'What so they want to do?'

Kiri Shinobi wave his hand at the other Shinobi n xt to him and said." Go and ask, when will their negotiator come?'

What a waste of time..

The Kiri Shinobi nodded and tan to the Uzumaki Shinobi.

Fee minutes later, he come back with weird look on his face.

Leader Kiri Shinobi and the Kiri Negotiator knew something might be wrong when they saw this scene.

Leader Kiri Shinobi asked." What did they said?"

"They said that their Young Master Xin is having breakfast." The Ninja held back for a while but decided to say what he want to say." But.."

"And what?"

Leader Kiri Shinobi's face is starting to pale.

What kind of reason is that?

Did not get at breakfast?

Do they have to breakfast first?

Do they know thing negotiation is important?

Any it's almost noon, time for lunch.

"They said that they forgot to arrange time so it's okay to be late..."

"....." Kiri Shinobi Leader

"....." Kiri Negotiator

What they all heard the this, they fell into silence.

Yes, isn't it that the quicker the negotiation, the better, they also know they arrived at the negotiation site and they are not early, but they didn't show up yet?

And the reason?

What the fuxking reason!!!

"Damn it! They bullying too much!" Kiri Shinobi Leader can't help but to roared angry.

All the Kid Shinobi around start to feel unhappy, there are a lot of discussion.

You must know that they are one of the Five Great Ninja Village, even if they are the last or the second to the last, they still one of Great Village.

When was they treated like this?

Uzumaki are simply treating them like a monkey!

"Calm down!" Seeing that the atmosphere is not right, Kiri Shinobi Leader said.

What they need right now is to stay clam, this negotiation is important, the one who explode first is the one who lost most.

Maybe this is also part of Uzumaki Negotiation Tricks to get huge advantage to them.

But they will not let this slide, what kind of face they going to show to other if this thing hear by other village.

They don't want to be the greatest joke on the world, not now or even in the future.
