Chapter 241: Little White Meow is Mighty! _1

Although he didn't want to do this, Elder Zhao knew! He had to do this. He had no other choice, even if the Crown Princess would hate him, even if he might not be able to serve in the temple anymore.

However, he could not leave the evil fetus behind! He had to die.

Therefore!

"Screech!" Elder Zhao used all his strength to strike Ye Qianli's abdomen with his Three-Tailed Fire Bird Innate Skill! His goal was direct and ruthless.

At the same time!

"Damn it!"

"Bastard!"

Feng Lihuan and the Vice Principal, who had not gone far and were prepared for any unforeseen circumstances, rushed back into the tent almost immediately! Unfortunately ...

They were late.

After all, Elder Zhao was a fifth-rank talent! Tier 5...

When Elder Zhao announced the decree, he was standing right in front of Ye Qianli. He was so close to her, and it was a premeditated attack! No matter how fast the Vice Headmaster and Feng Lihuan were, how could they make it in time?

For a moment!

"Bang!"

Elder Zhao's palm strike was so heavy that Feng Lihuan's eyes were about to pop out! It hit Ye Qianli's abdomen with an explosive force.

At that moment...

"Li-er!"

Feng Lihuan was heartbroken to see tears falling from the corners of the little girl's eyes. She probably did not expect to bring the Divine Sparrow Army with her! Elder Zhao, who had personally gone to Xuanwu City to help her, would probably kill her now.

At that moment...

"Go to hell!"

Feng Lihuan's palm also landed on Elder Zhao's back! He didn't hold back at all, this old fellow! Damn it, damn it!

At that moment...

"Little girl!"

The Vice Principal had already released his strongest healing aura and firmly wrapped Ye Qianli up! But even so, he knew that there was no hope. There was definitely no hope.

How could such a small fetus withstand the heavy blow of a fifth-rank talent? Too ruthless, this Vermillion Bird Dynasty's Head Exalt was too ruthless. Wasn't he worried that this attack would kill the little girl as well?

Too ruthless...

"Bang!"

As the Vice Principal wrapped Ye Qianli up, Elder Zhao was also sent flying out of the tent by Feng Lihuan. He crashed into the glacier and spat out a pool of blood.

"What happened?"

"What happened?"

“ .. ”

Many teachers and students of the Heaven Class rushed over after hearing the news. They saw the heavily injured Elder Zhao and Ye Qianli's tent with a big hole in it.

However, Feng Lihuan and the Vice Principal couldn't care less about what was happening outside, especially Feng Lihuan. He looked carefully at Ye Qianli who was still standing upright and asked, "Li-er, how is it? "

Feng Lihuan subconsciously looked at Ye Qianli's leg, but...The bloody scene that he had imagined did not appear?

Li-er? " The Vice Principal also exclaimed at this time because he also realized that something was wrong. This girl seemed to be fine? This child wasn't hurt?

"Meow!"

At this moment, Little White Meow, who was in pain, crawled out of Ye Qianli's arms with a vigilant look! He then glared at Feng Lihuan angrily.

Uh ...

"It's a misunderstanding, it's a misunderstanding. It wasn't me." Feng Lihuan subconsciously explained, but he heaved a sigh of relief. He looked at the Vice Principal who was already taking his pulse, waiting for the latter to give him an answer.

Motherf * cker!

He was really scared to death. He thought that the little girl had really been " aborted ". This was really true! This ... Feng Lihuan's thoughts were in a mess.

"That's strange. The fetus is really fine." The associate hospital director, who was confirmed to be fine, also wiped away the cold sweat from his back. The scene just now had really scared him to death.

However ...

Li-er, this second talent of yours focuses on defense? " The Vice Principal could tell that Ye Qianli's abdomen was surrounded by a peaceful aura, and this aura was the same as the purple flower aura she had released earlier.

"Not bad." Ye Qianli nodded and raised her trembling hand to caress her slightly bulging belly. She had been frightened just now!

Although she had expected that Elder Zhao might not bring good news, she had expected the contents of the imperial edict, but she did not expect that Elder Zhao would do something to her stomach.

Fortunately, Little White Meow liked to stick to her stomach recently. It was able to block most of the attacks at the first moment! The rest was taken over by Little Flower.

Fortunately ...

Otherwise, no matter how strong her innate defense was! At such a close distance, she could not guarantee that the baby would be fine.

Fortunately ...

Ye Qianli stroked her belly in fear. She felt that she was probably not used to being a mother, which was why she put the baby in danger.

"Good, good, very good." The vice president nodded in praise, but he was too embarrassed to ask what kind of talent this Taiyi God Flower had. Why didn't he know?

Even Feng Lihuan was embarrassed to ask. After all, they were both deans and teachers, yet they didn't even know about a student's awakened talent?

It seemed that their knowledge was too shallow. They would have to continue studying when they returned to the academy...Ever since Ye Qianli's second talent was exposed, many teachers had the same thought of "working hard".

However, Ye Qianli had no idea what was going on. She had already walked out of the tent and was walking towards Elder Zhao.

"You ... This ..." Elder Zhao, who saw that she was fine, was naturally stunned! After all, he was still very confident in his own strength.

And the result?

His full-strength attack actually couldn't hurt the future crown prince consort in the slightest?

This ...

Elder Zhao felt that it was very surreal. If it wasn't for the clear noise from all directions and the pain in his body, he would have suspected that he was hallucinating.

"Too ... Crown Princess..." Elder Zhao did not understand. He wanted to ask something.

However, Ye Qianli had already said coldly, "" Wrong, wrong address. I can't afford to be called Crown Princess Consort. "

"..”Old Zhao Zhang opened his mouth, but in the end, he did not say anything. He only smiled bitterly and closed his old eyes in a sorry state, waiting for death.

Sigh, to think that he was still a fifth-rank talent! He had deliberately injured a second-grade talent, but he didn't even get hurt. He didn't know what to say.

Anyway, when he decided to attack, he was already prepared to die. It was a pity that he could not get rid of that bastard! He wondered if the Crown Princess Consort was possessed, the bastard of the Black Tortoise's Seventh Prince! Why did she want to keep it?

"You can leave." Ye Qianli said, which startled Elder Zhao. However, he wasn't surprised.

Ye Qianli spoke again. " Tell Saint Emperor Rong that I thank him for taking care of the Ye family. In the future, I will send someone to take my father away. "

"Crown Princess, this..." Elder Zhao was stunned and wanted to say something, but Ye Qianli had already left without a trace.

Elder Zhao panicked! That was because...

Chapter 242: The Northern Region King Has Arrived!

The Vermillion Bird Dynasty could not do without the Ye family!

Especially without Ye Qianli! Even though he had done all these things, his original intention was only to target that bastard. He had no other intention of hurting Ye Qianli.

Besides!

He did all these things on his own! He was hiding it from the Sage Emperor and the Imperial Court. He was just...He just wanted to help the future Crown Princess make a decision.

She couldn't bear for him to do this to her!

She couldn't bear to let him do it!

But ...

Before Elder Zhao could figure out how things had turned out like this, he was already thrown out of the academy's tent area by Feng Lihuan.

"Bang!"

The heavy smashing sound and the pain that spread throughout every corner of his body made Elder Zhao suddenly feel a trace of regret. Did he ... Too impulsive?

After all, the Crown Princess Consort was still young. Coupled with the lack of motherly love since she was young, she would most likely treat the child as a treasure no matter who the father was.

However, he did not say a word and attacked. He did not want to lose this future Crown Princess Consort, but to the young future Crown Princess Consort, it was undoubtedly digging out her heart and forcing her to walk on an even more stubborn path.

No, no, no.

It can't be like this!

"Too ..." Elder Zhao thought that he had probably done something extremely bad for the imperial court. He couldn't help but stand up and shout. He had to explain clearly.

Unfortunately...

"Head Guardian!"

"Elder Zhao!"

The Lord of the Western Desert and the others who had arrived had already surrounded the heavily injured Elder Zhao. The injured Lord of the Western Desert, in particular, knelt in front of Elder Zhao and wailed.

"What a sin! What kind of sin has my Vermillion Bird Dynasty committed? In the end, something happened to the Crown Princess. Now, they are even going to be estranged from the dynasty and even beat up the High Exalt. Are they determined to abandon my Vermillion Bird Dynasty?" Tears streamed down the face of the King of Western Desolation.

Elder Zhao, who was already in pain from crying, felt even more pain in his heart and lungs!

Because what the Lord of Western Desert had said was exactly what he was worried about. It was also the reason why he had rushed over and even forged an imperial edict to force Ye Qianli to have an abortion.

As the high priest of the Vermilion Bird Dynasty, he knew how important Ye Qianli was to the dynasty! He was afraid, afraid that others would gossip about him, afraid that he would lose this future crown prince consort because of this.

Putting everything else aside, he knew the Crown Prince too well! With the Crown Prince being such a noble and arrogant person, how could he tolerate the Crown Princess being with someone else, let alone being pregnant with a bastard child?

However, if the vile spawn was eliminated, the rumors suppressed, and the Crown Prince was asked to prioritize the state affairs, the Crown Prince would still give up the title of Crown Princess no matter what!

Moreover, in the future, whether it was in the imperial court or outside the imperial court! No matter how others criticized the crown prince consort, the vile spawn was no longer around. Moreover, there was a reason for everything, and everything could be explained.

And with the Crown Princess 'ability, it was only a matter of time before she gained the recognition of the dynasty.

But ...

The Crown Princess Consort refused to have an abortion!

But ...

It was one thing for him to be impulsive, but he had also failed! In the future, there would probably be no chance to get rid of this vile spawn. In addition to what the Crown Princess Consort had said just now, wouldn't she become estranged from the dynasty?

"Pfft-"

At the thought of this, Elder Zhao, who was already heavily injured, spat out a mouthful of blood. He knew all too well that the Vermillion Bird Dynasty could no longer withstand the torment.

The moment he spat out a mouthful of blood!

The wailing Lord of the Western Desert immediately went forward to help Elder Zhao up and said in a panic, "Elder Zhao! Elder Zhao, how are you? Quick, get the military doctor."

"Don't ... Leave me alone ... Elder Zhao wanted to go and see the Crown Princess again, but before he could say anything, he felt a pain in his heart! Then, he blacked out.

"Let's go! " Quick, call the military doctor! " The Lord of the Western Desert shouted weakly. His face was extremely pale. The guards beside him quickly supported him. Little did they know that he was not weak because of the pain. He was weak! He quietly gave Elder Zhao a poisonous needle in his heart.

Humph!

Ye Qianli, this little girl, he didn't believe it! If Elder Zhao, the Great Guardian of the dynasty, died, she could still return to the Vermillion Bird Dynasty.

The Yates family! It was time to completely withdraw from the dynasty's political circle.

The Lord of the Western Desert thought viciously. He had already been helped back to his tent by his guards. The Western Desert Army he led was camped near the academy's camp.

Even though he was injured by the academy's teacher and was beaten to a pulp by Ye Qianli, the Western Desolation Lord knew that it was safer for him to camp near the academy.

..

In the evening, Elder Zhao died!

The high priest of the Vermillion Bird Dynasty, a Rank-5 talent, had finally died under a conspiracy.

He didn't even know that the message that the Lord of the Western Desert sent him was half-true and half-false. She didn't even mention what the Deputy Headmaster had said.

Furthermore, he did not even know how he died. After all, the Western Desolation Lord's poison needle had caused him to fall asleep and never wake up again.

The moment he died, the Lord of the Western Desert ordered, ""Men, quickly carry Elder Zhao's body to the entrance of the Genius Academy's tent."

"Your Highness, isn't this not good..." The guard reminded hesitantly.

"How is it not good?" the Lord of Western Desolation said decisively. Ye Qianli climbed up a high branch and looked down on the Vermilion Bird Dynasty, but she actually treated the life of our High Exalt as grass and killed him! This matter could not be settled.

Even if our dynasty is showing weakness now! However, poverty cannot be changed. We must show our attitude and let the world know how vicious Ye Qianli is! I want to see who would dare to sincerely recruit such a vicious woman, no matter how talented she is."

"Your Highness is right. This subordinate will do it quickly!" The personal guard received the order and left.

Not long after, thousands of Western Desolation Army soldiers with white bandages immediately gathered at the entrance of the Genius Academy's tent. The dead Elder Zhao.

Ye Qianli, who was watching from a distance, felt like she was watching a scene of a medical accident in the modern era, where the family members of the deceased were protesting at the hospital entrance.

"Girl, don't worry about it. These people are crazy! No wonder the Vermilion Bird Empire is the weakest. With such a scumbag official around, they have to be weak!" Feng Lihuan said,

"By right, Elder Zhao is a fifth-rank talent. Even if he was severely injured by you, he wouldn't have died so easily. I'm afraid there's something fishy about this." Ye Qianli said.

"That's none of your business. This old bastard deserves to die for what he did! Qian Li, I advise you to leave the Vermilion Bird alone." Feng Lihuan said solemnly. He had seen the imperial edict and it was simply a complete bastard.

Ye Qianli remained silent, but the Western Desolation Army outside began to move. There were high-pitched voices of condemnation, "Ye Qianli of the Ye family! He was arrogant because of his talent. He abandoned the Vermillion Bird's old master and killed the dynasty's guardian. He was extremely vicious! The gods and men are furious."

Hearing this, Feng Lihuan's expression changed. He knew that these people wanted to trample Ye Qianli into a traitor! A disloyal and unjust villain.

Damn it!

"Men!" Feng Lihuan couldn't take it anymore and was about to order people to deal with this group of idiots when he shouted, "Men!" A furious roar came from the sky, "Anger your ass!"

Chapter 243: Grandpa, I'm Going to Get Rich!

"Boom!"

Accompanied by this curse was a black shadow! Then, the sound of people falling to the ground shocked people from all directions and they immediately ran over to watch.

"Your Highness, Your Highness, something happened!"

"What exactly is it?" The Verdant King immediately asked. He naturally heard the commotion from the Genius Academy, but he wanted to know what was going on. There seemed to be no commotion from the Ghost Realm.

"Your Highness, it is said that the Vermillion Bird High Priest was killed by Ye Qianli. The elites of the Vermillion Bird Western Desert Army gathered to protest."

"Nonsense! How can a mere elite of the Western Desolation Army cause such a huge commotion? I'll go and take a look myself!" The Verdant King was furious when he heard this and ran out of the tent.

Seeing this, Qing Yunche also followed out, only to see a red shadow flash out from Lady Hong's tent towards the Genius Academy tent. Its speed was shocking.

"Uncle Wang, Aunt Hong is..." When Qing Yunche saw this, he was about to say something to the Verdant King when the latter also chased after Hong Nu at an extremely fast speed.

Qing Yunche was speechless.

In fact, it wasn't just the Verdant King and Aunt Hong who were fast! Bai Ying Xiong and Ye Donglin were also very fast. Even Xuan Tianyan, who had been hiding in his shell, had made his move.

Of course, Xuan Tianyan still had Gui Da by his side. Otherwise, he wouldn't have dared to come out. It wasn't like he didn't know how much Feng Lihuan, Old Zhu, and the Vice Principal wanted to strangle him.

..

At the same time.

At the entrance of the Genius Academy's tent, a group of people and beasts landed. Not bad! It was a human and a beast, that beast! There was no doubt that it was the Direwolf Beast.

The Celestial Wolf Army that had disappeared with the opening of the divine treasures! At this moment, all of them appeared, including Ye Rui and the others, including Ye Feng and the others who came later.

There was even one person...

Ye Qianli never expected him to appear here.

Because this person's skeleton was in her Qiankun Bag. She had identified it countless times. It was also a magic box! Rong Mo had confirmed that Ye Wuji, her grandfather, was dead.

That mighty and tall man had silver-white hair, his eyes were full of vigor, and his voice was like thunder ... She was very familiar with her grandfather, but how was this possible?

".."Ye Qianli closed her eyes subconsciously. She must have been hallucinating because she was so sure that her grandfather was dead.

It must be an illusion! It seemed that she was tired.

However, even if it was an illusion! Ye Qianli subconsciously opened her eyes and stared at the old man. It was a good illusion, she wanted to see it too.

Grandpa ...

But at this moment!

"Su Datong! Who the hell gave you the guts to smear my name like this! Bullying my granddaughter? Do you really think I'm dead?" Ye Wuji's thunderous roar was loud and clear.

As for Su Datong, the Western Desolation Lord, he was a little stunned!

Because the old man who had suddenly surrendered and grabbed his clothes like a chick was his in-law who had always been above him-Barbarian Ye Wuji.

But wasn't this old man dead? Wasn't he ambushed and killed by the Seventh Prince of Black Tortoise? Why did he come out alive and kicking again?

"Bei ... Northern Territory...King ... Your Majesty ..." At the same time, he recognized Ye Wuji and...

The Western Desolation King's personal guards of the Heavenly Wolf Army behind him trembled.

Ugh!

How could they forget that the Yates family still had the Heavenly Wolf Army! But why didn't he see it before? Why did it suddenly fall from the sky? Also, wasn't the Northern Region King dead?

"Dear...In-laws...You ... Why are you here?" At this moment, Su Datong was certain that the person holding him was Ye Wuji. Naturally, he immediately cowered.

Putting everything else aside, he had worked with Ye Wuji for so many years and knew all too well that this damned old barbarian was a fearless tyrant!

Su Datong dared to cause trouble at the entrance of the academy's tent because he was certain that the people from the academy would not kill him. After all, if they wanted to kill him, they would have done so long ago.

Moreover, he had a secret 'backing'! That was why he dared to cause trouble. Now that Ye Wuji had suddenly appeared, he was a little flustered.

"Who the f * ck is in-law with you! My son has already divorced your daughter, who is worse than a pig or a dog. My granddaughter, Little Qianli, has no blood relationship with your Su family. If you call her in-law again, I'll break all your dog teeth!" Ye Wuji retorted angrily.

"Yes, yes ... Old Barbarian, you're right. What Su Qin did was wrong. You and I are old brothers, so we can talk about it slowly. Let go of me first." The Lord of Western Desolation said with a pale face. Her entire body was covered in cold sweat.

"You're right. We can talk about Su Qin slowly." Ye Wuji expressed his agreement. The Lord of the Western Desert was about to heave a sigh of relief when he heard this.

"What we need to talk about now is how you slandered and bullied my granddaughter when I wasn't around!" Ye Wuji shouted. You shameless old man, who gave you the guts! Is it that little turtle bastard Xuan Tianyan?"

"Ye Wuji, shut the f * ck up! This king can give you other things, but don't spout nonsense! Moreover, your granddaughter is now fooling around with that son of a b * tch, Xuan Tianyan, and is pregnant with his bastard child!"

"Pa!" Ye Wuji's fist shattered all the remaining teeth in Su Datong's mouth, leaving not a single one behind. Su Datong screamed in pain.

This was not the end!

Ye Wuji raised his leg and kicked, knocking over the saber of a Western Desert Army general. Then, he raised his saber and chopped down! As the hand raised and the blade fell, a bloody mist flew.

"Roar!"

A tragic howl came out of Su Datong's mouth. Everyone present was sweating profusely when they heard it. However, Ye Wuji had only cut off one of his arms.

However!

"Kacha!"

Ye Wuji's blade was very fast, and he immediately slashed again! This time, he was chopping off Su Datong's leg.

Ye Donglin, who had come to watch, suddenly understood who Ye Qianli had inherited her temper of blowing up the Black Tortoise City. It was probably this man.

"King...Master ..." Such a bloody scene naturally frightened the elites of the Western Desert Army. They did not know what to do.

To rise up and resist, to take revenge for his highness? They didn't dare to do so. The Heavenly Wolf Army was eyeing them like a tiger eyeing its prey.

Crying loudly to seek justice for his highness? They did not dare to...

"If you say one more word, you can forget about your other leg and hand." Ye Wuji even threatened him fiercely.

Su Datong, who was in great pain, couldn't help but howl, ""Ye Wuji, kill me if you have the guts! This king would like to see if His Majesty can still tolerate an old bastard like you who killed your comrades!"

However, when Ye Wuji heard this, he reprimanded in disdain, ""Oh, you're quite stubborn, but do you think! Don't I dare to kill you? Do you think I don't have evidence that you colluded with the little turtle bastard? An old thief like you, if this king kills you, so be it. Do you believe it or not?"

Chapter 244: Dumbfounded! Too Handsome!

“..”

Su Datong's eyes turned gray as he stared at Ye Wuji in disbelief. However, the latter's bright tiger eyes were filled with disdain and arrogance! However, it clearly told him that the other party might really have evidence.

No, that was impossible!

Besides, he did not collude with Xuan Tianyan. He ...

"Humph! It's useless to say more, Ye Rui! It's too easy to kill this old bastard with a knife. Take him back and let everyone despise him. It'll be more satisfying if everyone throws rotten eggs and rotten vegetables at him." Ye Wuji had already thrown away his saber and ordered.

"Yes, Your Highness!" Ye Rui quickly tied Su Datong up and gagged his mouth, lest this old thief with a mouth full of sh * t say something bad about the Young Miss again.

"Northern Region King, you can't do this. You don't have the right. You ..." When Su Datong's personal guard saw this, he had no choice but to speak bluntly while trembling.

"Say another word! Think about it carefully. This king will give you a chance to say it again." Ye Wuji shouted loudly.

“..”The courage that the guard had mustered up with great difficulty was instantly scattered by the shout. His entire body was trembling.

The guard was still firm. " Northern Region King, you can't protect your granddaughter. At least it's true that she killed Elder Zhao. Elder Zhao is a pillar of the country. You are also a pillar of the country. How can you tolerate her? "

"You saw my granddaughter kill someone? Which eye saw it? Please describe it. " Ye Wuji said.

"I..." The guard was dumbfounded.

"I didn't see it. It's just a smear! Slander, who gave you the guts! Ye Rui, tie them all up." Ye Wuji ordered again.

This time, the entire Heavenly Wolf Army was mobilized. Even the Heavenly Wolf Beast was mobilized. When the onlookers saw how nimble the Heavenly Wolf Beast was and how it could actually kidnap people, they were also dumbfounded.

" This is the Northern Region King? " Qing Yunche's eyes lit up when he saw this. He could not help but ask the Green King. After all, he was often cultivating and rarely came out. He did not know much about the Perfected Cultivators of the various dynasties and factions.

" That's right. This old fellow is as arrogant as ever. However, why do I feel that his cultivation aura is a little strange? " The Verdant King nodded. He had also been studying Ye Wuji, who had seen the light of day again.

He had thought it was a pity that Ye Wuji had died. In fact, he felt that the person who could be considered the pillar of the Vermillion Bird Dynasty was definitely this old man in front of him.

He wasn't a talented person, but he was able to lead the Heavenly Wolf Army and the Northern Territory Army to intercept the Black Tortoise Army that had gone south with great momentum and blocked Grand Preceptor Zi outside the Northern Territory.

If it weren't for this old man guarding the Northern Territory for more than ten years, the Northern Territory would have fallen long ago! There was no longer the Vermillion Bird Dynasty that was still strong despite its decline.

There was also no room for the Vermillion Bird Crown Prince to grow...

It could be said that this old man, Ye Wuji, had brought peace to the entire Vermillion Bird Dynasty and protected a buffer space for growth.

This was how the Vermillion Bird Crown Prince had risen to power. Otherwise, if the Black Armored Army had attacked Vermillion Bird City ten years earlier, things would have been different.

" This Old Prince Ye is still so energetic. I thought he was really dead. I still wanted to fight him. " Coincidentally, Bai Ying Xiong also admired Ye Wuji.

To be more precise, in the eyes of Bai Ying Xiong, who was also a general, there was only one person in the four empires! The only one who could be called a victorious general and a marshal was Ye Wuji.

Ye Wuji had been guarding the Northern Territory for more than ten years and had blocked countless attacks from the Xuanwu Army. This was a case study that all the generals in the world had been studying.

Everyone knew that without Ye Wuji, the Vermillion Bird Dynasty would not exist! Therefore, the moment he appeared, his influence was boundless.

The Western Desolation Army didn't dare to act rashly anymore. Those Vermillion Bird Dynasty people who had been talking bad about Ye Qianli suddenly felt ashamed.

The Northern Region King was loyal to the country, but they were maliciously talking about his descendants while his life was unknown. This was really ... He was too much of a bastard.

..

Seeing that the Heavenly Wolf Army had finished tying up the people, Bai Ying Xiong immediately stepped forward and introduced himself, "" Northern Region King, I'm White Tiger King, Heavenly Tiger Army General Bai Ying Xiong. It's my honor to meet you. "

"White Tiger's son?" Ye Wuji asked.

"Yes, my father is Bai Junhu." Bai Ying Xiong replied respectfully. He admired the old king of the Vermillion Bird Dynasty from the bottom of his heart, and so did his father.

"Not bad, much better than my unfilial son. White Tiger is blessed, but this king is not envious. This king's granddaughter is even more powerful, hahaha..." Ye Wuji laughed.

Since he appeared with Ye Feng, Ye Rui, and the others, it meant that they had met long ago. Naturally, he had heard a lot about Ye Qianli from the two of them. The more he heard, the prouder he became, and the more his heart ached.

His little granddaughter had suffered...

" Congratulations, Northern Region King. You have returned. " At this moment, the Verdant King also came up to greet him. Qing Yunche also followed suit.

Junior Qing Yunche greets Northern Region King. " Qing Yunche was the Crown Prince of the Blue Dragon Dynasty. Other than cultivating, he was also familiar with the national policies. Although he had not come into direct contact with the various dynasties and factions, he was very familiar with them.

Therefore, Qing Yunche also knew that Ye Wuji was an extremely outstanding marshal, so he greeted this respectable general with the courtesy of a junior.

"Hahaha! This young man is not bad. Your Blue Dragon Dynasty is blessed, but my crown prince is not bad either." After Ye Wuji complimented her, he habitually "boasted".

Of course, the old man knew that Rong Mo and his granddaughter were already engaged, but he did not want to tell anyone about it. Even if the Crown Prince was not bad, it would not be so easy to marry his granddaughter.

Besides!

Although Ye Wuji had not had the time to understand the current situation, he, who was equally sensitive to current politics, could more or less figure out that things had changed. He had to understand.

The greetings from the higher-ups of the two dynasties made Xuan Tianyan's expression darken. He had always been wary of Ye Wuji! There was indeed a reason. Now that this old fellow had actually returned alive, he felt like vomiting blood in his heart.

He didn't die even after that! Was this old man immortal? Damn it! Why was it so difficult to kill the Ye family? One or two of them were like this. It was as if they had nine lives and could not be killed no matter what.

Aren't you going to greet your future Grandfather Yue? " The ghost is big but from the side of the discussion Tao Kan.

"This King is not as bored as you." Xuan Tianyan said coldly and turned to leave. He did not want to have a direct conflict with the Heavenly Wolf Army.

"Little bald turtle, stop right there!" But when Ye Wuji saw that he was about to leave, he shouted! Xuan Tianyan frowned when he heard that, but he walked even faster.

"You..." Ye Wuji wanted to give chase, but his arm was pulled back. He wanted to break free, but when he looked sideways, his tiger eyes lit up even more and he stopped chasing the bald bastard.

Ye Wuji, who had been swift and decisive just a moment ago, turned around with a smile on his face. He shouted helplessly, "L-Little Li-er? "

Chapter 245: Granddaughter, Eat Candy (1)

"Grandpa?" Ye Qianli looked at him for a long time, a long time, before she dared to pull him away. But even if she pulled the real person, she was still a little uncertain.

“欸!”Ye Wuji replied casually, but he suddenly felt that he was too loud. What if he scared his granddaughter? He couldn't help but reply softly, " Hey! My dear granddaughter."

Even though he heard his subordinates talk about his granddaughter's great achievements, Ye Wuji only remembered that when he left the Northern Region King's Mansion, his granddaughter was only Little Bean's age.

The granddaughter who was not even as tall as his knee when she hugged his leg softly. It had been so many years...He had never had the chance to go back. He did not expect his granddaughter to have grown to the height of his shoulders.

Time passed so quickly. He was already old...

Little Li-er. " Ye Wuji sighed in his heart. He couldn't help but raise his hand to stroke his granddaughter's head. Suddenly, he felt that time would not wait for anyone. He was old, and his granddaughter had grown up.

As he touched her head, Ye Qianli's tears started to fall again! It was so hot that Ye Wuji's arm trembled! She was panicking.

What's wrong with Little Li-er? " Ye Wuji clumsily tried to wipe his granddaughter's beautiful face, but it was useless. Tears kept coming out of her eyes, which made Ye Wuji's heart ache.

"Alright, alright, stop crying. Tell Grandpa who bullied you. Grandpa will go and kidnap them now! Don't cry, Little Aunt. Grandpa will buy you candy, okay?" Ye Wuji's coaxing of his granddaughter was obviously still the same as when Ye Qianli was young.

" Pffft! " Ye Qianli burst out laughing. She was already so old, she was going to be a mother soon, yet she still bought candy! Besides, was there any candy here?

However, when Ye Wuji saw that he wanted to buy candy, his granddaughter laughed and quickly called out, ""Ye Feng! My granddaughter wants candy. Hurry up!"

"Pfft haha..."

At this moment, the people around them all laughed, so much so that Ye Qianli was too embarrassed to cry. She quickly wiped her tears and pulled Ye Wuji into the tent.

However, Ye Wuji didn't rush him. " Ye Feng, don't just stand there! Why are your movements so clumsy after being crippled once? Do you want this king to kick you before you move?"

"Uh ..." Ye Feng didn't say anything. He should hurry and buy some candy. What else could he say?

"Hahahaha..." The crowd burst into laughter again. They felt that this Northern Region King was really a cute old man. However, when they thought about how decisive he was, they fell silent again.

"What a pity." The Verdant King shook his head.

Uncle Wang, do you think that with the Northern Region King back, the relationship between the Vermillion Bird Dynasty and Ye Qianli won't be severed and we won't have a chance? " Qing Yunche said bluntly.

" Of course, but if Ye Qianli really leaves the Vermillion Bird Dynasty, she might not work for the Blue Dragon Dynasty. She will most likely join the Genius Academy. " The Verdant King understood this logic.

However, after he finished speaking, he saw Hong Gu following him into the tent of Genius Academy. He couldn't help but raise his eyebrows and said,"What is Aunt Hong going to do?"

At this moment, the person who received Aunt Hong was coincidentally Feng Lihuan. The Verdant King could not stand it anymore and subconsciously wanted to follow her in, but was pulled back by Qing Yunche.

"Uncle Wang, Aunt Hong probably wants to find out about Little Red Knife." Qing Yunche analyzed.

"Then I'll go and take a look too." After the Verdant King finished speaking, he had already set Qing Yunche aside and followed him into the academy's tent. Seeing this, Qing Yunche could not help but laugh.

His uncle had always been unruly. This time, it seemed that he had taken a fancy to Aunt Hong. However, Aunt Hong was from an aristocratic family and might not have any intention of marrying into the royal family.

However, if this matter could succeed, it would naturally be a joyous occasion for the Blue Dragon Dynasty. Therefore, Qing Yunche did not pull anyone else and returned to his tent.

..

When Ye Qianli and her grandson returned to their tent, no one followed them. Everyone knew that they had a lot to talk about, so they didn't want to disturb them.

" Sit, sit. Ye Feng is fast. The candy will be here soon. Let's not cry anymore. I'll cry until my heart hurts. " As soon as Ye Wuji entered the tent, he coaxed his granddaughter to sit down, afraid that she would cry again.

But really, this little person was crying so much that his old heart trembled. He couldn't take it anymore, he couldn't even breathe.

"Pfff ~" Ye Qianli was amused by his exaggerated frown. She had calmed down, but she still couldn't figure it out.

"Grandpa, let me ask you something."

"Speak, speak, as long as you don't cry." Ye Wuji expressed his lingering fear. He was afraid that his granddaughter would cry again. Her tears were so turbulent.

Ye Qianli was speechless. She felt like her grandfather had left a "crying bun" impression on her during their first meeting.

However, she still took out the skeleton from her Qiankun Bag and asked in confusion, "Grandfather, I found this in a garden in the divine treasure trove. At that time, I felt that after studying it with His Highness the Crown Prince, we discovered that this is..."

Although Ye Qianli didn't finish her sentence, Ye Wuji understood what she wanted to say.

However, he kept the skeleton and said in a bad mood, "Silly granddaughter, who do you think your grandfather is? That's the Undying War God of the Northern Territory. How can he die so easily?"

".. "Ye Qianli didn't say anything. In fact, she didn't believe that the old man was dead either. That was why she kept looking until this skeleton appeared.

Speaking of which!

"Magic Box, you tricked me again!" Ye Qianli sent a telepathic message to the Magic Box. If it wasn't for this damn Magic Box, she wouldn't have been so sure that it was her grandfather.

"F * ck! I'm more surprised than you, okay? Quickly hold his hand and let me sense if he's a human or a ghost." The magic box sent a message in horror.

In fact, it was greatly frightened. After all, that skeleton was definitely related to the idiot by blood! What was wrong with this lively old man?

Could it be that the fool had two grandfathers? The Magic Box was a little confused.

"You're the ghost! What a scam." Ye Qianli was speechless. This time, even without the magic box, she was sure that this grandpa was as real as gold! She would never admit her mistake.

"Little Qianli?" Ye Wuji panicked again after Ye Qianli didn't respond. He stood up and touched his granddaughter's forehead.

"Grandpa." Ye Qianli regained her senses and held Ye Wuji's hand.

The Magic Box exploded. If it really was a human, then what was with the skeleton? Idiot, ask yourself, do you have two grandfathers?"

"Shut up!"

"I don't have a mouth!"

"Don't let the bullet comments come out! Otherwise, feed it to Xiao Bai." Ye Qianli was speechless. The magic box was really...However, its question was right. That skeleton was really too realistic.

However, before she could ask the question in her heart...

Chapter 246: The Truth Is, I've...

Ye Wuji got up and approached her. He saw Ye Qianli sitting down with her belly slightly bulging. He thought about what Su Datong, that old bastard, had said, and he could not help but frown!

For a moment...

Ye Wuji's thick palm subconsciously reached for his granddaughter's abdomen.

"!"However, Ye Qianli instinctively shrank back and covered her lower abdomen with both hands! Ye Wuji's tiger eyes shrank when he saw this instinctive reaction, and his heart ached even more.

However, his expression did not change, and his voice did not change either. He only asked casually, "Little Li-er, tell Grandpa, what's going on? "

Ye Qianli realized that she had overreacted. She smiled awkwardly and felt that she had been too paranoid.

Ye Wuji, who could tell that she was embarrassed and apologetic, couldn't help but pat her head and softly said, "" Silly girl, what's there to be afraid of with Grandpa? Did someone hurt the little thing in your stomach? "

"Yes." Ye Qianli didn't hide anything and told him everything about Elder Zhao. Ye Wuji's eyebrows knitted together.

"There's something fishy about this. Elder Zhao shouldn't have done such a brainless thing. I'm afraid there's a misunderstanding. However, since he made a move, he deserves to die! Humph." Ye Wuji's face darkened. Just thinking about it made him feel scared.

Shameless!

How shameless!

To think that he had respected Elder Zhao so much in the past. He did not expect that this old fellow would actually use the strength of a fifth-grade talent to sneak attack his little darling granddaughter. This was too much!

While cursing Elder Zhao in his heart, Ye Wuji thought of how his granddaughter had been treated at home all these years, and his face could not help but darken even more! His eyes were filled with fire.

For a moment, Ye Wuji only felt his heart ache. His loud voice was a little hoarse as he said with a choked voice, "Little Li-er, Grandpa isn't at home, making you suffer. "

He really did not know how he, Ye Wuji, who had been smart all his life, could have given birth to such a muddle-headed son, Ye Fengtian. There was only one woman in the backyard, and he could not even control her properly. He had wronged his good granddaughter for so long! He was simply a bastard.

As for Su Qin! She actually dared to abuse his granddaughter like that. How despicable...

The more Ye Wuji thought about it, the angrier he became. His heart also felt more uncomfortable. His thick palms couldn't help but clench into fists, and because he clenched them too tightly, there was a cracking sound. His joints were turning blue from the excessive force.

"Grandpa," Ye Qianli wanted to say that it was all in the past, but she couldn't bring herself to say it. How could it have passed? Actually ...

The old man's granddaughter, " Ye Qianli ", was no longer alive. He could not let this matter go. After all, she was a living person.

This was also the reason why even if she could forgive Ye Fengtian, she could not get close to him. However, if the original little girl had not died, she would not have existed.

"Little Li-er, with Grandpa around, the hardships you suffered, we'll take it all back. Let's not talk about anything else first. Tell me first, whose child is this in your stomach? Which bastard did this!" Ye Wuji felt that he had to find this bastard and beat him up.

"Uh ..." Ye Qianli didn't know where to start.

Ye Wuji was not in a hurry. He even poured a glass of water for his granddaughter and gestured for her to take a sip of water and speak slowly. He was waiting! He was so angry. How old was his granddaughter? She was only six months away from turning eighteen, and she was already being bullied! She was pregnant.

"Gulp, gulp, gulp..." Thinking of this, Ye Wuji quickly drank a few mouthfuls of water to extinguish the fire. Otherwise, he was afraid that he would not be able to sit still.

Ye Qianli thought for a while and briefly explained everything. Ye Wuji was the first person to know the whole story.

Ye Wuji's expression was also particularly rich as he listened to the story. At first, he was nervous! Then, he was furious. Then, he spat out a mouthful of water and looked at his granddaughter with his mouth agape.

After a while...

"Sure! You slept with the little prince just like that?" Ye Wuji was delighted. He thought to himself that she was indeed his granddaughter, Ye Wuji. She didn't save any trouble even after being poisoned. Instead, she slept with the Crown Prince. It was really too easy for that little Crown Prince.

"Yes." Ye Qianli said as she wiped her sweat. This was the first time she had told him about it, so she felt much more relaxed. This was her biggest secret.

"Meow!" Little White Meow was also shocked. It had always thought that it was Little Mo Mo! She was not responsible for sleeping with Little Qianli, and she was even lukewarm to her before.

He never thought that it was Little Qianli who bullied Little Momo! Uh ... It seemed to have become an "accomplice". Aiya! When Little Mo Mo found out that it had lied about the handkerchief, would it burn its fur?

It was over! It was over...

However, Little White Meow's meow attracted Ye Wuji's attention. The old man seized the opportunity to grab it and ask, ""You said before that this little Meowie helped you block Elder Zhao's attack? It can't be."

"Meow!" Little White Meow could hear the contempt in Ye Wuji's words. In addition to being suddenly caught, it took the opportunity to scratch the old fellow. The strength was not small! The back of Ye Wuji's hand was in so much pain that it was tearing apart, and blood was flowing out.

But Ye Wuji didn't let go and laughed, ""Hahaha ... Not bad, claws sharp enough. No wonder it could protect Little Li-er. Not bad, not bad! Grandpa will go and talk to the Crown Prince and let him send this cat over to apologize. In the future, it will be Little Li-er's."

"Meow! Meow!" When Little White Meow heard that, it suddenly raised its paws. That's great! That was great! In this case, even if Little Mo Mo knew the truth, he couldn't burn its fur.

Ye Wuji was even more amused. Little Li-er, look, it even knows how to clap and has a fawning look. It's become a spirit, right? Why doesn't it know how to speak?"

Ye Qianli, who was initially shocked by Ye Wuji's bleeding, was speechless when she saw the old man and meow suddenly " fine ".

" Meow, be good. In the future, you'll stay by Little Li-er's side at all times. Grandpa will give you delicious food later. You can eat anything you want! " Ye Wuji stroked Little White Meow with satisfaction and took out a bunch of spirit herbs and beast pills.

"Meow!" Little White Meow was even happier. It immediately pulled it to the side and nibbled happily. Ye Wuji was even more happy to see it.

However, he didn't forget about the important matter, so he immediately asked, " Then why does it mean that the child is the son of the little turtle? "

Of course, Ye Qianli didn't hide anything from him. She told him everything that had happened. Ye Wuji was calm, as if he wasn't angry at all.

However, Ye Qianli was not confident about Ye Wuji's 'calm'. She touched his old and thick hand and called out carefully, ""Grandfather, you..."

"Swoosh!" However, Ye Wuji stood up abruptly and then rushed out of the tent! Shocked, Ye Qianli quickly followed him out.

In the end...

Chapter 247: Let the Wolf Bite the Turtle?

Ye Wuji, who had just run out of the tent, turned around and pulled his granddaughter back to the chair. He said," Little Li-er, be good and wait here for Ye Feng to send you candy. Grandfather will be back soon. Don't follow, be good. "

"But..."

"Be good. Grandpa will bring you to go horse racing later."

"Grandpa, I've grown up."

"Uh ..." Ye Wuji looked at his little granddaughter who was staring at him seriously, then looked at his little granddaughter's size, and then thought about Ye Feng and Ye Rui's story. He knew that he couldn't stop her by force.

Therefore ...

Ye Wuji could only 'drag his family' to the outside of Xuanwu Barracks and shouted, "" Little turtle bastard, I'll give you three breaths to get out here! "

In an instant!

"Hualala-"

Before Xuan Tianyan could get out, people from all directions jumped out to watch. Some busybodies even said excitedly, " Ye Wuji must have found out about the vile spawn and is here to settle the score with Xuan Tianyan! "

"Who are you calling a vile spawn!" Ye Wuji's eyes and ears were sharp, so he heard the discussion immediately. He immediately shouted at the people who were talking about " vile spawn ", causing their ears to buzz.

The people who were about to start a discussion were so frightened that they did not even dare to let out a fart...

However, there were also some "tough" people who directly said loudly, "Tsk...Isn't it obvious who the vile spawn is talking about?"

"Not bad! I just don't like how some people rely on their talent to lead the entire academy astray. She's really shameless to let the army of the academy stand up for her. "

" That's right. She didn't abide by her womanly principles. She got engaged to Junior Brother Rong and even hooked up with Junior Brother Xuan. Now, she's even pretending to be a white lotus, looking like she was raped. She wants the academy to stand up for her. She's really shameless! "

“ .. ”

Such comments were obviously from the students of the Genius Academy.

However, the Vice Principal, who had appeared at some point, sighed and said, ""I didn't expect the academy to have such an image in your hearts."

"Vice Principal..." A few female students who were shouting the loudest out of jealousy felt something was wrong when they heard this. In fact, their intuition was right.

The Vice Principal had already announced, "Since the academy is brainless in your eyes! If you don't have principles, then you're not worthy of staying in the academy."

"Vice Principal..."

"Xuan Tianyan, as a student of the academy, colluded with the Ghost Realm to assassinate Ye Qianli! The evidence was conclusive. Xuan Tianyan deserved to die, and so did the Ghost Realm! Students who have any significance to this matter will be expelled from school from now on. " the vice hospital director said.

Immediately after, Old Zhu added, " All of your objections over the past few days have been recorded. There's no need for me to name you. Remember to withdraw from the academy when you return. "

"This..." The expressions of a large group of students instantly changed. These students whose expressions changed were naturally those who had criticized the academy's actions this time. They were about to protest.

"Before we set off, I've already told you that I'm bringing you out to attend a graduation class!" As a student of the academy, he had to protect the academy! To unite the students;

You can have grudges between you and kill each other outside of the academy's missions. The academy doesn't care! "However, colluding with foreign enemies, harming fellow disciples, and not thinking of unity when fighting the enemy, sowing discord and destroying unity are not tolerated by the university."

As soon as the vice president finished speaking, all the teachers in charge of Genius Academy stood up and said in unison, "The academy won't tolerate it!"

"The academy won't tolerate it!" Tens of thousands of soldiers from the academy also shouted in unison.

For a moment, those students who had objections immediately wilted.

In the face of such a powerful force, how could they dare to protest! And the Genius Academy was also using this kind of behavior to subtly tell the world.

Genius Academy was neutral! However, behind neutrality was strength! Anyone who provoked the school would be subjected to the school's strong retaliation.

“ .. ”

The scene was silent for a moment. Many people finally understood that the academy's seemingly biased behavior was to convey such a strong stance.

Only then did he know that although the academy seemed to be quiet, it had actually eliminated a batch of "substandard products". This was stepping on the Ghost Realm and Xuan Tianyan's incident to sharpen the knife.

However...

"Boom!"

The silence lasted for less than a breath before it was broken by an explosion! The source of the sound was Xuanwu Camp.

"Swoosh!"

Everyone looked over in unison and was shocked to see that Ye Wuji, who had appeared in the sky above Xuanwu Camp, was punching a tent.

"Sou!"

"Swoosh!"

A few figures flew out of the tent in a sorry state. Among them were Xuan Tianyan, Gui Da, Purple Spirit, and several Black Tortoise Revered Warriors.

This caused many people who saw it to be a little stunned. This was because Ye Wuji was not a talent. Although his armament cultivation level was not bad, he was a peak stage Mystic King! That was only equivalent to a level three talent.

And the result?

Among the group of people that Ye Wuji had thrown out, other than Purple Spirit who was a Tier 2 talent, the rest were all Tier 3 and above talents! This ...

"It seems like Ye Wuji had a fortuitous encounter. Uncle Wang, can you tell what his current combat strength is?" Qing Yunche, who had already come over to watch, could not help but ask.

"It's hard to say, but it's definitely above the Mystic King!" The Verdant King was also shocked by the power of Ye Wuji's punch. If he had not felt the fluctuation of his innate talent, he would have thought that Ye Wuji had been cleansed to become a talent.

At this moment, Ye Wuji, who had shocked everyone with his punch, shouted loudly, "" As expected of a turtle. He can't even shout, he can only blast. "

"Ye Wuji, don't go overboard! I don't mind fighting here to continue the battle between the Vermillion Bird and the Black Tortoise." Xuan Tianyan, who was in a sorry state, was furious.

"Return this king's mace!" Ye Wuji said.

Hearing this, everyone was stunned. It seemed that this old man was not trying to stand up for his granddaughter, but to get back his weapon? That's right. Xuan Tianyan was protected by the people from Ghost Realm. Even Genius Academy couldn't be touched, so how could Ye Wuji?

"So it's for that mace. Since Lord Ye is my future grandfather, I naturally have to return the mace." Xuan Tianyan said.

"Uh ..." Hearing this, everyone was sweating profusely. They only felt that Xuan Tianyan really dared to say it. However, these words were probably going to make Ye Wuji explode with anger!

Unexpectedly, Ye Wuji said, ""Cut the crap and give me the spiked club! Otherwise, I'll let the wolves bite you."

"Uh ..." Everyone was sweating profusely when they heard that. Why did it feel like Ye Wuji had tacitly agreed to Xuan Tianyan addressing him as 'Grandfather Yue'?

Xuan Tianyan raised his voice and said, "Grandfather Yue has agreed to betroth Qian Li to me? "

Chapter 248: Grandpa Wolf King, You Want Your Turtle Life!

"Old Zhao, that bastard, is going to kill my great-grandson. Anyway, this king is still angry, hmph! Alright, cut the crap. Are you going to give me the spiked club or not?" Ye Wuji swore in response.

Everyone was dumbfounded! They all felt that this information was a little too much, but Xuan Tianyan was delighted because he knew that Ye Wuji loved Ye Qianli very much.

Otherwise, this old man wouldn't have risked entering the Extreme Ice Realm to hunt the Extreme Yuan Ice Fox. Ye Wuji's heart would probably turn cold towards the Vermilion Bird Dynasty.

If that was the case, then this was a great opportunity!

Thinking of this, Xuan Tianyan flipped his palm and threw the Purple Extreme Wolf Fang Club at Ye Wuji. ""Hahaha ... Take this mace as my betrothal gift to Qian Li. Grandpa Yue, please keep it. "

"Buzz!"

Ye Wuji didn't say anything and grabbed the Purple Extreme Mace. Ye Qianli, who was watching quietly, had a suspicious look in her eyes because the broken mace beside the skeleton was also a Purple Extreme Mace!

Could it be that in this world, there was not only one Purple Extreme Mace, but also a similar one?

Li girl, what's wrong with your grandfather? " At the same time, Feng Lihuan, who couldn't understand what Ye Wuji was trying to say, couldn't help but ask, interrupting Ye Qianli's thoughts.

Old Zhu subconsciously looked at Ye Qianli. Why did he feel that the little girl's grandfather was really going to betroth her to that scumbag Xuan Tianyan? No way, that was a fire pit!

However, before Ye Qianli could answer, Ye Wuji, who was holding his mace, beckoned at Xuan Tianyan and said, "Little turtle bastard, come here."

"!"Xuan Tianyan's pupils constricted. Of course, he could not go over, so he only smiled and said, " Since Grandfather Yue has already agreed to this marriage, in order to avoid any future troubles, why don't you marry Qianli to me in front of everyone? "

"I told you to come over. What nonsense are you talking about? Are you afraid to come over? If you don't dare, call that damn thing beside you and come over together. This king has something to say to you." Ye Wuji said, pointing at Gui Da.

Gui Da felt like he was being looked down upon, but Xuan Tianyan said in a low voice, "Uncle Ghost, please come with me. This Ye Wuji has a wild and unruly personality, and Ye Qianli is his flesh and blood.

If we can take this opportunity to pull him into our camp, it would be great. If not, the two of us can go and have a 'secret talk' with him. The Ye family and the Vermillion Bird would be completely finished, and it would be even easier for us to deal with Rong Mo."

"If you want me to protect you, just say it. Is there any point in talking so much?" Gui Da exposed him coldly.

"Ha..." Xuan Tianyan smiled, but his heart was filled with grievance! If he wasn't afraid that this damned thing wouldn't agree, he wouldn't have wasted so much time. Humph! He would take back what Rong Mo had stolen from him, then he would deal with this damned thing.

Gui Da, who was already walking towards Ye Wuji, saw that Xuan Tianyan was still standing there in a daze. He could not help but say gloomily, "Still not leaving?" His tone was as if he was scolding his subordinates.

"Please." Xuan Tianyan had no choice but to suppress his grievances and follow Gui Da's footsteps. He walked towards Ye Wuji, which made the onlookers more confused.

"Is the Vermillion Bird Northern Region Lord, Ye Wuji, going to join the Xuanwu Dynasty because of the Vermillion Bird High Priest and the Western Desolation Lord's actions? "

"That can't be right. If that's the case, Genius Academy would be a joke. Isn't this slapping Genius Academy's face? The academy just expelled Xuan Tianyan."

“..”

The ordinary onlookers were confused, while the high-level onlookers were a little nervous. They did not know what Ye Wuji was up to.

When Ye Wuji and Xuan Tianyan were only three meters away from each other, Gui Da released a thin layer of mist, trapping the three of them! As a result, outsiders could not hear their 'conversation', giving off the feeling that they were having a secret conversation.

"What happened?" This time, even the Verdant King was a little confused. He had thought that Ye Wuji was bluffing Xuan Tianyan and that he was not afraid of Gui Da because of his fortuitous encounter. When the two sides got close, they would definitely fight!

In the end...

They actually started talking?

"Girl, say something. What does your grandfather want?" Old Zhu was a little anxious. He was afraid that Ye Wuji was also a muddle-headed person and pushed the little girl into the fire pit.

"To be honest, I don't know either." Ye Qianli said. However, she believed that no matter what her grandfather did, he would never hurt her.

..

At the same time, Xuan Tianyan, who felt that his wish had come true, smiled from the bottom of his heart and said, "May I know what instructions Grandfather Yue has?"

" Do you think that my granddaughter, Little Qianli, is soft and easy to bully? " Ye Wuji asked lightly, but glanced at Gui Da from the corner of his eyes.

" Grandfather Yue must be joking. Tian Yan likes Qian Li. Otherwise, he wouldn't have married her as his princess consort. He just won't admit it. " Xuan Tianyan replied sincerely.

"Then do you think that this king is like a fool?"

"Ha ... Who in the world doesn't know what Grandfather Yue said? You're an undefeatable war god." The smile on Xuan Tianyan's face grew brighter and brighter. He wanted to create a feeling that he and Ye Wuji were having a good chat.

"It seems that your understanding of this king is still relatively accurate." Ye Wuji's tiger eyes flickered, and he smiled knowingly. Xuan Tianyan was even more satisfied. With this smile, he had a way to make the Ye family unable to be valued by the Vermilion Bird Dynasty anymore.

Unfortunately...

Just as Xuan Tianyan was having such a wonderful thought, Gui Da's blind eyes suddenly twitched! The aura around him also changed because he clearly sensed that something was wrong.

However, it was still too late!

"Roar!"

Ye Wuji, who was originally smiling, suddenly let out a ferocious beast roar! Its aura exploded, and it instantly turned into a silver-haired Direwolf Beast before everyone's eyes. It tore at Xuan Tianyan with its pair of eerie wolf claws.

That time!

"Caw!"

Gui Da reacted quickly. He quickly blocked Xuan Tianyan's way and slapped the wolf claw that was about to reach out, creating a hideous face! A series of ghostly wails and wolf howls sounded around him.

"Roar!"

" Caw caw caw caw-" The towering wolf howls clashed with the ferocious ghost howls, causing everyone's eardrums to tremble and their ears to ring uncontrollably.

But no matter who it was!

At this moment, they were all staring at the battle, especially the high-end spectators from all sides. Their eyes were wide open as they stared at the Silver Wolf Beast because...

"Ye Wuji actually turned into a Direwolf Beast? And it was a real beast body, f * ck! What kind of ultimate skill is this? Why have I never heard of it?" Bai Ying Xiong murmured in shock.

However, this was not the main point. The main point was...Everyone could clearly see Xuan Tianyan's chest being pierced by a pair of wolf claws.

Chapter 249: Go Home After This Job (1)

"Chi, chi..." Blood spurted out of Xuan Tianyan's chest continuously. Large patches of blood sprayed in the air, turning the place red.

This caused Violet Spirit, who was watching this scene, to be so stunned that her voice was trembling. Your Highness..."

"..The rest of the Black Tortoise Revered Elders were stunned on the spot. No one had expected the outcome to be like this. How could this be?"

"I..." At this moment, Xuan Tianyan, who felt that his life was draining away and that he was about to die, was also in disbelief. Looking at his torn chest, he wanted to say something, but all he said was blood.

"You!"

Gui Da was in utter disbelief as he stared at the Direwolf Beast in front of him. Even though he couldn't see anything, he could sense that Xuan Tianyan, whom he was protecting, was finished.

However!

"Bang!"

The ghostly faces that had all entered the body of the Sirius Beast, as well as the crazy and sinister ghostly qi, also smashed the huge silver-haired Sirius Beast into the ground from the sky.

"Grandpa!"

Ye Qianli's eyelids twitched, and she had already moved forward.

Feng Lihuan was so frightened that he quickly followed up. However, Gui Da had already sent out another ferocious ghost face, aiming straight at the Silver Wolf Beast.

"Die, die, die! Die for me!" Gui Da, who felt that his strength had been challenged, crazily attacked. Terrifying ghost cries and wolf howls exploded in half the sky.

"Get lost!"

However, Gui Da had gone crazy very quickly. The vice headmaster was not stupid either. He had been watching him since a long time ago. When he saw this, he had already flashed through the air and released a peaceful aura, directly protecting the Silver Wolf Beast.

Not only that!

The vice director even decisively ordered, "The Genius Academy's army has heard this. Kill everyone from the Ghost Realm. Leave no one alive. All of you will die! "

"Kill them!"

The army of the Genius Academy, who had long been prepared, received the order. They did not hesitate at all and directly used their strongest talents to kill the people of the Ghost Realm who surrounded the Black Tortoise Dynasty's camp.

A great battle was about to break out. The terrifying aura of the innate talent exploded in the sky, scaring the crowd into scattering.

"F * ck! Why did you start the war just like that? I almost couldn't run..."

" Ouch! Run! The battle circle is still expanding! Hurry up and shoot! "

".."

The scene was in chaos for a moment. Many low-end people who were too focused and ran too slowly were directly implicated and seriously injured.

"Whoosh! Whoosh!"

The high-end onlookers did not dare to be negligent and quickly retreated. They were afraid that if they were not careful, they would also be implicated and lose a lot of face.

..

At the same time!

"How is it?" The Vice Principal, who had sent Old Zhu and a few other teachers to replace Gui Da, quickly arrived beside Ye Qianli. His gaze was attracted by the purple flowers that Ye Qianli had released, including Ye Wuji's.

"Cough..."

At this time, Ye Wuji, who had already caught his breath, coughed up a large mouthful of black blood. However, the Vice Headmaster knew that what he coughed up was the sinister ghost qi that had accumulated in his body.

Very clearly, Li-er this little lass's second innate talent not only had a powerful defensive function! She even had a magical healing ability. She was really a wonder.

However, the vice headmaster felt ashamed and sighed in his heart again. He actually didn't recognize this kind of strange talent? He knew his medical skills well and knew all the talents with healing power very well.

However, he had never heard of this Taiyi God Flower...

"Cough cough..."

On the other hand, Ye Wuji, who had vomited a few mouthfuls of black blood, had already stabilized his breathing. The old face that Feng Lihuan couldn't bear to look at had basically recovered.

However, if one looked closely, one could still see that there were many faint black threads under Ye Wuji's flesh and blood. However, they were not as obvious and terrifying as before.

Ye Qianli, who had been silent all this while, was still holding Ye Wuji's hand. She let the healing aura of the Taiyi Divine Flower spread to his limbs and bones, expelling the wisps of ghostly qi.

The Deputy Headmaster's eyes grew brighter and brighter. Feng Lihuan's eyes widened as well. This was because the Taiyi God Flower had also healed Ye Wuji's meridians, flesh, and organs that had been corroded by the Ghost Qi during the process of expelling the Ghost Qi.

In just a moment!

Ye Wuji's face had regained its color, and Feng Lihuan could not help but let out a " tsk ". However, the Vice Principal gave him a warning slap, afraid that he would disturb Ye Qianli.

"!"Feng Lihuan could only suppress his admiration and continue watching.

However, not only were the two of them shocked, Ye Wuji, who was being treated, was even more shocked! His brain couldn't even react in time.

Originally, he had dared to ignore Gui Da's attack and directly tore Xuan Tianyan apart with the method of " hitting a bull from afar ". It was mainly because he knew that the vice principal of the academy had good medical skills. He would definitely not die.

In the end, the person who treated him was not the deputy director, but his obedient granddaughter?

This ...

Ye Wuji was both surprised and surprised. In any case, he was especially shocked and surprised. He only felt that his good granddaughter was really amazing, amazing!

In the end, Ye Wuji couldn't help but laugh out loud. When Ye Qianli opened her eyes, she saw his silly face.

Ye Qianli, who was about to scold him, grumbled, ""You almost died, but you're still laughing foolishly."

"Hehe! Then how could grandpa not be happy? Tell grandpa, what kind of talent is this? Didn't Ye Rui say that you awakened the Nine Heavens Obsidian Flame?" Ye Wuji grinned nonchalantly. He had calculated that he would not die, but would at most be severely injured.

However, Ye Qianli suddenly became excited when she saw how nonchalant he was. ""Laugh! Laugh, he only knew how to laugh! Xuan Tianyan, that bastard, is he worth risking his life for? Do you know how worried I was just now?"

“..”Ye Wuji did not dare to laugh.

"You're already so old, but you're still learning how to be fierce and ruthless. Is there any meaning in that? Do you know how long I've been looking for you? Do you know how hard it was to find you?" As Ye Qianli questioned him, tears started to fall uncontrollably.

Ye Wuji instantly panicked and hurriedly raised his hand to express, " Little Li-er, don't cry. Grandpa swears! I won't do this kind of thing again. Let's not cry, okay?"

"Humph!" Ye Qianli didn't want to cry, but she couldn't control herself. She was just a little angry! Although she knew what her grandfather was planning.

First, he wanted to help her vent her anger, and second, he wanted to take this opportunity to break the stalemate. Third, the vice director was here, and with the vice director's medical skills, he would definitely be able to protect him.

Ye Qianli had to admit that although the old man's method was a little simple and crude, it was very effective! Therefore, even though she felt bad, she still reached out to hug the old master, who was at a loss again.

Ye Wuji stiffened at first, then he coaxed happily, "" Alright, alright, stop crying. We can go home after this. "

"No!" However, Ye Qianli suddenly thought of something and stood up.

Chapter 250: Nine-Tailed Fox, Life Changing Pool

Shocked, Ye Wuji was about to stand up when he felt his body go stiff. He knew it was a side effect, so he could only continue sitting on the ground and ask, ""What's wrong?"

"Xuan Tianyan, that bastard, is gone. The Purple Spirit is also gone." Ye Qianli frowned. She was too focused on saving her grandfather to notice them. Now, when she spread out her perception, she found that they were gone?

" It's possible that Purple Spirit has hidden Xuan Tianyan. However, Xuan Tianyan is definitely going to die in that state. At most, he can say a few words about his funeral. " Feng Lihuan consoled him.

The vice president also affirmed this point." That's right. His heart and lungs were torn into pieces. Even the King Pharmacist couldn't save him. "

"Let's look for it in case something happens again." Although Ye Qianli could see that Xuan Tianyan was in such a state that even the Great Immortal could not save him, she still felt a little worried if she did not see him die in front of her.

"That's for sure. This old man will help deal with Gui Da so that the battle can end as soon as possible. Little Madman, guard the grandfather and grandson in case anything happens again." the vice president arranged.

Ye Qianli wanted to tell Feng Lihuan to go and find him first, but Feng Lihuan refused to do so. This was also the aftereffect of Elder Zhao's sneak attack.

..

When everything was settled, the people from Ghost Realm were all cleaned up. Unfortunately, Gui Da still ran away, which made Old Zhu and the vice director very unhappy!

After all, Gui Da had escaped under their joint attack! Even though he was using the Wugui secret technique, it was still a blow to the two old fellows.

Moreover, Gui Da had obtained a fortuitous encounter in the divine treasure trove. If he couldn't kill him this time, it would definitely be even harder to kill him the next time he completely digested the comprehension he had obtained.

However, compared to Gui Da, Ye Qianli was more concerned and asked, ""What about Xuan Tianyan and Violet Spirit? Have you found them?"

" It's strange that Xuan Tianyan and Purple Spirit aren't here. They're interrogating them. There should be news later. " Feng Lihuan replied.

“..”Ye Qianli frowned and said nothing. Although Xuan Tianyan was not a super expert, he was too scheming. She felt that if she did not get rid of him, he would definitely be a disaster.

Back then, Rong Mo would have killed Xuan Tianyan first if it were not for the fact that the greatest threat to her was Grand Preceptor Zi and the Head Exalt of the Black Tortoise.

However, there was only a small God-killing Spider. It would take a lot of effort for her to kill one. She could not split her energy to kill Xuan Tianyan. Otherwise, she would not be able to kill even one.

After the death of the Great Guardian of the Black Tortoise, Xuan Tianyan ran away again! He hid it well.

" Little Li-er, don't frown. Such a pretty little face, wrinkled into a little peanut for you. Not good, not good. " Ye Wuji couldn't bear to see his granddaughter frown, but he had to say, " The little turtle bastard isn't dead yet. "

Ye Qianli looked at Ye Wuji in confusion. After all, they hadn't found him yet. No one could be sure if he was dead or not.

Ye Wuji said in detail, " Although Xuan Tianyan's cultivation is not that great, he's very scheming. I've suffered a loss at his hands before. This time, I'm holding back. I sent a wisp of wolf breath into his sea of consciousness. "

"So, you can sense that Xuan Tianyan is still alive?" The vice hospital director asked solemnly.

"Yes, and I can sense where he is. However, the exact location can only be confirmed after I recover." Ye Wuji expressed.

"Excellent! Then, when you recover, we'll search again. Could it be that this little scumbag has the Nine-Tailed Demon Cat's talent? That way, he won't die." The associate hospital director found it unbelievable.

" It should be the Purple Spirit. Don't forget, she has the nine-tailed fox innate talent. " Ye Qianli said.

"That shouldn't be the case. There were students who awakened the nine-tailed fox talent in the past, but they didn't have nine lives. As for the Nine-Tailed Demon Cat's talent, it has a life-saving skill that can resurrect the dead once, but it can only be used after it has been fused to perfection." Old Zhu recalled.

" But the Purple Spirit obtained an opportunity in the Black Tortoise Divine Treasure. Other people's nine-tailed fox talent might not have nine lives, but the Purple Spirit might not. " Ye Qianli analyzed.

"That makes sense." Everyone felt that this explanation was plausible. In reality, at this moment, Violet Spirit was indeed using her innate talent to forcefully save Xuan Tianyan, who was on his last breath.

It was a pity that Xuan Tianyan's injuries were too severe. Even if the Purple Spirit exhausted all of his divine power, he would not be able to live for long with his heart and lungs shattered into pieces.

"Cough..." Even the weakened Xuan Tianyan could sense that with just the Purple Spirit's innate divine power, he could only die in the end.

"Zi...Spirit ..."

" Your Highness, don't speak. The Violet Spirit will definitely be able to save you. " Violet Spirit insisted.

Xuan Tianyan took a deep breath with great difficulty, but his heart was shaken. He had always known that the Purple Spirit did not submit to him wholeheartedly. It was just that she had no choice but to pretend to be a snake with him.

However, at the last moment of his life, he never thought that she would do her best to save him. This was something he never expected. He always thought that she wanted him to die early so that she could break free from his control.

"For...Why..." Xuan Tianyan did not understand.

"Your Highness should know that it isn't easy for a Violet Spirit to climb up from the Zifu Disciple. No matter what Your Highness thinks, to the Purple Spirit, you are still a talent, so you have never forced me. " Violet Spirit replied weakly.

Xuan Tianyan was slightly startled when he heard this. He naturally knew about the Purple Spirit's background. He didn't force her, but he was confident that she would eventually become his woman willingly and wouldn't be able to escape his grasp.

Thinking of this, Xuan Tianyan looked up at the Purple Spirit, who was clearly about to collapse. He suddenly raised his hand and took out a small porcelain bottle from his Qiankun Bag. However, he was so weak that he did not have the strength to open it.

"Help...I ..." At this moment, every breath Xuan Tianyan took and every word he said was so painful that he wanted to die.

Violet Spirit took a glance at the porcelain bottle and knew that it should contain a life-saving pill. She quickly opened it for Xuan Tianyan and fed it to him without hesitation.

However, Xuan Tianyan's injuries did not recover after he ate the pill! However, his vitality was rapidly condensed, and his entire spirit, energy, and spirit were improving as if he was at the last moment of his life.

"Your Highness?" Violet Spirit was somewhat alarmed.

" Help me to the bottom of the divine treasure. This pill isn't enough to keep me alive. My corporeal body is too badly damaged. " Xuan Tianyan had already expected this.

"Beneath the Divine Treasure?" Violet Spirit was puzzled.

"Okay, do as I say. Be quick." Xuan Tianyan was afraid that it would be too late.

Violet Spirit didn't ask any more questions and immediately helped him up, following his instructions as they headed towards their destination.

Fifteen minutes later, after turning into a secret glacier and walking through several maze-like paths, the Violet Spirit caught a whiff of the thick scent of blood.

As she approached, a thick pool of blood about the width of a person appeared before Violet Spirit's eyes. Within it, strings of sticky blood bubbles were popping out.

Seeing this, Violet Spirit's eyelids twitched, and her voice trembled as she said, ""This is..."

"Life Changing Pool." Xuan Tianyan replied word by word, causing Violet Spirit's breathing to stagnate! He suddenly thought of the original plan of this so-called Fate Changing Pool to deprive Rong Mo of his opportunities and talents.

If it was ...
