

Uzumaki 76

Chapter 76 - Insider

"What happened!" Nara Shinobi frowned and asked, why happen to the meeting, and what is the results of the negotiation.

"It seems that Uzumaki create a bigger mistake." A Konoha Shinobi said.

"What is the result of the negotiation?"

"All of the Village Representative arrived at time, and they got intimidated by Uzumaki Clan."

The Konoha Shinobi then start to tell them what happened in th meeting, including th suddenly aggressive movement of Uzumaki.

Nara don't understand, why Uzumaki suddenly change in instant, a Clan who advocate Peace like Konoha and never get involve on any dispute not got any enemies.

This Clan don't have powerful heritage except their own Sealing Technique that know around the world.

With only Sealing Technique, and no other attack Jutsu, how can they have guys to intimidates the Great Ninja Village.

"So how is the results?"

"This is the thing makes me confused, except the Hidden Mist Village who got beaten by the Uzumaki Shinobi, almost everything end well."

That's right, it's confusing, the Shinobi from the Great Ninja Village is notorious of being proud and arrogant, except the Hidden Mist Shinobi who seems in the line of the attitude.

How can't yey suddenly become humble, this is weird.

"Did you notice something?"

Konoha Shinobi look around and come closer, he then whisper." The Uzumaki Shinobi is weird, last time the Hidden Cloud Village send their own Raikage for the negotiation and you know what kind of people Kumo Shinobi attitude right?"

"Yes."

How can't he don't know.

Hidden Cloud Shinobi is notorious of being arrogant and proud, even if they lose they carry their self as if they are the final winner.

Last time when a negotiation of Konoha and Kumogakure meet for negotiation, Elder Homura almost die from being piss of by the attitude of Kumo Shinobi.

Not only that, they are also notorious from being rude, they never respect anyone even their own Hokage making the last meeting trigger a war between two village.

"Raikage suddenly use his Chakra creating a powerful burst pushing everyone around, just like last time when the Konoha and Kumogakure meet."

"But to everyone surprised, the Young Master of Uzumaki wave his hand cutting the wind blast creating a safe path for everyone behind him."

"He also sit in front of Raikage with calm face while looking back at them as if nothing happens." Konoha Shinobi said.

'This is bad.' Nara Shinobi inward though.

This simple taunting show the Uzumaki Clan true intensions, they are fighting back, the attitude seems Raikage want to see to hai opponent.

The sudden movement of Young Master of Uzumaki show how powerful they are, blocking the chakra burst of a Kage Level Shinobi is nothing easy.

'Wait!? I feel I miss something.... That kid!'

Nara suddenly thought something scary.

It that Young Kid can block a chakra burst coming from the strongest shield and spear of Ninja World, then it show that ten year old kid is on Shadow Level right now.

This is not good, this is a sign something bad is about to happen.

It's fine if the attitude of Konoha to Uzumaki Kingdom is same back when the Senju still the Hokage but now it's different.

It's clearly show that Hokage want to hold the overall strength of Konoha, anything or anyone who block it his ambition need to perish.

The Senju is already the example, not many notice it but some people start to notice the decline.

And now the Uzumaki, the attitude of the Hokage show that they disregarding Uzumaki and showing their attitude to eliminate them.

A sign of power coming from the place they want to eliminate is a sign of upcoming trouble, trouble between two allies.
