Chapter 2230 - 2230 Lu Wuheng Attacks, Chu Kuangren Appears, Mingyue Wuxia's Delight

The Divine Bachelors were still sparring at Nine Ways Mountains.

His figure flashed, and he appeared between the two sparring Divine Bachelors, Liu Ruohuo and Ao Qingtian.

Their battle had reached its climax, and they attacked with their respective ultimate skill.

The powerful aura gushed outward and shook the realm.

Lu Wuheng's sudden intervention shocked everyone.

“Watch out!”

“What's Lu Wuheng doing?”

The ultimate attack of the two Divine Bachelors was powerful, and Lu Wuheng was standing in between, flanked by the two attacks.

Even a Grand Dao Supreme Honorable would not escape in one piece.

The slightest misstep and he would be severely injured.

While everyone was in awe, Lu Wuheng grinned.

He extended both his hands and stopped both incoming attacks. His hands moved around elegantly, and he released mystical Great Dao energy.

The two ultimate attacks were weakened in his hands and ultimately negated. He performed a technique to negate the attacks to the fullest.

“It’s Taiji from the Heavenly Human Sanctuary!”

“What a mystical power! He negated the two attacks with ease. He’s amazing!”

“Yeah, he’s indeed amazing!”

Everyone else was in awe.

Ao Qingtian and Liu Ruohuo looked at Lu Wuheng grimly.

They knew how powerful their own attacks were.

If Lu Wuheng could easily negate their attacks, it would be easy for him to defeat either of them.

Even though he knew he was no match for Lu Wuheng, he did not plan to give up just yet. His energy swirled and grew even more domineering, signaling that he wanted to continue the spar.

“I’m just intrigued by your fight, so I thought I’d join. Please forgive my intrusion.” Lu Wuheng smiled gentlemanly.

“Cut the crap, and bring it on.”

Liu Ruohuo attacked. The domineering fist energy soared through the sky and shattered the void with a domineering Great Dao aura.

Ao Qingtian attacked as well.

He raised his hand, and a golden emperor avatar appeared behind him. The glimmering eyes exuded a strong aura.

The emperor avatar punched forward, leaving a trail of cracked void in its wake.

Ao Qingtian and Liu Ruohuo teamed up to attack, but Lu Wuheng remained confident. He swung his hands elegantly and formed a Taiji symbol in the void.

Yin and Yang energy moved in harmony, fusing strength and gentleness.

When the two attacks hit the Taiji symbol, a powerful explosion happened. Rampant energy erupted and attacked the diagram, but Lu Wuheng was unharmed.

“Back to you guys!”

He moved his hands in a circular motion, and the Taiji symbol reflected the two attacks back to their casters.

With the boost from the Yin-yang energy, the rebounded attacks were stronger than before.

“This is what you called an eye for an eye.”

“I didn’t expect Brother Lu to have comprehended the Heavenly Taiji Dao to such a high level. He can even rival a Grand Dao Supreme Honorable.”

“He’s too strong!”

The cultivators from the Heavenly Human Sanctuary were in awe.

Ao Qingtian and Liu Ruohuo reacted bitterly. They took their own attacks and were pushed back several hundred meters away.

Then, their eyes narrowed, and they prepared for another attack.

“Emperor Dragon Finger!”

“Thunder Gale Eight Desolates!”

The emperor avatar behind Ao Qingtian pointed its finger, releasing its energy in the form of a dragon.

The storm wreaked havoc, and thunder rumbled in the sky.

The Thunder Gale energy converged into a massive light ball that was hurled at Lu Wuheng.

Lu Wuheng channeled the Taiji symbol again. Yin-yang energy swirled as it absorbed the incoming attacks before returning them back to their casters.

Their attacks got even stronger with the boost of the Yin-yang energy.

When Ao Qingtian and Liu Ruohuo were blasted away again, their faces turned pale.

They were forced to surrender at that point.

“I’ve finally gotten first-hand experience of the Heavenly Human Sanctuary’s cultivation technique.”

“It’s amazing.”

Lu Wuheng smiled. “Thank you, the two of you.”

“Brother Lu, you’re awesome!”

“Yeah! You’re awesome! You easily defeated two Divine Bachelors! Who else could be as amazing as you?”

“Yeah. Brother Lu is strong!”

“Among all the Divine Bachelors, Brother Lu should be at the top in terms of strength.”

The cultivators from the Heavenly Human Sanctuary were excited by Lu Wuheng’s victory.

Even Divine Bachelor Fengyue and Gu Chan spared an extra glance at Lu Wuheng.

“He’s indeed powerful.”

“I’ll mark him down.”

“Speaking of which, where is Chu Kuangren?” someone asked.

His words sparked anticipation in everyone’s heart.

“The first place on the Divine Bachelor Leaderboard, Chu Kuangren, will he come?”

“I heard he agreed to attend.”

“Where is he?”

One of the Heavenly Human Sanctuary’s cultivators pursed his lips and said, “Could it be that he’s afraid after witnessing what Brother Lu can do?”

The Divine Bachelor Leaderboard did not reflect one’s strength.

As the first place, Chu Kuangren might not be the strongest.

Many of the cultivators were ready for a challenge.

Beating the first place on the Divine Bachelor Leaderboard would be a proud achievement, and it would definitely boost one's reputation.

"I think the first place should go to Brother Lu!" the Heavenly Human Sanctuary's cultivator said.

Lu Wuheng easily defeated two of his fellow Divine Bachelors with ease, and it left a strong impression on everyone. That was why everyone believed he should be on the top.

"You want the first place? Take it if you can."

A calm voice echoed across the mountains.

Clouds rumbled, and the wind got stronger.

Endless spiritual qi in the realm grew restless.

Then, a dash of light shone from the clouds and shed its brilliance across the mountains.

A figure enveloped in Immortal Sparks strutted forward. The man wore a white robe, free from a single speck of dust. His temperament was transcendental, like he was a deity from paintings.

He strutted forward proudly, overshadowing the colors of the world, as if he was the only one in the world.

Those whose names were listed on the Divine Bachelor Leaderboard were some of the strongest humans of the younger generations.

Other than cultivation and talents, one's look was also taken into consideration.

All of them looked handsome, elegant, domineering, and even gentlemanly.

However, when the bright figure emerged from the cloud, all the Divine Bachelors and Divine Maidens felt ashamed of their own looks. It was as if they existed just to set him off.

Everything was silenced by his arrival.

“He's the first place on the Divine Bachelor Leaderboard!”

“He's so handsome!”

“Chu Kuangren... His name doesn't fit his looks at all.”

Chu Kuangren's arrival sparked a heated discussion among the cultivators.

Some of the Divine Maidens fell for him at first glance.

“Chu Kuangren...” Mingyue Wuxia’s eyes were glued to him as soon as she looked at him.

“I have searched the entire universe, and no one has ever caught my attention until you arrived.”

As someone who thought highly of herself, she had been searching for a rival in the same category for ages. Now, she believed she had finally found the perfect one.

Her heart was moved, not by love but by the delight of meeting her match.
