

Uzumaki 491

Chapter 491: Ya's Over Reacting Reaction

He was just betraying Shinobi, and he didn't expect Uzumaki Shinobi to compromise because of him.
This...

It's incredible, you know, in the ninja world, there is no ninja doing this, usually...

Kill the hostages together with the enemy!

"Brother Uzumaki, leave me alone, do it!"

That's not bad...

If he sacrifices now, he should be rated as a hero!

At that time, his wife and his daughter will definitely get subsidies from the state. Those who live a good life, I heard that the children of heroes will have S level honey every month, and as long as they become heroes, then...

The people in the neighborhood will definitely not look at them with colored eyes anymore. Although his wife didn't say anything, he felt that wife was still a little uncomfortable in his heart.

and so...

"Open...cough cough, do it!"

"..."

Ryu and Keita looked at each other, this Ya also...

It's over!

It's just too much!

"Or we don't save it." Keita said helplessly, "he said so, let's do it."

"Required above." Ryu shook his head and said, "Don't mess around."

"Okay!" Keita said with a flat mouth, "It's really troublesome!"

They want to do it too!

But circumstances he doesn't allow...

Seeing that the Uzumaki people were still tangling, Ya also opened his mouth again, intending to let Uzumaki move his hands...

"boom!"

Juzo directly hammered Ya's neck and opened it...

Open your uncle!

If you hang up, will they still run away?

There are wives and daughters, so what can't you think of?

Since you want to die so much, take him to Hidden Mist Village later!

He glanced at Ya who was unconscious with satisfaction...

"Uzumaki, are you finished preparing?" Juzo said viciously, "Don't delay any more time."

He knows that the red-haired kid knows space ninjutsu.

Hold on, if that kid comes...

They really can't run.

And so...

"I need to see things right now!"

"Otherwise..."

Chapter 492: Kakuzu Run Away

"Grandpa Madara."

Uchiha Mikoto frowned, looking at the surrounding scenery, and said, "What are we doing here?"

There is no one here, there are trees everywhere, what do you do in such a remote place at night?

What a great shopping street!

There is not only food, but also many places to play.

Why is Grandpa Madara coming here all of a sudden?

"Let you go, you go." Madara shook his head and said lightly, "Don't talk too much."

The commercial street is so lively that he, the old bachelor who has been in the hole for more than ten years, is a little uncomfortable. He just happened to have a full meal and just wander around.

"Wait."

Suddenly Madara frowned, pointed in a direction blankly, and said, "Go there."

There...

What seems to be wrong?

...

"Don't do it yet?" Kakuzu said, looking at Mist Shinobi not far away, "It's really nasty!"

Why is this kid so fond of playing people like monkeys?

"What kind of fun?" Uzumaki Xin shook his head and said with a smile, "This is all for the development of Uzumaki Kingdom."

If you look at the joining of Ronnin and Wandering Ninjas in recent years, you know...

Uzumaki country is famous!

"Haha." Kakuzu curled his lips disdainfully, and said, "According to me, you have this strength, you should have directly acted and let other Shinobi surrender."

"You don't understand." Xin shook his head and said, "If you take it slowly, there won't be so many troubles."

If they are forced to surrender directly by force, it is only a superficial surrender, and chaos will happen sooner or later.

And this...

After a while, everyone is a citizen of the Uzumaki Kingdom.

If the Uzumaki Kingdom is too compelling now, it will do more harm than good!

It's so good now, it doesn't have to be so hard.

"Wait a little longer, we will..."

However, the words are not finished yet...

"f**k!!" Uzumaki Xin's eyes widened and said, "Why is Boss Madara here?"

At this time, Mr. Madara doesn't eat tofu flowers, what else is he running around doing?

Don't make any accidents!

"Who's here?" Kakuzu frowned, holding the telescope, looking in the direction of Uzumaki Xin, and then...

Slowly put down the telescope and said blankly, "I suddenly remembered that when I went out, the stove fire had forgotten to turn off. If there is nothing wrong, I will leave first."

That old man...

He seems to have seen it!

Chapter 493: The Play

Dint you fight Hashirama and win after escaping? Why are you running this time?

"Damn!"

Uzumaki Xin watched speechlessly, stood up and patted the dust, then...

The corner capital who left instantly!

What a fluent operation!

All day long, you talked about the god of the Ninja World fight, and the result was...

Seeing that the god of the true ninja friend, you start running to escape?

Still the stove fire up?

Mother Gan!

You don't know how to cook, there is no such thing in the house, okay.

Looking at the disappeared Kakuzu, Uzumaki Xin shook his head helplessly, and then turned his head to Madara. The last time Madara joined Uzumaki Kingdom, he hadn't told Kakuzu, but he didn't expect Madara to be so old Now, Kakuzu can actually recognize it.

Now that Madara is in a wheelchair, why are you afraid of doing?

Stronger than old...

You won!

"How do you play the script now?" Uzumaki Xin raised his mouth, with a funny smile on his face. He narrowed his eyes and murmured, "I don't know what Madara would do?"

Anyway, it was all messed up, so he quietly watched the big show that this spotty boss joined.

Maybe it's more interesting and uncertain, and this is the country of Uzumaki, Uzumaki Xin can pat his chest and say, just make trouble, it doesn't matter.

As long as he is still in the country of Uzumaki, no problems will arise! !

Uzumaki Xin looked at Mist Shinobi's side with pity, a face full of justice, generous to stand in front of all Mist Shinobi... The fat man murmured, "Good luck!!"

There is a big guy who wants to play, he can't refuse as a director!

So, what will happen to the next plot...

As a director, he doesn't know either!

Just ask for your blessings!

...

"Grandpa Madara, there seems to be something wrong in front." Uchiha Mikoto frowned and glanced forward while pushing the wheelchair, and said to Madara, "A lot of Uzumaki is around. Why don't we change places?"

With so many Uzumaki Shinobi, you don't need to look carefully to know that they are definitely performing a mission, so they still don't want to join in the fun.

And there is that voice...

"Hostage?" Uchiha Mikoto looked at Uzumaki in the encircled circle, "This is Uzumaki country, where does this other Uzumaki come from?"

Chapter 494: The Play Start

Uchiha Mikoto seemed to think of something. After spending so long in Uzumaki Country, she also knew a few things, especially the Kiri Shinobi...

Every time, the people of Uzumaki will bring it up as a refreshment after dinner!

There was a group of shameless and shameless Kiri Shinobi stealing, but they were discovered by the just and brave Uzumaki. In the end, after fierce battle, all Kiri Shinobi was arrested alive.

Could it be that these mists have escaped? ?

"Let's take a look." Uchiha Madara seemed to have guessed something as well, with a blank expression on his face, said lightly, "It's really annoying that it's noisy at night."

He just want to find a quiet place, why is it so difficult?

...

"Are you ready?" Juzo brandished a fruit knife and roared, "Otherwise..."

He looked at him with a sullen face and was fainted by himself, "He is finished because of your Uzumaki Shinobi. "

"You Uzumaki must be responsible!!"

"Immediately, immediately." Ryu shouted, clutching the paper horn, then turned to look at Captain Zimu, "It's time to do it."

"It's almost done." Zimu touched his chin, frowned and said, "According to the script given by His Royal Highness Xin, there will be a pro-worse member on Kiri's side next, but..."

Looking at the mist in front of...

Who will it be?

"It seems that you don't want hostages anymore."

Juzo saw that Uzumaki was still indifferent, and he didn't know where they were being tricked.

Thinking of the name of Uzumaki Kingdom, that young devil with shadow power, once he was caught When he caught it, they really couldn't leave.

They suddenly looked fierce, holding a fruit knife, and shouted, "If this is the case, don't blame me for being ruthless."

That kid is too strong, especially the space ninjutsu. If he is really rushed, all the mist ninjas here will be finished. In this case, it is better to...

Juzo squinted, looking dangerously at Ya on his left hand...

Stabbed him!

Give the whole ninja world a warning...

Betrayal will be nothing.

However...

"Don't be like this." Just when the Juzo was about to do it, Fuguki Suikazan shook his head and said, "We still have a chance."

You kill people now, how will he betray then? How did you join the Uzumaki Kingdom with Mist Shinobi?

Isn't this going to cause trouble?

"We definitely can't give up easily." Fuguki Suikazan said righteously, "Although we have food, sleep, and big fish here, except for homework... A little bit, there is nothing wrong with it."

Chapter 495: Emotional Play

"Even if we return to the village, we will continue to chop people and perform tasks, and even get half of the reward. We are exploited by the village chief and live in dire straits."

"It's not as free and happy as living in the country of Uzumaki."

"But we still love Hidden Mist Village."

"Even now because of the reason of escaping, I start to be frightened, spiritually decadent, wandering, and may even be finished..."

"But trust me..."

"We still have a chance!!"

"The light is right in front of you!"

Fuguki Suikazan Ghost clenched Juzo's right hand, stared at him tightly, and said, "We can't give up."

It is not the time yet, and the Mist people must feel hopeless. After they begin to despair, it is the moment when the watermelon mountain puffer fish ghost jumps out. In this way, Mist Shinobi will follow him willingly to join the Uzumaki Kingdom.

With so many Mist Shinobi, maybe he could be the same as Ya, as the battalion commander, and embark on the pinnacle of life.

"Although we are about to die, we will be killed by the Uzumaki Kingdom with the detonation talisman and ninjutsu, and the ashes will be wiped out, and there will be no place to die,"

Fuguki Suikazan looked at Juzo with clear eyes, and said, "After death There is no peace, and even the wife of the village may remarry, the son is bullied, the house is confiscated, and the elderly are not supported."

"But..."

"We are all ninjas from Hidden Mist Village. We absolutely cannot surrender to the Uzumaki Kingdom, and let the hateful Uzumaki Kingdom arrange jobs for us, and then get married and buy a house, have children, and live a happy life."

"We absolutely can't do this." Fuguki Suikazan shouted, "It is absolutely impossible to surrender to the country of the Uzumaki!"

"We are the ninjas of Hidden Mist Village!!"

Fuguki Suikazan looked at Juzo with clear eyes...

"Trust me!!"

"..."

Chapter 496: Wrong Script?

Believe you a ghost!

Juzo looked at the Fuguki Suikazan with a speechless expression, can't you stop talking?

Now he have felt your loyalty to Hidden Mist Village and the will of water in your heart, that is...

he don't know why I heard you say that, those ninjas who were vacillating and had no family in the village now want to surrender even more.

When the Juzo was ruthless, and was about to stab Ya to death, when he closed the Mist Shinobi to a dead end.

"No way!" Fuguki Suikazan quickly hugged the Juzo and shouted, "I..."

"f**k!!"

However, before the words were finished, a foul language burst out.

How is this going?

Why did the surrounding Mist Shinobi fainted to the ground?

This script is wrong!

Director, this script is wrong!

This climax is about to begin, and I'm about to lead Mist Shinobi to surrender!

Why did you do it?

Could it be...

The Uzumaki over there didn't receive the script at all, waiting to be impatient, planning to wipe them out?

Thinking of this, Fuguki Suikazant suddenly changed his face, quickly let go of the struggling Juzo in his arms, jumped out and waved to the Uzumaki people, shouting, "Don't...don't shoot, I'm... "

However before the words are not finished yet...Fuguki Suikazan rolled his eyes and fell directly to the ground...

"This..."

The Uzumaki people looked at all the Uzumaki who was lying in front of them in amazement, and murmured, "What's the matter?"

Why are you all fainted?

They haven't done it yet, and they have followed the process that was given to them...

Is this the script?

Mist Shinobi was condemned by the heavens in the Uzumaki of justice, light, and peace because of his many crimes. In the end, he was all finished?

What is the significance of this play?

Is Your Highness Xin too boring?

"Captain Zimu..." Ryu looked at Mist Shinobi in front of him, hesitated, and said, "What should we do next?"

Help Mist Shinobi dig a pit to prevent them from violent corpses in the wilderness, thus reflecting the benevolence and morality of the country of the Uzumaki?

He don't know why, Keita suddenly felt a little liver pain!

Is this the script of His Royal Highness Xin?

"Don't ask me, I'm also embarrassed now." Zimu stretched out his hands helplessly and said, "I haven't had this script yet..."

....

Chapter 497: Madara Almost Got Involved

"This old man, why did you come here?" Zimu frowned when he saw an old man and a little girl who suddenly appeared, "Now is a special situation, please show your valid certificates."

These two people are here at this time...

Wouldn't it be a gang with Mist Shinobi?

"Sorry." Uchiha Mikoto said with an apologetic face, "We just came here by accident."

Then, she took out her ID card.

"This is a professor at the Uzumaki Country Affiliated College, and I am his assistant."

Uchiha Mikoto handed over her ID card and said, "This is my ID card."

As for Grandpa Madara...

"Grandpa Madara?" Uchiha Mikoto looked at Grandpa Madara carefully and asked, "Where is yours?"

Although she don't know why the group of mists lie down, it is definitely related to Grandpa Madara who is sitting in a wheelchair in front of her, and just now...

How did she feel a familiar chakra just now?

It's really weird!

"Huh!" Uchiha Madara rolled his head in disdain, and said lightly, "Nothing."

"..."

Did not bring?

Isn't the Uzumaki Country clearly stipulated that every citizen needs to carry a valid certificate with him?

This is also to prevent other ninjas from Ninja Village from sneaking into the Uzumaki Kingdom.

Just now...

What can we do about it?

Uchiha Mikoto looked at Captain Uzumaki who frowned and stared at them, haha, and said embarrassingly, "Sorry, Grandpa Madara is a bit older. It is estimated that his family members did not let him prevent the loss of their documents. He brought it out."

"..."

When Uchiha Madara heard what Uchiha Mikoto said, he was taken aback for a moment, with a black line on his forehead, squinted, and raised his head to stare at Uchiha Mikoto. Is the current Uchiha girl so crazy?

He, Uchiha Madara, used to ride the nine-tailed Ninja world like riding a horse, how could he grow old?

"You..."

Just about to say something.

"Humph!"

Uchiha Mikoto glared at Madara and told Madara not to speak.

"..."

Forget it.

Uchiha Madara shook his head helplessly. He is so old and doesn't care about these little girls. Otherwise, if he knows about it, he will definitely be teased by him. He snorted without expression, don't Opened his face.

"Sorry, because it is a special reason now." Zimu checked Uchiha Mikoto's ID card, but found no problems, handed it back, and said, "So you need to come with us to the Public Security Bureau for investigation now."

"If the situation is true..."

However, before Zimu finished speaking...

"No need." Uchiha Madara raised his head faintly, and said blankly, "Someone can prove the identity of the old man."

Who?

Chapter 498: Madara's Confusion

"That sneaky red-haired kid over there."

Uchiha Madara turned his head directly, looked at a tree next to him, and said, "Don't come out yet."

When he entered this forest, he had discovered two ninjas hiding in the dark.

He don't know why, but one of them suddenly slipped away.

And there is one left...

With such a huge chakra, and a sense of familiarity, who else is there besides the name of the Uzumaki Kingdom?

"Haha." Uzumaki Xin's helpless chuckle came over, and then, he immediately flew in front of Uzumaki Zimu and said, "This old man is indeed a new professor at the Uzumaki Country Affiliated College."

Then, he smiled and nodded at Uchiha Mikoto who was pushing the wheelchair.

What a headache!

Originally intending to slip away directly, he didn't expect to be discovered by Madara's boss in the end.

"So that's it." Seeing His Royal Highness Xin appeared, Zimu relaxed in his heart.

It seems that the one in front of him was passed down some time ago, he is old enough to walk on crutches, but I still want to educate him. Give your own strength in your career, that old man is.

Thinking of this, the Uzumaki behind him suddenly awed in awe, saluted Masha, and said, "Offended."

Seeing this scene, Uchiha Madara, who was a little unhappy in his heart, snorted coldly, nodded, and said nothing.

"Hold all the Mist Shinobi." Uzumaki Xin looked at Mist Shinob behind him, shook his head helplessly, and said, "Continue to shut down to the labor camp, and at the same time increase the strength of supervisors."

"Don't let them escape again."

"Yes!" Uzumaki ninja replied respectfully, and then hurriedly started to clean up the venue.

His Royal Highness Xin is clearing the venue.

...

"What the hell do you want to do?" Uchiha Madara squinted at Uzumaki Xin. As for Uzumaki's behavior, he didn't pay attention to him. He just wanted to know what the kid wanted to do now?

Obviously it can be easily resolved, why should this vortex stay behind?

"For the peace of the Ninja world." Uzumaki Xin said righteously, "Everything I do is for the peace of the Ninja world."

No matter why, just go to the Ninja Realm or other place..

There will be people who understand it by themselves, and don't need to explain it in person.

His ultimate goal is indeed for peace in the Ninja world!

Sure enough, Uzumaki Xin is still a conservative person, facing this materialistic Ninja World, he has not changed his ideals.

Do not forget the original intention, always have to.

Uzumaki Xin ignored Uchiha Madara, who was covered with black lines, and Uchiha Mikoto who was snickering on the side.

At the same time, in order to prevent Uchiha Madara from asking again, he quickly pointed in one direction and said, "Look, fireworks!"

Chapter 499: Ya's Reward for His Action

Yesterday, at 10 o'clock in the evening, a serious criminal escape occurred in a labor camp located in the south of the country of Uzumaki.

The ninja in the village of Uzumaki was stolen by our beloved Uzumaki policeman for invading the country of Uzumaki five months ago.

The stolen goods were taken and sent to the labor camp for rebuilding, but these bad-behaving mist ninjas did not devote themselves to accepting the reform, and they secretly gathered to discuss the hijacking of the labor camp commander and escape.

Fortunately, our witty Uzumaki police found out.

Immediately, the united army carried out a carpet search, and finally found the fugitives who were fleeing.

However, because these fugitives were holding hostages in their hands, the police always put the safety of the hostages first, and did not dare to act rashly with them. In a stalemate, in the end, an enthusiastic citizen who was over 50 years old and gray-haired came out to assist the police and captured the fugitive in one fell swoop.

It is really gratifying and gratifying.

"So, I was rescued by an old man yesterday?" Ya looked at today's morning paper and looked at his wife, Hua Jia, and said with emotion, "It's really unpredictable!"

"Yeah!" Hua Jia nodded, and said with a look of gratitude, "I thought something happened to you when I saw the Uzumaki policemen carrying you back last night."

"Finally, I asked the Uzumaki police to find out what happened."

Walking to Ya's side, he sat down and smiled and said, "I have also sent a notice from above. You can take a break in these two days."

Take a closer look at Ya's body, "Is there anything uncomfortable in your body?"

"Do you need to see a doctor?"

"Uncomfortable?" Ya also shook his body in doubt, then touched his neck and said, "It's just that the neck still hurts a bit."

That fangs bastard, think he will be noisy and will not gag him!

What did he chop off his neck for?

"Hiss!" Ya raised his head and sucked in a cold breath, and said, "What a cruel move!"

"Be careful, be careful, don't move." Looking at Ya like this, Hua Jia hurriedly helped him to lie down and complained, "You said~, why was you kidnapped by others?"

"I'll take you to see the doctor later."

"That was just an accident." Ya waved his hand with a smirk, and said, "It's okay, it's okay, it's just a little bit stiff, just take a rest."

Suspiciously, he pinched a seal and frowned at his hand. "It's..."

"It feels a little weird in your body?"

"What's wrong with you?" Hua Jia panicked when he heard Ya's words, and said, "Don't scare me! Or let's go to the hospital for a check now."

"No need."

Suddenly...

Ya showed an excited expression on his face and said, "I know what's going on."

"The seal on me..."

"It was lifted."

Chapter 500: Next Plan

"This ending is really..."

Uzumaki Xin showed a helpless smile on his face, shook his head, put down the newspaper, looked at Naga in front of him, and said, "Are you ready for the pennant made by Madara?"

"It's been finished overnight." Uzumaki Naga pushed her glasses and said, "According to your requirements, it should be big, eye-catching, and gold-rimmed. Now it should have been sent to Old Man Madara."

"That's good." When Uzumaki Xin heard this, he narrowed his eyes and murmured, "I hope Madara will like it."

This is something not even Hashirama can get.

And this also means that Boss Madara has made an important contribution to society.

How meaningful!

Thinking of the time when the dirty soil Hashirama reincarnated, Madara took him into the room, pointed to a wall, and said, 'Look, how much I have done for the people. '

Gee... really interesting.

"What will the group of Mist Shinobi need to solve next?" Uzumaki Naga frowned and asked, "According to the patriarch and the elder, they think they should kill directly, otherwise, it will have a great impact on the future of Uzumaki Kingdom. ."

After all... If there is no punishment for escaping from prison, then it will be troublesome for people to think that the law is a decoration.

"This really needs to be solved!" Uzumaki Xin touched his chin, frowned and fell into contemplation. In any case, it was a pity to just bury these more than a dozen Shinobi."

You must know that for the ninja world, Jonin can be a group of technical talents who can be alone.

For a country where Uzumaki is short of ninjas, if it can stay, it will definitely make a significant contribution to Uzumaki. It's just that if the Uzumaki ninjas are simply exempted from guilt, Uzumaki will return How to punish the rest of the criminals?

And also... What should that fat man do?

Because of a problem with his script, he is going to be finished with the Mist Shinobi?

It is estimated that he was dripping with blood in his heart, cursing the country of the Uzumaki.

"In batches." Xin sighed, shook his head helplessly, and said, "Smash them up and let them participate in the construction of the country and the sanitation in the community."

See if they can be accepted again after serving the people and join the great responsibility of guarding the country of the Uzumaki.

"We still have to find a weeping and songful story so that they can wash it off!" Uzumaki Xin murmured, narrowing his eyes.

There is nothing in the Ninja world that can't be white washed, if it really can't be washed...

Either your backstage is not hard enough, or you are already tasteless and have no use value.

"I will arrange it." Heard the words of His Royal Highness Xin, although she did not approve of it in her heart, but since the order has been issued, she can only execute it.
