Chapter 461: Black Zetsu's Worry

"Damn it!"

Seeing that Konoha ninja no longer fights against the ninja of the Daimyo Palace, but directly grabs the ninja, the other ninjas in the ninja village suddenly scolded, but they did not stop, but

"The Art of Water Escape Water Dragon Ball"

"Rock Escape!"

"Wind Escape!"

"..."

"Black Zetsu, that kid can obviously make the Five Great Ninja Villages fight in this way."

White Zetsu looked at the five Great Ninja Villages not far away, and said to Black Zetsu speechlessly,

"Why did we seduce us that time? Four Ninja Village starts with Konoha?"

That bastard cause a huge mess.

"What a damn kid!" Black Zetsu narrowed his eyes and said, "I don't know what happened to Lord Madara now?"

"We need to know if our real mission can be known to others."

"Otherwise, mother is in danger."

He heard the news from White Zetsu's clone this morning that the ninjas of the five Ninja Villages wanted to come to the Land of Fire, so in order to see what was going on, he slipped over.

But did not expect, it turned out to be caused by the stele he made! !

"Ninja sword?" Black Zetsu narrowed his eyes and murmured, "What the hell does that kid want to do?"

Although this is in line with his idea of weakening the strength of Ninja Village, but he haven't figured out the real purpose of that black-hearted kid, and they are still a little uneasy in their hearts!

he don't know if Master Madara will be able to beat that kid after his resurrection in the future?

"Wait a minute!" When Black Zetsu was meditating, White Zetsu suddenly shouted, "Nana!"

"That kid actually came here."

"....."

That kid?

Black Zetsu immediately looked at the battlefield, and as expected

Yellow mask kaleidoscope and white mask reincarnation eyes. He doesn't even know where he bought the red-haired kid's cosmetic contact lenses.

"What the hell does he want to do?" Black Zetsu murmured while looking in the direction of Uzumaki Xin, "He came here suddenly."

There must be some conspiracy! !

"Black Zetsu, that kid seems to have spotted us." White Zetsu was silent for a moment, and said, "It seemed to have turned his head and took a look at us just now."

"He winked at us."

"....."

What a damn perception! !

Chapter 462: The Play

"Black Zetsu?"

Clone Payne took a mask and forgot to look in the direction of Black Zets. Then, with a meaningful smile, he muttered, "What are they doing here?"

Just after a while

Clone Payne was taken aback for a moment, and shook his head helplessly, "Don't you need to be so scared?"

He wouldn't do anything to the filial son of the Ninja world now, really

"Mouse!!" Clone Payne narrowed his eyes and said lightly.

Then, he turned his head and looked at his other clone

Shin Uchiha, now let's finish the play first.

"Crap!!"

Everyone looked at a white-haired hedgehog-headed young man avoiding all the ninjas, rushing into the caravan, and suddenly exclaimed, "Stop him."

However, it's too late.

Sakuma Hatake directly split the wooden box and looked at the exposed quaint knife handle, with the corners of his mouth rising.

"It seems that this is the Legendary Sword."

He stretched out his hand and grabbed it, then flipped sideways to avoid the attacking ninjutsu.

Sakumo Hatake knew that the next step was to avoid other ninjas and bring the Ninja sword back to Konoha.

As a result, I did not expect, when he is about to land

*Bump!

Suddenly a figure appeared behind him, grabbing Hatake Sakumo's shoulder, and then kicked him abruptly.

With a blank right hand, Sakumo Hatake turned around to look at the masked man in front of him and the evil eyes.

"Mangekyo!"

Everyone stopped and stared at the Mangekyo that appeared in front of them vigilantly.

"The legendary Ninja sword?"

Captain Sand Ninja squinted at the kaleidoscope and muttered, "Isn't he here for this legendary knife!"

Is it true that the rumors are true?

This Mangekyo destroys so many families, is it really just for the legendary cutting tool?

Just, what do they want?

Suddenly, all the ninjas here felt a breath of conspiracy.

"Master Danzo."

Sakumo HaTAKE returned to Danzo, frowning and said, "What should I do next?"

Unexpectedly, at the last moment, the target was robbed by others.

Danzo also touched his right eye, and then squinted at the one-eyed Mangekyo. He didn't know what to do now. He didn't expect that even this Uchiha who had been pitted by Konoha for so long appeared.

Could it be that Ninja sword

it is true?

But now, can only drag other Shinobi villages into the water! !

"Do it, leave this Mangekyo." Danzo shouted in a low tone, "These dangerous elements will definitely not let him run away."

"Yes!"

When the others heard Danzo's words, their eyes condensed.

Uchiha Shin, Mangekyo

Must die!

Suddenly, when all the ninjas made a seal to Uchiha Shin, and planned to keep him

Chapter 463: Biggest Fraud in the World

"Shin Uchiha!!"

An angry voice came out.

"You really showed up."

"Pain" Uchiha Shin held the quaint sword hilt braving the chill, looked at the people floating in the air, and said faintly,

"Pain?!"

At this time, everyone was staring at the legendary Akatsuki leader who suddenly appeared, a mysterious person with reincarnation eyes.

Everyone stopped doing in their hands, staring at the two masked men in front of him with alert eyes.

Although their Ninja Village

Both cooperated well with Akatsuki organization, but who knows if this suddenly appeared Akatsuki organization came to grab the Ninja Sword?

You know that is a Shinobi that can hit ten! !

Although it seems that the situation is not so bad now, at least

This reincarnation eye and Mangekyo seem to be enemies.

"You really appeared here." Payne said in a cold tone, "Uchiha Shin!"

"What are you collecting cutting tools for?"

Hearing what Payne said, everyone's expressions suddenly condensed, turning their heads to stare at Uchiha Shin

They also wanted to know what this kaleidoscope was going to kill for cutting tools everywhere, and what secrets they didn't know were hidden in these cutting tools?

"For peace in the Ninja world!" Uchiha Shin's mouth raised, and said lightly, "This world is already sick, and I"

"Shin Uchiha will bring real light and real peace to this world."

"..."

Hearing Uchiha Shin's answer, the ninjas in the major ninja villages were silent, right now.

Does it mean that doing bad things without talking about it for the sake of peace is not of high grade?

Otherwise, why are the arms sellers talking about Ninja Peace all day long? Even the head of the five ninja villages, Konoha, has to talk about Ninja Peace?

This genocide

This bastard also kept saying that for the peace of Ninja world.

Is this the reason for bullying them for not reading?

Otherwise, what does these things have to do with the peace of the Ninja World?

If they start a war in the future, do they have to shout for peace in the Ninja world?

If you don't shout, you always feel? Your own side is just like the villain! !

"Peace in Ninja World."

Hearing Uchiha's words, Pain was silent for a while, then shook his head, "Although I don't know what you want to do, there is only equality, freedom, and democracy."

Chapter 464: Fight Between Gods

"This is the only way to achieve peace in the Ninja World."

"You won't work this way, so"

"Take a trip to base with me."

"Stupid!"

Uchiha Shin snorted with disdain. "The Akatsuki organization is just a group of naive people."

"As far as you want to take me back."

Shin Uchiha raised his Legendary Sword at Pain, "It depends on whether you have that ability."

"Fire Release: Great Fireball Technique!"

Seeing the confrontation between the two people in front of him, the ninjas who had planned to intervene suddenly stopped, and then quickly backed away, with horror on their faces.

"This is ninjutsu?"

Looking at the ninjutsu that makes ninja incredible.

All the ninjas were silent.

Is this really what a ninja can release?

The shadows in their village are probably not so strong!

"What are we going to do now?" A misty ninja looked at Commander Thunder, and said with a bit of toothache, "Where is the power that a ninja should have?"

He has lived for more than 30 years now, and has been single for more than 30 years.

Haven't seen such a strong ninja, are they fake ninjas?

"Is Lord Thunder that strong?" Kiri Shinobi looked at the shaking mountains not far away, took a breath of air-conditioning, and asked, "This ninjutsu is simply incredible."

Commander Thunder also has liver pain, isn't he just on a business trip?

Why did you encounter a fight with a fairy?

This? Still want to grab that Legendary Sword?

"Look!" Commander Thunder said blankly while holding his own Shinobi, "If the last thing cannot be done, we will withdraw."

The rest of Shinobi looked at the showdown between the reincarnation eye and the kaleidoscope not far away with incredulous faces.

This ninjutsu

Even C-level ninjutsu is the same as forbidden!

"What a huge chakra!" A Konoha ninja said with emotion, "The first generation of adults should be so strong, too."

But Danzo beside him looked at Uchiha Shin with excitement, and muttered, "This is the power of the kaleidoscope, this is the power of the kaleidoscope."

It turns out to be so strong!

It really is a kaleidoscope that can compete with Wood Release, the god of Ninja world.

He touched the bandaged right eye, squinted his eyes and raised the corners of his mouth.

"I will definitely master this power."

"Master Danzo" Sakumo Hatake watched the gods fighting not far away, took a breath, and said, "What should we do now?"

Chapter 465: More Chaotic World

"Don't be bitter."

Uzumaki Xin patted Kakuzu on the shoulder, sighed, and said, "Although it can't be sold now, it will still be available in the future."

Just put it for a while.

Kakuzu finally followed him back to the Uzumaki Kingdom because this drama was over-acted, and now that fire bliss is simply the end of who sold it!

It is estimated that as long as the corners go to the black market to sell the legendary ninja swords, the ninjas of the five great ninja villages will suddenly emerge from somewhere, shouting for peace in the ninja world.

Although the horns claim to be the god of the Ninja world, their true strength

The strength of the four elites is only about the strength of Shinobi.

So I was beaten by the Five Ninja Villages

If you refer to the country of indefinite Uzumaki, you have to change the minister of finance.

So for the safety of the Minister of Finance of Uzumaki Kingdom, Uzumaki Xin still gives the corners of the hard-working businessmen a vacation!

After all, people have already made so many orders for Uzumaki Country, and it's time for him to take a break.

He is a black-hearted capitalist!

"And it's not bad to stay for a while." Uzumaki Xin said comfortingly, "The longer you put it, the more valuable this Shinobi sword will be."

After confirmation by that piece of ice, it is estimated that the ninjas in the entire ninja world are itching.

After all, who doesn't want to be invincible in the Ninja World!

People should not dare to accept the black market now!

Afraid of being eaten cough by the Five Great Ninja Village Black! !

And next time, I will only be able to sell Shinobi swords to the nobles or daimyo of the Land of Water..

As for Shinobi.

People want to buy things from you only with their fists, so if you go to Shinobi, you may lose money and people.

"Hey!" Kakuzu sighed, stroked the other quaint hilt in his hand, and said, "It's a pity."

This is tens of billions!

It is estimated that after the incident of Frostmourn this time, the price of this weapon would have to be doubled or three times higher.

After all, this is a Ninja sword with sword spirit

Who dont want this?

Chapter 466: Trouble Maker of Uzumaki

"Why didn't you pick up Frostmourne back then?"

Kakuzu said in a pitiful tone, "Otherwise, we can sell it again."

"..."

why?

Of course it is not to become the target of public criticism!

Wait a minute, the five major Ninja villages will focus their attention on Akatsuki, how will Uzumaki country develop?

To know, Uzumaki country is cooperating with Akatsuki organization!

It would be troublesome if the eyes of the five major Shinobi villages were gathered to the Uzumaki Kingdom!

Why bother to commit public anger for this Chakra Shinobi that can be burned in two or three hours?

If you really want to sell.

Wouldn't it be enough to make another one?

In this world where piracy is rampant

Who knows which one is true and which one is fake. Anyway, both of them are made by Uzumaki. At the most, at that time, let Penn and Uchiha Shin act in another scene, and then let Penn Yoshihide speak up. Say something

Sure enough, that one was fake last time, no wonder you gave up in the end, it turned out to be for this reason, it seems that this one

"It's true!!"

Isn't this over?

"So!" Uzumaki Xin patted Kakuzu on the shoulder, and said old-fashionedly, "Those who do big things should relax their horizons."

"...."

Kakuzu looked at Uzumaki Xin speechlessly. Is this bastard doing big things?

This is cheating!

Fortunately, he didn't use his identity to go to the black market last time, otherwise

It is estimated that he will become the number one profiteer in the ninja world!

"How many times are you going to sell in one go?"

Kakuzu said seriously, "Maybe I can help."

This is simply the way to get rich!

"Let's talk about it!" Uzumaki Xin sighed, shook his head, and said, "Now let's go back to the country of Uzumaki, there will be a big show in a few days!!"

"...."

Upon hearing the words "drama", Kakuzu suddenly trembled in his heart, and said carefully, "What? You want to do again?"

Last time, a huge chaotic war start becousue of the sword.

And now, he want to do it again?

Is he afraid the World become more chaotic because of his mischief?

Chapter 467: Holder of Ledendary Sword

Two Months Later

The national treasure of the water country appeared in the territory of the fire country. In order to compete for the Ninja sword, a fierce battle took place in the five ninja villages, and they all witnessed the power of the legendary Ninja sword.

It is possible to fight ten gods of the Ninja World!

I heard that the forest has become the sea, and it is still frozen and has not melted yet.

As for the end, who got this ninja sword?

Konoha!

The whole Ninja world knows, they are shouting, Konoha is shameless!

At the same time, the Land of Fire Daimyo condemned Konoha and acted wildly against the merchants in the daimyo prefecture.

This is an immoral and uncivilized phenomenon.

I hope that Naruto will deal with it seriously and rigorous ninjas use ninjutsu to endanger the healthy development of the ninja world.

"So, your last action was discovered by the daimyo mansion." Sarutobi Haruzen looked at the letter sent by Daimyo, and said, "That ninja sword."

"Got it?"

"Got it." Danzo nodded and said, "And the power is really incredible."

"What about the sword spirit?" Sarutobi Haruzen heard Danzo's words, took a cigarette, frowned and said, "Is there really a legendary sword spirit?"

"It's still unknown."

Danzo shook his head and said, "Looking at the behavior of the kaleidoscope at the time, it seems that it really exists, but no one can call out the sword spirit yet."

And, He don't know if it's not recognized by the sword spirit. That ninja sword doesn't seem to have ice dodge attributes, it's just a pure water dodge ninja sword.

As for the power, it's pretty good, but compared to the earth-shattering ice dodge

It's just like a scum.

"....."

Sarutobi Haruzen was silent for a while, and said, "Continue to study, this kind of Shinobi is incredible, let's see if Konoha can imitate it."

Even if you don't get the approval of the sword spirit by then, it's not a loss!

As long as the Shinobi is obtained by Konoha, nothing else matters.

"Be careful during this period of time." Sarutobi Haruzen smoked a pistol, and said lightly, "I will temporarily remove Gen's position as the leader."

"Konoha needs at least an explanation to the daimyo."

"I understand." Danzo nodded and said blankly, "I'll make Gen more careful recently."

What lifts the leader position of the root.

Chapter 468: Musume Uzumaki

This is just for external purposes, but we still have to make the roots less active!

Otherwise, the daimyo's face would not be easy.

It's just, he also plan to let the root ninja go down to the grassroots and help the villagers during the spring plowing in a few days. Danzo wonder if he can catch up?

And daimyo, his age should be old, and it's time to retire, or else the pot will come down.

What if the daimyo does not recognize him as Hokage?

"What a pity!" Danzo sighed and murmured.

Sarutobi Haruzen was taken aback, and nodded, and said, "It's a pity, I don't know if anyone in the village can get the approval of Frostmourn?"

....

Weeks Later

Third Hokage angrily criticized Danzo's consultant for ignoring the village's orders to act privately, so that he caused damage and loss to the Damingfu, so he decided to dismiss Shimura Danzo's advisory position and let Gen disband at the same time.

And will send a ninja to the Daming Mansion to explain to the Daming in person.

"It's really the Hokage who has been in office for the longest time!"

Uzumaki Xin sighed, shook his head, and said, "Sure enough, it's not just because of others' good intentions!"

Also because there is no taint in politics at all.

Even if Orochimaru defected in the end, Sarutobi Haruzen could win the name of kindness, kindness, and lover.

So it is not unreasonable to say that people can succeed.

Can Hokage Group help him, can it be unsuccessful?

...

Senju Clan

"Cough cough, have you learned it?" Uzumaki Mito coughed twice, covering her mouth, "This is the sealing technique of the Uzumaki family, very suitable for your physique."

The apology in his eyes flashed, and he gently touched the blonde girl's head, and fell silent for a while.

"You..."

"You all know, right?"

"En!" Musume nodded, and whispered, "I see."

Become a Nine-tailed Jinchuriki.

Those ninjas wearing masks had already told her these days, and another gentle grandfather with a smoker had also told her.

Although she a little scared in my heart, this creature like a tail beast...

She also heard it in Konoha, it is a very terrifying psychic beast.

"Don't be afraid."

Uzumaki Mito touched Musume's head and said gently, "Although Kyuubi is feared by the world, it is actually very lonely, and it is also emotional. People are afraid, so why is it not afraid and so..."

"You need someone to tolerate it and appease it."

"And love..."

"It has incredible power and can make a person burst out with unimaginable power."

Chapter 469: New Jinchuriki

With a smile on Uzumaki Mito's face, she said, "Is there anyone who likes Musume?"

"Huh~."

Musume's face turned red immediately, her little hands stirred the corners of her clothes, and he whispered, "No."

"Haha!" Seeing the appearance of the Musume, Uzumaki Mito was taken aback, and suddenly laughed, "Don't be afraid, you have the blood of the Uzumaki clan anyway."

"The girls of the Uzumaki Clan are very passionate and unrestrained. If you meet a boy you like, you will never give up."

"And so..."

"Musume, don't have any scruples."

"En." Musume said with a nasal voice, "Master Mito."

"Call me Mito...Grandmother." Uzumaki Mito touched Musume's head and said gently, "So..."

"Are you willing to accept Kyuubi?"

Musume was silent for a while, nodded, and said, "Well, I am willing."

"Mito... Grandma."

"Good boy, really good boy!" Uzumaki Mito said with emotion with tears in his eyes, "Finally..."

"I hope you don't resent the village's decision."

"No." Musume raised her head to look at Mito in doubt, and whispered, "Konoha is fine."

"Yes!" Uzumaki Mito raised her head sadly, with memories in her eyes, "Konoha is very good..."

"Harmonious, full of vitality, Shinobi Village."

"This is the ideal place of Hashirama!"

Uzumaki Mito looked at the little girl standing in front of her and hesitated. Finally, she sighed, looked at Musume seriously, and said, "Grandma Mito has something to tell, don't tell anyone. "

"En." Musume raised her head and looked at Mito curiously, nodded, and said, "I won't tell anyone."

When Uzumaki Mito saw Musume's cute little face, a trace of guilt flashed in her eyes and closed her eyes.

"If you encounter a dangerous thing, you can't solve it by yourself."

"You can go to the Uzumaki Kingdom for help."

"He..."

"He will agree."

...

Uzumaki Kingdom

"Is it an iron-clad ship?" Uzumaki Xin looked at the scientific research project submitted by the research institute, raised his head and looked at Old Patriarch, and said, "Is there enough iron ore?"

"It's enough." Old Patriarch nodded and said, "After making the other Shinobi's cutting tools, there is still a lot left."

"So the elders decided to study the manufacture of iron-clad ships and try to build a small one first."

"Is that so?" Uzumaki Xin touched his chin, frowned, thought for a while, and said, "Let the elder take care of it."

He is not very familiar with this party at all, so he can only exchange some information from the system.

Unknowingly, the Uzumaki Kingdom has come to this point, and it has slowly entered the initial stage of the industrial revolution. he wonder if the future technology can build a Gundam and conquer the sea of stars?

Doesn't the nine-tailed machine made by Orochimaru have a taste of Gundam?

It's just that the technology of the Ninja World is useless to get the right way.

It just seems impossible at this stage.

"The Great Elder didn't mean that." Great Elder shook his head and said, "but let me inform you that the dust is not enough."

"..."

Chapter 470: Ye's Family

"Husband, tomorrow is the Uzumaki Kingdom Festival. The shopping malls are discounted. I may not have time to deliver food to you." Ye's Wife looked at ye apologetically, folded her hands, and said, "I'm very sorry."

"It's okay." Ye also stunned when he heard his wife's words, and said with a smile, "Since it's a festival tomorrow, then we should have a good rest."

"It's time for Little Ming to go to school after more than two years. By that time, he won't be as relaxed as he is now."

"As for lunch, I can settle it in the cafeteria."

"Thank you." When Ye's Wife heard Ye's words, she immediately hugged him, kissed him on the face, and said, "Your clothes are all old, so I will buy some more at a discount tomorrow."

"No, Wife." Ye also shook his head and said, "I already have a lot of clothes. You have bought enough for me. You should buy some for yourself and Little Yos."

"But..." Ye's Wife looked at Ye and was about to say something...

"Wife." Ye also held Wife's face, looked at her calmly, and said, "Look at me."

"You don't have to do so many things for me."

"It's not your business if I betray Ninja Village. You don't have to feel guilty. I feel very happy here."

Although he despised by other ninjas.

"And I also feel very happy and happy to meet wife here."

"And so..."

"I am sorry for you."

Ye also looked at his wife in guiltily and said, "I am sorry for you and Little Yos."

Although he did not want to say, but because of his traitor status...

The neighbors around him did not move with them. Fortunately, the Uzumaki Country was bound by the law, and they did not do anything to harm others.

This is also what he is grateful for in the Uzumaki Country. You must know that other places have always been traitors...

Destroy the whole clan! !

"No." Ye's Wife shook her head, staring directly at Ye, and said quietly, "I am also very happy."

Hear what his wife said...

A smile suddenly appeared on Ye's face and said, "It's nice to meet you."

Yup!

Although the fact that His Highness Xin asked him to do it is...

But it is undeniable that he likes this kind of peaceful, peaceful life.

and so...

Thank you, Uzumaki King!

Thank you, His Highness Xin!

....
