Kushina who standing beside Xin walk in front making the Elderly amazed.

"You are also a member Little Kushina?"

Kushina proudly nodded at them.

"Uzumaki Kushina 9, Code Name:-"

"Tomato."

"..."

Everyone turn silent, the youngsters who standing with Xin take five step behind trying to make distance while the Elderly try to hold their laugh down.

"...- Code Name: Buddha of Chain, and I will show you my strength right now."

Kushina's hair start to dance wildly making it look like octopus tentacles, and before the people around can laugh they petrified in place sensing the huge Chakra coming from her.

"This!?"

"How can she have such huge amount of Chakra."

"Wait! Not good!"

One of youngsters shout.

"Run! Leader is going to berserk!"

Bang!

Each of them kick the wall of the conference room grab one or two elder and sprint to escape.

"What happen?"

Before they can even reach, they heard a loud shout.

"Adamantine Sealing Chain!"

"Nature Change: Earth & Fire!"

"Uzumaki Art: Indra!"

Huge amount of golden chain start to come out from Kushina's body forming a colossal giant made from small golden chain.

A giant holding his arm around his chest, eight golden chain floating behind, and a fire wing forming a huge cloak around the shoulder.

"T-That!"

"What's that?!"

Xin jump beside them and answer.

"Unique Sage Mode that I created for Uzumaki."

"Sage Art?! I

sn't that the power that God of Ninja use in the past?"

"That's right."
