Chapter 57 - Creating Different Dimension

"Summon Jutsu: Great Turtle Totem!"

Bang!

A smoke explode and a huge totem appear.

It's a pillar with ancient carving and the mark of the Great Turtle on it, the totem is also rich with Chakra Nature and Space-Time Element.

"Where did you get this kid?"

Isobu never see this kind of totem, in his thousand years of life, he see different kind of totem but not this one that gives mysterious feeling.

"This will going to be the key of your Holy Land, it comes from ancient ruins that I found long time ago."

"Its a ruin of a mythical creatures 'Genbu', huge turtle with three head and a snake tail, it has huge green turtle shell that can carry the whole ocean, I don't know if it's true but I'm still trying to find a evidence of Genbu existence."

"A Huge Turtle? I don't know if I ever see such creature, but maybe Old man see such thing in the past."

Xin walk towards the totem." We can start now."

"What can I do?"

"You just need to put your Chakra in this pillar while I will open a space for you."

"Okay." Isobu move all of his tail and touch the huge pillar, he then start to put his Chakra while the Pillar start to change.

"More."

A rich bring red like boiling magma start to come out from Isobu while transferring this to the pillar.

This start to give dangerous feeling everywhere, swing this Xin start to move to seal everything around the cave to prevent getting sense by any spy around.

"Art of Sealing: Hexagon Chakra Barrier!"

"Art of Sealing: Five Great Animal Formation!"

"Art of Sealing: Rice Element Barrier!"

I'm instant three powerful barrier is erected around them, all the chakra that is leaking is sealed inside of the cave, not even a Shadow Level Shinobi can sense anything from their direction.

"Good Sealing Technique kid, now let me full blast."

Zzzz!

Rumble!

The whole cave is shaking, the amount of Chakra around is so much, the totem is glowing red like molten iron.

When the eye of the totem start to shine bright, Xin know it's time.

"Space Gate!"

A door suddenly open in front of the totem, you can see the void inside if you look closely.

"Kid, that place is dangerous, I can't stay there."

"Just wait, Im boy finish yet."

His eyes start to glow brightly as his arm start to shine same as he start to use his chakra.

"Space Lock!"

"Space Teleport!"

Xin disappear and appear somewhere on a small inhabitants island, he then slap his hand into the ground.

"Four Dimension Cut!"

"Teleport!"

He disappear with the island and kilometers of sea leaving a huge square hole behind, he then appear inside of the open dimensions with the hmsmall island and a sea around.

"Genbugan Art: Underwater Mysterious Heavenly Lock!"

Bang!
