Chapter 54 - Theee-tails 'Isobu'

"We don't much hatred between us."

"Haha!" Isobu sneered at him and angry said." No hatred! I did not do anything and someone destroy my house, freeze my garden at same time, use chain on me like a dog! Do you think there's no hatred between us!!!!"

Xin did not expect that he is super angry.

He can't help but to said." Anyway, you are trapped here now, and you can't do anything you want except making noise."

"..." Isobu.

'Are all children is so poisonous now?' Isobu inward though.

Hearing what he said, Isobu stop making noise, he shut close his mouth angrily and squatted on the wall of the cave.

"What's wrong?" Xin asked seeing his reaction.

"Stop scolding? Are you hungry? Do you want bone?"

"I'm not a dog damn kid! I'm a turtle can't you see!!!"

When he is about to go silent, Isobu's anger shoot up again.

Did he think he is Kurama or Matatabi? He is a Sea Beast and not a feline or dog.

"Why not listen to me Isobu."

"!!!"

Isobu's huge eyes glare at him sharply. "Boy, how do you know my name?"

You must know that the Ninja World only knows that they are Tail Beast, they don't know their real name at all.

What's even more interesting is they still regard the number of tails a distinction of strength, and they are all a group of ignorant human beings.

Isobu can't understand why their father wants them to get closer to this hateful being, the only thing they do to them is to use them as a pet and seal them to a dark place.

"I just now."

Isobu looks at Xin, his bright color hair, the beautiful black eyes and cute babyfaces of him.

'He doesn't look like the one in the prophecy, Father said it's a blond boy with blue eyes and not red hair and black eyes.'

"I know quite a lot, for example, the name of all Tail Beasts, the strength of each of you, the techniques and elements that Tail Beasts use and so on.

Xin said everything in detail making Isobu bewildered, he never sees or hears someone who is knowledgeable about Tail Beasts like him.

"The other thing is that Kurama always bullies you."

"Who told you that!"

Isobu glared, staring at the child in front of him, he then shouted." Kurama bullied the Shukaku and not me, the Great Isobu!"

His expression is hideous, his inner embarrassment is well hidden, but the problem.

"You know, Uzumaki Clan have sharp sense when it comes to emotion so you can't hide it from me."

"..... Damn!"

Isobu turned his head away, he don't want to talk to this hateful imp, any time now he can go crazy and explode from anger if he continue to talk to this kid.

This kid is not easy to mess with, he know some of the hidden embarrassment of them Tail Beast.

And this embarrassment should not come out or else the famous Tail Beast will become the huge joke in Ninja World.

"Hey, hey, don't sleep, I want to talk to you."

"Get away kid! Don't talk to me!"
