Chapter 218: All Done!

"What's that?!" Xuan Tianyan and the Black Tortoise Great Exalt were dumbfounded again. They had thought that Ye Qianli was done for this time.

After all, it was the Netherworld Corpse Poison! Moreover, Ye Qianli definitely couldn't resist the poison. Otherwise, she wouldn't have exposed herself. But...

What was going on? What was that little flower? Could it be that Ye Qianli obtained a divine weapon from this divine treasure?

"No, this flower appeared before. It was with the Extreme Ice Holy Water!" Xuan Tianyan pondered for a moment and immediately exclaimed in surprise. Although there was a difference in size, they looked the same.

"It seems so." The Black Tortoise Great Exalt nodded, his pale face showing a trace of worry. He felt like retreating again, thinking that this Ye Qianli was too weird.

"I understand!" Xuan Tianyan suddenly thought of the key point. He stared at Ye Qianli, whose eyes were still closed, and said, "She's cultivating! This flower should be her second talent."

"What?" The Black Tortoise Great Exalt could not understand. After all, what he saw was clearly a physical flower and not a talent phantom.

"Head Exalt, don't hesitate! Let's kill her together. Her talent shouldn't be offensive. It's a support-type talent." Xuan Tianyan's heart was set, and at the same time, he released his strongest talent.

"Roar!" As soon as the huge shadow of the Black Tortoise appeared, Xuan Tianyan struck out a palm at Ye Qianli's face! The attack was very clean and efficient.

"Oh no!" The Magic Box was about to explode because it knew that Ye Qianli had not woken up yet! Innate flowers should only automatically protect their masters and really don't have any offensive abilities.

The Magic Box didn't care anymore. It was ready to wake Ye Qianli up, but it had to do so.

"Buzz."

Ye Qianli opened her eyes first. She had a pair of light purple eyes. The color of her left eye and right eye were the same, but if one looked closely, the color of her right eye seemed to be darker.

"Idiot! You're finally awake." Magic Box's surprise bullet screen, but at the same time!

"Roar!"

Xuan Tianyan's attack had arrived! Furthermore, perhaps because of the geographical advantage, Xuan Tianyan's attack faintly had the momentum of the guardian phantom of the Black Tortoise Divine Treasure.

"Rumble!"

The terrifying might of the Black Tortoise Divine Warrior had already surrounded Ye Qianli from all directions! She was so shocked that she immediately released a faint purple glow.

Then!

"Magic Box, Illusion!" Ye Qianli took out the magic box. The latter released a purple light and turned into a small trumpet flower, which looked exactly like Ye Qianli's talent flower.

Uh ...

"Magic Box, you tricked me again!" Ye Qianli was so angry that she almost vomited blood. The fierce Black Tortoise Divine Might had already broken through her defense like a tidal wave, attacking her whole body and tearing her internal organs apart.

"Cough, I'm sorry, I'm sorry! I've been thinking about your Taiyi God Flower, start again!" The magic box knew that the situation was a little serious, but it really didn't do it on purpose.

"Die!"

However, at the same time, Xuan Tianyan, who had shown his might, shouted in a deep voice, and a violent innate aura surged out! He continuously drew in the purest Xuanwu shen power from the array.

"Boom!"

The terrifying shadow of the Black Tortoise was getting more and more powerful, and it was about to reach Ye Qianli! Ye Qianli spat out another mouthful of blood.

"Magic Box, Illusion!"

Ye Qianli shouted with all her might. It immediately exploded and turned into a huge crescent blade. In an instant, its entire body turned red.

"Nine Heavens Obsidian Flame Slash! With the saber in hand, Ye Qianli released her Divine Fire and slashed at the Xuanwu Giant Claw with all her might!

"Bang! Rumble!"

The terrifying Mystic Flame Divine Power and the violent Mystic Martial Divine Power shook Ye Qianli on the spot, causing her to feel dizzy and spit out mouthfuls of blood.

But even so! The huge crescent blade in her hand still blocked the Black Tortoise's claw and was not killed! This was considered fortunate.

"Damn it!"

Xuan Tianyan's expression turned ugly when he saw this. He was a third-rank talent, and his third talent was the Black Tortoise talent.

This place was his home ground! Ye Qianli didn't have the time to prepare herself and could only defend herself! In the end, he still couldn't kill Ye Qianli.

Fortunately, at this moment, the Black Tortoise Great Exalt also made his move. He had already prepared himself! A Heavenly Turtle immediately exploded out of anger and shouted at the same time, "Your Highness, don't be anxious! This old man will help you."

"Roar!"

When the Heavenly Turtle appeared, there was also a golden lion! A huge black saber, a long black spear, and a huge black axe! At the same time, they gathered around the Great Guardian of the Black Tortoise.

At this moment!

The Black Tortoise Dynasty's high priest directly released his five great talents without holding back at all! All of them charged towards Ye Qianli.

"I!"

When Xuan Tianyan saw this, he was overjoyed! He knew that Ye Qianli would definitely die! Therefore, he was trying his best to suppress Ye Qianli.

"Roar!"

The Xuanwu phantom above Ye Qianli's head suddenly became more powerful! The Heavenly Turtle, the Golden Lion, the giant saber, the long spear, and the giant axe! Under such an opportunity, they charged towards Ye Qianli.

"Die, little slut!"

When the pale Black Tortoise Great Exalt saw this, a trace of joy flashed across his eyes. He felt that even if he lost an arm, he could still kill Ye Qianli here! It was worth it.

This woman was too terrifying!

However, just as the Great Guardian of the Black Tortoise thought this, he felt a pain in his head! Then, he widened his eyes and stared at Ye Qianli.

"Bang!"

At the same time, all the attacks landed on Ye Qianli's small body, creating a bloody mist. Xuan Tianyan was relieved.

This time, he didn't believe that Ye Qianli could survive. She was going to die.

"Boom!"

The sound of someone falling to the ground was heard at this moment. However, Xuan Tianyan felt that something was wrong when he heard this sound! Because this voice was ringing in his ears.

"Let's go..."

An extremely weak cry sounded at the same time. Xuan Tianyan couldn't hear it at all. Even though the voice was weak, he could still recognize that it was the voice of the Black Tortoise's Head Exalt.

In an instant!

"Shua Shua Shua-"

Xuan Tianyan, who did not have time to think carefully, had already retreated with all his might! How could he care about whether Ye Qianli was alive or dead?

He only knew that the Great Guardian of the Black Tortoise had died, and he had died right beside him. What did this mean?

Xuan Tianyan did not even need to think to know that he was very close to death just now, very close! It was closer than any of the times before.

Even though he didn't know how Ye Qianli did it, it was a fact that the Head Exalt, who was much stronger than him, died by his side! In addition to Grand Preceptor Zi from before, he was simply too terrifying.

Swoosh! Swoosh! Swoosh!

Thinking of this, Xuan Tianyan did not dare to stay any longer! They retreated faster than a rabbit. At the same time...

Chapter 219: The Oriole Behind!

The Black Tortoise Great Exalt was indeed dead, and he did not die with his eyes wide open. After all, he did not even know what had taken his life.

However, he knew that he and Grand Preceptor Zi had died on the same thing. That thing must have been poisoned. After all, although the flower helped Ye Qianli block the Nether Corpse Poison, it didn't help that thing.

In the end, he was wrong, and then he died. Before he died, he couldn't confirm that Ye Qianli was a scourge! Was he dead or not? But he thought he should be dead, right? Well ...

"Cough..."

However, in the middle of the bloody mist, the sound of coughing blood was destined to disappoint the Great Exalt of Black Tortoise. Ye Qianli was not dead.

"Cough..." Even though she was coughing up blood, even though there was almost no part of her body that was fine, she was indeed not dead. She was still alive!

"Pa, pa, pa!"

Dongfang Xiao, Dongfang Yue, and the others walked out of a cultivation room. Dongfang Xiao was applauding and cheering for Ye Qianli from the bottom of his heart!

Even though Dongfang Xiao had seen many talented people in his generation, he had to admit that Ye Qianli's talent, scheming, and combat strength were definitely among the best. She was even better than him.

"Although I have never heard of the Four Symbol Land before, I think it must be because I am ignorant. You have broadened my horizons." Dongfang Xiao looked at the young girl who was covered in blood and was in a sorry state. He was praising her from the bottom of his heart.

Even Dongfang Yue, who was displeased with Ye Qianli because of Rong Mo, had nothing to say. After watching the battle, she had to admit that the woman in front of her was stronger than her.

Of course, the siblings weren't good people. They wouldn't turn hostile and become good friends with Ye Qianli just because they recognized her strength.

Therefore, after Dongfang Xiao finished praising him, he ordered, ""Take her down."

However, as soon as he finished speaking, a ferocious beast's breath rushed out from the cultivation room behind Ye Qianli.

Then, the majestic Direwolf Beast! His cold eyes appeared in front of Ye Qianli, protecting her under his huge body.

Dongfang Xiao and the others were so shocked that they retreated and almost fell! Fortunately, their cultivations were not weak, so they did not make a fool of themselves. However, it was enough for their hearts to tremble for a while.

"You want to be an oriole? Ridiculous." Ye Qianli's weak voice also sounded sarcastic, which made Dongfang Xiao and the others' faces darken.

"Brother, this Skywolf is probably at the fifth step." Dongfang Yue whispered in a jealous tone. She had never expected that the other party would have so many good things.

Dongfang Xiao did not expect this either. However, even without Uncle Chen, it would not be a problem for them to take down this Heavenly Wolf. They would just have to pay a price.

Thinking of this, Dongfang Xiao said, "You are Ye Qianli, right? We can make a deal. "

"Tell me." Ye Qianli replied as she healed herself. She only needed a little time. Although she was feeling weak, she was confident because Rong Mo was recovering!

"You ambushed those two fifth-grade talents just now, using a God-killing Spider, right? Hand it over, as well as this Heaven Wolf. Hand it over, and we'll leave immediately." Dongfang Xiao demanded an exorbitant price.

"Do you think that's possible?" Ye Qianli sneered.

When Dongfang Yue saw this, she couldn't take it anymore and reprimanded, ""Don't you know what's good for you! Just because you pretended to be the Saint Child's lover, it's a death penalty! My brother and I just don't want to fight. Otherwise, you'd be dead right now."

"I don't believe you." Ye Qianli said with certainty.

"You..." Dongfang Yue was so angry that her face turned red. Dongfang Xiao interrupted her, ""Miss Ye, it's not because we don't care, but because we still have to fight for the ultimate divine treasure. Even if you have the Celestial Wolf Beast and the God-Slaying Spider, you will definitely die. Miss Ye is a smart person, she definitely understands."

"You can try." Ye Qianli looked like she wouldn't budge, and Dongfang Yue couldn't help but say darkly, " Brother, just do it. She won't shed tears until she sees the coffin. "

" Miss Ye, I'll give you one last chance. I advise you to give in, or you'll regret it. " Dongfang Xiao gave a final warning.

"Alright, I'll think about it." Ye Qianli said.

Dongfang Yue, who was ready to fight, was stunned on the spot! Even Dongfang Xiao looked at Ye Qianli in surprise. He probably didn't expect her to admit defeat so quickly.

However, after Dongfang Yue regained her senses, she said in disbelief, ""Brother! She's stalling for time. She must be playing with us!"

".."Dongfang Xiao remained silent. In fact, he somewhat believed his sister's words. However, he saw that Ye Qianli's injuries would not recover in a short period of time, so he did not mind being delayed.

"Brother!" However, Dongfang Yue's expression turned ugly when she saw her brother staring at her. She suspected that her brother had taken a fancy to this wretched girl.

However, Dongfang Yue thought about it again. If her brother took this wretched girl into his room, he could just cut off the false Holy Son's thoughts. This was also good.

Thinking of this, Dongfang Yue did not say anything else.

After a while, Dongfang Xiao said, ""Miss Ye, you're almost done considering. Although this young master has tender feelings for women, if we really fight, I can't care much."

"I'll give you the God-killing Spider, but the Sirius Beast won't give it to you. Are you going to accept it?" Ye Qianli said seriously, as if she was really considering it.

"No!" Dongfang Xiao rejected her outright, but he said, " Of course, if Miss Ye is willing to return to the Dongfang family with me, I can give up the God-killing Spider and the Celestial Wolf Beast. "

As soon as he said this, Dongfang Yue looked enlightened. She knew that her brother had taken a fancy to this girl! Hmph, this wretched girl really got off easy. She was just a concubine of her brother. She couldn't do anything.

"Then let me think about it." Ye Qianli replied seriously, as if she was really tempted.

Hearing this, Dongfang Xiao was secretly delighted! However, he had seen further than Dongfang Yue. Although he had taken a fancy to this girl, he paid more attention to her talent! He knew that if this girl could return to the Dongfang family with him, she would definitely be a great help to the Dongfang family in the future.

" Alright, Miss Ye, think about it carefully. But time waits for no one. I will only give you ten breaths to consider. " Dongfang Xiao urged her and extended an olive branch at the same time. " In fact, with Miss Ye's talent, she will only be put in an important position in the Dongfang family. It will definitely be a good thing for her to obtain more cultivation resources. "

"Then I've thought about it." Ye Qianli replied immediately. Dongfang Xiao was excited, but he asked calmly, " How is it? "

However, this time, it was not Ye Qianli who answered Dongfang Xiao. Instead, a cold voice came from behind her, ""She's not going."

Chapter 220: Silly Leopard, the Second Form of Medicine Feed!

Following the sound, the door slowly opened and Rong Mo strolled out of the Core of the Array Cultivation Room. His movements were very light, especially when he opened the door.

He knew that Ye Qianli, who had protected him, was seriously injured. She was leaning against the door, and he was afraid that she would be hurt if he opened the door too loudly.

Although he knew that she was injured, Rong Mo's heart still skipped a beat the moment he opened the door and saw her. His eyes darkened to the extreme.

At this moment, Ye Qianli raised her head and smiled at him. " Your Highness, you're finally out. "

Rong Mo couldn't help but squat down and gently pulled her into his arms. His voice was obviously hoarse as he said, ""Silly leopard."

Even though he didn't know what had just happened, Rong Mo was a smart man. He could guess the truth as soon as he sensed the dead Grand Preceptor Zi and the Great Guardian of Black Tortoise.

"You're the silly one. You ... Oh ..." Ye Qianli, who was being scolded, naturally wanted to retort, but her mouth was gagged.

Rong Mo had already fed her a mouthful of pills and ordered her, ""Swallow it and treat your injuries."

Ye Qianli was a little confused. How could she swallow such a huge mouthful of pills? He couldn't swallow it! He couldn't bite her, so why couldn't he feed her less?

Rong Mo, who was feeding her the medicine, raised his eyebrows at her silly look and said, ""Do you need me to help you swallow it?"

"..Ye Qianli almost nodded. That's not right. She can't bite. Her talent can help. The divine fire melts faster than biting. She must be so silly because she's too happy!

However, Rong Mo had helped her before she could even use the Divine Fire. He sucked on her lips and gave her a warm breath. He melted the pill in her mouth and then licked her throat...

Ye Qianli was speechless. She was already dumbfounded. She could only instinctively sense what he was doing, but her brain was completely unable to think.

Therefore, it was only instinctive! After being "teased", he kept swallowing, swallowing, swallowing...Her hands involuntarily wanted to move, wanting to hug her beautiful prince.

"Mmmm-"

However, with her injuries, her movement would naturally affect her entire body. It was so painful that she gasped, and what she drew was naturally Rong Mo's aura.

The clean, snow-like aura seemed to flow into her limbs and bones as she inhaled, fusing into her bones and blood.

".."

At this moment, the Dongfang siblings, who were completely dumbfounded, watched the two of them kiss dryly. It was simply...

Tortured!

"You ... You guys..." When Dongfang Yue came back to her senses, she was both embarrassed and angry! Of course, she was more annoyed than angry. She wanted to replace Ye Qianli.

As for her embarrassment, it wasn't because she was embarrassed by the crowd. She just didn't expect Rong Mo, who looked cold, noble, and proud, to kiss her so gently and passionately. She was moved by his actions!

"Crack!" Dongfang Xiao, who had been holding back, clenched his fists tightly. He didn't deny that he wanted Ye Qianli to follow him back to the Dongfang family and even to his room. But now...

Dongfang Xiao's expression was indescribably ugly when he saw the woman who had moved his heart being kissed by another man. He secretly thought to himself that he would get this slut in the future! He would definitely make her feel good. Damn it!

For a moment, Dongfang Xiao immediately ordered in a sinister voice, "Attack! Kill the man and capture the woman alive."

"Brother! No..." Dongfang Yue exclaimed. She did not want the fake Holy Son to be killed. She wanted to bring him back to the Dongfang family.

Dongfang Xiao glanced coldly at his sister. The intense malice in his eyes shocked Dongfang Yue so much that she swallowed the words that were about to come out of her mouth.

"Yes, Young Master." At the same time, the servants of the Dongfang family had already spread out and surrounded Rong Mo and Ye Qianli.

The murderous aura pulled Ye Qianli back to reality. She realized that the situation was not right!

But, but Rong Mo was still kissing her...

"Oh..." Ye Qianli wanted to say something, but her tongue was grabbed tightly and sucked hard. Her body trembled and her mind almost buzzed again. Her tongue was released at the same time.

"Silly leopard." Rong Mo, who had withdrawn his attack, saw that although her eyes were clear, her small mouth was still open and she looked a little silly. He could not help but kiss her red lips again.

"Oh..." Ye Qianli didn't expect him to come again. She wanted to say that he was going to kill them, but he still... So indecent! Really ...

This was too much!

"!" The retinue of the Dongfang family felt as if they were being ignored. They were not pretending to be ignored, but were really being ignored!

"Boom!"

For a moment, the furious retainers of the Dongfang family had a tacit understanding! At the same time, he unleashed his strongest innate ability and attacked Rong Mo without holding back.

Damn it!

This lecherous gigolo actually dared to ignore his grandpas. He would beat him until he knelt down and called him grandpa! If they were killed again, they would no longer be called the retainers of the east.

"Roar!"

The roars of beasts and the clanging of weapons instantly attacked Rong Mo from three directions! These attacks were so fierce that they didn't even have time to care about Ye Qianli who was seriously injured.

And at this moment!

Rong Mo, who had not even let go of the person in his arms, did not even lift his eyelashes, but he had already slapped out! And this palm strike of his seemed to be light and light, as if it did not gather any innate power.

"Bang!"

However, it was such a palm that seemed to have exploded the air when it landed! It directly exploded into a circle of silent, invisible, and powerful explosive waves.

"Bang! Rumble!"

A group of 16 Dongfang family followers, from the fifth stage talent to the fourth stage talent, only met once! The Tier 4 talents were all blasted until they vomited blood.

"Pfft-"

As for those grade-5 talents, they were also sent flying! He spat out a large mouthful of blood, and his aura became much weaker.

At the same time!

"..”Rong Mo then gently placed Ye Qianli in his arms into the cultivation room and asked the Sirius Beast to protect its master. He then stepped out of the cultivation room.

And the moment he stepped out, there was a blazing inferno beneath his feet! It was as if lava had burst out from the ground and was divided into eighteen streams! He flashed out in an instant, filled with killing intent.

"Not good!" Dongfang Xiao's expression changed when he realized that something was wrong. He immediately shot out a talisman! He then pulled Dongfang Yue, who was beside him, to escape.

However, Rong Mo's fire was even faster than his!

“火如！”

The Vermillion Bird Divine Fire burned fiercely! Instantly, the siblings' bodies were burned. The pain made the two of them howl miserably, feeling as if their souls were about to be burned apart!

"Ah!"
