Chapter 52 - Everyone's Hidden Motives

While everyone is arguing to each other, the latest report arrived.

The Mizukage Representative took and started to read the report, when he saw the result, his face couldn't help but to be shocked.

"What's the matter?" One of the Seniors asked, seeing his expression.

"So bad." Mizukage's Representative said with a dread expression.

"The casualties are relatively large, especially when the Seven Swordsmen captured by Uzumaki Shinobi. At the same time, the other Shinobi Village is also falling on the trap of Uzumaki."

Unexpectedly, they did not expect such an ending to happen.

They don't know that there's a strong man guarding the Uzumaki Kingdom, a strong person who can defeat even their proud Seven Swordsmen.

Right now, they don't have any reports or findings of who is the one who defeated their fleet, he is sure that the Uzumaki Clan doesn't have such a powerful character hidden.

Mizukage's Representative scanned all the high-level Seniors around, everyone turned aside their eyes and did not even dare to look at him back.

They know this is going to become a huge problem, and the defeat of them is a huge problem for everyone, at the same time, they don't want to be cannon fodder if someone tries to do something stupid again.

The enemy is strong, maybe a huge trap is laid waiting for them to enter, no one wants to be the one who will open the way for them.

Mizukage's Representative feel bitter, it seems that the next Mizukage change is about to happen earlier than they expected.

A solid plan is need to implement, something that can help Hidden Mist Village to recover from the lost.

And maybe, maybe they need to use that monster to this plan.

At this time, everyone will enter to a period of rapid development after the end of the War, Konoha, the biggest winner of this long war is the one who will get huge benefits and compensation after winning.

They need to make decision, if they don't want to be left behind, they need to restrict Konoha from using Uzumaki.

And maybe, they will need to call for the help of other great village for this.

"So what are we going to do now?" One asked.

"We need to save them!"

"Fool! We don't even know what they are hiding."

"We need to prepare, I'm don't know if the Uzumaki will let us go easily Thai time."

In addition, the voice of majority who calling for peace were rising, and it is estimated that many people now yearning peace after a long year of war.

"Withdraw." Mizukage's Representative helpless said.

This kind of thing cannot be solve by just them, they need to conduct a huge meeting to solve this problem.

At same time, the Second Mizukage is about to come back after going out for half year, they don't know if the result they want is the one that the leader being.

"Call the remaining army, withdraw the Uzumaki Kingdom and start to negotiate."

"We need to bring all our Shinobi back, and most important is the Seven Great Sword, we can't let them have it."

"The Village is having problem with money, I don't know if we can redeem it from Uzumaki."

"If they don't want, we can just use Pirate to kidnap them one by one, I don't think no one want to have Uzumaki Shinobi on their group."

"Sell them as Slave, I think the other Ninja will be please to have one Uzumaki Blood on them."

"No need to think, let's wait for Second Mizukage to come back before deciding for our next step."

No one want someone stronger than them, everyone want to have but they don't have the ability to make one strong ninja.

If someone break the balance of the world, the whole Ninja Village will attack and eliminate the problem immediately.
