## **A Man Like None Other Chapter 4221**

A Man Like None Other Chapter 4221-Roar!

The golden dragon roared, the earth trembled, and huge waves suddenly rose in the sea.

Everyone hurriedly held up the shield to protect the safety of the spirit boat!

Wang Qingshi looked at the golden dragon behind David, and his arrogant arrogance instantly extinguished!

“You...

who are you? Why can you make the golden dragon appear?” “Are you using any psychedelic magic?” Wang Qingshi asked! “Why are you asking so many questions? If you want to fight, just fight.

You are so fu\*\*ing talking nonsense!” Flames rose from David’s body, and even flames rose from the golden dragon’s body!

It turned directly into a fire dragon and opened its bloody mouth!

“You are looking for death...” Wang Qingshi roared, and the giant sword in his hand slashed down at David fiercely!

The golden dragon roared and rushed up directly, facing the giant sword!

Boom!

The giant sword was blocked by the golden dragon, and then the golden dragon spit out a dragon flame, and the thick flame instantly surrounded the giant!

The flames all over the sky reflected the whole sky red, and even the sea was burning with flames!

Chen Wenliang and the others had to drive the spirit boat to the distance!

“Hahaha, you want to burn me to death with flames, it’s just a joke, my giant is not afraid of water and fire.” “And there is no life, no fear of death, you want to defeat me, dream!” Wrapped in flames, Wang Qingshi was not afraid, but laughed! His giant was made with the secret technique of Zhantian Fazong, not flesh and blood, so he was not afraid of flames at all!

It's like a puppet, without life, and doesn't know life and death!

Now Wang Qingshi merged with the giant, everything was controlled by Wang Qingshi, and the giant had no thoughts of his own!

The giant stood in the flames, his body emitting golden light, and the flames really couldn't cause any harm to the giant!

"Since you can't burn to death, then I'll chop you to death..." David jumped up and stood on the dragon head!

The Dragon Slaying Sword in his hand burst out with a hundred-foot sword light, and then he swung it vigorously! The sword light rolled in, with a dazzling white light.

Boom boom boom...

Various auras in David's body kept flowing, and he slashed the giant with one sword after another!

David's sword was very fast, and every time he slashed the giant with a sword, sparks burst out all over the sky! "Hahaha, I said it's useless.

Although your sword is good, it can't break my giant's defense at all!" Wang Qingshi laughed!

David ignored him at all, but kept attacking.

Every sword was like a mountain smashing down, causing the earth to tremble, the void to twist, and roar for eternity!

The sea was even more rolling with huge waves caused by these swords, and the water columns that rushed into the sky rushed straight into the sky, like the end of the world!

Wang Qingshi, who didn't care at all, suddenly saw many tiny cracks on the giant's body!

And on the huge talisman paper he took out, various patterns actually trembled!

Speaking of which, Wang Qingshi's giant is not a real puppet, but is made by using secret techniques and runes!

The power and defense it possesses

are not made of its own

are all supported by the dense runes on the rune paper!

If the runes are destroyed, the giant's strength will be weakened!

"Damn, I thought you were wasting your energy, but I didn't expect you had a plan!" Wang Qingshi frowned slightly, and didn't dare to be careless!

He forced out blood from his eyebrows and smeared it directly on the rune paper! The golden giant turned red in an instant, and the dense runes also turned blood red!

The blood-colored runes covered the giant's whole body, exuding a terrifying breath!

"It's my turn..." Wang Qingshi shouted, and the long sword in his hand shone, and the void was instantly cut open!

David stood on the dragon head, feeling the power of this sword, but he didn't dodge at all, but jumped!

## **A Man Like None Other Chapter 4222**

A Man Like None Other Chapter 4222-The whole person went straight to the giant sword!

"What is.

. Chen going to do?" Nie Heng was shocked when he saw this!

"Isn't Fellow Daoist Chen going to commit suicide? Why didn't he dodge or evade, but went towards the giant sword?" Chen Wenliang didn't understand what David was going to do!

Even Wang Qingshi himself didn't expect that David would not dodge or evade, but now he would take the initiative to meet him.

He was stretching his head to let himself be chopped!

How could there be such a thing? Is there a trick? Just when Wang Qingshi didn't understand what was going on, David's body actually collided directly with the giant sword in his hand! Boom! With a loud bang, golden light splashed everywhere! David's indestructible golden body, like snowflakes, fell down piece by piece and slowly disappeared!

As the golden light flashed, everyone was surprised to see that David's thin body actually withstood the blow of the giant sword!

And he held the giant sword tightly with both palms, with disdain and coldness in his eyes!

“How is this possible?” Wang Qingshi was stunned!

You have to know that the sword he just used, even if it was a master of the Mahayana realm, would be taken away by a sword, but David is only a sixth-grade cultivator in the Tribulation Realm!

How could he withstand a blow, and it seems that he is not injured? This is impossible!

The others were also stunned and stared blankly.

If it is said that David’s strength, many people have seen it!

But no one expected David to be so awesome!

This is to resist this sword.

If the body is not strong enough, no one dares to try it!

“My goodness, is this a sixth-grade cultivator in the Tribulation Realm able to do it?” Zhen Yuandao licked his lips, with an incredible look on his face!

The others were so shocked that they couldn’t speak!

Su Tianshuo and others saw this scene, and their hearts were beating wildly.

If David killed Wang Qingshi, then none of them would be able to escape!

“President Su, what should we do? This David is too abnormal, he is not a human...” Bao Longxing said with fear on his face!

“What are you afraid of? Wang Qingshi may not lose.

Let’s wait and see.

If Wang Qingshi loses, we will sneak away!” “Anyway, no one is paying attention to us now.

If it doesn’t work, we will never admit that we are colluding with Zhantian Fazong “Do they have any evidence? Do they really dare to kill all of us?” Su Tianshuo is ready to wait and see.

Anyway, he has made two preparations!

In fact, he is also scared to death, and his legs are shaking constantly!

It’s just that these people obey him.

If he shows fear at this moment, then the others are really finished!

If people's hearts are scattered, Su Tianshuo knows that he has no chips at all!

"You look tall and mighty, but you don't have any strength.

It turns out to be a straw bag!" David said to Wang Qingshi with a sneer on his face!

Wang Qingshi was angry and angry, gritting his teeth and said, "Don't be complacent, I haven't lost yet..." Buzz!

Suddenly, the giant sword began to be covered with blood runes, and a violent force broke out!

David looked at the blood runes that kept flashing on the giant sword, and smiled even more brightly, saying, "You are still a little tender to play runes with me..." After David finished speaking, he actually used his fingers to draw a few strokes on the giant sword!

In an instant, the power that was about to burst out on the giant sword was dormant, and the giant

sword trembled, shaking the giant out!

Wang Qingshi was shocked and looked at the giant sword in his hand in disbelief! "You...what did you draw on my giant sword?" Wang Qingshi asked with a shocked face!

You know, this is his weapon, and he gave all the blood runes on this giant sword!

But who would have thought that after being casually scratched by David twice, the blood runes were all invalid!
