

Chapter 227

A murderous growl shakes the earth just as a mass of black fur barrels past Kennedy and into me. I shift as we roll away from her. Ryker's wolf is snapping and clawing at me, but I am fast. Something I have learned living without a pack my whole life. I understand his fury, but I won't just lie here and die until I know all of the people who followed us here will be safe when this is over. They didn't do this, not really. We were all tricked. They don't deserve torture, but I do.

"Ryker! Alpha! NO! STOP! You need to listen, please." I hear Kennedy scream. Ryker's wolf is crazed right now, he hears nothing. He continues to try and get his fangs into my neck.

"LUNA! Sh*t! Luna, are you okay?" I hear one of the warriors as my wolf rolls and swipes at Ryker's side. I'm not dumb enough to try and kill him, I just need to slow him down.

"NO! Stop them. Please They need to stop. He didn't do anything to me." Is she defending me?

My moment of distraction earns me a set of claws to my muzzle. He lets me stumble back. He's playing with me, dragging out my torture. What he doesn't understand is I don't give a sh*t anymore, I just want my friends to be safe from whatever punishment he has for me and Amy. I shift back to my human form, hopefully he will see the surrender. 3

"They took you. That's all we need to know." I see the beta holding a frantic Kennedy back. 1

"He didn't take me. He didn't hurt me. He's the only one here who

was even a little bit kind. Now stop them!"

I am just standing here, Ryker's wolf staring me down with those deep ruby eyes. I know why he's the most powerful alpha. I can see it, but I can feel it too. His aura radiates in waves, commanding respect and obedience. He charges at me knocking me to the ground in his human form. His hands are tight around my neck, tight enough to restrict my breathing, but not enough to kill me, yet. 1

"No can do, Luna. He needs to pay for having his men kidnap you."

"Oh for f*ck's sake." I risk another look at Kennedy as she throws her hands in the air. "STOP. NOW. ALL OF YOU!!!" She lets her Luna aura out like a shockwave it blasts through all of us. All the sound and movement stops instantly. 1

I chuckle and mutter under my breath. "Yeah, she'll never be able to do that." Now I know why Amy hated her so much, there is no comparison. I don't feel anything towards Kennedy, but she is gorgeous, strong and wilful. She commands attention naturally, effortlessly. She has powers I don't think she even realizes yet. 2

"Ryker. Let him go, please and I can explain." Why does she keep trying to defend me?

Ryker looks up at her. As soon as they lock their gaze, he jumps up and moves straight toward her. I think he's forgotten about me until I see warriors move in to capture me. I know I am safe for the moment. He will want to kill me himself.

"Kennedy." He whispers to her and I have to look away. I can't watch this reunion when I know I won't get one.

"I'm here. I'm not hurt. I need you to listen. Can you do that for me? Can you listen? This story is deeper than you know."

He walks away with her and I am hauled to my feet. I risk talking. These warriors are working and hopefully aren't blinded by emotions. 1

"I will go willingly to wherever you want to take me, but please don't lock up any other rogues. They were following orders. Umpf" I fall forward, pain splitting my skull. The last thing I remember is the ground getting close to my face as I hear 'f*cking asshole' from behind me. 1
