

Uzumaki 571

Chapter 571: Huge Misunderstanding

"You come here."

This is how the same thing?

Wasn't the scorpion very obedient before?

Why did you ignore grandma today?

"What the hell did you do to Sasori?" Chiyo raised his head and looked at Uzumaki Xin with a grim look, and said, "I absolutely don't allow anyone to bully Sasori."

"..."

Bully?

Uzumaki Xin looked at Chiyo with a dazed expression, and then at the Sasori with his head down.

He obviously didn't do anything!

"Don't worry." Maelstrom Xin said with a smile, "I just came to send Sasori road to his parents."

He is here to pull people, not to pull hatred, so he must make it clear.

"You..." Hearing Uzumaki Xin's words, Chiyo's eyes suddenly widened, and he said viciously, "You are really damned!!"

Send Sasori to see Qianluo and Xizi?

You know Sasori is still a child!

The tears in his eyes suddenly flowed out.

"Puppetry Fighting Assault."

The chakra line was constantly controlled with both hands.

"Hey, what are you doing?" When Uzumaki saw Chiyo using puppetry, he quickly picked up the Sasori and said, "Are you crazy?"

Although he know that Chiyo can't hurt the Sasori, but what if there is an accident?

It is very rare to know technical talents!

He is very kind, why this old woman doesn't talk so much...

Eh!

What he said just now seems a bit... Ambiguity.

After all, not many people knew that the young couple Qianluo was still alive.

Send Sasori to see his parents, don't you just send the scorpion to die? But this old woman suddenly went crazy!

And at this moment...

"Grandma." Sasori that Uzumaki Xin was holding raised his head and looked at Chiyo, and said, "I want to see my father and mother."

Hearing Sasori's words, the puppet in Chiyo's hand stopped for a moment, and then...

Tears flowed down unconsciously, and pleaded, "Your father and mother have already..."

"Sasori, come and go with grandma."

"..."

Sasori was silent for a while, shook his head, and said, "I want to see Mom and Dad because they..."

"Promise the scorpion to teach Sasori to be a puppet."

"Grandma can do it too." Chiyo said quickly, "Grandma can teach Sasori too."

"Your father used to teach puppets by grandma, and grandma's is even more powerful."

"No." Sasori shook his head, and fell silent again.

Chapter 572: Jiraiya's Discovery

When Chiyo saw the scorpion like this, he knew that his persuasion was useless.

He sighed inwardly, raised his head and looked at Uzumaki Xin, all to blame, if he didn't come...

Sasori will not be like this.

"Puppetry, performance, and personal strength."

Since Sasori is okay, just save the scorpion, as for the future...

I'll talk about it later, just when Chiyo was about to launch an attack.

"Don't do it." Maelstrom Xin yelled quickly, "Sasori's parents are not dead yet."

He still... Make things clear. Otherwise, what should I do if I beat Qianluo's mother later?

...

"Uchiha Fugaku." Jiraiya looked at the place that took him to the remote hill in Uzumaki Country with complicated eyes, and said, "Why are you here?"

Unexpectedly, the policeman brought by the kid was actually the young patriarch of the Uchiha clan.

Didn't the Uchiha clan perish?

Why is it in the country of vortex?

suddenly...

Jiraiya felt a conspiracy enveloped Konoha in his heart.

"Master Jiraiya..." Uchiha Fugaku changed his eyes and said, "It's been a long time since I saw him."

At last, looking at the police badge pinned to his chest, he sighed inwardly.

He can't be sorry for the clothes he's wearing!

He is now Uchiha's patriarch, and he cannot act rashly, not to mention his promise to his father...

No revenge.

Although the hatred in the heart is not so easy to wear off, but...

Uchiha Fugaku muttered with hatred in his eyes, "Konoha."

He will eventually count the lives of Uchiha's family with Konoha's Hokage-sama! !

"The Uchiha clan..." Jiraiya also saw Uchiha Fugaku's expression and was silent for a while, and said, "Are you the only one left?"

As the old man's apprentice, he still knows some things.

The Uchiha Clan...

It can be said that he sacrificed for Konoha.

"Haha." Uchiha Fugaku sneered and said, "Although I am very sorry for Konoha's heroic title given to his father."

"But the Uchiha clan still has a dozen people left."

"Well." Jiraiya sighed inwardly, looked at Uchiha Fugaku, hesitated for a moment, and said, "You..."

"Go back to Konoha?"

Chapter 573: Jiraiya's Decision

"..."

Uchiha Fugaku narrowed his eyes, then, with a mocking smile on his face, he said, "Sorry, I am now..."

Looking at Jiraiya with plain eyes...

"Excellent police officer of Uzumaki Country!"

"Are you a police officer?" Jiraiya also heard Uchiha Fugaku's words, and knew his decision. After thinking for a while, he sighed, "Uchiha's matter, I..."

"I won't tell the old man."

Since the Uchiha clan...

He have already joined the Uzumaki Kingdom, so I don't think I have seen it.

Otherwise, according to what the senior leaders in the village thought, they would definitely not care whether you sacrificed for the village or not, and would directly ask Uzumaki Kingdom to return Konoha's blood inheritance, if not, it would be...

It's war!

The war is over, and he doesn't want to see the emergence of war.

"You..." Fugaku was stunned when he heard Jiraiya's words, and then said blankly, "Whatever, Uchiha is not afraid of any assassination."

The country of Uzumaki...

Do not fear any war.

When Uzumaki allowed them to use Uchiha's surname, he knew...

War has long been unavoidable.

"And..." Uchiha Fugaku said lightly, "Uzumaki country is a place where the country is governed by law. I hope you can abide by the law here. If I find out that you have violated Uzumaki country's laws, I..."

"You will definitely be arrested."

Then, he turned around and planned to leave.

As for cheating children...

It does not constitute a crime, and he has no right to detain Jiraiya.

"Wait a minute." When seeing Uchiha Fugaku want to leave, Jiraiya rubbed his hands and shouted embarrassedly, "That..."

"Is there anything else?" Uchiha Fugaku frowned and said, "I'm on duty now."

"That..." Jiraiya ignored the facial expression of Uchiha Fugaku, after all...

He has gotten used to Konoha.

Licking his face and approaching Uchiha Fugaku, he said embarrassedly, "It depends on the fact that we are members of the same village, can we..."

"Sorry, I belong to the country of Uzumaki now." Uchiha Fugaku said blankly, "It's not Konoha."

"Before, it was before." Jiraiya said haha, "So, can you..."

"Lend me some money??"

Chapter 574: Family, Confusion

"Don't worry." Qianluo said with an anxious Xizi, "Sasori will definitely be fine."

Although she said that, Qianluo was still very worried in her heart. How could she not come back after going there for so long?

You know that Uzumaki Xin can know space ninjutsu!

Is there an accident?

Otherwise, how come back so late?

He hope nothing happens.

'Sasori , Dad, I...'

Before Qian Luo finished feeling, suddenly there was a space twist in front of him.

Two figures and a small figure appeared in front of them.

"Sasori !"

Looking at the little figure, Qianluo and Xizi couldn't help it anymore, tears kept falling, and they rushed up to hold the scorpion tightly, and murmured, "It's father and mother. I am so sorry..."

We... sorry, however...

"Dad, mother." Seeing his father and mother holding him, the low expression on Sasori's face disappeared instantly, with a smile on his face, holding them tightly.

he...

Like this feeling. he like it very much.

"Dad, mother." Sasori n closed his eyes and whispered, "Don't leave Sasori, okay?"

"You promised Sasori ..."

"Teach me to be a puppet."

If it is a dream, let him stay here for a while...

....

Life!

It's always full of drama.

Jiraiya originally thought that with the rewards for tasks, salary, and war bonuses he had passed for many years, he would surely be able to slowly travel through the world of Ninja, looking for the son of destiny, but he didn't expect...

He became a pauper the first day he came to the country of the Uzumaki.

Except for a little pain in the kidney, he didn't get anything.

Jiraiya also felt that when Tsunade told him about the situation in Uzumaki, did he make a mistake because of secretly aiming?

Otherwise, what is simple, warm, hospitable, but a bit poor...

Why didn't he see it at all.

This vortex country is obviously rich, okay, or even full of mystery. There is something in it, even Konoha is missing, where is it poor?

Tsunade... Didn't say at all, okay?

And also... Ten thousand silver was not loaned to him.

It seems that Uchiha's young patriarch has become stingy in the Uzumaki Kingdom!

Jiraiya also rubbed his stomach and murmured, "It's time to find something to eat."

Last night, because he had no money, he could only sleep on the street. Not to mention, the law and order in Uzumaki was quite good, and no thief came to touch him all night.

This disappointed Jiraiya

Originally planned to eat black, but this morning...

If he weren't hungry, he might be able to sleep until the afternoon!

Chapter 575: Hope

"I don't want to go back to Mount Myōboku to eat bugs." Jiraiya said with emotion, "and..."

The matter between Gamabunta and Gamahiko.

He will definitely be beaten when he go back now.

This country of the vortex is also true, what kind of injection the psychic beast will get!

Jiraiya also shook his head, he was going to find something to eat, he should be able to catch some prey when he came to the wild in the country of Uzumaki.

As for leaving?

He wouldn't leave when he hadn't figured out what was going on in Uzumaki Country.

If it is harmful to Konoha...

He will quickly write a letter to inform the old man, and there is still an important task on him that has not been completed.

That is...

Take the youngest shadow to Mount Myōboku.

As for the material...

Just by the way.

...

"Morning!" Uzumaki Xin stretched his waist, looked at the Chiyo in front of him, and said with a smile, "You should have had a good time last night."

Chiyo glanced at Uzumaki with a complicated look. He talked to Qian Luo last night. It was indeed the red-haired kid in front of him who saved his son, but...

This kid also pitted Sand Ninja Village.

If it weren't for the place where Qianluo and Xizi died, some strange traces were found, and there was a case of Konoha's white teeth broken for no reason.

She would not be so crazy.

At that time, Qianluo and Xizi had indeed died if it hadn't been for the kid in front of them, so, in any case, her heart was very grateful to him.

His approach is a bit uncomfortable.

"Although I am very grateful to you." Chiyo frowned and said, "But..."

"What do you want to do?"

As a former consultant of Sand Village, perhaps Sand Village has something to regret her, but she still wants to know whether the name of the Uzumaki country in front of her is harmful to Sand Village.

If there is...

No matter what she did, she would take Qian Luo and Xizi away.

"Oh!" Hearing Chiyo's words, Uzumaki Xin looked deeply at the sun in the sky that had just shed warm sunshine, and said with a slight upward mouth, "I think..."

"Bring peace to this world of despair."

"Bring hope."

He is used to it now.

As long as someone asks him, they all say it is for peace in the Ninja world, and there may be unexpected gains!

After all, there is never a shortage of people who are 'like-minded' in this ninja world.

It's just that the methods used by everyone are different.

"Huh!" Chiyo snorted disdainfully, and said, "It's a naive idea."

Wasn't the original Hokage so naive?

Finally?

After hanging up, the ninja world began to fight.

Chiyo suddenly put a smile on his face and said, "Perhaps you can do it?"

Chapter 576: Naive Child

Yesterday she heard Xizi talk about the changes, status quo, laws, ninjas and civilians in this Uzumaki country...

this way...

Maybe it can really change the Ninja world?

Ninja has never lacked people who are full of hope for the future.

She is getting old, but Qianluo, Xizi...

You may be able to see it in the future.

"I will solve the scorpion matter." Chiyo looked at the people from the country of Uzumaki who came out to work one after another, and said with emotion, "Qianluo..."

"I won't tell Sarutobi."

"Like he said..."

"He was dead at the time."

"So, that's not bad."

The corners of Chiyo's mouth rose slightly, bathed in the warm morning light.

Maybe she loves Sand Ninja Village in her heart, but...

She is also a mother and grandma.

In my heart, I still hope that Sasori can live a peaceful life. Since Qianluo doesn't want to go back, and doesn't want to be a ninja, let him go.

This is also good.

At least she...

There is no need to experience the pain of losing a child again.

"Send me away." Chiyo said with a smile, "If it's late, Ebizo will definitely find that I'm not here."

Being able to see Qian Luo and the others is okay, as a mother, she is already content.

And if it is too late to go back and be found by Ebizo, it will be troublesome.

after all, she came here sneakily.

If they have been missing for too long, they will surely be known to the village leaders.

"Don't you need to say to Qianluo and others?" Uzumaki Xin said, "It's still early."

He hasn't even eaten breakfast yet.

"No." Chiyo shook his head and said, "Their father and son were puppets yesterday and went to bed very late. They probably won't wake up so soon, so I'll go back first."

"So... OK." Uzumaki Xin thought for a while, then took out a handful of secret kunai from his pocket, and said, "If you need to see them, just type in Chakra directly."

It doesn't matter anyway, he sneaked a knot in the broken wooden room last night, as long as it was activated, he could pass, and it would not be too late to come back for breakfast.

Looking at the kunai Uzumaki gave her, Chiyo was taken aback, then, with a smile on his face, said, "Thank you."

really...

The name of this Uzumaki country...

It's really naive!

Chapter 577: Jiraiya Caught Peeping

"Tsk tsk." Jiraiya also looked at the brick wall in front of him, touched his chin, and muttered, "It's this direction."

Originally he planned to find something to eat, but...

When I was passing a street, he suddenly found the hot springs, especially the young lady who came in and out at the door.

Jiraiya also felt that it was okay to be hungry for a few days as a ninja, as it was his own experience.

When he was very young, he had a dream, that is to become a famous writer in the ninja world, but...

Finally delayed by the ninja.

However, he has never forgotten the dream he desires most in his heart.

Once he saw the material, the writer's soul in his body would ignite.

And so, in order to realize your dreams, he choose to look for food later.

"This wall..." Jiraiya looked at the thick wall in front of him with a gloomy look, and muttered, "Why are there no cracks at all?"

How does this make him draw materials!

Jiraiya also slowly moved his ear closer to the wall.

Can't hear anything...

He sighed inwardly, it seemed that he had to use some ninja methods.

Chakra slowly emerged from his hand, gently facing the wall...

"What are you doing?"

Suddenly, a voice appeared behind him, making Jiraiya also startled.

Turning his head suddenly, looking behind him...

A familiar and annoying redhead kid he didn't want to see was squinting at him.

"?"

Jiraiya is happy on his face, but there is something in his mind that I don't know when to say it or not...

How can I meet the red-haired kid in front of me everywhere!

This is...

What's wrong?

"Boy, if I said I'm experimenting with the walls not being strong, do you believe it?" Jiraiya looked up and squinted with a smile on his face, and said, "Believe me, this immortal isn't that kind of person!"

"Although I really want to believe it." Nagato nodded and said, "But I guess the police won't believe it."

"Policeman?" Jiraiya looked at Nagato warily and said threateningly, "Are you sure you want to call the police?"

If I remember correctly...

Peeping seems to be illegal.

"Does the police believe you?"

Jiraiya also glanced at the place where he was about to poke a hole, and found that there was no damage at all.

Chapter 578: Fugaku's Headache

He breathed a sigh of relief in his heart and said cheerfully, "I am Konoha Sannin. Mount Myōboku Toad Immortal, the dream of thousands of young girls in the Ninja world."

"Who do you think the police will believe?"

This wall is pretty strong!

There was no damage at all just now.

"Although you are very shameless." Nagato nodded, touched his chin, and said, "But..."

"That wall is enchanted. As long as it receives any attack, the alarm will be sent to the police station."

"And..."

Nagato pointed to the very secret crystal block hidden in the tree not far away.

"That thing is called a camera."

"The police can see the situation here through this in the police station."

"So..." Nagato sighed, shook his head, and said, "I advise you..."

"Let's surrender yourself."

Don't make mistakes and look at Jiraiya.

"..."

Damn!

After listening to Nagato's words, Jiraiya's face suddenly stiffened, especially when he looked at the crystal cube, why did this thing make him...

A little familiar...

Then...

He grabbed Nagato and ran away violently.

Let's hurry up now!

...

And on the other side...

"Officer Fugaku, Officer Fugaku."

"Please answer when you receive it, please answer when you receive it."

Uchiha Fugaku frowned, took off the walkie-talkie around his waist, and said, "I got it, I got it here."

Then...

"East Street Hot Spring Hotel, found a wretched man wanting to peep."

"Please arrest him immediately."

"Looks in his twenties, with red stripes painted on his face."

"Long white hedgehog head, wearing a red vest, with a large scroll behind him."

"It's a little wretched to laugh."

"Understood." After hearing the description, Uchiha Fugaku frowned and said, "I will arrest the voyeur immediately."

This one...

How come you are a little familiar?

Could it be...

Uchiha Fugaku squinted his eyes, and immediately returned to facial paralysis, and said faintly, "Jiraiya..."

Chapter 579: Fugaku and Jiraiya Meet Again, But this time, its Different

"Little devil." Jiraiya knelt down, looked at Nagato with a serious face, and said, "I was just verifying the strength of the wall."

"There is no other meaning."

How come even a wall has to be enchanted, this country of vortex has prevented him, a great author, from drawing materials?

A masterpiece of Ninja was destroyed by them like this!

Jiraiya also felt that his original thoughts had disappeared, and he couldn't remember anything. Obviously, he was one step further away from his dream, but now...

It was destroyed by the Uzumaki Kingdom!

"Do you think..." Nagato glanced at Jiraiya contemptuously, and said, "May I believe it?"

He just got up in the morning to exercise and planned to go to Baobao Hot Spring by the way.

Why did you encounter this kind of thing?

"No." Jiraiya narrowed his eyes and looked at Nagato, and said with both hands tightly on Nagato's shoulders, "You will believe it."

"You will help me explain to the police officer later that I am not peeping."

"Otherwise..."

"I beat you!"

This kid...

Believe it or not!

"..."

Nagato opened his mouth wide and looked at Jiraiya in disbelief.

This uncle...

What a shame to threaten a child!

"Uncle." Nagato said with a helpless look. "With the evidence, sophistry is useless."

"You listen to me, so hurry up and surrender yourself."

"Strive for lenient confession."

"He comes out after eighteen years, and he is another hero."

"I will be locked up for eighteen years?!" Jiraiya also heard Nagato's words, and said with a shocked face, "I haven't done anything yet, so I'm going to be locked up for 18 years?"

"No, you are trying to voyeur." Nagato said seriously, "I have already done it, but I didn't succeed."

"..."

Isn't that unsuccessful yet?

How could it be shut down for so long?

Myself... Don't slip away? ?

Jiraiya also narrowed his eyes. It is impossible for him to be imprisoned for eighteen years.

Ninja world is still waiting for him to find the son of destiny! !

"Of course." Nagato spread his hands, "I guessed it for eighteen years."

"..."

I...

Jiraiya also felt that he wanted to slap the nasty kid in front of him to death.

You don't know, who are you scared of!

Taking a deep breath, showing a self-righteous smile, he said, "Then how long do you think it will be off?"

"This..." Nagato frowned, thought for a moment, and said, "Probably need..."

The words are not over yet...

"Three months' imprisonment and one year's probation."

A low voice came.

Uchiha Fugaku walked up to Jiraiya in an instant, and said faintly, "I reminded you yesterday, is it illegal today?"

"Uncle policeman." Nagato quickly put aside Jiraiya's hands and grabbed his hands, and said to Uchiha Fugaku, "I want to report this white-haired ghost."

"He just wanted to peep."

"You..." Jiraiya also heard Nagato's words, his angry nose was crooked, he quickly took a deep breath, calmed himself down, and said, "Fuyue, I..."

"Shut up." Uchiha Fugaku said lightly, "Come with me."

Then, looking at Nagato. "You too, as an eyewitness, you need to make a transcript."

"Guarantee to complete the task." Nagato said with his head high.

Hearing that he was going to the police station again, Jiraiya must have refused in his heart.

He has no money to pay the fine again.

What three months, one year.

He doesn't understand!

When I was about to sneak away...

"I advise you not to run away." Uchiha Fugaku looked at Jiraiya and said lightly, "If you run away, the punishment will be more serious."

"Now, as long as you abide by the law and keep yourself safe, the original sentence will no longer be executed after a year."

"You don't need to stay in jail."

"No?!" Jiraiya also heard Uchiha Fugaku's words, and quickly stood up and said, "Don't you need to go to jail?"

"If you don't commit a crime again within a year, you don't have to." Uchiha Fugaku said, "But if you commit another crime..."

You will really go to jail.

"What about the fine?" Jiraiya also rubbed his hands, approached Uchiha Fudake with a sullen face, and said, "Would you like..."

"Not much..." Uchiha Fugaku said blankly, "Five thousand silver taels."

"..."

Hearing what Uchiha Fugaku said, Jiraiya's face became stiff, he... Penniless! !

"That one..."

Jiraiya also sighed, looked at Uchiha Fugaku, and said carefully, "Yes..."

"Do you owe it?"

The toad immortal has no money!

Chapter 580: Four Tail Jinchuriki 'Rōshi'

A man with red hair, a red beard covering his chin, and a forehead from Hidden Sound Shinobi Village on his head, a man in his thirties...

Looking at the sea in front of you.

"The opposite is the country of Uzumaki, right." Rōshi murmured, "How did those reputations come out?"

He is quite curious!

You know, except for ordinary civilians, all ninjas on the battlefield know...

Konoha was miserable by the Uzumaki Kingdom in the early stage, and in the end, for the stability of the village, he could only push out the Uchiha clan.

However, he doesn't know why, the whole Ninja world still has the benevolence and righteousness of the Uzumaki Kingdom.

It has not disappeared until now.

The Anbu investigation found nothing.

It seems that these rumors have appeared for no reason.

Therefore, Rōshi was quite curious about all of this, he wanted to know which way this Uzumaki Kingdom was used to make the entire Ninja World spread its good name.

Soon after the end of the war, he fell out with the three generations of Otogakure, and now he is wandering in the Ninja Realm alone.

"Let's take a look." Rōshi sighed inwardly and said, "I hope that the three generations of Otogakure will not regret it."

"Four tails." Rōshi lowered his head as if looking at the seal underneath, and muttered, "I should also practice seriously."

In this ninjutsu experience, learn to control the four tails and cooperate ninjutsu.

So at least in the future...

Can also help Shinobi Village.

"Really hypocritical." Suddenly, Rōshi heard a disdainful voice, "You humans are truly hypocritical!"

Then... he was immersed again.

Rōshi shook his head without saying anything, looking at the obscure island opposite.

How should we go there?

Just when Rōshi was meditating that he should step on the water or swim over...

A ship is approaching the border of the country of fire from the country of Uzumaki.

Rōshi frowned, and walked towards the direction of the ship, first to see if it came from the country of the Uzumaki.
