Chapter 1 - Uzumaki Clan

After the end of the Warring States Period, Major powers established Ninja Village one after another to follow the new trend of one country and one village policy.

Among them, the five most powerful country are the Land of Earth in northwest, the Land of Lightning in the Northeast, the Land of Water in th East, th Land of Wind in Southwest, and the Land of Fire in the center.

The first Ninja World Wat has slowly come to an end, however the entire Ninja World is still not peaceful.

The Uzumaki Clan, in a small Island country adjacent to the country of fire, it's a small country with a small land area, facing the sea, a small population, and a weak national power, this country is in low state at this time.

"Your Majesty Xin, Clan Leader asking you to go back quick, the country is not safe recently." A man with red haired said to the child sitting above the cliff.

"Yeah." The young child nodded while looking far with frowned show on his tender tace.

"I'll go back later, please tell my father to not worry.'

"But-"

"Don't worry, I will stay near the village." Xin eaves his hand while start to look in th vast ocean again.

In the end, the guard han no choice bot to nod reactant and arrange people to speak to clan leader.

Xin looked at the original qurt and peaceful county and gradually become silent.

However, in this slow and quiet place, the citizens is full of hope and happiness in their eyes, wearing for peace and tranquility that the village have

This is because of the basic friendship of the two village, or more Uzumaki and Senju.

This is the Symbol, the friendship that date far long before Village is founded, with this friendship no one can touch them or harm them as know that the Strongest Village is their backer.

Konoha Village is strong, and now the war is about to end, everyone can tell that Konoha is already the winner, only time will tell when the war will end and stop.

However, they don't know that the Uzumaki Clan is facing a huge threat, and yesterday his father the Leader of Uzumaki Clan ask for Konoha's help, but only get a cold refusa.

Xin know destruction and extermination is near, with his powerful sense he can tell that a huge army is coming on different direction.

As a reincarnated person who come from the world where this work dis just a mate story, he knows so many things and secret.

But this thing is useless right now, if he die here, all of the thing he knows is useless, the fate of his clan is already end and he knows he need to make something.

"So I need those thing put now?"

It's not Xin don't have cheat or golden finger like those Fanfiction, actually he got one and one with practically useful and powerful but not so much overpowered.

He have great Understanding, a knowledge that he can get anything within his own knowledge and understanding.

For example, his clan unique Mind's Eye of the Kaguya or Kaguya Shingan is upftusing his own understanding and effort.

His unique abilities can fight hundred of Byakugan interm of vision, range and sense his own Kaguya Shingan is 50x more powerful than Byakugan.

Xin sense reach 300 kilometers near 360° with clear vision and can see even those who can hide deep underground.

So he know how many people is coming, he can sense the number, strength, and even their affliction.

With the number of people coming, it's not surprising that the Uzumaki Clan perish within one day.

"Brother Xin."

While Xin is indeed though, a lovely voice come from behind, and a smile appeared on his face seeing the one who called him.

"Little Tomato what the problem?"

Looking at a red haired, cute little girl about five or six years old walked up to him, Xin can't help but to smile."

But his smile only last when he saw her throwing a pinch to his face.
