"Mr. Nara, I think you need to add this problem to your report." Xin said.

"Excuse me?" Nara Shinobi nervously asked.

"I said you can report this, I want to see how those people will solve this problem, but I think I already see what going to happen next."

Fo the Root Ninja, those people are Unknown, not single piece of information can find from them.

They are people who train like dead soldier, they are disposable like tools on the hand of Danzo.

He can throw them if they become useless, kill them to use as excuse or even push all the problem ti escape any responsibility.

And th b st it all, Root Ninja is train to serv Danzo whatever you hey need to die or kill Hokage or the Daimyo.

"The fight is not ha d, we solve them within five minutes, we caught almost all of them but they choose to commit suicide by biting the hidden poison pill on their teeth."

"Let me guess, Raikage explodes in rage and try to detain you?"

"Amazing, how did you know?"

"It's not hard to understand what Hidden Cloud Ninja will do, with their war freak nature, I'm sure they will not going to let escape to kill anyone, much more Uzumaki Clan."

"Don't worry, we never let them take charge, we use the Shadow Release to hide and wait for The Raikage to calm down before coming back."

"And the result, they accept our demand for one condition, they will going to choose the place and number of people who will going to participate."

"We down with that." Xin answer but the Elder
