The Uzumaki Clan was victorious.

This voice is constantly passing through the various Ninja. Fortunately, Uzumaki Clan reminded them not to pass the news to the refuge of war.

But still, some refuge already arrive on the coast of Uzumaki Kingdom, the Uzumaki Shinobi did not push them out but help them.

They know Uzumaki Clan win but they are lacking in terms of manpower, and manpower is not a instant to create, it takes years to get enough manpower to Uzumaki.

This huge surge of refuge is just timely when they need huge manpower for the next rapid development of the whole Kingdom.
