Chapter 2231 - 2231 The Top Position on the Leaderboard Can Be Given Up, The Mad Chu Kuangren

“He’s pretty good-looking,” a woman in Divine Bachelor Fengyue’s arm mumbled.

The Divine Bachelor Fengyue looked a little displeased when he heard the sentence.

That woman immediately shut her mouth. However, she could not help but steal a few glances at Chu Kuangren.

“Chu Kuangren’s finally here.”

“Wow. So he’s ranked first on the Divine Bachelor Leaderboard, huh? Judging by his looks alone, he truly deserves to be ranked the highest on the Divine Bachelor Leaderboard.”

“Indeed.”

“I think among the women here, only Mingyue Wuxia alone is worthy of being partnered with him.”

Chu Kuangren’s arrival caught the attention of many.

Despite being the center of attention, he did not react. He merely looked at everyone calmly.

His gaze did not linger on anyone in particular.

It was as if the Human Divine Bachelors and Divine Maidens were ordinary humans to him.

However, when his eyes landed on Mingyue Wuxia, they stopped on her for a little longer.

Still, it was only a moment longer.

“Sect Leader, I notice the auras of the Human Guardians up above,” said Nuwa, who was beside Chu Kuangren.

The Human Guardians were the creators of the human race in their respective universes, and as guardians, they possess a unique ability to detect similar beings like them.

“Alright.”

“I’d to go up and meet them.”

“Go ahead.”

Nuwa leaped into the clouds and dashed into the sky.

Meanwhile, after seeing Chu Kuangren, Lu Wuheng looked toward Mingyue Wuxia.

He noticed that she was staring at Chu Kuangren too.

The delight in those eyes of hers pained his heart. After all, they were both sky-prides of the Heavenly Human Sanctuary and had known each other for millions of years.

She had never, in all those years, looked at him that way before.

Unwillingness, jealousy, rage, and many negative emotions began to stir in Lu Wuheng's heart.

Chu Kuangren soon detected his hostility.

“Oh, how interesting,” said Chu Kuangren as he turned to Lu Wuheng. “I’m pretty sure we haven’t met before, yet you’re showing such hostility toward me. May I know the reason why?”

Chu Kuangren was pretty curious as he had not come across or interacted with anyone from the Heavenly Human Sanctuary before.

Could it be that he was born with a trait that attracted the malice and hatred of others?

“You must’ve misunderstood, Brother Chu. I do not hold any hostility toward you. However, I’ve heard of you for a long time now, and I simply wish to spar with you.”

Lu Wuheng looked surprised.

He did not expect Chu Kuangren to possess such keen senses. In fact, he thought he had concealed his hostility well, yet his intention was discovered.

“Oh, too afraid to admit it, huh? What a hypocrite.” Chu Kuangren chuckled.

Having been ridiculed, the veins on Lu Wuheng’s forehead twitched. However, he still kept a smile on his face. “It seems like you have truly misunderstood me, Brother Chu.”

“Your smile is quite hideous, I must say. Can you stop smiling at me?” Chu Kuangren said indifferently

The hostility Lu Wuheng was hiding beneath that fake smile was nauseating.

“Damn! What is this guy’s problem? Is he looking for trouble?”

“He’s just too arrogant. Senior Brother Lu spoke to him so politely. How dare he accuse Senior Brother Lu like this? Is this how the first place on the Divine Bachelor Leaderboard behaves?”

“Go and fight Senior Brother Lu if you’re brave enough. I dare you.”

“That’s right.”

The Heavenly Human Sanctuary cultivators were annoyed by Chu Kuangren’s behavior.

Lu Wuheng was also starting to boil with anger.

He put his smile away and said calmly, “Please impart your wisdom to me, Brother Chu.”

“Someone said earlier that my place as the first on the leaderboard should be given to you.”

“The Divine Hongmeng Leaderboard decides which cultivator should be ranked first, and it can’t be given to anyone just because the cultivator wants to. What you heard earlier was nothing but a mere jest.”

“You know, the leaderboard’s top position can be given up too,” Chu Kuangren announced.

Everyone was puzzled.

The cultivators who were ranked had been chosen via thorough examination by the Divine Leaderboard.

No one had heard of the ranking being given out before.

What nonsense was Chu Kuangren talking about?

Then, they watched as Chu Kuangren stood there and placed a hand behind his back, uttering words that shook everyone. "I'll give you the upper hand. If you can push me back or force me to use both my arms in this match, I will draw my sword and decapitate myself on the spot!"

Everyone instantly gasped, their faces filled with horror and astonishment.

Did they hear him correctly?

Did he say he was going to draw his sword and decapitate himself on the spot?

Had Chu Kuangren gone mad?

At the same time, they also understood why Chu Kuangren said the top position of the leaderboard could be given away. With him dead, the spot for the first on the leaderboard would open up.

However, that method was simply frightening.

Even Lu Wuheng's eyes widened in shock.

He did not know if Chu Kuangren was serious about giving him the upper hand and vowing to kill himself if he could push the latter back.

‘This guy... Is he looking down on me?’

Lu Wuheng’s gaze turned cold as rage filled him.

“Take this, Brother Chu!”

Lu Wuheng attacked by raising his hand, channeling the Yin-yang qi, and turning it into a beam of light. Then, he launched it at Chu Kuangren!

“Haha! Senior Brother Lu is really angry now.”

“Hmph, Chu Kuangren is too arrogant. How dare he look down on Senior Brother Lu?”

“Chu Kuangren is asking to be killed, huh?”

“What a waste of good looks.”

Everyone discussed among themselves.

Some of the Divine Maidens even looked sad.

They could not believe such a handsome and charming Chu Kuangren was acting so recklessly and unreasonably, risking his life when he just arrived.

Who could take it?

The divine light beam formed by Yin-yang energy shot toward Chu Kuangren.

It was a brutal attack.

However, all Chu Kuangren did was point his sword hand sign forward and swing it down.

Following a loud clang, the Yin-yang light was shattered into nothingness.

Meanwhile, another burst of sword qi shot out from between his fingertips.

That burst of sword qi was vast and mighty.

Wherever it went, it tore the void into shreds.

“Right on time.”

Instead of being surprised, Lu Wuheng was overjoyed to see it. He moved his hands, and a Taiji symbol appeared to block the incoming sword qi.

Upon seeing that, Ao Qingtian and Liu Ruohuo's eyes lit up.

“The technique has been cast.”

They had fought against Lu Wuheng before, so they knew how tricky the Heavenly Taichi was to deal with. It would turn their attack around and send it back toward them, thus making it a very mysterious technique.

“Go!”

With a soft grunt, the sword qi was strengthened with Yin-yang energy and sent back to Chu Kuangren instead.

“Oh, what an interesting technique.”

Seeing his returning sword qi, Chu Kuangren opened his fist and gestured a grab into the void. A massive surge of Great Dao energy erupted.

That sword qi then froze in mid-air as if an invisible hand was grabbing it.

After that, it shattered with a bang.

“Now, can you send this sword attack back, I wonder?” Chu Kuangren asked calmly.

He made a sword hand sign, releasing a wave of sword qi into the sky.

An overwhelming surge of destructive aura also enveloped the area.

It was Sword Twenty-one.

The wave of sword qi converged into a shockingly powerful sword shadow that slashed down from the sky!

Lu Wuheng conjured his Taiji symbol again.

This time, however, he felt a power far greater than before from the incoming sword qi, and his Taiji symbol shattered as it could not take it. As the sword shadow fell, it sent Lu Wuheng flying away.

Everyone exclaimed with shock.

“Senior Brother Lu’s Heavenly Taiji technique has been disabled!”

“It’s not disabled but shattered!”

“The power of that sword attack surpassed the limits of Senior Brother Lu’s Heavenly Taichi Technique. Chu Kuangren is terrifying!”

Everyone looked at Chu Kuangren with solemn gazes.

Meanwhile, Lu Wuheng wiped off the blood from the corner of his mouth. His gaze turned cold as his Yin-yang energy began swirling around him. Soon, the power of his Grand Dao Supreme Honorable cultivation erupted.

“Chu Kuangren, take this! Universal-Shattering Yin-yang Strike!”

Lu Wuheng let out a long roar as he unleashed his ultimate move!
