"Well, I lacking in Chakra so I can't make it 100%."

"If you can make a Holy Land for me, I can give you Chakra, anyway Chakra is thing we Tail Beast not lacking."

"Then that's great! Then we have a deal."

Isobu look at Xin and ask. "I know that you will not going to do it freely, tell me kid, what do you want from me as payment?"

"I will not going to beat around the bush, I want some of your blood, a small piece of your skin, and huge amount of Chakra."

"That's all?"

"Yes." Xin nodded.

Isobu look at Xin, he can't sense any malice from this kid, and he also feel it's not a trap because that he asking is a simple thing for him.

After silent, Isobu finally move.

He raise his huge hand and slap the ground.

"Coral Bowl!"

From the ground, a huge shell shape made from coral start to grow, it stop after Isobu pull his hand out.

Then, Isobu reach out one of his tail and pull it apart making blood splatter everywhere.

He then put the broken tail on the coral bowl while small tail start to grow behind his broken tail.

"You can take one of my tail, need to said, the blood coming from it is the blood you need, as for Chakra, I don't have any ability to seal chakra to give to you so better find a container to store my chakra."

Xin pull a scroll and put the broken tail and the blood that collected in the shell bowl, he then pull a huge transparent jar and place it on front of Isobu.

"You can transfer your chakra here."

Isobu look at the glass jar and said." Kid, what I need is something more powerful that can hold they tyrannic power of my chakra, this broken jar will not going to make it."

"Don't worry, this jar can hold soich chakra even you put all your chakra inside."

Isobu still can't accept it, how can a small thing hols such dangerous energy such as chakra, but still, he follow Xin and inject his chakra inside of the jar.
