

## Uzumaki: I can comprehend anything

### *Chapter 41 - Teaching Live*

"Everyone gather!" Lucci shouted giving command to everyone, and the people of Uzumaki and Senju did not fail him at all.

With just one voice they instantly gather behind him forming a perfect line while standing straight waiting for his next command.

"Listen up, we are going to conduct a live class today, and we are using them, the enemies as the living target, you need to listen and watch carefully, what I'm going to show you is the foundation of the Uzumaki Taijutsu Technique."

All of them nodded.

"CP0 move, open a door for us."

"Yes!"

One of them walk in front of the barrier, he then perform couple of hand sign then rip open a hole for them.

"Enter, I want a minimal and fast action, as for the Vice and Leader of them, I will going to take them."

"Yes."

Swish!

In instant, the people form CP0 disappear while the hole also close.

They then heard Lucci's voice on the device they holding.

"Uzumaki Taijutsu Technique compost of 3 different attributes, speed, strength, and defense, we as Ninja has the ability to use speed in the most efficient and powerful way so speed is not going to be hard for us."

"I will show you the technique that is included in Speed Category."

Lucci appear infornt of the Captain of Hidden Cloud Village.

"Enemy? Good, I can finally kill you scum of Uzumaki!"

The Leader of Hidden Cloud Ninja pull a sword behind him, he then launch his self performing fast slashing technique.

"Swish!"

When the blade is about to cut Lucci, the Shinobi of Hidden Cloud can't hide his excitement, he finally get one of the annoying Ninja of Uzumaki.

"Die scum!"

Swift!

"Ha?"

"Shunpo, Flash Step." Lucci appear behind the enemy making everyone suddenly stop while looking at him.

"Teleport Jutsu?"

"No wait! Why there's no smoke? And I feel his movement is smoother than Teleport Jutsu?"

Without even looking at his opponent, Lucci continue to teach them.

"Not like the traditional Body Flicker Technique, Flash Step is more convenient, extremely fast, and also deadly, you don't need chakra using this technique that's why this technique fall into Taijutsu Technique."

...

Outside

Senju Hen broke sweat when he see the technique, it's fast, he can't even trace any movement or change when he use it.

He is sure that even if the most skilled Body Flicker Technique User can't perform such extreme speed.

And more importantly, he is sure this techniqua is more dangerous if they find a perfect technique to attack while using such unbelievable speed step.

...

"Damn you don't treat me as nothing!"

Out of nowhere, Shinobi of Hidden Cloud burst in power and stab Lucci's back making everyone scared silly.
