

Uzumaki 73

Chapter 73 - A 'Third Raikage '

Xin and Third Raikage is sitting facing each other, both of them looking on each other face as if they want to engrave the appearance of it each.

Of course, except from A who looking at Xin full of curiosity and appreciation, Xin who on the other hand look passive.

"I'm impressed, to have such young Negotiator from Uzumaki Clan, and from what I see, you're strong kid."

"If only my Kumogakure also have such genius like you, I can feel relieved even if I dra on my bed."

"Tell me kid, why not join my Village? I can double the amount of resources Konoha give to you?" A try to buy them, he want to see if he can fry them away from Konoha.

Xin shake his head." I can't I have family so I can't join you."

"Then I will invite the whole Uzumaki Clan, same as the Senju did, we can form a pact, a life time alliance with two village."

Everyone was surprised, they never expect that the Third Raikage is persist inviting Xin on their own Village, you know that it's almost impossible for someone getting invite by other group while still leaning on the enemies side.

This is dangerous, a simple wrong move means betrayal, much more that the Village can be fall into dangerous situation.

But this thing is nothing for A, he can tell this kid will never betrayed his own allies, from the report he got.

Even if the Konoha Village give up them, they still take the people from Konoha with courtesy, this who who they value the friendship of two group.

What he can't just understand is, why Konoha try to distance their self from Uzumaki Clan when this Clan help the Konoha Village from the foundation to this time.

'Is Sarutobi idiot? They pushing such powerful Allie?'

'When they are in pinch, the first one who send reinforcement is the Uzumaki Clan, they did not even ask anything and send almost all the strongest Shinobi in frontline.'

'How can they treat such caring allies with cold shoulder? And the Senju? If the Senju did not send anyone here, maybe the Uzumaki Clan broke from the pact they have with Senju.'

"Nevermind, if you change your mind, you can send Shinobi to inform me, the Hidden Cloud Village's Door is welcome for Uzumaki Clan anytime."

"Thank you for your understanding."

"Hahaha!" Third Raikage wave his hand cheerfully and said." Don't bother, I come to here to negotiate."

"I already see condition of Uzumaki Clan, and I will accept it."

The Kumo Shinobi was shock, they expected that Raikage will decline such condition but he actually accept it even if the condition is harsh.

Is Uzumaki Clan really worth such courtesy?

"Im happy to heard, I can give you 30% discount from the original, I hope you like it."

"Hahaha! Who don't like discount? Anyway, we did not pay any war compensation except you so we have plenty to pay."

"?"

Uzumaki Shinobi and Senju Shinobi was confused, the war just end, how can the Hidden Cloud Village can say that they have resources?

And did not pay? Aren't loser should pay the winner money in form of war compensation?

"Excuse me, Third Raikage, can I ask you something?" Senju Hen skip a beat when he heard what Raikage said so he asked.

"Oh? From the Clsn of God of Ninja? Sure what is your question?"

"What do you mean from what you said just now?"

"What so you mean?"

"You just said you did not pay anything after the war, I just want to clarify something, did the Konoha send any representative to ask for war compensation?"

"Compensation? Of course they have, but what confused me is the ask something from us."
