Chapter 671: Three Different Place

Tsunade rolled his eyes when he heard Jiraiya's words, and said lightly, "Of course I remember."

Remember?

What do you remember?

When did Tsunade-hime remember these messy things?

Even if you don't remember, so what?

At this moment...

The police car stopped in front of Jiraiya, and slowly opened the door...

A young man in a police uniform stepped out of the car and looked at Jiraiya and Tsunade, and said blankly, "Jiraiya-sama, Tsunade-sama."

However seeing the young man getting off the car, Tsunade's eyes widened suddenly, and he looked at the smiling Jiraiya next to him with an incredulous face, and said, "This..."

...

The wedding did not last too long. After going through the Ninja wedding customs and taking the oath, Uchiha Mikoto officially changed her name to Uzumaki Mikoto.

The whole process was taken by professional photographers, Uchiha Kei and his assistant Mu Xinshu.

After a short training and relying on writing round eyes, Uchiha Kei has been able to accurately capture various pictures, and is proficient in various shooting postures, and the photos taken are quite good.

As for the Senju Ken...

It's just being pulled up.

Senju Ken looked at the equipment, rolled his eyes, and said, "So, why do you want me to be your assistant?"

If he remember correctly, the relationship between the Senju clan and the Uchiha clan should not be so good.

From the morning to the present, he was so hungry that his eyes were dizzy, and his hand holding the instrument was trembling.

"Should we take a break first? Change someone first?"

Uchiha shook his head, and said blankly, "Others are not technically capable."

As for why you are an assistant...

Just simply thinking that this heavy and tiring job suits you.

Senju Ken rolled his eyes and was about to refute...

"Let's go, hurry up and follow." Uchiha Kei said lightly, "We still have other people filming."

"Oh." Senju Ken sighed, and then he could only pick up the equipment and follow Uchiha Kei's back.

...

Nagato tremblingly picked up a piece of spare ribs, looked at the three sisters who were dark in front of them, and said carefully, "Should we eat first?"

He didn't want to sit here at all.

The atmosphere is...

It's too scary, okay.

But in the end, Konan was dragged over, saying that everyone was surrounded by adults, all seniors, so I should go to sister Kushinai and relax.

Just... Easy? What's easy?

Can't this girl understand the atmosphere here?

In fact, he can eat with his mother or the patriarch, and he is quite free.

"Huh!"

Hearing Nagato's words, everyone turned their heads and stared lightly at Nagato who was about to put the ribs in his mouth.

"..."

Chapter 672: Understandable Mikoto

Be watched by so many people.

Nagato shook suddenly and almost dropped the ribs to the ground.

At last...

He could only put the ribs back into the bowl blankly, and then stared at the whirlpool who was still toasting...

He... want to go back home.

Is your stomach really hungry?

Konana on the side also seemed to feel that the atmosphere was not right, and hurriedly sneered at Nagato and Yahiko.

She didn't expect to become like this either.

As for Yahiko...

Looking at His Highness Xin indifferently throughout the whole process...

He had guessed that the situation would become like this a long time ago, so he went to the toilet just now and secretly went to the back kitchen and ate a few buns.

He is not hungry now.

When he saw Nagato like this, he was about to ask him if he wanted to go to the bathroom...

"Yahiko."

A familiar voice came.

...

Uzumaki Xin took Mikoto and walked down to toast to all the elders and friends with a smile on his face.

By the way, he glanced at the table not far away from Kushina and the others, and sighed helplessly...

What a headache!

But seeing two figures suddenly appeared, he was taken aback.

"Why are the two of them here?" He murmured.

Uzumaki Xin frowned, planning to go over and see what was going on, but when he turned his head and looked at Mikoto who was holding his hand, he thought about it and let it go.

Today is the wedding of Mikoto and him, and Kushina and the others.

The matter has not been resolved, or don't appear rashly, or what if an accident happens later?

Ugh--!

Looking at Kushina with his mouth pouting and red eyes, Uzumaki Xin sighed inwardly.

It seems that he haven't seen Kushina come to him during this period of time, and...

It seems that she have lost a lot of weight, and he can no longer see the quirky look of the past.

It seems that he really need time to talk to Kushina!

But...

"It's okay." Mikoto said with a smile on her face, "Let's go over."

"I..." When Uzumaki Xin heard Mikoto's words, he was stunned, just as he was about to say something.

"It just so happens that I want to talk to Sister Kushina too." Mikoto shook her head and said softly, "Trust me, nothing will happen."

"This..."

Although Mikoto's face was smiling and there was no other expression on her face, Uzumaki Xin could still feel it.

She was...

Holding his hand, it began to tighten.

At last...

Uzumaki Xin sighed, holding Mikoto's hand tightly, and walked towards Kushina, they... We will meet after all.

Chapter 673: Feeling Constipated While Looking at White Zetsu

What? Get married?" Black Zetsu heard White Zetsu's words, he was taken aback, and said viciously, "You...what did you say?"

"That kid is actually getting married?!"

&^^!*@&

After you pit us, you actually ran to get married?

Is there any reason for this?

"Yes." White Zetsu spread out his hands and said helplessly, "So today's White Zetsu clone does not need to continue planting trees."

The red-haired kid seemed to have no time to deal with White Zetsu's clone, so after inquiring about the information, he quickly slipped away.

The country of uzumaki..

It's horrible.

"My ¥%@..." Black Zetsu couldn't help but a word after hearing White Zetsu. Then, he took a deep breath and looked at White Zetsu and asked, "What about the organization?"

"It's not optimistic." White Zetsu shook his head and said helplessly, "According to the news that the spores passed..."

"Many people in the organization have been arrested."

Especially the Five Ninja Villages adhere to the principle of never letting go...

It was a heavy loss!

There are even some people who choose to forget the task of the organization and leave the group.

"..."

This...

Hearing White Zetsu's words, Black Zetsu was silent for a while, and finally, sighed, and said, "Continue to let them hide."

What can he do?

He is also very flustered inside!

Besides being able to scold him angrily, what else can he do?

He can't beat it at all!

just...

It can't go on like this.

Otherwise, the reputation of the organization will definitely be damaged in the end. When that happens, everyone will withdraw from the organization, and what if no one joins?

And so...

It's time to think of a solution.

Black Zetsu sighed, squinted his eyes and looked at the direction of Uzumaki Kingdom, muttering, "Uzumaki Kingdom..."

Chapter 674: Jiraiya Know That Look

"Huh--!"

Everyone stared at Jiraiya and picked up the bowls and chopsticks, and then picked up a white-haired young man with a big drumstick.

Even Tsunade stared at him unconsciously.

Unexpectedly, Uchiha Clan, who had been annihilated long ago, would actually be seen here in Uzumaki, and it seemed that Jiraiya had already known it.

Tsunade's heart was suddenly full of doubts, and he had already asked in the car, but that Uchiha Fugaku was paralyzed all the way, but only gave her the entry permit and warned her to abide by the laws of the country of Uzumaki.

He drove the car silently without saying a word.

And because Uchiha Fugaku was in the car, Tsunade couldn't ask Jiraiya at that time.

After all, she don't know what is going on in the current situation, and she still plan to ask about the ninja's professional ethics later.

She even guessed that Jiraiya didn't tell the old man, do you have any ideas?

But now...

Why did you come to the wedding?

And even ate it, can't you tell that the atmosphere of this table is a bit wrong?

"That..." Jiraiya also seemed to see it, smiled awkwardly, put the chicken leg that had been bitten into the bowl carefully, and said embarrassedly, "Eat!"

"Everyone eat it!"

How do you look at him...

I'm sorry.

Nagato and Konan rolled their eyes when they heard Jiraiya's words. This uncle is still so cheeky!

Wouldn't you just come in and eat and drink without paying the gift money?

To know...

He still owes himself five thousand silver taels!

And Yahiko...

He scratched my head embarrassedly and said, "Teacher Jiraiya, we..."

He blinked vaguely at Jiraiya.

Teacher Jiraiya is really, how can you start eating as soon as you sit down?

Wouldn't you look at the atmosphere?

Jiraiya also saw Yahiko's hint, his eyes condensed, nodded clearly, and turned to look at the three pretty cute girls next to him.

It seems that no one dares to do it because of the three girls!

Just... Jiraiya took another bite of the chicken leg.

Toad fairy is really hungry!

"Hey." Jiraiya also showed his self-confidence, but in the eyes of others, he only had a wretched smile, and said carefully, "You..."

Want to eat it?

But...

Looking at the biting eyes...

Jiraiya immediately became honest, and could go back after he swallowed his words...

This look, this expression...

This immortal was scared.

Just... what is going on!

And this look, this expression... It seems a bit familiar.

Jiraiya seemed to have felt it, but he couldn't remember it no matter how he thought about it.

Feeling someone coming here, he quickly turned my head...

Looking at a wedding bride held by Uzumaki Xin...

Jiraiya also seems to know where he have seen it.

He sighed inwardly. It turned out that these three were the childhood sweethearts of the legendary Uzumaki Kingdom!

He... Feel the same!

"Little sister." Jiraiya said cheerfully with that wretched smile again, "It seems that you are troubled by love!"

"But..."

"Everyone has married a wife. If you want to let it go, you have to let it go..."

I haven't finished the next word...

"Damn."

Chapter 675: Complicated Relationship

Jiraiya suddenly felt that someone was stepping on his little toe, an ugly smile suddenly appeared on his face, and he turned his head to a girl with blue hair and innocent eyes.

This girl...

He is familiar!

Isn't it the girl who keeps the cat?

"Hehe." Jiraiya also showed an ugly smile to her, watching the people around who were waiting for him viciously, even Yahiko looked at him with a headache.

This... Did you make a mistake?

Jiraiya sighed...

Pulled his hand directly back, and then took out a book...

"Pick-up Cheats"

Handed it to Konan, and said, "Look at this, maybe it will help you...enenen...are you helpful?"

Three!

What is good about that Uzumaki country daimyo?

Turning his head to face Konana, he blinked... Can the girl let her feet go? It hurts!

That book is of no use to him. If you don't lick yourself, Tsunade can ignore him all day!

Konan nodded in satisfaction, letting go of Jiraiya.

This wretched uncle is really...

Not only loves to lie to children, but also keeps his eyes squinting.

She don't know why Yahiko should worship him as a teacher?

And at this moment...

"Konana." Uzumaki Xin brought Mikoto over with a headache and said with a smile on his face, "Nono, Naga, Yukihiime, Kushina"

But...

"Huh!!" Kushina rolled her head unhappily, ignoring Uzumaki Xin.

Yukihime nodded with a smile, while Nono lowered his head and said nothing.

The scene suddenly fell into embarrassment, everyone looked at this side...

Uzumaki Xin sighed inwardly, as expected...

He shouldn't have come here today.

Feeling that Mikoto was holding her hand tightly, she suddenly let go, with a smile on her face, walked towards Kushina, opened her mouth, just when she was about to say something...

Kushina glanced at Mikoto with complicated eyes, then glanced at his brother Xin, and then...

"Wow!"

She stood up and walked out.

"..."

This...

Everyone looked at the back of Kushina leaving...

Nono and Yukihiime also stood up immediately, and looked at Uzumaki Xin apologetically. When they were going to chase Kushina...

But he felt that someone was pulling them and lowering their heads...

Seeing that it was Mikoto pulling them, her heart was suddenly filled with doubts, and she was about to speak and let her let go...

"Xin, you go." Mikoto looked at Uzumaki Xin and said with a smile, "I can stay here." Then, looking at Nono and the others, "It just so happens that I can also ask them about Xin's past."

"I..." Hearing Mikoto's words, Uzumaki Xin was stunned, but thought of the look in Kushina's eyes just now, and the book he was holding...

"Sorry, Mikoto."

He chased after Kushina.

Mikoto looked at the back of Uzumaki Xin's departure, sighed inwardly, with a smile on her face, and said, "Sister Nono, and Sister Yukihiime."

"We..."

"Can we talk?"

Nono and the girls heard Mikoto's words, looked at each other, their hearts trembled, and finally... Nodded.

Then, followed Mikoto and walked to the side.

As for the photographer beside...

Uchiha Kei and Senju Ken looked at each other, what's going on?

They are still young, they don't understand it at all!

When I was about to turn around to take other pictures...

"Senju... Senju Ken."

A trembling came out with an incredible voice.

After Senju Ken heard it, he turned her head in confusion, Senju...

No one has called him this for a long time.

When you see a blonde breast...

Senju Ken was stunned and murmured, "Princess Tsunade."

Chapter 676: Confirmation And Helplessness

"Still angry?" Uzumaki Xin caught up with Kushina. Isn't it right to chase someone with the speed of his flying Thunder God technique?

Not to mention...

Kushina didn't continue running, but quietly turned her head to look at him.

"I..." Uzumaki Xin saw Kushina's eyes, and his face was suddenly full of embarrassment. He didn't know what to say, and finally...

Reached out his hand as before and touched Kushina 's head.

Quietly...

They both said nothing quietly, just the same as before.

Kushina also closed her eyes, and the corners of her mouth rose slightly, she could feel that feeling...

It feels the same as before.

Brother Xin...

It hasn't changed.

When Uzumaki Xin saw Kushina calm down, a smile appeared on her face.

When he was about to say something...

"flutter--!"

Kushina held Uzumaki Xin again as before, but...

It seems to hold tighter than before.

He suddenly sighed...

What a damn author!

However...

Kushina raised his head and looked at Uzumaki Xin with clear eyes, and finally...

It seemed that she had used all her determination, opened her mouth, and whispered, "Brother Xin..."

"You..."

"Do you like me?"

Meanwhile..

"I was wrong." Jiraiya looked at Tsunade who raised her fist again with a swollen nose, and quickly said, "Don't fight, I was wrong."

It's true.

Didn't you just hide it?

Don't be so cruel!

In the end, don't you still bring you to the country of the uzumaki.

It's really unconscionable.

This fist...

Jiraiya also looked at Tsunade's big fist like a casserole...

Toad immortals can't hold it!

Although hr get two punches every day, my body is trembling, and my energy is full, but... It would be fatal to get twenty punches!

Obviously the current patriarch of Senju asked him to conceal it, even if you are the little princess of the Senju Clan... Hey, Jiraiya glanced at Tsunade's car lights...

Gee!

It's not small!

"Boom!"

A black line came out of Tsunade's forehead and looked at Jiraiya with a wretched look. Shee shook her fist again and said viciously, "Did you know it long ago."

"This..." Jiraida also looked at Tsunade's fist and hesitated. Should he say that he knew it a long time ago, or should he say that he just knew it?

He sighed with emotion... Tsunade's strange power is really getting more and more adept! !

"Shall we sit down and talk?"

"Huh!" Seeing Jiraiya's already broken pig's head, Tsunade threw it out and said disgustingly, "Hurry up."

It's too much.

"Huh." Jiraiya also took a breath...

It hurts!

This Tsunade is also true. He has been an old classmate for decades. Why do you keep beating people in the face?

He he he...

Handsome face!

Where's the doctor?

I'm going to the hospital!

As for letting Tsunade, Jiraiya thought it was impossible!

Although there was an accident at the wedding last night, under the leadership of his toad fairy...

The place was still revitalized by him!

So I drank very late yesterday, so I found a restaurant to live in, but I didn't expect to be found by Tsunade early this morning.

Looking at Tsunade like this, she knew that she had endured it for a long time.

At least one night...

Chapter 677: Learning Everything

"Didn't Senior Senju Hen tell you yesterday?" Jiraiya touched his swollen eyeballs, it hurts!

'I think I should go to the hospital now and enjoy the gentle comfort of the nurse sister. Otherwise, I feel uncomfortable.'

Who on earth told Tsunade that they lived here?

The immortal toad would like to invite him to drink the Mount Myōboku specialty... Toad oil!

This weird power...

What should I do if my handsome face can't recover?

"Say it." Tsunade nodded with a serious face, and said, "Uncle told me everything last night."

"..."

Then why are you hitting me?

It's not my business at all!

Jiraiya suddenly looked at Tsunade speechlessly, pointed at Tsunade angrily, and said, "You...you..."

Please give me a reason!

Otherwise... I went to the doctor and ignored you again.

however...

Tsunade ignored him, and said lightly, "I just feel uncomfortable and want to find someone to vent."

"..."

You are big, you are round, you are right!

Jiraiya also raised his head forty-five degrees, sighed, and half-squinted his red and swollen eyes... It hurts! It hurts my tears to shed.

He... Is it easy to frog immortals?

"I'm about to cry for this injury, but Konoha Sannin, where is the toad immortal?" Tsunade looked at Jiraiya with contempt, and said, "Come here."

"You..." Jiraiya also shuddered at Tsunade's words, and said carefully, "What are you doing again?"

Can you just beat it tomorrow!

Today, my vitality has been overdone.

"Heal for you," Tsunade said irritably, "I can't make it, but if I come, I'll leave."

"Know that you hurt..."

Tsunade Yin and Yang looked at Jiraiya with a swollen nose and swollen nose, "Tsk tsk, it will be disfigured if you drag it for too long."

Disfigured?!

"Yes." Hearing Tsunade's words, Jiraiya quickly came over and said, "Would you like to lie down?"

Can he be disfigured!

Thousands of girls in the Ninja world are still waiting for him.

"Hurry up-" Tsunade said disdainfully, "-Or I'll leave."

Suddenly...

Jiraiya immediately lay down and looked at Tsunade who was slowly approaching him, especially in front of the car lights...

Gee!

It's dazzling.

Toad immortals can't hold it!

"Close your squinted eyes," Tsunade said impatiently, "Or don't blame me."

This pervert, still hasn't changed!

"Oh oh." Jiraiya hurriedly closed, the corners of his mouth raised slightly, and said, "What are you going to do?"

"What should I do?" Tsunade asked while using the healing technique, "This face is swollen..."

"It's disgusting."

"..."

Didn't you beat it yet?

But Jiraiya knew that it was impossible to reason with Tsunade. He sighed and said, "When do you plan to return to Konoha?"

When Tsunade didn't find it, he half-squinted his eyes and glanced down.

What a great view!

Especially the clothes Tsunade wears...

No, no.

It seems to have a nosebleed.

Jiraiya hurriedly closed one eye and only half-squinted with the other eye...

In this case, the damage is halved.

This immortal can still resist.

Chapter 678: Confused Tsunade

"Konoha..." Tsunade was silent for a while when he heard Jiraiya's words, then sighed, and said, "... let me think about it."

She doesn't know what to do now.

If she hadn't heard his uncle's words, she wouldn't believe it at all.

How could the old man do such a thing?

You know he is the apprentice of the second grandfather!

But thinking of the Uchiha clan and the Senju clan...

The two big families who founded Konoha have already left Konoha, and even now that the people have withered to this point, they can only move bricks in a small country incognito...

My heart suddenly didn't know what to say.

Konoha and Uchiha... Has Konoha's development really been blocked?

Tsunade's eyes showed a trace of confusion...

Is it because the prestige and strength of these two families are too strong?

Just like Sakumo Hatake.

Wasn't the old man incapable of suppressing those rumors?

Do not...

It was because Hatake Sakumo's victory in Second War made his fame reach a peak.

He even rushed to Konoha White Fang alone to fill the title of Hokage!

You must know that he is just an Anbu minister serving Hokage!

So maybe my father was right.

If the Senju Clan does not leave, it might really... Tsunade sighed inwardly.

She was... she really shouldn't know all of this.

First Grandpa, Grandpa Second...

Who should I ask? Or what should I do?

Seeing Tsunade's silence, Jiraiya knew what Tsunade was thinking, with a cheerful smile on his face. After thinking about it, he said, "By the way, who told you I was here."

Let's break the topic first.

"Uchiha Fugaki." Tsunade returned to his senses and said lightly, "What do you want to do?"

"Nothing." Jiraiya glanced at Tsunade's car lights again, and said, "I just plan to wait for him to get off work and buy him a drink."

Gee...!

It's so beautiful.

So, you don't need to drink the frog oil, let's go after get off work for a couple of drinks?

I'll treat! !

The corners of Jiraiya's mouth rose slightly, and a wretched smile appeared unconsciously...

Chapter 679: Some Preperation

Konoha in mid-March.

The wedding enthusiasm for Uzumaki Daimyo has also gradually subsided.

The tens of thousands of foreign villagers who have obtained the nationality of the country of Uzumaki make others look enthusiastic. They even feel that if the Daimyo of Uzumaki country can be given so many quotas once they get married, they don't mind coming to it a few times.

but...

This can only be thought of.

Now they are still re-starting the construction task in full swing, striving to obtain enough points to exchange for places, obtain the nationality of the country of Uzumaki, and take root here.

"There is nothing wrong with Uzumaki country during this time." Uzumaki Xin yawned and looked at Lucci in front of him, and said, "Have you found other Ninja village spies?"

"No." Lucci shook his head and said, "When the alien ninjas come in, we will all seal their chakras, and the police will always pay attention."

"Moreover, the migrant population has increased year by year in recent years. What you want to discover in this situation is really..."

Too hard.

Lucci shook his head with a wry smile, but he knew that the situation in the Uzumaki Kingdom couldn't be blamed on His Highness Xin. After all, opening to the outside world was a must. Just look at the current growth in Uzumaki Kingdom.

In particular, foreign export trade has been steadily increasing every year.

"It's that the sales of cars are not very good, but the export of balance cars is good." Lucci pushed his glasses and said, "I heard that the roads in other countries are narrow and uneven, so it is a little troublesome to drive."

"That's it." Uzumaki Xin nodded, pondered for a moment, and said, "Blame me for taking it for granted."

He thought that the nobles in the Ninja world would also play luxury cars, but I didn't expect...

This era is not suitable!

After all, it is not Konoha's 60 years, that modern technology distorted by technology...

There is nothing but nothing.

"In that case, stop production." Xin sighed and said, "Focus on the export balance car."

"But remember to still lower the three levels, and keep the confidentiality measures in place."

Although this kind of low-end technology can't be kept for long, no matter what, the technology of the country of the vortex must be ahead of other countries.

This is the advantage of Uzumaki Kingdom!

"Are the border turrets and monitors all set up?"

"It's almost done." Lucci nodded and said, "There are also newly filled territories that have begun to be rebuilt."

"Huh?" Hearing Lucci's words, Uzumaki Xin frowned and said, "It seems that we need to re-plan the location of the factory."

Up to now, the eastern sea area has filled about ten square kilometers, which is still quite good.

He just want to build million square kilometers and I don't know how long it will take!

His dream of a great country!

It seems that you have to ask Qian Luo to improve the equipment.

As for why we moved over...

After all, the filled land is always different from the natural continent. It is still good as a living area and an industrial area, but if the land is cultivated...

May have to trouble Hiruko to find more people.

Otherwise, the output is too small.

"Let Kakuzo start collecting war preparations." Uzumaki Xin groaned for a moment, and said, "Don't be in a hurry at that time."

The production of cans should also be increased, and there are some equipment...

After all, the strength of the ninjas in the Uzumaki Kingdom still has a gap compared with the five major ninja villages, so they can only shorten these gaps from the equipment.

"I will arrange it." Lucci pushed his glasses and said seriously.

This is not a trivial matter after all. If something goes wrong, it may drag down the war.

Chapter 680: Plan for Tsunade

"That's right." Uzumaki Xin seemed to think of something, and said, "How about Jiraiya and Tsunade?"

"What have they been doing all this time?"

He stayed with Mikoto during this time and didn't pay attention to these things, so...

I'm getting a little busy lately, I don't know what this Konoha Ninja did in Uzumaki Country?

"Jiraiya has also gone to work as a teacher at the academy, and now lives in the teachers' dormitory assigned by the academy." Lucci said, "Tsunade, since she came to Uzumaki, she has lived with the Senju clan."

"And some time ago, she also applied for the college medical teacher."

"Teach theoretical knowledge."

"..."

Tsunade became a teacher too?

Uzumaki Xin suddenly looked at Lucci speechlessly. Shouldn't she go to the casino to be a fat sheep?

Oh...

Pornography, gambling and drugs are banned in the country of Uzumaki.

What a pity.

Otherwise, the legacy of the Senju Clan may be taken over by the casino in the Uzumaki Kingdom.

In this way, Tsunade should be bored, so let's find something to do.

Just why not go to the hospital to be the attending doctor?

This may be more suitable for her, knowing that Tsunade's medical ninjutsu is quite strong in the ninja world!

And...

Theory teacher...

"It should be..." Uzumaki Xin squinted his eyes and said with a mysterious smile on the corner of his mouth, "Let the patriarch organize a wave of textbook adaptations and let Tsunade participate in it."

Fear of blood!

Tsunade hasn't come out of phobia yet!

In this case...

It's time for the college's textbooks to be upgraded.

"Understand." Lucci recorded the words of His Royal Highness Xin, nodded, and said, "I'll talk to the patriarch later."

Uzumaki Xin stretched out and said, "Well~!"

"It's really exhausted."

Tired at night, tired in the morning.

He don't know if Itachi can be born?

If you really change your surname to become a Uzumaki, you have to be prepared!

Otherwise...

What should I do if someone has a brain pump for no reason?

The Uzumaki family can't stand this big pit!

"A filial son comes out from under the stick." Uzumaki Xin sighed and murmured, "I can't do it, I can only fight."

Then, he raised his head and looked at Lucci...

"If there is nothing wrong, you can go down now."

He will have to go and see the Uzumaki Kingdom later!

After all, going deep into the grassroots and the masses, collecting public opinions and listening to them is a good way to understand the voices and thoughts of the masses!

It's time to go out and brush up a wave of reputation.

And...

Recently, Kushina kept running to his house, and got along well with Mikoto, and he was able to breathe a sigh of relief.

"Let's stop by to see Nono, Naga and Yukihome later."

He haven't seen them in this period of time. Could it be that the hospital is too busy?

These three...

It's really worrying!
