

Uzumaki 211

Chapter 211 - Dust Release

Uzumaki Xin don't know that the people around him look at him like looking at a monster, they never see someone with such amount of Chakra.

Not even the two previous Tsuchikage have such huge amount of Chakra and even if they combine their Chakra, the gap is still huge.

They dont know how such small body can withstand such amount of Chakra that even the old Shinobi on their peak can't carry.

Great Elder still remember when Uchiha Madara and Senju Hashirama visit the village once, the amount of Chakra they have is slightly larger than this kid.

But still, this is shocking enough, as you know Uzumaki Xin is just a small kid who just maybe starting training his own chakra and there still long time before he can step on his own peak in the future.

And maybe, or for sure, this is will going to become the next God of Shinobi and replace the old God Shinobi.

If that is the case, then the Kamizuru Clan surely hit the jackpot this time, witht such young future God of Shinobi, their Kamizuru Clan can become great again.

Uzumaki Xin don't know what they thinking, if he knows he don't care anyway, what he care right now is to continue the plan.

Pinching some seal he shouted." Fire Release: Art of the Phoenix Flower!"

Uzumaki Xin really didn't dare to use A or B Level Ninjutsu indiscriminately, the effects of two Ninjutsu is same as the effects of S Class Jutsu and maybe someone will get hurt if he is not careful.

So he chose C Rank, otherwise the Kamizuru Clan will see their old ancestors fast if they get hit by such powerful Ninjutsu.

And when time comes, its troublesome to explain to them what he did to their Kamizuru Clan House.

You know these old men still love Iwagakure.

Just burning up the camp of Kamizuru Clan and cause one to be annihilated by others is already a huge mess

And by the way, the palm is already started and they still staying in daze.

"Old man can you start to move?"

"I can sense the Iwa Shinobi coming to us."

"Can you stop looking around and star doing your job?"

Suddenly he sense a hint of danger.

Uzumaki Xin kicked sideways, and backed up to see who's coming.

It's the Iwagakure Shinobi Elite Team, consist of Special Jonin Shinobi.

"Dust Release: Atomic Dismantle Jutsu!"

Just as Uzumaki Xin was happy setting fire, a voice come form behind.

Seeing that after a burst of white light Ninjutsu was released, a flame was instantly extinguished making his efforts useless.

One of the most dangerous Blood Limit, Dust Release.

A combination of Earth, Wind, and Fire.

To perform Dust Release, users form a small three-dimensional object out of chakra in their hands.

The object expands once released by the user and moves astonishingly fast at its target; anything that passes through it is disintegrated on a molecular level.

Because of the sheer destructiveness of Dust Release, its users are usually unmatched in a fight and they can easily fend off countless enemies.

For this reason, the best way to combat one Dust Release user is with a second Dust Release user.

Dust Release techniques seem to require a certain amount of preparation time, making it possible to prematurely halt the technique before it is completed.

The hands also play a crucial role in the preparation, so interfering with the user's arms can hinder the technique. Dust Release techniques seem to be rather chakra-taxing.

But even so, Dust Release is one of the most deadliest and dangerous Blood Limit that is known in this world.

Chapter 212 - Onoki's Anger

Uzumaki Xin looked lightly at Tsuchikage, Onoki in front of him.

Anyway, the Kamizuru Clan are all burnt to ashes anyway so there's no other thing he needs to do besides leaving.

Xin guesses that the people in the interrogation department should not be able to find any news and evidence from the pile of ashes.

After Onoki put out the fire, he turned his head and looked at the arsonist angrily.

He wanted to see who is that, he actually dare to make trouble in the Iwagakure, his own village.

Hmm?

A Flak Jacket?

Wait!

Steel grey color, with steel gauntlet and seems to be fastened with zipper, an interwoven band bears the stomach, and two straps over the shoulders.

Swords are mounted in the back just over right shoulder by metal holster, furthermore they come with two equipment pouches instead of one.

And that emblem!

How can't he remember such an emblem!

The Red Fan, the Symbol of Uchiha Clan!

"People of Uchiha!"

He can't help but to step back, the fear of Uchiha Madara is still inside even if he tries to hide it.

Xin did not let him go and started pinching marks in his hand.

"Fire Release: Dragon Fire Technique!"

Xin spray Onoki directly.

Although the flames in form of him is bit scary, Onoki is not afraid, he is now the Tsuchikage of Iwagakure.

Absolutely, he can't shrink back if he wants to hold his position firmly.

"Dust Release: Atomic Dismantle Jutsu!"

A transparent cube was formed directly in front of him, blocking the fire dragon.

"Earth Release: Goelm Technique!"

He then call out a stone golem and attack the unknown Uchiha.

"People of Uchiha! Do you want to provoke a war between our Village!" Onoki frowned and shouted knowing that the Uchiha Clan are member of Konoha Village.

What confused him is, why Uchiha appear in the Iwagakure at this time , does Konoha want to start another war again.

But it was still early, everyone is still recuperating and trying to recover from the previous war

Looking down at the Kamizuru Clan which had become ruins in the ground, now everything has become dust and only few old men are left kneeling in the ground with pale face whole looking back at him.

Are they trying to take revenge form what Kamizuru Clan did last time?

But, destroying them seems to much and excessive, they can kill couple but to destroy a huge clan is so much

Uzumaki Xin only sneer, with snort he start punching seal again.

"Fire Release; Great Fireball Technique!"

Go straight to the giant goldem.

At this moment, Onoki snap out, he look at the hateful Uchiha with eyes full of anger.

Even Kamizuru Clan is declining, they still come from Hokage Lineage do seeing them, the family of one of his favorite person reduce to ruined while the number enemy he hate laughing at them while mocking makes his anger flare up.

Chapter 213 - Onoki Guess

At this moment, the huge fireball hit the huge golem at same time hit the Kamizuru Clan behind him.

"You demon!"

The Great Elder of the Kamizuru Clan angry shouted at Uzumaki Xin with tears in his eyes." The Kamizuru..... Kamizuru Clan.... It's over."

Uzumaki Xin almost clap seeing the Great Elder's fake reaction, he almost believe his acting just now.

So realistic, full of emotion, and perfect distribution of script, it seems they managed to understand what they need to do.

And the great fireball hit them making them turn into ash, seeing this Xin slightly bend his finger and then stop.

It's absolutely impossible to leave the corpse this time 95 else the interrogation department may be find out what they did today.

Seeing this the Great Elder being burned to ashes, the rest of the elders started crying and start launching a suicide attack

Seeing this, Xin sigh inwardly, it is worthy of being an old fritters that has lived for decades, they also can act excellently.

Of course the one they attacking is the Kamizuru Patriarch who also impersonating Uchiha Shinobi.

With tears in his eyes he wave his weapon and start slashing his own Elder, he close his eyes to try not to see their expression or else he will broke down after this.

...

Seeing this scene, Onoki raised his eyelids, how did he feel these people for the Kamizuru Clan are committing suicide than trying to take revenge.

Do you feel that those dead miss you so you are trying to follow them in hell?

But as the village chief, absolutely cannot continue this scene in front of him.

As a Tsuchikage, he has the ability and responsibility to protect anyone in the village.

"Stop it!"

Onoki' shouted loudly, and then he was about to use Ninjutsu, someone is faster than him.

"Fire Release... "

All suddenly, everything burn to ash, even the unknown Uchiha who killing the elderly.

Seeing this his, Onoki's anger step to another level.

"Damn you Uchiha!"

"Dust Release: Atomic Dismantle Jutsu!"

"Fire Release: Great Fire Wall Technique!"

Uzumaki Xin directly sprayed our a B Level Ninjutsu.

You know this is Dust Release, it's deadly even for Xin.

"Damn!"

Seeing the his Ninjutsu was blocked, Onoki stared angrily and shouted." Such strong man, you are definitely not just nobody!"

"Who the hell are you!"

Such chakra, such Ninjutsu, such physique, and the eye that made that can make anyone tremble in fear.

How can such person is unknown.

"Hehe." Uzumaki Xin sneered." Ant!"

"You don't deserve to hear my name!"

"Sure enough!" Hearing this cold voice, Onoki was shocked, his eyes widened and nervous said." You are...."

".... Uchiha Madara!"

"....." Xin

Chapter 214 - Onoki's Inner Fear

When Uzumaki Xin heard Onoki's guess, he didn't know whether he should bit or shake his head, but after thinking about the setting of Uchiha people, they are all cold people so he pause and think about it.

Well, why not make this bigger?

The bigger the better as everyone think in his past life.

"Fire Release: Great Fireball Technique!"

And immediately he appeared behind Onoki.

"Do you want to dance?"

...

The hidden Kamizuru Clan people where speechless.

Thsinkid is really bad enough.

Didn't you say you are just a Unknown Uchiha Shinobi?

Why did you suddenly pretend to be Uchiha Madara?

And the matter is already over, what else are you going to set fire with such huge fireball technique?

"What are we going to do?" Kamizuru Patriarch look at the Elderly who standing behind him, h don't know what this kid is thinking when he suddenly save each one of them

That's right he save each one of them, the huge fire Release just now is just a play, the people of Kamizuru is all safe.

They don't know what kind of Blood Limit is the Shadow thing that save them but they are sure all of it is Xin's doing m

"What should we do Patriarch?"

"Do you want to help the kid?"

"What this kid thinking? We are all ready to die here."

"Let's go and try to stop Tsuchikage."

"Tool, if you go out, our cover will going to expose, you will make the Kamizuru Clan all rebels."

Kamizuru Patriarch nodded, that's right, they can't go outside and help Uzumaki Xin, if they did this, everything that they did will going to blow up and the last thing Kamizuru Clan don't want to happen is to become rebellious ninja.

This will going to make their own Kamizuru Clan more bad on the eyes of the whole world, after all, no one can tolerate a rebellious people.

"Come back."

Kamizuru Patriarch helpless said. " We will going to run away."

Looking back at Uzumaki Xin, he take his people and left, he know staying will waste the effort of the kid so better use the opportunity to escape.

.....

Onoki heard the sound behind him and immediately jump back and pulled away to get distance from unknown Shinobi.

If he is really Uchiha Madara, he definitely can't match physical skills even if he try to fight back using Taijutsu.

And besides, he suddenly think something.

Uchiha Madara should be old long time ago

Why does this seems very you g Shinobi in front of him.

Could it be he is not dead?

Onoki suddenly had scary though in his heart, and that come voice just now.

'Do you want to dance?'

That simple words aroused his inner fear making his small body trembling.

....

Chapter 215 - Onoki got beaten

"Uchiha Madara!"

Onoki stared at the Uchiha Shinobi in front of him with angry face, he looks like a red color potatoes from his appearance.

"...."

However, Uzumaki Xin still did not answer and used Fire Release again to attack Onoki who also starting to get irritated.

Anyway, this is not what he said, Thai is all this Rudolph "Onoki" guessed himself and not him.

He doesn't know anything

"You are not Madara!"

Suddenly, Onoki take his guess, he immediately restrained his inner fear and firmly said. "Uchiha Madara is not short as you!"

"..."

The scene sudden fell into silence.

Uzumaki Xin suddenly want to kill Santa's favorite raider, who's aid he is short, he is just small okay?!

Without a second thought he start to attack seriously.

"Konoha Whirlwind!"

"Konoha Drop!"

"Konoha gale!"

"Morning Peacock!"

"Konoha Roch Crush!"

Xin's barrage of attack hit the small body of Onoki, he did not let him use his slow casting Dust Release so the pitiful small old man is helpless.

All of his attack hit, but the most part hit his red nose of him, he did not stop until his red nose double the size.

"Stupid Onoki! Do you think you also tall!"

"Don't ever let me see your red nose or else I will beat you everytime I see you!"

"And remember! I'm not short, I'm still growing!"

"Who are you!" Onoki who holding his red nose look at Ix with hateful eyes, who can there such person hit same spot again and again.

He don't talk martial arts, the cheek shot really hurt making his nose even more redder.

"Remember, my name is Uchiha Madara! And I will never change my name!"

"Scum! You are just scared that I beat you down!"

"So you know? So why do you think I will going to tell you my name?"

"How can there such hero? You are not a hero at all!" A verbal attack from Onoki's side.

"Idiot! Hero? Hero only die fast so I chose to not become hero, only fool want to become a hero!"

Everyone from Iwagakure feel offended, how can such lofty title can be despise by other, do you know that hero is those who have huge fame?

Of course, Onoki is the only one who understands what Xin want to tell.

Hero is those people who use their own life doing something great for their own village, everyone want to become one but this kind of title is the fastest way to die.

On every village, there's no living hero who can live for more than a normal Shinobi can live.

That's why there is always a huge monument for a Hero to prevent anyone to think such different.

"Anyway, I'm going, see you soon Red Nose Hokage!"

"Wait!"

But it's useless, Xin already left leaving everyone silent.

Chapter 216 - Konoha's Reaction

A suddenly heavy News wake up everyone in. Ninja World.

Last night, Iwagakure was attacked by unknown people and suffered heavy losses because of the sudden attack.

According to the head of Iwagakure, Onoki's words appeared to because there is a Legend in Iwagakure that Treasure Tools of the Sage of Six Paths that have been passed down for thousand of years were robbed m

At the same time, the famous family of Iwagakure.

The whole Kamizuru Clan was slaughtered and no one left alive.

According to the scenes, the criminal methods are extremely cruel!

Onoki seriously remind the the other Great Ninja Village need to be cautious, especially a Uchiha Shinobi who appeared last night has the legendary Mangekyo Sharingan

Of Course the last report is added to prevent Onoki form getting embarrassed after two Uchiha Shinobi escape unharmed in front of him.

At same time, that person is undoubtedly very strong, a Shadow Class for sure.

It it weren't for the height difference, he will think that Mysterious Shinobi was Uchiha Madara.

So he reminded everyone, be wary to Konoha, especially from the Uchiha Clan.

As for why he did this? Well he just want to make trouble, anyway he don't want him alone to have trouble so it's better to involve Konoha Village.

.....

Konoha Village

Sarutobi Haruzen slapped and threw the report of Anbu onto the table, looked at the Elders in front of him and asked." What so you think?

You know, Uchiha Madara has been dead for several years now after getting defeated by the First Hokage.

So how could it be him?

And the Uchiha Clan, it seems that the Legendary Mangekyo Sharingan never appeared after the last one died in the battle.

But from the report, the Mysterious Shinobi have amazing Fire Release, and the Mangekyo Sharingan from report.

All of this shows that it was the Uchiha Clan who attacked by the Iwagakure this time.

Is this a concealment of Uchiha Clan?

Or in fact they have Mangekyo Sharingan in their family and trying to hide it

But the problem is, Mangekyo Sharingan is so important, Sarutobi Haruzen knows that if he is the Uchiha Patriarch he will try to hide the news as tight as possible.

So this accusation seems stupid, how can Uchiha Clan send someone to attack the other village and they also using everything that Uchiha Clan has.

Are they afraid of that Iwagakure can't identify them so they did not bother to hide their own identity.

But he knows Uchiha Clan is a bunch of cold and arrogant people, but they are not stupid enough to do such stupid thing.

"Is the news accurate?" Homura Mitokado looked at the intelligence report in front of her, frowned and asked. "But if this is a fake news of Iwagakure, why destroying Kamizuru Clan?"

"I heard Kamizuru Clan is having hard time with new management of Iwagakure." Danzo said.

"You mean all of this is Onoki's work?"

"Maybe he is the own who killed all Kamizuru People and use us as scapegoat."

"That's for sure, Onoki is new Tsuchikage, and he want to hold all the power while removing all old members of Second Regiment."

"If that is the case, then they are using us to hide that they destroy Kamizuru Clan.'

"So the Mangekyo Sharingan is take."

"That's for sure."

".... Anyway, try to see the Uchiha Patriarch, I want to hear his opinion about this." Sarutobi Haruzen said while taking sip on his pipe.

Chapter 217 - Konoha's Reaction 2

"Alas!"

Sarutobi Haruzen deeply sighed.

If this matter is not resolve, it will damage Konoha's Reputation, especially the words of that Big Nose Tsuchikage in Iwagakure.

He almost revealed Konoha Village deeply secret that they want to hide, pointing at Konoha and shouting thief is making him angry.

But even so, they can't do anything even they know that Konoha did not do anything at all, and even trying to use a dead name just to ruined the reputation of the village.

"Let's ask Uchiha Patriarch." Koharu Utatane said.

"There's no way we can finish this discussion."

"At the same time, we must also declare that this matter has nothing to do with Konoha!"

"I'm already doing that."

Sarutobi Haruzen smoke his pipe and said with worrying face." I just don't know if what Onoki said is true or not.'

"Mangekyo Sharingan... "

Will it be dangerous to have someone form Uchiha to have each power?

We must know that since his teacher restricted the action of the Uchiha Clan, it has been troublesome for the Uchiha Clan to awake their Sharingan.

Let alone the Mangekyo Sharingan that have difficult requirements to complete, even Sarutobi Haruzen become Uchiha People, he don't know if he can get such dangerous pair of eyes.

But we'll, who is this person who own the Mangekyo Sharingan, if there is.

Will he hate Konoha Village because of what they did to Uchiha Clan this years of war!

These is very important, they need to know who is the enemy or if he is really a enemy of the village in the future.

If not, then they still need to restrict the movement of the holder, they can't let him do everything what he wants because he is strong.

Sarutobi Haruzen can't help but to look at Danzo, he noticed that his old friend seems to be quite today.

Normally, everytime they talk about Uchiha, this old man is the first one who jumps and gives so much dangerous ideas to them but now he is quietly sitting with them.

"What are you thinking Danzo? Why are you quite today?" Koharu also notices his strangeness so she asked.

Homura and Haruzen look at Danzo waiting for his answer.

"Ahem! I just want to think how to deal with Uchiha Clan."

"So what is your plan?"

"Let's ask them."

"..." Haruzen

"..." Koharu

"..." Homura

"There's something wrong with you, did you eat something wrong today?" Sarutobi Haruzen can't help but to worry.

It's weird to see this old war freak to be so good today.

"Ahem! I'm fine Master Hokage-"

"..... Who are you, where is Danzo?" Sarutobi's eyes become more suspicious, he know that Danzo will never show any respect to him.

"Ahem! I'm fine don't worry."

".... You are not Danzo are you? Let me guess, you are Root member? Where are Danzo?"

"... Sorry Lord Hokage, Lots Danzo is still investigating in Uzumaki Kingdom..." The Fake Danzo finally speak and revealed that Danzo is still outside of the village.

Chapter 218 - Early Morning Disturbance

Uzumaki Kingdom

Early in the morning, the citizens of Uzumaki Kingdom felt a little unusual to the atmosphere around.

The Uzumaki Shinobi all had serious expression on their face, walking neatly in one direction, as it something big was about to happen.

"What the hell is going on?" A young Uzumaki citizen curious asked his friends around him.

"Why is everyone looks so serious?"

"I don't know." Hus friend reply.

"But something must have happened."

"....."

Nonsense, of course he know that too.

"No, isn't that place is Old Ding's home?" One of the young people exclaimed.

"Could it be that Old Ding also violated any law?"

He knows that Old Ding is also a refugee who come to the Uzumaki Kingdom this time, but because of his serious work and good physical strength, he made a little money and bought the house full payment.

He only married few days ago they even come to join the fun but today seems something bad happen to him.

"Go, follow them!" A young man excited said.

"Look at what's going on!"

He don't good or bad relationship with Old Ding, but this not stop them to look around and listen to any gossip.

....

"Old Ding, whats the matter?" A woman in her twenties looked suspiciously at the Uzumaki Shinobi who was walking towards the geie house, with love in her eyes she curious asked her husband." Eh? Why Uzumaki Shinobi is here?"

Old Ding also saw the approaching Uzumaki Shinobi, the cup on his hand fell directly to the ground, staring at the outside in daze, he have bad feeling in his heart.

He suddenly had an urgent to escape.

But turning his head at his newly married lover next to him, he feel complicated m

"What's the matter with you?" The Young woman' asked looking worried to her husband, she take her hand and softly asked.,c are you not feeling well? Ot should I asked for leave today?"

"I'll take you to the doctor later."

"En." Old Ding returned to his sense, with a smile on his face he said." It's okay, im just little tired today."

"Old Ding..... Are you hiding something from me?"

"..." Old Ding fell silent for a while when he heard his wife words, with a smile he said." Of course not, don't worry, I'm just little tired."

"But you..... Don't go to work today, I'll take you to the hospital later."

Seeing Old Ding wanted to refuse, she quickly change he rface to serious." Listen to me!"

".... Good." Old Ding also smiled back, stretching out his hand touching his wife face." I listen to you.'

Seeing his wife smiling face, he felt helpless in his heart, he hope that time slowly flies but threes no such Ninjutsu in this world.

But.... Sorry Wife... Maybe in the future we Wong see each other again...

"Listen up! The people inside, go out and see us!"

Suddenly, a loud banging sound can hear in front of the door.

This makes the young woman feel helpless and sad, it seems that her husband did not fully trust her even if they already married, but what can she do? The only thing she can do this time is to try to calm down and not let her husband feel nervous.

....

Chapter 219 - Hidden Enemies

Uzumaki Kingdom

Far from the residential area, in the undeveloped area of the Uzumaki Kingdom.

Uzumaki Xin brought a group of Uzumaki Shinobi to the side of the hill waiting for something to come.

"This should be what you said." Uzumaki Xin murmured while holding a map on his hand.

A few days ago, they caught a spy that knew so much information, they took that young man and arrested him with his young wife.

That young man is tough, he did not speak or say anything to them, when they were going to use excessive force the young wife came and begged them, she said she would do anything to let her husband speak.

Seeing that the young woman is begging pitifully, the Uzumaki Shinobi let her in, of course they were also watching.

They know that spies usually do anything to hide their motives, even killing their own people to hide any information is normal.

But who knows how the young woman convinced the spy to tell everything he knew, he even provided a detailed map for them.

Seeing how they cooperate, Xin decided to let the couple go, of course he can't let them stay in the Uzumaki Kingdom.

Not become they are useless or they are spy, it's because of that everyone in their neighbors know that the man is spy.

If they let them go and let them that, the couple will only face discrimination in the omhand of other refugees.

This will cause trouble for them and the life of the newly married will going to be hard like Naruto's original life.

So he chose to vanish them out of Uzumaki Kingdom, the couple also understand why they chose to only them go than let them stay.

Even them, they will not willing to say after what happen, and even if the Uzumaki Clan let them stay, they will both chose to get out to prevent unnecessary trouble.

"It's a good day " Uzumaki Xin looked up in his blue eyes with satisfaction.

They need to clear out everything today, even if they hide the news of Old Ding, it will eventually go out and alarm everyone who is involved.

"Don't worry Brother Xin." Uzumaki Kushina said.

"Kaguya's Eyes!"

She then closed her eye and tried to sense anything around them, and just like in the report, there's a hidden base underneath of what they are standing.

Uzumaki Xin also sensed them to see what kind of surprise was waiting for them but who knew that it's bigger than what he expected.

Uzumaki Xin was taken aback, looking at the underground, he thought that Danzo would chose to open a cave neat

But he didn't expect that they will dig a holr and live inside of the cave

As expected to the leader of the root, is this the habit of them because they always living in the ground?

Uzumaki Xin pointed to the ground and look at the Uzumaki Shinobi besides him.

"Seal it."

The Uzumaki Shinobi around nodded, they start sealing the whole place, from outside, to deep underground, and to the sky.

They created a huge square barrier that selling fifty meters underground and twenty meters up in the sky to prevent anotn from escaping.

Xin then nodded at them." We can start now."

"Listen people below! Youa the surrounded by us, Uzumaki Clan!"

"You have five minutes to surrender, or else you will face the consequences of spying on us!"

"The timer start now!"

Chapter 220 - Danzo's Pig Teammates

Deep underground

"Master Danzo, what should we do now?"

The Root looked at each other as if they asking each one of them.

How they were discovered by the Uzumaki Clan.

Why the Uzumaki Shinobi did not attack them directly.

And why they shouting loud outside, are they sure there's people here?

"Huh!" Danzo's old face was green, he feel angry, he never treated like this ever, as of he is a huge criminal.

And his people, he always told them that try to look normal, stay calm as possible and if you got caught use your life to prevent anyone getting your information.

But who knows how Uzumaki Clan find their secret base

"Which one of you has been discovered?"

Staring at his subordinates in front of him makes him more angry, and seeing their confused reaction, this makes his blood boil.

"Bunch of trash!"

They don't know how they were discovered, they really bunch of trash, heo can he take this bunch of trash to important mission when they are all clueless as him.

Danzo know that they can't stay here any longer, if they found him here, Thai will going to become huge embarrassment for his goal becoming Hokage.

"Have you all complete the tasks I want you to complete?"

Danzo looked at them blankly got so many days and they still not complete anything.

It seems he need to tighten the training of the Root, there still bunch of trash included on his team.

Looking at everyone who was silent, he know that they did not do anything.

Danzo turned his head and looked at some books besides him and fell into silence.

"What a bunch of trash."

Only couple of books in so many days?

And all of this books are books for pottery works.

Ceramic Manufacturing Method

Ceramic Coloring Method

Chosing the right mind in creating Ceramic

What kind of head this bunch go people have? Did they broke inside of the home of a potter and take everything inside?

"What kind of evil did I commit to have such stupid people!"

...

Seeing that no one reply to them, Uzumaki Xin sighed helplessly.

"What a headache."

If you chose to be honest, Uzumaki Xin really doesn't want to see Danzo soon

He is afraid he can't stop his people and kill that Block Pot accidentally, if that happen, who will carry all the dirt of Konoha?

To know that the Major Ninja Village in the Shinobi World want to maintain the balance of strength, so Danzo is need right now.

A war freak who will kill anyone who look strong and block his path to Hokage.

Killing teammates, killing friends, killing your own people, killing kid, young or old, woman or man, he will kill if you look suspicious for him.

Where can you find such perfect executioner in this world, letting him go back without seeing him is the best thing to do but they chose to hide inside of their rat base.

It seems they need to get beaten before they start to become honest.

....
