Unchosen 71-80

Chapter 71 Lela , look ! Harleys here ! The girls around Leia immediately exchanged teasing glances .

When Leia saw Harley standing at the door , a pink hue instantly spread across her face .

She then put on an awkward smile and said to the girls , Whats the big deal ? Why are you all crowding around me ? Girl 1 teased , Still acting coy ? During military training .

Harley ignored everyone .

But when you bought him water , he actually drank it * Lelah st what classmates do blinked and defended herself , Whats wrong with that ? We help each other out , its just t one buys water for Harley , and the other only drinks the water you bought .

Leia , embarrassed , covered her face and said , Oh , stop If Harley hears you , I wont be able to face anyone ! Girl 3 smirked , Whats the big deal? Ive never seen Harley treat anyone else like this .

Just admit it .

Leia , smiling sweetly , replied , Its all just rumors , you guys keep spreading things .

If you keep this up , Ill get mad ! The girls laughed , saying Harleys coming over , hurry up and greet him .

Harley , dressed in a black casual tracksuit , walked into the room .

His tall , athletic figure and handsome face exuded a cool , laid back vibe that immediately captured the attention of everyone in the class .

Leia had gotten along pretty well with Harley during military training .

Compared to other girls , Harley was noticeably more patient with her .

It made Leia think that maybe there was still a chance for her .

After all , why would Harley treat her so differently if he didnt like her ? When Harley walked over , Lela stood up , ready to greet him .

However , just as she opened her mouth with a smile , Harley completely ignored her and swiftly walked toward Noelle .

Noelle , youre here ! Harley said excitedly , sitting down beside Noelle without even acknowledging Leia .

Noelle , who had been deep in thought , brightened at the sight of Harley , feeling like she had found a lifeline .

You came just in time , I need to ask you something Sure , whats up ? Harley asked , noticing the sparkle in Noelles eyes .

He thought to himself .

Noelle is so cute , her eyes shine like stars Noelle pulled Harley closer and whispered in his ear , I just want to ask you about ... Meanwhile , the girls watching were stunned Wait, whats going on ? Why did Harley sit next to Noelle ? Does Noelle h g so familiar , pulling Harley aside to whisper , is she trying to show off ? have a problem? Acting so Leia , arent you going to stop this ? Noelle is definitely using her connection with you to get close to Harley .

How disgusting The girls muttered among themselves .

Leia felt a surge of anger .

Her gaze fixed on Noelle and Harley , her hands gripping her clothes tightly , nearly tearing them apart.

She thought that after two weeks of spending time together , Harley would have started to care about her .

But now , as soon as Noelle showed up , it was as if Harleys focus was completely on her .

Whats so special about that bitch ? Leia seethed with jealousy but forced a smile , trying to maintain her composure .

Whats the big deal Harley is a good guy , and as the class leader , hes just taking care of the weaker members of the class .

Honph Noelle probably skipped military training just to take advantage of this , right ? .

Harleys eyes were glued to Noelle as if everything else around them was invisible .

Noelle , heres the thing .

Do you know whats going on ? Noelle said , explaining her feeling of being ostracized and asking Harley if he knew why .

Harley wasnt interested in gossip and wasnt aware of the rumors .

He thought for a moment and said , Maybe its because youve missed two weeks of school .

You didnt get the chance to bond with the group , but dont worry , youre amazing , and once you spend some time with everyone , youll Harley didnt actually want Noelle to fit in with the class .

He was secretly glad that she hadnt .

This way , he could keep her all to himself during school time .

Is that so ? Noelle asked , resting her chin on her hands , feeling unsure .

She didnt think it was that simple , but since Harley said so , she didnt feel like pursuing it further .

Fine , Ill ask Nick after school .

After class , Harley turned to Noelle and said , Noelle , let me treat you to pasta for lunch .

How was the restaurant we went to last time ? Sure , Noelle replied , happy at the offer .

Harley smiled , his lips curling up .

Great , lets go then st as they stood up , Leia suddenly walked over , smiling at Noelle .

Noelle , how about we have pasta together at lunch ! Just Noelle turned her down , saying No need , Harley already invited me .

Oh , I see Leias gaze shifted to Harley , and she gave him a playful wink , Harley , how about we three go together ? You treated us to pasta last time , so I should return the favor .

Harley was annoyed that Leia was inserting herself between him and Noelle .

He shot her a cold look and said , No need to make it a big deal .

Last time was just an apology for me .

Leia , hearing this , said with a tinge of bitterness , Oh , I see , it was just to apologize ? Then why did you focus so much on Noelle and ignore me ? Harley was speechless .

Leia then suddenly flashed a playful smile and said , Just kidding .

Anyway , whos treating doesnt matter , right ? You agree , dont you , Noelle ? Noelle shrugged nonchalantly , I dont mind , as long as theres meat Seeing that Noelle didnt care , Harley sighed and said , Fine , lets go .

The three of them headed out of the classroom .

Outside , Leias friends were waiting for her .

She quickly turned to Harley with a smile .

Harley , wait here , Ill go tell my friends .

Harley sighed inwardly .

This girl always has to make everything complicated .

She e wouldnt stop clinging to me during military training , either .

If it werent for her being Noelles relative , I wouldve cut ties with her already ! Leia hurried to her friends and smiled .

Sorry , Ill be having pasta with Harley for lunch , you guys go ahead .

Wow , looks like things are progressing nicely , one of her friends teased , Leia blushed No , no , its just pasta , nothing special .

Youre reading too much into it .

But whys Noelle still going with you ? one friend asked , noticing Noelle by Hurleys side .

Lela droge for a moment , then forced a umbe .

I was chatting with Harley , and Noelles just tagging along dy fumed with anger .

Leia heard their voices growing louder and quickly intervened .

Okay , okay .

Til go now , well talk later , bye ! Leia walked over to Once again , it seemed like she was being blamed for something she hadnt even done .

o where Harley and Noelle were waiting .

There was some distance between them , but Noelle could still hear every word .

And yet , when it came to Lela , her words were confusingly hard to criticize .

Sorry for keeping you waiting .

Lela said with a sweet smile as she arrived .

Noelle stared at her , Leia felt uneasy under Noelles intense gaze .

Her face twitched as she forced a smile .

Noelle , why are you Noelle , feeling slightly frustrated , turned away .

Im not going to have pasta with you guys anymore .

At her words , Harley immediately tensed up and stopped her .

Noelle , whats wrong ? Noelle sighed .

Im just confused about something .

Im going to find Nick .

You two go ahead .

Bye With that , she left on her own .

looking at me like that ? Leia , relieved , shrugged in front of Harley .

Noelle is really obsessed with Nicolas , Harley .

Why dont we just go together ? Harley watched Noelle walk away , his fists clenched .

Then he turned to look at Leia ... Comment

Chapter 72 Leia felt a little intimidated by Harleys stare .

She flinched , lowering her voice as she asked , Harley , what ... whats wrong ? It wasnt her fault Noelle left this time , and she hadnt done anything .

Harley surely wouldnt take his anger out on her again , right ? Harley clenched his fists tightly .

Logic told him that Leia hadnt done anything wrong this time .

But something inside him made him feel like Noelle leaving was somehow tied to Leia .

After all , why would Noelle suddenly walk off ? If it wasnt for this woman dragging things out , would Noelle have left ? Damn it .

Every time Leia appeared , something bad happened .

The more Harley thought about it , the angrier he became .

He hadnt seen Noelle in two weeks and had planned to take her out for some good food , hoping to get closer .

But because of Leia , everything was ruined .

Uh , Harley .

Leia saw Harleys expression darken and felt a mix of fear and frustration .

She reached out , wanting to comfort him , but he recoiled in disdain , coolly staring at her .

Since Noelle left , theres no point in having pasta now , Go find your friends , Harley said Hatly .

Leia froze , feeling as though a cold bucket of water had been poured over her .

She could hardly breathe , her surprise and disbelief suffocating her .

She bit her lip , unwilling to accept it , and asked , Harley , why ? Does it mean we cant have pasta just because Noelles not here ? Theres i no need , Harley replied , his handsome face as cold as ice , Leia , were not that close With that , he turned and walked away , leaving Leis standing there , her heart chilled even in the heat of summer .

She was overwhelmed with sadness , jealousy , and anger , unable to understand why Harley treated her so differently than Noelle .

What did Noelle have that made her deserve all of this ? Leia ! A clear , pleasant voice called from behind her .

Leis turned around to see Eli , and her eyes immediately welled up with tears .

She was on the verge of crying Ell she choked out .

Whats wrong ! Eli asked , seeing Leia on the brink of tears .

He hurried over to her .

He had come to find Noelle and Leia , planning to take them out for some pasta .

Noelle hadnt been at school for the past two weeks , and Eli had hoped to help her catch up and fit in .

He figured that by spending time with them , people would treat Noelle more kindly But now , when he arrived , he found Leia crying , and Noelle was nowhere to be seen .

Wheres Noelle ? Why are you are you the only one here ? Eli asked , scanning the area .

Leia , seeing how concerned Eli was for Noelle , felt her anger flare .

That bitch had already stolen Harleys attention , and now she was even taking Elis care away from her .

She gritted her teeth .

Eli , Noelle went to find Nicolas At the mention of Nicolas , Elis expression darkened immediately .

Arent you supposed to be in class this afternoon ? Why would she go off to find Nicolas in the middle of the day ! I dont know , she just left without saying anything * 6x D Dreame Read Romance ... Open Chapter 72 Leia lowered her head slightly , sounding aggrieved as she continued , We were supposed to have pasta together me , her , and Harley but she just left without a word , and Harley , feeling stood up , left alone .

brow furrowed deeper .

He had always thought Noelle was just naive , unaware of social nuances .

But now , what she was doing had completely changed his perception .

For a man , she was skipping classes and breaking promises , leaving Leia to pick up the slack .

Was it just Nicolas for her ? Had she forgotten about everything else Leia noticed Ells growing anger and felt a twisted sense of satisfaction .

She sighed dramatically , saying , El .

I always thought if Noelle was happy .

that was enough .

But now , seeing how shes dropping everything for Nicolas , I dont think its right .

Shes acting like she has no self respect , all wrapped up in a relationship .

Who knows what shell do for a man in the future , right : Eli was troubled by Leias words , which echoed his own concerns .

He feared Nicolas had a strong hold over Noelle , and if things continued this way .

she might cut ties with her family for him .

Leia saw that Ell wasnt responding and continued .

Eli , maybe you should call Noelle and tell her to come back ? Eli snorted .

Forget it .

If her hearts with Nicolas , even if I call , she wont come back Then what should we do ! Leia asked , sounding tired .

We still have class in the afternoon .

Shes not going to skip that for Nicolas , is she ? Elis face darkened as his muscles tightened He gritted his teeth and said , Forget it , Leia , Dont worry about it .

If Noelle wants to ruin herself , let her .

Ill take you to eat pasta .

You wanted to join the student council , right ? Afterward , Ill take you there ! Alright .

Eli Leia replied , flashing him a sweet smile , her eyes glinting with a spark of triumph .

Though she couldnt win Harleys attention yet , at least she had managed to make Eli dislike Noelle even more .

That wasnt such a loss .

When Noelle arrived at Nicolass company , Bryan , the secretary , immediately escorted her to the top floor .

In the company , Nicolass identity was shrouded in mystery .

Only the top executives had seen him in person , and the rest of the employees had no idea what he looked like When Noelle arrived at the CEOs office , Nicolas had just finished a meeting .

Elly .

Nicolass deep , soothing voice rang out .

Noelle turned to see her tall , handsome , suit clad Nick .

The moment she saw him , a wave of frustration overwhelmed her .

Without thinking , she ran straight to him .

Before Nicolas could react , she crashed into his chest like a child reuniting with her father , calling out .

Nick ... Nicolas was pushed back by the impact , taking a couple of steps , but he immediately wrapped his arms around Noelle , stabilizing himself .

He gently ruffled her hair , his voice full of tenderness as he asked , Whats wrong ? You look so upset .

Hmm ? Noelle had been feeling frustrated , but now , hearing Nicolass concern , she suddenly felt the weight of her emotions .

She clutched his silk shirt tightly , her face scrunched up in both frustration and indignation as she poured her heart out .

Nick .

Im so angry right now ... 2/2

Chapter 73 In the CEOs office , Noelle was sitting on Nicolass lap , holding a pack of beef jerky Bryan had just brought her .

While chewing , she recounted the events from school today , telling ng Nicolas everything in detail .

After finishing her story , she got more and more worked up , her cheeks putting up in anger .

She huffed at Nicolas , saying .

Nick , how could they be like that I didnt do anything to them , and theyre still talking behind my back .

And Leia too , every time Im with her , I just feel uncomfortable and annoyed .

I just want to hit her ! Nicolas listened carefully to Noelles words and immediately understood the situation .

With a mocking smile , he reached out to poke Noelles puffed cheek and said in a calm tone .

I was wondering why you were so upset .

Turns out its that fake girl who got you angry .

Fake girl ? Noelle was confused .

Her large , round eyes fixed on Nicolas , and she asked , Nick , whos this fake girl Who else but Leia ? Nicolas raised an eyebrow .

Naturally , he wiped the beef jerky crumbs from Noelles mouth and ate them himself , saying , She always acts innocent while secretly guiding others to attack you , and then later tries to play the nice person and defend you .

Thats a classic tactic of these fake , self righteous types .

Nick , now that you mention it Leia really does seem like a fake girl .

Noelle , who had always been more about action than subtlety , had rarely dealt with manipulative types .

Listening to Nicolas made her feel like she was finally seeing things clearly Shes not just pretending , shes exactly that kind of person .

Just then , Bryan knocked and entered the room , holding a stack of documents .

Mr.

Sawyer , weve investigated the situation , and everything is clear in here .

This explains why Miss Anderson has been isolated by her classmates .

Hmm , p good work .

Nicolas took the documents and then instructed , Order two pasta dishes .

Well have lunch in the office today Yes , sir .

Before Bryan could leave , Noelle quickly added , Make sure theres more meat .

Thanks .

Nicolas smiled at her .

Even when she was this upset , she didnt forget about her meat cravings .

He looked down at Noelle in his arms , his voice light and teasing , Should I get you an all meat platter ? Yes ! Im going to turn my anger into hunger , Noelle replied , clenching her small fists angrily .

Noelle was straightforward and acted on her feelings .

This was the first time shed been so angry and yet had no idea why , so she needed the meat to calm down .

Naturally , Nicolas indulged her .

He turned back to Bryan and said , Give her more incat .

Undertood After Bryandelt , Nicolas started looking through the report Bryan had brought .

After scanning through it , Nicolas sneered and said .

Just as I thought D Dreams Read Romance ... Open Chapter 73 Whats going on ! Noelle had been busy opening a new pack of beef jerky and didnt pay much attention to the report .

Nicolas wrapped his arms around her , holding the report , and looked over it with her .

He said , Youve been wondering why people are so hostile towards you , right ? This wouldnt be happening without Elfs involvement .

Eli ? How does he fit into this ! Noelle was was confused .

Nicolas asked , Did you meet Eli on the first day of school ? And didnt he walk off with Leia right after ? Yes , he did That got around the school .

Now , a lot of people believe youre the illegitimate daughter of the Anderson family , which is why Eli treats y Leia so differently .

you and Noelles cheeks puffed up in frustration again .

How did I become an illegitimate daughter ? Eli only took Leia because she was crying .

He apologized to me afterward But Nicolas sneered again .

Whats the point of him apologizing behind your back ? The rumors already spread Noelle was confused .

But dont they just spread rumors without asking ? They could ask Leia or Eli and theyd know the truth . Nicolas said .

These people wont bother asking Eli , but dont forget Leia has good relationships with everyone .

They could easily ask her .

Right .

If they asked Leia , theyd know the truth .

Noelle thought the situation was silly .

It was something so simple to verify , yet no one had bothered to do so .

Unexpectedly .

Nicolas knocked on her head , saying .

Silly Ouch ! Noelle rubbed her head and pouted , asking , Nick , why did you knock my head Elly , dont think peoples behavior is so simple Nicolas gently massaged her head after the knock and continued , Leias been the Anderson familys precious daughter for years .

Do you think she would let anyone find out that they mistook her for another child ? Shed rather everyone believe youre the fake one and shes the real one .

Noelle still didnt fully fully understand .

But its the truth .

The truth will come out , and she cant keep deceiving people forever .

Who says shes deceiving anyone ? Nicolas asked , raising an eyebrow ... Noelle was puzzled , tilting her head .

But everyone believes Im the illegitimate daughter .

Isnt that Leia lying Elly , you dont get it .

Thats the art of being fake Nicolas looked at her with a shrewd smile , like an experienced fox , and explained , A skilled faker doesnt need to clarify anything .

She misleads prople into thinking what she wants them to think .

In that department , youre nowhere near as good as Leia If people ask hier about your relationships with the Anderson family , she can admit youre part of the family , but leave out the part about being swapped at binh That way , everyone will assume youre the illegitimate daughter , and she wont need to say more .

Shell let the rumors spread , and others will disparage you in secret .

No way Noelle eyes widened in realization , nodding .

So thats how it is Also , to reinforce this image , shell act like she has a good relationship with Eli .

Then , in front of her friends , she says something vague like , I was talking to Harley , and Noelle was there , which sounds true .

But to her friends , it makes it seem like Harley was treating her, and you just butted in .

As a friend , would they be upset and want to stand up for her ? Noelle , upon hearing all this , felt a mixture of realization and anger .

She clenched her fists tightly .

Now I get it ! Shes clearly twisting things .

Leia is so bad , shes taking things out of context ! You cant twist the truth .

How can you turn something bad into something good ? Nicolas had long known that Leia was not a naive person .

Elly , with her straightforward nature , didnt understand these manipulative games .

Without someone watching out for her , she could easily be deceived .

So mad ..

Noelle fumed , wanting to punch something .

She turned to Nicolas and asked , Nick , can I punch Leia ? Shes so annoying .

Nicolas responded slowly , his eyes half lidded , reaching up to press Noelles little hair sticking up .

Why not ? Noelle was irritated but tried to control herself .

Nicolas said .

If you hit Leia , shell go straight to the Anderson family and tell them .

Dont you want to make a good impression on them ! If you really do that , youll ruin any chance of improving their opinion of you .

Nick made a valid point .

Noelle pouted but secretly glanced at her Nick , asking , What if I secretly hit her , put her in a bag , and she doesnt know its me ? Comment

Chapter 74 No N No , Nicolas sighed , gently pinching Noelles cute little earlobe , and asked , Is fighting the only thing on your mind ? There are many problems in life that cant be solved with violence .

Then how should I solve it ! Noelle slumped , even the beef jerky in her mouth no longer tasted good.

She shrugged her shoulders and sighed .

Its so hard to deal with people .

Nothing works , and now I realize there are things I cant handle She had always been able to do anything easily , but now , she couldnt even deal with one person .

felt so di It felt so difficult .

Nicolas noticed Noelles frustration and couldnt help but chuckle .

He kissed her soft , pink cheek , then said in a low voice , Silly , isnt this where I come in ? Youre not good at reading people , but thats exactly what I excel at .

Leia is eia is easy to deal with .

All you need to do is use her own tactics against her What do you mean ? Noelle was confused .

Nicolass deep eyes sparkled with a glint , and he curved his beautiful lips into a smirk , saying , Walk the fake path and leave no escape for the faker After lunch .

Nicolas took Noelle back to school .

She had eaten too much pasta , and her stomach was round and full Her head rested on Nicolass long , straight legs .

She lazily stretched out , her eyelids drooping , yawning as she asked , Nick , why are you sending me back so early ? Class is so boring , I dont mind skipping the afternoon If you dont want to go in the future , then dont , but right now its your time to shine .

You need to take it seriously Nicolas looked down at Noelle with a smile , His hand stayed protectively on her outer shoulder , a simple gesture that showed his full care and affection .

Noelle didnt understand .

She absentmindedly played with Nicolass tie and casually asked , Why should I take it seriously now ! Dont you want to make a good impression on the Anderson family ? Yeah Remember , when people like you , no matter what you do , even if its wrong , theyll come up with countless reasons to defend you .

But if they dont like you , even your breath will seem wrong Right now , the Anderson family has softened their view of you , but they still lean toward Leia .

Its like when you told your family youre a top chef and that your racing skills are better than Damons .

How did they react Uh , they were pretty happy , and even praised me .

Is that it ? Didnt they ask why youre so talented ? What have you done before ! They asked , and I said I worked part time and learned these skills They didnt ask anything else 14 ex Creame Read Romance Open 0:22 AM Chapter 74 Hmph .

Nicolas sneered , saying , Do you believe if Leia said the same thing , they wouldnt be shouting her praises ! Thats the difference between being cared for and not .

When they dont care enough , all they need is a vague excuse to dismiss things .

Ugh ... Noelle paused , her hand still playing with the tie .

At first , she didnt think there was anything wrong with the situation , but after hearing Nicolass words , she suddenly realized how obvious the Anderson familys favoritism was It was so frustrating .

It felt like she still had a long way to go before she could earn the same treatment from the Anderson family as Leia .

But she only had a little over five months .

Would she be able to complete the task in time ! Nicolas saw Noelles face scrunching up again and gently massaged her brow to ease her tension .

Dont be upset .

Didnt you say Damon would speak up for you ? Thats a good thing .

As for Eli , since he was willing to apologize and show concern , it means he still cares about you .

Once youre back at school , just say what I told you to say to Eli , alright ? Mm hmm .

Noelle nodded .

Maybe it was because of Nicolass comforting words , but Noelle felt much lighter and happier .

She lifted her chin , her face breaking into a bright smile as her eyes sparkled . She looked at Nicolas , her eyes curved with joy , and said , Nick , its so great having you around .

Otherwise , I really wouldnt know what to do , Really ? Nicolas stroked Noelles face , teasing her .

Looks like I cant live without you .

What would Elly do without me ? Nicolas loved Noelles smile .

It was full of life , like a breath of fresh air , lifting his spirits .

His voice was deep and magnetic , slow and sensual , oozing with charm And he spoke in such a sweet way , every word hitting Noelle right in the heart .

She had never heard anything sweeter than Nicolass words It was so sweet , it could melt anyone .

Noelle was a clingy little thing , and when she was happy , she became even more affectionate .

was happy , Right now , her pale , slender arms were wrapped around Nicolass strong waist , her body leaning against him , her face nuzzling his abdomen like a little kitten , purring as she happily said .

Nick ... I really like you so much .

Noelle used to be solitary People came and went , but she never cared , never felt attached .

But since meeting Nicolas , Noelle found herself liking him more and more , becoming more and more dependent on him .

Even if she completed the Anderson family task and had to go to another place for a new mission , after that , she would come back to Nicolas .

No matter what , she wanted to be with Nicolas , and no one could separate them .

Alright , stop nuzzling She had made up her mind .

Im planning to build an identity for you and release your new songs .

which will help introduce you to the public .

Introduce me For what ? Noelle was confused .

Nicolas smiled , smoothing out Noelles messy hair as he explained , Remember when I told you about Charlie being both an actor and a singer ? During an interview , he said his most admired person in music was the legendary singer Reyna , who wrote the iconic song The Shadows .

If he finds out that the real person who wrote The Shadows is actually his little sister, do you think he will look at you differently? Wouldnt he want you to write songs for him ? Noelles eyes instantly lit up .

She hugged Nicolas tightly y again , rubbing against him with excitement .

Nicolas knew this would make Elly happy .

But he didnt expect Noelle to be so overjoyed that she almost lost her composure .

He parted her on the head , laughing softly , Alright , time to speak like a human Noelle looked up at him , her eyes sparkling with joy , her beautiful , fair face glowing with a radiant smile .

She grinned widely and said , Nick , I love you .

I love you so much Nicolas realized Noelle was truly a little rascal .

All she had to say was I love you , and he felt like he would do anything for her , and he would do it gladly .

The atmosphere was just perfect .

as if it were a sweet treat Nicolass heart was stirred by Noelles loving words , his breath becoming heavier .

Unable to resist , he lowered his head and gently cupped her face before kissing her deeply .
y only parted after a long moment .

Chapter 75 Noelle was walking on the schools tree lined path Coincidentally .

Eli emerged from the library and was about to take this road .

They bumped into each other .

Noeller Seeing Noelle , Eli , who had always maintained his demeanor at school , instantly lost his composure .

His handsome face darkened , and he strode toward Noelle .

Eli , what are you doing here ? Looking at the aggressive Eli , Noelle waved to greet him .

But she thought , Nick was right .

Eli is indeed in the library Noelle didnt take this road randomly .

She came here specifically to bump into Eli after hearing what Nick had told her .

You still know you should come back ? Eli walked up to Noelle , his face dark with anger , wanting to yell at her .

But somehow , when his eyes met Noelles clear , innocent gaze , Many people came and went along this road .

anger dissipated .

Afraid of causing a scene , Eli grabbed Noelles hand and pulled her toward a corner without a word Come with me Noelle didnt resist , allowing Eli to pull her along .

In the corner , Eli immediately let go of Noelles hand and cominued to look at her with a cold expression ..

Noelle looked at Elis gloomy expression and couldnt help but sigh inwardly , As expected , Eli is angry again ! This was exactly what Nick predicted .

How amazing Nick is ! It feels like he knows everything .

Noelle thought .

Eli saw Noelle staring at him without saying a word .

The atmosphere became stiff , so he asked first , Theard from Leia that you went to find Nicolas again .

Is it true ? Leia is surely good at tattling , Noelle couldn't help but complain in her heart .

Then , she nodded and admitted , Yes , I went to find him .

After she said that Eli couldn't help but feel his anger rising again .

He yelled , Noelle , have you been ignoring my words ? I told you to have less contact with Nicolas , but you didn't listen .

Now , it's even more so .

You even went to him when you were studying Since you can't live without him so much , you might as well give up studying and marry him Really ? Can't Noelle's eyes lit up at that .

Eli was so angry at Noelle's reaction .

How dare you ! Eli had brought it up himself .

I was only asking , but he yelled at me , Noelle thought unhappily But then .

1 , she remembered Nick's instructions before he left .

So , she lowered her eyelashes and shook her head .

I wouldn't dare ... Impl Seeing Noelle cowering .

Elis nodded coldly .

He continued to lecture Noelle .

Noelle , you've gone too far this time No matter how much you like Nicolas , you shouldn't have stood Harley up You left just like that .

Have you ever thought about how wronged Leia would be ? Noelle lowered her head , looking like she was being lectured , but she was surprised .

Here we go .

As expected , Eli said the same as what Nick guessed .

Noelle , are you listening to me ? Eli frowned again when he saw that Noelle was silent for a minute .

However , to his surprise .

Noelle pursed her lips and apologized in a small voice the next second .

I'm sorry , Eli .

I didnt know this would happen ... You kune tu apologize ? It was rate to see her apologize , and Eli was a little surprised , but he continued to lecture her , Youre a grown woman now .

You should comuder other peoples feelings .

Harley , right ? I didnt want to disturb them , so I wanted to leave and let them be Noelle looked up with an aggrieved expression and said , Leia likes Harl alone .

What ? Eli didnt expect this excuse .

He looked at Noelle suspiciously and asked .

You stood them up for Leia ? Yeah Noelle nodded against her conscience .

She didnt show any sign of guilt at all .

Nicolas told her to say that Noelle must rationalize her behavior .

No matter what , she had to say that the blame was on others while she was not at fault .

Only by doing so could she feign innocence and manipulate others for personal gain .

Stop lying ! Eli still didnt believe it .

He frowned and said , You left to see Nicolas , and now , youre saying its for Leia ? Do you even believe that yourself ? Of course , Noelle didnt believe it either .

But Nick had taught her that to make someone believe her lies , she had to deceive herself first .

After that , she lowered her head and mumbled , Im telling the truth , Eli .

Believe it or not Eli saw Noelle biting her lip , looking sad and aggrieved , and his heart suddenly ached , thinking .

Could it be that I misunderstood her ? But he was still suspicious .

You said you left because of Leia .

So why did you go to Nicolas The lunch break at noon is not long , and you still went Noelle pouted when she heard this .

I dont have any companions at school , and its boring to wait , so I went to Nick .

How come you have no companions ? Eli said displeasedly .

I'm at school .

Can't you come to me ? Speaking of this , Noelle gave him a resentful look and said .

Eli , don't you hate me very much ? We part on bad terms every time we meet , and you told me to stay away from you .

Isn't it just asking for a scolding by coming to you ? Eli was shocked by these words .

When did you care about this ? Haven't you always been careless ? Did you ever leave when I told you to get lost ! What did Eli just say ? That's so mean ! Noelle was angry this time .

Her cheeks puffed out like a pufferfish .

She turned her face away and refused to speak. Eli also realized that he had gone too far .

Seeing her sulking , he scratched his hair in frustration and said , Come on , why are you being so petty ! You used to laugh it off when I teased you .

Why are you throwing a tantrum now ? Humph ! Noelle grunted angrily , turned away from Eli , and ignored him .

Eli frowned , feeling a headache coming on .

He then walked over and pressed down on her shoulders , turning her around .

Okay ! I was too harsh with my words .

It's my fault , okay ? he said gruffly. Noelle lifted her eyelids to look at him upon hearing this .

Although she didn't say anything , her cheeks , previously puffed up like a puffers , were visibly smaller .

Eli saw all of this .

After apologizing he added with a bit of a tsundere attitude , Although I dislike you , this is school , after all .

If you come to me , I'll be nice to you .

Besides , even if I'm busy and can't accompany you , you could eat with your classmates .

Was it necessary to go find Nicolas ? Speaking of this , Noelle pouted again , her eyes still glancing at the side .

Who at school is willing to eat with me ? Everyone hates me .

They all ruliade nar .

Otherwise , why would I go find Nick ! she mumbled .

Chapter 76 Of course , its Leia , Noelle silently grumbled to herself .

Wait Nick said Lela wouldnt say such harsh things directly .

Leia just likes to stir the pot making others come to their own conclusions .

Shes a born actress .

Noelle recalled how Nicolas had taught her how to act cute .

She lowered her head , let her tears fall , put on a pitiful expression , and shook her head as she said , I dont know .

But everyones been saying it .

Ell who do you think is spreading these rumors ? Eli thought he caught on to Noelles subtle hint .

He turned toward her , furrowing his brows , and asked , You think Leias the one spreading this ? El for e conce , youre being smart , Noelle thought .

But nodding here would give it away too quickly .

Nick had always said that talking bad about someone behind their back was the lowest move .

Noelle quickly shook her head , looking genuinely surprised , and said , Eli , how could you doubt Leia Leias a good sister , She would never say something like that , just because shes not a biological daughter of the Anderson family .

She wouldnt slander me as an illegitimate child .

Dont say things like that Yeah , youre right El agreed .

Noelles words left a positive impression on Eli .

At least , Noelle didnt gossip behind peoples backs and even defended Leia .

However , the rumors needed to be looked into .

Hardly anyone at school even knew Noelle .

For people to suddenly start spreading the rumor that she was an illegitimate child of the Anderson family , there had to be a reason .

Plus , they knew shed gotten into Eston University through connections Also , Noelle and Leia are in the same class .

Since Noelle has heard these rumors , surely Leia would have known about them too , right ? Eli wondered El class is about to start .

Noelle reminded him Eli snapped out of his thoughts , looked at Noelle , and asked .

How many classes do you have this afternoon ? Two , Noelle replied .

Alright , Ill come find you later , Ell said .

For what ? Noelle asked Well talk about in later .

You go ahead and go to class now , Eli said .

Okay Noelle nodded .

She silently double checked in her mind , making sure she had said everything Nick taught her , before feeling reassured and heading back to class .

In the classroom , Leia was chatting with some classmates when she noticed Noelle had returned .

Thats odd .

Didnt Noelle say she was going to find Nicolas ? How is she luck in time for afternoon classes ! Lela thought .

But Harley left after lunch and still hasnt shown up .

Hey , Leia , I heard Eli took you to the student union at lunch and wants to promote you .

Is that true ? a girl named Vivian suddenly asked .

Leia snapped d back to reality and gave her a reluctant smile as she said .

Eli said he wanted to give me some experience .

de withs I dont mind starting from the bottom , but he insisted that starting from a leadership position would help me develop faster .

I couldnt argue him , so I past agreed .

Wow , postre going to fie an officer in your first y Sering Noelle year ? It must be nice to have an older brother as the student union president , Vivian said , enviously valk over , Vivian purposely spoke loudly .

I may not be able to mess with Eli , but taking it out on Noelle is fair game .

Noelle doesnt have much status , after all , Vivian wondered .

Lela , afraid Noelle might cause trouble , quickly forced a smile and winked at Noelle .

Noelle , we were just joking .

Dont take it the wrong way .

Noelle glanced at Leia , blinked , and replied bluntly .

I do take it the wrong wa Leias smile instantly froze .

Whats going on with Noelle ? Did something happen with Nicolas , and now shes coming here to vent on me ? she wondered .

The people around them noticed the sudden tension in the air and immediately turned to look .

Huh ? Whats going on ? I dont know , the atmosphere just got really tense all of a sudden Its almost time for class .

Whos going to try and calm them down Who dares Noelles tough .

She can be really scary Seeing everyones gaze shift to her , Leia couldnt help but feel a surge of hatred toward Noelle .

This bitch cant feel at ease unless she makes a scene , right Leia forced a polite smile on her face , but her hands were clenched tightly into fists .

Noelle , stop making trouble , okay ? Lets just pretend Vivian mis poke .

Im sorry .

Will that work for you ? Leia why are you apologizing ! Vivian felt discontent as she wondered , I didnt say anything wrong .

Noell background is lowly .

an illegitimate child .

Her Alright Lela glanced at Vivian , feeling increasingly irritated .

How stupid you are ! Why did you have to say that in front of Noelle ? Idiot ! Vivian caught the warning look in Leias eyes and quickly backed off But Noelle wasnt so easy to dismiss .

She shot a glance at Vivian and turned to Leia .

Whoever made the mistake should apologize .

Why are you apologizing ? I want her to apologize to me Noelle , why are you still making such a big deal out of this ? Leia said , growing Vivian , seeing that Noelle , a mere illegitimate child , was getting so bold in front of Leia , instantly lost her temper and retorted .

Why should I apologizel What did I say wrong ! I just walked up .

and you deliberately said lowly background so that I would hear it .

Noelle stated flatly .

Vivian sneered .

Yeah , right .

What a coincidence .

I didnt expect you to walk up just as I said that .

And anyway , some people really do have lowly backgrounds .

Does anyone think thats wrong ? Many students in the class , influenced ed by Leia , believed that Noelle was an illegitimate child , while Leia was the legitimate heir .

Although Vivians words were unpleasant , they didnt seem entirely off base Noelle thought for a moment , then suddenly felt a sense of clarity , nodding as she said .

Well , youre right .

Some people really do have lowly backgrounds .

Noelle then lowered her gaze to Leia and asked , Leia , dont you agree ? Leia , knowing the truth , felt a stab in her heart , Hearing aring Noelle n repeat those words felt like a direct attack on her dignity .

At that moment , the instructor entered and addressed the class .

Everyone whos still standing , sit down .

Class is about to begin Noelle didnt press the issue any further and turned to find a seat .

Verian , still clueless about the situation , leaned in and whispered excitedly to Leia , Leia , did Noelle just have a moment of clarity ? She actually admitted her lowly background Leias face turned slightly pale , and she found the comment especially harsh .

She frowned at Vivian , What do you mean by lowly background ? Vivian , that was too much .

She snapped .

Are you really going to defend Noelle ? Please , a bastard like her : acting all high and mighty in front of you ! Vivian felt completely confused .

What is wrong with Leia she wondered .

But as the class started , Vivian lud no choice but to bottle up her frustration .

Two classes later , when the instructor left and the students were about to leave the classroom , a tall figure entered .

The girls immediately perked up , whispering excitedly .

Elis here ! Eli walked in , and it was like a ray of light shining into Leias heart .

The tension that had been building up in her chest for the past two classes began to casc Thank goodness .

Elis here , Leia thought .

Elis been angry with Noelle because of Nicolas .

If Eli gives Noelle the cold shoulder right now , then everyone will believe even more that Noelle is really an illegitimate child. Leia couldn't help but smile as she thought of this .

She stood up , ready to walk toward Eli .

But Eh scanned the crowd , his eyes landing on a specific spot .

He deliberately raised his voice , Hey , Noelle , come here ☹ x

Chapter 77 Leia was momentarily stunned .

Wasn't Eli supposed to be looking for me ! Why is he greeting Noelle first ! And why does he sound so gentle with her coming .

Noelle happily skipped over to Elis side , greeting him with a sweet voice .

Hi , Eli. Eli gave Noelle a brief glance before casually pulling her over and resting a hand on her shoulder .

He then addressed everyone .

Sorry to take up your time , everyone .

Recently , I've heard some absurd rumors and came here to clear things up .

Leia almost jumped out of her seat .

Her face drained of color in an instant , and her heart started pounding uncontrollably .

What is Eli doing ? Could it be Leia thought to herself .

Lela , what's wrong. A girl next to her noticed Leias pale complexion and asked , concerned .

Some others were puzzled .

Why did Eli call Noelle over ? And why did he put his hand on her shoulder ? They seem so close ! Leia couldn't even say a word .

She just stared at Eli , her heart racing like it might leap out of her chest .

It can't be .

It just can't be what I'm thinking .

Leia thought anxiously. A few of the girls exchanged confused glances , unsure of what was going on with Leia. Meanwhile , everyone's attention shifted to Eli and Noelle , and the whispers began .

Whats going on ! Whats Eli trying to clarify ? Feels like somethings going on here .

Eli put his hand on Noelles shoulder .

t .

I have a bold guess .

Funny , me too Ignoring the murmurs from the crowd , Eli looked at everyone calmly and continued , First of all , I want to make one thing clear .

Noelle is my sister , my real sister .

We share the same father and mother , and theres no truth to the rumors that were half siblings .

At his words , the room erupted in shock .

What ? Noelle is Elis full sister ? Doesnt the Anderson family only have one daughter ! If Noelle is Elis full sister , then what about Leia ? Is this for real ? Who spread the rumor that Noelle was an illegitimate child? That Thats insane Eli scanned the room full of students , all in an uproar , before continuing .

I hope from now on , everyone can think more rationally and not be misled by people with bad intentions Also , Noelle is an outstanding person , and I hope everyone can treat her kindly in the future and not reject her because of these rumors .

Whats Eli trying to say ? Is he implying that we cant think for ourselves ? Sound like it The rumor that Noelle is an illegitimate child is truly ridiculous , Should we blame ourselves ? The rumor has been spreading for days .

Some people asked Leia about it , and she didnt clear it up .

So what about Leia ! Whats her real identity ? Is she really the Anderson familys biological daughter ? All eyes turned to Leia as the conversation shifted to her , full of skepticism and doubt , Leia , whats going on ? One of Leias friends , still in shock , finally spoke up .

Leias friends had always believed that Noelle was an illegitimate child and had been spreading that around .

Now , Eli had come to clarify that Noelle was his real sister .

That meant they had been the ones spreading lies .

Faced with their accusing stares , Leia couldnt say a word .

The rumors that Noelle was an illegitimate child were everywhere in school .

If he didnt step in to clear things up , Noelle wouldnt get along here .

It didnt matter whether it was Leia or Noelle ; they were both his sisters , and Eli would treat them equally .

The students wont start bullying Leia just because of this , right ? he wondered .

Eli addressed the class again .

And also , Leia is my sister .

Please dont jump to any unnecessary conclusions .

Lets just focus on getting along as classmates here .

But Elis addition only seemed to raise more questions .

The students imaginations began to run wild .

Why would Eli go out of his way to add that ? Could Leias identity have another hidden truth they wondered .

Leia , Vivian , hearing Elis words , became even more anxious .

even more anxious .

Whats going here ! It felt as though Eli was trying to cover something up about Lela .

Everyone was now curious about Leias place in the Anderson family .

Leia couldnt stand the questioning glances from her classmates and friends .

She trembled , her eyes reddened , and before she could hold it together any longer , she ran out the back door of the classrOOOL .

Wait , Leial Elis heart tightened as he called after her .

Just as he was about to chase after her , a member of the student union approached and said .

Eh , what are you doing here ? Theres a meeting starting soon .

You need to go and host it right away .

Eli looked in the direction Leia had gone , torn between his responsibilities and his concern for her .

Noelle spoke up .

Eli , Ill go after her .

You go to your meeting Dont make things worse , Eli replied .

Leia was clearly shaken , and Noelles appearance would only make things more complicated for her .

Left with no choice , Eli quickly called Damon , asking him to go after Leia .

Once everything was taken care of , Eli headed to the student unions to attend the meeting
Meanwhile , Noelle was surrounded by classmates who had stayed behind .

Noelle , so youre Elis real sister ? Sorry about before .

We thought you were an illegitimate child , and we didnt treat your well .

Please dont hold it against us .

Noelle was shocked by the sudden change in attitude .

These people really know how to switch things up , huh ? How ironic she wondered .

Even though Noelle found their behavior hypocritical , Nick had told her that being nice to people at school would help build her popularity .

If she could fit in well , members of the Anderson family would start seeing her in a better light , especially her father , Vincent .

Nick had said that Vincent was particularly vain and cared a lot about reputation .

Only if Noelle proved herself would her father start liking her .

Noelle smiled warmly , shaking her head .

Its okay .

You were just misled .

Now that the misunderstanding is cleared up , everythings fine .

Her classmates were taken aback by her calm and gracious response .

Noelle , youre so kind ? Yeah , I wouldve been crying by now if it were me .

Noelle still wore a radiant smile as she replied , Its okay .

I know you all were just misinformed , and deep down , youre good people .

So , I dont hold .

any grudges against you ! Everyone stared in shock , mesmerized by Noelles words .

She burst into tears .

Tm so sad , Damon Damon rushed to the cafe near Leias school as quickly as he could and found Leia there .

She stood up from her seat , ran over to Darnon , and threw herself into his arms , sobbing uncontrollably .

Leia told Damon briefly what had happened at school .

Damon , I dont really care about any reputation , but why did Eli have to say these things in front of everyone ? It seems that he wanted everyone to know about these things .

I feel so ashamed now .

I feel like everyone will look at me differently in the future , Lela said .

Leia started crying again .

She was still so delicate and pitiful , like a little flower that needed constant care and attention .

Damons expression changed after hearing what Leia said .

He thought Eli must have gone crazy It was for the better if fewer people knew about Leia and Noelles matter .

However , Eli had to go to Leias class and deliberately revealed their identities .

Damon thought .

Doesnt Eli know how much this will hurt Leia ! Damn it ! I asked him to take care of Leia at school and this is what he dal Damon was so angry that he wanted to look for Eli and beat him up .

He suddenly stood up and walked to Leia .

Then he pulled her up , and said , Lets go , Leia ! ked , What are you doing ! Damon ? Leia looked up with tears in her eyes and asked , Damon answered .

Im going to look for Eli and get justice for you ! Leia shook her head and said , Dont do that .

I dont want to see you quarreling with Eli .

Its for your reputation to be seen quarreling in school You are still worried about Eli ? Dumon asked with a dark expression He continued .

If I dont stand up for you today , how are you going to survive in school 1 have to make a stand so that others wont gossip about cia un without a word .

Damon pulled Leia up Leia stood up from her seat obediently and there was a glint in her eyes .

Because of what Eli had done this afternoon , everyone must know that she was not the biological slaughter of the Anderson family .

Since that was the case , Leia might as well make a big deal out of it Damon was the one who doted on her the most in the family .

Whenever anything happened to her , Damon would back her up .

y was far superior to Noelles As long as Damon made a scene with Eli at school for her , everyone would know that her status in the Anderson family was That way , those students who always went with the Dow would still gather around her , Of course , this scandal would give the school a bad name , and Elis reputation might be affected .

Leia thought , So what if his reputation is affected ? He was the one who created the commotion by revealing the secret .

Since he chose to side with Noelle , I shouldnt be bothered about him .

This is all Elis fault ! Leia felt that it had nothing to do with her .

nat Damon took Leia back to school to confront Eli .

When they reached the school gate , they didnt expect to see Noelle .

She was heading to the newly opened fried chicken restaurant with her Hello , Damon .

Noelle was sharp eyed and spotted Damon A bright smule immediately appeared on her face as she waved to Damon as an awkward moment for Damon He didnt expect to meet Noelle at the school gate .

Leia looked back at Damon and quickly reminded him Hmm Damon came back to his senses and said indifferently to Leia , Lets go Then he walked together with Lela and brushed past Noelle , without acknowledging her .

Leia was stunned .

She wondered why Damon walked past Noelle so calmly .

He should have taught her a lesson .

Leia couldnt accept Damons action .

She bit her lip and glanced at him with a pathetic look .

She asked bluntly , Damon , do you think Noelle hates me a lot ? Something like this happened , but she still purposely smiled so happily in front of me .

She must hate me very much Damon frowned slightly at Leias words .

Leia , dont overthink it , Damon said calmly .

Noelle is silly and not scheming Damon wasnt being narcissistic .

However , he felt that Noelle was simply smiling at him because she saw him .

She wasnt smiling to spire Leia .

Oh really ! ... Maybe Im overthinking it .

Lela didnt expect Damon to say that She forced an awkward smile on her face , but she felt that something was wrong .

Leia felt that Damon was speakin was speaking up For Noelle .

Damon had no evidence to prove that Noelle wasnt scheming For some reason , Leia had a bad feeling .

She kept thinking that something was starting to change slowly without her knowledge .

On the other side .

Noelle looked back in Damons direction .

Her classmates around her asked in a low voice , Noelle , is that handsome guy your brother ? Why didnt he stop to talk to you ? Noelle was honest and said frankly , Because Damon dotes on Lela the most Leia was affected by the incident today , so Damon must be angry with me and ignore me .

When the students heard this , they felt that Noelle had been wronged What does this have to do with you ? Another classmate said , Yeah , Noelle , you are the biological daughter of the Anderson family , but people have been mistaking you for an illegitimate daughter .

Leia must have heard these rumors , but she never clarified them for you Teven suspect that Leia started those rumors , after all , she is the one who gains the most from this ! Eli had just finished a meeting .

It was was really a case of speak of the devil , Eli had no choice but to brace himself and walk up to them Damon , Leia .

Eli , you are incredible Damon looked hostile as though he was looking for a fight .

Eli couldnt help but sigh .

He walked over and put his hand on Damons shoulder .

Damon , lets go back and talk about this .

Its not convenient to talk here with so many people around .

However , Damon brushed his hand away unceremoniously and scoffed , You realize there are many people now ? Why didnt you realize that when you were talking nonsense in Leias class ? Eli was speechless .

He couldnt explain the matter to Damon in a short time , Eli looked at Leia again and said , Leia , lets go back and talk about it , okay ? A look of resentment flashed across Leias eyes when she looked at Eli .

Then she hid behind Damon timidly and pulled his sleeve .

Leia had always been someone who understood others well , but now she was toler at all about the consequences of what this could lead to .

Is she upset with me for clarifying the rumors in class ! Eli thought .

Realizing Eli was staring at her , Damon immediately stepped forward and showed Eli hard .

Why are you staring at Leia ? Damon shouted angrily .

Youve already hurt her once , and now you expect her to care about you again ? How dare you ? Damon deliberately raised his voice .

This was the main campus walkway , and many students were passing by .

A lot of people knew Eli .

When they saw the commotion , they couldnt help but stop and look over .

Hey , whats going on ? I dont know .

Someones arguing with El .

Upon seeing the students gathering .

Elis expression darkened .

After taking a deep breath , he looked back at Damon and said , Damon , this isnt what you think .

I can explain , but can you stop causing a scene here ? Why shouldnt I cause a scene here ? Damon was determined to escalate things .

He grabbed Eli by the collar and said sternly , Since youre not going to care about Leias reputation , why should I care about yours ? The students around them started whispering again .

Huh ! This has to do with Elis sister .

I heard Elis sister int who she seems .

He even clarified in today Wait , so whats going on now ? It looks like the family really defends Leia .

Not sure about that .

Hearing the gossip around him , Eli shook off Damons hand and said , Damon , my reputation doesnt matter to you , but do you really think making a scene here is doing Leia any favors ? Damon sneered .

You dont get to judge .

You Eli frowned .

Whenever Leia is involved , Damon completely shuts out what anyone else says .

When will he ever change this behavior ? Eli thought to himself .

Leia saw that Eli was looking frustrated and couldnt help but feel a little smug Eli , who was always defending Noelle , was now being scolded badly by Damon .

Eli deserved it .

Just as the tension in the group started to rise , a clear , melodious voice rang out , coming closer .

Ili , Damon , Eli Everyone turned their heads toward the sound , and Noelle came jogging up to them .

Noelle ? Eli said , unable to hold back Damon frowned when he saw Noelle .

Whats the doing here ? Is she looking for trouble ! Noelle was worried that Damon might cause more problems .

When she came over , she saw that Damon was indeed confronting Eli with so many people watching She thought , Why do they all have to make things so complicated ? Why is he telling her to get out of the way ? Earlier , Damon could have scolded Noelle in front of her classmates , but instead , he just ignored her and walked away .

Although Damons attitude wasnt exactly friendly , Leia couldnt shake the feeling that something was off .

Noelle turned to Damon and said , Damon , this matter involves me .

I know why youre looking for Eli , and I can explain it to you .

But can you stop making a scene ! Everyones gathering around now .

Noelle then looked at Leia and began to act cute , batting her eyelashes as she said , Leia , you definitely dont want this to get any bigger , right ? You wouldnt want to make things hard for them Lela stared at Noelles sincere , expectant eyes , feeling utterly disgusted , Noelle is such a bitch .

Of course , I want to make this bigger .

Eli made nie feel so embarrassed .

Id love nothing more than for Eli to embarrass himself in front of the whole school .

Leia ignored Noelles attempt to manipulate her .

She blinked , feigned weakness , and softly said , L.

I dont know Ill listen to Damon ..

She then turned her gaze toward Damon .

Noelle immediately followed her gaze , reaching out to grab Damons arm genily .

Damon , lets go .

Ill tell you everything you need to know .

Just stop causing a scene here .

Leia couldnt believe Noelle had the audacity to touch Damon .

How dare this bitch touch Damon ? Doesnt she know how much he hates her ? Well , this is perfect .

Damon is definitely going to push her away and embarrass her in front of everyone , she wondered .

However , the scene Leia had imagined didnt unfold .

Damon didnt push Noelle away .

Instead , he just frowned and impatiently shook off her hand .

Dont fucking grab me .

Noelle didnt let go , though .

She pulled at his arm and continued to make her plea .

Then stop arguing with Eli here .

Damon scowled .

What I do is none of your business .

Noelle , however , was insistent .

It is my business .

Youre my brother .

Noelle , you .

Damon gritted his teeth , but before he could finish , Noelle was already pulling him away : Come on .

Damon , for my sake , can you just stop causing a scene here ? Who do you think you are ? Damon muttered .

Im your sister ! Noelle replied with a smile .

In the end , Damon actually allowed himself to be dragged away by Noelle Leia stared in disbelief , looking at Damon , completely stunned .

Why is Damon listening to Noelle ? Why didnt he push her away Leis thought At that moment .

Eli walked over to Lela , his expression cold .

He looked down at her and said , Damons gone .

She shivered slightly and lowered her head , feeling a line guilty .

She then followed him Inude the private room of the cafe , Noelle and the others were seated around the table .

Noelle was the first to pick up the menu , then casually asked , Damón , Eli .

Leia , what do you guys want to eat ? Whats a macaroon ? It looks so good .

Oh There are rakesion Mmm ... but theres no meat here ? Els watched Noelle enthusiastically order , and lie couldnt help but feel helpless .

Does Noelle seriously not get the atmosphere here ! Things are so awkward , and the still wants to eat ? he thought .

Damon rolled his eyes at Noelle , who was completely oblivious to the situation .

I dont need your belated apology .

Eli , I only need you to tell me why you went to Leias class and told everyone about our familys private affairs .

Dont you know that this will cause Lela to live in rumors from now on ? Are you out of your mind or something ? Can you just shut up if you dont have a brain ? Damon always spoke meanly .

He didnt care about how others felt when he was angry .

Seeing that Damon scolded Eli till he didnt dare to speak .

Noelle felt aggrieved and sorry for him .

So.

Noelle resolutely put down the cupcake in her hand and said in a crisp voice , Damon ! Dont scold Eli like that ! Eli did this because Unexpectedly , before she could finish her sentence .

Damon turned around and snapped at her angrily .

I wasnt asking you .

Go eat your cake ! Damon was still a little angry with Noelle .

He had planned to make a scene at school today and make a statement for Leia in front of the students to let everyone know how the Anderson family felt about Leia .

But when Noelle showed up , Damons plans were ruined by her .

Now , Damon felt annoyed when he thought about it .

Arr I out of my mind just now How did I get dragged away by Noelle ? Damon realized that ever since Noelle cheered him on at his last competition and ever since he learned that Noelle was the legendary racer Emberling everything had gone off the rails He used to dislike her so much .

Before Noelle returned to the Anderson family , he was determined to give her a hard time .

But it wasnt long before he found himself somewhat bewitched by her .

For example , he would always do things out of character whenever he was This irritated Damon Tak Noelle pouted , unhappy at being yelled at by Damon .

But she didnt care and was about to retort when Eli stopped her.

Alright , Ill handle this .

Dont interrupt .

Eli , can can you do it ? Noelle was doubtful She felt that Elis momentum was not as as Damons .

Eli realized Noelle was looking down upon him .

His expression darkened as he picked up a donut and stuffed it into Noelles mouth .

Then , he said .

Bercely , Go eat your cake honestly , and stop talking nonsense.

Boohoo ... Noelle looked aggrieved .

Eli covered Noelles mouth , took a deep breath , and said to Damon seriously , Damon , i had no choice but to reveal Noelles identity .

You're not at school, and you don't know, but someone has been spreading rumors recently, saying that Noelle is the illegitimate child of the Anderson family, and they even dug up the fact that she got enrolled through informal channels.

Noelle didn't participate in group activities before school started, so she was out of touch with her classmates.

Now, because of these rumors, everyone is excluding her.

If I don't stand up for her and clarify, will she still be able to survive in school? Upon hearing this, Damon frowned, What did you say? Rumors that Noelle is an illegitimate child? Who the hell made up this rumor? Is there something wrong with them? Damon thought furiously.

1/3 ex Dream Road Romance ... Open Chapter 80 Eli said, Yes! When Noelle told me about this, I immediately asked someone to verify it.

This rumor does exist, and it is spreading viciously. Damon fell silent. After a while, he turned to Noelle, who was eating donuts, and asked, Noelle, where did you hear these rumors? Everyone in class is talking about it.

Noelle pouted as she turned to Leia and said, This afternoon in class, a classmate specifically told me that a person with a dishonorable background will always be dishonorable.

Leia was there at the time, right, Leia? Noelle suddenly turned her attack on Leia, making Leia tremble.

Why is this bitch mentioning me? Leia thought furiously.

Leia, are you also aware of the rumor about Noelle being an illegitimate child? Eli frowned at Leia.

His gaze became noticeably sharper.

Leia's recent behavior had left Eli feeling quite dissatisfied.

Eli had always thought Leia was kind-hearted, but some of her recent actions contradicted that perception.

Damon remained silent but looked at Leia, clearly waiting for her answer.

Leia never expected things to turn out this way.

Given Damon's impulsive and irritable nature, when he lost his temper, no amount of persuasion could sway him.

Logically, he should have already caused a scene with Eli at school, and the two would have parted on bad terms.

But unexpectedly, they could sit down face to face and calmly explain the situation.

Thinking of this .

Leias resentment toward Noelle grew .

That stupid bitch ! Its all because she suddenly appeared and dragged Damon away .

Otherwise , things wouldnt have turned out like this .

But what bothered Leia the most was that Damons attitude toward Noelle changed .

Didnt he used to hate her to death ? Leia thought .

He even threatened to kill Noelle for me .

But this time , not only did Damon not want to kill her , but he was even quite indulgent toward her ! The more Lela thought about it , the more absurd she felt During these days of school activities , could something have happened that I didnt know about ! Leia , say something ? Seeing that Lela didnt say a word , Eli couldnt help but think of those rumors and her coming to school with Darnon .

Although Eli didnt want these things to have anything to do with her emotionally , his reason told him that Lela must have been involved in this matter Lela was panicking now .

She put her hands on her knees , rubbed her skirt hard , shook h head .

and murmured .

No , I dont know Are you sure you dont know ? Eli didnt believe it .

Just now , Noelle said that a classmate told her a person with a dishonorable background will always be dishonorable .

Didnt you hear it ? Arent you curious why the classmate said that to her ? When Eli questioned her , Leia felt both suffocated and wronged .

the past She thought , I was the one who was wronged today .

Why are they all questioning met Eli would never do this if it were in th Leja didnt know how to respond , so she looked at Damon pitifully , hoping that Darpon would speak for her .

Damon ... However , as soon as she turned to look at Damon , she saw a hint of scrutiny in Damons eyes as he looked at her and asked , Lela , are you aware that Noelle is rumored to be an illegitimate child ? Leias heart skipped a beat .

When Eli questioned me like that , shouldnt Damon have stood up for me and cared for my feelings ! Since when did he care so much about Noelle ? The more Leia thought about it , the angrier she got .

Holding her breath , she refused to admit it and said , I dont know .

I dont know anything With that , Lria looked at Noelle with red eyes again and asked with a choked voice , Noelle , what do you mean ? Are you trying to say that I knew others were spreading rumors about you being an illegitimate child but deliberately didnt help you clarify ? Am I such a bad person in your eyes ex
