

Uzumaki: I can comprehend anything

### *Chapter 43 - Speed is Power*

"Hell Stab!"

When Lucci blink his eyes Kumo Shinobi's finger is already near his eyeballs, it so near that his eyes is about to hit by fast finger jab.

"Shunpo."

"Finger Gun."

Stab!

Lucci disappear and appear behind Kumo Shinobi, using his finger, he stab the Shinobi's left shoulder using one of his finger.

Pulling his finger out, blood splatter from the shoulder of Kumo Ninja, he can't even understand how he appeared behind him at same time counter using same technique he use.

"Finger Gun, utilizing your blood and cell to hardening your fingers, you can also harden any part of your body to block a powerful or deadly attack."

"Without using a single bit of Chakra or even stools, you can perform a powerful attack that is lethal to anyone."

Lucci raised his long leg.

"Wind Step: Flash Kick."

Kumo Shinobi look at the long leg coming from him, he raise his arm to block it but the power from simple kick broke both of his shoulder and three of his ribs.

"Instant Step!"

Click!

Lucci appear to the fallen Kumo Shinobi, with the Chakra Bracelet, he put it on the fallen Leader to seal all of his Chakra and also capture him.

"Uzumaki Taijutsu Technique, utilizing speed converting it to power at same time using simple but effective technique, you can fight even a Elite Jonin using only Taijutsu."

"Of course, if you really want to see the strongest form of Taijutsu, you need to perform all hellish Training Program."

Lucci remove his clothing showing his broad-shouldered and muscular middle body.

Putting his two fist in front taking horse stance.

"Make way."

Hearing this, everyone jump back giving way for him.

"Using pure strength, and perfect muscle control, you can perform a special technique producing shockwave that can destroy mountain."

"Uzumaki Secret Art: King First!"

ZzzZZzzz!

The air start to vibrate, Lucci's body start to grow larger, huge veins start to appear on his arms and then.

Rumble!

Rumble!

Rumble!

..... Ping.....

Bang!

Everything in front of Lucci explode, Shinobi, tree's, rocks, and even the huge barrier destroy from the shockwave that comes from his fist

"Young Master said that human body hide unlimited potential, anything is possible if you have will to advance forward."

He then put his clothes back and look at them.

"Uzumaki is not just Sealing Expert, with Young Master, we can be expert on any

type of Jutsu, what you only need to do is follow Young Master."
