

Uzumaki 71

Chapter 71 - Uzumaki Momentum

"This is impossible, what you asking is to much."

"But I feel it's not."

"Please explain."

"Seven Ninja Sword, 7 Jonin, 12 Special Jonin, 100 Chuunin, and 50 Genin, now tell me, with all of this do you think the condition is not right?"

Kiri Negotiator can tell that the amount of compensation is just right, no amount of money can replace a single Ninja, much more they send 7 Jonin that is hard to train and need huge resources to train.

There's also the 7 Great Sword that fall to the Uzumaki Clan, those Ninja Sword is so precious second only to the missing Tail Beast.

But the compensation is so much, the Hidden Mist Village is open of the Great Ninja Village but they still the weakest in terms of resources.

Much more that the Water Daimyo will never give such outrageous amount of money when they lose two important war.

"Can you lower it please? I don't think our Village can pay such astronomical amount of compensation."

"I will give you 10% cut, but if you can deliver the money within four days."

"Four days!? We cant find money with such short amount of time!"

Hidden Mist Village is not only poor, but also lacking in term of resources, they don't even know if they can gear up every single Shinobi in the village because of lack of fund.

"This is not your problem, just pass it to your elder and Mizukage, let them decide, and tell them I don't like to wait, my patience is limited."

Kiri Negotiator look at Xin's calm face, he can't understand why such young kid have such strong mentality and negotiating expertise.

So if he is not talking to a kid but a old veterans on high level.

"I see, I will send your message." Kiri Negotiator then look at the Kiri Shinobi who being held by Uzumaki Shinobi.

He can't still understand why of all time, the Leader of the group do such stupid thing.

Did he not see that they are outnumber, did he forgets that they are on the enemies territory? Is he a fool?

"We will not accept your condition! Only fool can accept it!" Kiri Shinobi suddenly start to angry shout, the somehow finish task suddenly disturb.

"We Hidden Mist Village are not afraid of you!"

"We can die for our Village!!"

'Fook!' Kiri Negotiator want to cry Thai time, how can such stupid Ninja accept this kind of mission, he already broke once and he start to do it again.

"How scary ~ fight to death? I'm so scared." Kizaru look at the Kiri Shinobi Leader with teasing look making the Ninja explode in anger.

And seeing everyone's expression, they seems don't care if they going to enter wat or not, they don't even bother at all.

"Aren't you afraid of war?! You know that next time it will not only be the Hidden Mist Village who will move, I'm sure we will pull the other Great Ninja Village!"

Xin look at him like a clown and smile.

"Who said Uzumaki afraid of war?"

"Uzumaki Kingdom is not afraid of any war."

Xin said word by word.

"The Uzumaki Kingdom is not afraid of any war!!"

Suddenly, all Uzumaki Shinobi streamed loudly while momentum is start to gather around.

Seeing this, Kiri Shinobi Leader and Kiri Negotiator were little scared, they know Uzumaki Clan is peace loving people that's why they never have any enemies and only participate in war once.

But who knows what kind of expired soup they drink this morning, everyone seems looking for fight.
