Unchosen 61 -70

Chapter 61 On the black and gold king sized bed , Noelle lay sprawled like a soft little dumpling , utterly drained .

Her lips were hish and rosy , like a blooming red rose kissed by morning dew .

She whimpered softly , her voice low and kittenish , as though shed just been thoroughly teased .

Scattered on the floor were a few crumpled tissues .

Sitting at the edge of the bed , Nicolas was impeccably dressed in a black silk shirt that bore no trace of a wrinkle , exuding a calm and composed At the moment , he was methodically wiping his elegant , well defined fingers with a tissue .

Hearing the faim , sweet murmurs coming from Noelle , he ulted his head and smirked .

You were the one who kept clamoring to share a bed with me .

If wed actually gone all the way , I wonder how youd handle it ? Noelle buried her face into the soft pillow , like an outrich hiding from reality She was mortified Her entire body was still trembling tingling with sensations that hadnt completely faded .

It was terrifying Noelle prided herself on her ability to control her body an essential skill that had helped her excel in every field shed entered .

But earlier , it was as if her body had completely betrayed her , surrendering all control to Nick , Just a gentle touch from him .

and her composure had crumbled entirely .

The adult world was indeed scary .

Nicolas glanced at the clock .

Then he leaned forward and nudged Noelles shoulder .

Alright , enough pretending to be an ostrich .

Go hide after you take a bath .

Do you even know what time it is ? Noelle slowly turned her head to face him , her voice muffled and tinged with a nasal hum as she whined , Nick , I'm completely out of strength .

Can you help me take a bath ? Raising an eyebrow , Nicolas gave her a teasing smile .

He pinched her waist lightly and retorted , Haven't you learned your lesson yet ? It's all your fault ! I'm only this exhausted because of you she grumbled .

Rolling closer to Nicolas , Noelle draped her pale arms around his firm waist , rubbing her face against his abdomen and whining softly , You've already seen everything , so what's the big deal about helping me bathe ? Nicolas sighed , exasperated .

Nick , please ! I'm so tired , I just want to sleep .

Help me out , won't you ? Her voice was sweet and clingy , carrying an intoxicating allure that Nicolas thought he had encountered many women in his life , including those who tried to charm him with their coquettish ways , none had ever swayed him . But with Noelle , a mere pour from her , and he was utterly defenseless . Throwing up his hands in mock surrender , he said , Fine .

You win .

Lets go ! Noelle beamed triumphantly , her grin as sly as a fox , She stretched out her arms toward him .

Nick , carry me ? Chuckling , Nicolas bent down to scoop her up .

Noelle wasted no time clinging to him like an octopus , wrapping her arms and legs around him as she giggled .

Nick , you're the best ! Nicolas drawled teasingly as he carried her toward the bathroom .

Were you just crying and calling me a big bad guy ? That was earlier Noelle argued , completely unlaashed .

This is now ! .

So ... still planning to find someone else to sleep with ? No way she replied firmly , her voice full of conviction .

I only want to sleep with Nick .

No one else even comes close .

Chapter 61 Really ? he mused with a smirk .

What if you meet someone more handsome than me ? With a mischievous glint in her eye , Noelle leaned up and planted a quick kiss on his lips .

Smiling brightly , she declared , I only like Nick .

You're the only one I want to be with .

Nicolas's lips curved into a faint smile , his heart melting . Countless women had desired to be with him , but none had ever made him feel as content as Noelle's simple , heartfelt words .

Nicolas took Noelle to the bathroom and gently helped her wash up . She really knew how to enjoy herself .

Like a beautiful , languid snake , she lay on the edge of the bathtub , her eyes closed as she hummed softly . Relaxed and carefree , Noelle lounged in the tubs like a pampered beauty , humming softly with her eyes closed as Nicolas diligently cleaned her up . When they were done , her skin was warm and fragrant , wrapped snugly in a fluffy white towel .

Nicolas carried her back to bed , placing her down carefully . But Noelle didn't let go of him .

Her arms stayed looped around his neck , holding him in place . What now ? Nicolas asked , chuckling softly . Noelle's bright eyes sparkled as she smiled , her voice sweet and tender .

Nick , I'm so happy . Yeah , I can tell . Oh , by the way , I finished writing the songs you asked for . Ten of them in total . Already ? Nicolas asked , surprised . A few days ago , he'd mentioned needing some original tracks for his company , . Given Noelle's talent she was the genius composer behind The Shadows he'd offered her 3 million per song to help out .

And now , she'd already delivered ten . Till email them to you tomorrow she said . Great .

I'll transfer 30 million to your account .

Make sure Bryan gets your bank details tomorrow .

Okay . Mwah . Noelle kissed him lightly on the lips , her starry eyes serious and sincere as she said , Nick , I love you .

Whatever you need me to do , just tell me .

I'll give it my all and never let you down . Is that so ? Nicolas murmured , a glimmer of mischief lighting up his gaze .

Nicolas smiled .

His eyes flickered , and he drawled , As it happens , there is something I'd like to entrust to you .

Noelle was curious .

What is it ? Without warning , he cupped the back of her head and leaned in , capturing her lips in a soft , lingering kiss .

When he pulled back , his deep , velvety voice was rich with emotion .

I need someone to stand by my side as my wife .

Huh ? Damon is not back yet ? Noelle asked back .

Kimberlys gaze drifted behind her , looking puzzled .

Wait .

Noelle , wheres Damon ? Didnt he come back with you ? Huh ? Damons not home yet ! Noelle blinked .

I slept at Nicks last night , Noelle said frankly .

Damon went to pick up Leia .

I dont know what happened after that What ? Pick up Lela ? Leia went to him Kimberly was even more confused .

Why did Noelle sleep at Nicolass house last night ? Kimberly thought Because of Leias instigation before , Kimberly was actually not very optimistic about Nicolas .

Hearing that her daughter stayed at Nicolass house last night , she had some indescribable thoughts in her heart .

Before she could process everything , the door opened , and Damon walked in ..

The moment their eyes met , Noelle greeted him cheerfully , as if nothing had happened .

Damon , youre back ! Damon stared at her , speechless Comment

Chapter 62 Damon felt conflicted seeing Noelle again .

After the harsh words hed said last night , hed thought hed made his stance crystal clear .

Hed drawn the line , severed any connection between them .

Surely .

Noelle , after hearing those cutting remarks over the phone , wouldnt still try to cozy up to him .

No matter how guilty or not guilty he felt , there was no need to deal with her anymore .

But what he hadnt expected was that when they met again , she could still smile at him so brightly .

Is Noelle simply naive , or is she deeply calculating ? he thought .

Anyone else in her position would have avoided him entirely , so how could she act like nothing had happened ? Damon , whats wrong Noelle , noticing his silence , stepped closer , her wide eyes filled with curiosity .

Your dark circles are huge ! Did you not sleep well last night ? Damon hadnt slept well .

After what happened, who could sleep ! Looking at Noelle , who seemed entirely unbothered .

Damon was baffled .

Noelle , are you brainless or just insane ? Why would you dare to talk to me after everything ? Are you out of your mind ? Damon , is that how you speak to your sister ? Kimberly , overhearing his tone , walked over , her displeasure evident .

And why didnt you bring Noelle home last night ? I heard she had to stay over at Nicolas place .

Here we go again .

Hearing yet another interrogation , Damons irritation flared .

Why should I have said a hundred times I dont like Noelle .

Why should I be the one responsible for her ? Damon , what kind of nonsense is that ? Kimberly asked in disbelief .

shed hoped last nights events would soften Damons attitude toward Noelle .

How could he still be e this unreasonable ? I told you , Mom , Damon said , his face darkening , I want nothing to do with her .

Youre the one who insists on keeping her around .

If you dont want a repeat of last night , stop shoving her into my life .

Otherwise , I cant promise what I do .

With that , he turned to But just as he took a step , a small hand grabbed his arm .

Looking back , he found Noelle holding onto him .

She stared at him intently and asked , Damon , do you really hate me that much ! He wanted to say yes But when their eyes met those pure , innocent eyes the word stuck in his throat .

He thought , Do I really hate i Before could figure out an answer , Noelle continued , speaking as if to herself .

I dont hate you , Damon .

You helped me deal with the guys from your team last night , bought me lamb skewers and pancakes .

I think youre a good person .

She saw the gentle smile still on Noelles face , and her heart ached .

Dont take Damons words to hear , sweetheart , Kimberly said , comfort her .

Hes stubborn and hot headed , always saying awful things when hes upset .

caid , trying to Even though she understood that Damon was so dismissive of Noelle to defend Leia , Kimberly still felt that he was going too far by saying such harsh words to his own sister .

She hoped Noelle wouldnt take it to heart .

But Noelle didnt really take it to heart Noelle , ever unfazed , smiled warmly .

Dont worry , Mom .

Im not upset .

Damons actually a good person just a little awkward After all , anyone whod buy her food couldnt be all bad But Noelles response was like a dagger to Kimberlys heart .

someone treated her that way , Kimberly doubted shed ever try to reconnect , is matter how strong she was Yet Noelle wasnt angry or hurt instead , she gave her brother the benefit of the doubt .

Noelle had a heart wider than any of them .

Kimberlys eyes welled up as she stepped forward and hugged Noelle tightly .

Her voice trembled .

You ... youre always surprising me , Elly .

How can you be so wonderful ? Huh ? Noelle blinked , confused What did I say ? Why is Mom so emotional all of a sudden Although baffled , she gently patted Kimberlys back and said , Dont cry , Mom , Isnt it a good thing that I surprised you in a good way ? Kimberly laughed softly , wiping her tears .

Yes , it its a very good thing .

Keep at it , Noelle She encouraged her daughter , adding , Damon has a sharp tongue but a soft heart .

If someone treats him well , he remembers .

Okay Noelle nodded , flashing a bright smile .

Kimberlys heart melted again .

Her daughters smile was truly something magical it felt i like sunshine piercing through clouds , warm and bright .

Alright , Im going to find Damon now , Noelle announced With only a few days left before her military training resumed , she wanted to seize every opportunity to get closer to Damon .

Just then , his phone rang Hello ! Dumon , want to join an underground race ? His teammates voice was brimming with excitement .

Its being held at Ridgeville Raceway , right near Crestfall City Whats the point ? Damon replied flatly .

You know professional racers arent supposed to participate in illegal races .

After hearing this , his teammate teased him , Damon , thats not what you said yesterday .

Didnt you say the illegal street race had some hidden went ! Damon replied , The only hidden talent Im concerned about is Emberling Everyone else is just a bunch of mediocre drivers .

His teammate seemed to have been waiting for this response and got even more excited saying , Damon , do you think I let you join just for fun ! 1 got the tip off that Emberling is participating in this race The moment those words were out , Damon shot up from the bed , shocked .

What did you say Emberling is joining ? Are you sure about the source ? Its from the race organizers themselves .

Its gotta be true , Damon was even more excited after hearing that .

Emberling the legendary racer who achieved nearly impossible feats .

Was he finally going to meet them in person ! Just as Damon was feeling elated , there was a sudden knock at the door .

Damon thought it was just customer service , so he didn't think much of it and quickly got up to open the door .

To his surprise , when the door opened , a petite and cute girl appeared .

She had a playful smile , her eyes curving with joy as she said , Tada ! Damon .

I'm here to hang out with you Just as the words left her mouth

The door slammed shut again .

Damon thought to himself .

What the heck ? Did I just hallucinate ? Was that Noelle standing outside the door ! C

Chapter 63 Unfortunately for Damon , the sight of Noelle wasn't a hallucination .

The door was knocked again , and her crisp voice called from outside , Damon , why'd you close the door ? Hurry up and let me in .

Damon thought .

Damn it .

So it wasn't just my imagination .

Leaning against the door , Damon practically shouted , Noelle , are you insane ? How'd you even find me here ? And how'd you get into the building without a key card ? Illy ! I just tracked your location .

And getting upstairs ? Easy I just Without missing a beat , Noelle chirped from the hallway , Damon , you're so silly ! I just hacked the hotel system Damon was speechless .

Why is everything she says hovering right on the edge of illegal Fearing she'd commit another crime .

Damon sighed and reluctantly opened the door .

Damon Noelle stepped inside cheerfully , her bright eyes sparkling .

She grinned up at him , Even though you said not to come near you or else you'd hit me I figured since you can't beat me anyway , it doesn't matter .

So , here I am ? Damon was rendered utterly speechless .

While hed never seen Noelles combat skills firsthand , he didnt doubt her abilities after last nights fiasco with Erick and Jamari , not to mention her reputation for taking down a room full of instructors .

Sull , the smug look on her face as she said it made Damon want to hit something He scowled , his voice ice cold .

Noelle , dont you have any shame ? I told you I hate you why are you still clinging to me ? Cant you have a little self respect ? Learn from Leia for once .

Pouting , Noelle replied .

I would act like Leia , but you wouldnt pay attention to me if I did .

So I might as well stick to my own methods Why dont you just leave me alone ? Damon growled , glaring at her .

If your only goal is to stay in the Anderson family , go buddy up to Eli .

He practically worships you .

With him on your side , youll never have to worry about geuing kicked out .

Nope .

Noelle rejected his suggestion without hesitation .

I dont just want Eli to like me .

I want all of you to to like me , she declared earnestly .

Damon let out a derisive Laugh .

You sure have big ambitions .

Sure , Kimberly and Eli might have warmed up to her , but Adriel , Bennett , and Charlie still gave her the cold shoulder .

As for Vincent , his strict , perfectionist nature made it nearly impossible for him to accept anyone who didnt meet his absurdly high standards .

Where theres a will , theres a way ! Noelle replied , unfazed by his sarcasm .

Flashing a radiant smile , she said , I believe Ill make all of you like me someday Damon rolled his eyes , Good luck with that He turned and opened the door to leave Where aur you going .

Damon ? Noelle asked , quickly following him .

None of your business , Damon replied without looking back , striding purposefully ahead .

Opening the car door , Damon replied dryly .

Who said were getting a meal ? Huh If its lunchtime , isnt it the obvious choice ? Noelle asked .

Youre not coming for a meal .

Damon said , getting into the drivers seat .

Why do you care ? Since the illegal racing competition Emberling was going to happen , Damon would definitely participate .

It would take several hours to drive to Ridgeville Raceway , where the race would start .

He had to hurry .

A lule disappointed , Noelle poured but climbed into the passenger seat without a word .

Hed starve her for a few meals and see if she still followed him .

There was actually nothing to eat .

The girls spirits sank even lower upon hearing Damons words .

To his surprise , Noelle nodded solemnly , Its fine .

Ill still go with you .

When he saw her dejected expression , Damons mood inexplicably improved .

Finally .

Shes not calling the shots anymore .

This feels right The thought of meeting Emilierling only heightened his spirits as they drove toward Ridgeville Raceway .

Didnt know you were into racing , Noelle .

Do you like it ? Not really , Noelle admitted with a shrug She didnt race for fun only for practicality .

The time shed gone to Fallwood Raceway was purely to earn some quick cash .

She hadnt expected to accidentally break their record .

Chapter 64 Damons thoughts were entirely consumed by Emberling Without sparing another moment , he told his teammates , Im heading to the pit area Turning to Noelle , he added , Stay here with them .

Noelle replied absentmindedly as Damon turned and left .

Watching Damons eager stride , one of the teammates chuckled Man , Ive never seen him this hyped about anything .

That E Emberling must be a Heller keep your eyes peeled , then , another chimed in .

That guy holds the record for illegal racing .

Look around everyone here came because of him Noelle tilted her head , confused by their conversation .

She turned to the group and asked , By the way , whered you hear that Emberling was racing today ? The organizers , one replied .

If they hadnt announced it , no way this many people wouldve shown up .

Noelle frowned, her sharp instincts kicking in .

After a brief pause , she blurted out , Youve all been duped .

This organizers a fraud ! What The group was dumbfounded Elaborate , one said , narrowing his eyes at Noelle .

She crossed her arms and explained , Emberling isnt participating in this race .

The organizers are just using his name to rake in money She gestured emphatically .

Three hundred thousand dollars for entry fees ? Thats daylight robbery ! When I raced , it was only fifteen thousand The teammates exchanged skeptical glances .

re ? How do you know for certain ? One asked hesitantly , Noelle , are you sure ! With wide , innocent eyes , Noelle blinked and declared confidently .

Because Im Emberling Her tone was so matter of fact it took everyone a moment to process .

Dead silence fell over the group They stared at each other , flabbergasted .

What the hell ? Noelle looked cute and harmless , but now they werent sure if she had a screw loose .

Has she gone crazy ! Or was this some elaborate joke they thought .

If anyone else had said it , theyd burst out laughing .

But Noelle was Damons sister , and mocking her might put them on his bad side .

Finally , someone managed a dry laugh and broke the silence .

Oh ... so youre the Emberling ? Wow , what an honor to meet the legend in person .

Really ? You believe me ? Noelle asked , genuinely delighted She had grown used to being dismissed as a lunatic whenever she mentioned her past .

It was a pleasant surprise to see them taking her seriously for Of course , we believe you one replied with a forced smile .

She had killed quite a few people in the past though it was all for missions maybe it wouldnt hurt to earn some good karma for herself .

This reasoning convinced Noelle .

She nodded and said , Fine , I wont p after them then Seeing Noelle give in , the team members let out a collective sigh of relief One of them smiled and asked , Noelle , you and Damon havent eaten pasta yet , right ? Want us to take you somewhere to grab a bite? Is there food here Noelles eyes lit up .

She was starving , Of course Lets go .

Well find something to eat .

Okay The team cheered as they guided Noelle away , flashing an OK gesture to their teammates .

Once Noelle was out of earshot , the others finally relaxed and started complaining .

Damons sister suddenly claiming to be the legendary Emberling almost scared me half to death .

Right ? Shes so beautiful how did she get this delusional ? Hey , do you think Noelle could really be Emberling ? After all , Damon is so skilled ; she probably isnt too bad either .

Are you kidding ? Emberling was famous two years ago , and Noelles barely an adult who gave her a car to race ! Thats true ... He must be out of his mind ? Definitely a case of a delusional mind No doubt Noelle , however , didnt know she was being thought of as mentally unstable .

Right now , she was sitting in a food tent set up by the organizers , eating grilled sausages .

She had bought ten at once .

The team members watched in stunned silence , asking , Noelle , do you think you can eat all of those ? I can , she replied , stuffing half a sausage into her mouth , her cheeks puffing up .

I've been starving for ages .

Ten sausages ? No problem If you can eat them , then go ahead At that moment , a cheer erupted outside .

It seemed the round for Emberling had arrived , and the team's attention was immediately drawn elsewhere .

One of them hurriedly turned to Noelle and said , Noelle , the race is about to start .

Do you want to go watch Sure , Noelle agreed , though she wasn't particularly interested in racing .

As they left the food tent , a middle aged man in a suit came out from behind the VIP section .

His bodyguard , noticing , asked , Garrett , what's wrong ? The Garrett mentioned was the race organizer , Garrett Ochoa He was also responsible for the race that Noelle was participating in .

The head to head action had the audience on the edge of their seats , sparking heated debates about who would claim victory .

This is insane ! I've never seen such a fierce battle on the track ! No kidding ! We're deep into the race , and they're still neck and neck ! Right ! It's already the second half , and the two cars still haven't opened up a significant distance Whose Damon's rival ! They're seriously good .

This race was worth every penny ! Back in Damons crew , tension was equally high- Man , Ive never seen Damon pushed this hand .

Hard to say Its too close to call Meanwhile , Noelle , munching on a sausage , chimed in condently .

Isnt it obvious ! Damons going to win .

Though the cars seemed evenly matched , Noelle saw the underlying dynamics .

In the early stages with more straightaways , Damons rival had the upper hand due to their cars superior specs .

But now , in the twisty final section .

Damons cornering skills would give him the edge The crew , thinking Noelle was just being supportive , nodded along .

Right , Noelle .

We think so too so too our Damons got this in the bag .

Just as they finished speaking .

Damon began pulling ahead , masterfully navigating the right turns .

Hes pulling away ! The crowd erupted in cheers .

No way Damons crew watched in awe as he crossed the finish line , securing victory just before his opponent could catch up .

Noelle polished off her last bite of sausage and turned to the crew , smugly declaring , See ! you my Damon would win .

Without waiting for a response , she bounded off to congratulate Damon , leaving the crew exchanging bewildered glances Uh ... was she just lucky , or does she actually know her stuff ? Beats me .

The bodyguard replied , Garrett is the head of the race organizing team for this event .

What does he want with us ? Damon asked , frowning The race is over , we dont need to follow any more orders from the organizers .

You misunderstood , the bodyguard replied with a smile .

This isnt about the event .

Its a personal matter .

The bodyguards gaze shifted to Noelle , and he smiled at her .

Actually .

Mr.

Garrett would like to speak with Miss Anderson Miss Anderson ? Damons brows furrowed .

He immediately pulled Noelle behind him and asked , What does he want with her ? Given the chaos Noelle had caused in the team earlier , Damon instinctively assumed she had gotten into trouble again ..

Noelle ... Shes actually Emberling Damon thought .

Not long after , the group was ushered into a makeshift reception area set up by the event organizers Garrett , the event organizer , sat in a relaxed posture , puffing on a cigar .

With a smile , he greeted them .

Noelle , are you seriously that stunned ? Why are you so quiet ? Noelle teased , delighted by Damons flustered reaction .

It seemed like she had truly shocked him .

She must be getting closer to winning Damon over .

Seeing Noelles proud face , Damon shoved her away with a sigh Are you serious ? You ran off to join an illegal race before you even turned eighteen .

And now youre acting so proud ? Im not even yelling at you , that should be enough .

Hmm ... Noelles soft face was squished by Damons shove , a few question marks popping up in her mind .

Damon had already accepted she was Emberling , so why wasnt he thrilled ? Shouldnt he be over the moon , showering her with affection ? Damon was just so hard to please .

Miss , I swear , Ill disappear ! Youll never see me again ! Noelle blinked , taken aback by how quickly Cody folded .

Well , that was anticlimactic , she muttered .

Turning to Damon , she asked , What do we do with him ? Damons lips thinned as he considered their options .

We call the cops , he said finally .

Let the authorities deal with them .

Theyve got illegal firearms and were planning an attack .

They wont get off lightly Noelle nodded .

Okay .

She lowered the gun but the moment she did , Cody sprang up , lunging for her .

Damons face drained of color .

His instincts kicked in faster than his brain , and he charged forward without a second thought .

When Damon saw that Cody had been subdued again , his heart slowly returned to its rightful place .

He walked up to Noelle , his gaze filled with disbelief as he asked .

Noelle are you alright ? Im not ... Noelle turned , about to reassure him that she was fine .

But then , she paused .

Isnt this the perfect opportunity to act fragile , to play the sympathy card and make Damon feel sorry for me ? With a nod , Noelle pouted , looking all sweet and vulnerable as she said .

Im not okay .

Damon , he attacked me , scared me so much ... My heart is still pounding , I need a hug to calm down .

She held out her arms , looking up at Damon with hopeful eyes .

Damon , hug me ? Damon could only blink , speechless If it werent for Cody still lying beneath her foot , groaning in pain , and a group of thugs fleeing in terror behind them , he might have believed it Damon thought , Noelle ... youre a bit too strong for your own good .

Later , Garretts people arrived , promising to handle the situation appropriately .

After such a scare , no one dared to linger outside , so everyone quickly left for home .

Damon , worried about possible retaliation from Codys associates , took Noelle straight back to the Anderson family .

Noelle didnt get her hug , and her little pout was practically hanging in the air .

Unable to resist her mournful al look , Damon finally gave in and turned the car around to take Noelle to a barbecue place.

That was the only thing that could somewhat soothe Noelles fragile heart After all the chaos , by the time they returned to the Anderson family , it was nearly dawn Nuelle clung to Damons sleeve with one hand while rubbing her eyes with the other , yawning continuously .

Damon , I was still sleeping .

How come you , as my big brother , dont know how to be more gentle ? You should have let me sleep and just carried me inside without waking me up , right ? Damon had lost his patience with Noelle .

He tried to shake her off , but she wouldnt budge .

Grinding his teeth , he muttered , Let go of my hand .

Damon , youre so mean .

Dont get the wrong idea , Eli .

I dont have any kind of relationship with her .

She sidled up to him , her gaze full of mock hurt .

Damon , how could you say that about me ? Dont I have any dignity ? You ? Dignity ! Dont make me laugh .

I cant believe how mean you are ! You think I care ? Eli silently observed the bickering pair , utterly bewildered .

Their dynamic was ... peculiar , to say the least .

Taking a deep breath .

Eli tried to mediate .

Damon , Noelle is still a young girl .

Cant you talk to her with a bit more kindness ? And why should I ? Did you forget what I said about her before ? Damon shot back , his irritation evident .

Damon , you

Eli watched him leave , sighing in exasperation.

How could he not be shocked and doubtful The Anderson familys eyes quickly darted to Damon , awaiting his response .

Damon , with his prideful and face conscious nature , would never allow Noelle to lie without consequences .

But this time , he calmly took a sip of soup , glanced at his family , and admitted .

Noelles right .

She is indeed faster than me .

At his words , the Anderson family went silent , their expressions frozen in disbelief .

Noelle , youre impressive Eli said , his gaze toward Noelle filled with admiration .

Deep down , he was a little happy for her .

After all , Damon and Noelle didnt exactly get along , so for her to earn his approval meant she was really skilled behind the wheel .

Surely , this would change her fathers opinion of her .

Kimberly , equally astonished and pleased , chimed in .

Noelle can drive a race car ! But arent you just of legal age ? Were you driving an illegal car before ! buy you a ra Vincent added.

Well , if Damon says so , Noelle , would you like to pursue a career in racing ? If thats what you want , I can buy you a race car .

Noelle , surprised by the strong reaction her driving had sparked , felt a mixture of joy and surprise .

She looked at Damon , grateful that he had brought up the topic .

Otherwise , things wouldnt have taken such an unexpected turn Damon , after admitting the truth , seemed to have washed his hands of the matter , continuing to up his soup in silence .

He as , as her mother had said , a tough nut on the outside but soft hearted inside .

Later , Noelle declined the offer to pursue a racing career .

Truthfully , she wasnt all that interested in racing ; she had only learned to drive to make her tasks easier Vincent didnt press the matter but said that if she ever changed her mind , she could always turn to him for a car .

Time passed quickly .

After two weeks of military training , Noelle was finally heading to school .

But during her absence , the students had already formed their own little groups During this time , two people had become particularly well known : Harley and Leia Leia was attractive and had a good personality , making her quite popular among the boys , Most importantly , everyone knew she was Elis sister .

Since Eli was a prominent figure at the school , his sister naturally garnered attention and admiration from many .

As for Harley , he gained fame during military training for constantly challenging the instructors , hoping to earn some free time , just like Noelle had on her first day .

Hut unlike Noelle , who easily defeated the instructors , Harley didnt fare as well when he faced them .

Still , his good looks and cool demeanor , along with his tall and athletic build , earned him the admiration of many girls To top it off , rumors about Harleys family background began to spread .

Not only was he handsome and strong , but he was also from a prominent family .

The girls went wild for him , and soon enough , he became the talk of the school , even overshadowing the student body president , EL Some of his most ardent fans even started a fan club in ha honor .

The day before Noelle returned to school , Harley sent her a message .

It outlined which classroom she would be in and what subjects she would be taking Since Noelle had missed two weeks .

Harley had taken care of her textbooks and would give them to her when she arrived .

Following the Instructions , Noelle entered the classroom and saw a number of students already seated .

Among them was Leia Drua had stayed at school during the military training and used the opportunity to make connections with the girls in her class .

She casually found a seat , and soon a circle of girls gathered around her , chatting and laughing .

When Noelle saw Leja , the reinembered Nicks advice to at least maintain appearances , so she waved at her .

At her words , many eyes in the classroom shifted toward Noelle .

Leia glanced at her , a flicker of something unknown crossing her eyes .

She then smiled politely and nodded .

Noelle , youre here .

Mm Noelle found a seat and sat down .

Meanwhile , the girls sitting around Leia started whispering among themselves .

Leia , why are you even acknowledging her ? Yeah , Id just roll my eyes if I were you Being classmates with someone like her is just bad luck .

Leis heard the girls and , though satisfied , put on an act .

Okay , okay , I know youre just looking out for me .

But shes right here , so stop talking about it Why not ! Does she have the face to argue back ! Leia , youre too nice .

Leia pretended to be helpless .

I know you mean well , but just dont spread it around .

Itll cause trouble .

Dont worry , we wont .

The girls thought they were whispering quietly , but Noelles sharp hearing caught every word .

After bearing their conversation , Noelle was left feeling confused .

Was her reputation really that bad among her classmates ? Had she done something so wrong ? Little did Noelle know , in these two weeks , she had gone from being the legitimate daughter of the Anderson family to being labeled the illegitimate one .

The turning point came on the first day when Harley took Noelle and Leia out for pasta .

Harley , so focused on Noelle , inadvertently ignored Leia , making Leia feel slighted and reduced to tears behind their backs .

Eli , who happened to pass by , caught sight of Leias distress and , being fiercely protective of her , grew cold toward Noelle .

This incident quickly spread among Elis circle of girls From there , rumors about Noelle and her relationship with Leia and Eli began to swirl .

Everyone knew Leia came from the Anderson family , but when Noelle was seen calling herself part of it , people began to wonder : Could Noelle be the Anderson familys illegitimate daughter ? After all , Elis cold attitude toward her seemed to suggest as much .

Soon , even more rumors began to surface about Noelles past , painting her as a lowly , illegitimate daughter with a questionable background , someone who had dropped out of school early and only gained access to Eston University thanks to the Anderson family pulling strings .

This coupled with her behavior during military training , which many saw as disrespectful solidified her poor reputation .

Now , Noelle was seen as little more than a troublemaker with a tarnished past , and the whispers behind her back only grew louder .

However , not everyone dared to speak openly in front of Eli or Harley .

As a result , neither of them was aware of the gossip brewing around Noelle .

Noelle could clearly feel herself being ostracized .

All the other students were sitting in groups , while she was left all alone .

Her parents and Nick had all told her to make good relationships at school , but no one was even acknowledging her .

How was she supposed to make friends if they ignored her !
