be abused, she really asked for it!

Ye Shang had been paying attention to Ye Qianli and Rong Mo ever since Purple Spirit had finished her strip dance. She had wanted to find an opportunity to strike up a conversation with them and explain herself.

However, she never found the chance to do so. Later on, she found out that Ye Qianli had followed Rong Mo back! More importantly, not long after, Little Red Knife and Little White Meow came out.

In other words! Ye Qianli and Rong Mo were alone in the room.

Ye Shang was still unwilling to accept this realization after struggling for a long time! Or rather, those who wanted to cause trouble walked towards Rong Mo's courtyard.

In the end! He was silently abused.

Ye Shang could not help but feel blood gushing out of her mouth. She could clearly see that Rong Mo's expression was completely different from his usual.

It was no longer cold, only soft and warm.

He was no longer a thousand miles away from others, just like a banished immortal who had been tainted by the mortal world. He was still peerless in his generation, but he was gentle and mesmerizing.

Ye Shang only felt the blood surging from her heart, flowing between her lips and tongue, but she forcefully swallowed it back down, causing her chest to ache.

However, Rong Mo's kiss did not end so quickly. After a light kiss, he continued to suck hard as if he had tasted the marrow. It was as if he wanted to suck away those seductive eyes of his before he was satisfied.

"Oh..." However, this made Ye Qianli's eyes hurt even more, and she couldn't help but moan.

After all, the tears in her eyes were originally meant to relieve the pain, but now they were all sucked dry. Of course, she felt very uncomfortable.

However, this discomfort only lasted for a moment before it disappeared...

Rong Mo's tongue had already licked her eyes. His soft and long tongue deftly drew her eyelashes and her eyeliner before entering her eyes.

There was no discomfort from being invaded by a "foreign object". Her right eye, which only felt dry and stinging, slowly felt a little more comfortable as he kissed and licked it.

As a result, Ye Qianli became more intimate with Rong Mo, placing both her hands on Rong Mo's slender neck. Naturally, she also became more intimate with Rong Mo, as if she was instinctively seeking more.

As for Rong Mo?

When he sensed his little fiancée's closeness, he slightly let go of her seductive gaze. However, he did not withdraw his lips and leave, nor did he push away the softness that clung to him. It was just...
