

Uzumaki 391

Chapter 391 - Third Visit to Konoha

After a moment, a bit of bitterness appeared at the corner of his mouth, "It will not be annihilated."

Uzumaki Xin suspiciously took the three pairs of three tomoe Sharingan, these three pairs are basically the eyes of the Uchiha clan elders.

After all, Sharingan is not like Byakugan, it is still very difficult to open, let alone three tomoe.

So now the Uchiha clan still has very few three tomoe, and if they have it, they are all Uchiha's elders!

"I"

Uzumaki Xin originally intended to talk about freedom, equality, and openness to this feudal family, but he sighed and said, "I'm like you promised, Uchiha."

"The family will be stronger."

and

Hearing Uzumaki's words, the corner of Uchiha's mouth raised slightly, and then he said lightly, "From this moment Uchiha needs to close the door, please"

...

Konoha Village

"Leave immediately!!"

"We can't wait any longer."

Sarutobi Haruzenn took a cigarette, looked at Danzo in front of him, and said sadly, "Everything depends on you."

Can't continue to drag on like this, otherwise the battlefield will really collapse, and the recent movement of the Uchiha clan makes him even more doubtful in his heart whether they know something and are really ready to launch a coup, otherwise.

Why call all the people back to the clan land?

Is it really a family dinner? ?

"I"

Danzo opened his mouth as if he wanted to say something, but thinking of the situation Konoha is in now, he sighed and said, "You are Konoha's light, and I"

"It's Konoha's darkness!"

"I know how to do it."

...

"How is it? Has the root left?" Uzumaki Xin asked, looking at Black Zetsu in front of him.

This time he came to Konoha, not just to take the Uchiha Clan away, Uzumaki Xin also had an idea in his heart.

That is

Steal the cells between Hashirama Cell.

It's not that he wants to transplant the cells of the god of the Ninja World, but to send it to the scientific research institute to study and see how the Hashirama Cell are different from his current cells?

After all, there are so many positive shield bonuses, and the vitality is quite exponential, Wood Release.

What might be discovered?

And if it is possible, the Uchiha Clan is now in the Uzumaki Kingdom, and there may be several reincarnation eyes in the future.

As for transplanting yourself.

When Uzumaki Xin thought of the engraved face Hashirama on his body, his whole body was weird.

He is not the coughing, passionate elderly dancer of Boss Madara, and he is so happy that he engraved the face of a friend on his body.

Not to mention, does he have a system and still rely on other things? Just rely on yourself! !

"That patriarch Uchiha is smart!" Black Zetsu said with a sneer from the corner of his mouth, "I know I will do it myself."

As expected of Yui's younger generation, he is really unambiguous to start with his relatives.

"Konoha is indeed going to attack the Uchiha clan."

"It's all in the same line!" Uzumaki Xin sighed and murmured, "It's all because of a bad head on it."

"What did you say?" Black Zetsu asked, frowning, "What's the matter?"

"Oh, nothing." Uzumaki Xin regained his senses and said with a smile, "I mean it's all because they didn't establish the correct three views since they were young!"

"Uzumaki Kingdom will definitely strengthen the ideological and moral education of children in the future, and cultivate children's correct outlook on life from an early age."

....

Chapter 392 - Last Pride of Uchiha

Now we still need this full-time ninja paparazzi for thousands of years, so we still don't want to push him back.

"The root has already begun to mobilize, and Konoha's Anbu is the one who is with him."

Hearing the nonsense of Uzumaki Xin, he absolutely ignored him, anyway, he was used to it, and said lightly, "What a group of hypocritical people!"

"Oh?"

When Uzumaki heard this, he narrowed his eyes and looked at Black Zetsu, with a smile on the corner of his mouth, and said, "It seems that you have to be prepared too."

"??"

Black Zetsu raised his head dumbfounded, his heart

There is a bad feeling.

Uzumaki Kingdom

"I will help you with the household registration of Uzumaki country later."

The Uzumaki patriarch patted Uchiha Tomitake on the shoulder, opened his mouth, and finally sighed and said, "You are now the Uchiha clan's patriarch, now The entire Uchiha clan is waiting for your order."

"And so"

"Stay strong!!"

"Sorry."

Uchiha Tomitake wiped his tears, raised his head, looked at Patriarch Uzumaki blankly, turned his head to look at his tribe, and sighed inwardly, "He, he, he definitely can't cry now!!"

He promised his father that he would lead the Uchiha Clan to rise again.

And so

Can't cry! !

"The older ones will take care of pregnant women and children from now on." Uchiha Tomitake looked at the numb face of the tribe in front of him, and said lightly, "From this moment on."

"We will" Uchiha Tomitake clenched his fists, seeming to use all his strength

"It's no longer Konoha's Uchiha clan!!!"

....

Chief Uchiha knelt on his knees in the dim clan hall of the Uchiha clan, and a long knife filled with solidified blood was placed flat on his thigh, which looked particularly enchanting under the dim light.

Looking plainly at the clan emblem of the Uchiha clan in front of you

Sigh inwardly.

He doesn't know if the clan emblem that has been passed down for thousands of years will reappear, and he doesn't know what the Uchiha clan will become under Fugaku's leadership!

Don't even know

When the time comes, will he see the group of people who were killed by the Uzumaki kid himself?

He didn't know anything, or even if everything he was doing was right.

But he has no choice.

And at this moment

"Crack!"

The wooden door of the family hall was opened.

A group of ninjas with strange masks rushed in and immediately surrounded Chief Uchiha.

After Patriarch Uchiha heard the movement, he still knelt quietly without raising his head until

A heavy footstep sounded in the family hall.

Chief Uchiha's hand holding the sword trembled, and then said lightly, "Here you are!"

Chapter 393 - End of Konoha's Uchiha

Seeing this weird atmosphere, especially the Chief Uchiha who was kneeling in front of him, Danzo didn't know what he should say, he was taken aback by Uchiha's station as soon as he entered the door.

The corpses of the Uchiha clan are all over the floor! !

In his heart, he originally suspected that the haunting kaleidoscope did it.

After stealing Hidden Cloud Village and Hidden Rock Village, did he finally reach out to Konoha this time?

But did not expect

Danzo glanced at the blood-filled long knife, and sighed inwardly.

So you did it!

"It seems that the Uchiha clan had already guessed that Konoha would do something with them!" Danzo said helplessly, "As for doing it yourself."

It should be to leave some blood for Uchiha.

And so

"Yes" Danzo was silent for a while and said, "I'm here."

"You shouldn't have come." Chief Uchiha said with a sigh.

Although I don't know Danzo's purpose, he has helped the Uchiha clan anyway.

""

Danzo was stunned for a moment, and finally said helplessly, "But I have already come!"

He didn't even want to come, his heart is bitter.

His dream is to become Konoha's amiable grandfather of the village head, not put up Konoha's huge roots! !

But for Konoha, he has to do this now.

All of this is Sarutobi Haruzen's fault! !

"The Uchiha Clan has acted in treason. I came here to apprehend and bring it to justice on the order of Master Hokage."

Danzo glanced at the bewildered Anbu, and said coldly, "Aren't you ready to do it?"

Sorry, Haruzen, I guess you have to find a way to restore your image.

He absolutely feel that since he met that red-haired kid, he hasn't been able to spare a moment. No matter when he saw that kid, he could always think of something for himself to do.

At this time, Black Zetsu is doing his mission

Let him steal the cells of Hashirama

Of course he know what the cells of the god of Ninja world do, wasn't Madman Madara's reincarnation eye accidentally closed after a bite of the meat between the pillars back then?

Although I don't know what that kid wants the cells of Hashirama to do, Black Zetsu still doesn't want him to get it.

Anyway, no matter how well the kid plays, how much peace he loves

He would never believe it.

He could see that the kid might know something, but, he can't beat it! !

What else can he do? ?

Now Black Zetsu's heart only hopes that the kid doesn't know his true purpose!

Otherwise, I really can only wait for him to hang up before acting.

"I miss my mother." Black Zetsu said with tears in his heart.

He just wanted his mother to love him again.

Why is it so difficult?

Now let's complete the task of that kid first!

Otherwise, that kid doesn't know how to bully him again.

Chapter 394 - Bad News for Uchiha

Uzumaki Xin did not stay in Konoha waiting for Black Zetsu, but slipped away after he arranged a task for Black Zetsu.

He will come to him after I get it.

"I don't know how Black Zetsu would sneak in and steal the cells of Hashirama?"

A mysterious smile appeared on the corner of Uzumaki's mouth.

He didn't know whether Konoha's biotechnology had reached the level of weird after Third Ninja War, and he was about to go together.

The green ambassador is Yamato.

But he knows that if he still wants to sneak in as Danzo like last time

Uzumaki Xin felt that he might be ready to collect the corpse, and his mother might never be able to get out again.

After all, Danzo is not stupid, how can he fail to take safety measures after being scammed once?

So now he can only pray that the will to save my mother is strong enough, and don't fall into Danzo's conspiracy.

...

Uzumaki Kingdom

Clan Chief Uzumaki did not leave, he was still waiting for Uzumaki Xin's return. He hadn't even started to apply for the nationality of Uchiha clan because he didn't know whether Uchiha clan had to change their surname like Senju?

Patriarch Uzumaki glanced at the Uchiha clan, according to Uchiha's strong temper, it is estimated that they would not agree to abandon Uchiha's name.

So all this depends on how Uzumaki Xin is arranged.

At this moment

"Back?" The Old Patriarch looked at the fluctuations in the space in front of him, and said with a smile.

"Thank you." Uzumaki Xin's figure appeared, and said to the Old Patriarch, "And this."

He took out three pairs of Sharingan that patriarch Uchiha gave him, "Patriarch Uchiha gave it to you. "

"Give it to me?" The Old Patriarch took three pairs of eyes with a look of confusion, what does he want this to do?

"What's the matter?"

Uzumaki Xin saw the doubt on the patriarch's face and asked, "Isn't this the deal you made with the patriarch Uchiha?"

Transaction?!

Patriarch Uzumaki suddenly remembered something, and said with a weird expression, "Yes, yes, I remember, there is indeed this deal."

It turns out that the blood of the Uchiha clan is like this! !

The regret in Old Patriarch Uzumaki's eyes flashed by, he thought

He glanced at a ten-year-old girl in the Uchiha clan, and sighed inwardly.

he thought that the Uzumaki clan could have the blood of the Uchiha clan in the future.

It should be known that apart from the Uzumaki Clan and the Senju Clan, other families will refuse to marry their own blood successors in order to maintain the purity of their blood successors. The minimum requirement is that others should be married.

When Old Patriarch regrets

"It's been a long time." Uzumaki Xin walked towards a girl in Uchiha and said with a smile, "Uchiha Mikoto."

"Yeah." Uchiha Mikoto nodded to each other, and fell silent, she didn't speak any more, she still couldn't accept that the Uchiha clan was the Konoha clan just now.

Why did they perish all at once?

Uzumaki Xin sighed, thought about it for a moment and said, "Don't be sad, what if it will happen in the future."

"If you have any difficulties, you can come to me for help."

For example, the ideological education of your two sons

Uzumaki Xin felt that he had the ability to re-establish the three-mindedness of two young people who had not correct three-mindedness, and train them into excellent revolutionary fighters in Uzumaki Kingdom.

On the side, Uchiha Fugaku was silent for a while, and said, "My father is already"

When he saw those three pairs of eyes, he guessed that the Uchiha clan had already

Suddenly feel a pain in the eyes!

Uchiha Fugaku hurriedly covered his eyes and howled in pain.

After seeing Uchiha Fugaku, Uzumaki Xin hurriedly supported Uchiha Fugaku, his heart was shocked. It seemed that he was irritated, and his eyes began to evolve.

According to Uchiha Tomitake, it was originally a three-hook jade, so this time Kaleidoscope! !

"I'm all right."

After a while, Uchiha Fugaku sounded a somewhat hoarse voice, "Thank you!"

He doesn't know why his eyes hurt so suddenly, but he felt that his pupil power seemed to have increased a lot!

Now, what to do?

Uzumaki Xin hesitated for a while, and finally decided to remind Uchiha Fugaku, anyway he would know it by then, and Uzumaki Xin didn't think he was afraid of a pair of kaleidoscopes, so

"You opened the kaleidoscope!"

Uzumaki Xin looked at Uchiha Fugaku in a comforting tone, and said with emotion.

Chapter 395 - Bloodlimit of Uzumaki Kingdom

Konoha.

"What are you talking about?"

The pipe in Sarutobi's hand flicked and almost fell to the ground. He took a deep breath, clutched his chest, looked at the dark part in front of him with an incredulous face, and said, " Can you say that again?"

Did you hear me wrong just now?

"Consultant Danzo said that according to your instructions, the entire Uchiha clan needs to be controlled."

Although Anbu wondered why Hokage-sama asked him to say it again, he still obeyed the order and said, "But some of the Uchiha clan disappeared.

"I haven't found out where they have gone yet."

Really...

"..."

Hearing Anbu's words, Sarutobi Huzen was taken aback for a moment, sighed inwardly, and then...

"Let Danzo adviser get me here!!"

"Yes."

...

Uzumaki Kingdom

Uzumaki Xin also felt a headache as to how the Uchiha Clan would arrange.

Because this vest did not use Uchiha Shinobi...

To a certain extent, the Uchiha clan has fallen into such a situation, it was him... ahem, that Uchiha Shinobi did it, otherwise the Uchiha clan can still survive in Konoha for about 20 years, so if you are caught The Uchiha clan know...

Uzumaki Xin estimated that this group of Uchiha people who grew up in Konoha would go to extremes in their hearts.

After all, the psychology of the Uchiha clan that feels the whole world is sorry if they are not careful is really terrible.

Therefore, for some time to come, the focus of the Uchiha clan must be on ideological construction, but now...

You must be careful about Konoha's problem.

It is estimated that the Uzumaki Kingdom will not be full for long. Konoha Village will definitely check it out by then. It is impossible for them to leave dozens of Uchiha people wandering outside. What if a kaleidoscope is accidentally born in the future and wants to ruin Konoha. ?

Just like Uchiha Fugaku...

In his heart, Uzumaki Xui estimated that he was thinking of revenge in his mind now.

It's just that I haven't seen the Uchiha clan settle down before restraining it, and so...

"Since you can't hide it, you can only prepare to fight Konoha."

Uzumaki sighed and murmured, "The Senju Clan, Uchiha Clan, Kamizuri Clan, Kamikaze Clan..."

Unknowingly, the Uzumaki Kingdom has become a public enemy of the Ninja World.

Recently, they have to find something for Konoha to do so that they have no time to look after him, so he can't just let Konoha surrender easily.

"Absolutely, absolutely." Uzumaki Xin sighed and said melancholy, "When will you come back?"

It's just stealing the organization Hashirama's cell. Why hasn't it been so successful?

Could it really be...

Chapter 396 - Creating bigger Fight

Could it really be...

"I'm sorry for your mother!" Uzumaki Xin was suddenly taken aback, with a sad expression on his face. "Rest assured that I will take care of your mother for you in the future..."

However, he hadn't waited for Uzumaki Xinn to finish speaking.

"What are you talking about?"

A black-and-white figure appeared in Uzumaki Xin's office, then, he took out a piece wrapped in leaves and handed it to Uzumaki Xin, saying, "I have got what you want."

"Nothing."

Seeing Black Zetsu, Uzumaki Xin squinted his eyes unconsciously and said with a smile, "I mean you have contributed your own strength to the great cause of peace in the Shinobi world."

"..."

Absolutely ignored the nonsense of Uzumaki Xin, and said lightly, "I will leave for nothing."

He decided that nothing would come over in the future, otherwise he would be discovered by others sooner or later if he continued to wave like this.

"Don't worry." Uzumaki Xin said with a smile, "Remember what I told you last time?"

"Causing a melee in the Ninja world?"

Black Zetsu frowned and said, "But now Konoha has surrendered."

"That's why you are needed!" Uzumaki Xin said.

"What do I need to do?" Black Zetsu frowned and asked, "When Konoha's Uchiha clan dies, then the other Shinobu villages will not continue the war."

After all, the war was launched to weaken Konoha's strength, this time the demise of the Senju Clan and the Uchiha Clan were almost cut off.

If it continues, Konoha will definitely fight desperately.

So, although he is little regretful, he definitely feel that he should wait for the next time.

only...

Uzumaki Xin squinted his eyes and said faintly, "For example..."

"Konoha may also be awakened to Wood Release."

"..."

Black Zetsu suddenly looked at Uzumaki Xin in amazement, no wonder he met his eyes when he saw him. This is a kid who is darker than the black hand of the Ninja world who has lived for a thousand years.

"Are you the devil?"

And the wooden escape last time...

He never saw it with his own eyes, and felt very strange in his heart. After all, he had checked Chief Senju, and there was no Chakra in his body.

Therefore, he still doesn't know how the Wood Release appeared.

after all...

Where there is this kid, he basically doesn't show up for nothing.

Chapter 397 - Fugaku Applying for Work

"This is where I work?"

Uchiha Fugaku saw the name of the Public Security Bureau in front of him, frowned and walked in.

Yesterday he was still asking His Royal Highness Xin what he needed to do, so he was assigned to one.

It sounds like you go to work in the same place as the Konoha police force.

Although there are five insurances and one housing fund, if there is nothing to do, there will be two days off, but...

He still refused in his heart. After all, why did the Uchiha clan fall to where it is now?

It's not that the work is too serious, and it has offended many people.

However, considering that Uchiha had just come to Uzumaki, and His Highness Xin promised to allow him to resign and search for a new job if he was unhappy, Uchiha Fugaku agreed.

"Come and see!"

Uchiha Fugaku sighed inwardly and murmured, "Maybe it's different here?"

As soon as I walked in, he saw a dozen staff in different uniforms walking around the spacious hall, seeming to be busy with something, and there were hanging in the middle of the hall.

"Serving the people?"

Uchiha Fugaku looked at the five big characters written on it, and he was taken aback, "What does this mean?"

And at this moment...

A young man in a black uniform came over and said with a smile, "Hello, what can I do for you?"

"Oh oh." Uchiha Fugaku recovered, nodded faintly, with a paralyzed face, and said, "I'm here to join the job."

By the way, he passed the envelope on his hand.

"It's a new colleague!"

The young man was taken aback when he heard Uchiha Fugaku 's words. Then, with a happy smile on his face, he said, "I heard the director said in the morning, I didn't expect you to come so early."

"It's been so busy these days, the above finally allows us to add people."

"Come with me now. The Secretary informed me in the morning. If you come over, I will take you directly."

Then...

Uchiha Fugaku followed him with a look of doubt, a strange feeling in his heart.

"It's really a bit different here."

After walking inside the Public Security Bureau for a while, the young man took Uchiha Fugaku to an office, knocked on the door, and said, "The person you mentioned, the chief, is here."

Wait a while...

"Come in."

A deep voice came out.

"Go in by yourself." The young man said with a smile, "I still have things to do."

He left directly.

Uchiha Fugaku frowned and looked at the door in front of him, and finally decided to open it, went in and took a look, then walked in slowly.

He saw in the office...

With his hands turned on his back, Uchiha Fugaku seemed to be looking at the scenery outside the window.

Feeling the movement, the middle-aged man with his hand held his hand lightly and said, "The Uchiha Clan?"

"En." Uchiha Fugaku frowned, then immediately let go, and it is estimated that His Highness Xin should have told him in his heart.

And at this moment...

The middle-aged man turned around and looked at Uchiha Fugaku blankly.

Suddenly, Uchiha Fugaku 's eyes widened, and his face looked at the middle-aged man's eyes with disbelief, "This..."

The kaleidoscope opens unconsciously...

"Its you"

Chapter 398: Almost Discovered

"Kaleidoscope?" Chief Kamizuri looked at the Uchiha people who suddenly opened the kaleidoscope. Although he had known from His Highness Xin a long time ago, he was still a little shocked when he really appeared before his eyes.

After all, back then...

That pair of kaleidoscopes of invincible hands all over the world still made the blood pools very scared in their hearts.

"Don't be nervous."

Chief Kamizuri sat down and said with a smile, "Let him pass by before. Now we are all citizens of Uzumaki Kingdom."

"Even..."

"Colleagues."

This is also what most of the Kamizuri Clan thinks. If the Uchiha Clan is still the Konoha clan, then revenge is inevitable, but now it has become a clan of the Uzumaki Kingdom...

Then let it go.

So many years have passed, and now the Kamizuri Clan is going well. As His Royal Highness said, there is no need to be immersed in hatred. You should cherish everything in front of you, and the pool of blood that has experienced suffering is better than everyone else. All cherish everything now.

"You are not..." Seeing Chief Kamizuri, Uchiha Fugaku didn't want to do anything to him. He sat down and was silent for a while.

He decided to ask, "Who is that kaleidoscope?"

The hands are tightly held, and the Uchiha clan has fallen to the present situation. On the one hand, the policy set by the second generation of adults was harmed by the policy set by the second generation of adults, and on the other hand...

Mysterious Uchiha! !

The one who makes trouble in the Shinobi world.

"I don't know." Chief Kamizuri shook his head and said with a sigh, "That kaleidoscope has always been wearing a mask, and no one knows his true identity."

As an insider who knew the vest of His Royal Highness XIn for a long time, he had a confession with His Royal Highness XIn yesterday.

What kind of pot...

All buckle on Konoha!

"At that time, our Kamizuri Clan originally thought that they would be annihilated, but they were taken away by the leader of Akatsuki." Chief Kamizuri said with a fortunate tone on his face, "That is a person who longs for peace and loves public welfare. Organization."

"So we were taken to the Uzumaki Kingdom. In this regard, you should know that Uzumaki Kingdom seems to cooperate with Akatsuki. They have been working hard to find a path that can bring hope and peace to this chaotic Ninja World. "

"If you don't know, you can take a look inside Uzumaki country." Chief Kamizuri looked at Uchiha Fugaku with a smile, "You will know the difference between Uzumaki country and other countries."

"You will like it here."

"That..."

Uchiha Fugaku was silent for a moment when he heard the words of Chief Kamizuri.

He also knew the relationship between Akatsuki and Uzumaki, or that most of Ninja in Ninja were aware of that powerful organization, it seemed The relationship with Uzumaki Kingdom is very close, and finally he sighed and said regretfully,

"Does anyone know?"

He originally thought that I could know the kaleidoscope that Uchiha Clan is like now.

Just... as long as you find him, with your own kaleidoscope, maybe you can catch him?

But now...

Nobody knows!

"No!" Chief Kamizuri shook his head, frowning and said, "According to Akatsuki's news, that kaleidoscope is indeed Konoha."

"And..."

"It seems that he has only one kaleidoscope."

Chapter 399: Fooling Fugaku

"One-eyed, kaleidoscope?" When Uchiha Fugaku heard this, he frowned and murmured, "Who would it be?"

Konoha...

Konoha is only the Uchiha clan who can open the kaleidoscope, but now that the Uchiha clan has become like this, they still haven't seen the kaleidoscope appear, so...

"Uchiha Shinobi, Konoha!!" Uchiha Fugaku squeezed his fists, his face grinned and roared, "I will find it out."

"Calm down, calm down!" Seeing Uchiha Fugaku like this, Chief Kamizuri squeezed a sweat in his heart, and said quickly, "We must have a smile on our face and cannot bring emotions to work. ."

"I..." After hearing this, Uchiha Fugaku was stunned, took a deep breath, and regained facial paralysis, and said, "Sorry."

"It's okay, I understand." Chief Kamizuri shook his head with a wry smile, and said, "Back then, our Kamizuri Clan..."

"Today there are only a dozen people left in the tribe."

"I... Uchiha..." Uchiha Fugaku was said by Chief Kamizuri and didn't know how to change his words.

Just...

"It's okay." Chief Kamizuri waved his hand and said with a smile, "Back then, each was the master. Let it pass by the past. Now we are all part of the Uzumaki country, so don't worry."

"Thank you." Uchiha Fugaku heaved a sigh of relief when he heard it. If Uchiha and the Kamizuri Clan are now in conflict, I don't know what His Highness Xin will do at that time, after all...

The Kamizuri Clan came to the Uzumaki country earlier than the Uchiha clan! !

"What do I need to do?" Uchiha Fugaku took a deep breath, hiding the hatred in his heart...

Now he should settle down the Uchiha clan as the patriarch.

"En?" Chief Kamizuri groaned, and said, "In the past few days, you should familiarize yourself with the work process, follow the patrol officers to patrol around, and get familiar with the environment by the way."

"Okay." Uchiha Fugaku nodded.

It just so happened that he wanted to see the difference between the police and the guards in Uzumaki.

"Then I will go out to work first." Uchiha Fugaku stood up and said, "I will let the Uchiha clan pay attention."

"It's okay." Chief Kamizuri nodded with a smile, and said, "Someone outside will lead you on the task, so don't be nervous."

"Correct."

Seeing the background of Uchiha Fugaku's departure, Chief Kamizuri suddenly remembered something and asked, "How much did Uchiha borrow from that black-faced ghost?"

Chapter 400: Danzo's Helplessness

Chief Kamizuri suddenly remembered something and asked, "How much did Uchiha borrow from that black-faced ghost?"

That black heart...

The interest is really getting higher and higher!

"Loan?" Uchiha Fugaku turned his head in doubt, looked at the Chief Kamizuri, and said, "The Uchiha cCan does not have a loan."

"When we came, His Royal Highness Xin asked us to bring some money over, so now the Uchihas don't need a loan."

It was a pity that the most valuable land deed in Konoha could not be obtained.

And...

Hearing Uchiha Fugaku's words, Chief Kamizuri immediately stared at his leaving back, and then...

"Unreasonable!!"

A wailing sound came from the entire office!

...

Danzo sighed and looked at Patriarch Uchiha, who was holding a long knife in front of him and thrusting it into his stomach. He didn't want to do anything, so why did he commit suicide?

And also killed all his own people, really...

A ruthless person! !

When Anbu wanted to take away the corpses of the Uchiha tribe, Danzo took out the name of Hokage-sama and brought all the corpses to Root.

"Bloodlimit!"

Danzo sighed and said, "It's really jealous."

The wooden escape of the god of Ninja, the kaleidoscope of opponents of the god of Ninja.

These two things are bloodstains that the whole Ninja world covets, but since the first generation took people and Madara to leave, no one has appeared.

Oh, it's not right.

The dead Senju Patriarch also awakened Wood Release at the last moment.

Danzo walked in front of Chief Uchiha and looked at his closed eyes. When he saw him, Chief Uchiha kept his back to him, and then...

He committed suicide without saying a few words.

"What a shame." Looking at Chief Uchiha who closed his eyes, Danzo touched his bandaged right eye and murmured, "In that case, stay and give it to me!"

"Let these eyes continue to guard Konoha."

Directly stretched out his hand to open the eyes of Chief Uchiha.

Result...

Danzo stared at Chief Uchiha's eyes with widened eyes, and said in an incredulous tone, "Kaleidoscope!!"

That's right, it's not the three-hook jade reincarnation eye that the original patriarch Uchiha had, but...

The three gouyu revolve and connect to form the eyes of the wind model.

just...

"Why is there only one?" Danzo frowned while looking at the empty eye socket on the other side.
