

Uzumaki 77

Chapter 77 - Uzumaki Change

Next day, the Uzumaki Shinobi that they send to negotiate come back save.

The dusty black Ninja suit all had happy smile of their faces, although they all suffer little injury on their way, they still couldn't conceal their inner excitement.

"Young Master, we are back!" One CPO suddenly appear, he is the elade of the mission, he seems invisible from everyone but all fo them know that he is the hidden safeguard of everyone.

"This is the famous Eart Style that \$_@\$ Village treasure, they said it's the original note come from the Second Tsuchikage."

"This set of knife come from the ancient blacksmith clan that is already extinct.... "

"Ten Million from the Hidden Gold Exchange Shop... "

"Five bow full of gold comes from the group of bounty hunter... "

"This is the record of Forbidden Jutsu from the Village.... "

"One ton of precious metal... "

The CPO carefully took out the scroll with a smile on his face, this resources is great help for Uzumaki right now.

Looking at the thing they brought back, Old Patriarch and the Elder can't help but to jump in joy, this is the first time Uzumaki Clan got such huge compensation after long time.

The Elderly around only see this kind of excitement in Warring States Period, and it's been so long when they see such thing.

"Good job!"

"Very good, very good!"

"You guys are hero of Uzumaki!"

"We are proud of you!"

The praise coming from the Elderly of the Clan made everyone feel touch, they never thought that the declining Uzumaki Clan will have such great day like this.

They can't help but to feel proud for what they are now, it seems being Shinobi is not just a name or job but the symbol of their own existence.

...

"What do you said! Said it again!" Nara Shinobi grab the Konoha Shinobi who just come to report and start to shake him.

"Ahem! Leader, the Shinobi who send to get the war compensation come back with huge haul."

"..... They got something?"

"Yes.... If I'm not mistake, they got more than the last compensation we got from Hidden Sand Village...."

"This is bad....."

"Bad?"

Nara turn silent, he daze in place while thinking something dreadful.

He know what kind of greed those who sit on the highest rank back to Village.

Such huge compensation to be eaten by Uzumaki Kingdom will cause a huge dispute around the two Village.

He know that Konoha did not get anything from the war except a piece of paper.

If they know Uzumaki Clan got a huge compensation from other, Nara Shinobi know they will send people to take it.

They will use anything and even they will try to use their own alliance to get something from Uzumaki.

And this is the problem, the Uzumaki Clan is not the Uzumaki Clan in the past, they are different.

Nara Shinobi can even said that Uzumaki Clan seems stating to step in the level of Uchiha Clan, and this is dangerous.

If the farmer discover that his gentle ship become a ferocious wolf, the farmer will use the drastic measurement to solve the problem, and the easiest solution is to eliminate the problem.
