

Uzumaki 75

Chapter 75 - Konoha Movement

"What the hell Tsuchikage thinking?" Sarutobi murmured, frowning. "Now that the war is end, what this Old Stone want to do?"

The casualty of each Village is huge, this is not the start of the war but the end of the war, each Village have huge amount of wounded Ninja so sending another batch for another war is stupid.

"Or...,"

Sarutobi seemed thinking something. "There's accident happen in Uzumaki Kingdom?"

Did Uzumaki Kingdom lost the battle?

Well, they don't have anything except Sealing Technique and the Barrier that protecting their Village.

If Konoha did not send Ninja to help them, it's pretty sure they are all dead already, but the problem is the sudden movement of Hidden Stone Village.

Sarutobi Hiruzen know that there's not a single Kage Level Shinobi left in the Uzumaki Clan, even Elite Jonin, Jonin and Special Jonin died from the war.

The only left is some Chunin who miraculously survive but he don't know if they come back alive after Danzo take them back to help them to 'heal' their injuries.

Why Tsuchikage send army again this time?

But the heritage of Uzumaki Clan, Sarutobi know that the wealth of Uzumaki is same as Senju, both the Clan is the biggest and the strongest clan from Warring States Period.

The Konoha can take it if no one left in Uzumaki, as 'allies' of Konoha, they have the right to take part of huge wealth of Uzumaki.

Uzumaki Kingdom's Wealth only belong to Konoha only.

"Anbu!" Sarutobi Hiruzen take a sip on his pie and shouted loudly.

"Hokage-sama!"

Suddenly a animal masked man come out.

"Ask the remaining Uzumaki Shinobi, what's the situation in Uzumaki Kingdom."

Maybe they have news from their own Village, he is sure they will not hide anything from them.

....

Because of the suddenly movement of Hidden Stone Village, Xin send CPO to monitor their movement, at same time the other nearby Village.

Looking at the number of people matching towards them, those stupid Hokage think the life of Ninja is just for me of resources.

Sending them to death without checking the situation.

"War is so cruel." Xin can't help but to feel emotional.

War is the word that never experience, the only eat he see is on a book or in the movie people re-created.

But in reality, war is bloody and cruel, not like in the movie full of heroism and patriotic.

War is the meat grinder in the earth, anything that drop inside of the war send their life or come back with missing limbs or arms.

Xin can't see anything good from War, except a powerful tools removing exces population.

"Little Xin!" Xin's Father, the Old Patriarch come, he look at Xin and said." It's not the time to be lazy, we have lot things to do.'

"I know, it's just boring, the thing I waiting is still on its way, and the compensation will send couple of days later.'

"Thats it." Patriarch nodded a d smile, he then look at Xin with teasing look.

"I heard that your Uncle Seven is searching you, he bring his little girl back home to meet you."

"Why? Isn't Kuina is busy on her own work?"

"I don't know, but I heard he want to ask for your marriage."

Black like form on Xin's forehead." Marriage? I'm still young, and I don't want to form family yet, my focus is the whole Uzumaki."
