

Uzumaki: I can comprehend anything

Chapter 44 - War Report

The whole end of war last until two days and three nights, this takes to long even though that Uzumaki Clan is the most powerful army the number of Ronin and group of Shinobi who come from different village is huge.

The time to clean small groups that try to bypass all the blockage they prepared is huge not in number of people but number of group.

Cleaning all small groups required more manpower, manpower is the thing that Uzumaki Clan is lacking right now.

Because of the number of Uzumaki Shinobi cleaning all the Ninja inside of the kingdom takes huge time even though they bulldozer all the fight.

And in the end, the report finally come

Uzumaki Kingdom War winner Uzumaki Clan.

Number of participated: 1930

Number of Village participated: 12

Number of Great Village participated: 3 (Hidden Mist Village, Hidden Cloud Village, Hidden Stone Village)

Number of arrested Shinobi: 928

Number of Uzumaki Clan Casualties: 25

.....

"Expect all of this, we got thirty huge box of War Tools consist of Shuriken, Kunai, Detonate Talisman, and other."

"We also gather hard cast from the Shinobi we arrested is almost three million in total, we also got hundred of bounty people who is wanted allover the Ninja World."

"The Great General also got five huge boat without any damages, countless Ninja Scroll and Jutsu, and lastly is the 7 Great Sword from Hidden Mist Village."

Xin look all the report and pass it to the Great Elder to work to it, he then asked." Is everything is clear now?"

"No rebellious ninja left, no hidden Anbu, or not single Shinobi escape from our group."

"Excellent."

"Young Master, what do you want to do with those hostage?" Great Elder asked.

"All the Rebellious Ninja should change to bounty, the other should asked their own Village for random, while those left will send to the mone as punishment."

Xin then wrote something and pass it to them.

"Each of them need to work in the mine with minimum of two years and five hundred gold to pay their own Ransom, we can also accept exchange if they have important Ninjutsu to lessen their ransom."

"Are you sure Young Master? Those Ronin is hardheaded, they maybe choose to escape if we are not looking."

"Don't worry, I prepare everything for those prisoner, and also, there's no food for lazy, punishment for those who can't accomplish the task of day."

"Yes!"

"Send them in Iron Mine, they are strong enough to break large iron rock, just don't let them have opportunity to escape."

"Yes."

He then look at Lucci.

"What about those rats?"

"They are moving as we speak Young Master."

"Finally willing to come out of their nest? Call me if they arrive, I want to hear what kind of reason they come up."

"Yes!"

...

Meanwhile the Konoha Shinobi is running in fast speed, hearing the war end they stop hiding, they want to see the results and also pick things the Uzumaki Clan left behind.
